UnitedHealthcare® GROUP MEDICARE ADVANTAGE (PPO)

Your employer group or plan sponsor has chosen a UnitedHealthcare® Group Medicare Advantage plan. The word “Group” means this is a plan designed just for an employer group or plan sponsor, like yours. Only eligible retirees of your employer group or plan sponsor can enroll in this plan.

“Medicare Advantage” is also known as Medicare Part C. These plans combine all the benefits of Original Medicare including Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare.

Make sure you know what parts of Medicare you have.

You must be entitled to Medicare Part A and enrolled in Medicare Part B to enroll in this plan.

- If you're not sure if you are enrolled in Medicare Part B, check with your local Social Security office
- You must continue paying your Medicare Part B premium to keep your coverage under this group-sponsored plan
- If you stop your payments, you may be disenrolled from this plan

One drug plan at a time.

This plan includes prescription drug coverage. You can only have prescription drug coverage under one plan. If you enroll in another stand-alone Medicare Part D plan or a medical plan that includes prescription drug coverage, you may be disenrolled from this plan.

Remember: If you drop your group-sponsored retiree health coverage, you may not be able to re-enroll. Limitations and restrictions vary by employer group or plan sponsor.

Plan BASICS

How your medical coverage works.

Your plan is a Preferred Provider Organization (PPO) plan. You have access to our national network of providers. You can see providers out-of-network and pay the same out-of-pocket costs as in-network providers, as long as they participate in Medicare and accept the plan.

	In-Network	Out-of-Network
Will the doctor or hospital accept my plan?	Yes	Yes, as long as they participate in Medicare and accept plan. ¹
What is my co-pay or co-insurance?	Co-pays and co-insurance vary by service. ²	
Do I need to choose a primary care provider (PCP)?	No	No
Do I need a referral to see a specialist?	No	No
Are emergency and urgently needed services covered?	Yes	Yes
Do I have to pay the full cost for all doctor or hospital services?	You will pay your standard co-pay or co-insurance for the service you get. ²	
Is there a limit on how much I spend on medical services each year?	Yes	Yes
Are there any situations when a doctor will balance bill me?	Under this plan you are protected from any balance billing when seeing physicians or health care providers who have not opted out of Medicare.	

¹Refer to the Summary of Benefits or Benefit Highlights in this guide for more information.

²This means that the provider or hospital agrees to treat you and be paid according to UnitedHealthcare's payment schedule. With this plan, we pay the same as Medicare and follow Medicare's rules. Emergencies would be covered even if out-of-network.

Manage your account details online.

Once your plan is effective, create your secure online account at www.UHCRetiree.com. After you've registered, you can track your bills and payments, view your account history and plan details and so much more online.

Plan BASICS

How your prescription drug coverage works.

Your Medicare Part D prescription drug coverage includes thousands of brand name and generic prescription drugs. To check if your drugs are covered, please review your plan's drug list.

How it works.

What pharmacies can I use?

You can choose from over 67,000 pharmacies across the United States including national chain, regional and independent local retail pharmacies.

What is a drug cost tier?

Drugs are divided into different cost levels or tiers. In general, the higher the tier, the higher the cost of the drug.

What will I pay for my prescription drugs?

What you pay will depend on the coverage your employer group or plan sponsor has arranged. Your exact cost may depend on what drug cost tier your prescription belongs to. Your cost may also change during the year based on the total cost of the drugs you have taken.¹

Do I need to keep paying my Part B monthly premium?

Yes. Medicare requires that you continue to pay your Part B monthly premium (to Social Security). If you stop paying your monthly Part B premium, you may be disenrolled from your plan.

Can I have more than one prescription drug plan?

No. You can only have one Medicare prescription drug plan at a time. If you enroll in another Medicare prescription drug plan OR a Medicare Advantage plan that includes prescription drug coverage, you may be disenrolled from this plan.

¹Refer to the Summary of Benefits or Benefit Highlights for more information.

Plan BASICS

What is IRMAA?

The Income-Related Monthly Adjustment Amount (IRMAA) is an amount you may need to pay in addition to your monthly plan premium if your modified adjusted gross income on your IRS tax return from two years ago is above a certain limit. This extra amount is paid directly to Social Security, not to your plan. Social Security will contact you if you have to pay Part D-IRMAA.

What is a Medicare Part D Late Enrollment Penalty (LEP)?

If, at any time after you first become eligible for Part D, there's a period of at least 63 days in a row when you don't have Part D or other creditable prescription drug coverage, a late enrollment penalty may apply. Creditable coverage is prescription drug coverage that is at least as good as or better than what Medicare provides. The late enrollment penalty is an amount added to your monthly Medicare premium which you may have to pay. When you become a member, your employer group or plan sponsor will be asked to confirm that you have had continuous Part D plan coverage. If your employer group or plan sponsor asks for information about your prescription drug coverage history, please respond as quickly as possible to avoid an unnecessary penalty. Once you become a member, more information will be available in your Evidence of Coverage (EOC).

Call Medicare to see if you qualify for Extra Help.

If you have a limited income, you may be able to get Extra Help from Medicare. If you qualify, Medicare could pay up to 75% or more of your drug costs. Many people qualify and don't know it. There's no penalty for applying, and you can re-apply every year.

Ways to **HELP YOU SAVE**

One of the advantages of having your health care coverage through UnitedHealthcare is our size and experience. As one of the largest and oldest Medicare Advantage and Medicare prescription drug plans in the country, we bring you savings that are exclusive to UnitedHealthcare.

