Dear Friends,

It is a pleasure to extend my sincerest congratulations as you gather for the dedication of the Mission and Resource Center at the United Methodist Church of Greater New Jersey.

Throughout its long history of service, the United Methodist Church of Greater New Jersey has been guided by the conviction that we must take care of each other. For many in the community, the United Methodist Church of Greater New Jersey has provided a place for connection and togetherness. Through religious services, outreach, and educational programs, the United Methodist Church of Greater New Jersey continues to serve as a pillar of strength and support for many in New Jersey. Your success is an inspiration and worthy of the highest commendation.

The United Methodist Church of Greater New Jersey has been an invaluable partner to me and my office on a number of important social issues and especially on criminal justice reform. Last year, I was honored to work closely with Bishop John Schol to convene a highly successful forum on criminal justice reform.

I am grateful for his support and the support of the entire United Methodist Church community in New Jersey. Again, congratulations, and I look forward to your continued success.

Sincerely,
