

A Future With Hope is a non-profit organization founded by the United Methodist Church of Greater New Jersey with a goal of rebuilding 300 to 500 homes after Superstorm Sandy.

Our work is made possible by the generous support of our partners including:

- The United Methodist Committee on Relief
- The American Red Cross
- The Hurricane Sandy New Jersey Relief Fund
- The Robin Hood Foundation
- Episcopal Relief and Development
- Lutheran Social Ministries of New Jersey
- The Salvation Army
- Race2Rebuild
- The Mission Fund of the United Methodist Church of Greater New Jersey
- Our volunteers and the people from New Jersey, the region and the world.

BEFORE

AFTER

A Future With Hope continues to lead the recovery effort to restore homes and lives affected by Superstorm Sandy. We have touched thousands of lives by bringing hope to people who had nowhere else to turn.

A Future With Hope and the United Methodists are one of the last organizations on the ground to help in recovery.

Four years after Superstorm Sandy hit our shores, an estimated 4,000 households have not recovered.

JOIN US!

VOLUNTEER

Join more than 11,000 people from 44 states who have volunteered with us.

- Enjoy radical hospitality at one of our host sites
- Bring a team of youth, church members or your family
- Sign up for a week or extended weekend service

**Go to: www.afuturewithhope/volunteer or
Call our hotline at: 732.359.1012**

DONATE

To continue our work through 2017 and beyond, we need your help.

A gift of:

- \$100 will provide enough paint to finish the interior of a rebuilt home
- \$300 will install a new kitchen sink and faucet
- \$1,000 will put a new sink, bathtub, and toilet in a bathroom
