

2019 GNJ Pastoral Leadership Formation

A review to grow and further shape pastoral leaders

Growth, formation and development of all church leaders are key to healthy vital mission congregations. This review is to be completed in April and May of each year. If you need assistance in complete the review, contact the Bishop's Assistant, Nicola Mulligan at NMulligan@gnjumc.org.

Many SPRC's complete the review by sending it to each member of the SPRC and ask them to complete the 16 questions assessing the pastor's ability and the pastor's impact. The steps below are to assist the SPRC in the appraisal process.

Steps:

1. Print copies of the pdf version of the appraisal for all members of SPRC.
2. Each member of the SPRC completes the appraisal independently.
3. SPRC gathers to review the appraisals and develop a composite appraisal.
4. Two to three members of the SPRC are to meet with the pastor to share the completed appraisal.
5. SPRC chair inputs the appraisal into the online web form [click here](#).

The appraisal will shape the future vitality and ministry of the congregation and assist your pastor's development as a leader. Engaging in the survey and conversation prayerfully and honestly allows for the best results for your pastor, the congregation and the mission.

If your church is on a charge with one or more other congregations, the pastor and staff parish chair (s) together are to determine if the congregations should work together to complete one appraisal or if it is more appropriate for individual appraisals.

Associate pastors are to be appraised using this form and is conducted by the lead pastor in consultation with the SPRC.

Pastor's development plan with input from the SPRC

What will the pastor do to further grow and form his/her faith and leadership?

SPRC is to select one of the following:

- Affirms the pastor's leadership and encourages the pastor to continue to lead the congregation forward.
- Affirms the pastor's leadership and will work with the pastor to grow in the areas listed above.
- Has concerns about the pastor's leadership and feels confident that the SPRC can work with the pastor to address the issues through goals and benchmarks.
- Has concerns about the pastor's leadership and requests assistance through the bishop's office to further identify issues, and/or set goals and bench marks, and/or start a quarterly review to assist the pastor to grow and lead well.

The SPRC chairperson or the designated person is to submit the review online by going to [GNJ's website](#).

On rare occasions an SPRC may seek a pastoral change because of fit and effectiveness in the current appointment. This may become apparent during the appraisal. When concerns arise during the yearly appraisal, bench marks and an improvement plan are to be developed by the SPRC and pastor and reviewed monthly. The clergy development plan outlines benchmarks in areas of pastoral leadership growth. A minimum of 3 reviews without sufficient progress is required before any pastoral change will be considered because of fit and ineffectiveness. More information about the clergy development plan can be found here or contact Nicola Mulligan at nmulligan@gnjumc.org for support in the process and steps to be taken.
