Jeremiah 17:8

Sisters and Brothers in Christ,

Roots that run deep yield healthy growth, vitality and fruit. As United Methodists, we have deep roots that continue to draw us together to worship, serve and grow in our faith.

The journey began in New Jersey in the mid 1700's as a Methodist lay person, James Early, organized class meetings in Southern New Jersey. At the same time, George Whitfield, an inspiring evangelist in the New Brunswick area had many new believers convert to Christ and Methodism in response to his preaching. Their efforts launched the Methodist movement in Greater New Jersey giving birth to and rooting the 540 churches that make up GNJ today.

This year, we gather in a season of tension and disagreement following the recent General Conference Session. We have had conferences under difficult circumstances before: while the country was at war, during the Great Depression, with debate on women's ordination, at the end of segregation within the church and when joining together northern and southern New Jersey as one conference. We have seen challenges and can testify that we have come this far by faith.

As we gather in the shadow of General Conference, its shadow does not dim the light of Christ within us and the commitment that we can find a way forward that will be a testimony and example for the rest of the church. Why? Because we are rooted in the grace and example of Jesus Christ, because our diversity has taught us how to live with difference and because we are committed to being better for the mission of the church.

I am proud and glad to serve with you during this time in the life of our church. You have taught me how to serve better and you are excelling with our vision of making disciples of Jesus Christ through passionate faith, boundless hope, courageous spirit, transformational leadership congregational vitality and regenerative resources. I am convinced that as we continue to work together we will make more, younger and diverse disciples of Jesus Christ and we will grow more vital congregations to continue to transform lives, communities and the world.

This annual conference session we will:

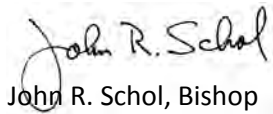

CELEBRATE the Miracles Everywhere Campaign that has raised more than \$4 million in pledges toward the \$6 million goal. There will be an offering for Miracles Everywhere during the Service of Remembrance on Monday morning. I encourage you and your congregation to take an offering to share at Annual Conference. We also will celebrate the new Way Forward Team which will help us be one church that honors traditional congregational ministry and ministry with the LGBTQ community.

CONFERENCE about our finances, intercultural competency, ministries and mission.

CONFIRM through ordination, commissioning, baptism, election of General and Jurisdictional Conferences delegates that God has a future with hope for us.

Seeds of renewal and transformation have been planted, the tree continues to grow roots and seek fruitfulness. As in Jeremiah 17:9, our destination is not in the planting of the tree but in the sending out of the roots. Transformation of hearts, minds and systems is the long-term to bear fruit is the goal of our holy conferencing. We have evidence of these changes and fruitfulness and will continue to as we remain rooted in Christ.

Keep the faith!

Welcome from Conference Secretary

Dear Annual Conference Lay and Clergy Members,

Welcome to the 2019 Greater New Jersey Annual Conference!

We've prepared the 2019 Pre-Conference Handbook for you. It is a valuable resource for you to use as an active member of the 2019 Annual Conference Session. Please be sure to bring it with you to Conference – there is a charge for additional books. As an alternative, the Pre-Conference Handbook is posted and available for download on the GNJ website.

Included in these pages are reports, legislation and nominations received for consideration at Annual Conference. We have included all legislation submitted by the deadline of February 15 and two pieces of legislation submitted after the deadline which were reviewed by the agenda committee and recommended to and approved by the Bishop. We hope the material prepared in these pages will be helpful to you as you share with your congregation and join in the worship, business, fellowship and celebration at the 2019 Greater New Jersey Annual Conference.

Little Italy Restaurant Incident:

During the IGNITE 2017 Youth Conference, there was an incident at Little Italy restaurant in Wildwood involving a group of African American youth from several of our churches. Our youth and our leaders experienced a lack of respect and unresponsiveness. They politely left the restaurant and were served at another restaurant. As United Methodists, and particularly GNJ United Methodists, we condemn racism and value respect, diversity, inclusion and equal treatment of all people.

Bishop Schol met with the students and their leader who had gone to the restaurant and spoke with all of those gathered at IGNITE. The pastor and Bishop Schol both contacted the owner of the restaurant to request a meeting to discuss and resolve the matter. The restaurant declined their requests and has not responded to several letters.

As you make plans for your visit to Wildwood for the 2019 Annual Conference, you should not patronize Little Italy. We have also instructed Wildwoods Convention Center not to promote Little Italy when we are there for events.

Workshops

Intercultural Competence: A Leadership Skill for Vital Ministry

Intercultural Competence is a leadership skill. It is arguably the leadership skill for this moment in the life of the church (though the Apostle Paul argued its importance in ancient times as well). Explore how to develop increasingly nuanced understandings of cultural differences and commonalities, and how intercultural competence as a practice may lead to freedom and joy in building an inclusive body of Christ.

Kristina Gonzalez, Director of Innovation for an Inclusive Church, Greater Northwest Episcopal Area

Kristina develops curriculum and offers leadership development opportunities with a specialty in intercultural competency. Kristina is a member of the Innovation Vitality Team in the Greater Northwest which works in three practices for vitality of local congregations and new expressions of Wesleyan theology in the world: inclusion, innovation and multiplication.

Discipleship Pathways

We know discipleship is important, but have we taken the time to define exactly what it means? Do the opportunities we offer throughout the year correspond to what we believe about discipleship? Can we explain the way our church practices discipleship in an easy and accessible way that a first-timer could quickly understand? Using GNJ's workbook, *A Discipleship Pathway*, we will sort out how to sort it all out.

Trey Wince, Director of New Disciples for Great New Jersey

During his years of church leading, planning, consulting and pastoring, Trey has remained convinced that high impact churches are really just churches who know how to take care of the little stuff first. He has served as Pastor of Princeton UMC and Kingston UMC, College Director (serving students at Vanderbilt, Belmont and Lipscomb Universities), Director of Young Adult Ministries at First Presbyterian Church in Nashville and international missions coordinator with Joshua Expeditions.

Financial Security

Resources are available for clergy and spouses when it comes to thinking and planning for a healthy financial future. Learn about benefits and how they can be supportive in retirement, free and optional services offered through Wespath Benefits and Investments, how to gain access to your online account, helpful tools that are available and individual retirement benefits projections.

Robert Christophel Manager of Benefits Education at Wespath

Prior to joining Wespath in 2014, Bob worked for 12 years at the Cultural Institutions Retirement System in New York City, a not-for-profit multi-employer pension and 401(k) system, providing benefit communications and participant education for employees of New York City museums, botanical gardens, zoos and performing arts centers. Bob also has over 12 years of experience at Dreyfus Corporation, as a licensed investment representative in a corporate retirement services division, focused primarily on participant education for national corporate 401(k) plans.

Safe Sanctuaries

God calls for churches to be safe places, protecting children and other vulnerable persons from abuse. We'll review and learn requirements for Safe Sanctuaries Procedures, obtain a firm grasp of importance and the biblical mandate for having a Safe Sanctuaries policy in the local church and create a Safe Sanctuaries policy for local church ministries. All participants receive a certificate of completion. Churches that have a Safe Sanctuaries policy that need to be certified are invited to bring policies to the training.

Rev. Erica Munoz, Senior Pastor of the Aldersgate UMC in East Brunswick, NJ; Chair of the Raritan Valley District Committee on Ministry and GNJ Safe Sanctuaries Coordinator

In addition to serving as the GNJ Child, Youth and Young Adult Coordinator from 2008-2014, Erica passionate about raising up young disciples in the church and believes every Church should serve as a safe and encouraging place for young people to learn and grow in God's love.

You Can't Grow Inside the Box!

Breakthrough, a worship series resource, serves as the guide for best practices in worship for congregations and clergy to use to make worship planning easier so that they can focus on what really matters — preaching the gospel to make disciples of Christ for the transformation of the world. Learn how to use these resources and go deeper in discussion around worship planning for relevance and growth.

Lan Wilson, Director of Worship for Greater New Jersey

Lan recently joined Greater New Jersey staff after serving as a church musician since the age of ten and as a worship pastor from the age of twelve. He has served churches in rural areas, the projects, inner-city, suburbs, megachurches and a multi-cultural, multi-generational, multi-site United Methodist Community in Central PA.

Rise Against Hunger Mission Project

Rise Against Hunger is an international hunger relief organization that distributes food and aid to the world's most vulnerable, mobilizing the necessary resources to end hunger by 2030. To date, Rise Against Hunger has distributed food to 74 countries and has packaged over 455,000,000 meals. Greater New Jersey Awards

The Robert B. Steelman Methodist History Award:
Eve Casey, Phyllis Casey, Susan Champion and Betty Inglis,
First United Methodist Church of Dover

Sponsored by the Commission on Archives to recognize the best church history.

The Commission on Archives and History is proud to present the 2019 Robert B. Steelman History Award to the First United Methodist Church of Dover, NJ and their team of local church historians Eve Casey, Phyllis Casey, Susan Champion and Betty Inglis. The co-chairs submitted a thorough and engaging history of 180 years of Christian ministry and service, from 1838 through 2018. The anniversary co-chairs and historians are life-long members of First Church and together they represent 251 years of First Church membership. Based on Betty Inglis' *1938: 100 years of Methodism in Dover*, the current team researched and crafted a history of church events and ministry with snippets of local history for nuance. In the later twentieth century disciples of First Church recognized a growing influx of Hispanic persons and planned accordingly for worship and other ministries to meet and welcome this growing population. Today English and Spanish speaking services are only a part of this multi-lingual church with Rev. Dr. Charles Perez serving as pastor. Church histories were judged by Morgan Glossbrenner, Nikolay Petrov, Todd Lattig, Ben Ridings and Donald DeGroat.

The Helenor Alter Davisson Award: Rev. Dr. Eunice Vega-Perez

Sponsored by the Commission on Status and Role of Women for leadership, vision, passion, resilience, purpose, inclusiveness and perseverance.

Rev. Dr. Eunice Vega-Perez has served in four churches where she demonstrated her deep love for God and for people. She built a strong Hispanic ministry to serve the community including worship, Bible study and ESL programming. She is also a mentor and has guided several people to ministry through ordination and as licensed local pastors. Eunice has a deep passion for social justice. She champions the causes of immigrants and women with great fervor and energy. She has led mission trips to

Costa Rica, Haiti, Puerto Rico and Red Bird Mission.

The Francis Asbury Award: Rev. Dr. Drew Dyson

Sponsored by the Board of Higher Education and Ministry.

District Superintendent Rev. Dr. Drew Dyson has been dedicated to youth and young adults throughout his ministry, bringing to GNJ a new structure for the Next Gen local church and campus ministry. He has served as Executive Director of Shared Mission Focus on Young People of the General Board of Discipleship, as Team Leader and primary author of General Conference legislation creating the Board of Discipleship's Division on Ministry to Young People in 2004, is James C Logan Chair in Evangelism at Wesley Theological Seminary and teaches at both Princeton and Memphis Theological Seminaries. Drew is also the author of several books on the practice of youth ministry. Drew has guided the Raritan Valley District, GNJ churches and Conference in ministry to youth and young adults. Drew's vision and commitment to ministry at the New Brunswick-Piscataway campus of Rutgers University has led to a pastor-chaplain being appointed to the New Brunswick campus at Rutgers University.

The Harry Denman Evangelism Award: Douglas K. Bull

Sponsored by The Foundation for Evangelism to recognize a clergy member, lay person or a youth pastor who has an outstanding personal evangelism ministry

Douglas Bull grew up in Jefferson Township and attended Milton UMC as a child. His faith journey found him both questioning and adventuring as a youth and young adult. In more recent years, Doug has returned to being active in living out his spiritual journey by bringing witness and leadership to several areas in the church community. His commitment was key in MUMC’s involvement with the Christian Outreach Project, a youth/adult housing repair ministry for people unable to afford it in local communities. Doug helped launch ongoing Adult Bible studies and brought praise music alive to Milton in coordinating the church Praise Band SPIRIT. Doug is gifted in producing multimedia to support worship and illustrate the tone of worship. His leadership has been blessing and his faith commitment strong as many lives have been touched by his lived witness to Christ.

Harry A. Seese Memorial Scholarship: Rev. Brendon Galvin

Given to a pastor whose plans for continuing education will lead to strengthening his/her ministry in the local church. Guided by Rose Seese of Gibbsboro, his widow and supported by ongoing gifts, the scholarship honors her late husband, the Rev. Harry A. Seese, who died while serving the Medford UMC.

Rev. Brendan Galvin is currently serving First Passaic UMC and Leonia UMC. He received a Master of Divinity from Duke and is originally from Los Angeles. His passion for innovative urban ministry has taken him from a community house in LA to justice ministries in Chicago, and now a new home in Greater New Jersey.

Harry A. Seese Memorial Scholarship: Rev. Ji Sun Yang

Given to a pastor whose plans for continuing education will lead to strengthening his/her ministry in the local church. Guided by Rose Seese of Gibbsboro, his widow and supported by ongoing gifts, the scholarship honors her late husband, the Rev. Harry A. Seese, who died while serving the Medford UMC.

Ji Sun Yang is currently serving Repaupo UMC and St. Paul’s UMC in Bridgeport. Ji Sun is passionate about sharing God’s love story for all people in scripture and today. She is gifted in music and loves to learn something new. Her husband, SungWoo Aiden Lee, is her best friend and supporter.

Electronic Voting Instructions

Overview

We will use electronic handsets to register votes for electing lay and clergy delegates for the General and Jurisdictional Conferences in 2020. Voting electronically reduces the time involved and increases the accuracy of the balloting process.

There will be four lay and four clergy elected to General Conference, an additional four lay and four clergy elected to Jurisdictional Conference, and three lay and three clergy alternates.

Location

All voting will take place in the West Hall. Lay and clergy will be voting at separate times as listed in the agenda.

Process

If you are eligible to vote, you can pick up a voting handset at the main entrance to West Hall. Keep this handset with you until the balloting session is complete. If you leave your seat, take your handset with you. Please guard your keypad carefully. Please return it to the voting booth at the entrance of West Hall when your balloting session is over.

How to Vote

1. Turn on your handset with the **POWER BUTTON** located on the bottom right corner of the device.
2. When the Bishop announces the start of a vote, **ENTER THE THREE-DIGIT NUMBER** for the corresponding candidate(s), and press **SEND**
3. Your handset will register the word **RECEIVED** when your vote(s) have been successfully transmitted.
4. You will have one minute to complete your vote.
5. If you don't want to participate in a vote, don't push any buttons during the one minute interval.
6. Review your entry **BEFORE** hitting the Send button.
7. If you input an **INCORRECT NUMBER** during the voting and you see it on the keypad screen before you press send and would like to change it press the **DEL** button on the upper-left to remove one number at a time.
8. If you inadvertently turn your handset off; push the **POWER BUTTON** again to turn your handset back on.

Voting

The voting handsets have numbers similar to a telephone. Each candidate for delegate is preassigned a three digit number. To vote, you will push the numbers of the candidate or candidates you prefer. In the first round, you will vote for four people. In subsequent rounds, you will vote for as many spots as are available.

Your entire ballot will be invalid if you do any of the following:

- Vote for someone who has already been elected
- Vote for someone who has withdrawn their name or is otherwise no longer on the ballot
- Vote for a number out of range
- Vote for fewer or more candidates than are required in the current election
- Vote using invalid delegate numbers

Every handset will be tested before the conference, so the probability of a handset failing is very low. Before voting, we will run a test vote at the beginning of the balloting session. If there is a problem with your device, raise your hand and an usher or teller will assist you.

Hopes for the United Methodist Church: My prayer we might move forward together as a body of Christ in faithful mission to the church and to all of God's creation. As we consider the future of the church in the world, we must focus on growing in discipleship in ways that will urge and usher in the kin-dom of God, a space of justice and righteousness for all God's people and for the earth. Acting in mercy and love, our United Methodist church can be a change agent in world that desperately needs a message of hope and peace.

Hopes for the 2020 General Conference: 2020 General Conference will need to be a building healing and renewing relationships based on the outcome of the 2019 Special General Conference. We will need to be well aware of the affects of the outcome of 2019 and strive to strengthen and regenerate the mission of the church, centering the values of social and personal holiness and growing in fait to do all the good we can, with all that we have, in all of the places we go. May we recreate our UMC for just such a time as this.

Qualifications and characteristics for an incoming bishop: Episcopal leaders should model the essence of our Wesleyan heritage, growing disciples for service to the world, exhibiting a high standard of ethics and morals in relationship with others, and demonstrating deep faithfulness in their leadership of the church. Creativity, ingenuity and innovation, all engaged with compassion and vision, will all be central to moving the UMC forward in generative and relevant ways. Strong communication and relational skills are critical.

Other information: I am grateful to serve the UMC which is committed to continuing to evolve in a shifting cultural landscape. I am glad to offer myself in this role as one who is equally committed to visioning forward as the Body of Christ.

Hopes for the United Methodist Church: I hope for a Holy Spirit-led global movement that is UNITED in mission transforming the world as we make disciples of Jesus Christ who share faith, hope and justice; that is committed to personal and social holiness; that celebrates its rich diversity as a gift from God; that embraces ALL people as beloved children of God and allows them to live to their full God-given potential; and that while global in nature, is contextual so that we can reach as many people with th good news of Christ.

Hopes for the 2020 General Conference: I hope that the 2020 General Conference, guided by the Holy Spirit, will affirm the essentials of our Wesleyan heritage, set a bold vision for mission in the world, and gracefully discern a clear, courageous, implementable and sustainable organizational plan that will allow United Methodists to strengthen our witness around the world, welcome and include all people, leverage the benefits of our global connection and be agents of holistic transformation in the community.

Qualifications and characteristics for an incoming bishop: A Bishop, above all, needs to be a passionate follower of Christ, who is deeply rooted in the Christian faith and our United Methodist tradition, and displays the fruit of the Spirit. A visionary leader who can see God-sized possibilities for the church and society where other don't, and that possess the organizational and administrative skills to strategically communicate, inspire and lead others with integrity and fairness to achieve God's preferred future for their lives and the church.

Other information: It will be my honor to represent United Methodist of Greater New Jersey at General Conference 2020 and share with the rest of the Methodist connection the hopes and aspirations of GNJ disciples, leaders and congregations.

Hopes for the United Methodist Church: I hope the UMC will passionately share the Gospel of Jesus Christ with the whole world in relevant, vital and life-changing ways, and seek to build up vital disciples and congregations for the transformation of the world; the UMC will offer a large tent of inclusiveness which embraces peoples of all backgrounds, cultures, lifestyles, theologies and convictions; and the UMC will serve as the hands and feet of Christ, and the voice of justice for the voiceless and the people on the margins.

Hopes for the 2020 General Conference: My hope is the 2020 GC will focus on being God's instrument of redemption in the world instead of being preoccupied with its concern for survival. Based on our holistic Wesleyan theology of faith, mission and ministry, we have a powerful story to share with the world. I hope that the 2020 GC will embrace the spirit of "unity in diversity," and be guided by the wisdom that "In essentials, unity; in non-essentials liberty; and in all things charity" throughout its discussion and deliberation.

Qualifications and characteristics for an incoming bishop: Bishops are elected to be servant-leaders to care for the spiritual and temporal affairs of the church. And each delegate must cast one's votes prayerfully and thoughtfully. For an incoming bishop, we should look for a leader with: extensive ministry experience in local churches and communities; visionary and transformation leadership; effective communication skills; deep spirituality; grace-filled compassion for pastors and laity; strong strategic thinking and planning; and team building.

Other Information: With my strong business experience as the HR Director, I offer my knowledge and wisdom, both as a spiritual leader and business leader, to help reshape our UMC as a vital living spiritual organism and fruitful organization for God's work in the world

Previous delegate to Jurisdictional Conference: No

Hopes for the United Methodist Church: As one of the youngest clergywomen in the conference, I am invested in the future of the United Methodist Church. My hopes for the church are that we continue to honor our differences, yet create a space where all are welcome to experience the fullness of life and ministry, especially our LGBTQIA+ siblings. I hope we can remain as one church so we can continue our mission to transform the world. I truly believe with God's help, we can do great things in the world and continue to make an impact.

Hopes for the 2020 General Conference: My hopes for General Conference are that we become a more inclusive and loving church that welcomes all. The legislation around human sexuality has done significant harm to the LGBTQIA+ community, and has caused great division within our denomination. It is time to move towards reconciliation and hope in becoming inclusive to all. I believe there is a way to both honor our diverse theological perspectives and remain in ministry together. We are stronger together and can transform the world.

Qualifications and characteristics for an incoming bishop: I believe that Bishops should be strong spiritual leaders who can guide us to a deeper faith. Bishops also should be strong visionaries who can cast a vision which takes into consideration the diverse theological and cultural differences within a conference. They should be able to inspire clergy and laity to strive for effectiveness and vitality within their congregations. Lastly, they should be risk-takers who are willing to think outside the box and encourage new, creative forms of ministry.

Other Information: I am one of the co-leaders for the Reconciling Ministries Network here in GNJ.

Leadership positions in the denomination:

Previous delegate to General Conference: No

Previous delegate to Jurisdictional Conference: Yes

Hopes for the United Methodist Church: I have been elected to the position of a reserve in the delegation. I have seen the United Methodist Church expand across the world, while in turmoil and shrinking in influence here at home. My hope is that the United Methodist Church will build on traditional values while being truly open to all people. We have millions of members, with awesome resources. My hope is that we will be less concerned with sustaining the institution & more on a total emphasis on making disciples.

Hopes for the 2020 General Conference: I have attended all but two of the General Conference sessions since 1968. There has been a steady movement toward social outreach through proclamations and denominational structuring. There has been a movement away from reaching whole persons through faith put into action through loving service in local churches and the annual conferences. I hope we can unite, with less power struggles among agencies, bishops, and delegates expressing concern for a renewed emphasis on local church ministry.

Qualifications and characteristics for an incoming bishop: A bishop must be a servant leader, with faith and humility.. He/she must be willing to recognize that unless and until there is something better, the local churches with their witness of the laity and clergy are the foundation of our ministry. She/he must be an innovator who builds on traditions and history. A bishop must be a “people person” while being business-like. A bishop must be willing to constantly learn and evolve. They must be trainers, but also be wise in deployment.

Other Information: I have enjoyed a wide variety of vital ministries, Each one has held new opportunities to serve. I am open to including all people. Experience, plus my legal and business backgrounds have aided me in ministry. I know our church and our Discipline

Previous delegate to Jurisdictional Conference: Yes 2012

Hopes for the United Methodist Church: I have grown up in the United Methodist Church and it is through the people from local churches that I have come to understand truth about God and myself. It is great to be in connection with other local churches nearby and throughout the world. Our connectionalism is a vital part of our identity and support system. We have great opportunities to impact both people's lives physically and spiritually. We need to continue preaching, teaching and witnessing the good news about Jesus.

Hopes for the 2020 General Conference: I hope the General Conference will set some clear objectives and goals as a denomination as we move forward to make disciples. We need greater fiscal and spiritual accountability. I hope we can continue to hold firm to our values and ideals concerning scriptural authority. God's word is our source for truth, justice and love. There are many social concerns that I hope we can seek to address and hopefully move to resolving .including; racism, human trafficking, immigration and global warming.

Qualifications and characteristics for an incoming bishop: A bishop should have had successful pastoral experiences; been involved in various conference committees; their leadership abilities should be affirmed and acknowledged by their peers; possess a knowledge of the trends of the church; be competent in their leadership and seen by others as one who has a heart for God and for God's people; be in agreement with the polity and theology of the United Methodist Church; exhibit faithfulness in all relationships.

Other Information: I have attended every General Conference since 1992 – present because I love our church and pray for our leaders daily. Attended World Methodist Conference – Seoul Korea 2006

Hopes for the United Methodist Church: I hope that the UMC will rediscover its DNA from the early Wesleyan movement, especially as we enter into a season of uncertainty and disintegration. The theological and practical rediscovery of a fiery passion for the transformation of lives through personal and social holiness will shatter the status quo and push us beyond institutional survival and towards repositioning the Church as an alternative community for the world.

Hopes for the 2020 General Conference: My hope is that the Holy Spirit guides us through the expected clashes and chaos during the 2020 General Conference to the place of hope. I pray that new general church structures could emerge so that local churches globally can be relieved from the burdens of cultural and financial yokes, loosely connected yet united in a new sense of solidarity as Methodists in spite of differences, and focused on our mission to make disciples of Jesus Christ for the transformation of the world.

Qualifications and characteristics for an incoming bishop: An inspiring leader, channeling the presence of the Holy Spirit to clergy and congregations through her/his words, integrity, and character; A leader with humility, strong vision, and the ability to invoke cooperation and passion from lay and clergy leaders; A courageous and wise leader who can deal with harsh facts, yet create the future with innovative, forward and outward mindset; A deeply balanced leader who can run the organization amidst of diversity, complexities, and conflicts.

Other Information: I am privileged with experiencing growth in all different size churches, especially bringing peace to divided and hurting congregations. It would be a great honor that some lessons from my past experiences might be used for the greater church.

Hopes for the United Methodist Church: A recovery of our missional identity and proclamation of a compelling, synthetic Wesleyan faith that weaves personal spiritual formation with passion for societal transformation towards the embodiment of God’s kingdom. The missional church that I envision welcomes, challenges, and equips all of God’s people to live as agents of God’s grace in the world. Such a church moves beyond institutional survival and sees vitality not only in metrics, but also in lives changed and communities transformed.

Hopes for the 2020 General Conference: Witness to the world that the UMC is both enthusiastically evangelical and radically inclusive, welcoming and affirming all, deeply rooted in scripture, and profoundly committed to Jesus; advocating for social justice and boldly fighting oppression; new general church structures that recognize new financial realities/challenges and commit more resources to the local church while continuing our connectional mission in the world; renewed and strengthened commitment to ministry with young people.

Qualifications and characteristics for an incoming bishop: A person of deep spiritual integrity; leads with Spirit-centered authenticity; innovative missional leader in a rapidly changing cultural context; invitational & culturally competent leader who values diversity, effectively empowers laity & clergy, and holds a compelling vision for the church; inspires people to love God and neighbor; relational leader able to guide a complex organization, deal effectively with conflict, speak prophetically to church and world, and act decisively to lead change.

Other Information: In my new extension ministry serving a diverse group of people in a community non-profit, I see the importance of the church's witness that is welcoming, serving, advocating, and willing to move beyond the walls to share Christ's love in action.

