 - A. Shall be reviewed by the Chairperson of the Staff/Pastor Parish Relations Committee, the supervisor of the prospective employee(s) or volunteer(s) and the pastor.
 - B. Screening forms and background checks shall be maintained in the confidential personnel files of the church after the termination of any employee.
 - C. These screening and background checks shall be required of all persons unless a more stringent check is required to satisfy the standards of a licensing agency.
 3. All such programs shall be clearly differentiated between those which are church operated, and those which are non-church operated.

Compliance with these policies and adoption of a Safe Sanctuaries Policy by a local church shall be reported through a written question to be answered as a part of the Charge Conference Report.

Basic Standards Assumed: The following are basic assumptions made as they relate to local church programs for children, youth and vulnerable adults.

1. All buildings in which such programs are housed shall have any necessary "certificates of occupancy."
2. All groups conducting such programs shall have the necessary certificates of insurance for both liability and workers compensation. They shall be displayed as required by law.
3. All such programs shall conform to Federal and State wage and tax laws for employees.

The Greater New Jersey Annual Conference, through the Conference Children, Youth and Young Adult Coordinator and the Conference Media Center shall resource local churches with materials, persons, training opportunities, and guidelines for establishing effective measures that will reduce the risk of emotional, physical or sexual abuse of children and youth in the local church; and each district within the annual conference shall designate persons who will, in partnership with the annual conference, develop and implement measures that will reduce the risk of child /youth abuses in the local church; and

The resource **Safe Sanctuaries** by Joy T. Melton and/or **Reducing the Risk of Child Sexual Abuse in Your Church** by Richard R. Hammar, et al. shall be the model by which churches shall develop their policy and that each policy while unique to each local church setting, shall contain at least the following six measures:

1. Screening, selection, and annual training of all paid and volunteer workers with children, youth and vulnerable adults
2. Supervision and procedures
3. Reporting to Allegations of abuse
4. Responding to abuse
5. Education of the entire congregation about the policy
6. Annual review of the policy by a designated group within the local church

The Greater New Jersey Annual Conference shall set the last Sunday in September as SAFE SANCTUARIES SUNDAY, and that the Annual Conference shall supply resources for worship for this Sunday.

Definition of Terms:

VULNERABLE ADULTS: Those adults with diminished physical, mental, or emotional capacities.

CHURCH PROGRAMS/NON-CHURCH PROGRAMS AS RELATED TO INSURANCE: Programs relating to children, youth and vulnerable adults are covered under the conference-wide Property and Casualty Insurance Program so long as they are church operated. That is, the church must have control over starting and stopping the

operation, hiring or firing the employees, and the management of the day-to-day operations. The decision to operate a program, as described above, should be a matter of record in the meeting minutes of the Administrative Board or Board of Trustees of the local church. This will lay to rest the question of whether it is a church operated or a non-church program that is using the church premises. The non-church program is not covered by the conference insurance and the church should be sure that these non-church programs carry a minimum of \$1,000,000 General Liability Insurance and are covered by Workers' Compensation insurance. Certificates of these insurance coverages should be requested and received by the church annually. The Annual Conference and the local church should be named as additional insureds on these policies. The employees of the church-operated childcare centers are covered under the Workers' Compensation Program and as such should be reported on the annual Workers' Compensation salary audit of the local church.

SCREENING FORMS: Screening forms for use with volunteers are designed to assist the local church in gaining information on persons who are applicants for working in church programs with children, youth and vulnerable adults. Their use is designed to enhance the protection of those who participate in the programs. The use of the screening process should be required in both "church" and "non-church" programs.

BACKGROUND CHECKS: As with the screening forms, background checks are designed to protect those individuals involved in the programs offered by the church to children, youth and vulnerable adults.

