Imagination - *Have enough light to see the hope of God's call* – Ephesians 1:18

Come, imagine with me new generations of disciples, vital congregations and a transformed world.

Sisters and Brothers in Christ,

I am looking forward to learning where our imagination will take us at our 2016 Annual Conference session. Together we will praise God, celebrate ministry, worship, fellowship with one another and engage in the business of the conference, including an update from our General Conference delegation and considering candidates for bishop.

We will share stories of transformation. We will imagine the possibilities that God has in store. We will light up the world with our testimony of God’s great work in Greater New Jersey. We are hearing stories of transformation through Team Vital, PaCE groups, Communities of Hope and coaching. We will see the hope of God in our missional work through initiatives like A Future With Hope and CAMP YDP. We will share how God’s call is working through our youth at IGNITE.

God has imagined great things for Greater New Jersey. I invite you to prepare for our conferencing together by praying that we have the imagination to hear God’s call for love, unity and healing. Pray that our imaginations will help us create space for holy conferencing on issues that unite and divide us. Pray that we can use God’s light to make disciples of Christ and transform the world.

I also ask you to prepare by giving. Three years ago, we enacted a strategic plan that called for us to raise $12 million for a Mission Fund to put an end to deaths by malaria in Africa and rebuild more than 300 homes for families that experienced loss during Superstorm Sandy. We are halfway to our goal and need to recommit ourselves to the vital task before us. I invite you to plan an offering with your congregation for the Mission Fund between now and May and bring that offering to Annual Conference. We have rebuilt more than 200 homes and have saved more than 90,000 children from malaria with our donations. Your gifts now will help us reach our goals.

Greater New Jersey was truly blessed in 2015. I ask you to *IMAGINE* the great things God has in store for us for the remainder of 2016.

Keep The Faith!

Cultural Competence: White Fragility

White people in the U.S. live in a racially insular social environment. Because our racial perspectives are so rarely challenged within this environment, we have not had to develop the stamina needed to tolerate racial stress. I term this lack of stamina “White Fragility.” When we are challenged in cross-racial interactions, White Fragility triggers a range of defensive moves including: argumentation, invalidation, silence, withdrawal and claims of being “attacked” and “unsafe.” While these moves are effective at blocking the challenge and regaining our racial equilibrium, they are also damaging to people of color and prevent us from developing the skills we need to create a racially just society. This workshop will overview the socialization that leads to White Fragility and provide the perspectives needed for more constructive cross-racial interactions.

Leader: Dr. Robin DiAngelo is a former Associate Professor of Education. She is a two-time winner of the Student's Choice Award for Educator of the Year. Her scholarship is in White Racial Identity and Race Relations. In addition to her academic work, Dr. DiAngelo has extensive experience as a workplace consultant in issues of race relations and racial justice. She was appointed to co-design the City of Seattle’s Race and Social Justice Initiative. She has numerous publications and just completed the 2nd edition of her book, “What Does it Mean to be White?: Developing White Racial Literacy.” Her work on White Fragility has been featured in Alternet, Salon.com, NPR, and Colorlines.

Imagining Excellence: Evaluating Our Worship Services

God deserves our best in worship; but too often our evaluation of a worship service is sabotaged by our own preferences. There must be more to the conversation than what we like or think is good. Make the shift from preferences to purpose. Create the space to have honest, healthy conversations about what is really going on and how to move forward. Clergy and laity will leave this workshop with the tools to shift the evaluation of worship services from preferences and feelings to concrete, constructive conversations that lead to action and change.

Leader: Eric Drew, Director of Worship, partners with churches in GNJ to make worship great. He is passionate about using music, preaching, multimedia, and the creative arts to bring the Word of God to life. Often you can find him writing at local coffee shops, jamming on the guitar, or reading the latest book on leadership.
**Workshops**

**Be Your Own Creative Coach: Unlock the Power of Your Imagination**

This workshop is for clergy only! Improve your health, relationships, and your spiritual and emotional well-being as you learn and experience how to harness the power of your imagination. A healthy, robust imagination can overcome the roadblocks that keep you from experiencing the fullness of life that God imagines for you. We will explore the all-important connection between imagination and spirituality using the tools and strategies that unlock and engage imagination as a resource for life and ministry.

Leader: Rich Hendrickson, Executive Director of GNJ Stewardship Foundation, helps churches in Greater New Jersey develop, articulate, and live out a compelling vision for ministry that motivates and drives vitality, mission, and giving. Rich’s interests include creativity, storytelling, as well as cooking and traveling.

**Five Strategies for Building a God-sized Brand**

Why do innovative strategies for effective brand building matter in a church? A great brand has a great story to share. Before you start the dialogue, the messages must be clear and aligned with the overall mission and vision of the church. If you do not define your brand, somebody else will.

Leader: Rabiah Duncan is a brand strategist with a diverse background in sales, marketing, and promotions. She currently manages VIP Guest Services for New York Fashion Week and serves as the Communications and Media Coordinator for St. Mark’s United Methodist Church in Montclair, N.J. She fosters the church’s mission and improves the brand through social media platforms, advertising, public relations and traditional, electronic, and emerging media.

**Little Habits, Big Changes**

Have you been imagining a congregation that attracts loads of new disciples, but you’re not quite feeling up to orchestrating a full-scale revolution in your church? We get it. Instead, let’s consider 10 incremental shifts that any church can make toward becoming a culture that consistently fosters new disciples. (And here’s the secret, the full-scale revolution will follow!)

Leader: Trey Wince, Director of New Disciples, has 15 years of church leading, planting, consulting, and pastoring experience and has remained convinced that high impact churches are really just churches who know how to take care of the little stuff first. He has served as pastor of Kingston United Methodist Church, College Director (serving students at Vanderbilt, Belmont and Lipscomb Universities), Director of Young Adult Ministries at First Presbyterian Church in Nashville and international missions coordinator with Joshua Expeditions.
Financial Security

Understand the resources that are available for clergy and spouses when it comes to thinking and planning for a healthy financial future. Learn about your benefits and how they will support you in retirement, free and optional services offered through The General Board, how to gain access to your online account and explore the helpful tools available and individual Retirement Benefits Projection.

Time is being set aside for questions privately before and after the presentation.

Leader: Peter Hang has been with the General Board of Pension and Health Benefits since 1999, first as a team developer for the Pension Administration department and most recently as a benefits educator. In his current role, he travels to annual conferences to help conduct financial and retirement seminars for clergy and lay employees.
Denman Evangelism Award – Laity: Lou Weil

The Feed Truck had more than 12,000 transactions in 2015. It also selects local merchants, farmers, and employees so that they can benefit from The Feed Truck’s enterprise and ministries. Winderweedle, who serves as one of Kingston UMC’s co-pastors is a candidate for ordination in Greater New Jersey. A graduate of Princeton Theological Seminary, she has extensive experience in business management and community involvement due to her decade-long career of opening and operating coffee shops.

Helen Alter Davisson Award – Rev. Pat Bruger

She has served the city of Paterson both as pastor and as the executive director of CUMAC (Center of United Methodist Aid to the Community Ecumenically Concerned Helping Others) for the past 27 years. CUMAC is an organization that reaches hundreds of thousands of individuals and families feeding their bodies, minds and spirits.
Under her transformational leadership, CUMAC has grown and expanded in both size and scope. The lives of the countless individuals have changed because of her extending God’s love to all people. She works one on one with people, particularly women and children, to assure that they are treated justly. Vincent United Methodist Church has been involved in ecumenical and interfaith ministry for many years. Through the Nutley Fellowship, the congregation has participated in the 9/11 Service, the Day of Prayer Service, the Blessing of Palms, a Good Friday Stations of the Cross and a Cross Walk through town. They host an annual interfaith Thanksgiving service, the weekly Care Kitchen, the Care Pantry and the Interfaith Hospitality Network. They also helped to reinstitute the Crop Walk in Nutley. The ecumenical work of Vincent UMC has led to a larger impact for God in the community.

**Christian Unity Award – Laity: Carla Pitman**

*Sponsored by the Commission on Christian Unity and Interfaith Relationships for an individual that is fruitful in the area of Christian Unity and Interfaith Relationships.*

Elmer UMC member Carla Pitman has headed the Homeless Child Christmas Gift program for the last 35 years, a program that is now affectionately called Carla’s Kids. Carla’s Kids are children placed by Division of Youth and Family Services/Department of Children and Families (DYFS/DCF) and do not usually receive Christmas gifts. The children are “the least, the last and the lost.” Pitman coordinates churches and organizations to provide Christmas gifts to these children. Each gift includes a Bible, a Christian book or other token to show the child the love of Jesus. Over the years, she and her team, have served approximately 20,000 families living in Cumberland and Salem Counties.

Role, Responsibility and Accountability of a Bishop

In Greater New Jersey, the following are the roles, responsibilities and accountabilities of the bishop as reviewed by the Council on Finance and Administration and affirmed by the Episcopacy Committee. This outline will provide a synopsis of the ministry and leadership of a bishop and assist the Conference in its discernment process for nominating a bishop to the Northeastern Jurisdiction Conference.

The responsibilities of the bishop are found in The Book of Discipline paragraph 414. It is expected that the bishop will carry out these responsibilities and anticipated that the results and outcomes listed below will occur. The following description adds to or amplifies the responsibilities in The Book of Discipline but does not eliminate or alter what is outlined in The Book of Discipline.

Position Summary and Objective

The bishop is the spiritual leader of the conference and responsible for leading the spiritual and temporal affairs of The United Methodist Church and in particular in GNJ. The bishop leads the Conference to follow Christ and to put into practice church membership vows to be present, pray, serve, give and witness. The bishop is to lead and develop the conference so that it creates a culture that is regenerative in recruiting and equipping transformational leaders to make disciples and grow vital congregations to transform the world.

As a result of this position, the following will occur

- A clear vision and strategic ministry plan shaped biblically and theologically for GNJ’s spiritual growth, mission engagement and congregational vitality is approved by the Annual Conference session
- Inspired leaders and disciples are engaged in the vision and direction of GNJ and the UMC
- Growth in the skills and number of equipped clergy and laity transformational leaders who are leading congregations toward vitality
- Growth in GNJ worship attendance, making new disciples, connecting with community residents and engaging in community mission
- Greater clarity for clergy and congregational and conference leaders about their role, expectations and how their ministry connects to the mission
- Sufficient funds to fulfill and grow the mission

Key Accountabilities

- Do the right thing to recruit, equip and support transformational leaders
- Identify what is important and urgent for GNJ and why it is important and urgent
- Cast the GNJ vision in collaboration with conference leaders and lead toward the vision and mission
- Reinforce GNJ purpose and values
- Lead so that GNJ is working toward the strategic direction and accomplishing its goals
- Connect and engage with pastors, church leaders and congregations to learn and understand progress and challenges and reinforce positive effort
- Connect GNJ leaders and congregations to the larger church and world, including ecumenical and interfaith relationships as well as key spiritual and social issues in the world
- Supervise the staff executive team, cabinet and episcopal staff
- Ensure connectionalism is valued and The Book of Discipline is carried out
- Thank people for making a difference in the mission

John Schol, Bishop
The United Methodist Church
Episcopal Nomination

1. Name: Jisun Kwak
2. Appointments Served: Mendham UMC, Thiells UMC, Centenary UMC in Metuchen, Cabinet
3. What gifts would you bring to the role of bishop? I would bring a pioneering soul as the first Asian woman DS in NEJ (in each of my pastoral appointments, I was the first Asian woman at the church). **Deep spirituality** that brings powerful calmness and assuredness to tense situations. **Prayerful discipline** that transforms pains to blessing. A **peacemaker’s spirit** combined with trained, effective conflict resolution skills and coaching skills. **Cultural competency** in its many forms; **Encouragement and teaching** with an inquisitive mind; **Perseverance** as one who completed a Ph. D while serving the local church as an Asian American clergy and single mother.
4. How would you approach the role of bishop? With the guidance of the Holy Spirit, I will build consensus encouraging all voices to come to the table. I will emphasize team-building, trust, and challenging leaders to reach new levels of competency.
5. What are three accomplishments in your ministry that indicate your experience and skill to serve as bishop?
   - As a District Superintendent in both urban and rural contexts, we increased outreach ministry and shared ministry giving and met strategic ministry goals such as districtwide collaborated community programs and more.
   - In each local church I served, we experienced growth in attendance, membership, stewardship, and other vitality measurements and strategic ministry goals.
   - Instigated the Call to Prayer Movement within my District that brings together church leaders to implement a more consistent and deeper individual and corporate prayer life.
6. As a bishop, what would be your priorities and what would you lead the church to accomplish?
   - **Recover Wesleyan heritage.** Many of our churches and leaders need to be recalibrated regarding the importance of both works of piety and works of mercy as means of grace in Church life. In the Northeast Jurisdiction we tend to emphasize works of mercy over works of piety and in some cases have lost the power of holiness that comes through piety. I would lead a return to the practices of the basics of piety on both individual and communal levels as Wesley prescribed.
   - **Cultural competency awareness and practice.** Cultural competency not only is becoming more crucial for effectiveness in navigating an increasingly globalized world, but follows the teaching of Paul in 1 Cor 9:20-22 to become relational, accessible and understandable to share and receive God’s love to ALL – recognizing, embracing and working through differences on many fronts (ethnic, generational, language, socio-economic, gender, sexuality, political, urban/rural/suburban, and more).
   - **Reach and serve the marginalized.** Because of the denomination’s energy being expended on current deadlocked debates and initiatives that are garnering continued and increasing division within the Church, there are many forgotten and underserved children of God. I would re-energize ministries of love and liberation for the marginalized.
   - **Grow our church younger, both in terms of leadership and discipleship.** We need to rethink our existing models of leadership development and church to better attract young spiritual leaders and disciples. Most importantly, we need to enact new approaches by empowering and resourcing leaders with the vision and passion for attracting and building a more youthful church. Engagement and mission driven church will open the door to the young seekers.
7. While there are a number of important issues within the life of the church today, which one do you believe is most critical and why? **Emphasize holiness:** Increased piety will not only better transform us into the image of Christ, but will enhance and better empower our works of mercy.
Episcopal Nomination

1. Name: Heasun Kim

2. Appointments Served: The First UMC in Flushing, NY; Korean Community Church of New Jersey, Englewood, NJ; Morristown UMC; Linden UMC; Simpson UMC, Old Bridge, NJ (2000-present)

3. What gifts would you bring to the role of bishop?
   Spiritual and personal discipline; Pastoral and organizational leadership; Encouragement; Discernment; People skills; Stewardship; Visionary

4. How would you approach the role of bishop?
   I would assume a shepherd role for the assigned conference and a leader of the denomination as a member of the College of the Bishops in the Jurisdictional Conference and Council of the Bishop.

5. What are three accomplishments in your ministry that indicate your experience and skill to serve as bishop?
   - Pastoral Leadership at Simpson UMC: Through a long-term visioning process, Simpson realized that it is necessary to build a facility for their effective ministry; education, fellowship, ministry activities, and outreach programs. Through two capital campaigns (2009-2012 & 2013-2016), we raise $750,000 for 1.5 million dollar project. With a loan from UMDF ($800,000), we were able to build; groundbreaking took place in September, 2014 and completion of the construction will be soon (May, 2016). This is an evidence of my ministry accomplishments in two ways; Evidence of my pastoral leadership working with/for/within the congregation from dreaming, visioning, and executing.
   - Stewardship: Simpson is a small congregation located in a blue collar town with an annual operating budget under $200,000. We committed by faith, we give sacrificially give to build and grow! During last two campaign period (2009-2016), the members gave $120,000 annually for the building on top of $160,000 annually for operating budget.
   - As the chair of the Order of the Elders (2008-2011), I formed a team (one person from each District) to work for the Elders of the Conference. As a result of a great team work, we were able to communicate with the Elders through two surveys to identify the needs of the Elders. One of the accomplishment is to issue the clergy ID which serves well for not only the Elders but also all of the appointed clergy for their ministry. This is an evidence of my leadership as a team player who reach out to the community.

6. As a bishop, what would be your priorities and what would you would lead the church to accomplish?
   My priorities as bishop will be focused on discovering, building, and maximizing our God-given strengths through spiritual discipline and renewal regardless of church size. The bishop and cabinet should work together as the spiritual and pastoral leaders by exemplifying the spiritual work of discipleship. Encouragement, healing, exhortation should take place in the ministry of a Conference for the churches to be a faithful and healthy body of Christ.

7. While there are a number of important issues within the life of the church today, which one do you believe is most critical and why? Strengthening the mid-size and small size churches to be the healthy churches. According to the 2015 Annual Conference reports (www.umc.org/who-we-are/2015-annual-conference-reports), 44 Annual Conferences reported the loss of membership while three conference gain (North Carolina Conference- up by 409; Oklahoma Indian Missionary Conference up by 23; Texas up by 20). I believe that declining the membership and weakening the churches are by far most important issue than any other issue. When a person is suffering with life and death matters, rest of the issues around the life become the secondary issue. I believe that United Methodist Churches in the United Stated are in the critical juncture of life and death.

Conference Advance Specials 2016-17

Be it resolved that the 2016 Session of the Greater New Jersey Conference designate the following ministries and institutions as Conference Advance Specials for the 2017 conference year (without restricting in anyway a local church’s ability to support other mission work);

Be it further resolved that the Executive Committee of the Connectional Table be authorized to make any additions and deletions to the Conference Advance Specials list based upon recommendations of the Conference Board of Global Ministries.

Amistad (meaning Friendship) is an ecumenical ministry in the greater Freehold area seeking to assist Hispanic children and their families through educational, nutritional and spiritual programs. They assist children from The Learning Center and Park Avenue schools. These are Spanish-origin students mostly from Mexican families. They provide volunteers, adults and students from area high schools, to help the children with their homework, reading and educational games. They also use the computers. Most students are kindergarten, first and second graders with a few from third and fourth grades. Before they start their homework they have a snack. There are also reading prizes. A Christmas party is held for the kids and their families with gifts for children. There are 52 children registered with 35 volunteers.

C.A.M.P. YDP (Community Association with a Ministry to People Youth Development Program) provides preschool, after-school and summer programs for children aged 2 ½ - 13 and their families, mainly on the north side of Paterson. The program runs throughout the year. They are committed to work as a "partner" within the community. A stimulating and nurturing environment is provided. Total care is available as well when schools are not in session with transportation available to pick up children from certain schools.

Centenary Fund/Preachers Aid Fund supports retired clergy and spouses.

Christian Outreach Project provides no-cost home repairs to persons in need in the northwest area of our Conference. Participants are made up of high school youth and adult volunteers. In addition to home repairs, participants engage in morning devotionals, singing, worship services and recreational activities.

CUMAC/ECHO works to alleviate hunger and its root causes for those in need in Paterson, Passaic County and northern NJ. CUMAC has a pantry feeding 3,000+ monthly. The Depot warehouses over 2 million pounds of food annually for a network of about 40 partner feeding programs. This Community Food Coalition (CFC) distributes food while also screening clients for member pantries. They advocate at the local and state level on behalf of CFC clients. CUMAC also has a Community Closet that offers clothing & household items; Pathways to Work that imparts job skills and hands-on experience; Place of Promise that is a supportive housing program for chronically homeless individuals; and seasonal projects for school supplies, holiday gifts and other items for area children in need. All of the programs rely heavily on volunteers and financial support from the community.
C.U.M.I. Camden Urban Ministry Initiative, a cooperative After-School Program is a shared ministry amongst Camden churches. This partnering reaches families to ensure positive development of children. They provide a safe environment for youth activities, such as an after school program, summer day camps, youth Bible study, choir and a career training program. There are arts and cultural activities for all ages. The exchange of stories, wisdom, advice, and experience build a shared understanding of family and community. This church-based intergenerational community surrounds youth with caring Christian adults who encourage, support, and pray for them while also holding them accountable. C.U.M.I. is dedicated to the spiritual, emotional and social growth of Camden Youth.

