

## 2019-2023 Strategic Plan - Miracles Everywhere

*"You are the God who performs miracles; you display your powers among the peoples."*

Psalm 77:14

### Why do we exist?

**GNJ exists to recruit and develop transformational leaders** so that people and communities experience healing, renewal and wholeness from God. Transformational leaders grow vital congregations who shape passionate disciples of Jesus Christ and share faith, hope and justice in the community.

### Our Adaptive Challenge

Increase the *motivation, urgency* and *ability* of disciples, leaders and congregations to *connect* and *engage* with a diverse group of people in the community so that the people in the pews look more like all the people in the community.

### Holy and Audacious Goal - Leadership 100

Cultivate and equip 100 clergy and 100 laity leaders *who make disciples who make disciples*. Leadership 100 will change GNJ into a disciple-making and disciple-engaging force to transform the world.

Leadership 100 will;

- develop more transformational and apostolic leaders for our congregations and the community, and
- grow a pool of talented leaders who can be deployed to increase disciple-making by:
  - *changing* the culture to nurture leaders who *multiply* passionate disciples
  - *growing* vibrant missional congregations and
  - *transforming* lives and communities

**Congregation 100** - we will know we have achieved this God-sized goal when we have 100 congregations whose worship attendance has moved from one category to the next.

GNJ worship attendance starting point<sup>1</sup>:

- 281 congregations with average worship attendance of less than 50
- 123 congregations with average worship attendance of 50– 84
- 56 congregations with average worship attendance of 85– 124
- 52 congregations with average worship attendance of 125-249

## Cultural Shifts by 2023

GNJ will shift;

1. FROM a church that mostly serves its members and clergy TO a mission that connects with the people in the community through relevant ministries
2. FROM congregations with a single cultural expression and privilege TO congregations with multicultural expression and intercultural competence
3. FROM concentrating ministry and thinking with current church members TO further extend ministry and thinking to make and engage younger and more diverse generations of disciples
4. FROM sharing information through workshops to train leaders TO using workshops that interact with and experience the content to form leaders
5. FROM maintaining congregations and their buildings TO working with congregations to repurpose buildings for regenerative mission
6. FROM depending exclusively on Shared Ministries (apportionments) for mission and ministry TO cultivating new sources of income to grow mission and ministry

## Strategies for the Next Five Years

1. *New Faith Communities* – new expressions of congregations that gather diverse people in ways that are relevant to them
2. *Intercultural Competency* - Develop leadership capacity for intercultural competence in GNJ so we can love across boundaries and differences and work towards inclusion of all people

  - a. Repurpose church property into vibrant worship and mission centers
  - b. Repurpose church property into affordable housing, senior living, community space and mission centers
  - c. Create cooperative ministries within the community
5. *Hope Centers* – Develop church-based community ministry that meets the needs of the community and serves children and youth, families, seniors and vulnerable populations

We will develop and resource these strategies partnering with the GNJ family of vital mission partners – A Future With Hope, Next Generation Ministries, Centenary Fund and Preacher’s Aid Society and the United Methodist Stewardship Foundation of Greater New Jersey.

## Theological Grounding

*“You are the God who performs miracles; you display your powers among the peoples.”* Psalm 77:14

God is creating signs and wonders in GNJ and there is even more God wants to do. God wants to continue working through the United Methodists of Greater New Jersey so that miracles of healing and transformation occur across GNJ and around the world (Isaiah 43:19).

The Gospels tell of Jesus’ miracle ministry using two Greek words *dunamis* and *simaios*. In the synoptic Gospels, Matthew, Mark and Luke, the Greek word *dunamis* is used which means power - God’s power to transform life. The Gospel of John primarily uses the word *simaios*, which means sign – a miracle that points to God’s activity in the world. Miracles evoke wonder by demonstrating God’s power and pointing to God’s work in the world. In every age, God has been at work in the world healing and transforming lives.

Miracles happen everywhere. Through the power of the Holy Spirit, the congregation, the body of Christ, is the primary actor to release the power of God to transform lives and the community (1 Corinthians 12:27). The congregation is the mission outpost where passionate disciples are formed, shaped and sent to love God and neighbors completely (Mathew 28:16-20).

Transformational leadership within congregations is crucial to fulfilling this mission (Ephesians 4:11-12) to release the Holy Spirit for miracles everywhere. Leaders who move the mission and turnaround forward are grounded theologically and biblically, possess competence and emotional intelligence, engage missionally and passionately, and are led spiritually.

As the church navigates through liminal times (a transitional time on the edge of what God has next for the church), the Spirit is calling GNJ to address our adaptive challenge and engage in new possibilities with courage (II Timothy 1:7). We are called to continue to imagine and discern innovative ways to effectively be in ministry in and with the community (Romans 12:2) so that we cultivate transformational leaders who make disciples and grow vital congregations to transform the world.

**God is already working wonders in GNJ and is ready to perform miracles everywhere through passionate disciples, vital congregations and transformational leaders!**