CLERGY/LAITY SEXUAL MISCONDUCT, ABUSE AND HARASSMENT POLICY FOR THE GREATER NEW JERSEY ANNUAL CONFERENCE (Approved at the 2009 Annual Conference)

All references to the *Book of Discipline* are in the 2008 edition. Paragraph numbers are for easy reference and may change with future editions of *The Book of Discipline*. Unless there are substantive changes to the content of the *Book of Discipline*, the Policy will be updated to reflect the current *Book of Discipline* as editorial changes without the need to re-approve the Policy. Future name changes of Greater NJ Annual Conference will also be updated as editorial changes.

I. Context

For the purpose of this policy, we will use "clergy" or "clergyperson" to refer to all ordained, commissioned, consecrated, licensed local pastor, supply pastor and Certified Lay Minister.

II. Purpose

Clergy are in a position of great trust, power and responsibility. This provides the opportunity for unique relationships of grace and caring. While most clergy remain faithful to their vows and their covenant with God and the church, there are clergy who sometimes violate the trust given them. Sexual misconduct is one grave violation of this trust. We also acknowledge that laypersons can engage in acts of sexual misconduct, abuse and/or harassment. This policy seeks to address the abuse of power by all clergy and laity who engage in sexual misconduct, abuse, and/or sexual harassment. (See Section IV for definitions)

Incidents of sexual misconduct, abuse, and/or harassment have been reported in United Methodist Churches, agencies, and institutions. It is both the ethical and legal responsibility of the Annual Conference to ensure that there are mechanisms for addressing grievances in these matters. The intent of this document is to provide guidance to both laity and clergy of the Annual Conference, and to the local churches contained therein regarding clergy/lay sexual misconduct, abuse, and/or harassment.

It is our hope, as the people of Christ that this policy will help serve to guard against inappropriate behavior and be a guide for our community of faith as we seek to handle grievances should sexual misconduct, abuse, and/or harassment occur.

III. Theological Foundation

All persons are created by God. In the Genesis stories, as in the life, death, and resurrection of Jesus, it is affirmed that we are created in the image and likeness of God. God values human life, intending all women, men, and children to have worth and dignity in all relationships with God and others. God calls us into covenant with each other as children of God and as the body of Christ. The scriptures remind us that Jesus was sent into

this world that we might experience whole relationships with each other and God. "There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female, for you are all one in Christ Jesus." (Galatians 3: 28 RSV)

We affirm that our human bodies are good gifts from God and our sexuality is an integral part of our humanity. Healthy sexuality, and appropriate expressions of it, are derived from the goodness of the gift. As children of God, we are holy in Christ and created equal. Where one is injured, physically, emotionally or spiritually, all are rendered less than God's intended wholeness. Sexual misconduct, abuse, and/or harassment is an exploitation of power and abuse of position that uses sexuality as an excuse and distorts the relationships and blessedness of relationships and the upbuilding which God desires for humanity. It is sinful behavior.

One who repents for sinful behavior is promised forgiveness. However, discipline should be distinguished from forgiveness. A clergyperson guilty of sexual misconduct needs and may receive forgiveness and be offered avenues for redemption and change. Forgiveness, however, does not excuse one from responsibility to the community and accountability for the brokenness caused by one's behavior. The church must still take steps to protect the people of God.

IV. Definitions

Sexual Misconduct

It is sexual misconduct when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, co-worker, or volunteer within the ministerial relationship. (1996 *Book of Resolutions*, pp. 128-132, 2008 *Book of Resolutions* p.134)

Examples of ministerial relationships:

- Pastor/member of church
- Supervisor/church employee
- Youth pastor/youth
- Sunday School teacher/student
- Pastor/student intern
- Pastoral counselor/counseled

Examples of sexualized behavior or sexual contact:

- Displaying sexually suggestive visuals
- Making sexual comments or innuendos about one's own or another person's body
- Touching another person's body, hair, or clothing
- Touching or rubbing oneself sexually in the presence of another person
- Kissing; fondling; sexual intercourse

This understanding is equally applicable in the context of ministries in which there are no "parishioners" but there is a community which acknowledges the authority of the clergyperson or lay worker as a spiritual leader or other ministries in which the ministering person serves a community much wider than the membership of the local congregation.