First Friends of New Jersey and New York provides advocacy, research and social services to the detained and released detainees. First Friends provides a link to the outside world by providing toll free lines (English & Spanish) in five different detention facilities where more than 2000 individuals are detained and through visiting individuals in detention. The Pen-pal Program allows volunteers, who cannot visit to write to detainees.

The Neighborhood Center has served the Camden community since 1913. Today, they are a community center that provides a healthy and nutritious lunch six days a week, day care, an after school program, and an evening teen program. They focus on a two generation approach to lift families out of poverty. Their commitment is to provide a safe space for Academic achievement, Athletic accomplishment, and a flourishing Arts program. Their hope and vision for the next century of service is to create a "community living room."

The Pennington School is a college preparatory institution affiliated with the United Methodist Church which reflects the principles espoused by John Wesley and core values of honor, virtue, and humility. Students experience an environment where talents and values are forged for making a positive difference in the world. Half scholarships are available for students in grade 6 to 12.

Ranch Hope/Victory House provides ministry to troubled boys ages 9 to 16 ½ and services to troubled girls between the ages of 14–18 years. They are faith-based and provide learning environments for those whose needs can best be met through experiences outside their homes. They can obtain or regain their long-term academic, behavioral, and spiritual focus in their residential setting. Counseling, housing and recreation are offered, as well as spiritual guidance, time to attend chapel services and Bible study. Both Ranch Hope and Victory House are licensed by New Jersey State Department of Children and Families.

GNJ Strategic Ministry Plan Midway Affirmation

Whereas the United Methodist of Greater New Jersey’s strategic ministry plan is halfway toward its 2018 completion;

Be it resolved that we thank God for our progress, celebrate the congregations and leadership for their work on the plan, and affirm its direction, strategy and resourcing as outlined below:

GNJ STRATEGIC MINISTRY PLAN

VISION - We see a church like Jesus Christ—radical spirit and humble, teaching and healing, soul saving and soul tending, leader and servant, unbound and outbound for mercy and justice.

We also see a Wesleyan Church—personal holiness and social holiness, connectional and risk taking, thoughtful and inspirational, small groups and large vision, welcoming all and respectful of all.

MISSION – Recruit and develop transformational leaders to make disciples of Jesus Christ and grow vital congregations to transform the world.

DISCIPLES are life-long learners and followers of Jesus Christ, leaving behind safety and complacency to serve like Christ to make new disciples, end poverty, be graceful with those at the margins, connect with people who are different from us, and magnify God’s presence in the world. This type of disciple is shaped, encouraged, sent and supported through vital congregations.

VITAL CONGREGATIONS are inwardly transformed and missionally outbound. Vital congregations are Spirit-filled, forward leaning communities of believers that grow over time, welcome all people (Galatians 3:28); make disciples of Jesus Christ through the power of the Holy Spirit (Matthew 28:18-20); and serve like Christ through justice and mercy ministries (Micah 6:8 and Luke 4:17-21). Vital congregations engage and shape disciples in five key ministries – worship, small groups, community mission, making new disciples and generous giving. Vital congregations transform the world.

TRANSFORMED WORLD is a place where congregations, communities and people are working together to end poverty, eradicate racism, practice good stewardship of God’s creation, seek peace, and draw all people closer to God. This type of world is born through the Great Commandment, love God and your neighbor (Matthew 22). It begins with the church engaging its neighbors and working toward a peaceable kingdom as described throughout the scriptures. A transformed world, vital congregations and new disciples require transformational leaders.

TRANSFORMATIONAL LEADERS assess the gifts and needs of the congregation and community, set a courageous vision and goals, and inspire and equip the congregation to make new disciples, grow worship, grow disciples’ faith through small groups, engage the congregation in life changing mission, and increase giving to mission and ministry (Ephesians 4:11-12). Transformational Leaders have high expectations of themselves and for their congregations.

LEADERSHIP EXPECTATIONS include but are not limited to: 1) Connect and relate well with church leadership and membership and community residents, 2) Develop leaders within the congregation, 3) Lead the congregation to deeper faith and service in the world, 4) Increase vitality through inspiring worship and relevant messages, attracting and making new disciples, and engaging disciples in small groups, community hands-on mission and generous giving, 5) Raise sufficient funds for community and world mission, ongoing congregational ministry, shared ministries, and salary and benefits.
Recommendations to the 2016 Annual Conference

CONGREGATIONAL EXPECTATIONS include but are not limited to: 1) Connect with and welcome all people in the community, 2) Engage passionately and grow in the five key ministries of a vital congregation, 3) Create an environment for risk taking and innovation, 4) Support the growth and development of transformational leaders and radical disciples, and 5) Share generously including 100% of shared ministry and billables.

GNJ EXPECTATIONS – To achieve our vision and mission, GNJ is compelled to shift how it thinks and carries out its ministry. These shifts include:

1. From managing clergy and congregations to being in relationship with clergy and congregations.
2. From Conference programming to Conference resourcing leaders and local congregations.
3. From telling clergy and congregations what to do to supporting clergy and congregations to innovate and create how they will make disciples, grow vitality and transform the world in their context.

Therefore GNJ will focus on recruiting and resourcing transformational leaders to make disciples and grow vital congregations to transform the world.

GNJ RESOURCES congregations and transformational leaders that are ready and desire to become vital and more like Christ. Our primary resources are coaching, PaCE and Laity Pursuing Excellence groups, Team Vital, and Communities of Hope. These resources come alongside and center leaders and congregations in their calling, help them assess their present gifts and challenges and set a vision, create a ministry action plan and provide support and technical assistance to achieve a God sized vision.

Fruitfulness, faithfulness and effectiveness will be evaluated each year.

GNJ EVALUATION includes three types of evaluations:

1. GNJ progress toward our vision, mission and developing vital congregations and its commitment to and quality of its resourcing leaders and congregations. This evaluation will be done in February and September and results will be reported to the annual conference session.
2. Congregational progress toward the five expectations will be evaluated every September and a report given and discussed at the charge conference.
3. Clergy’s leadership in the areas of the five expectations will be conducted in April. This month is chosen so that it is not connected with salaries or appointments. The evaluation is a tool to help assess a pastor’s progress and develop a plan for continued development.

GNJ GOALS

GNJ will grow from 14% to 41% vital congregations as it:

1. Increases the percentage of churches growing in worship attendance from 33% to 51%
2. Starts 90 new faith communities.
3. Decreases the number of worshipers it takes to make a new profession of faith from 17 to 15
4. Increases the percentage of worshipers in small groups from 43% to 75%
5. Increases the number of young adults in small groups from 2820 to 3200
6. Increases our racial ethnic worshipers from 20% to 25%
7. Increases the percentage of worshipers engaged in mission from 8% to 40%
8. Increases local church dollars spent on mission 15% to 17%
9. Raises $12 million through a mission campaign

We believe accomplishing these goals will bear fruitful outcomes that include transformational leadership, radical discipleship, vital congregations, and a transformed world as described above – all for the glory of God.
The United Methodist Church of Greater New Jersey

We recruit and develop transformational leaders
to make disciples and grow vital congregations to transform the world

The Path to Vitality

The ministry of GNJ is to fulfill its mission -
Our mission is a spiritual mission that requires a journey toward health and vitality.
As the staff and GNJ leadership prayerfully and faithfully travel the Path to Vitality, we see more transformational leaders, disciples of Jesus Christ, and vital congregations transforming the world.

Recommendation

Asbury United Methodist Church, Warren County, Historic Site

Whereas Asbury United Methodist Church holds a unique place in the history of Northwestern New Jersey as an important preaching site for Bishop Asbury and early Methodist circuit riders.

Whereas Asbury Methodists were the first to organize a class meeting in 1792 in the area and second to build a church. Bishop Asbury made his first visit to the site in the same year. His last visit came in 1811.

Whereas Asbury United Methodist Church is the place where the first town in the United States of America was named for the Bishop. The name change, from Hall’s Mills to Asbury, took place in 1796 on the occasion of Bishop Asbury laying the cornerstone of the first Methodist church built in Northwestern New Jersey (“West Jersey Circuit”). The one acre land for the church was purchased for 15 pounds. Bishop Asbury was present for the event. He would return many times to preach and minister to Asbury Methodists.

Whereas Asbury United Methodist Church’s most historically significant member was Colonel William McCullough, a Methodist layperson who arrived in Hall’s Mills in 1784, whose friendship with Bishop Asbury began with Asbury’s first visit in 1786 and who became the driving force behind the town’s name change to Asbury. McCullough’s impact extended far from the Methodist Episcopal Church as a legislator, judge and business man in the development of Asbury’s industrial economy, and to the creation of both the Asbury Methodist Episcopal Church and the Flanders Methodist Episcopal Church in Flanders, NJ.

Whereas Asbury United Methodist Church is part of the National Parks Service national registered historic places called Asbury Historic District. The designation recognizes Asbury Church as one of the significant 19th century architectural gems that make up the district.

Rationale: Asbury United Methodist Church has a special place in Northwestern New Jersey’s Methodist past. Whether it was the first town in the nation to be named after Bishop Asbury, recognition of its classic 19th century style church architecture or Asbury’s Church’s continued witness for 230 years, Asbury’s unique contribution to both New Jersey Methodism and Warren and Hunterdon counties society in its immediate parish area places Asbury as a treasure amongst Greater New Jersey United Methodism.

Therefore be it resolved that as one of the most unique and influential larger circuits in early Northwestern New Jersey, Asbury be recognized by this body as a Greater New Jersey Annual Conference Historic Site.

Recommendation

Drew Theological School Historic Site

Whereas Drew Theological School has had a profound effect on the history of the Greater New Jersey Annual Conference, United Methodism and the world Methodist movement and its alumni are trained in a leadership style that is spiritually transformative, rooted in social justice and nurtures healing ministries.

Whereas Drew Theological School became United Methodism’s first solely post-baccalaureate seminary, the first such school created by General Conference, initially offered free tuition (due to a founding gift given by Daniel Drew and his continued financial support for the seminary until his financial demise) and collected one of the greatest theological libraries in the world.
Whereas Drew Theological School has always maintained strong organizational ties to the New Jersey Conferences, from its original embrace as the “Conference Seminary” of the Newark Annual Conference, from hosting a total of thirty-six Newark and Northern New Jersey Annual Conference sessions on its grounds between 1949 to 1998 and from seating the Resident Bishop of the New Jersey Episcopal Area on its Board of Trustees throughout the seminary’s and later university’s history.

Whereas Drew Theological School has provided a premier faculty to train future church leaders, which included those professors who would become known as The Great Five: Henry Anson Buttz, John Miley, George Richard Crooks, Samuel Foster Upham and James Strong, and also many other New Jersey Methodists, who would serve on the faculty with great distinction through the school’s history. Buttz exemplified these New Jersey faculty connections, as he served as pastor of several small congregations within the Newark Annual Conference, and also the Morristown Methodist Church, before becoming a Drew professor and seminary president, who served the institution for over fifty years.

Whereas Drew Theological School has faithfully served the conference by preparing New Jersey Methodist students for lay and ordained ministry throughout its history. Three Methodist students from New Jersey (George Miller of Warrenville, Charles Coit Cokefair of Bloomfield and Grover Ruckman of New Providence) were members of the Theological School’s first class in 1867.

Whereas notable New Jersey Drew graduates have included such ministers as William Warren Sweet (Class of 1906), Boston University president and historian; Elbert M. Conover (Class of 1913), Methodist Episcopal minister and the denomination’s inspirational neo-gothic church architect; plus missionary Maud Keister Jensen (Classes of 1943, 1945 and 1978), who was the first woman ordained in the Methodist Church.

Whereas Drew Theological School also became the first seminary to accept women in a full Bachelor of Divinity Degree program in the fall of 1919, was the first seminary to create a faculty spot for a Christian sociologist following the adoption of the Social Creed by General Conference, and has graduated more Methodist bishops than any other United Methodist seminary.

Rationale: Drew Theological School’s place in the history of New Jersey United Methodism cannot be overstated. From its inception Drew has trained Methodist leaders for our annual conference and those around the world. Because of its commitment to high quality faculty and dedication to the denomination’s mission, Drew has led the way in making United Methodism strong in its diversity and committed to deep spirituality with social justice, which has made the seminary a light unto the nations by which New Jersey Methodists continue to directly benefit in its local churches, mission projects and surrounding communities. The unique role and place Drew Theological School in New Jersey Methodism is unquestioned.

Therefore be it resolved that the Theological School at Drew University be recognized by the Greater New Jersey Annual Conference as one of its historic sites.

Franklin-St. John United Methodist Church Historic Site

Whereas Franklin-St. John United Methodist Church has led the way in the spiritual well-being of Newark’s Methodist African American community since 1869-1870, when it was known as St. John Methodist Episcopal Church.

Whereas St. John Methodist Episcopal Church started out as a mission in Newark sometime around 1869 or 1870 and by 1872 had become the first organized African American church under appointment in the Newark Annual Conference (St. John’s did not transfer to the historic Delaware Annual Conference until 1893).

Whereas St. John Methodist Episcopal Church’s first pastor, The Reverend John L. H. Sweres, became the first African American minister admitted to the Newark Annual Conference. Sweres transferred to the Newark Conference from the North-German Annual Conference, where he was admitted on trial in 1871, and he transferred to the historic Lexington Annual Conference in 1873.

Whereas St. John Methodist Episcopal Church quickly planted two other successful African American churches, St. John’s in Orange (1879) and St. Mark’s in Montclair (1881) and, together, St. John and its successive church plants in Orange and Montclair would make up three of the original five African American congregations in the Newark Annual Conference.

Rationale: Franklin-St. John United Methodist Church played an important role in breaking the color barrier in the former Newark Annual Conference. Many future African American Methodist leaders within the denomination would occupy St. John’s pulpit. For 144 years, Franklin-St. John United Methodist Church stands as a testimony to United Methodism’s witness for the people of Newark by serving its African American constituency with holy piety and social justice. The church, through its various pastors, has shaped African American United Methodist leadership to what is it is to this day.

Therefore be it resolved that Franklin-St. John United Methodist Church and the leadership it supplied be recognized by the Greater New Jersey Annual Conference as one of its historic sites.

Colonel William McCullough House, Warren County, Historic Site

Whereas McCullough House provided shelter for many illustrative early circuit riders such as Bishop Francis Asbury, Martin Boehm, Ezekiel Cooper and others, served as a venue for those circuit riders to preach in and hold quarterly meetings in the barn and was the place where Northwestern New Jersey Methodist laity met who helped create the Asbury Methodist Episcopal Church, the first church built solely by Methodists in Northwestern, New Jersey.

Whereas Colonel William McCullough (1759-1840) proved to be one of the most faithful and fruitful Methodist laypersons in Northern New Jersey. McCullough served in the Revolutionary War, where he became close friends with the Generals Washington and Lafayette. Later he served as a state legislator, county judge and
Recommendations to the 2016 Annual Conference

owner of a number mills in the Asbury area. McCullough was converted by the preaching of Ezekiel Cooper at Schooley’s Mountain in 1786. The Colonel would spend the next fifty-four years in dedicated service to the Methodist Episcopal Church in Northern New Jersey in both time and money. Bishop Asbury knew of McCullough’s commitment to Methodism long before they would meet in person.

Whereas William McCullough was one of the original members of the first Methodist class meeting by whose house they would meet.

Whereas McCullough became the driving force to change the name of Hall’s Mills to Asbury in order to honor is good friend and frequent guest.

Whereas the McCullough house, with its original kitchen and barn still standing, are the only known surviving structures where Bishop Asbury preached and taught in Northern New Jersey.

Rationale: The McCullough House stands as an enduring testament to the commitment and faith of one of Northern New Jersey’s most influential laypersons – Colonel William McCullough. The structures on the property are one of the few places still in active use as a family home that can boast hosting prominent early Methodist circuit riders such as Bishop Asbury, Ezekiel Cooper and Martin Boehm. McCullough House became the fulcrum point for Methodism’s success throughout Northwestern New Jersey. It is rare to be able to honor a dedicated lay person’s dwelling whose influence and deeds did much for New Jersey Methodism and whose buildings remind us that we are direct heirs to the work of Colonel William McCullough for the Methodist cause during its formative years and well into the mid-19th century.

Therefore be it resolved that the McCullough House and Barn be recognized as a Greater New Jersey Annual Conference Historic Site.

Recommendation

United Methodist Church of Morristown Historic Site

Whereas the Morristown United Methodist Church’s has played a vital role in the spiritual well-being in Morristown and surrounding areas in Northern New Jersey, served a central role in the Newark Annual Conference and provided notable leadership in the fields of education and publishing within the larger American Methodist landscape.

Whereas Morristown Methodists were first visited by Bishop Francis Asbury and Henry Boehm in 1811 and by 1815, regular class meetings and preaching services were held in the Samuel Bonsell home, Morristown’s most prominent layperson at that time.

Whereas Morristown Methodist Episcopal Church organized its first permanent society in 1825 and built the first church structure two years later. The church continued to grow and is remembered for two famous revivals in 1828 and 1836. Both of these revivals would last for many weeks making Methodism a mainstay in the bustling town.
Recommendations to the 2016 Annual Conference

Whereas Morristown Methodist Episcopal Church hosted the first session of the Newark Annual Conference in 1858, held subsequent sessions in 1871, 1892, 1907 and 1957, where church members housed all the delegates for each meeting.

Whereas Morristown church had pastors and laypersons in the congregation who became nationally recognized leaders of our denomination. These American Methodist leaders with ties to the Morristown church include, but are not limited to: George P. Eckman, Christian Advocate editor; George T. Cobb, mid-19th century United States Congressman; James M. Buckley, Christian Advocate Editor; Henry Anson Buttz, President of Drew Theological Seminary and eight time delegate to General Conference; Jesse Lyman Hulbert, Executive Secretary of the national Sunday School Department and editor of its publications.

Rationale Morristown United Methodist Church played an important role in the development and ministry of the former Newark Annual Conference. Further, its pastors and laypersons also helped to shape and guide the denomination in many important ways that are still felt today through their contributions to education and publishing within the larger American Methodist landscape.

Therefore be it resolved that the role Morristown United Methodist Church in the history of Morris County, Northern New Jersey and national United Methodism throughout its storied ministry deserves to be recognized by the Greater New Jersey Annual Conference as one of its historic sites.

Recommendation

Shared Ministry Apportionment Formula
Impact on the Conference Budget

Whereas at the Annual Session of the Greater New Jersey Annual Conference in 2010, a new formula for allocating the expenses of the Annual Conference was approved.
Whereas that formula was to be used beginning in 2011.
Whereas the formula would have made substantial changes in the amount billed to many individual local churches.
Whereas the Annual Conference wanted to moderate the effects of the change in local church’s askings due to the formula change.
Whereas the Annual Conference authorized a system of caps on changes in local church Shared Ministry askings.
Whereas nearly all churches reached equilibrium with the new formula by the end of 2015.
Whereas Shared Ministry askings were calculated for 2016 in accord with the previously approved formula.
Therefore be it now resolved that in 2017 Shared Ministry askings shall be calculated in accord with the previously approved formula.
Rationale: Since 2016 askings were in accord with the previously approved formula, there is no reason to not do the same for 2017.

John Bishop, President
The Conference Council on Finance and Administration

Recommendation

Pension Recommendations

Be it resolved that the Past Service Annuity Rate for January 1, 2017 to December 31, 2017 be set at $658 per approved service year prior to January 1, 1982.

