Leading a local congregation means being administrative officer of a non-profit in a community and world that is rapidly changing. How does one “Lead like Wesley” today? How do we grow followers of Jesus Christ whose hearts are strangely warmed by God’s love that then have a burning passion to make a positive difference in the world?

Join with your colleagues in seeking to develop and apply core aspects of Wesley’s leadership style today; in the Southern Region of our Annual Conference.

During the PaCE group we will connect with the Mark Gorveatte, through ZOOM at least once and possibly have him visit a session (in process). We will also seek to draw upon emerging organizational tools.

“In ‘Lead Like Wesley’, author Mark Gorveatte offers a guided tour of foundational leadership principles gleaned from the wealth of Wesley’s wisdom and experience.