Cabinet Liaison of the GNJ Congregational Development Team, the GNJ Youth Ministry Team (2011-2014)

Member of the GNJ Executive Committee of the Primary Task Team (2009-2011)

Leadership positions in the denomination: Director of the North East Jurisdiction Korean Ministry Commission (2011-2016)

Previous delegate to General Conference: Yes 2016

Previous delegate to Jurisdictional Conference: Yes 2016

Hopes for the United Methodist Church: It is my hope that the United Methodist Church grow in mission and ministry, work toward social holiness, and innovate for the future. I believe the church will expand as we discover sacred worth of all human beings locally and globally. We will strive for cultural competency—not only addressing the disparities in gender, race, geography, and power, but also working on to bring justice to our church and the world. I also hope the church will lead changes by training and equipping young clergy

Hopes for the 2020 General Conference: It is my hope that the 2020 General Conference, with the leading of the Holy Spirit, offer us channels for unity, healing, and new start in our church. I hope that we have prayerful moments of discernment at the 2020 General Conference and work together in one mind to pave a new path of our mission and ministry. Also, the 2020 General Conference can lead the church into a more balanced and healthier way; we may implement a process to call for accountability to the denominational leaders/bishops.

Qualifications and characteristics for an incoming bishop: An incoming bishop must be a leader who is Christ-centered with profound spirituality. A bishop must possess an open mind and courage to speak the truth in love. I also hope that an incoming bishop truly cares for all the members of the church, laity and clergy, and leads them justly and pastorally with servant leadership. I believe an incoming bishop must be equipped with a strong sense of cultural competency to embrace and navigate through differences and disagreements.

Other Information: While we strive for change and invest in younger leadership development, we also need to develop and use resources in implementing a stronger system for clergy care and clergy family support.

Vice Chair, GNJ Committee on Episcopacy 2016-present

Gateway South DCOM 2014-present

Peace With Justice Coordinator, Board of Church and Society 2007-2010

Leadership positions in the denomination:

Jurisdictional Coordinator, United Methodist Volunteers in Mission 2016-present

Interjurisdictional Committee on Episcopacy 2016-present

Vice Chair, NEJ Committee on Episcopacy 2016-present

NEJ Appeals Committee 2016-present

Previous delegate to General Conference: Yes 2016

Previous delegate to Jurisdictional Conference: Yes 2016

Hopes for the United Methodist Church: The current moment is a test of our faith in this church which God has called together. My hope is that we will come through the test stronger and ready to tackle new challenges with prophetic voice, such as taking action on climate change to preserve God’s good creation, making efforts to fight racism and xenophobia around the world, and promoting Abundant Health for all. As one dedicated to the missional identity of the church, I pray that we turn outward and live into the Reign of God.

Hopes for the 2020 General Conference: The 2020 General Conference will have a lot of work to do in sorting through the implications of the 2019 Special Session. It will have to: (1) debate a quadrennial budget that is contemplating 20% reductions for the Boards and Agencies, (2) deal with more proposals that will be brought forth to clarify/extend/correct the work of the Special Session, and (3) vote on a General Book of Discipline. My hope is that we can take the momentum for unity and set the course for the next 50 years.

Qualifications and characteristics for an incoming bishop: Setting aside the possibility that we may not be electing new bishops in the NEJ in 2020, I believe that a bishop must have both a strategic vision for the future of the Conference and pastoral sensitivity. In Greater New Jersey, we need someone who can manage not just our churches, but the mission partnerships and associated agencies of the annual conference. Finally, any bishop consecrated now will need excellent conflict resolution and communication skills to shepherd us into the future.

Other Information: It may sound crazy, but I have thoroughly enjoyed leading the General Conference delegation this past quadrennium. I grew immensely in my understanding of the Discipline and developed good collegial relations. I would be honored to serve GNJ again.

Christina Lelache | Full Member, Elder | Haddonfield UMC

Previous appointments:
Haddonfield UMC, 2014-Present

Leadership positions in GNJ: I have been serving on the Board of Ordained Ministry and as the Candidacy Mentor Registrar since 2017. I have also served as a clergy mentor from 2016 to 2018.

Leadership positions in the denomination: I served as a young adult voting delegate for the Northeast Jurisdiction at the 2018 Global Young People’s Convocation in Johannesburg, South Africa.

Previous delegate to General Conference: No

Previous delegate to Jurisdictional Conference: No

Hopes for the United Methodist Church: In a hurting world, I hope the UMC boldly proclaims God’s grace and love while taking a stand against hate, judgment, and discrimination. We are a diverse church who comes together to grow spiritually and make a difference in the world through mission and justice. I hope the church embraces the beauty of this gift by affirming all people and helping them live out their gifts as a blessing to others. I hope we continue to explore new ways of being the church while remaining united in our mission.

Hopes for the 2020 General Conference: In the midst of our diversity, I hope General Conference commits to loving discussion and discernment as we seek to trust the Spirit’s guidance. We have an opportunity to do creative, risk-taking ministry by voting for innovative solutions that keep us united in mission, help us navigate a diversity of contexts, and shape our mission in ways that welcome all people and encourage them to fully share the gifts God has given them. In all we do, we must work together and lead with love and grace.

Qualifications and characteristics for an incoming bishop: A bishop should have demonstrated leadership abilities as evidenced by effective administrative, pastoral, and spiritual leadership. In today’s ever-changing context, bishops should be risk-takers and open to innovation. They should empower laity and clergy to live into the church’s mission. A bishop should be spiritually rooted while offering a prophetic voice for justice. They should demonstrate a willingness to be in ministry with all kinds of people, with a deep love for God and all people.

Other Information: As part of the 2018 Global Young People’s Convocation, I was inspired by how that global gathering of young people made space for differing perspectives while claiming our hope for a welcoming UMC. I seek to bring that spirit to GNJ’s delegation.

Hopes for the United Methodist Church: The UMC used to be known as a “big tent” where people didn’t all have to believe alike to work together toward something bigger than ourselves. It is my hope that we can reclaim this spirit of unity in ministry and mission – rather than over focusing on orthodoxy and orthopraxy. I hope that we can set aside our fears and determination to be “right”, to embrace a fully inclusive church, where all are welcome to receive the blessings of the church, and respond to God’s call on their lives.

Hopes for the 2020 General Conference: I hope that GC 2020 resolves our global structure discrepancies, allowing for the US region to contextualize our ministries, just as the Central Conferences can presently do. In our current structure, I fear there may be no resolution to our conflict around human sexuality. The harm being done to our LGBTQI+ community must stop. I hope GC 2020 can find a new way forward, one that will not bankrupt and/or fracture our denomination and congregations.

Qualifications and characteristics for an incoming bishop: Our church needs spiritual and institutional leaders who are not afraid of conflict and are able to lead with grace and love in this challenging time. A bishop should be humble and focused on God’s greater mission, always listening for where God is calling us next. A bishop needs to be innovative and willing to prune, in order to make space for the new thing that God is doing in our midst. A bishop’s ministry should not be about them, but one of servant leadership and empowering others.

Other Information: As a 4th generation UMC pastor, I am dedicated to our denomination. I believe God is continuing to work within our Wesleyan heritage and I will work to ensure my daughters and future generations are as blessed by the church as I have been.

Hopes for the United Methodist Church: My hope for the UMC is to be the church that exemplify togetherness in our polarized and divided world. The world is in desperate need of examples that show reconciliation and unity in the midst of diversity that although we may not think alike, but we love alike. I pray that UMC can be a catalyst to bring all God's people together regardless of race, culture, social and economic status, political affiliation and gender identity expanding the "Kindom" of God where ALL are welcomed and valued.

Hopes for the 2020 General Conference: My hopes for the 2020 GC is that we will recognize that it is not about "Us vs. THEM" depending on the theological orientation. There is no "THEM" but all are "US" as we believe in Christ and we are all redeemed by the sacrificial love of Christ. There is room at the table for everyone regardless as we have been baptized into one family of God. With this recognition, GC 2020 may chart a new and different course for future living into being the church of Open Hearts, Open Minds and Open Doors.

Qualifications and characteristics for an incoming bishop: During these challenging times in the UMC, the qualities needed for new Bishop are...

- Faithfulness in the Gospel of Christ helping the church stay focused on God's mission.
- Leadership to bring everyone together from all different spectrum and diversity for a common goal of "Thy Kingdom come on Earth".
- Transparency that builds trust and inspire commitment from all UM.

- Compassion that embraces all God’s people regardless.
- Exhibit Emotional and Cultural intelligence and be woke.

Other Information: Serving at GCORR has afforded me a balcony view of who we are and where we are in the UMC seeing the disparity between what we profess and how we fall short. I am committed to serve bridging the gap and be an agent of transformation for UMC I love.

KyuTae Pak | Elder | Midland Park

How long have you been a clergy member of The United Methodist Church? 19 years

Previous appointments: I served at Korean Community Church(2002-2006) in Englewood and Belle Vista Simpson Church(2000-2001) in Clifton and . I also served at Demarest UMC and Grace KUMC.

Leadership positions in GNJ: Currently I am the Chair of Order of Elders of GNJAC and a member of Board of Ordained Ministry. (I served as a full member registrar of BOOM during 2012-2016). I am also serving Palisades District Superintendency Committee as a member.

Leadership positions in the denomination: I am serving UMC as the Chair of Korean Clergy Caucus of GNJAC. I was the Worship Director for the Centennial Celebration Hawaii UMC Conference (2003) and the Chair of Korean American Praise and Worship Leaders Association (2000-9).

Previous delegate to General Conference: No.
Previous delegate to Jurisdictional Conference: No.

Hopes for the United Methodist Church: God who loves us is our hope. Who can help United Methodist Church from the Crises that we are facing now? I believe that only God can help and guide us into the future with hope. Fear, as well as anger and despair generated by fear, is affecting our church that Jesus founded. Let us not hesitate to face the fear, and also, let us go back to the love of God that overcomes all fear. ‘There is no fear in love (1John 4:18)

Hopes for the 2020 General Conference: Can we be “United” Methodist Church together? And how?’ will be the question that we may have to deal with in 2020. I think that no one has the ‘right’ answer. How about asking this question, ‘What is the most important thing that we believe in?’ When we try to answer this question, I believe that we can refine faith and values that we inherited as well as new wisdom we learned through experiences to build renewed church.

Qualifications and characteristics for an incoming bishop: I believe that diversity is a blessing for our church. Understanding diversity with heart is a very important qualification for the coming bishop. I believe diversity becomes a real blessing when it is not used as a tool to control the church but to build up the body of Christ. Paul says,” God arranged the body, giving the greater honor to the inferior member” (1Cor 12:24). I also expect gifts of reconciliation and caring heart for the coming bishop.

Other Information: I am coming from Korean American background serving a cross-cultural ministry which, I believe, makes me a voice of minority with the heart of John the Baptist. I believe God blesses and guide me to use this unique experience for church.

Hopes for the United Methodist Church: My hope for our denomination is that we continue to be a global church equipped to make disciples of Jesus Christ for the transformation of our lives, our communities and our world. I hope for a vital and relevant church that embraces diversity as an opportunity to expand the Kingdom of God to people of all ages, genders, races, ethnicity and nations. I hope for a church that values unity and the connection that we have, because we are stronger when we work together to accomplish our mission.

Hopes for the 2020 General Conference: I hope that our denomination finds a way to move forward in the midst of the different theological positions in relation to the matter of human sexuality. There is no doubt that our denomination is wounded and fragmented by this matter. It is my hope that we keep alive the words of Ephesians 4:3, as we try to do all we can to live in peace with one another and not lose the unity that the Spirit of God gives us. I hope that in 2020 we continue to be the Body of Christ for a wounded world.

Qualifications and characteristics for an incoming bishop: The Epistle of 1st Peter reminds us that the most important qualification for a leader of the church is to care for “God’s flock” with all the diligence of a shepherd, not as a duty, or for their glory (1st Peter 5:1-5) In our times, we need bishops capable of being good shepherds

to lead a broken church in need of healing and reconciliation. Bishops need a wide vision and a prophetic voice to guide congregations to be faithful and fight against evil and all kind of injustice and oppression.

Other Information: I am grateful that God has given me the opportunity to work in a variety of settings during my 25 years of ordained ministry. Such varied experiences, enrich my vocation as a Hispanic/Latina clergywoman serving in diverse mission contexts.

Hopes for the United Methodist Church: As a lifelong Methodist, I believe deeply in the future of our denomination, but I also understand we are at a critical point in the life of our church. How will we celebrate the beauty of our diversity, while living into the tension of our differing voices? As we move forward, my prayer is that we will find new ways and develop new structures that allow space for all God’s children.

Hopes for the 2020 General Conference: We are on display for all the world to see when we gather for General Conference. Each day we watch the divided nature of our own government. My hope for 2020 GC is that we will be a witness to the world of God’s grace even when we do not agree with one another.

Qualifications and characteristics for an incoming bishop: I believe we need an episcopal leader that will continue the innovative and strategic work of our Conference while also providing a presence of healing and hope as we move forward as a denomination. Our bishop should have a strong cultural competency and be able to speak to and understand the great diversity of GNJAC.

Other Information: I have been blessed to serve a church filled with a diversity of culture, race, age, and thought. With this diversity comes great challenge and great blessing. It is here we see the messy and beautiful work of God’s kingdom. This is my calling.

Hopes for the United Methodist Church: My hope for the United Methodist Church is to be a fully inclusive church. A church who is comfortable and at peace understanding that, there is great diversity (all kind) within our body and that this diversity brings great strengths not only to our denomination but to our witness in the world. My hope for this church is one that could remain relevant for future generations.

Hopes for the 2020 General Conference: I hope that in 2020 we can amend and pass legislations that gives the freedom to pastors, bishops, churches, BOOM and Annual Conferences to use their own consciousness regarding ministry with LGBTQ+ persons. I hope that our decisions are done in a respectful and spirit filled way. I hope that we continue to be a church in mission and ministry, both locally and globally. A church that, in spite of its challenges, can continue moving forward with urgency and relevancy to a world in need.

Qualifications and characteristics for an incoming bishop: An incoming bishop should be a person who is genuinely spiritual and of proven pastoral effectiveness. A passionate, visionary, creative and adaptable leader. One who has conflict management skills to lead in times as this. Someone who empowers others, while not being afraid to direct when needed. He/she should possess the ability to conceptually embrace our complex diversity. Other qualifications required are: proven record of organizational skills and intercultural competency.

Previous delegate to General Conference: No

Previous delegate to Jurisdictional Conference: No

Hopes for the United Methodist Church: I hope that our membership decline will cease—not because we need financial resources to pay our bills but because of our concern for souls and our mission to transform the world. We must organize ourselves in ways that we can meet our financial obligations whether people become members or not. I also pray that we will be open and affirming, relevant to young and old, single and married, of every race and ethnic origin and orientation.

Hopes for the 2020 General Conference: My hopes are that we will faithfully work together in the name of Jesus Christ for the transformation of the world while moving in a direction that is open and affirming and respecting the fact that many regions of the world (including some within our own country and conference) are not where I am. I pledge to work with all members wherever they may be to spread the gospel of Jesus Christ and to be a church that “does justice, loves mercy, and walks humbly with our God.”

Qualifications and characteristics for an incoming bishop: “I want a strong bishop—as long as the bishop bishops the way I want the bishop to bishop. Otherwise, I want a weak bishop!” Humor aside, I want a strong leader whether I agree with that bishop or not—as long as he/she is grounded in the faith, theologically and socially progressive, and something of a prophet—prophets, after all, are those who call us to look beyond ourselves and to strive to be faithful to God in Christ. I also look for a good listener and a pastor’s heart.

Hopes for the 2020 General Conference: For our next General Conference I hope for delegates who are fit and equipped to do the rigorous, spiritual work required of the committees. I hope for legislative processes that are just. I hope and pray for the Spirit of Love, Grace, and Unity to prevail – through us, and in spite of us.

Hopes for the United Methodist Church: My hope is that our denomination bears witness to the inclusive love and transforming power of Jesus Christ. I'm hopeful that our commitment to personal piety and social holiness will move our Church to make strides against discriminatory and exclusionary practices. I'm hopeful that we are receptive to learning, healing, and moving forward, together, in our Christ-centered inclusive mission. I hope all of our churches will feel they are Jesus' church of Open Hearts, Open Mind, and Open Doors.

Hopes for the 2020 General Conference: I hope to build relationships, participate in soul-tending worship, and remain responsive to the Holy Spirit. I hope additional full communion agreements are presented.

Qualifications and characteristics for an incoming bishop: An incoming bishop should have experience joyfully representing the theological and cultural diversity within our denomination, has shown a passion for Christ-centered evangelism, has led our people, communities, and world forward by advocating for social justice and personal piety, and has promoted healing by helping people name and confess ways in which we have hurt each other and also have forgiven each other.

Other Information: My wife & children support the energy and commitment that I will give. I recognize my privilege as an educated heterosexual black cisgender male married with children in this country; I covenant to utilize my gifts to represent the diversity of GNJ.

Hopes for the United Methodist Church: The United Methodist Church has been part of my life from the time I can remember. Being a third generation United Methodist is part of my identity that I am super proud to claim. My hope for the church would be a denomination where we continue to embrace love, do justice, and walk humbly with God. I pray that we continue to be change makers and leaders in the areas of disaster response and global health. I also pray that we find a way to be in ministry together as a unified denomination.

Hopes for the 2020 General Conference: My hope would be for healing and looking toward the future-growing vital and relevant United Methodist churches. It is my hope that we will be able to find new ways of working with finite resources, be creative in our approach to ministry, and continue to be a voice for the voiceless. I hope that we will continue to take stands on vital social issues. I hope that we will have the opportunity to share stories of how we are and will continue to be in ministry with all in the coming quadrennium.

Qualifications and characteristics for an incoming bishop? I believe that a bishop needs to be a servant leader with a transformational vision for the future of the local church and the denomination at large. They need to be an effective administrator that can balance all the responsibilities of being a bishop as well as maintain a heart for the local church, mission, service, the global connection, and social justice. The episcopal candidate also needs to be fair and be able to maintain a calm presence under immense pressure

Other information: It would be my honor to again represent the GNJAC at the 2020 General Conference and use my leadership gifts. This General Conference will be especially important for healing and progress after the Special Session in 2019.

Hopes for the United Methodist Church: I hope the Church can move beyond the current division to come together in the name of Jesus Christ. We were able to work through division around race and, with God's help, we can work through the current division. 1 Peter 3:8 reads: Finally, all of you, have unity of spirit, sympathy, love for one another, a tender heart, and a humble mind. I pray that our church leaders demonstrate the unity, sympathy, love, tenderness and humility necessary to fully open the doors of the UMC.

Hopes for the 2020 General Conference: This is an extremely important time in the life of the UMC. The only way to heal the current division is for the entire Church to realize that since God is the one and only judge, we should refrain from imperfect human judgement and accept all people equally. My hope for the 2020 General Conference is that it will recognize that we are all part of one equal family of Christian believers regardless of race, nationality or gender identity.

Qualifications and characteristics for an incoming bishop? A Bishop should have a thorough knowledge of the history of the Bible, an intimate understanding of Scripture and its true intent, an exceptional sense of empathy, an inclusive vision to enhance and grow a diverse Church, a passion for active listening, a commitment to increase involvement of the laity, an understanding of the relationship between church growth and financial growth and the ability to inspire other Methodists to make disciples of Jesus Christ for the transformation of the world.

Other information: As an African American At Large Member of the GNJAC named for Bishop Dale White; a CLM; a business executive; a Father; and, the son of Civil Rights Leader Rev. Gil Caldwell, I will bring a unique and diverse perspective to the Delegation.

Previous delegate to Jurisdictional Conference? No

Hopes for the United Methodist Church: My hopes include a unity of purpose within the United Methodist Church; Disciples of Christ all pulling in God's direction. Though distance and issues may separate us, the closer we all come to God then we will all come closer to each other. I pray that our denomination can reverse the trend of falling worship attendance in the USA while continuing to spread the Gospel of Jesus Christ across the globe. I hope that the UMC will continue to spread the message of God's love where it is needed most.

Hopes for the 2020 General Conference: I sincerely pray that the presence of the Holy Spirit shall be recognized by all that participate in the Conference. We will work hard, pray hard, sing and worship together. May we find faith that God is present and will work all things to good for those who love Him. I pray that at the closing of our conference that our denomination will be more unified, healthy and stronger than at the opening.

Qualifications and characteristics for an incoming bishop? An incoming bishop should have a strong record of effective congregational leadership. A bishop must recruit, train, and deploy pastors to start congregations, mobilize mission and lead people to active faith in Jesus Christ. A bishop must have an unwavering focus on the mission of the church. A bishop will manage a large organization comprised of a number of agencies, hundreds of churches and thousands of people, therefore a bishop should have significant organizational skills and experience.

Other information: Being a delegate will be demanding work. If elected, I will carry out all responsibilities to the absolute best of my ability. I will be open minded, a faithful disciple of Christ, open to the presence of the Holy Spirit, and bearer of God's Love.

Hopes for the United Methodist Church: I have been in earnest prayer to what God is yet to do through his Church. I am hopeful that the UMC will continue to live up to its calling to be in ministry to all, respecting the diversity and sacred worth of all God’s creation, and be the positive influence of peace and justice in the world. I am hopeful that a renewed church emerges through the work of the Holy Spirit as we seek God’s will in our midst!

Hopes for the 2020 General Conference: I am hopeful that the 2020 General Conference will be a renewal time for the church, celebrating who we are in ministry together to all the world. I hope for a graceful, respectful and focused deliberations and conversations on changes that we need to continue to explore and embrace in order to be more effective and efficient in our ministry work together. Hopes for the United Methodist Church: God's grace is abundant, but only in so much as we share it. Our denomination will need to shift to adapt to the changing world. I pray for a UMC that is strong, solid, and relevant in the lives of people all over the world. I hope the UMC will continue to be a voice of Justice in a political climate fraught with partisanship. In the future, I hope that there will truly be a place at the table for everyone, as the UMC transforms the world.

Hopes for the 2020 General Conference: As the denomination moves past just envisioning "a way forward", we are called to move into action. General Conference 2020 will be critical to the future of our denomination. It is my hope that meaningful dialogue will occur to move past schism, divisiveness, and apprehension. We will emerge with a clear, aligned vision, and the resolve to achieve it.

Qualifications and characteristics for an incoming bishop? The Bishop is the Shepherd to our flock in Greater New Jersey; as such they will lead and care for clergy and laity alike. He/She should bring vision and energy to propel us onward. With the diverse population in GNJ, and the proximity to metro areas, we have a unique calling to social justice; a Bishop should have a heart for justice and mission.

Hopes for the United Methodist Church: I hope that the UMC continues doing amazing work in the world, inspired by our social principles that have shaped and defined our denomination. That we embrace and celebrate these understandings of God and the church, that we pool our ideas, ministries and resources to transform the world. That we do this by embracing the diversity and gifts of all and inviting them into discipleship. The church that I hope for ensures that all know that they are loved unconditionally by God.

Hopes for the 2020 General Conference: My hope is that God does God's work at the conference, and that all are heard equally. I hope that young people will have a booming voice, and a seat at every single table. That the conference offers reconciliation, repair, and restoration to the church. I believe in the power of resurrection,

and the power of redemption for our church body. I know that this cannot be done without demonstrating the love and acceptance of all that Jesus modeled for us.

Qualifications and characteristics for an incoming bishop? An incoming bishop should have an open, curious and passionate approach for the vitality, vision and unity of the church. Leadership should be grounded in the Theological Task of the church as critical, constructive, contextual, incarnational and ultimately practical. Bishops must be courageous in their prophetic leadership for social justice and holiness in the church and in the world. Churches need support to understand their context and respond to the deep need for Christ's redemptive grace.

Other information: There is beauty in the diversity of New Jersey that can serve as a testament to the global church about working together amidst difference with love and mutual understanding. I firmly believe in this ideal and would be honored to represent it.

Previous delegate to Jurisdictional Conference? No

Hopes for the United Methodist Church: My hope is that we live out our goal to be a church with open hearts, open minds, and open doors. Showing Christ's love for all people regardless of ethnicity, socioeconomic class, ability, or theological understanding is vital to our continued growth. Our denomination can show God's love to a hurting world by our relationships to each other as well as reaching out beyond our churches. We can make disciples for the transformation of the world through Worldwide worship and mission.

Hopes for the 2020 General Conference: I hope that all participants can recognize God's presence in worship, conversation, and voting during General Conference. Learning to love one another and the rich diversity within our denomination is important. I hope that we can find a way to exist together or create something new while remaining mission partners.

Qualifications and characteristics for an incoming bishop? A bishop should have the ability to listen to all viewpoints. They should demonstrate love for the entire church, even those they disagree with. A bishop should show that there is hope despite conflict and despair. They should be able to provide needed support to congregations so that they can be fruitful in their ministry. This includes strategically placing clergy in churches while taking into account the differing needs of each congregation.

Other information: It is a passion of mine to minister to those on the margins. I have learned so much about being open to what people of all abilities can teach us. This comes from my role as a mother of a child with Autism as well as my understanding of scripture.

Hopes for the United Methodist Church: My hope for the United Methodist Church is that we would stay united in our common mission which is to make disciples of Jesus Christ to transform the world. We as a denomination can do so much more together than we can do apart. If elected, I will continue to ensure that our witness as a church continues to be strong and vibrant.

Hopes for the 2020 General Conference: My hope for the 2020 General Conference is that regardless of our positions on certain issues we would continue to love the Lord our God with all our heart, soul, mind, and strength. And we would love our neighbor as ourselves. We are a multi issue church and we cannot and should not let one issue tear us apart. I stand firm in what Paul tells us. "Those members we think are less honorable we clothe with greater honor, and our less respectable members are treated with greater respect."

Qualifications and characteristics for an incoming bishop? I believe that incoming bishops should first and foremost be a follower of Jesus Christ. Bishops should also have a pastors heart. Along with having a great administrative record bishops are pastors that need to care about people. Bishops should also have a strong Wesleyan foundation. These is just a few things I will look for in future bishops.

Other information: As a 22 year old young person, it is time for the church to be the church we say we are. My generation is often called the future of the church, but we are the church of today. It would be my privilege to serve as one of your delegates.

Hopes for the United Methodist Church: My hopes for the United Methodist Church are to fully embrace the phrase, “Open Hearts, Open Minds & Open Doors”, love, and the healing of broken hearts. We are a church that relies on many different types of people creating new disciples to transform the world. Because we are a church that is able to spread God’s love, we are also a church that can and has caused a great amount of pain. We are a church that deals with current times but also looks toward the future; I hope we stay united.

Hopes for the 2020 General Conference: My hopes for the 2020 General Conference are for people to believe in “Open Hearts, Open Minds & Open Doors”. I would hope that at General Conference people show an open heart by allowing themselves to show empathy and trying to understand others. Having an open mind by being listening to differing opinions, listening to people who you might not come to contact with on a regular basis, and then ultimately absorbing and actively reflecting on what is being said to try to have open doors.