Be it resolved:

1. That effective January 1, 2017, the Greater New Jersey Annual Conference will continue to sponsor CRSP for full-time, three-quarter time, and one-half time clergy and continue to sponsor UMPIP for those clergy in one-quarter time appointments.
2. That contributions for January 1, 2017 to December 31, 2017 for the Clergy Retirement Security Program for full-time and less-than-full-time (¼-time & ½-time) clergy, and for Conference sponsored UMPIP Plan for ¼-time clergy, be set at 12.5% of plan compensation.
3. That contributions for January 1, 2017 to December 31, 2017 for the Comprehensive Protection Plan be set at 3% of plan compensation for full-time and ¾- time ordained clergy, and for Conference
Recommendations to the 2016 Annual Conference

1. Sponsored UMLife Options for ½-time ordained clergy to be set based on an age-based premium. That local churches may sponsor ¼-time ordained clergy and ¾-time part-time local pastors in UMLife Options.

4. That the starting date for retirement payments for new retirees commences July 1, 2016, unless otherwise stated.

5. That grants approved in lieu of pension to Bernard Shropshire are continued through 2017.

a). That the following members of the former Southern Conference be grand-parented in terms of eligibility for conference-paid health benefits. Specifically, the following persons, upon becoming annuitants with at least 10 years of service, will be eligible for Conference-paid health benefits: Edward F. Conway, Ruth Propert Taenzer, Jae Jeong Shim, Mildred E. Bender, Charles H. Mayer, J. Evans Dodds, Eileen Murphy, Nicholas Connolly, Daniel Gueh, Renee L. McCleary, William R. Hess, Frances B. Ballinger and Charles D. Mitchell.

b). That Robert L. Webster and family be eligible for Conference-paid health benefits upon retirement and receiving an annuity.

6. That Rev. Patricia Bruger’s actual years of appointment and service at CUMAC/ECHO, INC. from June 16, 1995 through retirement be fully credited for the purpose of calculation of service year credits to determine allocation of pro-rated health insurance premium payment responsibility upon retirement.

That the following clergy be grand-parented to five years “under appointment through the Conference immediately prior to retirement” to meet eligibility requirements for health benefits in retirement, rather than the seven years as approved at the 2011 annual conference meeting (Paragraph 3 under Eligibility, p. 365 of the 2011 Conference Journal). Specifically, the following persons, if, at the time of retirement, meet all other eligibility requirements for health insurance in retirement, shall be grand-parented under this provision: Rev. Vena Murphy, Rev. William Jacobsen, Rev. Christina Zito and Rev. Sherrie Dobbs Johnson.

That clergy participants in the Conference Health Insurance Plan who have expenses associated with the adoption of a child will be reimbursed up to $10,000 per child upon the presentation of the necessary documentation.

7. That the Greater NJ Annual Conference (the “Conference”) adopts the following resolutions relating to rental/housing allowances for active, retired, terminated, or disabled clergypersons of the Conference:

Be it resolved that an amount equal to 100% of the pension, severance, or disability payments received from plans authorized under The Book of Discipline of The United Methodist Church (the “Discipline”), which includes all such payments from the General Board of Pension and Health Benefits (“GBOPHB”), during the period July 1, 2016 through June 30, 2017, by each active, retired, terminated, or disabled clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such clergyperson; and

That the pension, severance, or disability payments to which this rental/housing allowance designation applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the Discipline, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, a terminated, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other
institution of the Church, former denomination that is now a part of the Church, or any other employer
that employed the clergyperson to perform services related to the ministry of the Church, or its
predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan,
annuity, or fund for such an active, a retired, a terminated, or a disabled clergyperson’s pension,
severance, or disability plan benefit as part of his or her gross compensation.
NOTE: The rental/housing allowance that may be excluded from a clergyperson’s gross income in any
year for federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code
section 107(2), and regulations there under, to the least of: (a) the amount of the rental/housing
allowance designated by the clergyperson’s employer or other appropriate body of the Church (such as
this Conference in the foregoing resolutions) for such year; (b) the amount actually expended by the
clergyperson to rent or provide a home in such year; or (c) the fair rental value of the home, including
furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. Each
clergyperson or former clergyperson is urged to consult with his or her own tax advisor to determine
what deferred compensation is eligible to be claimed as a housing allowance exclusion.
That clergy retiring before July 1, 2017 be reimbursed for one time moving expenses up to $5,000.00
incurred while moving from church-owned housing to personal housing. This reimbursement is limited
to actual moving expenses, not to include moving company packing costs. The same benefits and
restrictions shall also apply to a surviving spouse moving out of the parsonage upon the death of a
pastor while in active service in the Annual Conference, and to those entering disabled relationships.
That the Conference Board of Pension and Health Benefits be authorized to make modifications to the
current Insurance Plan as the health care market demands. In addition, modifications to the Plan that
could reduce premium costs to local churches and Annual Conference are to be studied and enacted as
the Board determines appropriate. These changes might include increased participant deductibles, co-
payments, greater use of generic medications, and other avenues of cost saving and sharing. Such
changes will be subject to prior review of CFA and the Cabinet.
That the Guidelines for Health Insurance Participation, below, be approved and upon approval printed
in the 2016 Conference Journal and Yearbook.
PENSION AND HEALTH BENEFITS:
2016 HEALTH INSURANCE GUIDELINES

The mission of the Conference Health Insurance Plan (the Plan) is to provide primary health insurance coverage
to full-time full, provisional, and associate ministerial members, and full-time local pastors of the Annual
Conference and to eligible full-time lay employees.
The Plan provides secondary health insurance coverage for retirees who are receiving Medicare which requires
both Medicare Parts A & B for coverage. For those who have retired early and are not yet eligible for Medicare,
primary health insurance coverage is through the same plan as those in active ministry. The Plan is a non-vested
current benefit for active and retired pastors and lay employees.
ELIGIBILITY
1. Clergy Eligibility:
   a) Active clergy under full-time Episcopal appointment to serve a local church including Elders, Deacons,
      Local Pastors, Associate Members, and Provisional Members
   b) Those under full-time appointment as district superintendents, clergy staff members of Conference
councils and boards, treasurers, bishop’s assistants, or directors of parish development, general
evangelists and campus ministers for whom the Conference provides pension contribution to the Clergy Retirement Security Program (CRSP) who is:

- see PREMIUM PAYMENT RESPONSIBILITY – ACTIVE for Waived Coverage Fees.

- Participant must certify that:
  - The plan is through a former employment or a spouse’s current or former employment. Proof of such coverage is required.
  - The plan is not a marketplace plan. Under these guidelines and marketplace rules, Full-time clergy are ineligible for any Premium Tax Credit.

- Re-admittance to the plan is during any open enrollment period, or within 31 days of a Special Enrollment event (loss of other coverage, employment status change, divorce, or death of a spouse, gain a dependent).

Late enrollments are permitted only during the Annual Election Period or in the case of a Special Enrollment event as described in HealthFlex’s Summary Plan Description.

- Part-time clergy in any category are not eligible for coverage through the Plan.

Ministerial members who are placed on Medical Leave status by the Conference shall continue enrollment in the Plan regardless of whether they are eligible for Medicare disability benefits. The Conference Plan remains primary until the participant becomes eligible for Medicare due to disability, at which time the Conference Plan becomes secondary to Medicare. Beginning January 1, 2016, participants obtaining Medicare due to disability, may choose to remain in the Active Health Plan as their secondary insurance, or to enroll in the United HealthCare Retiree Plan (Medicare Advantage Plan). The premiums for ministerial members on Conference Medical Leave (and their enrolled family) will be paid by the Conference with Conference Board of Pension and Health Benefits funds.
Recommendations to the 2016 Annual Conference

3. Clergy in Retired Status may be in the Plan if they were under appointment through the Conference for the seven years immediately prior to retirement. Retired participants and spouses age 65 and over are required to carry Medicare Part A and Part B in order to be eligible for Conference insurance in retirement. A Retiree (and eligible dependents) not enrolling in the Plan at the time of retirement, or who left the plan as a retiree, may enroll during any open enrollment period, or within 31 days of a Special Enrollment event (including but not limited to voluntary or involuntary loss of coverage) (refer to Clergy Eligibility #1, subparagraph 1b) For dependent eligibility, see #5 under “Eligibility.”

   b) Full-time (minimum of 1,560 hours annually) lay employees of any church in the Conference that adopts the program, completes a Salary Paying Unit Sub-Adoption Agreement, and whose church enrolls a minimum of 75% of its full-time lay employees.

   c) Retired lay employees of the Conference, local churches, Conference-affiliated UM institutions, the Episcopal office, units of the Conference whose lay employees are not on the Conference payroll, and the surviving spouse of such employees, may participate in the Plan provided they have received or will receive a UMPIP benefit from the General Board of Pension through their salary-paying unit.

5. Dependents eligible for coverage in the Conference Plan are limited to the spouse, children who are qualified adult dependents, and children who are under age 26. Dependents may be added only during the Annual Election Period as allowed by the Plan, or in the case of a Special Enrollment event. If an annuitant marries (remarries), coverage of spouse and/or children may be available and premium for dependents is at the retiree’s expense.

PREMIUM PAYMENT RESPONSIBILITY – ANNUITANTS

The Conference Board of Pension and Health Benefits shall establish rates of premiums for the participants, based upon the premiums charged by the insurance carrier(s).

Unless it has already been stated above under Eligibility, the Conference shall pay the premiums for all enrolled annuitants of the Conference, lay or ministerial, from appropriate funds, except that:

A. A clergy person age 65 or older, becoming an annuitant on or after July 1, 2002, who has less than 20 approved years with annuity credit in (CRSP), the Clergy Retirement Security Program (includes prior plans), with the General Board of Pension and Health Benefits of the United Methodist Church shall, in order to receive health insurance coverage under the Plan, be responsible for the payment of a pro-rated share of his/her Medicare Companion premium. Such share shall be 5% times the number of full years by which such years are short of 20.
Recommendations to the 2016 Annual Conference

C. The Active premium for an **annuitant under the age of 65 commencing benefits**
   
   a) **on or before July 1, 2003** shall be paid by the Conference subject to paragraphs A and B above until the annuitant reaches age 65.

   b) **after July 1, 2003**, the Conference shall contribute an amount equal to the coverage cost of a Medicare-eligible annuitant, subject to paragraphs A and B above, and the annuitant shall be responsible for the remainder of the Active premium until the annuitant reaches age 65. Premium responsibility will be frozen at the calendar year 2014 level for annuitants retiring prior to July 1, 2014.

   c) **on or after July 1, 2014**, the Conference shall contribute an amount equal to the coverage cost of a Medicare-eligible annuitant, subject to paragraphs A and B above, and the annuitant shall be responsible for an annual fixed amount determined in the year of retirement until the annuitant reaches age 65.

D. **Extension Clergy serving approved Conference Advance Specials** in the geographic bounds of the Annual Conference who are not eligible to enroll in the Clergy Retirement Security Program (CRSP) will be credited, solely for the years appointed to that Advance Special, with actual years of appointment and service to the Conference, for the purpose of calculation of service year credits to determine allocation of pro-rated premium payment responsibility upon retirement.

PREMIUM PAYMENT RESPONSIBILITY – PRE-ANNUITY RETIREES

The Conference Board of Pension and Health Benefits shall establish rates of premiums for the participants, based upon the premiums charged by HealthFlex.

For those who have retired early and are not collecting an annuity, the retired enrollee is responsible for the full Active premium payment until they reach annuity age.

PREMIUM PAYMENT RESPONSIBILITY – ACTIVE

The Conference Board of Pension and Health Benefits shall establish rates of premiums for the participants based upon the premiums charged by HealthFlex.

Unless it has already been stated above under Eligibility, the Conference shall pay the premiums for all enrolled active participants, lay or ministerial, from appropriate funds, except that:

A. Each church shall pay the premium(s) or Waived Participation Fee(s) (which is equal to the blended premium) of each of its full-time appointed clergy (including clergy spouse and dependent children if enrolled) who are either a full, probationary or associate member of the Conference or a local pastor.

1. The salary paying unit shall also be responsible for remitting premium for its lay employees who are enrolled in the Plan.

2. Plan participants are to pay 2% of their cash salary to their own salary paying unit as their share of the premium the employer (church) pays on their behalf.

   In the case of clergy couples the following will apply:

   a) Each spouse will contribute 2% of their salary to each salary paying unit that is paying health premium, regardless of percentage of health premium paid...
B. Each eligible enrollee, whose fees are not paid as provided above, shall pay his or her own premiums either directly or with employer participation. In every case, the individual enrollee is responsible for seeing that payment of his or her own premium is made if the party with PRIME responsibility fails to make the payment.

CONTINUATION OF COVERAGE AFTER CERTAIN EVENTS

A. **Voluntary and Involuntary Termination** - If a person’s participation in the Plan ceases due to voluntary or involuntary termination of Conference membership or employment or discharge or removal from the Annual Conference, Continuation Coverage for health insurance may be available through application to HealthFlex.

B. **Loss of Dependent Status** - If a dependent’s participation in the Plan ceases due to divorce or to attaining the limiting age, Continuation Coverage may be available through application to HealthFlex.

C. **Medical Leave** - See #2 under Eligibility.

D. **Leave of Absence** (¶354 and ¶355) - Clergy placed on voluntary leave of absence (personal, family, or transitional) or involuntary leave of absence may continue in the Plan for a period of twelve months, provided they pay the premiums. Continuation Coverage for up to an additional 12 months may be available through application to HealthFlex. Leave of absence is not an appointment, causes a break in appointment years, and does not accrue annuity credit towards health benefits in retirement.

E. **Sabbatical Leave** (¶352) Clergy placed on sabbatical leave may continue in the Plan for a period of twelve months, provided they pay the premiums. Continuation coverage may be available through application to HealthFlex. Sabbatical leave is not a break in appointment years for the purposes of health benefits in retirement.

F. **Death** - Surviving spouses of clergy members are subject to the same rules (see Eligibility Guidelines #1 and 3) as the clergy member. Surviving spouses of lay employees of the Conference and District offices are subject to the same rules (see Eligibility Guideline #4 c) as the lay employee.

ADMINISTRATION

All concerns, issues, requests, etc., relating to premiums, benefits, coverage (including voluntary termination of coverage, additions or deletions to policies) and benefits at retirement must be “in writing” from the Plan participant to be considered official. Such correspondence, concerns, or requests for changes in coverage must be sent to the Plan Administrator or his/her designated coordinator. Commitments or resolutions of issues must come in writing directly from the Plan Administrator or his/her designated coordinator.

The Benefits Officer and Administrator for the Conference Plan is the Conference Treasurer/Director of Administrative Services. The Benefits Officer shall be a member of the Conference Board of Pension and Health Benefits without a vote. He/she shall be responsible for promptly enrolling all eligible persons, for collecting all amounts due from churches, agencies or individuals for participation in the Plan, for arranging for their prompt deposit in a Conference account, for checking all billings from the Insurance Carrier to certify their completeness and accuracy and for making proper remittances on schedule for the Plan; and such Officer shall delete from the Plan any enrollee whose premium is not paid by the end of the month for which the premium is due. Termination is effective the first day of the month for which no payment has been received.
Recommendation

Comprehensive Benefit Funding Plan, 2017

The 2012 Book of Discipline ¶ 1506.6 requires that each annual conference develop, adopt and implement a formal comprehensive funding plan for funding all of its benefit obligations. The funding plan shall be submitted annually to the General Board of Pension and Health benefits for review and be approved annually by the annual conference, following the receipt and inclusion of a favorable written opinion from the General Board of Pension and Health Benefits (GBPHB). This summary document is only a portion of the information contained in the actual signed funding plan. As such, it might not contain all the information required for a comprehensive view of the benefit obligations of the conference. You may request the full contents of the 2017 comprehensive benefit funding plan from your conference benefit office.

BE IT RESOLVED that the Greater New Jersey Annual Conference adopts the 2017 comprehensive funding plan below: (Note: The funding plan was submitted to the General Board of Pension and Health Benefits (GBOPHB) on February 25, 2016 to fulfill Disciplinary requirements listed in ¶1506.6. It received a favorable opinion on March 4, 2016.

Following is the summary of the Comprehensive Benefit Funding Plan (CBFP) that received a favorable written opinion from GBPHB for the 2017 conference benefit obligations:

CLERGY RETIREMENT SECURITY PROGRAM (CRSP)

Defined Benefit (DB) and Defined Contribution (DC)

Program overview:

The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility designed for those who serve as clergy of The United Methodist Church. The program is designed to provide participants with one portion of their overall retirement benefits. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007, which had previously replaced the Pre-82 Plan for service rendered prior to January 1, 1982. CRSP consists of both a defined benefit (DB) plan, which provides a monthly benefit at retirement based upon years of credited service to The United Methodist Church, and a defined contribution (DC) plan, which provides a retirement account balance established and funded by the annual conferences.

Current funding plan information:

The Clergy Retirement Security Program (CRSP-DB) annuities total liability as of January 1, 2015 is $1.271 billion, while total plan assets are $1.407 billion, resulting in a current plan funded ratio of 111%. The Greater New Jersey Conference portion of the liability is 1.9515% and the 2017 contribution is $2,031,675. The conference anticipates that the amount will be funded by Surplus Redirection from their Pre82 surplus. Additionally, General Conference 2012 approved a change to CRSP that provides each annual conference the discretion to determine whether to cover three-quarter and/or half-time clergy. The Greater New Jersey Conference has elected to cover clergy serving 50%+ under CRSP effective January 1, 2017.

Effective January 1, 2014 the CRSP-DC plan was reduced from a 3% to a 2% of plan compensation non-matching contribution. Clergy have the opportunity to earn up to an additional 1% CRSP-DC contribution by contributing at least 1% of their plan compensation to UMPIP; therefore, if a participant contributes at least 1% of plan compensation to UMPIP, the individual will receive a contribution of 3%, which is unchanged from 2013. The 2017 CRSP-DC contribution is anticipated to be $460,200 and will be funded by CRSP DC Billings to Local Churches – representing year over year in how contributions are to be funded.
MINISTERIAL PENSION PLAN (MPP)

Plan overview:
Supplement Three to the Clergy Retirement Security Program (CRSP), also known as the Ministerial Pension Plan (MPP), provides clergy with a pension benefit for their years of ministry with The United Methodist Church from 1982 through 2006. MPP is an Internal Revenue Code section 403(b) retirement plan. Effective January 1, 2014, exactly 65% of the account balance must be annuitized when the funds are to be distributed. The remainder may be rolled over to UMPIP, into an IRA or another qualified plan, or it may be paid out as a lump sum.

Current funding plan information:
The Ministerial Pension Plan (MPP) annuities’ total liability as of January 1, 2015 is $3.122 billion, while total plan assets are $3.509 billion, resulting in a current plan funded ratio of 112% and no required contribution for 2017. The Greater New Jersey Conference’s % of the total liability is 1.8980%. Future MPP annuitants have a total account balance of $4.145 billion and the Greater New Jersey Conference’s portion of that balance is $77,563,085 or 1.87% of the total.

PRE-1982 PLAN

Plan overview:
Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-1982 Plan, provides clergy with a pension benefit for their years of ministry with The United Methodist Church prior to 1982. The Pre-1982 Plan was replaced by MPP effective January 1, 1982. If a clergy person retires (and does not terminate), the minimum benefit payable is based on two factors: 1) years of service with pension credit and 2) the Conference pension rate. Years of service with pension credit are approved by each Conference on the recommendation of the Conference Board of Pensions (CBOP) in accordance with plan provisions and The Book of Discipline. The pension rate, also called the Past Service Rate (PSR), is the dollar amount chosen by the Conference as the amount payable for each approved year of service with pension credit. The pension rate may change from year to year. The number of years of service with pension credit is multiplied by the pension rate, and the product is the minimum annual benefit payable to those clergy eligible for Pre-1982 Plan benefits. In certain situations, the benefit received from the Pre-1982 plan may vary based on the applicability of what is referred to as Defined Benefit Service Money (DBSM), which is the defined contribution feature of the Pre-1982 Plan. At the time that a participant retires, the DBSM account is converted to a life based benefit and, at that point, the clergy’s benefit is the greater of the PSR or DBSM benefit. If the conference increases the PSR, the clergy’s benefit is recalculated; but the DBSM based benefit does not change.