At the core of this definition of sexual misconduct is the abuse of power and trust that occurs when a ministering person initiates or allows sexual behavior with someone who is in a relationship of trust and/or dependence. Sexual misconduct breaks a sacred trust. Any such sexual misconduct is a violation by the ministering person who then bears the responsibility for his/her behavior.

Sexual Harassment

Sexual harassment is any unwanted sexual advance or demand, either verbal or physical that is reasonably perceived by the recipient as demeaning, intimidating, or coercive. Sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender. (1996 *Book of Discipline* ¶161.1, p.101, 2008 *Book of Discipline* ¶161.1, p.104)

Suggested guidelines for determining hostile environment:

Miscellaneous

- Is the behavior sexual in nature or gender specific?
- Is the behavior unwelcome?
- Is the behavior severe or pervasive enough so that it creates an environment which interferes with one's ability to work, get an education, or participate in ministry?

Sexual harassment also includes the development or attempted development of a sexual or romantic relationship between a clergy person or lay worker and a person with whom he/she has a ministerial relationship, when that is an unwanted or inappropriate relationship.

Sexual Abuse

Sexual abuse is a sexual invasion of the body by force. Sexual abuse may be: rape, sexual assault, incest, indecent exposure, statutory rape, indecent assault, and aggravated indecent assault. Sexual abuse is also an internal assault, a deliberate violation of emotional integrity, and a hostile and degrading act of violence.

Domestic Violence

Domestic Violence Policy

It is not enemies who taunt me—I could bear that: It is not adversaries who deal insolently with me—I could hide from them. But it is you, my equal, my companion, my familiar friend, with whom I keep pleasant company. Psalm 55: 12-14a NRSV.

The Psalmist captures the feeling of many victims of domestic violence: the pain of being betrayed and injured by a loved one.

What is Domestic Violence?

Any abusive, violent, coercive, forceful, or threatening act or word inflicted by one member of a family or household on another can constitute domestic violence.

The United Methodist Church affirms the sacredness of all persons and their right to safety, nurture and care. It names domestic violence and sexual abuse as sin and pledges to work for their eradication. *2008 Book of Resolution*, p.59. Thus, we recognize domestic violence as an immoral act and a chargeable offense for both clergy and laity. *2008 Book of Discipline*, ¶ 2702.1 and ¶ 2702.3

We celebrate God's gift of intimacy, the image of God in each person, the inherent right of each person to health, wholeness, and safety, and we commit ourselves to working toward the elimination of domestic violence.

V. Standards for Clergy Conduct

- A. Clergy related to the Annual Conference are always accountable for the ways they respond to persons who ask their ministerial assistance and over whom they have authority. Any breach of this ministerial relationship, ministerial responsibility, and ministerial authority is abusive and unethical.
- B. Clergy often relate to persons who are fragile and vulnerable, and therefore must exercise special care:
 1. That clergy are psychologically, emotionally, and spiritually healthy.
 2. That there has been proper and adequate preparation and education as well as adequate continuing education for providing appropriate help for those under their care.
 3. That they seek counsel, advice, and supervision.
 - 4.
- C. Clergy sexual misconduct, abuse, and/or harassment places an unfair and unavoidable burden on the victim of such conduct. It is in the best interest of the entire church to inform the laity concerning appropriate standards of ministerial conduct.
- D. Clergy self-discipline requires self-awareness and takes for a standard of ethics those implied and described in the vows of ordination and consecration. (1996, *Book of Discipline*, ¶301-¶365) Personal integrity and mature professional conduct are a part of every ministerial relationship. This prohibits any sexual behavior with a parishioner, colleague, staff, or client entrusted to his or her sacred care.