Qualifications and characteristics for an incoming bishop? The qualifications required for an incoming bishop are to be an ordained elder and consecrated to the council of bishops. The characteristics I believe are needed are self-awareness, authenticity, and commitment. Self-awareness because it means someone understands their effect on people. Authenticity should be required because it pairs hand in hand with being genuine. Bishops should be committed and motivated to complete tasks and goals. To lead is one thing but to do it effectively is different

Hopes for the United Methodist Church: We as the UMC are a diverse family. That is what makes us keep in constant movement. Our faith is in Jesus Christ and in God who made all of us, therefore makes us brothers and sisters. As I have worked within the denomination, I have seen the resources and talent that has and continues to make a world of difference. I see this continue in the future.

Hopes for the 2020 General Conference: I am excited about the 2020 General Conference. I see it as an opportunity for the church to continue in its movement of change. New ideas are coming forth to strengthen our denomination especially with the strength of our young people. I see an opportunity for people from different backgrounds coming together to work on ways for our domination to be that beacon of hope for the world.

Qualifications and characteristics for an incoming bishop? A Bishop needs to be a person that leads by action. They must have knowledge of the Word of God and be able to share it so that it relates to the World, their communities and their congregations. They need to know how to encourage and engage people and to hear the needs and concerns of people and know how to bring people together.

Other information: I was not born into the UMC. I was adopted. I saw the UMC as a parents that had resources and talents that helped me so in return I helped the Church. It would be an honor for me to represent this conference.

Hopes for the United Methodist Church: I hope for a church that honors all people as beloved children of God, made in God's image. A church where all people can share their gifts as God calls them to transform the world. A

church that hears the cry of the poor, the oppressed, and the forgotten, advocating for justice and inclusion on their behalf. A church that demonstrates love and grace in its relationships with other Christians, with other people of faith, or of no faith, respecting all and working to build God’s Kin-dom.

Hopes for the 2020 General Conference: The 2019 Special Session was heartbreaking. The world saw our denomination portrayed as mistrustful, acrimonious, schismatic and possibly dishonest. I hope for a time of lament and confession for our actions in St. Louis, followed by genuine Holy Conferencing and prophetic discernment of a way that our church can continue its decades-long ministry together while truly welcoming all people to share the love and grace of God we claim is found within our Open Hearts, Open Minds and Open Doors.

Qualifications and characteristics for an incoming bishop? An incoming bishop will be respected by both clergy and laity. S/He will be a person of unquestionable integrity and moral character. S/He will be a wise teacher, making disciples of Jesus, who make more disciples. S/He will be a bold and prophetic witness to the faith, yet loving and compassionate toward all people. S/He will be a visionary, fruitful, transformational and apostolic leader with a servant’s heart; accepting all challenges and learning from them; courageous, yet grace-filled.

Hopes for the United Methodist Church: I hope the UMC will be a place that more and more people find a community that invites and welcomes them to a deep journey of faith. We can be a place where people find

their hope in Jesus Christ, find healing and support for themselves and their families, and find companions as they live out the good news in the world. I hope that we will be a church that launches and supports disciples in faithful service and passionate advocacy for persons who are marginalized, and for creation care.

Hopes for the 2020 General Conference: Legislation on plans for how we go forward will have to be considered in 2020, but we must not allow a replay of the 2019 session. We must find ways to treat each other with honor and respect, not just ways for our “side” to “win.” If we must develop a degree of separation (either within the denomination or as separate denominations) let us do so with charity and with an eye to building thriving expressions of Methodism in which all of us can grow in faith, in outreach and in service.

Qualifications and characteristics for an incoming bishop?

- Passionate faith
- Sees Administration as a way of doing ministry
- Includes and thrives on sharing leadership with others (lay and clergy)
- Flourishes in settings with gender, racial, language and class diversity
- Financially literate
- Inspires and supports strategic thinking and prophetic action
- Able to make independent decisions after consultation and at the right time
- Sees local work in connection with the national and global church
- Uses, values and supports denominational resources

Other information: I am committed to helping The United Methodist Church choose a strong future. Having both loved and lamented this church for a long time, I believe that God is at work, even in our upheaval and hurt. It would be an honor to represent the GNJAC.

Hopes for the United Methodist Church: My hope for the United Methodist Church is that the Holy Spirit will rest upon the Church in every space and every place. Without the presence of the Holy Spirit, confusion will

reign and Church ministry purpose will suffer. The United Methodist Church and its people must remain one with Christ and one with each other in order to continue making disciples of Jesus Christ for the transformation of the world. My hope continues to abide in the Church’s motto- Open Hearts, Open Minds and Open Doors.

Hopes for the 2020 General Conference: My hope for General Conference is that we find common ground in order to prayerfully address the relevant issues for the work of the Church. Every level of the United Methodist Church is connected to another, and so, when one level is weakened it pulls strength from the others. To structure policies, make legislative decisions, or modify sections of the Book Of Discipline, delegates must employ clear thinking. Therefore, my hope is that we remind ourselves, “United we stand, divided we fall”.

Qualifications and characteristics for an incoming bishop? I believe the qualifications and characteristics required for an incoming bishop are to be a God-fearing, truthful, visionary with a compassionate heart for all people. A bishop must learn the dynamics of the area to which he/she shall be assigned, in addition to appreciating the uniqueness of all cultures with which he/she will serve. Bishops must be skilled in budgetary matters, moving churches out of their comfort zones in order to advance the vision and mission of the Church.

Hopes for the United Methodist Church:

- 500 characters is shorter than two tweets!
- restore the balance that John Wesley sought between the Great Commission and the Great Commandment
- recognize that we need to focus on outcomes
- recognize the good that only Christians can do and focus on that
- keep the best of our unique expression of global Christianity (grace open to all, connectionalism, democratically elected General Conference) and work to modify those aspects that aren’t working as well: unequal burdens, free riders

Hopes for the 2020 General Conference:

- that we come together to focus on resourcing local churches to make disciples
- that we provide accountability for the \$130 million that local churches send to the General Church each year
- that we work out ways for as many as possible to move forward together
- that we “right-size” our structure
- be willing to ask and answer the hard questions for a global denomination in the 21st century
- create an identity where we are known for our vision and deeds rather than our disagreements

Qualifications and characteristics for an incoming bishop?

- understand that resourcing local churches where ministry happens is the most important function of an annual conference
- be judicious with the power they possess
- respect the views and opinions even of those they disagree with (being “tolerant” only of those you already agree with is not truly being “tolerant”)
- have a vision for us to move forward that they are willing to share and balances striving to move forward with being realistic about where we currently are
- servant leadership

Previous delegate to General Conference?	Yes No	2016

Previous delegate to Jurisdictional Conference?	Yes	2016
---	-----	------

Hopes for the United Methodist Church: Count me among the world’s 12.5 million United Methodists who believe we have to get past our impasse over human sexuality and move forward in ministry. As Jesus pointed out, “A house divided against itself cannot stand”, but we have spent 45 years trying to prove Him wrong. My

prayer is that whatever is decided in St. Louis will free our disparate members to do ministry together in spirit, even if they accomplish it apart in practice. The need for us to be Christ for the world continues.

Hopes for the 2020 General Conference: Regardless of which Plan (if any) is approved in February, there will be plenty of legislative work to be done to implement it during the 2020 General Conference. The spirit of open and honest dialog demonstrated by the members of the Commission on a Way Forward provide a clear and compelling model for us on how to work together despite our differences. My goal would be to carry that spirit into our gathering in Minneapolis as we lay the foundation for a fruitful and faithful UMC of the future.

Qualifications and characteristics for an incoming bishop? I Timothy 3 would a good place to start for a list of episcopal qualifications and characteristics. I would personally add that a bishop should be someone who is deeply spiritual, loves ministry more than politics, and has spent a significant amount of time in successful local church ministry.

Other information: 40 years of missionary service has given me perspective, understanding and insight into working with the ever-growing international part of the UMC. I was the first lay alternate to the 2016 General Conf. and an active part of the GNJ delegation.

Hopes for the United Methodist Church: At its best, the UMC has born witness to the, albeit challenging, possibility of holding together various theological emphasis in tension. As the UMC now appears to be at a cross roads, my hope for the church is that we not only embrace this unique calling once more, but that we do so in discerning conjunction, with attentively listening to what the Spirit is declaring in respect to the nucleus of our shared faith and life together – the all-encompassing love of God in Christ for all persons, wh

Hopes for the 2020 General Conference: My hope is that we, as a body, more clearly define the future possibilities for our church with an emphasis on viable, structural, systemic, resolved conflict; as well as fostering renewed, forward thinking, ecumenical possibilities.

Qualifications and characteristics for an incoming bishop? In addition to providing critical ethical pastoral care to those engaged in “front line” ministry (during this emotionally demanding time in the life of the church), a

primary characteristic needed is decisiveness. This should be demonstrably evidenced by a clear articulation of, and practical vision for, the future direction of not only the GNJ Conference, but the denomination as a whole.

Other information: If elected, it would be an honor and privilege to bring my lifetime of Social Services advocacy, my seminary education, and the insights of my personal Christian journey together in service to the church, in whatever capacity may be of use.

Hopes for the United Methodist Church: The United Methodist Church is for all people; the marginalized, under-privileged, oppressed, sinners and saints, the righteous and wicked. All of God's children can come close to Christ through the prevenient grace that he shows us. And, when transformed to disciples of Christ, we are called to tell others where they can find Christ, all are welcomed to the United Methodist Church and all are experiencing the presence of Christ.

Hopes for the 2020 General Conference: Refocusing the United Methodist Church to the mission of the church, carrying out the Gospel of Christ to others and making them disciples of Christ.

The realization of having a General Conference outside the USA.

Proactive in considering how our ministry and mission needs to continue, whatever decision the 2019 Special General Conference makes on the issue of the human sexuality. The mission and ministry of the United Methodist Church will keep going on at all levels.

Qualifications and characteristics for an incoming bishop? Spiritual leadership- A Bishop leads pastors and local churches to enhance and encourage the presence of Christ spiritually and faithfully. Missional leadership- A Bishop should look at the bigger picture of the mission of the church that challenges, encourages and leads the local churches in the annual conference in the mission. Administrative leadership- A bishop should demonstrate one's ability and willingness to lead the conference according to rules and regulations of the BOD.

Hopes for the United Methodist Church: Through my work across our conference and with Puerto Rico, Haiti, and Sierra Leone I have witnessed the uniting principle of mission. I have seen first hand how effective the UMC is in changing lives. My hope is that the UMC continues to be a witness of Christian love throughout the world. It is important that we maintain dialogue with our local and international partners, living into the truth that everyone is our neighbor and we are all part of the family of God.

Hopes for the 2020 General Conference: Our UMC is in the midst of turmoil, and at the 2020 conference my hope is that we can conduct the Church's business with love and not engage in hurtful and divisive rhetoric. My hope at this conference, through submitted legislation and prayerful consideration, is that we can shape the future of the Church towards full inclusion and justice locally and abroad. My hope is our focus on mission throughout the world remains resolute.

Qualifications and characteristics for an incoming bishop? A bishop must be a disciple of Christ with integrity to the values that Jesus modeled. A bishop needs to be a servant leader who through engagement, relationship building and delegation will steer the conference to develop a shared long-term vision for the Church. An effective bishop leads with humility and transparency to build trust and unity behind the shared vision. A bishop must have prophetic leadership to guide us through this period of transition and into our future ministry.

Other information: I know how amazing the UMC is and can be, and I will keep fighting for the Church to include all people, without exception, sharing the love of God in mission and making disciples of Jesus Christ for the transformation of the world

26 and Park Avenue schools. These are Spanish-origin students mostly from Mexican families. We work with
27 volunteers from the high school's area and adults to help the children with their homework, reading and
28 educational games. They also use the computers. Our students are mostly kindergarten, first and second graders
29 with a few from third and fourth grades. Before they start their homework they have a snack. There are also

7 food while also screening clients for member pantries. We advocate at the local and state level on behalf of CFC
8 clients. CUMAC also has a Community Closet that offers clothing & household items; Pathways to Work imparts
9 job skills and hands-on experience; Place of Promise is a supportive housing program for chronically homeless

16 wisdom, advice and experience build a shared understanding of family and community. This church-based
17 intergenerational community surrounds our youth with caring Christian adults who encourage, support and pray
18 for our youth while also holding them accountable. We are dedicated to the spiritual, emotional and social
19 growth of Camden Youth.
- 20 **First Friends of New Jersey and New York** - With the expansion of detention centers in New Jersey, the need to
21 provide advocacy, research and social services to detained and released detainees has increasingly grown. We
22 provide a link to the outside world by providing toll free lines (English & Spanish) in five different detention
23 facilities where more than 2000 individuals are detained and through visiting individuals in detention. Our Pen-
24 pal Program allows volunteers who cannot visit to write to detainees.

26 a community center that provides a healthy and nutritious lunch six days a week, day care, an after-school
27 program and an evening teen program. We focus on a two-generation approach to lift families out of poverty.
28 Our commitment is to provide a safe space for Academic achievement, Athletic accomplishment and a
29 flourishing Arts program. Our hope and vision for the next century of service is to create a community living
30 room.
- 31 **Pennington School** - A college preparatory institution affiliated with the Methodist Church, reflecting the
32 principles espoused by John Wesley and core values of Honor, Virtue and Humility. Students experience an

1 center that empowers poor and marginalized people in our capital city. The Maker’s Place is a site for local
2 mission and ministry. Starting with initiatives centered on food and families, The Maker’s Place will cultivate
3 transformative relationships that help people build bridges out of poverty and create a multiethnic and
4 economically diverse community hub where all people can experience the wide welcome of God.

10 **Whereas**, in the year 1866, the Newark Conference of the Methodist Episcopal Church established a Board of
11 Trustees to create Centenary Collegiate Institute to mark the one hundredth (centenary) anniversary of
12 American Methodism.

13 **Whereas**, the legislature of the State of New Jersey granted a charter to the Newark Conference the following
14 year for the establishment of any kind of institution for the promotion of learning.

15 **Whereas**, developing Centenary Collegiate Institute, as a four-year, degree-granting, college for women, later
16 known as Centenary College for Women, was a groundbreaking initiative for women’s higher education within
17 the bounds of the Newark Conference, the State of New Jersey and one of the first such institutions in the
18 country.

19 **Whereas**, Puera Robison, one of the first ordained women in the Methodist Episcopal Church, was a teacher at
20 Centenary in the 1920s.

21 **Whereas**, Centenary College served the educational needs for women from diverse ecumenical backgrounds
22 and drew students from across the nation and globe.

23 **Whereas**, Centenary College, now known as Centenary University, has served the educational needs of students
24 in rural Northwestern New Jersey for over 150 years and remains a dynamic institution for higher and learning
25 for both men and women from Sussex, Morris and Warren Counties and beyond. Centenary serves students
26 from all of NJ and the tri state area.

27 **Whereas**, The Historical and Archival Trustees of the Newark Conference conferred the status of Conference
28 Historic Site on Centenary College in 1966.

29 **Whereas**, Centenary College hosted five sessions of the Northern New Jersey Annual Conference, including its
30 final session in the year 2000.

31 **Therefore, be it resolved**, that Centenary University, Hackettstown, Warren County, New Jersey be recognized
32 for its significant service to the cause of Christ within the bounds of the Greater New Jersey Conference of The
33 United Methodist Church and its predecessors by honoring it as an Annual Conference Historic Site.

34 **Rationale:** Centenary University in Hackettstown New Jersey, formerly known as Centenary College, Centenary
35 College for Women and Centenary Collegiate Institute, was born as a significant ministry of the Newark Annual
36 Conference that championed women’s higher education within the bounds of our conference, Methodism as a
37 whole and our nation. Through the influence of Methodism’s global mission network, Centenary also had
38 international impact in women’s higher education. Over 150 years since its founding, Centenary, now an

1 independent coeducational institution, serves students from all areas of New Jersey and the tri state region.
2 Therefore, Centenary University deserves recognition as a Greater New Jersey Annual Conference Historic Site
3 for its significant contribution to women’s higher education within our conference, state and nation and for its
4 ongoing ministry of providing higher education within our conference and tri-state region.

7 **A Future With Hope, Inc., Statement of Relationship**

8 **Be it resolved** that The Greater New Jersey Annual Conference of the United Methodist Church adopts the
9 Statement of Relationship with A Future With Hope, Inc.

10 The Greater New Jersey Annual Conference of The United Methodist Church (“GNJ”) recruits and develops
11 transformational leaders to make disciples and grow vital congregations to transform the world. This mission is
12 primarily carried out through the congregations that make up GNJ. GNJ’s primary commitment is to increasing
13 the vitality of all of our congregations.

14 GNJ also works with and through Vital Mission Partners. These partners compliment and extend the mission by
15 supporting and/or engaging with GNJ with any of the following:

- 16 • Recruit and develop leaders
- 17 • Make new and grow existing disciples
- 18 • Assist congregations to grow vitality
- 19 • Engage disciples in hands on mission
- 20 • Develop and manage Hope Centers to serve communities
- 21 • Lead community development and service ministries
- 22 • Raise funds to support the mission of GNJ

23 A Future With Hope, In (“AFWH”) is a Vital Mission Partner of United Methodists of Greater New Jersey and
24 serve as the mission arm of the organization. Formed in the aftermath of Superstorm Sandy in 2012, AFWH has
25 the following vision: Hope emerges where residents, business, organizations, government and institutions work
26 together to heal communities.

27 During the relief phase in the aftermath of Superstorm Sandy, AFWH:

- 28 • Provided more than 50,000 meals
- 29 • Provided day and night shelter for more than 5,000 people
- 30 • Distributed more than 11,000 cleaning buckets, more than 3,000 health kits, tons of clothing and
31 other material supplies such as non-perishable food, heaters, blankets, etc.

1 Today, AFWH is focused on community renewal with an asset-based community development ministry that
2 creates Hope Centers.

3 AFWH's community development ministry focuses in three areas:

- 4 1. Engaging congregations and communities in Communities of Hope training. Communities of Hope
5 trains congregations and communities in strategic planning, community organizing, systemic
6 change, and working inter culturally. At the end of the training, each Community of Hope team has a
7 community strategic plan to guide its work.
- 8 2. Developing, overseeing and resourcing Hope Centers. Hope Centers are congregations and
9 community centers affiliated with GNJ that identify and provide needed services within a
10 community.
- 11 3. Leading community economic development projects that include housing development and
12 repurposing church buildings.

13 Although GNJ and AFWH share missional purposes and goals and although both of them support conformity
14 with the high standards of service, each recognizes the other as an independent entity, making independent
15 governing decisions.

16 AFWH offers members of local churches of GNJ, opportunities to serve in mission in various ways including as
17 members of its Board of Trustees ("Board"). The persons elected as Trustees do not represent, nor are they
18 amenable to GNJ. The Trustees of AFWH operate autonomously from GNJ

19 The Bishop or the Bishop's designate will serve on the Board of AFWH with voice and vote. The Treasurer of the
20 Annual Conference will serve on the Board of AFWH as an ex officio member of the Board with voice but
21 without vote.

23 Conference session. The roster of the Board of AFWH will be included in GNJ's Journal.

24 The Board of AFWH will recommend nominees to the GNJ nominations committee who will move the
25 nominations before the Annual Conference session who will elect Trustees of the AFWH Board. Nominees will
26 have the skills necessary to serve the Board and ensure a diverse Board.

27 GNJ encourages and recommends that local churches and individuals contribute to the financial support of
28 AFWH. This support is voluntary and without guarantee of amount or continuation. GNJ does not guarantee nor
29 assume any responsibility for the obligations of AFWH.

30 The legal and financial relationships between GNJ and AFWH shall also be governed and controlled through a
31 shared services agreement ("Services Agreement") with GNJ's rights and obligations being represented through
32 its Council on Finance and Administration. The services agreement may be amended when deemed proper by
33 GNJ and AFWH. All provisions of the services agreement are to be construed based on the principle that each
34 party is independent of each other and separately responsible for its own actions.

35 A Future with Hope, Inc. will follow the Human Resources Policies of GNJ.

36 This Statement of Relationship shall be reviewed and amended as necessary by AFWH and GNJ upon

14 Shared Ministry Apportionment Formula 2020

15

16 **Whereas** the United Methodist Church continues our focus to grow Vital Congregations; and

17

18 **Whereas** in GNJ we remain focused on developing vital congregations and prayerfully do so through our
19 financial stewardship; and therefore

20

21 **Be it resolved** that the Shared Ministry percentage be set at 15.2% of a congregation’s Shared Ministry base for
22 the 2020 budget and that each year the Annual Conference approve the Shared Ministry percentage. The Shared
23 Ministry base be set at a congregation’s total expenses as follows:

24 1. Lines 41a-47 of Table II of The Local Church Statistical Report

25 41a – Pastor Wages

26 41b – Associate Pastor Wages

27 41c – Deacon Wages

28 42 – Parsonage Expenses

29 43 – Accountable Reimbursements

30 44 – Other Cash Allowances

31 45 – Staff Compensation

32 46 – Church Program Expenses

33 47 – Church Operating Expenses

34 2. Billed amounts for prior year Comprehensive Protection Plan (CPP), Clergy Retirement Security Program
35 (CRSP), Health Insurance, Property Insurance and Workers Comp

36 **Rationale:** This existing formula uses the present Shared Ministry base calculation but prevents automatic
37 percentage increases and requires GNJ to set budgets that are within a fixed percentage of the Shared Ministry
38 base. In effect, will reduce each congregation’s shared ministry percentage for 2020.

1 **Policy Recommendations**

2

3 **Whereas** The Book of Discipline ¶ 608.4; 610.1b; 612.1; 612.5 a)(4) gives CFA the ability to issue fiscal policies.

4

5 **Be it resolved** that the Council on Finance and Administration recommends to amend GNJ policies to include the
6 following.

7 **Bank Accounts**

8 No GNJ staff person may open a bank account for any aspect of ministry within GNJ without the approval of the
9 council on finance and administration. All GNJ ministry related bank accounts overseen, supervised, influenced
10 or managed by a GNJ staff person will be audited by a CFA approved auditor.

11 Any group of GNJ clergy together or with laity who desire to open a new bank account that is not part of a
12 congregation’s ministry shall seek the district superintendent’s approval and when a superintendent is involved,
13 the bishop’s approval. When there is a request to open a bank account, the district superintendent shall notify
14 the cabinet and the GNJ treasurer.

15 **Grants, Loans and Bequests**

16 The conference treasurer and district superintendent are to receive prompt notification from the pastor or
17 appropriate church official, within 30 days of the receipt of any external (non-conference) grants, loans and
18 bequests received by a region, district or congregation. The treasurer, superintendent and connectional
19 ministries director will be sent copies of all documents and terms of these external grants.

20 Only the Director of connectional ministries in consultation with the grants committee can amend any of the
21 terms or conditions of the local church grants. Specifically, only the director of connectional ministries can
22 authorize to change the recipient and/or manager of local church grants.

23 **Complaints and Just Resolutions**

24 Any resolution of a supervisory or misconduct matter involving a GNJ clergy person or GNJ official that has
25 financial implications shall be reviewed by the council on finance and administration and any resolutions that
26 presently or in the future may require GNJ to provide financial payments or settlement shall be approved by the
27 council on finance and administration.

28 **GNJ Emails, Documents, Files, Computers, Tablets and Phones**

29 All electronic documents, files and emails for GNJ staff including district superintendents’ computers, tablets and
30 phones are the property of the conference. As such, these electronic materials are to remain intact, never to be
31 deleted from the conference server without the approval of the Bishop, treasurer and appropriate district
32 superintendent. When a staff person or district superintendent completes employment or an appointment with
33 GNJ, computers, tablets and phones are not to be erased clean but turned in with their documents.

34 **Falsifying Information on GNJ Documents or Legal Documents**

35 No district superintendent, GNJ staff member, committee, clergy person, lay leader or local church is to falsify
36 any information on documents.

37 *The Book of Discipline ¶ 424.2 gives the Cabinet the ability to set policies to include the following.*

38 **Clergy Gifts**

39 Any GNJ clergy person or family member who receives a gift \$1000 or more in cash, property or goods, or \$2500
40 or more over a 10 year period of time, from a current or former member or attendee of a congregation to which
41 he or she is or has been appointed shall report the amount of the gift to the SPRC chairperson and the district
42 superintendent, who will inform the cabinet of the gifts. The cabinet will follow up as appropriate.

1 Any congregation that considers giving a cash, property, or other type of gift from their budget or reserves in the
2 amount of \$2500 or more shall report to the district superintendent their intention to determine if a special
3 charge conference should be held to treat such a gift as income based on IRS guidelines. Congregations may
4 receive an offering to thank or honor a clergy person as a special gift and provide the clergy person with one
5 check in the amount that was received from individuals.

6 **Complaints and Just Resolutions**

7 The general nature of all complaints filed against clergy will be shared with the chairperson of the Board of
8 Ordained Ministry along with the disposition of the complaint, including any just resolution. The chairperson of
9 the board will inquire yearly of the bishop the progress on just resolutions until a resolution has been fulfilled.

10 The cabinet shall maintain a log of all complaints and resolutions of the complaint and the dean of the cabinet
11 shall share with a new dean of the cabinet a log of all complaints and just resolutions with the status of those
12 complaints and just resolutions. Further the dean of the cabinet will share with a new bishop a log of complaints
13 and just resolutions and status of those complaints and just resolutions.

14 Outgoing bishops are strongly urged to share with their successor each complaint handled during her/his tenure
15 and the status of those complaints and just resolutions.

16 **Cabinet Documents**

17 Superintendents are not to share cabinet documents or confidential clergy information with other clergy or laity
18 unless approved by the cabinet. Any clergy person or lay person who receives cabinet documents that are not
19 released by the cabinet or bishop or documents that contain information about another clergy person from any
20 superintendent or GNJ staff member shall notify the bishop immediately.

21 **GNJ Appointments and Assignments**

22 Any clergy person or congregation who believes they are not appropriately represented by their district
23 superintendent or asked to do things by their district superintendent that seem inappropriate, is to contact the
24 bishop immediately.

25 No district superintendent or GNJ staff member may unilaterally assign her/himself as the representative for the
26 conference to GNJ or outside entities unless assigned by The Book of Discipline, or the bishop or elected by the
27 cabinet or elected by the annual conference.

31 **Pension and Health Benefits**

32

33 **Be it resolved** that the Past Service Annuity Rate for January 1, 2020 to December 31, 2020 be set at \$699 per
34 approved service year prior to January 1, 1982.

