OF GREATER NEW JERSEY

UNITED METHODISTS
OF GREATER NEW JERSEY

Rooted – Jeremiah 17:8

They shall be like a tree planted by water, sending out its roots by the stream.

Friends in Christ,

The 2019 Annual Conferences for United Methodists in Greater New Jersey celebrated our diversity. We worshiped in different languages, we shared opposing viewpoints and we dug deep into what it means to be a United Methodist at such a time as this.

What strikes me about the pages of this journal and yearbook, is that it represents the ministry of all United Methodists in Greater New Jersey. It includes the names and histories of conference clergy and lay leaders who have passed before us and gifted us with roots that extend into our ministry today. It also includes the leaders of today that will send out their roots to the disciples of tomorrow by serving as committee chairs, general and jurisdictional conference delegates, lay leaders, clergy, superintendents and more.

The journal records our collective history and plans out our collective future. Its pages focus on the people, the issues and the history that unite us in Greater New Jersey and keeps us rooted in the foundations of our faith.

We are entering year two of the five year strategic plan to grow leadership, new faith communities, intercultural competency, Hope Centers and the next generation of disciples. At Annual Conference we shared our witness to this work by celebrating 20 Hope Centers, the expansion of our summer camps, our partnership with Tanzania through the pastor school, our investment in the long term recovery of Puerto Rico and other communities hit hard by hurricanes, the resourcing our laity, clergy and congregations are using to make their congregations more vital and the more than $4 million raised to date for the Miracles Everywhere Campaign.

In the midst of all that is healthy and vibrant in GNJ, we also wrestled, just as Jacob in the night, with what God has next for us. We are in a season of searching for a way forward. Our diversity also invites learning to live in the midst of difference. What was clear to Jacob after the night of wrestling was that his life and the life of the faithful would not be the same. As we wrestle with our polity and theology about ministry with and by LGBTQ people, like Jacob we are waiting for the day break to see the next step. Let us wrestle knowing God is with us and that day light will break in God's time for The United Methodist Church but in the night let us let love be our aim, love for God, love for our neighbor and love for one another.

As you read these pages, I hope you will see that the people of Greater New Jersey are witness to the power of God in our ministry every day. God has done great things through our hands and God has much in store for us.

The roots of our ministry go deep into the soil and spread wide across the land. I am thankful that I am rooted next to you in our ministry forward.

Keep the faith!

Why does GNJ exist?
GNJ exists to recruit and develop transformational leaders so that people and communities experience healing, renewal and wholeness from God. Transformational leaders grow vital congregations who shape passionate disciples of Jesus Christ and share faith, hope and justice in the community.

GNJ Adaptive Challenge
Increase the *motivation*, *urgency* and *ability* of disciples, leaders and congregations to *connect* and *engage* with a diverse group of people in the community so that the people in the pews look more like all the people in the community.

Holy and Audacious Goal - Leadership 100
Cultivate and equip 100 clergy and 100 laity leaders *who make disciples who make disciples.*

Leadership 100 will change GNJ into a disciple-making and disciple-engaging force to transform the world. Leadership 100 will;

- develop more transformational and apostolic leaders for our congregations and the community, and
- grow a pool of talented leaders who can be deployed to increase disciple-making by:
    - *changing* the culture to nurture leaders who *multiply* passionate disciples
    - *growing* vibrant missional congregations and
    - *transforming* lives and communities

We will know we have achieved this God-sized goal when we have 100 congregations whose worship attendance has moved from one category to the next.

In GNJ we presently have four categories of average worship attendance:

- 299 congregations with average worship attendance of less than 50
- 149 congregations with average worship attendance of 50 – 99
- 28 congregations with average worship attendance of 100 – 124
- 76 congregations with average worship attendance of 125 or more, with:
    - 21 congregations with average worship attendance of 125-149
    - 23 congregations with average worship attendance of 150-199
    - 14 congregations with average worship attendance of 200-299
    - 9 congregations with average worship attendance of 300-499
    - 6 congregations with average worship attendance of 500-699
    - 1 congregation with average worship attendance of 700-999
    - 1 congregation with average worship attendance of 1,000-1,499
    - 1 congregation with average worship attendance of 1,500-1,749
    - 0 congregations with average worship attendance of 1,750+

GNJ Cultural Shifts by 2023
GNJ will shift;

1. FROM a church that mostly serves its members and clergy TO a mission that connects with the people in the community through relevant ministries
2. FROM congregations with a single cultural expression and privilege TO congregations with multicultural expression and intercultural competence
3. FROM concentrating ministry and thinking with current church members TO further extend ministry and thinking to make and engage younger and more diverse generations of disciples.
4. FROM sharing information through workshops to train leaders TO using workshops that interact with and experience the content to form leaders
5. FROM maintaining congregations and their buildings TO working with congregations to repurpose buildings for regenerative mission
6. FROM depending exclusively on Shared Ministries (apportionments) for mission and ministry TO cultivating new sources of income to grow mission and ministry

