

Non-Profit Solar Stewardship Program

When you're thinking solar... *think Trinity Solar*

Everyone knows about the green benefits of going solar. Now learn how solar can give back to your organization. You can GO SOLAR with NO MONEY DOWN!

How to Go Solar with Trinity:

Let Us Help You Get the Financing You Need

- Structure your purchase to maximize the benefits!
- Take advantage of incentives previously unavailable to non-profits.
- Trinity can help you with loans, leases, and Power Purchase Agreements (PPA's).
- **Go Solar for as little as \$0 Upfront with Trinity Solar!**

Group Purchase Discounts

- Introduce the members of your organization to the benefits of solar energy for their homes.
- Trinity offers programs for your members and rewards your organization for referrals.

Reasons to Go Solar

It's Good for Our Community

- Installing solar demonstrates a commitment to your community.
- The environmental benefits protect our planet for future generations.
- Reduce emissions of greenhouse gases by converting to clean, renewable energy.
- Lessen our dependence on foreign fossil fuels.

Control Your Operating Expenses

- You can expect to reduce your electric expenses by at least 30% - 50%!
- Free up funds for other purposes.
- Your organization can lock in a low electric rate now to protect against utility rate hikes.
- Cap your electric expenses TODAY!
- Help your organization expand its potential for growth and community while securing a brighter energy future.
- This stewardship program makes your organization more sustainable.
- The solar you install today will benefit future members for decades!

Don't forget to ask about our Give Back Programs for your organization!

“We are trying, with other organizations, to give a very clear and definitive message about what it means to create health in our environment, health in our bodies, health in our spirits, and health in our souls.”
