

Rejoice always is one of the shortest verses in all of scripture. It is also one of the most challenging. What did these words mean to a church community in transition? What do they mean for us today? In this five week series we will find joy in our past, our present and our future as we celebrate our progress and face our challenges.

### **Series Verse**

1 Thessalonians 5:16 "Rejoice Always."

### **Prayers**

Prayers have been written by GNJ pastors and staff members. They are available for use during worship, both printed and on screen, as best fits in your community.

### **Conversation Prompts**

Objects or pictures can evoke strong memories of joy. Throughout this series you can encourage the congregation to bring an object or photo that reminds them of a time of joy. We've included a conversation prompt for each week. In worship, you may make space for folks to share in groups of 2 or 3 about their item.

### **Hymnals/Song Books**

Traditional selections can be found in the United Methodist Hymnal (UMH), Faith We Sing (FWS) or Worship and Song (W&S). Contemporary selections can be using using Songselect through CCLI, or via Google or Youtube search.