GNJ Strategies for the Next Five Years

1. *New Faith Communities* – new expressions of congregations that gather diverse people in ways that are relevant to them.
2. *Intercultural Competency* - Develop leadership capacity for intercultural competence in GNJ so we can love across boundaries and differences and work towards inclusion of all people.
3. *NextGen Ministries* - Cultivate and mobilize new generations of enthusiastic disciples of Jesus Christ that connect, engage and lead in their congregations and communities to transform the world through:
    a. IGNITE - life-changing worship, relevant teachings and authentic community for 6th through 12th grade
    b. Youth Groups – local, community focused places for young people to be introduced to Christ and shaped as disciples generally for 3rd through 12th grade
    c. Camping – outdoors experiences that connect with God, purpose and promote meaningful relationships for elementary through high school students.
    d. Campus Ministries - places for college students to be introduced to Christ, shaped as disciples and developed as transformational leaders
4. *Community Development* – Leverage existing human, relational and capital resources to create opportunities for healing, renewal and transformation to communities and sustainable financial support streams for congregations
    a. Repurpose church property into vibrant worship and mission centers
    b. Repurpose church property into affordable housing, senior living, community space and mission centers
    c. Create cooperative ministries within the community
5. *Hope Centers* – Develop church-based community ministry that meets the needs of the community and serves children and youth, families, seniors and vulnerable populations

We will develop and resource these strategies partnering with the GNJ family of vital mission partners – A Future With Hope, Next Generation Ministries, Centenary Fund and Preacher's Aid Society and the United Methodist Stewardship Foundation of Greater New Jersey.

GNJ 2023 Objectives

1. Develop resources to equip congregations to assess and improve their pathways for disciples to know, grow in, live and share the life of Jesus every day, *so that* we increase the number of new disciples and vital congregations.
2. Develop laity leadership resources to equip the local church with the knowledge and ability to effectively lead congregations and address challenges in their ministry, *so that* we grow more vital congregations.
3. Incorporate appropriate training, language and practices into resources, events, agency work, and conference life, *so that* we grow cultural competency within the life and ministry of GNJ.
4. Create methods to recruit, resource and support congregational youth leaders, *so that* they are equipped to lead and grow a youth program equal to 20% of their worshiping congregation and we grow youth engagement.
5. Clarify the process, resources and support for Hope Centers, *so that* we develop 30 Hope Centers focused on community mission with students, the poor and the elderly, and increase missional impact in the community

GNJ Core Resourcing to Carry Out Our Mission and Achieve Our Goal

GNJ will resource congregations and leaders that are ready and desire to become vital and more like Christ primarily through:

- *Laity Leadership Academy* – coordinated teaching and skill development with application and funding opportunities for laity to grow vital ministries.
- *Coaching* – a resource to help clergy achieve ministry goals and action plans.
- *PaCE* - facilitated peer learning groups that help shape pastoral identity, imagination and excellence.
- *Mosaic Ministries* – a new way of thinking about and doing local church ministry, mission and leadership with promising young clergy and seminarians discerning their vocational calling.
- *Clergy Leadership Development Initiative* – tools and applications for clergy to lead congregations to sustainable fruitful ministry
- *Team Vital* – congregational community and ministry assessment and strategic planning process for vital ministry.
- *Communities of Hope* –strategic planning and implementation for asset-based community development.
- *Lay Servant Ministries* - Certified Lay Servants, Lay Speakers and Lay Ministers, expand the ministry of the laity for training for pulpit supply as well as caring, leading, and communicating across the connection for transformational growth.

What Will Be Different?
As GNJ shifts the culture, accomplishes its goals and objectives, implements its strategies and resources leaders and congregations, it will see more disciples and congregations with:

- Passionate Faith – Mature and fearless disciples that others want to emulate
- Boundless Hope – Positive vision of current and future ministry
- Courageous Spirit –Risk-taking relevant mercy and justice ministries
- Transformational Leadership – Difference-makers who transform people's lives, the congregation and the community
- Congregational Vitality – Vibrant and life changing congregations
- Regenerative Resources – Extravagant generosity that inspires new giving and resources

GNJ Vision
We see leaders cultivating disciples of Jesus Christ in vital congregations and faith communities with:

- *Passionate Faith* – Shape mature and fearless disciples that others want to emulate
- *Boundless Hope* – Inspire a positive vision of current and future ministry
- *Courageous Spirit* – Connect with the community through risk-taking relevant mercy and justice ministries
- *Transformational Leadership* – Change people's lives, the congregation and the community
- *Congregational Vitality* – Worship God, make and grow passionate disciples, serve the community and give generously to mission
- *Regenerative Resources* – Develop innovative ways of supporting ministry

GNJ Mission
Transform the world by recruiting and developing transformational leaders who make passionate disciples of Jesus Christ and grow vital congregations. (Matthew 28:19)

GNJ Core Values
Our ministry will be shaped and guided by *being*:

- Christ-Centered – the *unbreakable and unifying source* of our faith and hope
- Compassionate and Just – a *shared expression* of our Wesleyan heritage
- Diverse – a *true reflection* of the all-welcoming nature of the reign of God
- Innovative and Risk-Taking – a *bridge* to what is next
- Excellent – a *gospel imperative* for greater impact in the world

A GNJ Disciple
A Holy Spirit-led *follower of Christ* whose passion every day is to *know, grow in, live and share* the life of Jesus. (John 15:5)

A GNJ Vital Congregation
A Holy Spirit-led *community of passionate disciples who are working <u>together</u>* to grow new disciples, inspiring worship, active small groups, risk taking community mission, and generous giving to mission. (Acts 2:42-47)

GNJ World Transformation
A community where lives are changed, hope abounds, diversity is embraced, and all have the opportunity, knowledge and skills to live to their full God-given potential. (Micah 6:8, Luke 10:27)

A GNJ Leader
A Holy Spirit-led *servant-leader* that forges a path forward where others do not see the way. A GNJ leader reaches out beyond the walls of the church into the community to transform lives by spreading God's love, hope and justice and bearing witness to Jesus Christ. (Matthew 23:11, Philippians 4:13)

GNJ leaders are fruitful by growing new disciples, worship, small groups, mission engagement and giving. GNJ will work with and grow leaders to be:

- *Fruitful* –grow new passionate disciples, inspiring worship, active small groups, risk taking community mission, and generous giving to mission.
- *Transformational* –lead congregations through missional, cultural and identity change.
- *Apostolic* –are on a clear mission to create something more than what is. Paul was an apostolic leader who went to places with few or no believers and his leadership transformed the community by generating congregations of passionate disciples.