36 **Be it further resolved**

37 1. That effective January 1, 2020, the Greater New Jersey Annual Conference will continue to sponsor CRSP

2. That contributions for January 1, 2020 to December 31, 2020 for the Clergy Retirement Security Program for full-time and less-than-full-time (¾-time & ½-time) clergy and for Conference sponsored UMPIP Plan for ¼-time clergy, be set at 12.5% of plan compensation.
3. That contributions for January 1, 2020 to December 31, 2020 for the Comprehensive Protection Plan be set at 3% of plan compensation for full-time and ¾-time ordained clergy, and for Conference Sponsored UMLife Options for ½-time ordained clergy to be set 2% of plan compensation. That local churches may sponsor ¼-time ordained clergy and ¾-time part-time local pastors in UMLife Options.
4. That the starting date for retirement payments for new retirees commences July 1, 2019, unless otherwise stated.
5. That grants approved in lieu of pension to Bernard Shropshire are continued through 2020.

7. That the following clergy be grand-parented to five years “under appointment through the Conference immediately prior to retirement” to meet eligibility requirements for health benefits in retirement, rather than the seven years as approved at the 2011 Annual Conference meeting (Paragraph 3 under Eligibility, p. 365 of the 2011 Conference Journal). Specifically, the following persons, if, at the time of retirement, meet all other eligibility requirements for health insurance in retirement, shall be grand-parented under this provision: Rev. That the pension, severance, or disability payments to which this rental/housing allowance designation applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from Wespath and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the *Discipline*, that result from any service a clergyperson rendered to this Conference or that an active, a retired, a terminated, or a disabled clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the clergyperson to perform services related to the

1 ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under,
2 such a plan, annuity, or fund for such an active, a retired, a terminated, or a disabled clergyperson's pension,
3 severance, or disability plan benefit as part of his or her gross compensation.

4
5 NOTE: The rental/housing allowance that may be excluded from a clergyperson's gross income in any year for
6 federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section 107(2),
7 and regulations there under, to the least of: (a) the amount of the rental/housing allowance designated by the
8 clergyperson's employer or other appropriate body of the Church (such as this Conference in the foregoing
9 resolutions) for such year; (b) the amount actually expended by the clergyperson to rent or provide a home in
10 such year; or (c) the fair rental value of the home, including furnishings and appurtenances (such as a garage),
11 plus the cost of utilities in such year. Each clergyperson or former clergyperson is urged to consult with his or her
12 own tax advisor to determine what deferred compensation is eligible to be claimed as a housing allowance
13 exclusion.

- 14
15 1. That clergy retiring before July 1, 2020 be reimbursed for one-time moving expenses up to \$5,000.00
16 incurred while moving from church-owned housing to personal housing. This reimbursement is limited
17 to actual moving expenses, not to include moving company packing costs. The same benefits and
18 restrictions shall also apply to a surviving spouse moving out of the parsonage upon the death of a
19 pastor while in active service in the Annual Conference, and to those entering disabled relationships.
- 20 2. That the Conference Board of Pension and Health Benefits be authorized to make modifications to the
21 current Insurance Plan as the health care market demands. In addition, modifications to the Plan that
22 could reduce premium costs to local churches and Annual Conference are to be studied and enacted as
23 the Board determines appropriate. These changes might include increased participant deductibles, co-
24 payments, greater use of generic medications, and other avenues of cost saving and sharing. Such
25 changes will be subject to prior review of CFA and the Cabinet.
- 26 3. That the Guidelines for Health Insurance Participation, below, be approved and upon approval printed in
27 the 2019 Conference Journal and Yearbook.

32 Clergy Equitable Compensation for 2020

33 **Be it resolved** that the Annual Conference adopt the following recommendation for minimum salary for persons
34 under full-time appointment in the local church effective January 1, 2020:

35 a) a) Elder and Deacon in Full Connection	\$ 46,887
36 b) b) Provisional & Associate Members	\$ 43,605
37 c) c) Full time Local Pastor	\$ 41,261

38 Any changes in clergy minimum salaries related to a change of clergy status through ordination, commissioning
39 or licensing in 2019 will become effective as of January 1, 2020.

40 These salaries apply to clergy (elder, provisional elder, provisional deacon, deacon in full connection, associate
41 members and local pastor) serving in full-time appointments. The years of service record for each clergy can be
42 found on the Clergy Service Record at the General Board of Pension and Health Benefits and it does not include

1 part time appointments or a time of leave of absence. The salaries of Provisional and Associate Members and
2 Full Time Local Pastors are determined as a percentage of the salary of the Elder and Deacon in Full Connection.

3 The minimum equitable salary for $\frac{3}{4}$ time pastoral appointments shall be $\frac{3}{4}$ of the required minimum in the
4 pastor's salary. The minimum equitable salary for $\frac{1}{2}$ time pastoral appointments shall be $\frac{1}{2}$ of the required
5 minimum. All appointments less than $\frac{1}{2}$ shall be considered $\frac{1}{4}$ time appointments for pension purposes and the
6 salaries shall be determined by the District Superintendent in consultation with the pastor and the local church.

7 Each pastor's salary is determined by the local church or by the charge in consultation with the district
8 superintendent, as long as minimum salary is met. Each Pastor (Staff) Parish Relations Committee takes into
9 consideration the pastor's experience, education, leadership, health and dental insurance coverage, social
10 security and family needs, when determining the pastor's salary.

11 All full-time pastors shall be provided with a parsonage or a housing/rental allowance as part of their
12 compensation package.

13 All full-time pastors shall have an accountable reimbursement expense line item in the church budget to cover
14 mileage for pastoral work, continuing education and other professional ministerial expenses as allowed by the
15 IRS. This reimbursable amount shall be at least \$2,500. For the churches that are receiving Equitable
16 Compensation support, their accountable reimbursement expense line should not exceed \$2,500.

17 All full-time pastors shall be entitled to receive the following vacation per appointment year:

18 Minimum 4 weeks (including 4 Sundays) of vacation for the first 10 years of full-time service, after that it is 5
19 weeks (including 5 Sundays).

20 Vacation time shall not be cumulative from year to year. Local churches may not consider time spent in
21 leadership responsibilities in conference activities as vacation time. This includes Course of Study, Local Pastors
22 Licensing School, Camps, Annual Conference-related Ministries and other education and renewal as required by
23 The Book of Discipline (§350.2).

1 **2019 Health Insurance Guidelines,**
2 **Conference Board of Pension and Health Benefits**

3 The mission of the Conference Health Insurance Plan (the Plan) is to provide primary health insurance coverage
4 to full-time full, provisional and associate ministerial members and full-time local pastors of the Annual
5 Conference and to eligible full-time lay employees.

6 The Plan provides secondary health insurance coverage for retirees who are receiving Medicare which requires
7 both Medicare Parts A & B for coverage. For those who have retired early and are not yet eligible for Medicare,
8 primary health insurance coverage is through the same plan as those in active ministry. The Plan is a non-vested
9 current benefit for active and retired pastors and lay employees.

10

8 of each of its full-time appointed clergy (including clergy spouse and dependent children if enrolled) who are
9 either a full, provisional, or associate member of the Conference or a local pastor.

- 10 1. The salary paying unit shall also be responsible for remitting premium for its lay employees who are
11 enrolled in the Plan.
12 2. Plan participants are to pay 2% of their cash salary to their own salary paying unit as their share of the
13 premium the employer (church) pays on their behalf.
14 3. In the case of clergy couples the following will apply:
15 a. Each spouse shall contribute 1% of their salary to every salary paying unit that is paying health
16 premium, regardless of percentage of health premium paid

17 B. Each eligible enrollee, whose fees are not paid as provided above, shall pay his or her own premiums either
18 directly or with employer participation. In every case, the individual enrollee is responsible for seeing that
19 payment of his or her own premium is made if the party with PRIME responsibility fails to make the payment.

20 **CONTINUATION OF COVERAGE AFTER CERTAIN EVENTS**

- 21 A. **Voluntary and Involuntary Termination** - If a person’s participation in the Plan ceases due to voluntary
22 or involuntary termination of Conference membership or employment or discharge or removal from the
23 Annual Conference, Continuation Coverage for health insurance may be available through application to

28 D. **Leave of Absence** (§1353 and §1354) - Clergy placed on voluntary leave of absence (personal, family, or
29 transitional) or involuntary leave of absence may continue in the Plan for a period of twelve months,
30 provided they pay the premiums. Continuation Coverage for up to an additional 12 months may be
31 available through application to HealthFlex. Leave of absence is not an appointment, causes a break in
32 appointment years, and does not accrue annuity credit towards health benefits in retirement.
33 E. **Sabbatical Leave** (§1351) Clergy placed on sabbatical leave may continue in the Plan for a period of
34 twelve months, provided they pay the premiums. Continuation coverage may be available through
35 application to HealthFlex. Sabbatical leave is not a break in appointment years for the purposes of
36 health benefits in retirement.
37 F. **Death** - Surviving spouses of clergy members are subject to the same rules (see Eligibility Guidelines #1
38 and 3) as the clergy member. Surviving spouses of lay employees of the Conference and District offices
39 are subject to the same rules (see Eligibility Guideline #4 c) as the lay employee.

40 **ADMINISTRATION**

41 All concerns, issues, requests, etc., relating to premiums, benefits, coverage (including voluntary termination of
42 coverage, additions or deletions to policies) and benefits at retirement must be “in writing” from the Plan
43 participant to be considered official. Such correspondence, concerns, or requests for changes in coverage must

1 be sent to the Plan Administrator or his/her designated coordinator. Commitments or resolutions of issues must
2 come in writing directly from the Plan Administrator or his/her designated coordinator.

4 Administrative Services. The Benefits Officer shall be a member of the Conference Board of Pension and Health
5 Benefits without a vote. He/she shall be responsible for promptly enrolling all eligible persons, for collecting all
6 amounts due from churches, agencies or individuals for participation in the Plan, for arranging for their prompt
7 deposit in a Conference account, for checking all billings from the Insurance Carrier to certify their completeness
8 and accuracy and for making proper remittances on schedule for the Plan; and such Officer shall delete from the
9 Plan any enrollee whose premium is not paid by the end of the month for which the premium is due. Termination
10 is effective the first day of the month for which no payment has been received.

14 **2019 Standards for Parsonages**

15
16 **Be it resolved** that the following recommendation be adopted on the standards for parsonages for GNJ
17 effective, July 1, 2019:

18 19 **Responsible Group in the Local Church**

20
21 The United Methodist Book of Discipline does not mandate a parsonage committee however, it strongly
22 recommends that each local church Charge Conference form a parsonage committee.

23
24 The committee will follow-up to assure timely resolution of parsonage problems affecting the health of the pastor
25 or pastor's family. The chairperson of the committee on pastor-parish relations, the chairperson of the board of
26 trustees and the pastor shall make an annual review of the church-owned parsonage to assure proper
27 maintenance. (§ 258.2 g (16) and § 2532.4)

28 29 **Standards for Parsonage (Existing Parsonages)**

30
31 All parsonages shall meet local requirements for a Certificate of Occupancy.

32
33 For existing parsonages, each local charge shall provide and maintain the following furnishings:

- 34 1. Living room and family room furniture.
- 35 2. Dining room furniture.
- 36 3. Kitchen, including stove, refrigerator with separate freezer compartment, exhaust fan and dishwasher.
- 37 4. Laundry equipment – automatic washer and dryer.
- 38 5. Standard television connection (providing at least 30 channels), high speed internet service and one
39 telephone line (cell or land line). Where possible consider bundling the services.
- 40 6. Floor coverings, solid surfaces are preferred.
- 41 7. Window shades and blinds, or curtains and drapes, functioning.
- 42 8. One fire extinguisher in kitchen and one extinguisher outside of the furnace room. There shall be at least
43 one extinguisher per floor level. All fire extinguishers, smoke detectors and Carbon monoxide detectors
44 are to follow local code requirements for rental properties or certificate of occupancy.
- 45 9. Closets or free-standing storage units in each bedroom.

10. Drives and walks should be hard surfaced.
11. Minimally acceptable outside lighting, for safety and to illuminate walkways and driveways.
12. Trash cans. In municipalities where garbage pickup is not part of the tax base and is billed to the parsonage, that local churches pay for this service.
13. Suitable equipment for lawn care and snow removal, and/or appropriate service shall be provided.
14. A study for the pastor in either the parsonage or church building. Office furnishing shall include a desk, desk chair, minimally acceptable shelving for the pastor's library, additional chairs and a locking filing cabinet.
15. Furnishings for special rooms such as sun porch, den, etc., that may be different from one charge to another.
16. Parsonage electrical service shall conform to the current National Electrical Code.
17. Parking space for a minimum of one (1) car shall be provided.
18. Each charge shall decide if it will provide a security/alarm system.
19. The septic or sewer system shall be fully functional and meet the needs of the parsonage family.

Additional Suggestions

1. Electrical service to be inspected every five (5) years by a licensed electrician.
2. Roof inspection every five (5) years.
3. Energy Audit every five (5) years.

Standards for Parsonages (Purchasing or Building a New Parsonage)

All parsonages shall meet local requirements for a Certificate of Occupancy.

All newly constructed or newly purchased parsonages shall be in full compliance with the dictates of the Book of Discipline. Consideration shall be made for those with handicapping conditions -

Provide on the ground-floor of a newly constructed parsonage: (1) one room that can be used as a bedroom by a person with a disability; (2) a fully accessible bathroom; and (3) fully accessible laundry facilities (¶ 2544.4d)

1. Option One

- a. The use of maintenance-free materials in building and in finishing and furnishing, these contribute to keeping maintenance costs lower.
- b. The following room requirements:
 - 1) Living Room/Family Room
 - 2) Dining Room
 - 3) Kitchen
 - 4) Study
 - 5) Baths (2)
 - 6) Bedrooms (3)
- c. A minimum electrical service of 200 amperes.
- d. A garage of a size to accommodate 2 cars, plus room for storage of lawn mowers, bicycles, tools, garden equipment, ladders, paint supplies, etc.
- e. Space to store large articles of furniture and equipment.
- f. The use of materials meeting the most energy efficient standards for insulation and windows.
- g. Careful consideration should be given in choosing the location of the parsonage. This consideration might include the distance from the church, accessibility from main streets of the community and the church, the neighborhood and its future and the community itself and its future growth.

1 **2. Option Two**

- 2 a. The standards of Option One would apply with consideration by the church of purchasing, leasing,
3 renting a townhouse or condominium. This option would be negotiated by the District Superintendent,
4 the local charge and the pastor following consultation with the District Committee on Church Location
5 and Building.
6 b. The purpose of this option is to provide an alternative to the “traditional” church parsonage for ministry
7 in special situations. Allowing for the wide variety of townhouse/condo choices, it is difficult to
8 recommend a standard for such a setting.

9 **Responsibility**

10 1. ***Each pastor is responsible for:***

- 11 a. Furnishings for as many bedrooms as the family needs.
12 b. Personal items such as television, vacuum cleaner, small appliances, dishes, glassware, flatware,
13 cleaning tools, wastebaskets and decorative accessories.
14 c. The following regular maintenance:
15 i. Floor maintenance
16 ii. Trash disposal and recycling
17 d. It is expected that the pastor shall provide tenant (renters) insurance to cover property loss and
18 personal liability.
19 e. Restitution for any damage beyond normal wear and tear.
20 f. Exiting pastor shall remove all personal items and furniture from the parsonage and property
21 and leave in a broom clean state.

22 2. ***Each charge shall provide:***

- 23 a. Utilities – heat, electricity, gas/oil, water, sewage and basic non-personal telephone services.
24 b. Maintenance for all parsonage equipment.
25 c. Basic furniture for all rooms except the bedrooms.
26 d. Funds for the repair of the parsonage and its maintenance should be allocated and allowed to
27 accumulate so that continuing care and major repairs can be made when needed.
28

29 **Multiple Charge Appointments and Clergy Couples**

- 30 1. In appointments where clergy is appointed to more than one church and a parsonage is provided by one
31 of the churches the utility expenses (heat, water and electric) will be divided equally between the
32 churches. Any capital improvements and maintenance on the parsonage are the responsibility of the
33 church that owns the parsonage.
34 2. In cases of clergy couples (when the couple resides in the parsonage of one of the appointments), the
35 utility expenses (heat, water and electric) for the parsonage will be divided equally between the
36 appointments.
37

38 **Miscellaneous**

- 39 1. We recommend that, in addition to the required written reports filed annually with the Annual Church
40 Conference paperwork, there be a complete video/photo inventory of all church-owned furnishings in the
41 parsonage. The inventory and all videos and photos shall be maintained annually.
42 2. It should be the responsibility of the Parsonage Committee to become acquainted with the parsonage and
43 after a new pastoral appointment, meet with the parsonage family to discuss the minimum acceptability
44 of housing and furnishings and to meet annually thereafter with the parsonage family.
45 3. During the transition of pastoral appointment – the Pastor-Parish Relations Committee Chair, the exiting
46 pastor, the new pastor and the Board of Trustee Chair will walk through the parsonage together for

1 inspection and planning. It is recommended to utilize the Church Conference Parsonage inspection report
2 for this walk through.

- 3 4. The right of the pastor to own furniture and equipment cannot be challenged. However, if s/he does own
4 furniture and goods that s/he wishes to use in the parsonage and parsonage furniture has to be stored,
5 s/he should make every effort to store it properly, so it is in good condition and does not suffer damage
6 from being stored. The site or method of storage for any church owned furniture shall be determined by
7 agreement between the pastor and the Board of Trustees. The pastor assumes financial responsibility for
8 the storage of any unused furniture.
- 9 5. The parsonage is the pastor's for his/her tenure in that church or charge. S/he has therefore the
10 responsibility to care for the furniture to protect it from damage by pets or children and if it is damaged,
11 to return it to a condition equal to that when s/he received it to use. If an item of furniture is damaged
12 beyond repair, s/he is obligated to replace it.
- 13 6. To respect the privacy of clergy and his/her family, the church has responsibility to make an
14 appointment and secure the approval of the pastor or an adult member of the household, prior to
15 visiting the parsonage at any time.

17 Appeals

18 Appeals by the churches or pastors should be made to the District Superintendent as the final authority to
19 interpret and implement the foregoing standards.

24 Breaking the School to Prison Pipeline

25 **Whereas** segregation in public schools have a disproportionate negative effect on the high school graduation
26 rate of Black and Latino students and resources available to them, and

27 **Whereas**, United Methodists of Greater New Jersey joined a coalition that sued the State of New Jersey on
28 behalf of all our children in order to end segregation in the public schools, and

29 **Whereas**, students that do not graduate from high school are statistically at higher risk to enter the "school to
30 prison pipeline."

31 **Be it resolved** that the GNJ Annual Conference encourage its churches to establish, wherever possible, summer
32 educational programs like "Freedom Schools" or a targeted reading enrichment and mentoring program for
33 children who are under-performing in reading as assessed by testing in the public schools, giving special
34 attention to Black and Hispanic/Latino children

35 **Be it further resolved** that the members, lay and clergy, of the GNJ Annual Conference encourage "restorative
36 justice" rather than "zero tolerance policies" in all public schools, to encourage the continuity of a positive
37 educational experience where the end goal is high school graduation for all students.

38 Rationale:

39 One of the objectives of breaking the "School to Prison Pipeline" is to make sure that Black and Latino children
40 have educational opportunities in all schools and encourage the practice of "restorative justice" in dealing with
41 their students. Proficiency in Reading is essential to keeping students in school and motivating them to learn.

1 We can support this initiative, as a conference and as individual churches, with our hearts, our minds, our
2 resources and our Biblical mandate, as given by Jesus in Matthew 22: 37, 39: "'You must love the Lord your God
3 with all your heart, and with all your soul, and with all your mind'.....And the second is like it: 'You must love
4 your neighbor as you love yourself.'" CEB

5 John Wesley gave us the Wesley Quadrilateral, but if the tradition and experience sides of the Quadrilateral go
6 against the scriptures and reason sides, then we are called to administer "restorative justice" to change the
7 situation. In promoting reading fluency throughout the GNJ, we will be encouraging students to learn to read, to
8 love to read, and to stay in school as respected members of a supportive school community!

12 **Call for GNJ to Recommit to be an Inclusive Church**

13 **Whereas**, the Greater New Jersey Annual Conference of the United Methodist Church (GNJ) encourages its
14 churches to be of Open Minds, Open Hearts and Open Doors; and

15 **Whereas**, GNJ is a diverse conference that works through its differences, and most importantly, thrives when we
16 honor each other through our differences; and

17 **Whereas**, GNJ is a vital conference that is proud to be welcoming to LGBTQIA+ people in our churches; and

18 **Whereas**, GNJ encourages its churches to be in ministry with all people, including the LGBTQIA+ community; and

19 **Whereas**, the recent adoption of an amended version of the Traditional Plan during General Conference 2019
20 seeks to expand the restrictions in the Book of Discipline and hinders our ministry with LGBTQIA+ people in GNJ;

21 **Therefore, be it resolved**, that GNJ reaffirms its commitment to and work for the full civil and ecclesiastical
22 rights and privileges of all persons, including LGBTQIA+ persons, and declares its opposition to continued
23 restrictions of church law on the participation of LGBTQIA+ people in the United Methodist Church; and

24 **Be it further resolved**, that GNJ acknowledges that when following the Book of Discipline requires us to do harm
25 and injustice by discriminating against, diminishing, or demeaning our LGBTQIA+ brothers and sisters, it places
26 us in an impossible situation as to be guided by our Scripture, Tradition, Reason and Experience or by the Book
27 of Discipline; and

28 **Be it further resolved**, that GNJ work together to build a fully inclusive church that is in ministry with all people,
29 regardless of their economic status, race, age, ethnicity, gender, sexuality, disability, or immigration status.

30 **Be it further resolved**, that GNJ commits to contextualizing our ministry as is appropriate to the needs of our
31 communities and congregations.

1 **Boycott Israel**

2
3 **Whereas** the Palestinian people including Christians are being oppressed mercilessly by Israel,

4
5 **Whereas**, Israel has blocked any possibility for a two-state solution by its settlement activities,

6
7 **Whereas**, Israel is not willing to engage in any negotiations with Palestinians,

8
9 **Whereas** a solution is not in sight in any form or shape,

10
11 **Whereas** the attacks on Gaza and its destruction is disproportionate cruelty,

12
13 **Be it resolved** that the Greater New Jersey Annual Conference of the United Methodist Church ask its churches
14 and individual members to boycott Israel and postpone holy land trips until a peaceful solution is reached and
15 Israel ends its occupation of Palestine.

16
17 **Rationale:** Boycotting Israel and visiting Holy land seems the only peaceful solution possible to resolve the Israeli
18 Palestinian conflict because the parties are not equal in power to negotiate a just peace settlement.

23 **Call for GNJ to Adopt a Public Statement in Response to General Conference 2019**

24 **Whereas** many in the Greater New Jersey Annual Conference are grieving, and others are feeling forsaken due
25 to the decisions made at the 2019 Special General Conference;

26 **Be it resolved** that the Greater New Jersey Annual Conference adopt the following statement in response to the
27 results of the 2019 Special General Conference Session held in St. Louis earlier this year:

28 We, the United Methodists of Greater New Jersey, are a diverse body of Christ. We cherish this diversity in all
29 its forms, including in regard to sexual orientation and gender identity. We acknowledge and grieve the hurt
30 done to our LGBTQ+ congregants, clergy, families, and friends by the 2019 Special General Conference Session.
31 When one member of the body suffers, we all suffer (1 Cor 12:26).

32 We believe God’s grace is a gift to all people, and all are accepted and celebrated in the kin-dom of God. We
33 believe Christ’s church is most effective as ONE body of Christ and is only complete when those who are LGBTQ+
34 are included in all aspects of ministry.

35 **Be it further resolved** that the Greater New Jersey Annual Conference session expresses its disagreement with
36 the decision of the 2019 Special General Conference Session. The Greater New Jersey Annual Conference is
37 committed to working toward a more loving, wholistic, and effective church—one that is inclusive of all.

17 made; but if there is objection, the Chair, not waiting for a second, shall put the division to a vote.
- 18 **32) Tabling Related Motions** – No motion that adheres to another motion or has another motion adhering
19 to it can be laid on the table by itself. If they are laid on the table, such motions carry with them the motions
20 to which they respectively adhere or which adhere to them.
- 21 **33) Motions After Speaking on a Pending Question** –
- 22 a. A member may make a motion after a speech, although strict parliamentary practice requires motion to
23 be made and seconded before a speech is made so the Conference may determine if it wishes to hear
24 the matter.
25 b. No member who has spoken on a pending question shall at the close of the speech have the right to call
26 for the previous question, to move for indefinite postponement, or to lay the motion on the table.
- 27 **34) Previous Question** – To move the previous question is to move that the vote now be taken on the
28 motion or motions pending.
- 29 a. When moving a previous question, a member shall indicate to what such action applies if any secondary
30 motion or motions are pending. If the member does not so indicate, the chair may regard it as applying
31 only to the immediate pending question. This vote shall be taken without debate and if, in the judgment
32 of the chair, two thirds (2/3) of those present vote for its adoption, the vote shall be taken on the
33 motion or motion to which it applies.
34 b. It shall not be in order to move the previous question in cases involving character or Conference
35 relations, or where the Rules otherwise expressly limit when it is in order to move the previous
36 question.
- 37 **35) Reconsideration of a Question** – A motion to reconsider an action of the Conference shall be in order at

4 **38) When a Motion is in Possession of the Conference** – When a motion is made and seconded, or a
5 resolution introduced and seconded, or a report presented and/or read before the Conference, or stated by
6 the Chair it shall be deemed in possession of the Conference. But any motion may be withdrawn or altered
7 by the mover with the consent of the Conference at any time before voting has commenced.

8 **39) Amendments and Substitutions** –

- 9 a. Only one amendment to an amendment shall be in order.
10 b. It is in order to move a substitute for the main motion. In such case, the Chair shall proceed to perfect
11 the original motion. When the main motion has been perfected, the Chair shall state the question on the
12 substitute. If the substitute is adopted, it shall replace the original main motion and become the main
13 motion. The Chair will then state the question on the (new) main motion. The new main motion can be
14 amended only by addition. If the substitute does not carry, the Chair shall state the question on the
15 original main motion as it has been perfected.

16 **40) Order of Amendments** – When a main motion, report or resolution is under consideration, only one
17 amendment and one amendment to that amendment are permissible. While there can be only one
18 amendment of each degree pending at the same time, any number of amendments can be offered in
19 succession. A substitute and one amendment to the substitute may be offered while amendments of the
20 first and second degree are pending. The permissive order then is: 1) main motion, 2) amendment, 3)
21 amendment to the amendment, 4) substitute, and 5) amendment to the substitute. The voting in this order
22 is 3, 2, 5, 4, 1. If the substitute becomes the main motion, it shall be treated as such.

