

# HOW MANY LIVES WILL YOU SAVE IN 2016?

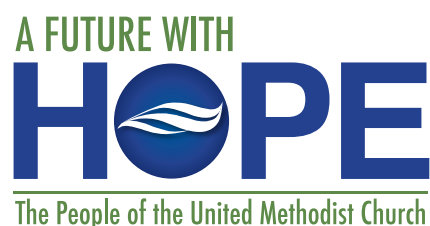

In Africa, malaria  
kills one person  
every 60 seconds.  
**There is hope.  
YOU.**

United Methodists, through the work of Imagine No Malaria, have already helped reduce malaria deaths by 50% by:

- improving the ways people fight the disease using bed nets,
- providing access to diagnostic tests and medicine,
  - draining standing water, and
  - improving sanitation.

## SAVE A LIFE.

**Support Greater New Jersey's Mission Fund which is raising  
\$2 million for Imagine No Malaria.**