- E. All clergy have the responsibility for developing healthy and ethical relationships with other persons. Married clergy have covenanted to nurture and maintain a faithful marital relationship. The covenant also reminds single clergy that dating relationships must maintain full attention to sexual conduct as understood in Christian teaching and the Book of Discipline of the United Methodist Church. (1996 *Book of Discipline*, ¶65)
- F. When clergy are providing professional pastoral counseling to persons in their church or community, it is understood that they shall keep appropriate standards of professional behavior and boundaries in that relationship. It is also recommended that clergy seek supervision for their counseling by a certified counselor supervisor to ensure that proper counseling relationships are maintained.

VI. Standards for the Conduct of Laity

Within the United Methodist connection, lay persons are also called to a standard of conduct which stands against sexual misconduct, abuse and/or harassment as outlined in 2008 *Book of Discipline* ¶12702.3. Laity have the responsibility for not creating hostile environments as a result of sexual harassment, abuse and/or sexual misconduct against clergypersons or other laity. (*Book of Discipline* ¶ 605.8)

VII. Honoring Perceptions of Reality

We understand that intentions and perceptions are not always the same. It is our policy to treat seriously a person's perception of the truth of their experience if/when sexual harassment, abuse, and/or misconduct are reported.

VIII. Confidentiality

The primary purpose of this policy is to encourage and support victims of sexual harassment, abuse, and/or misconduct to report such incidents, by providing a process that protects them from intimidation and preserves their dignity. We recognize that there also may be occasions when persons are falsely charged with sexual harassment, abuse and/or misconduct. In either case, it is of the utmost importance that confidentiality be assured for both the victim and the accused, and that advocates, church officials and others who may be involved in the process take every reasonable and legal precaution to honor the issue of confidentiality.

Some instances of sexual harassment can be resolved easily and informally between parties. In all other instances, misconduct of a sexual nature or abuse within the local church should be reported to a Contact Person for sexual harassment and abuse. If the conduct involves a clergy person, the complainant may consider filing a written complaint and/or speaking with a District Superintendent.

IX. Compassionate Advocates

The Greater New Jersey Annual Conference of the United Methodist Church provides the following support system to assist any individual who has a concern about an issue of sexual misconduct, harassment, or abuse with the church.

Listed at the end of this document are Compassionate Advocates trained by the Annual Conference and who will provide immediate support and direction for persons who feel that they have been sexually abused or harassed. Compassionate Advocates will explain policy and procedure and will provide confidential guidance throughout the process and respect confidentiality. Compassionate Advocates will be available for the complainant, the accused and the church.

We urge all related institutions/agencies in the Greater New Jersey Annual Conference to identify and train Compassionate Advocates to serve within their organization.

X. Process

The Greater New Jersey Annual Conference will adhere to the following steps when an accusation of sexual misconduct, harassment or abuse is brought to the attention of a District Superintendent:

1. A letter shall be provided to both the complainant and the accused at the time they first contact or are contacted by the District Superintendent. These letters are included in this policy as *Appendix A*.

Miscellaneous

2. Limit all media responses on behalf of the Church/Conference to the Bishop or the Bishop's designate.
3. If the complainant chooses to file a written complaint, the process will proceed as indicated in the 1996 *Book of Discipline*, section XIV ¶1358, 2008 *Book of Discipline* section XV ¶ 361.
4. A complainant has the option of following church policy and discipline when bringing a complaint of sexual misconduct against a pastor. They also have the option of seeking legal advice and filing charges.
5. Any incidence of sexual abuse in which the victim is a minor is a crime and must be handled appropriately. Anyone within the church who becomes aware of a child abuse issue is morally—for clergy, legally required—obligated to take steps necessary in the attempt to prevent further harm to the child. If an incident of child abuse occurs involving a church employee or volunteer within the church building or at any church activity, or if a minor brings forth a complaint of sexual abuse it must be reported to the local authorities.

The Greater New Jersey Annual Conference recognizes that accusations of misconduct of a sexual nature can be harmful to the whole congregation. The Greater New Jersey Annual Conference will provide support to the church affected by these accusations by providing guidance from the Leadership Advocacy Team and counsel in the form of a response team.