23 **41) Appeal** – An appeal from the decision of the Chair shall be taken without debate, provided that after the
24 Chair shall have stated the reason for the decision, the appellant may give the grounds for the appeal. (§ 51)

25 **42) The Question of Consideration** – The question of consideration may be raised by any member upon the
26 presentation of any matter that shall be deemed irrelevant, unprofitable or contentious, and shall be
27 decided without debate by majority vote. This applies only to the main motion.

28 **43) Method of Voting** – Voting shall be by voice vote and/or show of hands, or by standing count (provided
29 that in such a count those who cannot stand may vote by raising hands), or by ballot, at the discretion of the
30 Presiding Officer, unless otherwise ordered by the Conference. It shall be in order for any member to call for
31 a vote by count on any question before the Conference, and, if the call be sustained by one-third (1/3) of the
32 members present and voting, a vote shall be taken as called for.

33 **44) Robert's Rules of Order, Supplemental Authority** – In any parliamentary situation not covered in these
34 Rules of Order, the Conference shall be governed in its action by the appropriate provisions of the latest
35 revision of *Robert's Rules of Order*.

36 **V. SPEAKING ON THE FLOOR**

37 **45) Securing the Floor** – Before speaking in debate or delivering any matter to the Conference, a member
38 shall approach and wait at a microphone provided for addressing the Conference from the floor, or shall
39 raise a card provided for the purpose of gaining recognition. When the member has been recognized by the
40 Bishop, the member shall proceed to speak at a designated microphone. Before addressing the purpose of
41 speaking, members shall state their names and local church or affiliation.

42 **46) Limitations on Debate** –

- 1 a. The chairperson of the agency that originated the report or recommendation(s) shall present them as
2 the main motion before the plenary session, and shall have five (5) minutes for comment, except as
3 provided under h) below.
- 4 b. If there is a (are) minority report(s) or recommendation(s) from members of the agency, a
5 representative shall be allowed five (5) minutes for a presentation.
- 6 c. All debate on the floor of the Conference shall follow the principle of alternate debate, that is, a speaker
7 for, then a speaker against. When no speaker on the side opposed to the last speaker is ready, the
8 President may recognize one who desires to speak on the same side as the prior speaker.
- 9 d. No person shall speak more than once on the same question without permission of the Conference,
10 except as provided under g) below.
- 11 e. No person shall speak more than three (3) minutes at one time without permission of the Conference,
12 except as provided under a) or h).

- 16 g. An agency presenting Special Reports at the direction of the Conference shall have sufficient time as
17 determined by the Sessions Committee to present such reports and recommendations.
- 18 h. Except for non-debatable motions, no report or motion shall be put to the question without the
19 opportunity having been given for at least two (2) speeches for and two (2) speeches against the
20 pending question. After two (2) speeches pro and two (2) speeches con and provided no secondary
21 (subsidiary, privileged--other than "previous question"-- or incidental) motions come to the floor and no
22 other member seeks the floor to speak on the pending question, the question shall automatically be put
23 to the question.
- 24 i. The motion for the previous question shall not be in order on the pending question until opportunity has
25 been given for at least two (2) members to speak on each side of the pending question. If, after
26 reasonable opportunity has been offered by the chair, no member has requested to speak against a
27 resolution, motion or amendment, any member may move the previous question, to close debate.
28 Likewise, if one member has spoken against a resolution, motion or amendment, but, after reasonable
29 opportunity has been offered by the chair, no second member has requested to speak against the
30 measure, any member may move the previous question, to close debate.

31 **47) Representation of Committees** – When the chairperson of a Conference agency is not in harmony with a
32 report or recommendation adopted by the agency, it shall be the chairperson’s duty to state the fact to the
33 agency. The agency may then elect one of its members to represent it in the presentation of the report or
34 recommendation in Conference. If the committee fails to elect such a representative, the chairperson may
35 designate a member to represent the committee.

37 except when a member has the floor, except as otherwise specifically provided elsewhere in the Rules.

38 **49) Interrupting the Speaker** – No one shall interrupt a member who has the floor except for a breach of
39 order, a misrepresentation, a departure from the question, to direct the attention of the Conference that
40 the time has arrived for a special order of the day, or to raise a very urgent question of high privilege.

41 **50) Questions of Privilege** – All requests from the floor to be recognized for matters of privilege must be
42 made in writing to the Conference Secretary. They shall state the reason for the request to address the
43 conference and the purpose of the request. The requests will be reviewed by a committee composed of the
44 Conference Lay Leader, Conference Secretary, and the Chair of Conference Sessions. The committee shall
45 recommend to the Presiding Bishop whether or not to recognize the requestor for the purpose of presenting

1 the matter of privilege. The Presiding Bishop shall have sole authority in receiving and acting upon the
2 recommendation of the committee.

3 **51) Announcements, Courtesy Presentations and Distribution of papers –**

- 4 a. Announcements of matters of information to the Conference shall be submitted on the Announcement

7 be submitted as soon as possible after the matter is known.
- 8 b. Requests to make Courtesy Presentation speeches during a plenary session by a person not a member of
9 Annual Conference or by a member are subject to the discretion of the bishop. As a general rule, no

18 **VI. NOMINATIONS**

19 **54) The Committee on Nominations and its Ministry –** The Committee on Nominations will consist of the
20 District Lay Leaders, the Conference Lay Leader, the Director of Connectional Ministries and the District
21 Superintendents. The Committee shall nominate the appropriate number of people each year to the Annual
22 Conference Session for election.

- 23 a. The Committee on Nominations will develop and use a system to identify nominees based on their gifts,
24 experience, and skills that will help the Conference achieve its vision, mission and goals as adopted by
25 the Annual Conference, particularly leadership evidenced in making and maturing disciples, growing
26 vital congregations and transforming lives and communities. Additionally, the Committee shall ensure
27 the nominations reflect the diversity of the Conference.
- 28 b. Agency members shall be elected and placed into four staggered classes and each class will serve for a
29 term of two years. An agency member may serve for four terms for a maximum of eight years.
30 Nominations and elections will follow the rotation schedule unless otherwise mandated by the Book of
31 Discipline.
- 32 c. In order to aid the Committee on Nominations in its work, it is requested that any member of the
33 Conference who has a personal preference to serve on any particular agency communicate such
34 personal preference to the chairperson of the Committee on Nominations on the appropriate form prior
35 to January 1.
- 36 d. Nothing herein shall exclude additional nominations from the floor of the Conference. All nominations
37 from the floor must be submitted on forms supplied in the pre-conference mailing or secured from the
38 Chairperson of Nominations prior to placing the name in nomination. The signatures of the nominator
39 and nominee must be on the form or it will be declared invalid.

40 **55) Chairpersons and Officers –**

- 41 a. For the sake of empowering diverse leadership, the Committee on Nominations shall nominate, and the
42 Annual Conference elect, all chairpersons and officers for agencies, boards, commissions, committees,

1 councils and teams except where the Book of Discipline instructs differently. All terms shall be for the
2 quadrennial, or such other period as specified by the action of the Conference.

- 3 b. The Committee on Nominations shall nominate all chairpersons and officers for agencies, boards,
4 commissions, committees, council and teams [hereinafter Agency/Agencies] that the Book of Discipline
5 requires to select its own chair and officers. These nominations shall not come before Annual
6 Conference, but shall be presented directly to the respective Agencies for vote at their first meeting
7 after Annual Conference. In the absence of a duly elected Chair, whose term has not yet expired, the
8 District Superintendent assigned to the agency either permanently, or for the election process, shall
9 chair the meeting until the new chair is elected.¹
- 10 c. In all nominations, special attention shall be given to seeking diversity of inclusion by gender, age, racial
11 and ethnic background, and to inclusion of people with disabilities and from all size churches. (See
12 Discipline paragraph 610.5)

13 **56) To Fill Vacancies –**

- 14 a. The Committee on Nominations is to recommend to the Connectional Table Executive Committee any
15 persons to fulfill an unexpired term of any agency vacancy between Annual Conference Sessions except
16 where the *Discipline* instructs differently.
- 17 b. Preference will be given to members of the Annual Conference to serve on conference agencies when
18 they have the skills, experience and qualities being sought for an agency.

20 nominations, in which case the Committee on Nominations is to submit new nominations. These
21 individuals serve until they or someone else is elected at the next Annual Conference Session.
- 22 d. When a person duly nominated and elected to any Conference agency does not attend three (3)
23 consecutive meetings of the agency, it shall be the responsibility of the chairperson to attempt to
24 contact that person by mail or telephone with a view to activation or resignation. The chairpersons shall
25 report in writing annually to the Chairperson of the Committee on Nominations regarding contact with
26 all non-participants and the results of such contacts. This information shall be provided by January 31 of
27 each year.

28 **57) Elections –**

- 29 a. The report of the Committee on Nominations shall be distributed in the Pre-Conference mailing and/or
30 the packet received at the seat of the Annual Conference. The report shall be presented without
31 reading. Upon adoption of a motion to close nominations, the Chairperson of the Committee on
32 Nominations shall move the election of all nominees whose elections are uncontested.
- 33 b. When the number of persons nominated exceeds the vacancies on an agency or when more than one
34 person is nominated for a specific office, there shall be a secret ballot listing only those persons where a
35 contest exists. The ballot will be taken at a time subsequent to the election in a) above. The ballot shall
36 be distributed, collected and tallied by tellers selected by the Conference Secretary, who shall report the
37 results listing only those elected. Election shall be by a majority of those voting. Lacking a majority, there
38 shall be another ballot listing only those receiving 25% or more of the votes.

39 **58) Quadrennial Agencies -**

- 40 a. An elected member of a conference or district committee, board or agency shall be eligible for not more
41 than two consecutive four year terms unless specified otherwise in the Book of Discipline. Service of two
42 years or more in filling an unexpired or vacated position shall be counted as a full four-year term. For

2 actual dates of the conferences.

- 3 b. Persons elected by the Annual Conference to serve in an affiliated organization* may serve in accord
4 with the by-laws of the organization in which they are elected to serve, except that no term of office
5 may exceed five years. All persons elected or reelected to serve in an affiliated organization shall be
6 elected in accord with the Annual Conference rules on nomination and election.

7 *An affiliated organization is one that wishes to maintain a connectional relationship with the United
8 Methodist Church through the Greater New Jersey Annual Conference.

- 9 c. Members of the Annual Conference who are voting members of a general agency shall serve as ex-
10 officio (with vote) members of the corresponding annual conference agency or its equivalent structure

16 office or as a member of a general agency.

17 61) **District Superintendent Voting** – A District Superintendent regularly assigned to any Conference agency
18 by the Cabinet shall have a vote in that agency, and shall be the only District Superintendent who shall have

24 63) **Nominations** – In a year in which elections to the General and Jurisdictional Conferences are to be held,
25 the Conference Secretary shall open nominations for lay and clergy delegates on December 15 and
26 nominations will be closed on February 15. An individual who desires to be a delegate shall download and

30 Members who are eligible to vote for such delegates, and who endorse the nomination of the candidate.

- 31 a. Nominees may address their respective sessions for no more than one minute each, provided that no
32 more than forty five minutes shall be allotted for speeches. If more than 45 lay persons or
33 clergy persons are nominated, the allowed times for individual speeches will be adjusted accordingly. No
34 speeches regarding nominees will be in order after the original time allotted for such speeches.

9 e. Only those nominated are eligible for election. If a ballot lists someone who has not been
10 nominated, the ballot will be disqualified.

11 66) **Counting and Reporting** –

- 12 a. After a ballot has been counted, the chief teller, either clergy or lay, shall furnish a written report to the
13 bishop, which shall contain (a) the number of ballots cast; (b) the number of ballots not valid; (c) the
14 number of valid ballots counted; (d) the number of ballots necessary to elect; and (e) the list of names of
15 persons voted for, including the number of votes received by each. The results will be disclosed or
16 displayed before the next ballot is taken.
17 b. Minimum Votes. On the first ballot for both General Conference and the jurisdictional conference, the
18 presiding officer shall read or distribute all names receiving 5 or more votes, together with the number
19 of votes cast for each. Thereafter, the minimum number of votes received to be included in the next
20 ballot shall be increased by five for each delegate elected (that is, on the first ballot a minimum of 5
21 votes to be included in the next ballot; after the election of the first delegate, a minimum of 10 votes to
22 be included in the next ballot; after the election of the second delegate, a minimum of 15 votes, etc.).
23 After the ballot in which the last delegate is elected to the General Conference, all the names that were
24 originally nominated are available for election to Jurisdictional conference. Those elected to General
25 Conference will not be listed.
26 c. If necessary, another ballot shall be taken in like manner, and so on, until the proper number of
27 delegates has been chosen.

28 67) **Qualifications** –

- 29 a. Clergy Delegates – The *Discipline*, ¶ 35 (Article IV), permits any active or retired member of the
30 Annual Conference in full connection to be eligible for election to the General or Jurisdictional
31 Conferences.
32 b. Lay Delegates - The *Discipline*, ¶ 36 (Article V), asserts that lay delegates shall be elected “without
33 regard to age, provided that such delegates shall have been professing members of the United
34 Methodist Church for at least two years next preceding their election, and shall have been active
35 participants in the United Methodist church for at least four years next preceding their election, and
36 are members thereof within the Annual Conference electing them at the time of holding the General
37 and Jurisdictional Conferences.”

38 68) **Reserve Delegates** – After the authorized numbers of delegates have been elected, 3 clergy and 3 lay
39 reserve delegates shall be elected on a single ballot, with the 3 persons receiving the greatest number of
40 votes in each category being elected in the order of the number of votes received.

41 **VIII. CONCERNING FINANCIAL OPERATIONS**

42 69) **Budget** – The Annual Conference shall adopt at each Annual Session a budget for each of the following:
43 Clergy Support, Administrative Costs of the Annual Conference, World Service, Conference Benevolences,

1 and other Apportioned Funds. These budgets become effective for the fiscal year beginning on January 1st
2 following the session. Apportionments of these budgets shall be sent to the several churches as soon after
3 the session as is feasible.

4 **70) Apportionments** – The Conference Shared Ministry Budget shall be apportioned annually among the
5 churches of the Conference according to a formula recommended by the Conference Council on Finance and
6 Administration and adopted by the Annual Conference. Following adoption, the formula will remain in effect
7 until such time as changes are recommended by the CF&A and adopted by the Annual Conference. The
8 formula shall be outlined on a Shared Ministry data sheet, which shall be distributed to the churches as soon
9 as practical after the end of each year’s annual conference, but in no event later than the end of the fiscal
10 year.

11 **71) Prior Action by Council on Finance and Administration** – Every motion, recommendation, resolution or
12 other legislative act having to do with budgeting, apportionments, allotments or expenditure of funds shall
13 first be submitted to the Council on Finance and Administration. After adequate time is allowed for
14 investigation and study, the council shall report its recommendation to the Conference. This report shall be
15 received before such legislation may be acted upon by the Annual Conference.

- 16 a. No agency or member of the Conference shall commit the Conference financially for the support of
17 programs within or beyond the Greater New Jersey Annual Conference without first obtaining the
18 approval of the Annual Conference after study and recommendation of the Council on Finance and
19 Administration, and not until funds are available or have been allocated to meet such commitments.
- 20 b. Any person or agency requesting an emergency offering should contact one of the Team
21 Coordinators, who will present the matter to the Cabinet and the Council on Finance and
22 Administration. Any funds received as a result of such an offering will be held by the treasurer and
23 administered by a task force established by the Cabinet for that particular appeal.

24 **72) Time Limit on Submitting Budget Requests** –

- 25 a. Requests for inclusion of an item in the Clergy Support Budget and/or the Administrative Costs of
26 the Annual Conference Budget to be acted on by an Annual Conference shall be submitted to the
27 Treasurer’s office by the third Monday of January preceding the date of the Annual Conference,
28 except in cases of unavoidable emergency.
- 29 b. Requests for inclusion of an item in the World Service Budget and/or the Conference Benevolences
30 Budget to be acted on by an Annual Conference shall be submitted to the Connectional Table by
31 January 15 preceding the date of the Annual Conference, except in cases of unavoidable emergency.

32 **73) Amending Allotments** – An agency shall not attempt to amend its allotment in a proposed budget
33 submitted to an Annual Conference unless it has previously presented an appeal to the Council on Finance
34 and Administration at a meeting held preceding the date of the Conference.

35 **74) Increased Asking by Amendment** – In amending a proposed budget on the floor of the Annual
36 Conference, no item shall be increased above the amount originally requested by the responsible agency in
37 its asking to the Council on Finance and Administration, except when the consent of both the agency and
38 the Council on Finance and Administration has been obtained.

39 **75) Proper Use of Budgeted Funds** – No agency of the Conference shall spend budgeted funds for any
40 purpose other than the general purpose for which the funds were originally requested, unless the consent of
41 the Council on Finance and Administration and the Ministries Team has been obtained for such a
42 reallocation. An expenditure item shall be budgeted for the year when it is expected to be spent, and it shall
43 be spent only in the year for which it is budgeted. When uncontrollable circumstances warrant, an

1 emergency request may be directed through the Ministries Team to the Council on Finance and
2 Administration for a budget adjustment.

3 **76) Financial Appeals to the Churches** – Any agency planning to send a communication or appeal to the
4 churches requesting contributions to any agency or fund shall first submit its proposed communication or
5 appeal to the Council on Finance and Administration. The Council shall ascertain if the procedure is in accord
6 with existing legislation, and shall make certain that remitting instructions are correct. Any contribution
7 received by the Conference Treasurer in response to a communication which has not been cleared as herein
8 provided shall be credited automatically to World Service and Conference Benevolences through the
9 remitting church.

10 **77) Customary Draft** – When presented and endorsed, the customary draft from the United Methodist
11 Publishing House shall be turned over to the Conference Treasurer for pensions for clergy of the central

13 **78) Bonding** – All persons who hold or disburse conference funds shall be bonded in such amounts as may
14 be deemed wise by the Council on Finance and Administration.

15 **79) Fiscal Year** – The fiscal year shall coincide with the calendar year, unless another fiscal year is designated
16 by the Conference Treasurer after approval by the Conference. All payments to be credited to a given fiscal
17 year shall be in the hands of the Conference Treasurer not later than the following January ~~10th~~ 20th. All local
18 church financial reports shall be forwarded to the Conference Treasurer by a deadline to be announced
19 annually.

20 **80) Audit** – The Council on Finance and Administration shall be responsible for arranging that a Certified
21 Public Accountant shall audit the accounts of the Annual Conference. The Council on Finance and
22 Administration shall publish a statement of Certification of each audit in the Journal.

23 **IX. CONSENT CALENDAR**

24 **81) Consent Calendar** –

25 a. The Conference Agenda Committee may present to the Annual Conference a proposed consent
26 calendar, including those items which the Annual Conference may approve with one vote of approval by the
27 Conference membership.

28 b. A written list of items on the consent calendar, including the name of the motion, name of the author,
29 and page number in the Pre-Conference Workbook will be presented to all members of the Conference
30 upon check-in at the Conference session.

31 c. The consent calendar list will include a space where Conference members may check any item(s)
32 which they would like to see removed from the consent calendar.

33 d. To vote to remove an item from the consent calendar, Conference members must:

- 34 i. Check the item(s) they wish to see removed from the list, or
- 35 ii. Write in an item which has been added subsequently by Conference action.
- 36 iii. Print his or her name and church on the list, and sign the list.
- 37 iv. Bring the list to the Conference Secretary's table and give the list to the Conference Secretary or
38 one of the Assistant Secretaries.

39 e. If any item on the consent calendar receives ten (10) or more such votes in favor of removing it from
40 the consent calendar, that item will be removed and placed on the Conference agenda by the Agenda
41 Committee.

1 f. All requests for items to be removed from the consent calendar shall be delivered to the Conference
2 Secretary as early as possible, but no requests will be received within the last twenty-four (24) hours before
3 the stated time of adjournment of the Conference session. During this last twenty-four (24) hour period,
4 items may only be removed from the consent calendar by a ¾ vote of the Conference.

5 X. NOMINATION OF EPISCOPAL CANDIDATES

6 82) **Nomination of Episcopal Candidates** - The procedure for nomination of Episcopal Candidates to the
7 Jurisdictional Conference as permitted by ¶405 of the *Book of Discipline* shall be as follows:

- 8 a. In a year in which one or more Episcopal Candidates are to be nominated by the Annual Conference, the
9 Conference Secretary shall provide for the receiving of nominations until the deadline for submission of
10 proposed legislation for that year's annual conference. Each proposed nomination shall be submitted on
11 one side of an 8 1/2 by 11 inch sheet of paper or by electronic means designated by the Conference
12 Secretary. Only eligible persons may be nominated. The Bishop shall, before the ballot is taken, remind
13 the Annual Conference of the eligibility requirements for election to the office of the episcopacy.
- 14 b. The Jurisdictional Conference delegates (acting as a group) shall have the privilege to speak to the
15 Annual Conference on behalf of the person(s) they have endorsed for nomination to the episcopacy
16 (provided they have submitted such nomination in the manner described in Rule 82(a) above). If no
17 other nominations have been submitted as indicated in Rule 82(a) above, the Bishop shall call for a vote
18 of the body. A majority vote will be sufficient for this person (these persons) to be recognized as the
19 episcopal nominee(s) of the Annual Conference.
- 20 c. If there are additional nominations submitted in accordance with Rule 82(a) above, the Bishop shall call
21 for a written or electronic ballot following this procedure:
- 22 i. Nominees may each give a three minute speech. There shall be no seconding speeches.
 - 23 ii. If any ballot contains the name of an ineligible person, that name shall not be tallied, but other
24 names on the ballot shall be tallied.
 - 25 iii. Conference members may vote for one such nominated individual. An individual must receive
26 60% of those voting to be nominated by the Annual Conference. If an individual does not receive
27 60% of the vote by the fifth ballot there will be no nominee. If someone is nominated, the
28 conference will take up to three ballots to see if a second person is nominated. If no one
29 receives 60% of the vote by the third ballot there will not be a second nominee. Those who do
30 not wish to see anyone nominated may so indicate that desire on their ballots (in the
31 manner prescribed by the Conference Secretary) and the ballot shall be counted as cast.
- 32 d. Only the persons selected in the foregoing manner shall be deemed Nominees of the Greater New
33 Jersey Annual Conference.
- 34 e. This procedure shall not foreclose efforts by individuals or groups in the Annual Conference to promote
35 the candidacy for the episcopacy of other persons.

36 XI. RULES OF ORDER RESOLUTIONS

37 83) **Resolutions to change the Rules of Order** –

- 38 a. Any resolution or proposed change, by addition or deletion to the Rules of Order, with the exception of

41 the body. The initiator of any proposed change to be included in the Pre-conference mailing shall at the
42 same time submit a copy of said proposed change to the chairperson of the Committee on Rules of

- 1 Order. The Rules Committee may request a meeting with the initiator prior to the convening of the
2 Annual Conference.
- 3 b. If the change is proposed at the site of the Annual Conference, it shall be referred to the Committee on
4 Rules of Order and a report to the body will be made no later than the next plenary session.

5 **XII. HOLY CONFERENCING PROCEDURE FOR CERTAIN GENERAL CONFERENCE PETITIONS**

6 84) A procedure to facilitate holy conferencing shall be used, at the Bishop’s discretion, to discuss petitions to
7 General Conference regarding issues related to human sexuality or such other issues that would benefit from
8 the same procedure.

9 A special order of the day will be established to provide for holy conferencing. The special order of the day
10 shall proceed as follows:

- 11 1. Representatives of the two primary positions selected by the Bishop will each make a twenty-minute
12 presentation.
- 13 2. Upon conclusion of the opening presentations, the Bishop shall bring the Conference into silent prayer
14 for two minutes.
- 15 3. Then ten minutes will be provided for delegates to share what they heard with their fellow Christians
16 seated to their immediate left and right. This is not a time for debate, but rather to listen to what their
17 neighbors heard.
- 18 4. The Bishop will then call the Conference to order. Delegates will then have the opportunity to share their
19 thoughts with the Conference. The Bishop shall establish a total amount of time for discussion, not to
20 exceed sixty minutes. No member may speak longer than two minutes. All speakers will be notified when
21 ten seconds remain of their time. The speaker will be allowed to finish a sentence at the expiration of
22 allotted time. Then, that microphone will be cut off and the next speaker will be recognized. This will
23 continue until the total allotted minutes have elapsed or everyone who wished to be recognized had an
24 opportunity to speak, whichever comes first. No subsidiary, privileged or incidental motions will be in
25 order during this time of discussion.
- 26 5. The regular business of the Conference will then resume.

27 At a previously noted time during plenary session on the following session day, the petitions will be voted
28 upon by secret written ballot. Thirty minutes will be allotted for this vote. No debate or motions will be in
29 order at this time.

30 **XIII. HOLY CONFERENCING PROCEDURE FOR PROPOSED CONSTITUTIONAL AMENDMENTS**

31 85) A procedure to facilitate holy conferencing shall be used at the Bishop’s discretion to discuss proposed
32 Constitutional amendments coming from the General Conference.

33 A special order of the day may be established to provide for holy conferencing. The special order of the day
34 shall proceed as follows:

- 35 1. The co-chairs of the delegation to General Conference will present the proposed amendments to the
36 Conference in a fifteen-minute presentation. Upon conclusion of the opening presentation, the Bishop
37 shall bring the Conference into silent prayer for two minutes.
- 38 2. Then up to ten minutes will be provided for members to share what they heard with their fellow
39 Christians seated to their immediate left and right. This is not a time for debate, but rather to listen to
40 what their neighbors heard.
- 41 3. The Bishop will then call the Conference to order. Members will then have the opportunity to share

1 their thoughts with the Conference. Sixty minutes will be allotted for this. No member may speak longer
2 than two minutes. Each speaker will be notified when ten seconds remains of their time. The speaker
3 will be allowed to finish a sentence at the expiration of their time. Then, that microphone will be cut off
4 and the next speaker will be recognized. This will continue until sixty minutes have elapsed or everyone
5 who wishes to speak has been recognized whichever comes first. No changes are permitted to be made
6 to Constitutional amendments.

7 4. The regular business of the Conference will then resume.

8 At a previously noted time during a subsequent plenary session, the amendments will be voted upon by
9 secret ballot. Members will be able to vote in favor of or against each individual amendment. If a member
10 wishes to abstain, the member will leave the ballot blank for that particular amendment.

11 Should any of the foregoing Rules of the Greater New Jersey Annual Conference be in conflict with the
12 provisions of the current Book of Discipline, then the provisions of the Discipline shall take precedence.