Pharmacy Saver.™

Pharmacy Saver is a cost-saving prescription drug program available to you as a plan member. UnitedHealthcare has worked with our network pharmacies to offer even lower prices on many common generic prescription drugs.¹ You'll find participating pharmacies located in popular retailers and local drug stores.

Best of all, it's easy. No additional enrollment is necessary. Simply take your qualifying prescription to a participating pharmacy, show your UnitedHealthcare member ID card, and they can help you switch.

The UnitedHealthcare Savings Promise

UnitedHealthcare is committed to keeping your costs down for prescription drugs. As a member of our Medicare Advantage Prescription Drug plans, you have our Savings Promise that you'll get the lowest price available. That low price may be your plan co-pay, the pharmacy's retail price or our contracted price with the pharmacy.

¹Drugs and prices may vary between pharmacies and are subject to change during the plan year. Prices are based on quantity filled at the pharmacy. Quantities may be limited by pharmacy based on their dispensing policy or by the plan based on Quantity Limit requirements; if prescription is in excess of a limit, co-pay amounts may be higher.

To see a listing of drugs available through Pharmacy Saver or to find a participating pharmacy, visit **UnitedPharmacySaver.com**.

More ways you could save **ON YOUR PRESCRIPTION DRUGS**

You could save money on prescription drugs with exclusive member pricing at pharmacies in your local grocery, drug and discount stores.

Save on the medications you take regularly.

If you prefer the convenience of mail order, you could save time and money on your maintenance medications with our home delivery from OptumRx. You will have access to licensed pharmacists and, in addition, you can get automatic refill reminders with home delivery.

Get a 90-day¹ supply at retail pharmacies.

In addition to your home delivery from OptumRx, most retail pharmacies offer 90-day supplies for some prescription drugs.

To find out if a retail pharmacy offers 90-day supplies, you can check your UnitedHealthcare pharmacy directory. Visit www.UHCRetiree.com to find pharmacies near you or call customer service toll-free at **1-877-714-0178**, TTY **711**, 8 a.m. to 8 p.m., local time 7 days a week to request a printed directory. Look for the  symbol to see if a retail pharmacy offers 90-day supplies.

Ask your doctor about trial supplies.

A trial supply allows you to fill a prescription for less than 30 days. This way, you can pay a reduced co-pay or co-insurance and make sure the medication works for you before getting a full month's supply.

Explore lower cost options.

Each covered drug in your drug list is assigned to a tier. Generally, the lower the tier, the less you pay. If you're taking a higher-tier drug, you may want to talk to your doctor to see if there's a lower-tier drug you could take instead.

Have an annual medication review.

Take some time during your Annual Wellness Visit to make sure you are only taking the drugs you need.

¹Your employer group or plan sponsor may provide coverage beyond 90 days. Please refer to the Benefit Highlights or Summary of Benefits for more information.

Additional DRUG COVERAGE

Bonus Drug List

Your plan sponsor (employer, union or trust) offers a bonus drug list. The prescription drugs in this list are covered in addition to the drugs in the plan's formulary (drug list).

The cost tier for each prescription drug is shown in the list.

Although you pay the same co-pay or co-insurance for these drugs as shown in the Summary of Benefits and Evidence of Coverage, the amounts you pay for these additional prescription drugs **do not apply to your Medicare Part D out-of-pocket costs**. Payments for these additional prescription drugs (made by you or the plan) are treated differently from payments made for other prescription drugs.

Coverage for the prescription drugs in the bonus drug list is in addition to your Part D drug coverage. Unlike your Part D drug coverage, you are unable to file an appeal or grievance for drugs in the bonus drug list. If you have questions, please call Customer Service using the information on the cover of this book.

If you get Extra Help from Medicare to pay for your prescription drugs, it will not apply to the drugs in this bonus drug list.

This is not a complete list of the prescription drugs available to you or the restrictions and limitations that may apply through the bonus drug list. For a complete list, please call Customer Service using the information on the cover of this book.

Statements of UNDERSTANDING

By enrolling in this plan, I agree to the following:

This is a Medicare Advantage plan and has a contract with the federal government. This is not a Medicare Supplement plan.

I need to keep my Medicare Part A and Part B, and continue to pay my Medicare Part B and, if applicable, Part A premiums, if they are not paid for by Medicaid or a third party.

I can only have one Medicare Advantage or Prescription Drug plan at a time.

- Enrolling in this plan will automatically disenroll me from any other Medicare health plan. If I disenroll from this plan, I will be automatically transferred to Original Medicare. If I enroll in a different Medicare Advantage plan or Medicare Part D Prescription Drug Plan, I will be automatically disenrolled from this plan.
- If I have prescription drug coverage or if I get prescription drug coverage from somewhere other than this plan, I will inform UnitedHealthcare.
- Enrollment in this plan is for the entire plan year. I may leave this plan only at certain times of the year or under special conditions.

If I do not have prescription drug coverage, I may have to pay a late enrollment penalty.

This would apply if I did not sign up for and maintain creditable prescription drug coverage when I first became eligible for Medicare. If I get a late enrollment penalty, I will receive a letter making me aware of the penalty and what the next steps are.

The service area includes the 50 United States, the District of Columbia and all U.S. territories.

I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.

I will get a Plan Details book that includes an Evidence of Coverage (EOC).

- The EOC will have more information about services covered by this plan. If a service is not listed, it will not be paid for by Medicare or this plan without authorization.
- I have the right to appeal plan decisions about payment or services if I do not agree.

My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.

Medicare may also release my information for research and other purposes that follow all applicable Federal statutes and regulations.

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract. Enrollment in the plan depends on the plan's contract renewal with Medicare.