Current funding plan information:
The 2017 PSR recommended to the Greater New Jersey Conference will be $658.00, representing a 1.86% increase from the 2016 rate. The conference expects future increases to be approximately 2.00%, which is based on the following rationale: Be consistent with Annual Cost of living increases.

The contingent annuitant percentage is recommended to remain at the 75% level.

Based on the final actuarial valuations from the General Board of Pension and Health Benefits as of January 1, 2015 for 2017, the portion of the Pre-1982 liability and assets attributable to the Greater New Jersey Conference and its related funded status are as follows:

COMPREHENSIVE PROTECTION PLAN (CPP)

Plan Overview:
The Comprehensive Protection Plan (CPP) provides death, long-term disability and other welfare benefits for eligible clergy of The United Methodist Church and their families. It is an Internal Revenue Code 414(e) "church plan" funded by plan sponsor insurance premiums. Generally, clergy are eligible to participate in CPP if the conference or salary-paying unit sponsors the plan and they are able to satisfy the eligibility requirements which include full-time appointment with plan compensation equal to or greater than 60% of the Denominational Average Compensation (DAC) or the Conference Average Compensation (CAC), whichever is less.

Current funding plan information:
The Greater New Jersey Conference has made the following elections: 95% of appointed clergy have mandatory participation under special arrangements, while 5% of appointed clergy have optional participation under special arrangements.

For 2017, the Greater New Jersey Conference has an expected required contribution to the Comprehensive Protection Plan of $749,300, which is anticipated to be funded by: Direct billings to Local Churches. The anticipated average increase in future years is expected to be 2.50% per year as a result of: The conference has a strategic plan where the Bishop and Appointment Cabinet are transitioning Local Churches to become Vital Congregations. One step of that is to increase clergy salaries which in turn increase plan obligations.

UNITED METHODIST PERSONAL INVESTMENT PLAN (UMPIP) FOR LAY AND CLERGY

Plan Overview:
The United Methodist Personal Investment Plan (UMPIP) is an Internal Revenue Code section 403(b) defined contribution retirement savings plan for clergy and lay employees of The United Methodist Church and affiliated organizations. Current funding plan information:
Conference office lay employees working an average of 30 hours per week or more are eligible on day of hire for a plan sponsor funded pension contribution of 6% of salary. Lay employees are encouraged to make contributions toward their retirement through payroll deductions to the UMPIP. The estimated contribution for the Greater New Jersey Conference is anticipated to be $68,900 and will be funded via Local Church Shared Ministry.

The Greater New Jersey Conference, as of January 1, 2017 is planning on sponsoring the UMPIP for clergy serving one quarter-time and are eligible for a pension contribution of 12% of salary. The estimated contribution for the Conference is anticipated to be $68,900 and will be funded via Direct billing to local Churches.
OTHER CONFERENCE BENEFIT OBLIGATIONS: DEFINED CONTRIBUTION (DC) TYPE

Plan Overview: The Greater New Jersey Conference currently offers the following DC benefit(s): UNUM Life Options. The funding obligation for 2017 is anticipated to be $12,800 with the funding sources to be: Local Church Shared ministry. The anticipated average increase in future years is expected to be 2.5% per year due to: Compensation increases.

CONCLUSION

The 2017 Comprehensive Benefit Funding Plan and the above Summary document incorporates, to the best of our understanding, the Greater New Jersey Conference’s obligations and funding requirements of the benefits provided to the clergy and laity of the Greater New Jersey Conference.

See 2017 Comprehensive Funding Plan in Appendix A.

Recommendation

Clergy Equitable Compensation
Impact on the Conference Budget

Be it resolved that the Annual Conference adopt the following recommendation for minimum salary for persons under full-time appointment in the local church effective January 1, 2017:

- a) Elder and Deacon in Full Connection $43,520
- b) Provisional & Associate Members (92%) $40,038
- c) Full time Local Pastor (87%) $37,862

Any changes in clergy minimum salaries related to a change of clergy status through ordination, commissioning or licensing in 2016 will become effective as of January 1, 2017.

There will be a $300 minimum increment in the base salary of each year of full-time service under appointment by the Greater NJ Annual Conference (or its predecessor conferences) up to 15 years. This applies to clergy (elder, provisional elder, provisional deacon, deacon in full connection, associate member, and local pastor) serving in full-time appointments. The years of service record for each clergy is based on the Service Record by the General Board of Pension and Health Benefits, and it does not include part time appointments or a time of leave of absence.

The minimum equitable salary for ¾ time pastoral appointments shall be ¾ of the required minimum in the pastor’s salary. And the minimum equitable salary for ½ time pastoral appointments shall be ½ of the required minimum. All appointments less than ½ shall be considered ¼ time appointments for pension purposes and the salaries shall be determined by the district superintendent in consultation with the pastor and the local church.

Each pastor’s salary above the minimum equitable salary is determined by the local church or by the charge in consultation with the district superintendent. Each Pastor (Staff) Parish Relations Committee takes into consideration the pastor’s experience, education, leadership, health and dental insurance coverage, social security, and family needs.

All full-time pastors shall be provided with a parsonage or a housing/rental allowance as part of their compensation package.
Recommendations to the 2016 Annual Conference

All full-time pastors shall have an accountable reimbursement expense line item in the church budget to cover mileage for pastoral work, continuing education, and other professional ministerial expenses as allowed by the IRS. This reimbursable amount shall be at least $2,500. For the churches that are receiving Equitable Compensation support, their accountable reimbursement expense line should not exceed $2,500.

All full-time pastors shall be entitled to receive the following vacation per appointment year:

- Minimum 4 weeks of vacation for the first 10 years of full-time service, after that it is 5 weeks.
- Vacation time shall not be cumulative from year to year. Local churches may not consider time spent in leadership responsibilities in conference activities as vacation time. This includes Course of Study, Local Pastors Licensing School, Camps, Annual Conference-related Ministries, and other education and renewal as required by The Book of Discipline (¶350.2).

Recommendation

Standards for Parsonages July 2016

Impact on the Conference Budget

Be it resolved that the following recommendation be adopted as the parsonage standards for the GNJUMC effective July 2, 2016:

Responsible Group in the Local Church
The Book of Disciple does not mandate a parsonage committee however, it is strongly recommends that each local church charge conference form a parsonage committee. The committee will follow-up to assure timely resolution of parsonage problems affecting the health of the pastor or pastor's family. The chairperson of the committee on pastor-parish relations, the chairperson of the board of trustees, and the pastor shall make an annual review of the church-owned parsonage to assure proper maintenance. (¶ 258.2 g (16) and ¶ 2532.4)

Standards for Parsonage (Existing Parsonages)
For existing parsonages, each local charge shall provide and maintain the following furnishings:

1. Living room and family room furniture.
2. Dining room furniture.
3. Kitchen, including stove, refrigerator with separate freezer compartment, exhaust fan, and dishwasher.
4. Laundry equipment – automatic washer and dryer.
5. Standard cable television connection or equivalent, high speed internet service, and one telephone line (cell or land line). Where possible consider bundling the services.
6. Floor coverings, solid services are preferred.
7. Window shades and blinds, or curtains and drapes, functioning.
8. One fire extinguisher in kitchen and one extinguisher outside of the furnace room. There shall be at least one extinguisher per floor level. All fire extinguishers should be in compliance with local code requirements for rental properties.
9. Smoke and carbon monoxide detectors in compliance with local code requirements for rental properties.
10. Closets or free standing storage units in each bedroom.
11. Drives and walks should be hard surfaced.
12. Minimally acceptable outside lighting.
13. Trash cans. In municipalities where garbage pickup is not part of the tax base and is billed to the parsonage, that local churches pay for this service.

14. Lawn mower and snow removal equipment (shovel or snow blower, appropriate to the need), or appropriate service, the cost of which will be determined by mutual agreement between the pastor and the Board of Trustees.

15. A study for the pastor in either the parsonage or church building. Office furnishing shall include a desk, desk chair, minimally acceptable shelving for the pastor’s library, additional chairs, and a locking filing cabinet.

16. Furnishings for special rooms such as sun porch, den, etc., that may be different from one charge to another.

17. Parsonage electrical service shall conform to the current National Electrical Code.

18. Parking space for a minimum of one (1) car shall be provided.

19. Each charge shall decide if it will provide a security/alarm system.

20. Septic and sewer system shall be fully functional to meet the needs of parsonage family

Additional Suggestions

1. Electrical service to be inspected every five (5) years by a licensed electrician.

2. Roof inspection every five (5) years.

3. Energy Audit every five (5) years.

Standards for Parsonages (Purchasing or Building a New Parsonage)

All newly constructed or newly purchased parsonages shall be in full compliance with the dictates of the Book of Discipline. Consideration shall be made for those with handicapping conditions:

Provide on the ground-floor of a newly constructed parsonage: (1) one room that can be used as a bedroom by a person with a disability; (2) a fully accessible bathroom; and (3) fully accessible laundry facilities (¶2544.4d)

1. Option One
   a) The use of maintenance-free materials in building and in finishing and furnishing. These contribute to keeping maintenance costs lower.
   b) The following room requirements:
      (a) Living Room/Family Room
      (b) Dining Room
      (c) Kitchen
      (d) Study
      (e) Baths (2)
      (f) Bedrooms (3)
   c) A minimum electrical service of 200 amperes.
   d) A garage of a size to accommodate 2 cars, plus room for storage of lawn mowers, bicycles, tools, garden equipment, ladders, paint supplies, etc.
   e) Space to store large articles of furniture and equipment.
   f) The use of materials meeting the most energy efficient standards for insulation and windows.
   g) Careful consideration should be given in choosing the location of the parsonage. This consideration might include the distance from the church, accessibility from main streets of the community and the church, the neighborhood and its future, and the community itself and its future growth.

2. Option Two
Recommendations to the 2016 Annual Conference

a) The standards of Option One would apply with consideration by the church of purchasing, leasing, renting a townhouse or condominium. This option would be negotiated by the district superintendent, the local charge and the pastor following consultation with the District Committee on Church Location and Building.

b) The purpose of this option is to provide an alternative to the “traditional” church parsonage for ministry in special situations. Allowing for the wide variety of townhouse/condo choices, it is difficult to recommend a standard for such a setting.

Responsibility

1. Each pastor is responsible for:
   a) Furnishings for as many bedrooms as the family needs.
   b) Personal items such as television, vacuum cleaner, small appliances, dishes, glassware, flatware, cleaning tools, wastebaskets, and decorative accessories.
   c) The following regular maintenance:
      (1) Floor maintenance
      (2) Trash disposal and recycling
   d) It is expected that the pastor shall provide minimally acceptable tenant (renters) insurance.
   e) Restitution for any damage beyond normal wear and tear.
   f) Exiting pastor shall remove all personal items and furniture from the parsonage and property and leave in a “broom clean” state.

2. Each charge shall provide:
   a) Utilities – heat, electricity, gas/oil, water, sewage, and basic non-personal telephone services.
   b) Maintenance for all parsonage equipment.
   c) Basic furniture for all rooms except the bedrooms.
   d) Funds for the repair of the parsonage and its maintenance should be allocated and allowed to accumulate so that continuing care and major repairs can be made when needed.

Miscellaneous

1. We recommend that, in addition to the required written reports filed annually with the Annual Conference, there be a complete video inventory of all church-owned furnishings in the parsonage. The inventory shall be maintained and kept current.

2. It should be the responsibility of the Parsonage Committee to become acquainted with the parsonage and, after a new pastoral appointment, meet with the parsonage family to discuss the minimum acceptability of housing and furnishings, and to meet annually thereafter with the parsonage family.

3. During the transition of pastoral appointment – the Pastor-Parish Relations Committee Chair, the exiting pastor, the new pastor and the Board of Trustee Chair will walk through the parsonage together for inspection and planning. It is recommended to utilize the Church Conference Parsonage inspection report for this walk through.

4. The right of the pastor to own furniture and equipment cannot be challenged. However, if s/he does own furniture and goods that s/he wishes to use in the parsonage, and parsonage furniture has to be stored, s/he should make every effort to store it properly so it is in good condition and does not suffer damage from being stored. The site or method of storage for any church owned furniture shall be determined by mutual agreement between the pastor and the Board of Trustees.—The pastor assumes financial responsibility for the storage of any unused furniture.

5. The parsonage is the pastor’s for his/her tenure in that church or charge. S/he has therefore the responsibility to care for the furniture to protect it from damage by pets or children and, if it is damaged,
to return it to a condition equal to that when s/he received it to use. If an item of furniture is damaged beyond repair, s/he is obligated to replace it.

6. In order to respect the privacy of clergy and his/her family, the church has responsibility to make an appointment and secure the approval of the pastor or an adult member of the household, prior to visiting the parsonage at any time.

Appeals

Appeals by the churches or pastors should be made to the district superintendent as the final authority to interpret and implement the foregoing standards.

Recommendations to the 2016 Annual Conference

Recommendation
Annual Conference Journal Digital Publication
Impact on the Conference Budget

Rationale: Greater New Jersey currently publishes the annual conference journal in CD format for all members of the conference and makes print copies available at a minimal cost upon request. This practice was an important step several years ago in adapting to changes in digital technology and cost saving, as the expense of printing was increasing and the use of computers was becoming more universal. As we continue to adapt to the use of emerging technology as a means of effective communication and reducing unnecessary costs, the production and mailing of CD’s is no longer practical, or cost effective. Publishing the journal online through the newly redesigned conference website, while keeping the print option available, is both the most practical and cost effective method of making the journal available to the conference.

Whereas the annual conference currently publishes the conference journal in CD format, which is distributed to each member of the annual conference at a production cost of $4,500, a set up cost of $795 and a postage cost of $1,379.18,

Whereas each member of the annual conference currently receives a CD copy of the conference journal, whether they have the technology to use CD’s, or not,

Whereas many new laptop computers and tablet devices do not have the capability to read CD’s without an extra adaptor, making them quickly obsolete in favor of online content and other digital file formats,

Therefore, be it resolved that the Annual Conference Journal of the Greater New Jersey Conference of the United Methodist Church be available to all members in two formats:

a. A hard copy printed journal will be produced and available to all members upon request. A minimum fee for production and mailing costs will be assessed to each hard copy journal request. The amount to be paid for the journal will be publicized in advance. Retirees will receive a print copy of the journal free of charge by request.

b. An online version of the journal will be available on www.gnjumc.org and available for download and review.

Be it further resolved that the conference journal will no longer be produced in CD format and mailed to each member, saving the annual conference $6,674.18 per year.

Recommendation

Affirming our Covenant and Accountability

Rationale: This resolution is presented almost three months BEFORE General Conference. Current Conference Rules prevent a resolution from being presented at Annual Conference AFTER General Conference has adjourned. Annual Conference convenes two days after General Conference adjourns but all legislation must be presented to the Conference Secretary almost ninety days before General Conference even begins.

Last year, the Eastern Pennsylvania Annual Conference adopted a resolution that this one uses as a basis. It may be that General Conference will work out a sustainable change to our polity or to our Social Principles and ordination standards as they relate to human sexuality. Many consider it more likely that a majority of delegates in favor of our traditional standards and existing polity will again prevail which leaves some of the clergy and laity in conferences like ours in the Northeastern Jurisdiction with difficult choices. It is not sustainable to have one denomination with one common covenant of doctrine and discipline but allow some to openly disobey that doctrine and discipline while keeping the privileges and benefits provided by the connection as a whole.

Whereas the Greater New Jersey Annual Conference believes that:

1. The United Methodist Church is a global denomination in which churches, clergy, and laypersons are bound together by a common covenant of doctrine and discipline; and
2. The United Methodist Book of Discipline represents and outlines both the privileges and the obligations of that common covenant, and legitimately governs our life together as an annual conference, to which we are accountable; and
3. We have a process that allows changes to be made to that covenant through General Conference which is a representative, democratic and public process that is always open to revisiting questions previously decided; and
4. Clergy within The United Methodist Church have voluntarily promised in ordination to uphold our church’s teachings and keep its disciplinary rules;

Be it resolved that the Greater New Jersey Annual Conference:

1. WILL abide by the rules of our common covenant as outlined in the Book of Discipline, and will hold one another accountable to that covenant; and
2. DECLARES that there is no necessary contradiction between love and law; and that holding one another accountable to promises made is not a punitive act, but an act of love, however painful, to maintain both order and unity in the body; and
3. AFFIRMS those among us who seek to change the provisions of our covenant through legitimate channels of “reasoning together,” rather than breaking that covenant; and
4. CALLS upon those clergy who feel that they can no longer abide by our common covenant to withdraw themselves from our connection, rather than continue to cause damage to our ministry through ongoing judicial proceedings.

Recommendation
Change Rule #55 in GNJ Rules of Order

Rule 55 of the Conference Rules shall be modified to read as follows:

55 Chairpersons and Officers –

a. The Committee on Nominations shall nominate, and the Annual Conference elect, all chairpersons and officers for agencies, boards, commissions, committees, councils and teams except where the Book of Discipline instructs differently. All terms shall be for the quadrennium, or such other period as specified by the action of the Conference.

b. The Committee on Nominations shall nominate all chairpersons and officers for agencies, boards, commissions, committees, council and teams [hereinafter Agency/Agencies] that the Book of Discipline requires to select its own chair and officers. These nominations shall not come before Annual Conference, but shall be presented directly to the respective Agencies for vote at their first meeting after Annual Conference. In the absence of a duly elected Chair, whose term has not yet expired, the District Superintendent assigned to the agency either permanently, or for the election process, shall chair the meeting until the new chair is elected.

(c) As in all nominations, special attention shall be given to seeking diversity in opportunities to serve to (i) people of diverse ages, genders, and racial and ethnic backgrounds; (ii) people with disabilities; and (iii) people from all size churches. (See Discipline, Paragraph 610.5).

Recommendation
Change Rule #77 in GNJ Rules of Order

Amend Rule 77 to read as follows:

77) Customary Draft Fund Allocations

a. When present and endorsed, the customary draft from the United Methodist Publishing House shall be turned over to the Conference Treasurer for pensions for clergy of the central conferences.

b. Any funds remaining as of December 31st of each year of the Conference share of Peace with Justice Special Sunday giving shall be distributed by the Cabinet to food pantries hosted by United Methodist churches across the Conference.

Rationale: It appears that we are having difficulty finding grant recipients for Peace with Justice funds and continue to carry substantial balances over year after year. In the meantime, food insecurity (hunger) is a severe problem in many communities in the Conference. Matthew 6:19 warns us against holding our treasures on Earth while Matthew 25 exhorts us to feed the hungry.

Recommendation

Create New Rule #86 in GNJ Rules of Order

Create Rule 86 to read as follows:

XIV. CHURCHES WISHING TO CONSIDER WITHDRAWAL FROM THE ANNUAL CONFERENCE

Only the Church Conference of the local church can formally express a desire to withdraw from the Annual Conference by presenting to the Conference Secretary a written detailed explanation of the reasons for their desire to consider withdrawal by the deadline for legislation to be presented to Annual Conference. That Church Conference shall provide adequate time for the Bishop or the District Superintendent to communicate with members of the congregation the full implications of their withdrawal including that the financial obligations of Conference billings, Shared Ministries, and any denominational loans must be fully satisfied. Any discussion or negotiations by the Conference Board of Trustees regarding the ownership of any United Methodist Church property or assets with that local church must await authorization and direction by the Annual Conference.