1 Reports to Greater New Jersey

3 A Future With Hope

4 A Future With Hope, (“AFWH”) is a Vital Mission Partner of United Methodists of Greater New Jersey and serves
5 as the mission arm of the organization. Formed in the aftermath of Superstorm Sandy in 2012, AFWH has the
6 following vision: Hope emerges where residents, business, organizations, government and institutions work
7 together to heal communities.

8 During the relief phase in the aftermath of Superstorm Sandy, AFWH:

- 9 • Provided more than 50,000 meals
- 10 • Provided day and night shelter for more than 5,000 people
- 11 • Distributed more than 11,000 cleaning buckets, more than 3,000 health kits, tons of clothing and
12 other material supplies such as non-perishable food, heaters, blankets, etc.
- 13 • Assessed community needs and “mucked” out nearly 2,000 homes

14 During the recovery phase of Superstorm Sandy, AFWH:

- 15 • Rebuilt or repaired 273 homes
- 16 • Provided case management for 461 families
- 17 • Hosted more than 12,000 volunteers from 48 states and two countries for a labor value of
18 \$8,095,413
- 19 • Received an estimated \$17 million in funding

20 Today, AFWH is focused on community renewal with an asset-based community development ministry that
21 creates Hope Centers.

22 AFWH’s community development ministry focuses in three areas:

- 23 4. Engaging congregations and communities in Communities of Hope training. Communities of Hope
24 trains congregations and communities in strategic planning, community organizing, systemic
25 change, and working inter culturally. At the end of the training, each Community of Hope team has a
26 community strategic plan to guide its work.
- 27 5. Developing, overseeing and resourcing Hope Centers. Hope Centers are congregations and
28 community centers affiliated with GNJ that identify and provide needed services within a
29 community.
- 30 6. Leading community economic development projects that include housing development and
31 repurposing church buildings.

32 AFWH has 17 Hope Centers. Hope Centers connect United Methodists with community residents, school, non
33 profit organizations, businesses, town governments, and other faith groups to feed the hungry, provide high
34 quality childcare and educational enrichment for students, build affordable housing, assist the homeless and
35 offer job training.

36 In 2019, AFWH hired a new Executive Director, Richard Reinhard and elected new board leadership to include
37 Chris Heckert as Chair and Niurca Louis as Vice Chair.

1 Africa University

2
3 Africa University thrives in ministry because of the steadfast support of the local congregations of The United
4 Methodist Church. Thank you to the members of the Greater New Jersey Conference for prioritizing Africa
5 University and its ministry with an investment of 100 percent of your asking to the Africa University Fund (AUF)
6 apportionment in 2018.

7 In sowing so consistently into the Africa University Fund, the Greater New Jersey Conference continues to affirm
8 the university's core mission of nurturing leaders who help communities to know Christ and to experience peace,
9 sustainable livelihoods, food security and abundant health.

10 Institutional Update:

- 11 • In 2018, Africa University enrolled more than 700 new students and maintained an overall enrollment of
12 around 2,000 students. There were 25 African countries represented in the student body. Women made
13 up 53 percent of the student population, which is almost twice the average for African higher education
14 institutions.
- 15 • Throughout 2018, Africa University weathered the challenges of Zimbabwe's depressed and uncertain
16 socio-economic environment with creativity and prudence. The university delivered teaching, learning
17 and community service activities of high-quality without interruption, while also renewing and expanding
18 its infrastructure. Key enhancements in 2018 included the refurbishment of three residence halls for
19 women students and the full implementation of an ERP software system to integrate and manage all
20 facets of the university's operations.
- 21 • With conflict, poverty, and the impact of climate change persisting as the key drivers of food insecurity
22 and the rise in internal displacement, migration, and refugeehood in Africa, the university consolidated
23 its position as a trailblazer by offering new graduate training and research opportunities. Africa University
24 has also continued to provide scholarships for refugee women so that their experiences, talents and ideas
25 are integrated into the search for solutions.
- 26 • Africa University delivered critical data for reducing malaria deaths in southern Africa and controlling the
27 spread of insect-borne diseases world-wide. AU's insectary—a laboratory for rearing and studying live
28 insects, such as mosquitos—shares its findings through the Southern Africa Centers of Excellence for
29 Malaria Research. This data informs regional policies, practices and malaria control efforts.

30 The students, faculty, administrators and trustees of Africa University thank the members of the Greater New
31 Jersey Conference for their prayers and support, which continue to grow and sustain its ministry. Thank you,
32 Greater New Jersey United Methodists, for all that you have invested in mission and ministry through Africa
33 University over the past 27 years. Our shared story is one of transformation, hope and realized dreams, ensuring
34 for the congregations of the Greater New Jersey Conference a witness that is real and far-reaching (John 13:34-
35 35). As Africa University and the Greater New Jersey Conference move forward together in missional engagement,
36 we trust in God's unending grace for the increase.

1 Archives and History, Commission on

2 2018 has been a productive year of engaging in the ministry of memory for the GNJC Commission on Archives
3 and History (CAH), as we supported vital congregations by encouraging clergy, lay leaders and church historians
4 to strengthen their Wesleyan identity and fulfilled our Disciplinary mandate to identify, preserve and make
5 available the historic record of ministry within GNJ. We encourage the celebration of our Wesleyan heritage and
6 the preservation of local church history through the annual Robert B. Steelman Church History award, the
7 Morris L. Smith Ethnic Church History award and the John C. Goodwin Multi-Media History Award, as well as
8 through the recognition of significant church anniversaries.

9 We recognize congregations which were transformational in the life of our annual conference by identifying and
10 recommending churches or locations as Conference Historic Sites and nominating them for recognition by GCAH
11 as UM Historic Sites.

12 Further, we post guidelines for Church Historians, suggestions for writing church histories, records retention
13 schedules and other valuable historical resources online and available through the CAH webpage on the GNJC
14 website. Likewise, we provide links to access digital copies of The Historical Trail and The Circuit Writer, the
15 respective historical journals of the former SNJ & NNJ Annual Conferences, which are available on Internet
16 Archive.

17 Additionally, we collaborate with local churches and the GNJC Historical Society to provide regional venues for
18 congregations to honor their unique faith stories and share those stories within GNJC and the NE Jurisdiction.
19 Foremost, we maintain our GNJ Archival collection in the GCAH vault at the Archives and History Center at Drew
20 University in Madison. Our materials are available to local churches through the services of the Archival
21 librarian. Our extensive physical archival and digital collections serve as resources within which local churches
22 can research their "Methodist DNA" and function as repositories where they can safely and securely store,
23 process and maintain their historical records and artifacts.

24 We also stand ready to provide consultation on historical issues and assistance in planning and celebrating
25 significant anniversaries and events, including providing speakers to lift up the historical significance of the
26 church or explore other topics related to our Wesleyan tradition, American Methodism and GNJ history.

27 2018 CAH highlights include:
28

- 29 1. Archival Space: We preserve the historical records of closed churches within the bounds of GNJC and its
30 antecedents and provide for the retention of the corporate records of GNJC boards, agencies and
31 committees. We manage a 1,113 cubic foot archival collection, which is located in the fire-safe and climate
32 controlled archival depository in the vault of the General Commission on Archives and History (GCAH), UMC,
33 in Madison, NJ. Our archival space is secured through a unique and cost-effective rental agreement with
34 GCAH, which is preserves our closed church and conference agency records and demonstrates effective
35 stewardship by limiting the impact of archival costs on our shared ministry budget.
- 36 2. Ancestry.com: Our GNJCAH page on Ancestry.com received a total of 499,410 page-views, 286,115 image
37 views and 213,295 text views for 2018. As a result, our closed church vital statistics (births, baptisms, deaths
38 and marriage records) are easily accessible, highly utilized and extend our CAH influence far beyond GNJ!
- 39 3. Internet Archive: We support an extensive digital library of historical journals and resources on Internet
40 Archive (IA) and maintain a link to this resource from the GNJC website. IA is a free portal that allows us to
41 post an unlimited amount of historical material on the internet. Utilizing IA has increased the number of

- 1 historical resources we make available online and reduced our impact on GNJC data rates. In 2018, 83 items
2 on IA were accessed, which generated 3,420 page-views.
- 3 4. Consultation and Speaking: One of our members attended a historic site dedication in 2018. Other members
4 remain available to assist local churches in reflecting upon their Wesleyan identity and role within the
5 mission of GNJC.
- 6 5. Advertising and Displays: We ran advertisements to promote our annual church history contests in GNJ
7 Digest and UM Relay, updated our commission information and resources on the GNJC Website, and hosted
8 a display table at annual conference which highlighted our awards, conference historic sites and the work of
9 the commission.
- 10 6. Conference Historic Sites: We presented three nominations for Conference Historic Site status that were
11 approved by vote of the 2018 Session of GNJAC. These three new sites are the Kingwood UMC in Hunterdon
12 County, Clarksboro: Evangelical UMC in Gloucester County and Union City: Emmanuel UMC in Hudson
13 County. All are now listed on the GCAH denominational Historic Site list and either have already or will
14 receive UMC Historic Site Markers. Nominating these sites created excitement about our historic heritage at
15 annual conference and has proven to be a way that CAH can inspire our congregations to celebrate their
16 place in the mission and ministry of GNJC. We are nominating Centenary University in Hackettstown, NJ to
17 be considered as a Conference Historic Site by the 2019 GNJ Annual Conference Session.
- 18 7. The Robert B. Steelman Methodist History Award: The Steelman Award is given annually to the local church
19 that submits a history which best exemplifies an inclusive narrative on the life and ministry of the
20 congregation from its beginnings to the present day. We awarded the 2018 Steelman Award to Centenary
21 UMC in Metuchen, NJ. We are recognizing First UMC in Dover, NJ as the 2019 Steelman Award winner.
- 22 8. Evangelical UMC & GNJC Historical Society: CAH collaborated with Evangelical UMC in Clarksboro, NJ and the
23 GNJC Historical Society by supporting the Historical Society's 2018 Annual Meeting and historical program
24 on Saturday, October 29, 2018 celebrating The 50th Anniversary of The United Methodist Church. Rev. Fred
25 Day, General Secretary of the General Commission on Archives and History, was the keynote speaker. While
26 there, we presented Evangelical UMC with their Conference Historic Site plaque. Through this collaboration
27 we encouraged the telling of the stories of our faith tradition and recognized the contributions of one of our
28 historic congregations.
- 29 9. NEJCAH: We continue to have a representative, Donald DeGroat, on the Northeast Jurisdiction Commission
30 on Archives and History Executive Board, which gives GNJ CAH a presence, leadership role and influence on
31 the jurisdictional commission. Additionally, our chairperson and Don attended the NEJCAH meeting in
32 Lancaster, PA in May 2018 and actively supported the ministry of the jurisdictional commission.
- 33 10. Recognition of Significant Local Church Anniversaries: We presented recognition certificates to those
34 churches celebrating major anniversaries and received positive feedback that congregations were excited to
35 receive the acknowledgement.
- 36 11. Work of the Archivist: Our commission assisted local churches efforts to document their past ministry with
37 the help of our volunteer archivist, Walt Jones. Walt responded to 42 specific information requests in 2018.
38 Walt and Mark Shenise received a number of requests for information from Eryn Boyce and Beverly Schol.
39 Eryn is the historian with the Hunter Research, Inc. and conducts some research on the Windsor UMC, and
40 Springfield Emanuel UMC. We provided them with a listing of the materials contained in the Windsor UMC
41 church collection, which pertain to the churches' cemetery. In this way, we assisted the Conference Trustees
42 with clarification of issues of boundaries and deeds, etc.
- 43 12. Cost Effectiveness: A metric that is harder to quantify, but no less valuable, is the combined total of
44 resources accessed by individuals annually. The combined metrics of Ancestry.com, Internet Archive, the

1 Work of the Archivist above, along with page views of our GNJ webpage, demonstrate that we were good
2 stewards of conference resources, because we supported and resourced a significant amount of inquiry at
3 no or limited expense to the 2018 GNJC Shared Ministry budget.

1 **Church and Society, Board of**

2 The GNJAC Board of Church and Society has partnered with the conference immigration task force to approach a
3 variety of actions and public demonstrations on behalf of immigrant rights and fair treatment. In July, this
4 partnership organized an ecumenical rally outside the ICE detention center in Elizabeth, New Jersey, where
5 immigrant families were being retained. Participating in the rally were Bishop Schol, several conference staff
6 members, board members and Dean Javier Viera of Drew Theological School. Following this rally, several C&S
7 board members were trained as advocates by the First Friends non-profit organization; this training is ongoing.
8 Board members also rallied in Trenton, supporting legislation allowing immigrants to get drivers' licenses. The
9 Board has also worked on Fair Wage legislation support and signed onto the lawsuit against school segregation.
10 The Board has been thankful for the support of the conference staff as we've engaged these programs and plans
11 and anticipate ongoing collaboration.

14 **Ordained Ministry Report, Board of**

15 As I complete my third year as chair of the Greater New Jersey Board of Ordained Ministry, I rejoice in the way
16 that God is working through the members of the Board in ordering the life of the clergy and serving the annual
17 conference. In addition, as we shepherd, serve and journey with candidates in their season with us, it is a
18 privilege to walk with them, offer them support and guidance and assist them in discerning where God is calling
19 them – all while doing the necessary work of evaluation as a Board.

20 For the 2018-2019 conference year, the Board has continued to develop its process of discernment for both
21 provisional and full member candidates. Through the examination of written materials, recommendations,
22 sermons, interviews, site visits and other tools of assessment, the Board will assess thirty-two candidates in total
23 – nineteen for provisional membership and thirteen who are seeking full membership.

24 We will also be hosting once again a Celebration of Ministry worship service and dinner on April 28 where we
25 will recognize and give thanks for the years of service of our current class of retirees, as well as the promise of
26 future ministry for those to be commissioned and ordained. I would especially like to thank once again the
27 Reverend Erica Muñoz and the wonderful laity of Aldersgate UMC in East Brunswick for agreeing to host this
28 event.

29 For the remainder of 2019, the Board will continue to find ways to incorporate the intercultural competency
30 initiative into our process. We will also follow through on the future pastoral leadership training event that was
31 held jointly with the cabinet, DCOM chairs and other conference leadership on January 16, 2019. The Board also
32 voted to form a subcommittee of the executive committee to explore the process for evaluating candidates in a
33 holistic way. Finally, for 2018-2019, we have instituted a covenant document for board members to sign that
34 addresses the need for accountability and confidentiality in the process.

35 Allow me to conclude my report by once again thanking the entire Board team. It starts with the vice-chair, the
36 Reverend Jessica Brendler Naulty, without whom I could not function effectively as Board chair. I am also
37 thankful for those who so willingly take on various additional responsibilities by serving on the executive
38 committee of the Board. Specifically, this year, I give thanks for the many years of service offered by the
39 Reverend Eunice Vega-Perez and the Reverend Hector Burgos as they transition off the Board as members in
40 their new role as District Superintendents. In a similar category is the Reverend Drew Dyson, who will no longer
41 be the DS representative to the Board but will remain on the Board as a member.

1 There are the members of the full board who so willingly read pages of candidates' paperwork, make site visits
2 that are often far away from their local church setting and attend retreats and other necessary meetings. As I
3 comment every year, however, what I am most impressed with is how the Board cares for and nurtures the
4 candidates who we see. They work very hard to ensure that the process, while evaluative, is also spirit-filled.
5 Last, but not least, I am grateful for the administrative assistance that we so graciously receive from Beverly
6 Karlovich in the Mission and Resource Center. Beverly is always there to support the work of the Board!

7 I give thanks to God to be able to serve with all my colleagues, both lay and clergy!

10 **Cabinet**

11 In the midst of constant cultural shift around and within the church, raised anxieties that can result in responses
12 and actions that are not always helpful, the Psalmist asks us to dig deeper to connect with the One who is our
13 refuge and strength, and then to be still in the midst of the storms of shifting expectations and understandings
14 to rest in God who will lead us through.

15 United Methodists in Greater New Jersey are not immune from the challenges of changing times. We are not
16 immune from the influences of a culture that divides rather than unites, that tears down rather than builds up.
17 As of this writing, we do not know the results of the Special Session of the General Conference, nor what the
18 next steps will be.

19 In spite of the uncertainty, the cabinet of GNJ celebrates that God gives us the hope, the vision and the strength
20 to continue to be the body of Christ in the world, firm in our commitment to continue to equip and empower
21 clergy and laity, staying focused on the mission of making disciples for the transformation of the world.

22 One of the great privileges we have as a cabinet is that, in spite of the challenges, we continue to see
23 congregations and their pastors doing Spirit-filled, creative and life-giving work in their communities and
24 beyond. There are small congregations who do mission work that far exceeds what anyone would expect with
25 limited numbers, middle sized and larger congregations that are engaged in ministries of justice and mercy that
26 are transforming their communities, individual lay persons who are so inspired by the ministry of their local
27 church that they are taking this into the workplace, young people who have heard the call of Christ and are
28 committing themselves to full-time Christian service and clergy taking risks to engage new persons. We
29 celebrate that in so many ways, persons across GNJ are growing in their discipleship, responding to the call to be
30 Christ for the world firmly rooted in their faith. The faithfulness of persons of all ages, from all size churches,
31 from all walks of life affirms the beautiful kaleidoscope that is the body of Christ that is so evident and abundant
32 within GNJ.

33 With the adoption of a new strategic plan at last year's Annual Conference, the work of the cabinet is shifting to
34 focus on meeting the goal of identifying and equipping 100 lay and clergy leaders who make disciples who make
35 disciples. Along with this is the goal to resource 100 congregations who are ready and willing to make the
36 cultural shifts, structural changes and mission focus to grow their churches to the next size in worship
37 attendance. As superintendents, we often hear congregations request pastors who can do what was successful
38 20 or more years ago. We know that this is an ineffective strategy because a new time calls for new leadership
39 and ministry approaches and we, partnering with the Connectional Ministry Team, are committed to providing
40 appropriate resources to pastors and laity such as coaching, PaCE, Breakthrough, Team Vital, the Leadership

1 Development program, the practices of 4DX (Four Disciplines of Execution) and other resources so that GNJ can
2 move forward to meet our goal.

3 Our strategic plan also commits GNJ to grow in intercultural competency. The racial/ethnic, cultural and
4 theological diversity of GNJ is an amazing blessing, but this comes with challenges in appointing strategic
5 pastoral leadership, as well as recruiting and raising up effective, transformational leaders for future years who
6 can effectively serve the diverse population of our region and grow the church. Working with the bishop in
7 making appointments is a significant role of the cabinet, but it is only a part of the work of equipping
8 congregations to more closely resemble the community in which the church is located. We continue in our
9 disciplinary role as missional strategists to work with clergy and congregations to be outward focused and
10 invitational to reach new people for Jesus Christ.

11 As superintendents, we are charged by the church to work with the bishop for supervision and oversight. This
12 often means that we are engaged in circumstances where there are differing expectations and understandings
13 and conflict can arise. The cabinet enters into these situations together with deep prayer and reflection,
14 discerning the necessary steps to move forward to fulfill the mission that God has called us to fulfill.

15 Finally, the cabinet itself is in a time of transition as three new persons, Hector Burgos, Sang Won Doh, and
16 Eunice Vega-Perez will transition in as new superintendents. Each brings a passion for ministry, proven
17 experience and a deep commitment to grow the church to be more vital and relevant in our area. We also will
18 see two of us transition off the cabinet. Drew Dyson, after five years as Raritan Valley superintendent, is starting
19 a new phase of his journey in an extension ministry. Steve Bechtold, having completed eight years on the
20 cabinet, will be returning to serve in the local church. Though transitions come with uncertainty, this is a time
21 for the cabinet team to be thankful that through it all, God is with us, our refuge and strength.

24 **Centenary Fund and Preachers' Aid Society (CPAS)**

25 The Centenary Fund and Preachers' Aid Society was established by charter granted in 1857. In 2000 the charter
26 was amended to rename the corporation The Centenary Fund and Preachers' Aid Society of the Greater New
27 Jersey Annual Conference of the United Methodist Church. The purpose of the Fund is to provide maximum
28 income, consistent with the preservation of principal, for the support of retired clergy and surviving spouses and
29 dependent children of deceased clergy who have served in the GNJ Annual Conference.

30 A primary way the Fund meets that purpose today is by contributing towards the cost of providing retiree
31 healthcare. In 2018 the amount contributed was \$610,000 and since 2004 the Fund has contributed
32 approximately \$7 million for this purpose. The Fund also provides grants to pastors and their families with
33 special needs who have requested aid, including help with extraordinary medical expenses, transportation
34 needs and loans to assist retired pastors obtain housing in Methodist (and other) Homes, among other ways.
35 Several such grants totaling just over \$16,000 in all were made in 2018.

36 The Fund has only been able to do this through the generous support of clergy, laity and churches, by means of
37 annual contributions and periodic donations as well as bequests. Since inception the Fund has received more
38 than \$6.3 million in donations and in 2018 over \$40,000 was donated. A generous bequest totaling almost
39 \$90,000 was also received. The Fund Balance as of the end of 2018 was \$10,541,735 .

1 To continue support for retired clergy and their families in the future, increased donations will be needed.
2 Reverend Douglas Miller is the Centenary Fund’s Outreach Director and is working to increase our Donation
3 Base. We have also partnered with the Stewardship Foundation and the Communications Committee to raise
4 our profile and increase our support.

5 We hope you will help us build up the Centenary Fund with your tax-free donations so that The Centenary Fund
6 and Preachers Aid Society will be able to continue the substantial contributions needed in the future to fund
7 retiree healthcare and to provide aid to retired clergy and their dependents.

8 Thank you so much for your support to date.

11 **Christian Outreach Project**

12 The Christian Outreach Project is a New Jersey non-profit corporation, recognized by the IRS as a 501(c)(3)
13 corporation, a GNJ Advance Special, as well as A Future with Hope – Hope Center. COP provides free home
14 repairs and renovations for people in northwestern New Jersey to people in need and has been in operation
15 since 1983.

16 High school aged youth and adult volunteers donate their caring and skills while learning and growing in the
17 process. In addition to home repairs, participants engage in morning devotionals, singing, worship and
18 recreational activities. Our volunteer Board of Directors meets throughout the year to evaluate, plan and
19 prepare for our program. COP is funded solely by donations, grants and participant fees.

20 Poverty in northwestern New Jersey is often hidden. Our clients live in communities that do not recognize their
21 needs. Our clients range from the elderly on fixed incomes, to those with disabled family members and include
22 single parents working hard to make ends meet. In addition to the much-needed repairs, we regularly see our
23 clients refreshed with a new sense of hope. Many interact with youth, sharing their stories of their families and
24 their faith.

25 COP puts faith into action. Living in Christian community is the basis of our program and we model the teachings
26 of Christ by helping others. We strive for an inclusive community through intergenerational interaction, a broad
27 mix of economic means and people of various ethnicities. We encourage and support our youth volunteers in
28 becoming leaders in their churches and expanding their skill sets.

29 COP had a successful program in 2018. We had 38 participants from 8 area churches that were able to repair
30 and renovate homes for 11 families in need in Morris, Sussex and Warren Counties during the last week of June.
31 We are looking forward to and planning for, our 2019 program that runs from June 30 – July 6.

35 **Christian Unity and Inter-Religious Concerns, Commission on**

36 United Methodists of Greater New Jersey have been functioning to recognize and sensitize the United
37 Methodists to the Christian unity that its members received from their Savior Jesus Christ and continues to
38 support the ecumenical unity and inter-faith relations. We as the members of this conference prayerfully

1 support all the ecumenical bodies such as World Council of Churches, World Methodist Conference and attend
2 the ecumenical meetings in the State of New Jersey as well as in United States of America.

3 We helped the New Jersey Council of Churches through our funds and sharing our concerns on ecumenical
4 activities of the church as a whole.

5 We have also recognized the presence of people of other faiths in our midst in gratitude and have enabled
6 United Methodists to see our ecumenical vision through the participation in the ecumenical conferences and
7 meetings. We believe that our ecumenical vision will receive new vitality and energy and grow into meeting the
8 challenges today.

9 We provided funds for persons to attend the National Workshop on Christian Unity held in early 2018 in
10 Washington D.C. During this event, Eucharistic sharing of different denominations was celebrated.

11 We are happy with the joint effort of Young Adult Council and Commission of Christian Unity and Inter-religious
12 Concern could secure a scholarship to Ms. Rachel Callender to attend the Ecumenical Institute at Bossey in Fall
13 2019.

14 We are planning to co-sponsor a lunch-on during conference with the Board of Church and Society and trying to
15 invite a guest speaker.

16 New Jersey is larger than our church and we believe that the people of other faiths and denominations have a
17 common search for wholeness and perfection. We are called to be a part of an emerging task of mutual trust
18 through conversations and common struggles for justice and peace. New Jersey provides us the greatest
19 opportunity to enter dialogue with people of other faiths in order to build community together and share with
20 them our rich heritage as well as learn from their rich stories.

21 We continue to support of both the National Council of Churches and the New Jersey Council of Churches.

22 We continue to work with the Interfaith Dialogue with and in sponsoring smaller, regional lunch-on meetings on
23 specific topics.

24 We continue to recognize persons and congregations who are active in ecumenical relations through the
25 Bishop's Award for Christian Unity.

28 **CUMAC (Center of United Methodist Aid to the Community)**

29 Thank you to our wonderful friends and partners within the GNJ Annual Conference for your unwavering
30 commitment to CUMAC's mission. Through your support, CUMAC served more people than ever last year and
31 provided thousands of our neighbors with the resources they need to live healthy and hunger-free.

32 Here are some of last year's highlights:

- 33 • Our Food Pantry provided nearly 30,000 people, including over 7,500 children, with monthly
34 groceries to stave off hunger, while an additional 19,000 people received produce and fresh food
35 items
- 36 • Our Mobile Pantry ensured that these same foods were available to those living in underserved
37 areas of our community

- 1 • Our Depot provided storage space, refrigeration, trucking and resources for over 70 local agencies,
2 schools, soup kitchens, offices and shelters. Over 1.9 million pounds of food were processed for
3 those in need
- 4 • Our Community Closet supported more than 230 people with disaster relief after experiencing fire,
5 flood, domestic abuse relocation and other hardships
- 6 • Through Place of Promise, 10 people had a place to call home and a support system to assist them
7 as they work to overcome years of homelessness and instability
- 8 • 35 men and women had the opportunity to learn critical job skills needed to move toward gainful
9 employment through our Pathways to Work program
- 10 • 20 local pantries and agencies were supported in their efforts to feed the hungry by the Community
11 Food Coalition

12 At CUMAC, we are always challenging ourselves to dream big and find better ways to serve our community.
13 With the needs of our neighbors in mind, CUMAC's ministry continues to evolve and grow. This past year has
14 been a whirlwind of activity and our staff is thrilled to be reaching our clients in new and powerful ways.

