You’ll also receive personalized data on 30 health factors.

Blueprint for Wellness Highlights

- **Incentives**—\$100 PulseCash* and up to 120 Wellness Points. Participant and spouse in HealthFlex can *each* earn incentives.
- **Convenient options**—take the screening at our on-site event or at a local Quest Diagnostics facility.
- **No cost to you if taken** at an on-site event or registered at a local Quest Diagnostics facility.
- **Wellness Points**—earn 20 Points for *each* of six health measures that meet the American Heart Association’s recommended range (or for showing improvement vs. your 2017 Blueprint for Wellness results). Six health measures that meet the criteria = **120 Wellness Points total**. *If you didn’t do Blueprint for Wellness in 2017, don’t miss out in 2018!*
- **Fast the night before** for the most accurate results. Ask your doctor or other primary care provider (PCP) if it is safe for you to fast.
- **Confidential results mailed directly to you**. Share the results with your PCP.
