## Workshop Descriptions

### **Outbound: Out of Bounds**

#### **Rev. Trey Wince**

Join our preacher of the day, Rev. Trey Wince, GNJ Director of New Disciples, for a discussion on evangelism. Trey will share more of what is behind his sermon, field questions, and lead guided small group discussions on how to take it home.

### **Now You Build Your Praise Team**

#### **Rev. Dr. Paul Moon**

Join our praise team of the day, Now You Praise, and their coach the Rev. Dr. Paul Moon, Senior Leadership Coach at The EPICenter Group for a short presentation, question and answer, and guided discussion. You've got the talent. (Or maybe you don't, yet.) Now how do you create a musical team to lead worship? This seminar will help you learn some of the keys and ask some of the key questions.

### **Leadership: Leading the Outbound Church**

#### **Rev. Juel Nelson**

Join the Rev. Juel Nelson, Conference Director of Leadership Development, for a guided discussion about how to effectively recruit new leaders. You will learn how to identify the potential leaders in your congregation, engage and equip them, as they lead the church in making new disciples.