Because of GNJ leadership, disciples will be even more *passionate*, congregations will be even more *vibrant and fruitful* and people and communities will *experience healing, renewal and wholeness from God.*

How We Will Make Decisions?
We will invest our financial and human resources in decisions that:

1. Develop transformational leaders
2. Maximize new disciples, vital congregations and world transformation
3. Reflect our core values
4. Encourage innovative, risk-taking regenerative ministry that effectively connects with and engage people in the community

Theological Grounding for GNJ 2019-23 Strategic Plan – *Miracles Everywhere*
"You are the God who performs miracles; you display your powers among the peoples." Psalm 77:14

God is creating signs and wonders in GNJ and there is even more God wants to do. God wants to continue working through the United Methodists of Greater New Jersey so that miracles of healing and transformation occur across GNJ and around the world (Isaiah 43:19).

The Gospels tell of Jesus' miracle ministry using two Greek words *dunamis and simaios*. In the synoptic Gospels, Matthew, Mark and Luke, the Greek word *dunamis* is used which means power - God's power to transform life. The Gospel of John primarily uses the word *simaios,* which means sign – a miracle that points to God's activity in the world. Miracles evoke wonder by demonstrating God's power and pointing to God's work in the world. In every age, God has been at work in the world healing and transforming lives.

Miracles happen everywhere. Through the power of the Holy Spirit, the congregation, the body of Christ, is the primary actor to release the power of God to transform lives and the community (1 Corinthians 12:27). The congregation is the mission outpost where passionate disciples are formed, shaped and sent to love God and neighbors completely (Mathew 28:16-20).

Transformational leadership within congregations is crucial to fulfilling this mission (Ephesians 4:11-12) to release the Holy Spirit for miracles everywhere. Leaders who move the mission and turnaround forward are grounded theologically and biblically, possess competence and emotional intelligence, engage missionally and passionately, and are led spiritually.

As the church navigates through liminal times (a transitional time on the edge of what God has next for the church), the Spirit is calling GNJ to address our adaptive challenge and engage in new possibilities with courage (II Timothy 1:7). We are called to continue to imagine and discern innovative ways to effectively be in ministry in and with the community (Romans 12:2) so that we cultivate transformational leaders who make disciples and grow vital congregations to transform the world.

God is already working wonders in GNJ and is ready to perform miracles everywhere through passionate disciples, vital congregations and transformational leaders!

CONFERENCE ADVANCE SPECIALS

Amistad
91 W. Main St. Freehold, NJ 07728 | 732-462-1745| fholdumc.ao.com

An ecumenical ministry in the greater Freehold area seeking to assist Hispanic children and their families through educational, nutritional and spiritual programs. We assist children from The Learning Center and Park Avenue schools. These are Spanish-origin students mostly from Mexican families. We work with volunteers from the high school's area and adults to help the children with their homework, reading and educational games. They also use the computers. Our students are mostly kindergarten, first and second graders with a few from third and fourth grades. Before they start their homework, they have a snack. There are also reading prizes. A Christmas party is held for the kids and their families with gifts for children. We have 52 kids registered with 35 volunteers.

13-15 N. 1st St. Paterson, NJ 07522| 973-790-0887| information@campydp.org|www.campydp.org

Provides pre-school, after-school and summer programs for children aged 5 - 14 and their families, mainly on the north side of Paterson. The program runs throughout the year. As an organization, we are committed to work as a "partner" within the community. A stimulating and nurturing environment is provided. SPECIAL CLERGY EXECUTIVE SESSION

OF THE ANNUAL CONFERENCE OF
UNITED METHODISTS OF GREATER NEW JERSEY
January 24, 2019
Meeting at
Calvary Korean UMC | East Brunswick, NJ

Bishop Schol greeted the executive session. Eric Drew, accompanied by a praise band, led the congregation in song and prayer. Bishop Schol addressed the gathering; then called the special session to order.

Episcopal Residence: Clifford Still, chair of the Board of Trustees of the Greater New Jersey Annual Conference, gave a report on the episcopal residence. Rev. Still addressed the rumor that Bishop and Mrs. Schol had purchased the Episcopal Residence. Rev. Still declared that rumor to be untrue and explained: "The ownership of both Episcopal Residences has been and remains the GNJAC." He explained that Bishop and Mrs. Schol currently reside at the Parsonage of the 1st UMC of Belmar under a lease-to-own agreement. He noted that Bishop Schol receives a housing allowance from the conference, approved by the conference Board of Trustees and Episcopacy Committee. He further reported that an agreement was reached between 1st UMC of Belmar and the conference Board of Trustees and Bishop Schol. Under this agreement, Bishop and Mrs. Schol pay $2,000 in monthly rent. Once Bishop Schol is no longer appointed to this conference, he may decide whether or not to purchase the parsonage in Belmar.