Rationale: Last year, the Eastern Pennsylvania Annual Conference was confronted with the desire of one of their local churches to withdraw from the congregation because they perceived that denominational leadership was not enforcing the Book of Discipline. Unfortunately, this was one of the churches that was a “bright spot” and rapidly growing. There were also questions of transparency and what process should be followed in situations like this. This rule would provide for an open process that requires a formal declaration by a Church Conference and not a smaller group within the church. It also requires the knowledge and involvement of Annual Conference which may help the discernment process of not only the local church but the members themselves to avoid mass departures from a congregation. Hopefully, it will also prevent local churches from trying a “poison pill” approach like the former Wesley UMC in Quarryville, Pennsylvania used. Reasoning together is preferable to a suicide pact. This rule embodies the steps required in the resolution adopted by Eastern Pennsylvania Annual Conference last year.

President Dwight D. Eisenhower’s Inauguration Speech, January 20, 1953

The highlight of our work this year was hosting a workshop on how to research, manage, write and publish a local church history, which we sponsored last September in Madison and Glendora. Marie Amerson led two identical workshops at The United Methodist Archives and History Center in Madison and at the Chews United Methodist Church in Glendora. There were twenty-nine registrants for the Madison workshop and eleven registrants for the Glendora workshop. The group was comprised primarily of United Methodists with a few Lutheran and Unitarian representatives attending as well. Besides drawing from the Greater New Jersey Annual Conference, there were also United Methodist representatives from the Eastern Pennsylvania. Each workshop contained four sessions, which lasted for almost five hours of instruction time. All of the participants expressed great satisfaction with the workshop. Amerson agreed to privately coach any of the participants as they work on their future histories. Prior to the workshop CAH published an article in the Relay on how writing a church history benefits and unites a congregation for future outreach. Archives and History is currently preparing another five articles for the Relay on the present themes for vital congregations.

It is important to honor those churches and institutions which shaped our present through the vital work of their past deeds of ministry. In 2015, there were three such places recognized as historic sites because events and witness that shaped the direction our annual conference in different ways. They are Flanders United Methodist Church, Port Elizabeth United Methodist Church and The Neighborhood Center in Camden. Upon recognition as such by the General Commission on Archives and History, each place received an historic site plaque which the chair and vice chair presented at separate celebrations.

Another way of honoring local churches is through Robert B. Steelman Methodist History Award for best local church history submission on a yearly basis. The Commission on Archives and History honors the hard work of local churches who reach back to document their past ministries as a way understanding who they are as a contemporary congregation that looks forward to future successful ministry. The submitted history immediately becomes an outreach tool to their community as way of reintroducing the church to potential visitors and members. This year’s winner, United Methodist Church of Pearl River, Pearl River, New York, did exactly that with their storied gift to the larger understanding of what it means to be United Methodist. The submission gives the reader a useful overview of Pearl River’s 250 years of active ministry within the community. The church’s 68 page history also illustrates their faithfulness to live and preach the Good News while lifting up their godly heritage both as a Methodist congregation and those individuals who stepped forward to lead during their respective lifetimes. The reminiscences towards the end are a nice addition as Pearl River continues to live their story for many years to come.

Walt Jones, our archivist, reports that he has have spent hundreds of hours researching 16 baptisms, 4 marriages, 11 genealogies and 31 other information requests. Ancestry.com is still processing the 38 boxes of closed church digital records we sent them in October, 2014. The final project produced 721,231 records in the form of 99,264 images. Walt also promoted the idea of placing a Christian flag on the graves of ministers as an important project for those churches that have attached cemeteries or in other cemeteries. Closed church records archives this year include Gladstone, Barnegat, Gloucester, Highland Park, Bridgeton churches Central and West Portal. This year’s acquisitions are the pastoral record book for Rev. Lawrence Atkinson; six boxes of charge conference reports from the Northern Shore District; several boxes of old relays from Whiting UMC; twelve four inch binders of the Bradley Beach history and old records from the Blairstown UMC.
Resourcing the history of our annual conference and beyond came in the form of digitizing previous historical publications of the former Northern New Jersey Historical Society that are now available on our GNJ web pages. Titles include: The Civil War Diaries of James B. Faulks and The Personal Diaries of John Summerfield Coit; The Diaries of Stephen S. Day, 1895-1934; The Journals of the Reverend Thomas Morrell, Methodist Patriot and Preacher, 1747-1813; The Maverick Strain: Dissent and Reform in the United Methodist Tradition; On the Trail of Francis Asbury, Untrod Paths, A Forgotten Chaplain of the Civil War: Commander John L. Lenhart; One Hundred Twenty-Five Years of Methodism; Skeletons in Our Closets: Unique, Amusing, and Human Incidents from the Life of Our Churches; The Story of Our Ethnic Churches; Visiting the Past, Present and Future: A Tour of Methodism in Northern New Jersey.

We remained active in our jurisdiction CAH connection through attending the annual meeting in Connecticut and by having Don DeGroat serve as a member on NEICAH’s Executive Committee. The same is true with our close connection with the General Commission on Archives and History, who rents us shelving to properly store the Greater New Jersey Annual Conference archives. We also offer professional assistance in all phases of archival practices. Our archivist served as one of the test contributors to GCAH’s revamped on-line catalog of United Methodist annual conferences’ holdings for public searching.

Other items of note include a survey of annual conference commission on archives and history budgets in order to see where we fit in to the larger annual conference funding picture. A result of the survey revealed a mean average budget of $27,034. There were three conference budgets over $100,000 and nine conference budgets below $10,000 in the mean average calculations. Some of our members speak at local churches on the value of archives and history in a vital congregation. We help churches date and interpret their history. Another important aspect of CAH’s work is supplying and subsequently advising proper records management through retention scheduling. There were times when our members helped churches with preservation of their treasures whether at our repository or how-to discussions with the local church historian.

GOAL: GNJ Camping will become a year-round center of Christian community that, through effective use of our resources and connectionism, better serves all contingents in our shared mission of developing disciples and leaders for the future.

The Greater NJ Camping Ministries has been struggling financially for many years. In order to preserve the financial integrity of the ministry plan for the future effectively, the decision was made in 2015 and 2016 to rest the summer camps at both the Aldersgate Center and the Pinelands Center at Mt. Misery. The Pinelands Center has remained open for retreats and youth events year-round.

A new Camping Board began this past summer and has the qualities needed to discern the future of summer camping ministry and it will bring forward a report for the 2017 Annual Conference session.

Commission on Camps, Conferences and Retreats

For more than 100 years, Candler School of Theology at Emory University has prepared real people to make a real difference in the real world. Since our founding in 1914, over 10,000 students have graduated from Candler, where they have been shaped as Christian leaders who put faith and love into action, transforming the world in the name of Jesus Christ.

One of 13 official seminaries of The United Methodist Church, Candler is also one of seven graduate professional schools of Emory University, a top-tier research institution offering extensive resources and a rich context for study. Our location in Atlanta provides a learning environment that reflects the highly diverse communities of the 21st century. Simply put, there is no better place for ministry preparation that addresses our major denominational priorities: developing leaders, starting and growing churches, ministry with the poor, and improving global health.

In order to keep pace with the needs of the church and the world, Candler now offers 17 degrees: seven single degrees and ten dual degrees pairing theology with bioethics, business, development practice, law, public health, or social work. One of our newest degrees is a retooled Doctor of Ministry that is 90 percent online, so students can remain in their places of ministry as they study—and apply what they learn in real time. We’ve also partnered with the University of Georgia’s School of Social Work to create an MDiv/MSW where students learn to maximize their effectiveness by combining pastoral skills such as spiritual counseling with social work practices such as family therapy and community assessment.

Our student body continues to reflect the diversity and breadth of the Christian faithful. 466 students are enrolled, with 48 percent women, 34 percent people of color (U.S.), and a median age of 29. Students represent 44 denominations, with 51 percent coming from the Methodist family. 82 percent of students are seeking a degree to prepare them as ministry professionals.
Candler has a deep commitment to alleviating student debt and employs a multi-pronged approach to tackle this issue. In 2015-2016, we awarded nearly $5.5 million in Candler scholarships, with 92 percent of MDiv students and 84 percent of all students receiving support. And our comprehensive financial literacy program teaches money management skills that serve our students now and will continue to serve them—and the churches they serve—well into the future.

At the end of the 2015-2016 academic year, Candler says goodbye and Godspeed to a handful of noted faculty as they retire: Barbara Day Miller, Luke Timothy Johnson, Steve Tipton, and Bishop Woodie White. Yet even as these legends take their leave after distinguished careers of scholarship and service, we look forward to welcoming a new crop of scholar-leaders who will join us in the coming months and grow with us in the coming years. We are especially pleased to welcome Bishop Larry Goodpaster, who will join the faculty as bishop-in-residence in the fall of 2016.

Candler draws considerable strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of educating faithful and creative leaders for the church’s ministries in the world depends upon your support, gifts, and prayers. Thank you for the countless ways you advance this vital ministry in the life of our denomination. Visit us in person in Atlanta or online at candler.emory.edu to see firsthand how Candler prepares real people to make a real difference in the real world.

The Centenary Fund and Preachers’ Aid Society Report

The Centenary Fund and Preachers’ Aid Society was established by charter granted in 1857. In 2000 the charter was amended to rename the corporation The Centenary Fund and Preachers’ Aid Society of the Greater New Jersey Annual Conference of the United Methodist Church. The purpose of the Fund is to provide maximum income, consistent with the preservation of principal, for the support of retired clergy and surviving spouses and dependent children of deceased clergy who have served in the Greater New Jersey Annual Conference.

Since inception the Fund has received in excess of $6 million in donations, and from the earnings on these donations has provided grants to pastors and their families who have requested aid, loans to assist retired pastors obtain housing in Methodist Homes, and during the period 2004 through 2015 contributed more than $5 million toward the funding of retiree healthcare. The Fund Balance as of the end of November 2015 was $11,055,302 and the Distribution Base (amount that can be distributed without invading the principal) was $4,822,708, before deducting the 2015 contribution of $539,271 toward retiree healthcare.

To continue support for retired clergy and their families at the current level of a half million dollars per year for retiree healthcare, donations are needed from pastors and churches. Reverend Douglas Miller is the Centenary Fund’s Outreach Director and is working to increase our Donation Base. The Fund’s Finance Committee Chair is Keith Helsby. Other members of the Fund Board are Charles Bender Jr, Valerie Garron, Grace Pak, Steve Poloff, Jack Scharf, and David Wiley. We hope you will help us build up the Centenary Fund with your tax-free donations so that The Centenary Fund and Preachers Aid Society will be able to continue to make the substantial contributions needed in the future to fund retiree healthcare and to provide aid to retired clergy and their dependents. Thank you for your support to date.

Conference Board of Church and Society

The Board continues to look at three major issues: Immigration, Prison Reform and Poverty Reduction. In the next phase of our work, we will see beyond mercy ministries and work toward including justice ministries. We also look at issues related to Affordable Housing, Peace and the Environment as well as other issues that are presented to us.

As we look to the future, we will continue to support sending two young clergy to the Young Clergy Forum sponsored by GBCS each year.

At the 2015 Annual Conference, we had a Dessert Time. This was co-sponsored by Religion and Race, Christian Unity and Interfaith Relationships and Church and Society. This is a way to share how conference agencies work together on issues. This type of collaboration will continue with these and other entities.

Immigration Began to look at ways to work with Justice for your Neighbors (JFoN) to get our churches to work with immigrants that need legal assistance.

Prison Reform As we move toward justice ministries, we look at supporting legislation such as the Redeem Act.

Poverty The Board became members of the New Jersey Anti-Poverty Network. Through this entity, we are able to inform our churches about resources and training opportunities.

With the approval of the Poverty Reduction Resolution, the Board is beginning to organize District Reduction Poverty Committees.

Peace with Justice We were able to give one grant to Tansboro Trinity UMC to work with children.

Affordable Housing One of the new issues we are going to work on is affordable housing. This would relate to working with the homeless to those that are of need of affordable housing.

Commission on Christian Unity and Interreligious Concerns

In John 17:20-21, Jesus prays, not only for his disciples, but also for those, who are (literally) “trusting into me, through their word”. His petition is inclusive of both, “so that they all may be one” and also reveals that this desired unity of faith is based on and reflective of Jesus and God’s own oneness: “You are in me and I am in you; I pray that they may also be one in us.” Moreover, this unity is said to validate Jesus and his mission before the world, “so that the world may trust that You sent me.”

At least, since the Edinburgh Missionary Conference in 1910, Jesus’ prayer for unity has been central to that great “Movement” of the Holy Spirit, called “Ecumenical” (meaning “world-wide”). It has opened the eyes of Christians everywhere, to see Christ present and at work in each other, in the various churches, and in the many peoples and persons with whom they minister. As most of our commission completes their second quadrennium of service, we rejoice to bear witness to the ongoing power of this prayer, which speaks of a unity that for us as United Methodists “is not an option”, but “a gift to be received and expressed” (Discipline, 2012, #105, p. 88).
Of course, this movement toward Jesus’ vision of unity has struggled with the same challenges that all of the churches are facing in these times of transition. Yet those of us engaged in this work of unity are not dismayed; rather, we would celebrate with you just a few of the signs of God’s Spirit at work ecumenically, which we have been privileged to see:

- “The Episcopal/Methodist Theology Day”, sponsored with the Episcopal Diocese of Newark, was held at Drew Seminary on September 17, 2015 (having been delayed earlier by snow). In Holy Communion and through mutual dialogue, we joyfully explored with clergy and students the “Interim Agreement on Full Communion” approved by both denominations.

- “The National Workshop on Christian Unity” – begun by Roman Catholics after Vatican 2 – has for over 50 years been a forum for ecumenical dialogue and leadership development. Several of our commissioners have shared in its discussions of emerging ecumenical issues like mission in ethically and religiously diverse cultures, interaction with newer “evangelical” churches, ongoing interreligious dialogue, and intergenerational engagement. The next workshop meets on April 18-21 in Louisville, Kentucky, with the hopeful theme, “Christian Unity: It May Be Closer than You Think”. United Methodist leadership has long played a significant role in the NWCU and, in the past decade, a workshop-affiliate known as UMEIT (United Methodist Ecumenical & Interfaith Training) has emerged under the aegis of the United Methodist Episcopacy’s Office of Christian Unity and Interreligious Relationships.

- United Methodists are also serving the New Jersey Council of Churches, both on its Board of Directors and in its working groups. The “Public Policy” group engages in legislative advocacy for impoverished children, prison reform, and other justice concerns. Such topics are often addressed at the NJCC’s annual “Issues and Actions” event. Its “Theology” group has in recent years held discussions at Hightstown U.M.C. on Dr. Miroslav Volf’s Allah: A Christian Response and Dr. Karen Armstrong’s Twelve Steps to A Compassionate Life. It has also sponsored seminars on “Environment Theology” led by Dr. Laurel Kerns of Drew Theological School, both at Drew University and in our Pinelands Center. On June 11, 2015, the next environmentally focused seminar will examine Pope Francis’ recent encyclical Laudato Si’ – On Our Common Home at St. George’s Roman Catholic Church, Titusville, New Jersey, under the leadership of Father Vincent Gartland.

- One of our members has also served on the “Intergenerational Think Tank” of the National Council of Churches and, through Cynthia Kent, has been involved with the World Council of Churches, to which we also have sent delegates.

- The commission has also sought at the behest of the U. M. Council of Bishops to lift up ecumenical interaction and service with other Methodist denominations, like the African Methodist Episcopal, Christian Methodist Episcopal, and African Methodist Episcopal Zion churches. We have also sent delegates to the World Methodist Council.

- Likewise, we have sought to highlight the potential of our “Full Communion Agreement with the Evangelical Lutheran Church in America”, which is as yet unfulfilled.

- Also, over the years, we have raised up the importance of interfaith dialogue as an intrinsic part of Jesus’ unity agenda. We have done so through demonstration-dialogues at our “District Days of Learning” and at “Abraham’s Table” luncheons, sponsored by the Islamic based “Interfaith Dialogue Center” (now known as “Peace Islands”).

- Finally, every year, we have honored at least two worthy recipients of the Bishop’s “Award for Christian Unity and Interfaith Relations”, often with many other candidates having to be passed over. This testifies to the extensive grassroots involvement of our congregations and pastors in local ecumenical work throughout the Greater NJ Conference.
Reports to the 2016 Annual Conference

All of this activity and more are for us signs of the Holy Spirit at work, answering Jesus’ prayer. As many of us complete our commission-terms, we look forward to seeing what wonders of grace lie ahead on the road to Jesus’ all-inclusive unity. For, the words of Jesus’ prayer go on with repetitive force, now as then: “The glory that you have given me I have given them, so that they may be one, as we are one, I in them and you in me, that they may become completely one, so that the world may know that you have sent me and have loved them even as you have loved me.” (John 17:22-23)

CUMAC/ECHO

CUMAC Continues Mission to Feed People and Change Lives

The Center of United Methodist Aid to the Community, known to most simply as CUMAC, is deeply grateful to the churches of the Greater New Jersey Annual Conference for the consistent support that allows our ministry to grow in service. This year CUMAC proudly became the administering body of the Community Food Coalition (CFC). The CFC is a collaborative effort amongst 28 member food pantries committed to serving those in need in Passaic County and surrounding areas. It addresses hunger-related issues and manages shared food resources for Passaic County, while connecting New Jersey residents with feeding programs that best fit their needs.

The CFC was created with the understanding that hunger is a deep and pervasion issue in our community and beyond. To truly make a difference, synergistic collaboration is key. Many hands make light work, but many minds, voices and advocates make lasting change.

The addition of our newest program advances CUMAC’s longstanding tradition of forward thinking and growth. That same ethos has led us on a 40 year journey from a small pantry in a borrowed United Methodist Church closet to the multi-programmatic response to hunger and poverty that CUMAC operates today. In 2015, our programs were able to reach many people needing to feel God’s love through the action of his disciples.

- **CUMAC’s food pantry** helped around 38,000 people put food on the table where otherwise they may have gone hungry. Around 2 million pounds of food were distributed.
- **Two mobile pantries ensured that same help and love was extended** to people living in underserved communities where barriers to food access are uniquely complex.
- **Our food depot was utilized by a network of feeding programs.** It provided the storage space, refrigeration, trucking and resources necessary to bolster smaller agencies and allow them to address hunger in their own communities.
- **Pathways to Work offered job training and experience to dozens of people** on the path to gainful employment.
- **The Community Closet gave disaster relief to lessen the burden of recovery for over 120 individuals** who had experienced fires, flooding and even a roof caving in, as well as quieter disasters like owning only flip flops in the middle of winter. Our thrift shop sold high quality goods at extremely affordable prices to low-income households as a means to boost self-sufficiency.
- **Place of Promise provided permanent, supportive housing** to around a dozen residents, assisting each individual with setting and meeting personal goals and helping them connect to critical resources on the path to meeting self-sufficiency.
- **Seasonal collections provided over 3,000 children** with Christmas gifts, Easter baskets and school supplies.
Reports to the 2016 Annual Conference

Through these programs, CUMAC worked ceaselessly to lift up a community truly in need of a helping hand. Among our clients are seniors and the disabled, unable to work and struggling to keep up with rising costs of living. We are visited by the unemployed and underemployed, those who work two or three jobs but still struggle to pay rent and put food on the table. Many are looking to rebuild after long stints of homelessness. Still others turn to us to learn valuable job skills that will help lift them and their families out of poverty. Our clients include children growing up with empty bellies and struggling to thrive, often without stable housing, adequate clothing, proper school supplies or a network to help raise them up. Combined, our programs provide the material support so many need to get by. Of equal importance they provide hope and lift people’s faith in the fact that they live in a world that cares about them and won’t let them suffer. As God claims all people as his beloved children, we strive always to lift up the least among us.

