

The People of the First Light of Turtle Island sharing the True Light of Jesus Christ

Christian Worship, Evangelism, and Spiritual Formation Resources

from an Indigenous Perspective

1st LIGHT MISSION

1STLIGHTMISSION.BLOGSPOT.COM

"1st Light Mission" is a non-denominational outreach in partnership with the Tribal Christian Prayer Circle of the Nanticoke Lenni-Lenape Tribal Nation. The site provides insights and information for those who follow Jesus while also honoring and explaining ancient tribal traditions.

The online site has an expanding number of resources for Christian worship, witness, and spiritual formation from an indigenous perspective, in addition to guidance for non-Natives on interacting with American Indian people, groups, and governments.

This is a ministry mission of followers of Jesus Christ who are indigenous to the eastern seaboard of Turtle Island (North America). This site is one of the ways that tribal believers are reaching out from our own cultural context to spread the Good News of the "Jesus Way."