Part-time Appointments: Bishop Schol then addressed the clergy session regarding the status of part-time appointments. He noted that nothing has changed in regard to their process, a process that is found in the Book of Discipline. He described some of the circumstances that would create a part-time situation, noting that if a church goes part-time, that pastor will be resourced and coached in another full-time appointment. If a second or third church goes part-time with that same pastor, then the cabinet will discern if a part-time appointment is a better fit, or if that person should continue in ministry. He noted that full-time appointments are preferred because we believe that full-time churches and pastors have a greater impact on their community. Part-time appointments are recommended by the Bishop, the Cabinet and approved by the Board of Ordained Ministry. Discussion followed. A question was asked: "Can the clergy session separate part-time appointments between those who have been requested by the pastor and those created by the bishop?" The answer given was that anyone can request to divide a question by making a motion at clergy session. Another question related to health insurance when clergy go part-time, as many part-time churches cannot afford health insurance. The answer depended on whether the appointment was ¾ time rather than ½ or ¼.

Budget Updates: Bishop Schol reported to the session anticipated changes to the 2019 and 2020 conference budget as well as status of collections. He noted that income is better this year than last year, with an 88% collection rate as there has been an increase in apportionments paid by many congregations. Bishop Schol acknowledges and thanks GNJAC clergy for their leadership. We also acknowledge that there are still many challenges. The CFA has made a commitment to reduce apportionments by 2022, and Bishop Schol has recommended that we speed up the reduction, hoping to reach 2022's goal in 2019. This will be proposed to the special session of Annual Conference in March.

Two Board of Ministry Resolutions: Tom Korkuch, chairperson of the Board of Ordained Ministry, brought forward two motions:

- Walter b. Fenton – Retirement as per Book of Discipline, para. 357.2 effective date 12.30.18
    - There was no discussion.
    - The motion was voted and passed.
- Beth Caulfield – Voluntary leave of absence under para. 353.2.a and 353.4 effective date 1.1.19
    - There was no discussion.
    - The motion was voted and passed.

Eric Drew, Conference Director of Worship, presented the new worship resource "Breakthrough" designed by annual conference staff.

Bishop Schol addressed the session regarding The Commission on a Way Forward and the upcoming Special Session of General Conference, which would be held in February. He reviewed what was being proposed, and that a Special Session of the Annual Conference to be held in March would include a time to review and discuss the results.

The session prayed in small groups.

Lan Wilson, accompanied by a praise band, led the congregation in singing.

A service of Holy Communion followed.

Bishop Schol adjourned the special executive session at 12:57 pm

SPECIAL SESSION

OF THE ANNUAL CONFERENCE OF
UNITED METHODISTS OF GREATER NEW JERSEY
March 16, 2019
Brookdale Community College
Lincroft, NJ

GATHERING
The conference praise band gathered the congregation with praise songs. They ended with a prayer of invocation.

WORSHIP
Worship opened with the reading of John 6:1-13. Bishop Schol introduced the guest preacher, Rev. John Edgar to the congregation explaining that Rev. Edgar started an urban ministry in Columbus, OH, at the Church for All People, which began as a free store.

Rev. Edgar began his sermon by quoting the opening lines of Charles Dickens' "A Tale of Two Cities," which says, "It was the best of times, it was the worst of times…" He was convinced that these words describe our church at this time. He also stated that he is convinced that there has never been a better time to be the Church, the time to reach out to all people in all situations. Rev. Edgar went on to explain how The Church for All People began as a free store. He related this to Genesis 1, explaining that God created it all and made it abundantly and that we are supposed to share it all. This is exemplified in the John 6 reading about feeding the five thousand. He went on to explain we live in a time of divine economy. This became the foundation of The Church for All People, and this church has become one of the most diverse church in our denomination. Rev. Edgar told success stories of some of the people and missions of the church. He kept stressing that when you give the best you have, no matter how meager your best may seem, God will do something with it. With all his success stories, Rev. Edgar kept emphasizing that even in the midst of all the challenges facing our church right now, there is still no better time to continue to be the church.

WELCOMING REMARKS
Bishop Schol introduced Lan Wilson as the new director of worship for Greater New Jersey. Lan introduced the conference band members.

Bishop Schol introduced Rev. Dave Wiley as the conference secretary, the District Cape Atlantic Lay Leader, Carolyn Pendleton and Bishop Alfred Johnson. All these people joined Bishop Schol up on the dais.

REOPEN GENERAL AND JURISTICTIONAL DELEGATE NOMINATION PROCESS RESOLUTION
Bishop Schol invited Rev. Tom Lank forward to present the Reopen General and Jurisdictional Delegate Nomination Process for vote.

SET THE BAR
Rev. Dave Wiley made a motion to set the bar of the conference.

RULE OF ORDER
A question was raised about the legality of the suspension of rules. Bishop Schol ruled that to suspend the rules was in order. This decision was challenged.

The challenge quoted from Robert's Rules which states, "policies and procedures not having to do with the meeting procedure during the meeting are not able to be suspended. They can be changed by rescinding them or amending them, but suspending them is all about meeting procedure, not about how the organization operates day to day." The challenge is that the suspension is about changing our rules of order. Bishop Schol explained to the conference body that the suspension was in order because it dealt with something that was happening within the body today.

VOTE
Bishop Schol called for a vote to allow for the suspension of the rules. The vote passed.

Rev. Lank made a motion for the original resolution.

AMENDMENT
Creed Pogue made a substitution by amendment by changing lines 15 and 16 to state: "Resolve to allow that any late laity nominations received from today until one week before the 2019 Annual Conference have their biographical information distributed at Annual Conference when they arrive." The amendment did not carry.

The original resolution passed.

VIDEO
A video interviewing GNJAC delegates from the 2019 General Conference Special Session was shown.