15 With 1 in 8 seniors facing hunger in New Jersey, CUMAC revved up its efforts to stop senior hunger in 2018.
16 CUMAC is now partnering with several local adult medical day care centers to provide grocery bags and other
17 essentials to food insecure seniors around our community. Thousands of pounds of resources are being shared
18 monthly, which has allowed hundreds of additional residents to access our services without needing to worry
19 about finding transportation to our pantry.

20 Along with reaching new, underserved populations, CUMAC took steps to improve services for existing clients in
21 2018. For the first time in its history, CUMAC conducted formal focus group sessions, helping our staff to better
22 understand the needs of our clients and the challenges they face. The most critical discovery from CUMAC's
23 research was identifying a serious gap in access to healthy food and resources among our clients. To help
24 address these issues, CUMAC recently launched its Beyond Hunger Initiative, which includes 3 major objectives:

- 25 • Have a healthy food pantry
- 26 • Have an effective job readiness program
- 27 • Be a vibrant place to work & receive clients

28 As part of Beyond Hunger, CUMAC's flagship food pantry is transitioning to a health-focused, choice
29 marketplace. Planning is underway and by later this year, CUMAC's marketplace will resemble a grocery store,
30 where a full array of goods will be displayed and clients will be able to shop for what they need. We anticipate
31 that transitioning to a choice pantry will better equip clients to meet their unique food and nutrition needs.

32 Additionally, CUMAC is working with the Community Food Bank of New Jersey and the New Jersey Academy of
33 Nutrition and Dietetics to upgrade the contents of our grocery bags to promote optimal health among our
34 clients. Going forward, monthly food allocations shared in our pantry will prioritize fresh fruits and vegetables,
35 lean meats, quality proteins, whole grains, low-fat dairy, legumes and other healthy foods. For those living on a
36 tight budget or struggling with food related health issues, these bags will provide them with the items they need
37 to stay healthy and hunger-free. On average, 19,000 people are already receiving surplus produce annually from
38 CUMAC's pantry. Fresh items are procured through a combination of food rescue, purchasing and donations.
39 With a larger, more efficient space, CUMAC will be able to expand healthy food access and assist even more of
40 our neighbors in the months ahead.

41 Along with making healthy foods more readily available, CUMAC's new marketplace will address health
42 disparities in our area by providing clients access to nutrition education, live food demonstrations, health

1 screenings, resource information and other supportive services. Feeding over 4,000 people every month
2 provides our pantry with the unique opportunity to improve the long-term health and wellbeing of our
3 community. By teaming up with our community partners to offer these clients wraparound services, we will be
4 able to provide our neighbors with the resources they need to build a healthier future.

5 To further support our community, CUMAC recently relaunched its Pathways to Work program with additional
6 services for those struggling to find gainful employment. Along with job experience and professional
7 development opportunities, Pathways to Work now offers assistance with resume writing, onsite tutoring for
8 GED prep and college readiness, mock interviews, networking options, forklift training and certification and
9 resources to aid participants with their job search. The revamped program has been a tremendous help for
10 community members that are working to jumpstart their careers. We are proud to share that nine of our
11 Pathways participants found full-time positions in 2018 and we are hoping to support even more of our
12 neighbors in the coming year.

13 These program changes are just a few of the ways CUMAC is becoming a more vibrant place to work and receive
14 clients. To reach our goals of going beyond hunger, we will continue to invest in our team, those we serve and
15 our infrastructure.

16 In 2018, our staff made efforts to address major facility and equipment needs. The renovation of our warehouse
17 floors, as well as the installation of energy-efficient LED lights, heating units and an industrial-sized humidifier
18 have all made our building a brighter, cleaner, more comfortable place to work. CUMAC also hired two new staff
19 members to fill critical roles in our warehouse operations last year. Both of our new hires are from the local
20 community and bring with them a deep knowledge and understanding of the challenges faced by CUMAC's
21 clientele. Their perspective and influence have been an asset to our team. These improvements to our
22 warehouse assisted in what was our most productive year yet. In 2018, nearly 2 million pounds of food were
23 processed in our Depot, or the equivalent of over 1.5 million meals. Food and other resources were shared with
24 over 70 different community agencies, schools, shelters and soup kitchens.

25 As our staff works toward our big, crazy dreams and strives to create lasting change in our community, your
26 support remains vital. Throughout 2018, churches of the GNJ Annual Conference showed time and again how
27 committed they are to CUMAC's ministry. 32 Methodist churches sent volunteers, while 98 churches held food
28 drives and other collections, or made financial contributions to support our mission. Bible studies, UMWs,
29 UMMs, youth groups, young adult groups, pastors, lay leaders and congregants alike shared their time, talent
30 and resources to support our shared vision of a future without hunger. They joined hands with local civic groups,
31 corporations, schools and other houses of worship to help make our world a kinder, more loving place for all of
32 God's children. On behalf of our staff and all of our clients, thank you for your incredible dedication and support.

33 For our friends, old and new, there are many ways to ensure that none among us go hungry this year. Food
34 collections and financial donations are instrumental to ensuring that we are able to provide the best possible
35 care for all of our struggling brothers and sisters. Volunteers are necessary throughout the year to sort food,
36 provide tutoring and to prepare household items. With 1 in 10 people facing hunger, 1 in 7 children, your efforts
37 to organize speaking events and educational opportunities are imperative to keeping hunger awareness alive.
38 Most importantly, your support, in any capacity, helps brings hope and relief to our neighbors who need it most.
39 We simply couldn't help so many without your generosity and care, truly we are blessed to have you as a
40 partner in our mission. Thank you for feeding people and changing lives with us.

6 **Drew Theological School, Drew University**

7 Drew University Theological School continued its multi-year self-transformation by launching its new curriculum
8 for the Master of Divinity in the fall of 2018. This entirely reconceived degree seeks to form graduates that are
9 rooted in the Christian story and traditions, capable of effective, adaptive, and creative leadership, and
10 spiritually and socially resourceful for cultivating the transformative gospel of Jesus Christ in, with and for the
11 church and world. A new two-year degree, the Master of Arts in Theology and Ministry also launched and offers
12 students the opportunity to prepare for public leadership or a specialized vocation through deep theological and
13 ethical reflection informed by biblical, historical, theological and practical sources.

14 New pathways in the Master of Arts, the Master of Sacred Theology and the Doctor of Ministry were also
15 created as part of the curriculum transformation process which seeks to more intentionally focus the school's
16 service to the Church, as well as to the academy and civil society.

17 Drew welcomed 145 entering students this academic year, its largest entering class in over a decade, with an
18 overall enrollment of 350 for the current academic year.

19 In the coming year a new 5-year strategic plan will be developed, new degree delivery options that increase
20 accessibility and affordability for prospective students, as well as new partnerships with annual conferences,
21 other church bodies and values-based organizations that share and strengthen Drew's mission to advance
22 peace, justice, love of God, neighbor, and the earth.

25 **Episcopacy Committee**

26 The Episcopacy Committee met quarterly with Bishop Schol during the past year for the purpose of support,
27 encouragement, communication of Conference priorities and to provide feedback when solicited. We have
28 participated in an evaluation of the Bishop, discussed matters related to the Jurisdictional Committee on
29 Episcopacy and assured that the Episcopal residence is in excellent condition. At each meeting the Bishop
30 provided a report of his work and goals for the Conference and kept us updated on proposals related to The
31 Way Forward. The Committee has had lively as well as serious discussions of the reports and items brought
32 before the Committee. The Bishop responded candidly to our questions and listened receptively to our
33 expressed opinions. We appreciate his openness and positive example throughout the year.

36 **Finance and Administration, Council on**

37 During 2018, in connection with God, our denomination, our conference and our local churches, we were again
38 able to further our work in the name of our Savior Jesus Christ. In partnership with the leadership of
39 Conference, our Bishop and Cabinet, the Council on Finance and Administration has remained focused on

1 insuring financial discipline and effective administration of our conference. Our local churches and
2 congregations have likewise led the support for these efforts by achieving the Shared Ministry collection rate of
3 88%, which was consistent with the prior year. We were blessed that 389 of our local churches paid 100% of
4 their shared ministry allocation, while 421 paid 100% of their billables. We are grateful to the churches of the
5 Conference for their stewardship and support, together we are accomplishing the work of Christ throughout our
6 conference.

7 During 2018 we were able to maintain our funding commitments, for our staff and our programs, as well as for
8 our clergy benefit programs. In doing so, we remain committed and focused to continue to achieve our planned
9 long term goals. We have also worked closely with other committees in support of our Strategic Plan, Hope
10 Center developments, as well as further outreach efforts to the communities we serve. In doing so, expenses
11 were well controlled throughout the Conference, allowing our Conference to finish the year achieving all of our
12 financial goals and paying 100% of our General Church apportionments, for the 12th consecutive year.

13 The year also was marked by continued prudent investment returns, managed in partnership with Wespeth Inc.,
14 as well as an enviable audit report of 2017, with no significant deficiencies or audit findings. All of the Council's
15 sub committees were efficient and timely in their respective areas, finalizing revisions to our employee manual,
16 developing local programs and insuring prudent management of all of our given resources.

17 As we begin 2019, we remain empowered by where Christ is leading us, as we consider the challenges post the
18 Special General Conference. During our Special GNJ Conference we were able to propose a revised budget, with
19 reduced spending and apportionments for our local churches. We are working to address key areas of focus,
20 including financial guidelines for clergy, shared resources, as well as relationships with our churches and our
21 staff. Additionally, we recognize the need to remain focused on attaining our current Shared Ministry formula
22 goals and are committed to achieving the goal for the 2019 budget.

23 As in past years, the efforts of our Treasurer, John Cardillo and his staff have been exemplary, with continued
24 excellence as they have preformed their roles. All of our staff remains dedicated to continuing to achieve
25 outstanding results and their work does not go unnoticed. We are blessed by them and are grateful and thankful
26 for the blessings of them in our conference and lives!

27 In closing, on behalf of the Conference Council on Finance and Administration, we offer our thanks to Bishop
28 John Schol and the Cabinet for their leadership and support, as together we continue to spread the good news
29 of Our Savior Jesus Christ.

32 **First Friends of New Jersey and New York**

33 The mission of First Friends of New Jersey and New York ("First Friends") is to uphold the inherent dignity and
34 humanity of detained immigrants and asylum seekers by providing compassion and hope through volunteer
35 visitation, resettlement assistance and advocacy. In New Jersey, there are approximately 2,200 immigrants and
36 asylum seekers detained by U.S. Immigration and Customs Enforcement ("ICE") in three county jails (Bergen,
37 Essex, Hudson Counties) and one private facility (Union County). First Friends is the only organization in the
38 New York metropolitan area that systematically provides services to immigrants incarcerated by ICE.

39

1 First Friends provides an array of services for immigrants and asylum seekers who are detained and for those
2 who are released but have no support. Within our Visitation Program, the core of our work, we manage a free
3 hotline for detained immigrants and asylum seekers who are held in immigration custody in New Jersey to
4 provide support and services and connect them with volunteer visitors and pen pals. Through our semiannual
5 Stamp Out Despair Campaign, we provide each of the 2,200 detained immigrants in northern New Jersey with a
6 folder containing a note of welcome and encouragement, First Friends contact information, stationery, greeting
7 cards, plain paper, postage stamps, envelopes and a pen to keep in touch with family and friends. In our
8 Community Supported Post Release Program, we promote the self-sufficiency of immigrants and asylum seekers
9 who are released from detention through services such as transitional housing, transportation, food, clothing,
10 medical care, education, employment services and interpretation/translation services.

11
12 As the number of detainees held in New Jersey has grown over the years, including a large number of asylum
13 seekers, so has the demand for our services. In 2018 First Friends supported 295 volunteers who undertook
14 1,137 hours of visitation at the four detention centers in New Jersey. We could not do this work without the
15 generous support of local Methodist churches throughout our conference and the United Methodist Women.

16 First Friends, along with Bishop Schol and other Faith Leaders from across New Jersey participated in the prayer
17 rally at the Elizabeth detention center in July 2018 hosted by GNJ's Board of Church and Society and
18 Hispanic/Latino Committee in support of immigrant children who have been separated from their parents.

19 In January 2019, First Friends welcomed Victor Salama as our new Executive Director. Victor has prioritized
20 strengthening our strategic planning and under his guidance, the First Friends team has created SMART Goals for
21 2019 that are focused on program, finances, community partnerships and outreach.

26 **Gateway South Poverty Task Force**

27 The Gateway South Poverty Task Force is a collaborative effort of clergy and lay of the churches of the Gateway
28 South district. Currently we have representation from Magnolia UMC, Memorial UMC (Pine Hill), St. Andrews
29 UMC, 1st UMC (Collingswood), Williamstown UMC, Mt Zion UMC (Lawnside).

30 In 2017 we decided to focus our efforts on a root cause of poverty and chose literacy. We had a massive book
31 drive where we collected over 2500 books which were sorted and tagged to go out to places where libraries do
32 not exist. The idea of a pop-up library was simple. Take books into areas where people do not have easy access
33 to libraries and allow them to have the books. We set up in soup kitchens, shelters, on the streets, food pantries
34 and The Neighborhood Center. Currently we have over 2 dozen pop-up library sites and we most recently
35 opened a library in Pine Hill that is stationary. It will serve the community by offering books, computer access
36 and eventually classes on things like resume writing, job searching and tutoring.

37 Through a collaborative effort with Computer Smiles we have been given 2 computers to assist the community.
38 In the summer of 2018 we launched a pilot program at The Neighborhood Center focusing on literacy. During
39 summer camp we came one day a week for 90 minutes to expose students to reading and related activities. We
40 hope to launch in the afterschool program in Spring 2019 and continue with the summer program and launch

1 one at the Pine Hill site as well in Summer 2019. We continue to find ways to address the challenge of illiteracy
2 that many faces in creative ways.

5 **Global Ministries, Board of**

6 The Conference Board of Global Ministries works with Missionaries, our Advance Specials, Agencies, Conference
7 staff and it also aligns with the strategic goals of GNJC.

8 Advance Specials: Each Advance Special is assigned to a CBGM member who acts as the liaison with the Board to
9 assure that their ministries continue. Visits with the agency have been planned for Spring 2020. Advance
10 Specials are required to submit a reapplication each year and provide supporting documentation. The list of
11 Advance Specials may be found in the Board’s resolution.

12 Global missions, Conference Secretary (CSGM): In the Greater New Jersey Annual Conference the position of
13 CSGM is held by the Chair of the Board of Global Ministries as well. The CSGM works with the General Board of
14 Global Ministries in accommodating missionaries who will be itinerating in our Conference. In 2018 Princess
15 Jusu, Elizabeth Tapia and Ricardo Ramos itinerated in GNJ.

16 Isabel Quezada attended the UMC Day of Health in Georgia. This was a three-day event which showcased the
17 innovative projects and programs that many United Methodist churches, organizations, and partners are
18 engaged in. This event also equipped conference health coordinators with tools and resources to aid churches in
19 the establishment and enhancement of health ministries.

20 We also had the pleasure of Becky Parsons NEJ Mission Advocate, Northeastern Jurisdiction visiting us. Becky
21 met with the Conference Board of Global Ministries and shared good insights to assist us with the work of this
22 committee.

23 The Conference Board of Global Ministries has met several times during this period to discuss activities for 2020.
24 The committee continues to work towards being more involved in connecting youths and young adults with
25 mission opportunities in our Conference. The committee will also continue to motivate more churches to
26 support Advance Specials.

29 **Higher Education and Ministries, Board of**

30 The Board of Higher Education and Ministries (BHEM) has mandates and responsibilities listed under ¶634 in
31 The Book of Discipline of The United Methodist Church and is the leadership development agency of The United
32 Methodist Church. Its mission is preparing global leaders for a global church and the world. Every elder, deacon
33 and licensed local pastor benefits from our training and candidacy programs. Many young adults find help in
34 clarifying their vocation and God’s call on their lives through our leadership and discernment programs.

36 UM Collegiate Ministries are the missional presence of The United Methodist Church on college and university
37 campuses around the world. Through a network of chaplaincies, Wesley Foundations, ecumenical ministries and
38 church-based ministries, The United Methodist Church reaches more than 1,300 campuses around the world!

1 We are called to share with our campuses the transformational nature of Christ in a way that raises up a new
2 generation of thoughtful, articulate Christians who care about making the world a better place. While this calling
3 looks and feels very different across our campuses, it is central to our identity and it compels us to provide
4 intentional, student-led ministries that reach this emerging generation of leaders. (gbhem.org)

5 The Board of Higher Education and Ministries of GNJ has been experiencing positive structural changes within
6 our Annual Conference and along with coaching provided by Ministry Architects, Inc. we can say that this year
7 has been an innovative, creative and transformational one as we become one of the components of Next Gen
8 Ministries under the new strategic plan and under the leadership of the Executive Director of Next Gen
9 Ministries, Eric Drew. This year we are journeying alongside Young Adults Ministries, Camping Ministries and
10 Ignite discerning ways in which we can reach the younger generation to continue to make disciples that make
11 disciples across GNJ and beyond.

12 We are so grateful for the support provided by the GNJ Conference leadership and staff and GNJ congregations
13 for the many opportunities we have to develop leaders through financial and human resources, trainings and
14 leadership development. In return, BHEM provides GNJ with skilled, talented and gifted leaders that serve our
15 young people acknowledging them as leaders today while preparing them for tomorrow's generation and
16 missional opportunities.

17 Every year BHEM encourages the participation of clergy and laity in the search for a recipient of the Francis
18 Asbury Award (non-monetary award). This award recognizes those who encourage and support higher
19 education and campus ministries within the United Methodist Church. It is for all clergy or lay, employed or
20 volunteer, who are active in supporting, strengthening and promoting higher education ministries.

21 In 2018 our agency received 71 scholarship applications from high school and college students pursuing
22 undergrad studies, of which forty were submitted with all the required documentation and signatures on or
23 before the deadline. We met as a board to review the application, the process and the list of requirements for
24 the scholarships and improve the wording to clarify the application instructions. In the review process we were
25 presented with the opportunity by the GNJ Communications Department to provide students with an online
26 scholarship application that would be submitted electronically. We are pleased to inform that as of the date of
27 this report we have not had any inquiries regarding the process. Out of the forty applications, 28 scholarships
28 were awarded; all over \$500 each.

29 As always, students inspire us with their letters in which they share their academic, spiritual, and community
30 outreach goals. Pastors, mentors and church leaders share in their recommendation letters the many ways that
31 the applicants are active in the life of the church and the community, making disciples and serving one another
32 in the exemplary love of Jesus.

33 The Board of Higher Ed and Ministry of GNJ provides campus ministers and chaplains with grants that assist in
34 promoting their campus ministries, outreach opportunities for and to students, mission, service and staffing.
35 This year we will be providing coaching opportunities for chaplains and campus ministers, workshops and
36 retreats to bridge relationships and enhance creativity amongst each other. We currently have identified three
37 campuses with the potential to become our newest campus ministries in the next two years!

38 An Agency Grant Fund Application is completed every year and submitted for approval. The approved 2018
39 grant funded the following campuses:

- 40 • Rockland County Community College, John Kwon

- 1 • Centenary University, Timothy Nicinski
- 2 • Wesley Foundation/Princeton University, Erik “Skitch” Matson
- 3 • Kingston University/Feed Truck, Jessica Winderweedle,
- 4 • Rutgers University, Joseph Jueng (This is GNJ’s newest campus ministry! Have you seen the video
- 5 the Communications Department has put together? Check it out at GNJ website.)

6 Once a year members of our board meet with our campus ministers and chaplains to listen to their stories,
7 bright spots, challenges and the impact they are experiencing in their campuses. From conversations we learned
8 that they are engaging with the college and university communities in worship, Bible studies volunteering in the
9 community food banks and community projects. They are launching ministries and mission initiatives, providing
10 meals to the community and to students on campus, sharing meals in fellowship, connecting with the
11 community in relationships and bridging opportunities, partnering with other organizations, holding ecumenical
12 events and providing and creating safe spaces for students where powerful questions are asked and every
13 student is heard. Our campuses are led by leaders that dream, envision, promote connection and deepen
14 relationships.

15 Your continued prayers and support for our campuses, ministers and chaplains; our board members, and our
16 conference youth and leaders will be greatly appreciated!

37 **Support to Walk to Emmaus**

38 We continue to support the ministry of Walk to Emmaus. This is a highly effective resource that provides
39 spiritual formation for people to become faithful disciples of Jesus Christ. Where more than 100 Hispanic-Latino

1 men and women had the opportunity to not only to have a transformational spiritual experience but many of
2 them also have found clarity in Gods calling for their life and ministry.

3 **Support to Mission U**

4 As part of our commitment with leadership development this year we offered scholarships for 7 adults, 4
5 children and 2 youth to participate at the Mission u 2018.

6 **Support to MARCHA**

7 This year we helped support MARCHA (Methodist Associated Representing the Causes of Hispanic Americans).
8 For more than 46 years, MARCHA has enlisted its constituency in the critical work of giving voice to the concerns
9 that significantly impact the Hispanic/Latino members of the United Methodist Church and the Methodist
10 Church of Puerto Rico. MARCHA is an instrument of advocacy and support in favor of Hispanic / Latino
11 Americans to ensure that the contributions and cultural values of Hispanic / Latinos are appreciated in the
12 Church and society. MARCHA advocates on behalf of Hispanics / Latinos inside and outside the Church, provides
13 training for its members, churches and walks in solidarity with the peoples of Latin America and other groups.

14 **We Care**

15 The NPHLM GNJ in collaboration with the Board of Church and Society, other committees of GNJ and agencies
16 organized an interfaith prayer vigil at the Elizabeth Detention Center in Elizabeth NJ were more that 200 people
17 were present to pray, sing and declare our love and concern for those who are being held at the detention
18 center and those affected by the family separation policies at the border.

19 **Events to Strengthen Unity Among Our Clergy and Laity**

20 At Annual Conference we celebrated many accomplishments in the Hispanic community in GNJ including the
21 Esperanza para PR initiative. We had the opportunity and the honor to had Bishop Ortiz from PR to be our
22 speaker and shared with us in more detail some of the work and needs of our brothers and sisters in PR and how
23 we can help.

24 **Tools for Church Vitality**

- 25 • Four Hispanic/Latino congregations got involved in Team Vital in 2018.
- 26 • We continue to work in collaboration with Next Generation to support youth and young adult's
27 ministry in our context.
- 28 • Organize workshops about cultural competence, and support our pastors serving in cross-cultural
29 appointments.

1 **Laity, Board of**

2 The gifts he gave were that some would be apostles, some prophets, some evangelists, some pastors and
3 teachers, to equip the saints for the work of ministry, for building up the body of Christ, until all of us come to
4 the unity of the faith and of the knowledge of the Son of God, to maturity, to the measure of the full stature of
5 Christ. Ephesians 4.11-13

6 The mission of the Conference Board of Laity is to enable laity to have full and equal partnerships with clergy
7 and within the Conference, work with the Conference to grow lay leadership and provide lay opportunities for
8 growth. The Board helps develop principled spiritual leaders for the Church and works as the Catalyst for Laity
9 Leadership Education, Lay Servant Ministries, Laity Session at Annual Conference, Laity Leadership Academy, Lay
10 Ministry Recognition, United Methodist Women, United Methodist Men and the work of the District Lay
11 Leaders. As a board we continually look at ways to grow the laity of GNJAC in the understanding and
12 interpretation of God’s word to be equipped as effective leaders in sharing the gospel with other people.

13 The Laity Board is in partnership with our local churches and all of our activities are directed towards improving
14 the ministry together. Encouraging the lay leadership to grow and make time for education so that we become
15 more equipped to do the work of ministry in a complementary role with our clergy leaders. We are seeing a
16 major move of the Holy Spirit within the Church right now as we identify, equip, encourage and fulfill God’s
17 purposes and call for each of us in the local church. We have witness in our yearly Lay Ministry Recognition
18 Program each April, as numbers of applications and attendance increases. Lay recognition program provides an
19 opportunity for our laity to witness how God is embracing and working in the ministry of the local church.

20 Re-structuring of the Laity Education Umbrella is only in the infant stage of our five-year plan as the Laity Board
21 works with Rev. Juel Nelson to improve and align Laity Education. The goal: To launch a congregational
22 leadership development ministry in September 2019 that is seamless, builds on applied learning, shapes and
23 supports congregational leaders to lead with excellence and achieves growth in the five markers of vitality.

24 Provide educational opportunities for Five Competencies of Congregational Leadership:

- 25 1. Spiritual Servant Leadership
- 26 2. Cultural Competency
- 27 3. Leadership through Change and Conflict
- 28 4. Emotional Intelligence
- 29 5. Narrative Leadership through Storytelling

30 Providing a Biblical foundation for raising up disciples who serve as leaders, managers, lay ministers, prayer
31 warriors and storytellers is the base of the processes of aligning Laity Education with the 2019 Strategic plan. All
32 persons in the conference will have equal opportunity to be equipped, whether for lifelong learning or
33 certification, resources will be available to the laity. The Laity Board continue the mission of advocacy, equipping
34 and effectively deploying and supporting the local church leaders for ministry.

1 Laity Leadership Goals

2 Leadership Goals

- 3 1. The Laity Board will monitor and ensure that lay representation at Annual Conference 2016-2020 is
4 equal in membership in accordance with the GNJAC Rules of Order/ Book of Discipline. At Large
5 Members will agree to be faithful to process and committed in attendance to Annual Conference
6 and reporting to local congregation.
- 7 2. The Laity Leadership Academy will continue to work to create a culture of learning in which laity
8 throughout the Annual Conference will have an opportunity to become engaged, equipped and
9 empowered to be effective partners with each other and their clergy partners to lead the church
10 and reach the community as disciples of Jesus Christ.
- 11 3. The Laity Board will continue to celebrate the ministry of faithful laity with a format called Lay
12 Ministry Recognition. This program recognizes a person or group that has been creative and
13 innovative in transforming lives and making disciples of Jesus Christ. This is for resource sharing and
14 encouraging congregations in their ministries. The Laity Board will choose ministries from each
15 district to be highlighted in April each year, at the United Methodists of GNJ Mission and Resource
16 Center.
- 17 4. The Laity Board will work with the Connectional Ministry Team and District Superintendents to
18 ensure Christian leaders are offered vital and vibrant educational programs that develop:

 - 20 b. communication and interpersonal skills
 - 21 c. passionate faith and biblical understanding
 - 22 d. 100 laity who make disciples who make disciples (Leadership 100)

26 Native American Ministry, Committee on

27 We continue to work on getting our Native youth and children involved in the church and community. This year,
28 we had seven Native young people attend the IGNITE event and four youth attend the Peg Leg Flamingo event, a
29 UM Native American Leadership Program. We also are happy to announce the third year of operation for the
30 Native American Youth Club at the Bridgeton High School. Since our youth are becoming more aware of the
31 Church, we are now training them to be involved. Five young adults were trained to be teacher aides for the St.
32 John UMC After School program in September.