With CUMAC’s growth story comes an exciting announcement made this year. After 27 years of service, our executive director, Reverend Patricia Bruger, has announced her upcoming plans to retire in the summer of 2017. This news is being shared 18 months in advance to allow sufficient time to plan for the future of the organization. Over the next year and a half a diverse team will be reviewing CUMAC’s unique strengths and needs, putting together a profile for the next executive director, undertaking an in-depth strategic plan meant to point our agency in the right direction in the upcoming years, and beginning the search for an executive director who will lead from a place of strength and growth in the years to come.

This 18 month timeframe also gives us time to celebrate the incredible accomplishments Pat has made during her tenure at CUMAC’s helm. CUMAC has seen substantial growth under Pat’s leadership and we look toward a future of continued accomplishment feeding people and changing lives.

To ensure our doors stay open to all who needs us, our circle of compassionate disciples in Christ is ever expanding. The Greater New Jersey United Methodist Church time and again lives that inspiring adage “Do all the good you can, in all the ways you can” in their support of CUMAC. In 2015, 78 United Methodist Churches lived faith in action by sharing their gifts. This came by way of financial support, events held on our behalf and special collections of food, coats, hygiene items, book bags and other critical goods. 38 United Methodist Churches made over 110 service trips to ensure our vital work is continued. They came as bible studies, UMW and UMM groups, youth groups, summer camps, and ecumenical partnership. They brought friends and family and were instrumental to growing disciples for Christ through service. With your help, we have accomplished much work to make this world a kinder, more just place for all God’s children.

We ask that you join us in celebration of all that can be accomplished when we come together to live the word of Christ. CUMAC gratefully accepts volunteers to assist with a myriad of projects that make our mission possible. We encourage groups and individuals to learn more about our work by coming for a tour or inviting a speaker to their home church. We have many informative and engaging topics prepared and a host of activities to help people of all ages grow a deeper understanding of hunger and service. Donations in all form remain critical to our mission. Please consider holding a special offering for CUMAC, designating a portion of a fundraiser to our work, or hosting a collection to help meet the need for food, clothing and other goods. CUMAC staff and volunteers are always happy to provide support, share information and help communities unite in mission to provide for the least among us.

CUMAC can be reached through our newly redesigned website www.cumac.org or on social media at facebook/cumacfeedspeople and twitter/cumacfeeds. We are available by email at info@cumacecho.org and by phone at 973-742-5518. We are always happy to answer questions about our work and explore ways to partner in ministry.

A Cohering Vision: Curriculum, Community, Co-Curricular Initiatives

After much collaborative discussion, discernment, and evaluation of the current state of theological education, those of us who lead, teach, and support Drew Theological School have launched on an ambitious course. Nearly 150 years after our founding, we envision a future as bright as the best eras in our past. I am pleased to share with you here the concrete steps we have taken— and are taking— to bring this future to light.

First, our efforts have been attentive to the history of Drew, in particular its Methodist roots, its long commitment to the Church and its ministries, and draw from this wellspring for inspiration and direction. Also, we have honored our progress to achieve denominational, ethnic, gender, and racial diversity in our faculty and student body. This rich diversity has become both a hallmark of Drew and an expansion of our wellspring. Forces beyond our campus—notably, that the reasons for pursuing a theological education and expected outcomes are shifting dramatically—further press the need for us to align our vision and its supporting systems with our communal reality.

Given this imperative, we are focused on the three “C’s” of our cohering vision: redesigning our curriculum, strengthening our community of learning, and deepening training through revived co-curricular initiatives. These three aspect of a Drew Theological School education will work together to enable us to empower creative thought and courageous action to advance justice, peace, and love of God, neighbor, and the earth—as well as uniquely position us to lead evolving expressions of Christianity.

Designing distinct pathways from curriculum to vocation

To remain meaningful and offer the greatest value to our students, each of the six degree paths that we offer must be as distinct as the ministry to which it leads. For example, our Master of Arts in Ministry program, which forms students for the broadest spectrum of theologically-informed advocacy and ministry, or our DMin program, which has become the “new” terminal vocational degree, must be custom rebuilt for current and emerging student needs and outcomes. This also holds true for our Master of Arts, Master of Sacred Theology, PhD, and, most critically, our Master of Divinity programs.

We have achieved our roadmap for curricular change through a period of intentional discernment, which included discussion with consultants, and with colleagues at peer institutions, who led a curricular formation retreats with our faculty; through the discernment and guidance of our faculty, and with the generous financial support of the Jesse Ball duPont Fund. Our next steps include a comprehensive analysis of pedagogical and technological trends in theological education, enrollment, and outcomes. Our redesigned curricular paths will be announced in the fall of 2017, concurrent with the 150th anniversary of the founding of Drew Theological School and the 500th anniversary of the Protestant Reformation.

Student experiences rooted in community

Despite the increase in students pursuing their education through evening classes and online enrollment, we remain committed to the on-campus experience of community. This begins with a student-centered educational experience that better attends to the scheduling needs of our students, offers broader course content and availability, and more intentionally integrates vocational or career aspirations with coursework.

The success of these efforts are inextricably linked to scholarship support. Only by removing the financial barriers for students pursuing vocations can we hope to attract and retain the most promising students and free them to learn and grow in community. Related to tuition support is the need for more affordable and
modernized housing for those students who choose to live on campus. Together, scholarship support and housing relief will also unburden our students from unsustainable debt.

**Fostering innovation in ministry and the work of spirit-filled justice**

To round out changes in our curriculum and on-campus learning experiences, we are also reviving co-curricular initiatives. The existing Center for Lifelong Learning will be recast as the new Center for Innovation and Leadership in Ministry and serve students, alumni, and others seeking to find creative and courageous approaches to revitalizing ministry. Here, programming will train pastoral leaders, in particular, for service in rapidly changing church environments, as well as position them to lead fearlessly and prophetically.

Our second co-curricular center will be an expansion of the current Communities of Shalom. This initiative will focus on action, advocacy, and social justice work in both pastoral and lay environments. Projects will range from student interns supporting the work of A Future with Hope in our home state of New Jersey, advancing social justice in non-profit settings across the country and around the world, initiatives which seek to transform and end systemic poverty, expansion of our Partnership for Religion and Education in Prisons (PREP) program, and teaching residencies at Drew for prophetic leaders.

**Success so far through our One and All Campaign**

As the 14th dean of Drew Theological School, I am deeply committed to continuing our long and distinguished legacy. To this end, our vision is innovative, forward-looking, and grounded in the practical needs of our students—we hope, too, that it is an inspiration to the various constituencies we serve. I fully subscribe to the inimitable words of Antonio Machado, that “we make the road by walking.” The road to this bright future we envision will be made by the dedication, determination, and generosity of those who love Drew and believe in its future.

Our vision is coming to light, in part, because of the generosity of our many alumni-donors and friends. Our One and All fundraising campaign has raised more than $12 million to date for the Theological School and has seed-funded many of our burgeoning efforts.

Also, I encourage our alumni to embrace your power of influence to help grow philanthropic support for Drew Theological School. Many of our largest gifts have come from the influence of alumni, particularly pastors who serve in our church communities.

Yes, the needs ahead are many, yet our hope is high for a bright future for Drew Theological School. The road is made by walking. Let’s walk it together.

The Reverend Dr. Javier A. Viera
Dean of the Theological School
Professor of Pastoral Theology
The Educational Society has been assisting men and women of New Jersey, called by God to full time Christian service, in their pursuit of a theological education. By providing scholarships and loans for more than one hundred and fifty years to persons preparing to serve in Christian ministry, our Annual Conference has invested in the future of the Church of Jesus Christ.

Scholarships are awarded to candidates for ordained ministry who are matriculated in an accredited theological seminary or graduate school approved by the United Methodist Church University Senate (UMCUS) and who are members of a United Methodist Church within the Greater New Jersey Annual Conference (GNJAC), or who are clergy of the Greater New Jersey Annual Conference engaged in continuing education at an accredited graduate or theological school approved by UMCUS who are not eligible for Ministerial Education Funds.

Interest free loans are available to men and women preparing for full time Christian service, matriculated full or half time in an accredited college, seminary, or graduate school, including Course of Study, approved by UMCUS. Applicants must be a member of a United Methodist Church within the Greater New Jersey Annual Conference.

The distribution of scholarships and loans is determined annually by the Board of Directors of the Educational Society. $3,500.00 in loans were granted in 2014. In this same year, three scholarships totaling $16,500.00 were awarded to Cynthia Lydon, Josh Mularski, and William B. Wilson Jr.. The Educational Society is supported by the repayment of loans, interest earned on early endowments, the Greater New Jersey Annual Conference, and contributions from local churches and individuals. Contributions may be made through the Conference Advance # 622. It is an opportunity for the local church to affirm the ministry of pastors who have benefited from Educational Society assistance by “paying it forward” through contributions to Conference Advance #622.

Respectfully submitted,
Jo D. Malessa, President
Secondly, the Board has two responsibilities under the heading of Campus Ministry: 1) Partnering with and accountable for the existing campus ministries, and 2) Connecting with and assist to the starting-up campus ministries of the GNJAC.

With this regard, there are four existing campus ministries that the conference has been supporting in consistent and persistent basis. They are:

1. Centenary College
2. Rockland County Community College
3. Wesley Foundation at Princeton
4. The FeedTruck Ministry (covering Mercer County colleges).

And in 2015, the Board was able to publicize and implement seven grants to our local churches and their endeavors to doing campus ministries. They are:

1. First UMS Glassboro (Rowan University area): Tavern Theology
2. Grace Korean UMC (William Patterson University area): College Outreach
3. Monmouth Grace UMC (Monmouth University area): Race Matters
4. First UMC of Mt. Holly (Bergen County Community College area): Art with a Heart
5. Christ UMC Piscataway (Rutgers University area): Methodist Muffin Ministry
7. Christ UMC Lakewood (Georgian Court University area): Beyond the Great Divide – Bridging Opportunity

This is a strategic plan, aligned with the GNJAC mission and the 2018 objectives. The objective #2 indicates, “Start 90 new faith communities,” and objectives #5 asserts, “Increase the number of young adults in small groups from 2,820 to 3,200.”

The members of the Board of Higher Education and Campus Ministry promise to continue our support to the U.M. colleges students and campus ministries of the Greater New Jersey Annual Conference by doing ministry more innovatively, and most of all, more prayerfully. So, the Board asks you to please join in this great ministry with your care, love, and prayers!

Hyun-Bo Shim, on behalf of the Board of HE and CM members

Report
Episcopacy Committee

The Episcopacy Committee has met regularly with our Bishop during the past year for the purpose of support, encouragement, communication of conference priorities, and to provide feedback where solicited. We have participated in an evaluation of the Bishop, discussed matters related to the Jurisdictional Committee on Episcopacy, and assured that the Episcopal residence is in excellent condition. At each meeting the Bishop has issued, and we have discussed, a detailed report of his work in the conference. He has been thoroughly transparent and collegial in all of our discussions and we well know that he greatly values the shared ministry of all laity and clergy in the conference.

Respectfully submitted,

Frank Fowler
Chairperson, Episcopacy Committee
The economy of New Jersey continued improving in 2015 and the Shared Ministry collection rate was up 2%. 394 of our local churches paid 100% of their shared ministry allocation, up from 391 last year. 481 paid 100% of their billables, down from 485 last year. We are grateful to the churches of the conference for their stewardship.

As in prior years, committees, boards and agencies were prudent in their spending and the income from conference investments continued to perform well, in line with the general financial markets. Therefore overall financial results were in line with budget projections for 2015.

As a result of contributions from the Board of Trustees, the Board of Pensions and Health Benefits and the Council on Finance and Administration, the Greater New Jersey Annual Conference has moved into our new building mortgage free.

For the ninth year in a row, our conference paid 100% of its general church apportionments. GNJAC was one of the 26 out of 56 conferences that paid 100%. We thank the Bishop, Cabinet and Program Staff for their leadership and we thank our local churches for their faithful stewardship and hard work, all of which make these results possible.

Other items of note from our activities this year:

1. In accord with conference legislation, and with the leadership of the Bishop and Cabinet, all of the churches receiving equitable or supplemental compensation grants paid 100% of their Disciplinary Obligations.
2. Financial training has again been provided at the District Days of Learning. Emphasis was on the various matters of interest to local churches. We are looking into ways to develop services that CFA might be able to provide to local churches, such as auditing or financial planning and budgeting.
3. Conference investments again performed well in 2015, matching the benchmarks. Our portfolio is well diversified and as a result of our investment gain trends over the last several years, the CFA continues to authorize a payout rate of 5%.
4. On line collection of the data for statistical reports continues to go well. Errors have been much reduced with the new system and local churches have been much better able to meeting reporting timetables. As an added benefit, the information needed for conference management is available nearly 6 months earlier that it had been under the old system.

The Conference Council on Finance and Administration wants to thank Bishop Schol, the Cabinet and the Program Staff for their continuing support and encouragement. We also want to thank John Cardillo, Conference Treasurer and Director of Administrative Services, and his staff for their hard work and support.

John Bishop, President
Conference Council on Finance and Administration
The Financial Services Committee reviewed all General Church board and agency spending plans for 2015 and approved same. The primary elements of the review are to determine that the spending plans conform to the budget approved by the 2012 General Conference, are within the forecasted receipts and that unreasonable reserves are not being accumulated. Budgets are subject to year to year adjustments required due to economic conditions. If such adjustments are required, they are prorata among all recipients.

The full GCFA Board is working with the Connectional Table to establish the proposed budget for the 2016-2020 quadrennium. Initial numbers indicate an increase of about 1% in the budgets of the general church agencies.

The Audit Committee received and extensively discussed with the external auditor the report of the audits of all general church boards and agencies. The reports on UMC General Boards and agencies audits did not disclose any unusual problems or major weaknesses in internal control. The Audit Committee also recommended asking for RFPs from firms desiring to do the audits of the General Church Agencies and recommended a change based upon lower costs.

The Committee on Legal Responsibilities has the disciplinary responsibility to protect the UMC and its mark, the Cross and Flame. It also has a fund to be used in related proceedings regarding annual conferences or local churches. This support is to be limited to matters of denominational significance.

During the year we reviewed several requests and did provide some funding for issues involving the defense of the trust clause and also of the rights of local churches to conduct religious services in non-traditional settings. We also denied several requests for funding.

The Committee on Legal Responsibilities participated in a number of legal briefs supporting the trust clause or its equivalent in other denominations. Many denominations are having issues with breakaway congregations that want to take their building and endowments with them as they leave the mother denomination. We have the obvious interest in that an adverse decision could affect future legal actions within the Methodist denomination.

Members of the GNJAC may be aware that GCFA and GBGM had halted all payments to the East Africa Annual Conference over which Bishop Wandabula presides. Salary and office expenses were also reduced. This is a result of long term inability to get Bishop Wandabula to provide documentation to show that his uses of the funds were appropriate. This matter was submitted to the Judicial Council which ruled that the Bishop’s salary cannot be reduced from that authorized by the General Conference in 2012. The Judicial Council did not reverse any of the other actions related to program expenses and office expenses which are not being paid.

GCFA has continued adjusting to a new and smaller Board (21 vs. 41 previously). It is going well and most Board members prefer the new arrangement.

I have been personally involved with an effort to have administrative services provided on a shared basis among the general boards. Quite a number of services have been integrated into a shared service among the general agencies.

John Bishop, Member
General Commission on Finance and Administration
The Conference Board of Global Ministries works with missionaries, our Advance Specials, Agencies, Conference staff and aligns with the strategic goals of the Conference.

**Advance Specials:** Each Advance Special (Advanced) is assigned to a CBGM member who is its liaison with the Board to make sure that their ministry continues, and visits with the agency where possible. Advance Specials are required to submit a reapplication each year and provide supporting documents. Two Advance Specials have been dropped from last year and one new one has been added. The list can be found in the Board’s resolution.

Although Conference does not fund Advance Specials directly, they are encouraged to apply directly to churches and the churches are encouraged to support them by sending funds to them through the Conference treasurer. One of the future measures of an Advance’s viability will be the support it receives.

**Partnerships:** International Partnerships continues to be a gray areas with CBGM.

**Mission Fairs:** CBGM held its one Mission Fair on September 19, 2015. No future fairs are planned.

**UMVIM:** Kathy Ahmad led a VIM team to Haiti in January and installed over a hundred water filters.

**Global Missions, Conference Secretary of (CSGM):** In Greater New Jersey, the position of CSGM is also held by the Chair of the Board of Global Ministries. The CSGM works with the General Board of Global Ministries in accommodating missionaries who will be itinerating in our Conference. During 2015 Brenda and Alex Awad, Jerusalem; Rosangelica Acevedo (Robinson School in Puerto Rico); and Devorah Umipig and Ronald Julian (Japan) itinerated in Greater New Jersey. In the spring of 2016 Sun Lae Kim (Ulaanbaatar. Mongolia) and Katherine Parker (Kathmandu, Nepal) are also visiting.

Grace Rapp attended the National CSGM meeting in New York City Nov. 11 – 13 in place of Barbara who was unable to attend. This was a three-day event of worship, workshops, and the opportunity to meet with current CSGM’s of the Northeast Jurisdiction. Some highlights: Thomas Kemper, Secretary General, spoke of the move to the new GBGM facility in Atlanta, Georgia with transfer of some staff to be complete by Fall 2016; the 75th Anniversary of UMCOR celebrated with slide show and a birthday cake; reports from Transformation Generation and UMCOR staff; the development of four regional offices which reinforces the slogan of GBGM "From Everywhere to Everywhere."

**Vision**

*A diverse and inclusive church that is transforming the community and expanding God’s Kingdom.*

**Mission**

*To empower Hispanic/Latino leaders to make disciples of Jesus Christ for the transformation of the world.*

The National Plan for Hispanic/Latino Ministry has been supporting and strengthening Hispanic Leaders in GNJ. It has also trained leaders and created contextualized training resources. We continue developing a strong laity and clergy with resources in their own language and cultural context as part of our mission and vision of creating
Reports to the 2016 Annual Conference

Vital Congregations in alignment with the Strategic Plan of the Conference. Our areas of focus are Leadership Development, Spiritual Growth, Social Concerns, Developing New Churches and Small Groups and Youth and Young Adult Ministry.

Our Strategic Plan starts by identifying active leaders within our churches and communities of faith, that are committed to learn, work in team with their pastors, other leaders, and with a genuine desire to growth in the Wesleyan theology tradition.

Programs that we have developed:

- The HNP Module I and II trainings were offered in 2015. As a result of this training we have 14 New Lay Missioners of the National Hispanic/Latino Plan in GNJ.
- We continue supporting The Walk to Emmaus in Spanish which is proving to be a highly effective resource to develop lay leadership and spiritual growth. Pastors are reporting an increased level of participation and commitment to the local church in those that have experienced Emmaus. We’re also seeing an increased understanding of the concept of servant-leadership, among Hispanic/Latino laity. This year we had over 40 new pilgrims participate in the Walk to Emmaus Retreat.
- We supported IGNITE 2015. More than 75 Hispanic youth participated. As a result they are doing Rallies among our churches and engaging and worshiping God in their own way with their gifts and talents. As the result of this effort we are developing a strategy to develop and organize our Youth and Young Adults with more intentionality understanding that they are part of the present and future of the church. They meet and start organizing their Annual Retreat Niños y Jovenes para Cristo for the summer 2016 with the support and guidance of Rev. Charles Perez, Rev. Rolando Santiago, Rev. Hector A Burgos, Milagros Soto- Pillot and Jazelis Adorno-Burgos.
- Our Laity Biblical Academy - (SELAH) provides enhanced/contextualized theological education for lay leaders from a Wesleyan perspective in Spanish. The 2 year program covers topics such as Church History, Systematic Theology, UMC doctrine and polity, Worship/Preaching, Evangelism, and more. This program is making theological education available to lay leaders that otherwise would not be able to have it, do to affordability, immigration status, and/or family/job responsibilities. The academy started in September 2014, with 19 laity students, and its being facilitated by experienced clergy with a strong theological and ministry background in our denomination. We are in the second year program with a total of 22 students.
- We offer connection among our clergy families. Two annual gatherings to enjoy one another and to play dominoes, games, good food and relax. (summer and winter)
- We celebrate after the Annual conference the new appointments and ordinations from our Hispanic Clergies. Very proud of our new leaders that have decide to answer their call.
- We have three New Hispanics Ministries hosted by English/Korean speaking churches. We celebrate their vision and desire to be in ministry with the Hispanic/Latino community.