GENERAL CONFERENCE 2019 DELEGATE REPORT
The 2019 delegation presented their report, explaining all that they had done before and during the special session of General Conference. The body was reminded that we are a global church and the challenges this brings with all our diversity. Also challenging was the ability of any United Methodist being allowed to submit legislation to the General Conference as well as legislation involving the handling of such by both the Central Conference and our General Conference. It was stated that two petitions regarding clergy pensions passed. These would be functional no matter which church plan passed. It was explained that the One Church Plan failed by a margin of 75 votes and the Traditional Plan was approved in a slightly amended form. It was explained that some parts of the Traditional Plan were questioned as to being Constitutional, but the entire plan was voted on, flaws and all, and would be passed on to the Judicial Council to determine what is or is not constitutional. Details of the expectations on Bishops and Boards of Ordained Ministry were outlined as well as penalties that would be invoked on clergy if they did not follow the expectations of the Book of Discipline. Legislation was approved allowing for disaffiliation was also voted on but was questioned about constitutionality. Details as to what would be the local churches' responsibilities and what the Annual Conference's responsibilities would be were explained. The deadline for disaffiliation is 2023. It was explained that in some ways, not much has changed but in other ways many things have changed as is being reflected in our churches and pews. The report ended by confessing that our decisions communicate, whether intended or not, to all people of the LGBTQ+ community that they are still considered second class citizens in our church and that they have to accept this or leave. Our decisions sent a signal to every young person who is struggling with his or her identity that the United Methodist Church is not a safe place for them to work this out. We must acknowledge that we have increased the harm to LGBTQ persons, and we must repent. The delegation ended by saying to the LGBTQ+ community within our church: we see you, we love you, and we are so sorry that we harmed you, you are worth more than that, and ask that you please forgive us. Our work as a delegation is finished; the work as a Greater New Jersey family is just beginning.

POLICY RECOMMENDATIONS FROM CF&A
Jack Sharf and Bob Dietz presented the Policy Recommendations from Council on Finance and Administration report and made a motion for its approval.

MOTION
Heidi Hibbs made a motion to move this back to CF&A. The motion did not pass.

AMENDMENT
A friendly amendment was made to line 44, after 'retirement,' to add "or reassignment or appointment." The amendment was modified to take out the word 'retirement' and add 'any collection a congregation cares to take for clergy.' The friendly amendment was accepted as an editorial change.

MOTION
Rev. Bob Costello made a motion to separate the original motion into nine separate motions to discuss each policy separately. The motion was too close to call.

MOTION
A motion was made to move all that is before the body to the May Annual Conference. The motion passed.

REVISED BUDGET REPORT
Judy Colorado presented the revised budget report and made a motion for its adoption.

MOTION
Rev. Bob Costello made a motion to delete the $110,000 dollars on the last line of the budget.

MOTION
Creed Pogue made a motion to have a paper ballot vote for Rev. Costello's motion. The motion did not carry.

VOTE
Rev. Costello's motion did not carry.

The original motion passed.

GNJ WAY FORWARD TEAM RESOLUTION
Bishop Schol introduced Rev. Sang Won Doh who presented the GNJ Way Forward Team Resolution. Rev. Doh made a motion for its approval.

AMENDMENT
Robin Mitchell moved an amendment by addition, starting at line seven, adding, "Whereas we continue to be a part of the global United Methodist Church, and not just a United States denomination; and whereas a significant minority of delegates were deprived of their right to participate in the proceedings of the special session of the General Conference. Be it resolved that this team includes in its work a search for ways to insure the participation of our global delegates." The amendment did not pass.

AMENDMENT
Tom O'Hearn moved for an amendment by addition to add at line 25, "members of the delegation from our GNJAC to the 2020 NE Jurisdictional Conference not already listed above." The amendment did not pass.

AMENDMENT
Rev. Jessica Brendler Naulty made a motion for a friendly amendment by deletion to line 13 to strike 'per paragraph 161.G of the Book of Discipline." The amendment passed.

AMENDMENT
Shawn Grant made a motion for an amendment to line 16 to read, "share our hopes and concern with United Methodist's around the world." The amendment passed.

AMENDMENT
Rev. David Werhle made a motion for an amendment to line 17 to add a fourth point to read, "abide by the Book of Discipline." The amendment did not pass.

AMENDMENT
Creed Pogue made a motion to make an amendment by addition to line 25 adding, "with full respect to paragraph 603.2 of the BOD, the GNJAC respectfully request the presiding Bishop give the strongest possible consideration to moving the 2020 Annual Conference to a date in June to provide some time for reflection and discernment after General Conference." The amendment did not pass.

The original resolution passed.

BISHOP SCHOL PRESENTATION
Bishop Schol opened with prayer. He then reminded the congregation of the tension and dissention that was part of the early Methodist history and how through tension and dissention we have grown into the church we are today. Bishop emphasized that it is our faith in Jesus Christ that will lead us into the future. He stated that no matter what votes happen at conferences, it does not mean that hearts change or that transformation happen. We need to continue to work for change and remember that votes are not the destination. He mentioned the gift of diversity we have in GNJAC. Bishop gave a brief summary of what happened at the special session of General Conference, stating that the Simple Plan had 40% approval, the One Church Plan was defeated by only a narrow margin, the Traditionalist Plan did pass, which created for some, a sense of victory but for others a deep pain. He believes that no one came away from General Conference feeling like a winner. Bishop went on to share with the body about the tension that the church in Africa is now experiencing. He talked about the challenges of being a 'big tent' global church and how, often, culture is stronger than policy. He reminded the body that a great challenge before us is to recognize just because we put policies in place does not change hearts or transform minds. He went on to say that if people don't feel valued or if their beliefs are not taken seriously, this creates a counter culture.

