2015 Laity Leadership Academy

The 2015 Laity Leadership Academy has been designed to provide the tools and skills required for lay leaders, in concert with their clergy leaders, to empower their churches for the challenges of the 21st century.

Specifically, the Academy will provide expert assistance and guidance in aiding lay leaders in these critical areas:

- **Creating vital small group ministries**
- **Creating inspiring worship experiences**
- **Creating an evangelism church**
- **Creating a social media ministry**

Churches are encouraged to send a team of lay leaders who work together at the Academy in developing an action plan to take back to their church for actual implementation and improvement.

Certified Lay Servants who successfully complete the Laity Leadership Academy and implement the action plan will receive recertification recognition for Certified Lay Servant.

Please note:

This Academy requires pre-academy reading and preparation, as well as post-conference action plan implementation.
