

Make Your Advertising \$\$\$ Go Farther

Every month the Relay goes into the homes more than 7,000 leaders, clergy and laity across the Greater New Jersey area!

These are decision-makers in the church, the home, the community.

In a day when more than ever, every dollar counts, you want to be a good steward of your resources.

That's why you need to consider the
UNITED METHODIST RELAY
as an advertising vehicle!
