

Lay Servant Gathering
Sunday, April 30th, 2017

3:00-5:00PM

St. Andrews United Methodist Church
327 Marlton Pike West, Cherry Hill 08002

This gathering was created by the Fall Certified Lay Servant Class. They have put together this program so that District Lay Servants can gather to share ideas and update information regarding this ministry. We will be welcoming our new Basic Lay Servants, the first time Certified Lay Servants of the Fall, 2017 class and the Conference Director of Lay Servant Ministries. All these ideas will start with an informal session of sharing, questions and answers, light refreshments and closing with special music, devotions and worship.

Please join us, bring a friend and the other Lay Servants from your church!