A scripted conversation was presented over the issue of homosexuality, representing two sides of beliefs of the topic, showing how these types of conversation do not change minds or hearts.

Bishop then encouraged that people share stories with one another of their experiences on the issue of homosexuality. Several people shared their stories with the body. Bishop Schol challenged the body to discuss with each other what, if anything, has changed since the General Conference. Several people shared their answers. Bishop encouraged people to share answers of all perspectives.

Bishop directed the body to discuss with one another what is it that your congregation needs to keep moving forward to transform the world, to make disciples of Jesus Christ and grow vital congregations. Several people shared their responses.

Bishop Schol shared how concerned he is about young people who are exploring their sexuality, recognizing that this group has one of the highest suicide rates and how this is where the church can be of help. He spoke of the resources available on the conference website. Bishop asked the congregation to have their churches not make any rash decisions or disengage. This is the time to engage and get involved and be present.

Bishop stated that he would not lead GNJ in going after LGBTQ people who are serving in our congregations, faithfully and well. That would only do more harm in the midst of our tension and dissention. He will be asking how we, in different contexts, honor different theological understandings and congregations. He wants our pastors to be pastoral in the context in which they find themselves. He wants the body to let any laity who are serving in your church who are of the LGBTQ they matter to him, to God and that they are wonderfully made. He wants them to know he welcomes them and together, with God, we will tackle all issues.

Bishop Schol spoke about how he is the Bishop of the whole church and wants gatherings like today to be a safe place for all. He called all to be a disciple of Jesus Christ and to create a safe space around ourselves for all people to feel safe.

CLOSING

Bishop Schol invited the people who would be anointing to come forward. He blessed the oil for anointing and offered it to any who needed healing. The conference praise band offered songs while people anointed one another.

BENEDICTION

Bishop Alfred Johnson led the congregation in 'Happy Birthday' to Bishop Schol. Bishop Johnson then offered the benediction.

DAILY PROCEEDINGS OF THE TWENTIETH SESSION

OF THE ANNUAL CONFERENCE OF
UNITED METHODISTS OF GREATER NEW JERSEY
May 19-21, 2019
Wildwood, NJ

Sunday, May 19, 2019, 4:00 p.m.

CLERGY SESSION
Bishop Schol began by leading the singing of 'Blessed Assurance' and then opened with a prayer. He reminded the clergy that there were two important rules to remember. First rule is to do the work of the church, and the second is to make sure that work gets done before dinner!

Rev. Dave Wiley made a motion to set the bar of Clergy Session. The motion passed.

Rev. Thomas Korkuch and Rev. Jessica Brendler Naulty, both from the Board of Ordained Ministry, presented the Board Report (Parts II-V of the Disciplinary Questions – 17-50a). As each question was presented, it was received and/or adopted, as action required.

At question number 17, Bishop Schol shared with the body what was needed if a church chose to disassociate with the UMC. First, the local church needs to hold a church conference and have a vote to disassociate which must have a two-thirds approval. Second, Trustees need to pay future pension liabilities, and, third, this must happen within three years, by 2023. The Conference will work with churches wanting to disaffiliate if that church affiliates with a Wesleyan church and/or a church affiliated with Wespath. Bishop Schol promised to help lead our Conference forward so that we can reach where we need to be to thrive.

The Board Report continued. During this time, the Candidates for Ordination were introduced and then led out of the room. Bishop asked for a vote to approve the candidates. They were approved unanimously. Similarly, the Candidates for Commissioning were introduced, led out of the room and Bishop Schol asked for a vote to approve the candidates. They were approved unanimously.

The names of the Clergy Saints were read. The retirees were introduced and invited forward. Rev. Gina Hendrickson offered a prayer for the retirees.

The Clergy Report in its entirely was presented for approval. The entire report was approved.

After the presentation of the report, Bishop Schol spoke to the body regarding Shared Ministries and Billables, explaining the dollar amount still owed to the conference. He also talked about the plan to turn this around over the next three years.

The 2020 General Conference delegates were introduced and given one minute each to speak to the body.

Bishop Schol encouraged all clergy to continue to move ministry forward and reach out to all those in our communities and thanked everyone for the work they do.

Bishop ended the session with a prayer and offered a grace before dinner.

LAITY SESSION
Marilyn Kinelski, Northern Shore District Lay Leader, opened the session with prayer and encouraged everyone to 'go with hope through hospitality'.

Rosa Williams, Conference Lay Leader, welcomed all and reminded the body that God has blessed us in many ways. Referring to the conference theme 'Rooted', she stated that we must be rooted in Christ to experience the fullness of God.

Ms. Williams spoke about a new lay leader education plan called the Lay Leadership Program 100, which will launch in September of this year. The goal of the program is to achieve growth in our churches. The program is looking to have one hundred clergy and one hundred lay leaders attend to learn how to make disciples, and transform lives and communities. The program will also offer a yearly calendar of programs to laity. She outlined in detail how this program would help laity understand God's word and share it with others. The program is meant to encourage lay leadership to grow and to make time for education.

George Lagos, Director of Lay Servant Ministry, came forward to speak about the lay servant ministries. He celebrated that there are over eleven hundred lay servants currently in our conference, and he announced a goal to double that number, noting that the basic and the advanced lay servant classes have had an increase in attendance over the past year. He also informed the body that the fall classes would focus on preaching, and that in 2020 there would be a new class on Transforming Evangelism. This year's pilot certified Lay Minister's class covered skills, leading and communication. George then asked all the district directors to stand and thanked them for all their work.

