Why does GNJ exist?
GNJ exists to recruit and develop transformational leaders so that people and communities experience healing, renewal and wholeness from God. Transformational leaders grow vital congregations who shape passionate disciples of Jesus Christ and share faith, hope and justice in the community.

GNJ Adaptive Challenge
Increase the motivation, urgency and ability of disciples, leaders and congregations to connect and engage with a diverse group of people in the community so that the people in the pews look more like all the people in the community.

Holy and Audacious Goal - Leadership 100
Cultivate and equip 100 clergy and 100 laity leaders who make disciples who make disciples.

Leadership 100 will change GNJ into a disciple-making and disciple-engaging force to transform the world. Leadership 100 will;
• develop more transformational and apostolic leaders for our congregations and the community, and
• grow a pool of talented leaders who can be deployed to increase disciple-making by:
  o changing the culture to nurture leaders who multiply passionate disciples
  o growing vibrant missional congregations and
  o transforming lives and communities

We will know we have achieved this God-sized goal when we have 100 congregations whose worship attendance has moved from one category to the next.

In GNJ we presently have four categories of average worship attendance:
• 299 congregations with average worship attendance of less than 50
• 149 congregations with average worship attendance of 50 – 99
• 28 congregations with average worship attendance of 100 – 124
• 76 congregations with average worship attendance of 125 or more, with:

GNJ Cultural Shifts by 2023
GNJ will shift;
1. FROM a church that mostly serves its members and clergy TO a mission that connects with the people in the community through relevant ministries
2. FROM congregations with a single cultural expression and privilege TO congregations with multicultural expression and intercultural competence
3. FROM concentrating ministry and thinking with current church members TO further extend ministry and thinking to make and engage younger and more diverse generations of disciples.
4. FROM sharing information through workshops to train leaders TO using workshops that interact with and experience the content to form leaders
5. FROM maintaining congregations and their buildings TO working with congregations to repurpose buildings for regenerative mission
6. FROM depending exclusively on Shared Ministries (apportionments) for mission and ministry TO cultivating new sources of income to grow mission and ministry

1. Develop resources to equip congregations to assess and improve their pathways for disciples to know, grow in, live and share the life of Jesus every day, so that we increase the number of new disciples and vital congregations.

2. Develop laity leadership resources to equip the local church with the knowledge and ability to effectively lead congregations and address challenges in their ministry, so that we grow more vital congregations.

3. Incorporate appropriate training, language and practices into resources, events, agency work, and conference life, so that we grow cultural competency within the life and ministry of GNJ.

4. Create methods to recruit, resource and support congregational youth leaders, so that they are equipped to lead and grow a youth program equal to 20% of their worshiping congregation and we grow youth engagement.

5. Clarify the process, resources and support for Hope Centers, so that we develop 30 Hope Centers focused on community mission with students, the poor and the elderly, and increase missional impact in the community.

A GNJ Vital Congregation
A Holy Spirit-led community of passionate disciples who are working together to grow new disciples, inspiring worship, active small groups, risk taking community mission, and generous giving to mission. (Acts 2:42-47)

GNJ World Transformation

A GNJ Leader
A Holy Spirit-led servant-leader that forges a path forward where others do not see the way. 3. Reflect our core values
4. Encourage innovative, risk-taking regenerative ministry that effectively connects with and engage people in the community

Theological Grounding for GNJ 2019-23 Strategic Plan – Miracles Everywhere

“You are the God who performs miracles; you display your powers among the peoples.” Psalm 77:14

God is creating signs and wonders in GNJ and there is even more God wants to do. God wants to continue working through the United Methodists of Greater New Jersey so that miracles of healing and transformation occur across GNJ and around the world (Isaiah 43:19).

The Gospels tell of Jesus’ miracle ministry using two Greek words dunamis and simaios. In the synoptic Gospels, Matthew, Mark and Luke, the Greek word dunamis is used which means power - God’s power to transform life. The Gospel of John primarily uses the word simaios, which means sign – a miracle that points to God’s activity in the world. Miracles evoke wonder by demonstrating God’s power and pointing to God’s work in the world. In every age, God has been at work in the world healing and transforming lives.

Miracles happen everywhere. Through the power of the Holy Spirit, the congregation, the body of Christ, is the primary actor to release the power of God to transform lives and the community (1 Corinthians 12:27). The congregation is the mission outpost where passionate disciples are formed, shaped and sent to love God and neighbors completely (Matthew 28:16-20).

Transformational leadership within congregations is crucial to fulfilling this mission (Ephesians 4:11-12) to release the Holy Spirit for miracles everywhere. Leaders who move the mission and turnaround forward are grounded theologically and biblically, possess competence and emotional intelligence, engage missionally and passionately, and are led spiritually.

As the church navigates through liminal times (a transitional time on the edge of what God has next for the church), the Spirit is calling GNJ to address our adaptive challenge and engage in new possibilities with courage (2 Timothy 1:7). We are called to continue to imagine and discern innovative ways to effectively be in ministry in and with the community (Romans 12:2) so that we cultivate transformational leaders who make disciples and grow vital congregations to transform the world.

God is already working wonders in GNJ and is ready to perform miracles everywhere through passionate disciples, vital congregations and transformational leaders!