God is working in new and different ways. The Hispanic population keeps rapidly growing and we need a space to worship God and to feel his love in a lot of places in New Jersey. They are so many challenges in the Latino community. We are looking forward for more Hispanic Vital Congregations, for more Pastors willing to serve in different ways, for new churches opening the doors to serve the Hispanics/Latino Communities. God is up to something! We invite all to join us as we seek to expand the reign of God and transform the world in the love of Jesus Christ.

Jazelis Adorno-Burgos, Chair
National Plan Hispanic/Latino Committee, on behalf of the committee
This Committee worked with the Conference on setting up an Act of Repentance Service at the 2014 Annual Conference. The Indigenous Welcome was given by Mr. Mark Gould, the Chief of the Lenni Lenape Tribe which is part of the Nanticoke Lenni Lenape Confederation. The 2015 Indigenous Welcome was given by Rev. Roy Bundy, the pastor of St. John’s UMC in Fordville. This church is designated as a Native American Methodist Church and has been in existence 175 years. We hope to see this welcome continue as a part of our Annual Conferences.

We continue to work with the Lenni Lenape Tribe by:

- Supporting their Youth Camp and assisting youth with Peg Leg Flamingo participation.
- At one of CoNAM meetings, we shared with people about a trip to the historical site of the Carlisle Indian School some of the members attending. Some of the Lenape people were interested in attending as well. On June 4, 2015, forty five (45) people went on the trip. We plan to do a trip for Conference members.
- Rev. Doug Mackey from the Upper NY Conference came to St. John’s UMC as a part of his seminary course. He shared how a Native American Ministries Sunday (NAMS) training could be as he shared resources from their Act of Repentance Service. With this type of training, the CoNAM will do a training for the Conference during Regional Day of Learning conferences in 2017.
- The history of the relationship between the Tribe and St. John’s UMC needs to be recorded and the Archive Center at Drew University is working with the Tribe and the church to record this history.
- St. John’s UMC is a part of the eight week Bridgeton Summer Program. It was held for two weeks at each church from June 29-August 21, 2015. A total of 120 children were in attendance, with 38 attending at St. John’s UMC. St. John’s used an in-house Native American immersion curriculum and explored how the culture and Christianity partner together to glorify the Creator. From that program, more Tribal youth are attending church and a youth program is being established by the church.

We want to develop a working relationship with the other two Tribes in the conference, they are the Powhatan Tribe in Burlington County in Central New Jersey and the Ramapough Lunaape Tribe in the Northwest corner of New Jersey in the Hunterdon County area. We will be working the District Superintendents in those areas to look at ways to open up a dialogue.

We are aware that many Native people from the state and from other places are attending colleges in New Jersey. While they are in the state, the Committee would like to be supportive of them. We are working with the Reform Church of America on a Welcome Center at the Rutgers University in New Brunswick. As we develop a plan to work with Rutgers, we will see how this activity can be presented at other schools.

The Committee continue to see how native people and issues can be included into the life and work of the Conference.

Cynthia Kent, Chair
Conference Committee on Native American Ministries (CoNAM)
Vitality. Transformational Leadership. Effectiveness.

These are some of the words to which we are drawn in today’s Church. They speak to both the beauty and the urgency of ministry. And they speak with power to the work of the Board of Ordained Ministry. For ours is a work of deep discernment for the sake of the God Who Calls.

When a member of my church asks me about the work of the Board, I am always eager to tell of my awe for the diverse ways in which God calls and the diverse stories of human response. I remain enthralled with the innumerable avenues through which God beckons God’s children into ministry.

Through varied people with varying gifts, God continues to share grace with the world.

In seeking to serve this God Who Calls, the Board engages in tasks that may at times look like just “processes,” but are, in truth, paths that lead to deep discernment and lasting empowerment. The journey of questions and mentorship and assessments and interviews and site visits (and so much more) is a rich and powerful pilgrimage of deep listening, for the individual and for the community.

In this deep listening, it is our privilege and our responsibility to equip those who are called, in order that each may fully claim the gifts God has given, and may use them with joy.

In attending to the unique spiritual timbre God has given for ministry, the door is then opened for the very things we seek: vitality, effectiveness, and even transformation. We find that these words, when we hold them with care, tap into the great mystery of how God is at work in our midst.

This quadrennium has held many important changes for the Board, as reflected in previous reports. This year, in addition to our standing responsibilities, we have been tending to the need for greater staff support, to include staffing for recruitment; we have been exploring assessment tools in languages other than English, to care for our community; and we have made the transition from the Online Candidacy Application System (OCAS) to UMCARES.

We have joined with Conference leadership in envisioning the future of vibrant ministry, continued to evolve the written requirements of candidates to reflect current insights, and nurtured the individual journeys of persons under our care.

As this season comes to an end, I would offer a word of deep thanks to all the persons who serve on the Board, for their countless hours attending to matters of call and community, their willingness to wrestle with complex issues, their commitment to care for the persons responding to God’s call, and above all their openness to the movement of the Spirit.

We also thank Beverly Karlovich for her indispensable administrative wisdom and care; her grace and diligence have been integral to our work. It has been a privilege and joy to serve among such faithful servant leaders.

Collectively, we understand that we are responding to a sacred calling to engage in discernment, be attentive to the movement of the Spirit, and celebrate what God is doing in our midst. It is our privilege to serve the God Who Calls.

Report
Parish and Community Development Committee

The members of the Parish and Community Development Committee met on September 17, 2015, and participated in the Conference’s Board, Agencies and Committees Strategic Session on January 9, 2016. We have reviewed our goals and affirm our recommendation to have them be examined by the Connectional Ministries Team.

1. Find out how many of our churches would be considered local-community-churches versus mostly-commuter-churches. This statistic would encourage conversations that would help us to define the very terms parish and community as they present themselves within our conference, and would be beneficial in the planning of effective clergy and laity peer group conversations and inter-congregational relationships.

2. Connectional Database for our Conference. We propose the creation of a database that would have relevant reference information for ministry and outreach by offering a central place of parish-community resources for our GNUMC family. Our vision is that it would serve as a comprehensive connectional tool that would help us to see the richness of gifts and experience that we already have in our churches and that would encourage collaboration among our congregations. The purpose of the database would not be to simply show success stories to be duplicated. We understand that every community and church is unique, but we also know that we can learn from one another and that our ministries can be enriched by the sharing of our experiences. Therefore, we propose the following:
   a) Creation of a Connectional Database to include data to be sent by laity and clergy and to include categories such as personal experiences, gifts and graces, areas of expertise, work experience, success stories, and failures.
   b) That the information inputted into the database would show anonymously and would be reviewed prior to posting ideally by a lay person within our conference who has experience with statistics.
   c) Care would be given to designing a system that allows contact with persons for additional sharing without making their personal information public.

May the work of our Conference always be led by the Spirit of God with us.

Maylis de la Fe, chairperson

Report
Board of Pension and Health Benefits

The Greater New Jersey Conference Board of Pension and Health Benefits (the Board) is authorized by The Book of Discipline of the United Methodist Church to contribute to the support, relief, assistance and pensioning of clergy and their families, as well as other church workers and lay employees of the United Methodist Church.

Working with the General Board of Pension and Health Benefits, the Board endeavors to implement and interpret national and conference policy.

PENSION

Pre-1982 Pension Plan

The 2016 Past Service Annuity Rate for pre-1982 annuitant payment is $646 per year of pre-1982 service. The 2017 Past Service Annuity Rate for pre-1982 annuitant payment will be $658. The pre-1982 pension program continues to be fully funded and in a strong position.
CRSP/MPP and CPP

The General Conference's pension plan, Clergy Retirement Security Program (CRSP) is a hybrid of defined benefit and defined contribution approaches which took effect in 2007. For 2016 churches pay CRSP at 12.5% of clergy plan compensation and for the Comprehensive Protection Plan (CPP) at 3% of full time clergy's plan compensation, totaling 15.5% of plan compensation. For less than full time clergy, the CPP rate is 3.4% of Denominational Average Compensation (DAC) for 3/4 time and 1/2 time, and 4.4% of DAC for optional coverage (1/4 time and leave status).

The 2012 General Conference enacted changes to the Clergy Retirement Security Program. Effective 1/1/2014 for all contributions going forward, the CRSP Defined Benefit component was reduced from 1.25% of DAC to 1.0% of DAC. Under the CRSP Defined Contribution component, contributions were reduced from 3% to 2% of clergy plan compensation and, in addition, match up to 1% of compensation if clergy contributes 1% to UMPIP. Contributions previously made will not be affected by this change and benefits paid upon retirement will be based on the previous formula for all benefits accrued prior to 1/1/2014. Any benefits accrued from that date forward is based on the new formula.

Additionally, the General Conference changed the participation requirements from all clergy under appointment to only clergy under full time appointment. Clergy appointed to less-than-full-time (3/4 and 1/2-time) are eligible based on the decision of the Annual Conference after approval of the Conference Board of Pension and Health Benefits. The Board has voted to include those clergy appointed to less-than-full-time (3/4 and 1/2 time) appointments in CRSP. For clergy appointed to 1/4 time appointments, a vote of the Board has made UMPIP available as a pension option for those clergy. Please contact Alexa Taylor, Benefits Services Manager, for more information on this option. These changes require Annual Conference approval.

The rates of remittance for the Clergy Retirement Security Program/Ministerial Pension Plan (CRSP/MPP) and Comprehensive Protection Plan (CPP) increased from last year’s rates to 95.93% and 95.58% respectively. Twenty percent of churches were unable to pay these bills on time. Below is a summary of 2015 remittances:

To maintain clergypersons' participation in CRSP and CPP, the Greater New Jersey Conference fully pays delinquent church accounts using funds from the Reserve Account at the General Board of Pension and Health Benefits. We are concerned that some churches are not fully meeting their obligations with the resulting decrease in the Reserve Account.

By 2015 year-end the cumulative delinquent amount for years prior to 2015 was $1,805,000 for CRSP/MPP and $385,000 for CPP - a total of $2,190,000, an increase of $43,000.

We thank those churches that maintained faithful stewardship, paying 100% of their obligation. We also appreciate the continuing efforts of our district superintendents, Alexa Taylor, Benefits Services Manager, to collect the past due balances. More than $185,000 of the 2002-2014 shortfalls was collected in 2015.

Pre-Retirement Seminars

As in years past, the Board sponsored a retirement education session held at St. Mark United Methodist Church in Hamilton on March 3, 2016. The pre-retirement seminar focuses on those anticipating retirement within five years. Fifty-five persons were scheduled to attend. Presentations by Peter Hang of the General Board of Pension and Health Benefits, a Social Security representative, and Barbara Gruezke, Insurance Coordinator, provided valuable guidance to assist retirement planning. Special thanks go to Donna Hough for organizing these events and to St. Mark UMC for their gracious hospitality. Thanks also to Alexa Taylor, Benefits Services Manager, and Barbara Gruezke, Insurance Coordinator for their support.
HEALTH INSURANCE

For 2016, the Board continued Active health insurance under HealthFlex, the health insurance plan sponsored by the General Board of Pension and Health Benefits. The medical and prescription benefits changed from 2015, but still is the richest plan HealthFlex provides. The medical provider network is Blue Cross/Blue Shield PPO; the pharmacy benefits are provided through Catamaran. Beginning in 2015, the General Board no longer offers retiree health insurance. The Board implemented United HealthCare’s National Medicare Advantage PPO Plan which combines the participants’ Medicare A & B, supplemental coverage and Part D prescription plan.

The Board has again provided a contribution to participants’ Health Reimbursement Accounts for 2016 of $1,250 for single and $2,500 for all other plan types which can be used for qualifying medical expenses (such as co-pays and deductibles). These funds do not expire and are accessed through a MasterCard branded debit card, or via a reimbursement form.

Premiums and Remittances

The following chart shows church premium rates in effect for 2016. These rates reflect a Cabinet- requested blended rate for all categories, which the Board has been moving toward for several years, so that health insurance premiums are not a factor in determining clergy appointments.

The Board thanks all churches that fully paid their health insurance premiums in 2015. Overall, churches paid 99% of the total $4,276,240 health insurance billings, an increase from the 2014 remittance rate of 98%. The 2015 shortfall was approximately $40,000. By 2015 year end, the amount owed from years prior to 2015 had been reduced by $224,824 and the cumulative unpaid health insurance bills had increased to $2,830,113 owed for years prior to 2015.

Churches failing to fully pay their premiums burden all churches and result in higher health insurance premiums for all. Thanks go to the Conference/BOPHB Treasurer John Cardillo, Insurance Coordinator Barbara Gruezke, and the Cabinet for their continued efforts to collect health insurance arrearages.

The Board and the Conference staff have continued their efforts to ease the continued transitions in healthcare. The Health Insurance Guidelines included in these 2016 Conference Reports and Recommendations have been updated.

Annuitant Health Care Liability

As of the end of 2014, the Financial Accounting Standards Board FAS 158 liability for annuitant healthcare costs in the amount of $51.6 million was posted to the Conference balance sheet. This liability is the estimated present value of the future costs of annuitant healthcare. The Annuitant Health Insurance Contingency Fund described below has been set up to address this large liability over time.

Annuitant Health Insurance Contingency Fund

In 2002-2003 the Board, recognizing the growing magnitude of annuitant healthcare costs, together with the Centenary Fund, representatives of CFA, the Cabinet and the Association of Retired Ministers and Spouses (ARMS), developed a plan for a long term Annuitant Health Insurance Contingency Fund that begins to offset the liability and ensure that retirees continue to enjoy conference-paid health insurance. The Fund was initiated by the 2003 GNJ Annual Conference and earmarked exclusively for healthcare costs for annuitants to cover higher premium costs expected in future years. The plan for the Fund involves a multi-year period during which excess pre-1982 retirement funds would be used to pay CRSP defined-benefit requirements, and comparable funds from churches would be used to create a permanent retiree health fund. This is a critical initiative since it is clear that the Conference cannot continue to fund retiree health insurance on a cash basis out of the Conference Budget.
As of December 31, 2015, the Annuitant Health Insurance Contingency Fund held a balance of $8,985,134 after transferring $467,618 to the Annuitant Health Insurance Account to avoid a negative balance in that account at year-end. In 2015 approximately $3,055,204 came into the Contingency Fund (representing the 2% clergy and staff salary contributions toward the cost of health insurance) plus the Centenary Fund’s annual contribution (in excess of $300,000, separate from their $100,000 contribution directly to the Annuitant Health Insurance Account).

The Board Itself

The Conference Board of Pension and Health Benefits endeavors to serve the Conference and the needs of those in ministry. There continues to be much to accomplish, especially in the challenging field of health insurance. Christ strengthens us to meet these challenges and we pray for the Holy Spirit to guide and inspire our actions.

Current leadership is Rev. Paul Zorn, Chair; Donna Hough, Secretary.

Report

Property and Liability Insurance Program of the Board of Trustees

2016 Insurance Renewal:
The 2016 insurance renewal process resulted in a $129,721 premium increase or 3% versus the 2015 costs. This includes a re-inspection of all conference properties which were completed by 12/31/15. In 2011, Hurricane Irene damages, and a total fire loss, contributed to a 189% loss ratio for the property insurance. There were also adverse claim developments for the workers’ compensation coverage resulting in a 110% loss ratio for that line of business. In 2012, Super Storm Sandy damages resulted in a Conference loss ratio of 129%. In addition, there were several significant workers’ compensation claims for the 2012 - 2013 policy term. The Conference has been with Mercer Insurance Company for most of its coverage since 2004, and has an overall loss ratio of 80%. The Board of Trustees believes the long term relationship with Mercer, and Sovereign’s negotiations on our behalf, allowed the Conference to avoid a steep premium increase or an outright non-renewal of insurance. In 2013, the wind damage deductible was increased from $1,000 to $5,000 for 98 churches that fall into the insurers wind hazard zone. Most carriers are now imposing percentage deductibles for wind zones, such as 3% of insured values, so the deductible increase is the better option for the Conference. In the event of a wind loss, the Board of Trustees intends to cover the increased wind damage deductible for affected churches from its surplus funds. The insurer continues to cover up to 25% more than the declared property value of any church, providing a level of protection from unexpectedly high damage reconstruction costs. Mercer has re-inspected and re-appraised all Conference owned properties.

Workers’ Compensation:
The Workers’ Compensation coverage is with Church Mutual Insurance Company effective December 1, 2013. Workers’ Compensation premiums were increased from $418,052 to $629,426 due to a statewide rate increase in New Jersey, adverse claims development, and an experience modification factor increase.

Automobile Insurance:
The Board of Trustees continues to make available a voluntary automobile insurance program for church-owned vehicles. The 2016 premium cost is just under 1% than in 2015. Each church has access to this insurance program and pays the premium cost for any vehicle insured.
Reports to the 2016 Annual Conference

Claims Experience:
As previously noted, the Conference loss ratio was very unfavorable for the 2011, 2012 and 2013 policy years due to several large loss events. The Board of Trustees believes Mercer Insurance understands well the nature of the GNJAC loss exposures and reacted in good faith with the 2016 renewal after those three consecutive unprofitable years. However, if losses continue in this fashion they could negatively impact the overall cost of insurance; our current three year loss ratio with Mercer is 82%.

Large Losses:
The unfavorable loss experience of those three years were driven by large losses each year. In 2011 the Conference sustained nearly $900,000 in Hurricane Irene claims from 66 churches and a fire loss totaling over $2 million. Super storm Sandy losses in 2012 totaled $1.8 million from damages to 134 churches. In 2013 $4.2 million in losses from two workers’ compensation claims were sustained.

Parity Implementation:

Surplus:
The Board of Trustees endeavors to complete each policy year with a positive fund balance. The accumulated surplus is used to cover uncollectible premiums, fund cash flow in order to pay insurers timely, pay deductible differentials, and fund parity relief. Surplus is also potentially needed to offset future rate increases and uninsured/underinsured defense costs and losses as prescribed by the Cabinet.

The Board of Trustees believes that it is crucial to maintain the surplus position given the adverse claim experience of the past three years. The Board anticipates no addition to the surplus position in 2016.

Summary:
The Board of Trustees encourages each church to take advantage of the assistance available through Sovereign Insurance (800-222-4478), the Conference insurance program’s broker. The Conference insurance program does not include flood insurance. We remind churches, particularly those located in a flood zone, of the need to purchase flood insurance; Sovereign Insurance is prepared to help with that process.

