As of December 31, 2015, the Annuitant Health Insurance Contingency Fund held a balance of $8,985,134 after transferring $467,618 to the Annuitant Health Insurance Account to avoid a negative balance in that account at year-end. In 2015 approximately $3,055,204 came into the Contingency Fund (representing the 2% clergy and staff salary contributions toward the cost of health insurance) plus the Centenary Fund’s annual contribution (in excess of $300,000, separate from their $100,000 contribution directly to the Annuitant Health Insurance Account).

The Conference Board of Pension and Health Benefits endeavors to serve the Conference and the needs of those in ministry. There continues to be much to accomplish, especially in the challenging field of health insurance. Christ strengthens us to meet these challenges and we pray for the Holy Spirit to guide and inspire our actions.

Property and Liability Insurance Program of the Board of Trustees

2016 Insurance Renewal:
The 2016 insurance renewal process resulted in a $129,721 premium increase or 3% versus the 2015 costs. This includes a re-inspection of all conference properties which were completed by 12/31/15. In 2011, Hurricane Irene damages, and a total fire loss, contributed to a 189% loss ratio for the property insurance. There were also adverse claim developments for the workers’ compensation coverage resulting in a 110% loss ratio for that line of business. In 2012, Super Storm Sandy damages resulted in a Conference loss ratio of 129%. In addition, there were several significant workers’ compensation claims for the 2012 - 2013 policy term. The Conference has been with Mercer Insurance Company for most of its coverage since 2004, and has an overall loss ratio of 80%. The Board of Trustees believes the long term relationship with Mercer, and Sovereign’s negotiations on our behalf, allowed the Conference to avoid a steep premium increase or an outright non-renewal of insurance. In 2013, the wind damage deductible was increased from $1,000 to $5,000 for 98 churches that fall into the insurers wind hazard zone. Most carriers are now imposing percentage deductibles for wind zones, such as 3% of insured values, so the deductible increase is the better option for the Conference. In the event of a wind loss, the Board of Trustees intends to cover the increased wind damage deductible for affected churches from its surplus funds. The insurer continues to cover up to 25% more than the declared property value of any church, providing a level of protection from unexpectedly high damage reconstruction costs. Mercer has re-inspected and re-appraised all Conference owned properties.

Workers’ Compensation:
The Workers’ Compensation coverage is with Church Mutual Insurance Company effective December 1, 2013. Workers’ Compensation premiums were increased from $418,052 to $629,426 due to a statewide rate increase in New Jersey, adverse claims development, and an experience modification factor increase.

Automobile Insurance:
The Board of Trustees continues to make available a voluntary automobile insurance program for church-owned vehicles. The 2016 premium cost is just under 1% than in 2015. Each church has access to this insurance program and pays the premium cost for any vehicle insured.
Claims Experience:
As previously noted, the Conference loss ratio was very unfavorable for the 2011, 2012 and 2013 policy years due to several large loss events. The Board of Trustees believes Mercer Insurance understands well the nature of the GNJAC loss exposures and reacted in good faith with the 2016 renewal after those three consecutive unprofitable years. However, if losses continue in this fashion they could negatively impact the overall cost of insurance; our current three year loss ratio with Mercer is 82%.

Large Losses:
The unfavorable loss experience of those three years were driven by large losses each year. In 2011 the Conference sustained nearly $900,000 in Hurricane Irene claims from 66 churches and a fire loss totaling over $2 million. Super storm Sandy losses in 2012 totaled $1.8 million from damages to 134 churches. In 2013 $4.2 million in losses from two workers’ compensation claims were sustained.

Parity Implementation:

Surplus:
The Board of Trustees endeavors to complete each policy year with a positive fund balance. The accumulated surplus is used to cover uncollectible premiums, fund cash flow in order to pay insurers timely, pay deductible differentials, and fund parity relief. Surplus is also potentially needed to offset future rate increases and uninsured/underinsured defense costs and losses as prescribed by the Cabinet.

The Board of Trustees believes that it is crucial to maintain the surplus position given the adverse claim experience of the past three years. The Board anticipates no addition to the surplus position in 2016.

Summary:
The Board of Trustees encourages each church to take advantage of the assistance available through Sovereign Insurance (800-222-4478), the Conference insurance program’s broker. The Conference insurance program does not include flood insurance. We remind churches, particularly those located in a flood zone, of the need to purchase flood insurance; Sovereign Insurance is prepared to help with that process.

Commission on Religion and Race

“To do righteousness and justice is more acceptable to the LORD than sacrifice.” Proverbs 21:3

At outset, I would like to thank the members of the Greater New Jersey Commission of Religion and Race (GNJ CORR) and the members of the GNJ CORR Monitoring /Advisory Team for their work and valuable contributions to this ministry. GNJ CORR is called to engage in activities consistent with role of the General Commission on Religion and Race (GCORR). “GCORR is the core agency within the United Methodist Church tasked with empowering the Church to pursue racial equity and cultural competency to build a stronger, more vibrant UMC.” Similarly, GNJ CORR is charged with this same task in the Greater New Jersey Conference (GNJ). By promoting full and equal participation of the racial and ethnic constituency in the total life and mission of the church, GNJ CORR seeks to empower clergy and laity to develop transformational leaders and vital congregations.