33 We were informed that the Nanticoke-Lenni Lenape Tribe had lost their state recognition status. The Conference
34 became a Friend of the Court and with this and other support, the Tribe received back their state recognition.
35 This support enabled the Tribe to apply for funds and for their members to use that status for employment
36 opportunities.

37 Some of our Native people were put in boarding schools and it still has affected them and their following
38 generations. We therefore were a part of the Boarding School Healing Coalition event in Carlisle, PA in October.
39 We have also been involved in the work of the NEJ Native American Ministries Committee. Through such
40 connections, we are able to share resources through our webpage on the conference website.

1 We will continue to work on ways to share information about Native American Ministries Sunday; to work with
2 the Nanticoke- Lenni Lenape, Ramapough and Powhatan Tribal communities and look at ways to keep the
3 conference informed about Native American issues and concerns through the Digest and Relay.

14 Pension and Health Benefits, Board of

15 The Greater New Jersey Conference Board of Pension and Health Benefits (the Board) is authorized by *The Book*
16 *of Discipline of the United Methodist Church* to contribute to the support, relief, assistance and pensioning of
17 clergy and their families, as well as other church workers and lay employees of the United Methodist Church.

18 Working with the Wespath Benefits and Investments, the Board endeavors to implement and interpret national
19 and conference policy.

20 Pension

21 *Pre-1982 Pension Plan*

22 The 2019 Past Service Annuity Rate for pre-1982 annuitant payment is \$685 per year of pre-1982 service. The
23 2020 Past Service Annuity Rate for pre-1982 annuitant payment will be \$699. The pre-1982 pension program
24 continues to be fully funded and in a strong position.

25 *CRSP/MPP and CPP*

26 The General Conference's pension plan, Clergy Retirement Security Program (CRSP) is a hybrid of defined benefit
27 and defined contribution approaches which took effect in 2007. For 2019 churches pay CRSP at 12.5% of clergy
28 plan compensation and for the Comprehensive Protection Plan (CPP) at 3% of clergy's plan compensation, and
29 UMLife Options at 2% of plan compensation for ½ time clergy.

30 The 2012 General Conference enacted changes to the Clergy Retirement Security Program. Effective 1/1/2014
31 for all contributions going forward, the CRSP Defined Benefit component was reduced from 1.25% of DAC to
32 1.0% of DAC. Under the CRSP Defined Contribution component, contributions were reduced from 3% to 2% of
33 clergy plan compensation and, in addition, match up to 1% of compensation if clergy contributes 1% to
34 UMPIP. Contributions previously made will not be affected by this change and benefits paid upon retirement will
35 be based on the previous formula for all benefits accrued prior to 1/1/2014. Any benefits accrued from that date
36 forward is based on the new formula.

37 Additionally, the General Conference changed the participation requirements from all clergy under appointment
38 to only clergy under full time appointment. Clergy appointed to less-than-full-time (3/4 and 1/2-time) are

1 eligible based on the decision of the Annual Conference after approval of the Conference Board of Pension and
 2 Health Benefits. The Board has voted to include those clergy appointed to less-than-full-time (3/4 and 1/2 time)
 3 appointments in CRSP. For clergy appointed to 1/4-time appointments, a vote of the Board has made UMPIP
 4 available as a pension option for those clergy. Please contact Alexa Taylor, Insurance and Benefits Services
 5 Manager, for more information on this option. These changes require Annual Conference approval.

6 The rates of remittance for the Clergy Retirement Security Program/Ministerial Pension Plan (CRSP/MPP) and
 7 Comprehensive Protection Plan (CPP) increased from last year’s rates to 91.91% and 99.82% respectively.
 8 Eighteen percent of churches were unable to pay these bills on time. Below is a summary of 2018 remittances:

9

Type	Remittances Rate	2018 Shortfall	# of Churches Paying < 100%	% of Churches Paying < 100%
CRSP	91.91%	\$208,465	101	18.36
CPP	99.82%	\$16,965		

10

11 To maintain clergypersons' participation in CRSP/UMPIP and CPP/UMLife Options, the Greater New Jersey
 12 Conference fully pays delinquent church accounts using funds from the Reserve Account at Wespeth Benefits
 13 and Investments. We are concerned that some churches are not fully meeting their obligations with the
 14 resulting decrease in the Reserve Account.

15 By 2018 year-end the cumulative delinquent amount for years prior to 2018 was \$2,317,000 for CRSP/MPP and
 16 \$444,000 for CPP - a total of \$2,761,000, an increase of \$313,000.

17 We thank those churches that maintained faithful stewardship, paying 100% of their obligation. We also
 18 appreciate the continuing efforts of our district superintendents, Alexa Taylor, Insurance and Benefits Services
 19 Manager, to collect the past due balances. More than \$174,000 of the 2002-2017 shortfalls was collected in
 20 2018.

21 *Pre-Retirement Seminars*

22 As in years past, the Board sponsored a retirement education session held at the Mission and Resource Center
 23 of Greater NJ on February 28, 2019. The pre-retirement seminar focuses on those anticipating retirement within
 24 five years. Sixty persons were scheduled to attend. Presentations by Robert Christophel of Wespeth Benefits
 25 and Investments and a Social Security representative provided valuable guidance to assist retirement
 26 planning. Special thanks go to Jennifer Cho for organizing this event. Thanks also to Alexa Taylor, Insurance and
 27 Benefits Services Manager, for assisting and providing support.

28 **Health Insurance**

29 For 2019, the Board continued Active health insurance under HealthFlex, the health insurance plan sponsored
 30 by the Wespeth Benefits and Investments. The medical provider network is Blue Cross/Blue Shield PPO; the
 31 pharmacy benefits are provided through OptumRx. Beginning in 2015, Wespeth no longer offers retiree health
 32 insurance. The Board implemented United HealthCare’s National Medicare Advantage PPO Plan which combines
 33 the participants’ Medicare A & B, supplemental coverage and Part D prescription plan.

34 The Board has again provided a contribution to participants’ Health Reimbursement Accounts for 2019 of \$1,250
 35 for single and \$2,500 for all other plan types which can be used for qualifying medical expenses (such as co-pays

1 and deductibles). These funds do not expire and are accessed through a MasterCard branded debit card, or via a
2 reimbursement form.

3 *Premiums and Remittances*

4 The following chart shows church premium rates in effect for 2019. These rates reflect a Cabinet- requested
5 blended rate for all categories, which the Board has been moving toward for several years, so that health
6 insurance premiums are not a factor in determining clergy appointments.

7

Health Insurance Premiums for 2019	
Employee	\$15,000
Employee & Child(ren)	\$15,000
Employee & Spouse	\$15,000
Employee & Family	\$15,000

8 The Board thanks all churches that fully paid their health insurance premiums in 2018. Overall, churches paid
9 98% of the total \$3,953,256 health insurance billings, an increase from the 2017 remittance rate of 96%. The
10 2018 shortfall was approximately \$41,000. By 2018-year end, the amount owed from years prior to 2018 had
11 been reduced by \$237,038 and the cumulative unpaid health insurance bills had increased to \$3,321,754 owed
12 for years prior to 2018.

13 Churches failing to fully pay their premiums burden all churches and result in higher health insurance premiums
14 for all. Thanks go to the Conference/BOPHB Treasurer John Cardillo, Benefits Assistant Veronika Varga and the
15 Cabinet for their continued efforts to collect health insurance arrearages.

16 The Board and the Conference staff have continued their efforts to ease the continued transitions in
17 healthcare. The Health Insurance Guidelines included in these 2019 Conference Reports and Recommendations
18 have been updated.

19 **Annuitant Health Care Liability**

20 As of the end of 2017, the Financial Accounting Standards Board FAS 158 liability for annuitant healthcare costs
21 in the amount of \$65 million was posted to the Conference balance sheet. This liability is the estimated present
22 value of the future costs of annuitant healthcare. The Annuitant Health Insurance Contingency Fund described
23 below has been set up to address this large liability over time.

24 *Annuitant Health Insurance Contingency Fund*

25 In 2002-2003 the Board, recognizing the growing magnitude of annuitant healthcare costs, together with the
26 Centenary Fund, representatives of CFA, the Cabinet and the Association of Retired Ministers and Spouses
27 (ARMS), developed a plan for a long-term Annuitant Health Insurance Contingency Fund that begins to offset the
28 liability and ensure that retirees continue to enjoy conference-paid health insurance. The Fund was initiated by
29 the 2003 GNJ Annual Conference and earmarked exclusively for healthcare costs for annuitants to cover higher
30 premium costs expected in future years. The plan for the Fund involves a multi-year period during which excess
31 pre-1982 retirement funds would be used to pay CRSP defined-benefit requirements and comparable funds
32 from churches would be used to create a permanent retiree health fund. This is a critical initiative since it is clear
33 that the Conference cannot continue to fund retiree health insurance on a cash basis out of the Conference
34 Budget.

1 As of December 31, 2018, the Annuitant Health Insurance Contingency Fund held a balance of \$5,531,132 after
2 transferring \$1,160,726 to the Annuitant Health Insurance Account to avoid a negative balance in that account
3 at year-end. In 2018 approximately \$1,076,000 came into the Contingency Fund (representing the 2% clergy and
4 staff salary contributions toward the cost of health insurance) plus the Centenary Fund's annual contribution (in
5 excess of \$300,000, separate from their \$100,000 contribution directly to the Annuitant Health Insurance
6 Account).

7 **The Board Itself**

8 The Conference Board of Pension and Health Benefits endeavors to serve the Conference and the needs of those
9 in ministry. There continues to be much to accomplish, especially in the challenging field of health
10 insurance. Christ strengthens us to meet these challenges and we pray for the Holy Spirit to guide and inspire
11 our actions.

19 *empowering the Church to pursue racial equity and cultural competency to build a stronger, more vibrant UMC."*
20 GNJ CORR is charged with this same task in the Greater New Jersey Conference (GNJ) by promoting full and
21 equal participation of the racial and ethnic constituency in the total life and mission of the church, GNJ CORR
22 seeks to empower clergy and laity to develop transformational leaders and vital congregations.

23 Appreciation is extended to the members and volunteers of GNJ CORR for their diligent work. Bonnie Harley,
24 Laura Lin and Rev. Brian Joyce often work behind the scenes, editing, organizing and making space. Thank you.

25 **GNJ CORR 2018 activities included:**

- 26 • Co-hosted the 2018 Annual Focus Group Dinner *50 Years after the Abolishment of the Central Jurisdiction:*
27 *Looking at Race in the United Methodist Church*. Dr. Morris Davis, professor of Methodist History at Drew
28 University, racial justice advocate, critical researcher in the politics of the UMC in the Jim Crow era and author of
29 *The Methodist Unification: Christianity and the Politics of Race in the Jim Crow Era*, was the key note speaker.
30 The event was very well attended and received positive feedback. Special thanks to Rev. Kathleen Stone for her
31 leadership with this event and the diligent work of the Co-hosts: Church and Society, Ethnic Local Church
32 Concern and Black Methodists for Church Renewal.
- 33 • Supported and co-sponsored legislation, as a member of the Connectional Table, participation in the law suit
34 with Bishop Schol signing as our Bishop and representative of United Methodist congregations in GNJ, which
35 seeks to advocate for a more just education system in NJ that provides equitable educational opportunities to all
36 students. 2018 marked 64 years after the holding in Brown vs. the Board of Education. It is time to address all
37 segregation that results in lack of access, equity and justice for Black and Latino students.
- 38 • Attended *Facing the Future 2018: In the Midst of the Storm* a conference hosted by the General Commission
39 on Religion and Race for pastors in Cross Racial Cross/Cross Cultural [CR/CR] appointments. To be celebrated

1 and commended is Rev. Teresita Matos-Post who rendered deeply moving reflections, of being appointed to a
2 CR/CC site, from the vantage point of a Puerto Rican woman pastor. Her reflections touched all who serve in
3 CR/CC sites as well as, highlighted the complex intersectionality of race, ethnicity, gender and religious
4 expression. In the follow-up event to the conference, I hosted an Online Open Space *Addressing Stress and*
5 *Mental Health for Clergy in CR/CC Appointments.*

6 • Completed curriculum *Christianity, Race and US Law* which reviews the intersection, influence and practice of
7 the Christian religion, race and the development of US law as it is related to race, racism and marginalization
8 and/or liberation of racial/ethnic groups. The goal is to understand how past actions have influenced the
9 modern church and to think about methods of effective ministry to heal and make whole a church that has been
10 divided along racial ethnic lines. We will pay particular attention to the influence and activism of Methodism.
11 This curriculum is available online or in print. It was designed to be used with PaCE groups but can be used for
12 small group or individual study.

13 • Completed design of the DNA Discussion Project. GNJ CORR will host a DNA Discussion Group in 2019.

14 GNJ CORR looks forward to continuing to serve GNJ through training, consultation, research and advocacy to
15 empower clergy and laity to be able to be an effective witness for Christ in a diverse world. As we move forward
16 in 2019-2020, we will focus our efforts on supporting CR/CC sites, providing educational resources and making
17 accessible the work that GNJ CORR has completed during the last quadrennial.

20 **Status and Role of Women, Commission On (COSROW)**

21 The Commission on the Status and Role of Women (COSROW) serves to bring about the full inclusion of women
22 in the life of The United Methodist Church. Our charge is to challenge the church to “continuing commitment to
23 the full and equal responsibility and participation of women in the total life and mission of the church.” With this
24 commitment, The United Methodist Church affirms itself as “part of the universal church, rooted in the
25 liberating message of Jesus Christ, that recognizes every person, woman or man, as a full and equal part of God’s
26 human family (The 2016 Book of Discipline, ¶ 2102)

27 It is a great joy that I have been able to serve continually with dedicated team members throughout the past
28 year. GNJ COSROW carried out its purpose through the following projects: (1) COSROW Award: The person
29 selected to receive Helenor Alter Davisson Award for 2019 from GNJ Commission on the Status and Role of
30 Women is Rev. Dr. Eunice Vegas-Perez. (2) Leadership Development: 7 women leaders in GNJ attended Do No
31 Harm Conference 2018. (3) Display Table at The Annual Conference to promote the ministry of COSROW and
32 provide resources for its mission goals. (4) Women’s History Month in March: We provide worship resources to
33 celebrate Women’s History Month.

34 Furthermore, we are planning to offer Sexual Ethics Training/Workshop for all of the pastors entering into
35 pastoral ministry in GNJ. We are working on a written proposal to require a mandatory sexual ethics
36 training/workshop for all pastors who are newly entering and actively serving in GNJ.

37 As you are aware, the two Amendments that sought to claim language that both women and men are created in
38 the image of God, that committed our church to work for the elimination of discrimination against women and
39 girls, and that sought to assure an equal place in the life, worship, and governance of the local church for

1 women, did not receive the two-thirds necessary vote from each annual conference, which was needed for
2 ratification of the decision of General Conference.

3 These two unpassed Amendments motivate us to continue to seek to raise awareness of ways in which women
4 are not fully included in the life of the church and to spark new recognition and ways of being women in the
5 church. We recommit ourselves to inspire new women leaders to find their places in not just our church, but in
6 the large community as well.

7 Lastly, I would like to give thanks to our members for their faithful work: Sarah Borgstrom Lee, Esther Canty-

30 The Trustees are privileged to work with and receive the cooperation of, many individuals and groups
31 throughout the Conference. The counsel which is offered to the Board from Conference Chancellors Lynn
32 Caterson, Esq. and Sanford Brown, Esq. is invaluable. John Cardillo, Conference Treasurer and Director of
33 Administrative Services serves as Treasurer of the Board. Beverly Schol, Property Manager and Lida DeNArdo,
34 Property Administrative Assistant serve as staff liaisons to the Board. As a result of their guidance and expertise
35 in reference to overall financial resources of the GNJAC and specifically the funds which the Board oversees, the
36 Trustees are better equipped to prioritize and responsibly address the needs of the various properties. The
37 Conference Trustees are also grateful for the opportunity to work more closely with Bishop Schol and the

33 United Methodist Women

34 The life of GNJUMW continues to be busy with details and depth of work in the areas of social justice. The four
35 foci for the quadrennial 2016-2020, as established by the National Office of United Methodist Women, include
36 the following: Criminalization of Communities of Color with an emphasis on breaking the School to Prison
37 Pipeline, Economic Inequality, Climate Justice, and Maternal and Child Health. Each Conference of UMW has

1 been asked to focus on one of these areas for the rest of the quadrennial. We have chosen to have programs
2 around the issue of Maternal and Child Health, as impacted by other factors such as the School to Prison
3 Pipeline and Immigration.

4 Following up on these themes, our GNJUMW Spring Meeting was entitled *Maternal and Child Health and*
5 *Wellbeing*, held on April 7, 2018 at St. Andrews UMC, Cherry Hill. The sermon, *Amazing Jesus* was delivered by
6 Rosa Williams. Moselle Jules, a participant in Mission of Peace trip to Cuba that we helped sponsor, gave an
7 overview of the daily life and culture of Cuba. One of the program speakers was Tricia Yeo, Program Manager of
8 Health and Wellness for the Food Bank of Southern Jersey. Her talk focused on *Maternal and Child Health*
9 *Challenges to Better Outcomes*. Esther Canty-Barnes, Esq., Director of the Education and Health Law Clinic and
10 Clinical Professor of Law, Rutgers School of Law, followed and gave a presentation entitled “Maternal and Child
11 Challenges to Better Outcomes.”

12 We worked on several resolutions this year for the GNJUM Conference, including the following: *Resolution to*
13 *Facilitate A Way Forward*, sponsored by Susan Zahorbenski, Diaconal Minister and RV District UMW President;
14 *Resolution to Oppose Human Trafficking and Help End Suicide and Homelessness Among Lesbian, Gay, Bisexual,*
15 *Transgender, and Questioning (LGBTQ) Youth*, submitted by the GNJUMW Leadership Team; and *Resolution to*
16 *Help End Youth Suicide*, submitted by the GNJUMW Leadership Team.

17 We also endorsed the resolution on *Segregation in New Jersey Schools* submitted by the Connectional Table,
18 whose goal was to join in a complaint against the State of New Jersey in order to end segregation in the public
19 school system. (New Jersey ranks 6th for black students and 7th for Latinos as far as being one of the most
20 segregated school system in the nation.)

21 We continued, as a Leadership Team, to work throughout the GNJUM Conference to educate all 9 districts of
22 UMW on *The Way Forward*. Through the work of Kathy Schulz, Yvonne Bouknight, Pat Schutz and Marilyn
23 Powell, we were able to visit our districts and provide an educational background surrounding the issue of
24 homosexual marriage and the ordination of LBGTQ persons as part of the UM Church, along with a discussion of
25 the proposals for consideration by the Council of Bishops.

26 We also partnered with Tom Lank, head of the GNJUMC to the special General Conference to be held in
27 February 2019, to discuss the recommendations of the Council of Bishops and other recommendations from
28 various UM bodies and churches that have been made to bring some type of closure to this issue.

29 In May, over 60 women from the GNJUMW attended the UMW Assembly 2018 held in Columbus, Ohio, May 17-
30 May 20th with some 6000 other UM Women from all over the country and the world! The theme of this
31 Assembly was *The Power of Bold*. I was thrilled to be joined at Assembly by Dorothy Scott, Assistant Director of
32 the Neighborhood Center in Camden, NJ.

33 I personally was able to participate in an Ubuntu Day of Service at the Lincoln Park Elementary School where I
34 was charged to help plant a summer vegetable garden with the students who were in their *Freedom School*
35 program, directed by Darlene Scheid of the UMC and Community Development for All People.

36 35 student scholars and 35 United Methodist Women participated in this event. Assembly was more than the
37 Ubuntu Day of Service! We demonstrated at the State Capital building to support A Living Wage 4 All. We went
38 on to have inspiring sessions that dealt with the full array of issues from Maternal and Child Health, the School
39 to Prison Pipeline, Climate Justice and A Living Wage 4 All.

1 One of the sessions that I attended was on the Palestinian Issue in Israel, with an emphasis on a peaceful co-
2 existence rather than the current stand-off and subjugation of the Palestinians. Featured speakers in the plenary
3 worship services included Leymah Gbowee, who was awarded a Nobel Peace Prize for helping end the Second
4 Liberian Civil War in 2003 and Marian Wright Edelman, founder of the Children’s Defense Fund and author of
5 *The Sea is So Wide and my Boat is So Small*.

6 During July, the GNJUMW joined forces with GNJUMC to present the annual Mission u program held July 13-15
7 at Georgian Court University, Lakewood and July 21 at Calvary Korean UMC, East Brunswick. In addition to
8 offering *What About Our Money*, as the featured UMW new course, the GNJUMC sponsored *When Helping*
9 *Hurts: How to Alleviate Poverty without Hurting the Poor*.

10 July 28th we participated in the *We Care Prayer Vigi* to advocate for immigrants’ family reunification co-
11 sponsored by the GNJUMW, MARCHA GNJ-National Plan, GNJ Board of Church and Society and the GNJ
12 Immigration Task Force. Over 100 persons, including all races and all ages, gathered at 10:00 a.m. at the ICE
13 Elizabeth Detention Center to protest in a non-violent way the separation of immigrant children and their
14 parents at the border with Mexico. We were lead in song and prayer by Bishop John Schol of GNJUMC, Javier
15 Viera, Dean of the Drew Theological School, Grace Pugh Hubbard, the music leader for GNJUMW and Harriet
16 Jane Olson, CEO of United Methodist Women.

17 The Neighborhood Center, Camden, NJ had a fundraising event at the Travistock Country Club on October 13,
18 2019. Millie Grey and I attended the Evening in Paris dinner party and silent auction event to raise money for the
19 teen program sponsored by the Neighborhood Center. It was inspiring to see many of the staff and participants
20 in the Neighborhood Center’s programs give personal witness to the positive difference that the Neighborhood
21 Center is making in their lives!

22 The fall GNJUMW meeting held October 20, 2018 at the GNJ MRC focused on *Mass Incarceration of People of*
23 *Color* with a panel discussion on *Breaking the School to Prison Pipeline*. Rev. Heidi Schulz Kugler, ordained elder
24 in the GNJUMC and currently serving as the National Chaplaincy Administrator for the Federal Bureau of Prisons,
25 Washington, DC was our guest preacher and panel discussion leader. She has had 22 years of chaplaincy
26 experience on the county, state and federal levels. The other panelists included Sharon Allen, a retired teacher
27 and a field representative in the Camden City Schools for the NJ Education Association; Madelaine Garcia, a
28 vocational rehabilitation counselor; Rev. Rupert Hall, Jr. JD, head of the GNJ Black Caucus of Black Methodists for
29 Church Renewal and pastor of the Turning Point UMC, Trenton, NJ; and Michael Landis, Executive Director of the
30 Neighborhood Center, Camden, NJ.

31 This program was followed by our annual business meeting and installation of new officers, as nominated by the
32 GNJUMW Nominating Committee. We welcomed Choong-Hee Lee as Vice-President, Patricia Grant as Recording
33 Secretary, Marcia Roebuck as the Chair of Nominations and Carolyn Pendleton and Millie Grey as part of the
34 Nominating Committee. Pat Bodden was appointed as a member to the Charter or Racial Justice Task Force.

35 I have had the honor to serve with a wonderful Leadership Team throughout this past year and I thank God for
36 the privilege and the opportunity to be the President of GNJUMW.

1 **Young Adult Council**

2 The Council on Young Adult Ministries champions the young adult ministry in the local churches and districts of
3 the annual conference. We are excited to report that we are strengthening our strategic partnerships with other
4 conference agencies and Next Gen Ministries to help our work to benefit the young adults of Greater New
5 Jersey Conference.

6 In 2018 the YA Council remained connected with the IGNITE Movement and partnering with the GNJ Youth
7 Council, assembled a team of over 30 Young Adults from GNJ to form the IGNITE Squad for the annual event in
8 Wildwood, NJ. This continues to be an opportunity for emerging young adult leaders to take on roles of
9 responsibility as well as form new relationships and spiritual fellowship. Additionally, young adults from across
10 the Conference participated in the IGNITE Leaders Day Training in both 2018 and early 2019.

11 We partnered with the Youth Council to host a Pre-Conference Retreat at the Pinelands Center for the Youth
12 and Young Adult delegation to 2018 Annual Conference. This new retreat provides a setting to learn about the
13 mechanics of legislation and to discuss current issues in the church and our denomination. We plan to host the
14 retreat again in 2019.

15 Coordinating with GNJ Committee on Christian Unity and Interreligious Concerns, we nominated GNJ YA clergy
16 candidate Rachel Callender for a Bossey Scholarship. Our congratulations to Ms. Callender who was awarded a
17 \$10,000 scholarship for participation in the Fall 2019 Graduate Session at the Ecumenical Institute at Bossey.

18 The YA Council, together with the Youth Council and the Board of Higher Education and Campus Ministry, has
19 forged a new strategic alliance with Next Gen Ministries. This will increase opportunities for young adults across
20 the Conference to engage, grow and develop leadership skills in youth, campus and camping ministries.

21 The YA Council now moves forward with the Conference into the new five-year strategic plan and will continue
22 to find ways to identify, engage, and equip young adult leaders.

25 **Youth Ministries, Council on**

26 We continue to work with GNJ Next Gen ministry to explore several areas of potential ways to serve and grow.
27 We recognize the sustainability of meaningful youth ministry programs are on the decline and realize the need
28 to connect smaller youth groups. In working together, we can create networks and share resources with one
29 another. Collaborative ministry locally and regionally seems to be a need and we as the Council will explore ways
30 which we can help support events.

31 We promote and encourage IGNITE and IGNITE Youth Leaders Day. IGNITE continues to provide high quality
32 programing: deepening faith, growing relationships, mission opportunities and positive mentoring. We also work
33 with the youth delegates of GNJ to Annual Conference.

34 The Council on Youth are grateful through the support of GNJ and in partnership with the Council on Young
35 Adults we were able to send one youth to the Global Convocation held in South Africa, who had voice and vote.
36 The youth represented GNJ and NEJ. We would like to thank GNJ for their ongoing support of the Council on
37 Youth Ministry.