Commission on Religion and Race

“To do righteousness and justice is more acceptable to the L ORD than sacrifice. “ Proverbs 21:3

At outset, I would like to thank the members of the Greater New Jersey Commission of Religion and Race (GNJ CORR) and the members of the GNJ CORR Monitoring /Advisory Team for their work and valuable contributions to this ministry. GNJ CORR is called to engage in activities consistent with role of the General Commission on Religion and Race (GCORR). “GCORR is the core agency within the United Methodist Church tasked with empowering the Church to pursue racial equity and cultural competency to build a stronger, more vibrant UMC.” Similarly, GNJ CORR is charged with this same task in the Greater New Jersey Conference (GNJ). By promoting full and equal participation of the racial and ethnic constituency in the total life and mission of the church, GNJ CORR seeks to empower clergy and laity to develop transformational leaders and vital congregations.
In 2015, GNJ CORR continued with the goals of 1. providing resources and training; and 2. supporting and providing programs of cultural competency, racial justice and reconciliation. Specifically, the 2015 activities were as follow:

**Resources and training**

- GNJ CORR is working to develop collaborative solutions for presenting “The Conversation About Race” for clergy and laity. We entered a conversation with Drew Theological School to have “The Conversation About Race” hosted at Drew thereby allowing seminarians and other members of the Drew Community to benefit from “The Conversation About Race”.
- GNJ CORR is supportive of Bishop Schol’s development of the 10-year Cultural Competency Plan, as well as the Bishop’s plan for repentance and reconciliation for the African Americans who remained in the United Methodist Church. We encourage building a foundation of information and education about the historical, legal, financial, religious and socio-political context of race, racism and racialized systems of oppression and exclusion. Acknowledging that we do not live in a post-racial or colorblind America, repentance and reconciliation is necessary to build a community of faith that works diligently towards the dismantling of racism in GNJ, the United Methodist Church and in this country, thereby allowing all of God’s children access and equity.
- GNJ CORR worked with The Board of Church and Society and the Commission on Christian Unity and Interfaith Relationships to sponsor a dessert event in which Katey Zeh, Project Director, Healthy Families, Healthy Planet of the General Board of Church and Society was the keynote speaker. She addressed the topic of “Building Multicultural, Ecumenical Partnerships for Global Health”.

**Supporting and providing programs of cultural competency, racial justice and reconciliation**

- GNJ CORR works collaboratively with the General Board of Church and Society (GBCS) in the area of Fighting Mass Incarceration. In addition to advocacy, GNJ provides Healing Communities Restorative Justice training for individuals and congregations interested in working with people who are leaving prison. As a follow-up to the 2015 Healing Communities training, GNJ CORR trained an additional twenty-four people including three people who were trained as Healing Communities’ trainers: The Reverends Lourdes Magalhaes, Denise M. Wooten-Troutman and Vanessa M. Wilson. The Reverend Drs. Sonia King and Brian Jackson from the Baltimore Washington Conference conducted the training. The training equipped members of congregations with to work with “returning citizens”, those people who are returning from incarceration. The training was sponsored by GNJ CORR, GBCS, The National Religious Campaign Against Torture (NRCAT) and Rutgers University School of Law that provided the training site. GNJ CORR continues to engage in legislative advocacy along with other agencies and organizations in this area.
- Rev. Wilson represented GNJ CORR at Senator Lesniak’s Roundtable discussion concerning solitary confinement.

GNJ CORR looks forward to continuing to serve GNJ through training, consultation, research and advocacy to empower clergy and laity to be able to be an effective witness for Christ in a diverse world.

Respectfully submitted,

The Reverend Vanessa M. Wilson, J.D.
Chair, Greater New Jersey Commission on Religion and Race, on behalf of the commission
This Commission was approved by the GNJ Annual Conference and organized in 2015. Responsibility of the Commission is to be in harmony with the Conference mission and Strategic Plan. The Commission will focus on helping the small membership church to realize its full potential through providing resources, support and encouragement to become vital congregations. The goal of the Commission is to focus on equipping, developing and strengthening clergy and laity to become effective leaders. In order to meet this goal, the following objectives have been established:

a) To define and determine the demographics what is a small membership church with regard to size, and location urban, suburban, rural; Is the congregation older? Declining? Stable?
b) To advocate and support small membership churches throughout the Conference by providing resources and people that will assist churches to grow as vital congregations
c) To help small churches determine mission objectives that will help them to connect and serve their communities,
d) To center on worship as one of the markers of a vital congregation.
e) To provide opportunities for training, coaching and educating the leadership of the church.
f) To find funding that can be used to help meet the goals and objectives.

Small Membership Commission is an important ministry of the Annual Conference. As all churches’ mission is to make disciples. A small membership congregation is more than numbers, although size does count. The Commission will assist small churches to pursue their mission, vision and any challenges they may have in becoming vital congregations.

In His Grip,
Millie Grey, Chair
Commission for the Small Membership Church

The saying is sure and worthy of full acceptance. For to this end we toil and struggle, because we have our hope set on the living God, who is the Savior of all people (1Timothy 4:9-10a)

COSROW, is the Annual Conference Commission on the Status and Role of Women, that is made up of women and men, laity and clergy who are dedicated to advocate the full and equal participation and equipping of women as transformational leaders in the total life of the church to make a difference in the vitality of our conference and its local churches.

The mission of the General Commission on the Status and Role of Women is to challenge The United Methodist Church at all levels to work for full and equal participation of women in the total life of the denomination, including ordination of women, equal access to policy-making and recognition that Jesus Christ calls men and women alike to salvation, liberation, discipleship and service in church and society.

It is with great joy that I have been able to serve continually with dedicated team members throughout this past year. COSROW in the Greater New Jersey Conference carried out its purpose through the following projects: (1)

**Helenor Alter Davission Award**: We developed a new award and awarded Rev. Dr. Jusun Kwak as its first
recipient at the 2015 Annual Conference. We are honored to award Rev. Patricia L. Bruger in 2016 to affirm her courageous and transformational leadership. (2) **Leadership Development:** Four clergy members attended Do No Harm Leadership Training “Best Practices for Health, Accountability and Wholeness.”  (3) **Sexual Ethics Training/Workshop** on Thursday, April 14: Its goals are to raise awareness of sexual ethics and issues, prevent sexual abuse, promote healthy boundaries, and bring about justice and healing.  (4) **Response Team training:** Seven clergy members received training to support others in moving forward in healing and to provide education to help others understand the nature of sexual misconduct by a faith leader.  (5) **Display Table at the Annual Conference** to promote our ministry and provide resources for our mission goals.

Lastly, I would like to give thanks to our members for their faithful service: Sonia Cancel, Maxine Harris, Gilbert Morris, Diane Pacione, Iraida Ruiz De Porras, Marcia Roebuck, Yoomi Yi, Evan Rohrs-Dodge, and Beth Caulfield, who is a Conference liaison.

**Board of Trustees**

The Officers of the Board are: Chairperson – Rev. Clifford Still; Vice-Chairperson – Rev. James Ryoo; Secretary – MaryBeth Scherer. The following Trustees serve as liaisons to the properties for which the Board is responsible: Ed Bowen, Vicci Hahn, Rev. Hosuk Chung, Judy Hopkins, Jack Green, Rev. Peter Broomall, Rev. David Lehmkuhl, Rev. Rupert Hall, Tracy Estes.

The Trustees are responsible for the maintenance/care of the following properties: the Episcopal residence, nine District parsonages, the previous Palisades District parsonage situated in Harrington Park, NJ, the building in Paterson, NJ, as well as the Conference Office building. Additionally, they oversee the actions needed to be taken in reference to churches and parsonages that have been closed, representative of formal action taken at prior Annual Conferences. Seven cemeteries are also under the care of Trustees.

Some items of note as a result of Trustee action taken during the 2016 Conference Year:

- In response to action taken at the 2013 Annual Conference, the Trustees have begun construction of the new Conference office building on the two acre lot in Neptune, NJ. Expected date of occupancy is early 2016. The present Conference office is listed for sale and is under contract with a tentative closing date of 3/31/16.

The Trustees are privileged to work with, and receive the cooperation of, many individuals and groups throughout the Conference. The counsel which is offered to the Board from Conference Chancellors Lynn Caterson, Esq. and Sanford Brown, Esq. is invaluable. John Cardillo, Conference Treasurer and Director of Administrative Services, serves as Treasurer of the Board and Alexa Taylor, Benefits Services Manager, serves as staff liaison to the Board. As a result of their guidance and expertise in reference to overall financial resources of the GNJAC and specifically the funds which the Board oversees, the Trustees are better equipped to prioritize and responsibly address the needs of the various properties. Likewise, the work of the Board has been enhanced this year with the presence of The Rev. Wayne Plumstead as Cabinet liaison. His dedication, leadership and interest in the matters of the Trustees, particularly as they interface with the Conference in general, is very much appreciated. The Conference Trustees are also grateful for the opportunity to work more closely with Bishop Schol and the Cabinet during the course of this Conference year.

Since the United Methodist Homes of New Jersey (UMHNJ) board of directors approved the Strategic Plan 2013 - 2017, we have done much and published this progress in the last two annual reports. The theme for our fiscal year 2015 annual report, Share the Magic of UMH, continues to chart that journey.

With Alliance Rehab, Bristol Glen and The Shores at Wesley Manor implemented SeniorFITness, a venture which supports a longstanding priority — improving resident function, quality-of-life and independence. Led by professional exercise physiologists, the multidisciplinary program, designed to be both fun and functional for older adults, improves strength, balance, mobility and mental well-being through a wide assortment of activities. As residents age, improving balance is one of the keys to preventing falls.

A significant step toward the Strategic Plan’s expansion of Home and Community Based Services occurred in June 2015 with the launching of The Arms Café at Wesleyan Arms. They have partnered with Home Helpers of Monmouth County and the Visiting Nurse Association of Central Jersey to promote living and learning for the area’s older adults. PineRidge of Montclair’s resource hub and meeting place, Senior Space, successfully continues to offer weekly social interaction, physical exercise and lifelong learning at the Montclair Public Library.

As both hubs engage into and with their local communities, the varied calendars include: chair yoga or Zumba®, art, technology, reading and book club discussions, meeting new friends, walking groups, finding information, enjoying the company of others, and more. Resource coordinators offer information about elder care to individuals and their families. This allows access to important resources to successfully age in place at home: meals, home care, tele-health, and chore, social and transportation connections.

Our full-service communities continue to transition from a medical model in healthcare to household models, creating environments where residents can live fulfilling, meaningful and self-directed lives. The Shores at Wesley Manor has developed three neighborhoods of approximately 20 residents each. These establish a person-centered model of caring for residents, giving them greater control over their daily routines. We invested almost two years bringing key stakeholders together to learn about and create the model. Conceptual plans of similar scope are in the works for Collingswood, followed by Bristol Glen and then Pitman.

As planned and in harmony with Service Expansion, The Shores at Wesley Manor opened six hospice-dedicated apartments in April 2015. Located in a private assisted living neighborhood, each one-bedroom apartment has been custom designed for individuals facing terminal illness that no longer responds to curative treatment. The expertise of the multi-disciplinary hospice team includes advanced, traditional and alternative therapies; 24-hour nursing oversight; medication management; certified caregivers; emotional and spiritual support; personal services; and palliative care for symptom management and pain control. Welcoming gathering spaces for families and friends complement a nurturing atmosphere.

We refreshed our mission, vision and values statements and celebrated Commissioning Services for our executive directors and housing administrators. This focus on our Wesleyan Christian values segued into Missioning Services for all associates at each community. They honored associates and their call by God to a ministry of caregiving and affirmed the important impact associates make using their unique gifts and embracing our core values of compassion, respect, stewardship and service. Additionally, Spiritual Care Teams and local Mission Teams have been formed to develop creative ideas for celebrating the Homes’ mission and values in the future.
United Methodist Homes concluded fiscal year 2015 with an overall increase in net assets. We completed a refinancing of debt in October which reduced the amount of interest expense that UMHNJ must pay on our outstanding debt and this resulted in a large decrease in interest expense in 2015. Therefore, through this positive stewardship, we are realizing savings and able to retain more of our cash for other ministry purposes. This promotes goals under the Strategic Plan’s mandate to Strengthen the Financial Position of the Ministry.

Through the analysis of hospital discharge documentation, all of the full-service communities have created a specialty clinical niche within their respective healthcare centers. Bristol Glen offers a pulmonary specialty while The Shores focuses on cardiac rehabilitation. This initiative has effectively aligned us with several hospitals for stronger referrals and consistency of clinical care as people move from hospital to home.

As accountable care organizations and bundled payments have surfaced as key strategies of the federal government to control the cost and quality of healthcare, our ability to reduce hospital readmission rates and track key clinical performance metrics have proved invaluable. This is critically important for our future and will distinguish UMHNJ in the marketplace. We continue conversations with several accountable care organizations and major insurance companies.

To advance the Strategic Plan’s mandate to Strengthen the Organizational Human Capital, considerable time has been devoted to developing foundational human resources policies and best associate relations practices, including the Fair Treatment Process. Consistent with those outcomes, we issued an Associate Resource Guide. The recruitment, hiring and on-boarding of new talent now aligns with the organizational values. Also, within human resources and aligned with Integrating the UMHNJ Mission into the Fabric of the Ministry, we are assimilating our values into the organizational job descriptions and reinventing the performance evaluation process. In order to make decisions consistent with our organizational values, we are creating a Wesleyan decision-making model.

Share the Magic of UMH, a daylong event filled with magic, music, information and inspiration, occurred in May 2015. The day held some very serious purposes: bringing together associates who work in eleven unique locations; affirming and acknowledging organization-wide, local site, and individual accomplishments; giving a status report on the Homes; viewing videos featuring the compassionate relationships between associates and residents; and inspiring and motivating staff. Four associates received awards as determined by nominations through an interdisciplinary Awards Committee.

United Methodist Homes of New Jersey is united by our commitment to a noble mission and common purpose. Collectively, we have moved our mission and agenda forward with your help. We do this work for the love of people and for the ways in which our efforts improve the human condition. We do it for our love of Newton, East Orange, Montclair, Neptune, Plainfield, Red Bank, Ocean Grove, Ocean City, Collingswood, and Pitman. And we do it for the love of residents who have entrusted their housing and care needs to us for over 108 years.

While much work remains toward the Strategic Plan’s initiatives, we will continue to embrace omnipresent change and grow. We thank you for your many demonstrations of love, energy, passion, support, and faithfulness, especially to the Fellowship Fund, the cornerstone of our charitable mission. God bless you and the role you play facilitating United Methodist Homes’ abundant life.

Men – according to the General Commission of Methodist Men in Nashville we are struggling. Fewer churches are renewing their charters or becoming chartered for the first time. Thank you for those churches that have been and continue to be chartered.

Reasons given for not chartering from our own churches are:

• $80.00 annual fee is too high
• What are we getting for being chartered
• Our men’s group has folded
• Pastor does not support the men
• Only have age 60 and above attending our men’s group

Ok, enough about reasons why are churches are not participating with the General Commission of Methodist Men.

• $80.00 is not a lot of money – look how much you spend on sporting events, eating out, movies, coffee, etc. - what do we get - personal enjoyment or full from eating
• Please look at the UMM General Commission web site www.gcumm.org to see what your $80.00 supports.

If your men’s group has folded why not consider meeting quarterly with another church or two. There are many churches like yours that have a desire to have men get together, but are small in numbers. Try it. In Matthew 18:20 we read “For where 2 or more are gathered in My name, there am I in the midst of them”.

Pastors’ not supporting the men of your church is only an excuse. Pray about it and talk to the Pastor why he or she does not support United Methodist Men. Be strong and gather together in the name of Jesus Christ for fellowship, devotion, prayer, sharing and missions.

Younger men not coming to church men’s events is certainly an issue. Our young men today are so stretched with work, their families, sports, etc. These men do not want to sit through a meeting. How can we get them involved in men’s ministry? This is your challenge. This is our challenge. Please forward to me walkern@comcast.net if your church is reaching out to this age group.

Getting together for a conference men’s gathering has been difficult. Men do not want to travel far from home for a men’s event. Our conference has now grouped our 9 districts into 3 regions. In 2016 & 2017 there will be regional gatherings for the United Methodist Men, Having 3 gatherings travel time will be less and participation should be greater.

Men let us continue to witness for Christ and to tell others what God has done for us. We do not need a formal setting or a soap box to do this. Opportunities to do this can arise any time if we are alert to them.

In Luke we read “Good people do good things because of the good in their hearts”. Please send me what good things are occurring with the men in your church so they can be shared with other churches.

Thank you for what you are doing in your local church, community, family, district and conference.

The United Methodist Women continue to fight for the rights of women, children and youth. We practice Faith, Hope and Love in action. This includes our support for social actions causes. We continue to help women who are victims of domestic violence, and those forced into human trafficking. We fight for the rights of women and children being held in our immigration detention centers and the need for legal representation to keep families together.

We continue to acknowledge racial justice issues. Many of us traveled to Blackstone, VA, where nine conferences attended a Charter for Racial Justice seminar. We discussed issues concerning the United Methodist Women. Our delegates for General Conference and our Bishop received information expressing our concerns for racial justice. A committee was created to become involved with our state legislators to work with the United Methodist Women and its social action issues.

The United Methodist Women have concerns about those affected by mass incarceration and provide support for those victims who are returning back into society. We also are fighting for providing equal pay for women and supporting the working poor. This includes petitioning major food chains and restaurants to practice fair labor laws for migrant workers and their families.

A campaign was launched with The League of Women’s Voters to register our youth, and seniors in assisted living facilities. It is important to document addresses changes for absentee ballots and provide the opportunity to vote during the upcoming presidential elections.

Environmental justices are another form of support to save our environment with its climate changes. This is one of the studies being presented this year at Mission “u.” Our 2015 UMW spring meetings addressed some of these issues. We had a program on “Going Green” and “Living after Super Storm Sandy.” We learned how to prepare our own natural cleaning products such as all-purpose cleaner, furniture polish and laundry soap. Then we discussed how NJ disposed of the trash accumulated from the homes destroyed by Sandy. This included cleaning up the debris from beaches and the back bays from the flooding. Our other environmental event included “Saving the Bees.” Our bees are being destroyed by the use of GMO’s. This is the use of genetically altered seeds which affect the bees and destroy their hives. Bees are an important part of our food chain in pollinating our crops and fruit trees.

2015 brought awareness to our sisters of different cultures and race. Our Korean and Hispanic language coordinator and Conference presidents gathered in Nashville, TN for “VOICES,” a seminar presented by UMW National. We discussed topics on how to be more inclusive with our Korean and Hispanic sisters. Also we discussed choosing your delegates for General Conference and to keep the decisions in prayer.

Mission “U”/ Cooperative School of Christian Mission theme for 2015 was “In Christ a new creation!” 2 Corinthians 5:17b. This again included three-day weekend studies at Georgian Court University, Lakewood, NJ. Saturday included a one-day school experience. The study themes were Created for Happiness, Latin America: People and Faith, The Church and People with Disabilities. The Conference study session was The Church, Policing and The New Jim Crow. Classes were provided in Korean and Spanish for our Korean and Hispanic United Methodist Women. We also included programs for our children and youth. This year our worship services were held in Korean and Spanish with translation in English. This was a new experience and was well received. Our love offering supported The Amistad After School Program. Our ingathering included collecting can goods for the Food Bank of New Jersey.
Our fall meeting involved speakers Deaconess Molly Vickery and Rev. Vanessa Wilson who brought us information and biblical support in Maternal Child Health issues. Music was provided by Grace Pugh -Hubbard. Our ingathering collected 124 layette kits and extra supplies with funding for shipping and handling were sent to The Northfield Hub for UMCOR distribution.

The Greater New Jersey United Methodist Women sent representatives to United Nations Seminar supporting twenty years of addressing women’s issues around the world. Our ladies spent time discussing racial justice issues. Also they addressed the abuse of women and promoting improving self-esteem and education for women with our global missionaries.

Several of our women also attended the United Methodist Women National Seminar in Chicago, IL. The theme was Interrupting Indifference: Jesus Justice and Joy. The National Seminar equipped and empowered its participants to engage leaders for social justice by practicing skills and tools to respond to current social issues.

Through the participation in the global ministries for the church the United Methodist Women continue to practice Faith, Hope and Love in Action.

Blessings,

Marilyn Powell