Kathy Schulz came forward and spoke about how the Lay Leadership Academy is for all leaders of the church. She distributed brochures to the body, explaining that they were available for churches.

The nominees for the General and Jurisdictional Conferences were introduced and each had one minute to speak to the body.

A video on Rise Against Hunger was presented. Following this, Judy DiCecco, Capital District Lay Leader, encouraged the body to help package thirty thousand meals while here.

Celebration videos were also shown, celebrating the work that laity is doing and reminding everyone that we are one body and one spirit.

Rachel Callender closed the session with prayer and gave the blessing for dinner.

Sunday, May 19, 2019, 7:00 p.m.

ORDINATION, COMMISSIONING AND RECOGNITION OF ORDERS SERVICE
The Service for Ordination of Deacons and Elders with Commissioning and Recognition of Orders began with the song "We Need You Lord." Herb Carney, from the Lenni-Lenape Tribe, greeted the gathering and explained that Wildwood used to be Lenape land. The clergy processed in to "Joyful, Joyful".

At the Baptismal font Bishop Schol greeted the congregation with the words; "We gather like trees planted near streams of water. The roots of faithfulness have yielded the fruits we celebrate tonight'. After a song of affirmation, he opened with prayer.

Bishop Schol, Bishop Lyght and Bishop Johnson celebrated the Baptism of Elba Rose Pillot Stow, daughter of Rev. Jacqueline and Pedro Stow.

Commissioned as Missionary
Chun Grace Cho

The service moved into a time of Commissioning of a Missionary. Family and friends were invited to stand where they were for silent prayer during the laying on of hands as the candidate was commissioned. Judy Chung and Rev.

Isabel Quezada, from the Board of Global Ministries, presented Chun Grace Cho to be commissioned as a missionary through the General Board of Global Ministries of the UMC. Rev. Chun will be a missionary to Mongolia.

Rosa Williams and Rev. Tom Korkuch, on behalf of the Board of Ordained Ministry, presented the candidates to be commissioned, recognized and ordained for the ministry of the church. Rev. Eunice Vega-Perez introduced those individuals who were to be commissioned as Deacons. Rev. Michelle Ryoo introduced persons whose orders would be recognized as elders. Bishop Schol asked the candidates the historic questions of General Examination.

The scripture, Jeremiah 17:7-8, was read by Rev. Rosemary Rentas in Spanish and by Rev. William Williams, III in English. The scripture, Luke 16:19-25, was read by Rev. Daeil Min in Korean and by Rev. Karline Dubuisson in Creole.

Bishop Schol began his message by expressing his appreciation for Bishops Johnson and Lyght. He then stated that the phrase 'fear not' happens three hundred and sixty-five times in scripture and how he believes that courage begins with fear. Bishop Schol spoke about three sins church leaders often commit: Callousness, Contentment and Cautiousness. He spoke of how callousness often builds up while helping people every day but how ministry calls us to see people as people, not objects. Bishop said that contentment is seen in leadership when leaders don't push to the next thing God has planned for them. Finally, he reminded the congregation that we live in tough times, but it is not the time to be cautious. He stated that if you're not failing enough, you're not succeeding. He encouraged leaders to start with taking appropriate risk and fail as often as you can in order to succeed. He reminded them that they need to be out with people and even to invite church people to go with you. He ended his message by challenging church leaders with the question; 'Are you ready to step out in faith and fear'?

The service moved into a time of Testimony Moments. First, Rev. Samuel Arroyo told about his call to ministry and how he knew at a young age that God had a special plan for him. The plan was not clear, but he felt he would become an 'Indiana Jones for Christ' someday. He went on to tell how, when trying to prepare his first sermon, his next-door neighbor's child, who was four years old, wanted to play with him. Rev. Arroyo heard God say to him, 'If you continue to work on your sermon, you will have failed me." He learned in that moment that what was most important was to look at those around you. Rev. Alison Philip then began her testimony. She explained that she is a statistician and how with graph data there are always outliers. She considered herself an 'outlier,' always feeling out of place. At 18-years old, she found a United Methodist Church. It didn't have a hip pastor or great music, but they welcomed her and directed her. She went on to tell how one day after her college graduation she was baptized on Pentecost in that church and seven years later, she was ordained on Pentecost. She spoke about how we need to commit and recommit ourselves, day after day, to ministry. This is God's call to the church.

The service moved into the time of commissioning. Family and friends were invited to stand where they were for silent prayer during the laying on of hands as each candidate was commissioned.

EPISCOPAL ADDRESS
Bishop Schol began his address by telling about the early Methodist history in NJ and how it is still active today by serving local communities and world-wide mission. He celebrated how GNJ continues to be a missional force within the region and how we raised and gave $3, 154,339 for local and world-wide mission. He spoke about how the GNJ raises up leadership, focusing on Judy Colorado. He celebrated the diverse commissioned and ordained people of GNJ and all the new leadership within our conference.

Bishop Schol celebrated the many new ministries started this past year across the conference. These ministries were started by both laity and clergy. He spoke about how GNJ makes and sends disciples within the conference and around the world, celebrating vital congregations and all they are doing to grow spiritually and numerically. He celebrated how GNJ has influenced the world, giving the example of how the UMC in Tanzania expanded women's role in the church after seeing women from GNJ teach and lead. He spoke about the transformative ministry of our mission partners, telling how A Future with Hope has progressed in creating Hope Centers across the conference, how the Next Generation Ministries are reaching young people in new and innovative ways, and how the IGNITE Youth Conference has grown to more than fifteen hundred people. He repeatedly mentioned how our ministry continues to grow roots and spread the gospel across the world. He reminded the congregation that our ministry is in vain if we are not transforming lives, the church and the world, and that transformation begins in the heart.

Bishop Schol then spoke about his experiences at a General Conferences he had attended in 2004. He remembered how he, along with representatives from each jurisdiction and delegates from countries around the world presented what came to be called The Unity Resolution. It passed by over ninety percent. He went on to speak that if he were to do something similar today, it would be to allow new expressions of Methodism so that we stop hurting each other and give room for different theologies, methods for interpreting the Bible and diversity in practicing our faith. We should offer a resolution that we stop weakening the Wesleyan witness in the world and diminishing our mission in the world, and that we should allow new expressions of Methodism to emerge. He went on to describe what has been happening across our country and around the world since the past General Conference and how institutions, conferences and people have stated that they cannot abide by the General Conference decision. Bishop stated it is time to find a way forward in which we bless one another, set one another loose for mission and free each other to pursue the Gospel with passion. He reminded the congregation that it is not our unity that is at stake, but salvation--the transformation of lives, communities and the world. We must stop focusing inward and begin to focus outward. The renewal must be aimed at transformation of the heart because legislation cannot do that.

Bishop Schol told the congregation that he, along with the cabinet, the GNJ Way Forward Team and other conference leaders are supporting moving into new expressions of Methodism, and he believes that we will find a way forward that maintains heathy historic connections and release and bless one another for what God has in store for us. He wanted to be clear, stating that he wasn't interested in changing a few paragraphs in the Book of Discipline: The Gospel demands more of us. He is not sure what it will look like, but it will be Wesleyan, it will be connectional, it will be transformative, and it will turn the church outward. He spoke of how we have important values and ministry that demand we remain connectional and we have differences that require new expressions that set us loose for the Gospel. He celebrated how GNJ led in many different ways, throughout history, in leading to new policies and making differences.

Bishop Schol ended by reminding the congregation that God is not done with the Methodist movement in GNJ and we are ready to plant new seedlings, grow new trees, send out deep roots, grow new branches for what God has next for us so we may transform the world.

Carolyn explained the history of the Black Methodist's for Church Renewal (BMCR) and presented Bishop Earnest Lyght, the preacher for the Service of Remembrance, with the BMCR Award for all he has done at the national, jurisdictional, and local level for the BMCR.

Bishop Lyght, a former pastor and superintendent within the GNJAC, opened his message by just giving thanks and sending greetings to the conference. He then went on to speak about how his journey seems to have always been associated with rivers, the Delaware, Hudson and Canal Rivers. He told about he crossed them many times over throughout his journey. He then spoke of how those we are remembering today have also crossed a river. He calls this 'God's benedictions.' He quoted Elliot who said 'our endings are where we start from.' He used the story of Job as an example because only after Job acknowledged God's sovereignty did his life truly begin.

Bishop Lyght raised all the blessings the saints we are celebrating today gave us through the course of their journeys. He then asked if the congregation knows resurrection power. He spoke about how Martha and Mary were not happy with Jesus because he had taken his sweet time to get there, but for Jesus, he arrived right on time and he showed them his resurrection power. Jesus did the same with the disciples when he met them after his crucifixion. He showed them his resurrection power. Bishop Lyght reminded the congregation that we have inherited God's resurrection power and with that, how can we fail?

A video was shown of all the saints who were called home to glory.

LEADERSHIP ADDRESS
Rev. Hector Burgos, Director of Connectional Ministries, introduced the conference leadership: Rosa Williams, Conference Lay Leader; Rev. Michelle Ryoo, Chair of GNJ Commission on the Status and Role of Women; Rev. Kay Dubisson, Chair of GNJ Committee on Ethnic Local Church Concerns; Rev. Tom Korkuch, Chair of GNJ Board of Ordained Ministry and Rev. Sang Won Doh, Chair of GNJ Connectional Table.

Rev. Burgos quoted from the prophet Jeremiah where it speaks about being a tree planted by water sending out its roots by a stream, then introduced the strategic plan for the next five years.

Rosa Williams spoke of the strategic missional goal of the conference to raise one hundred laity and one hundred clergy who make disciples that make disciples. The focus will be on nurturing leaders who multiply passionate disciples so that congregations can effectively connect and engage with diverse groups of people in their community.

Rev. Michelle Ryoo addressed the shifts in thinking and doing ministry together by connecting with people and communities, creating intercultural competence, engaging younger and more diverse disciples, equipping leaders through interactions and experience, building regenerative ministries and cultivating new sources of ministry.

Rev. Kay Dubisson spoke of how to achieve this new strategic plan. It will be done by using five new strategies of starting new faith communities, using The Maker's Place, working towards intercultural competence, amplifying the Next Gen ministries and creating opportunities for healing, renewal and transformation and developing financial support streams for congregations.

Rev. Tom Korkuch discussed the resources available to congregations to help them become more vital and Christ-like. These resources are: Team Vital, an assessment and strategic planning process; clergy coaching, helping clergy in the area of leadership ; PaCE, which helps clergy develop their leadership around the areas they are passionate about; Local Pastor Licensing School, which provides a foundation for leadership development for our candidates; the GNJ Clergy Leadership Development Seminar, which gathers monthly to help clergy become fruitful, transformative and apostolic leaders; and Mosaic ministries, which helps develop new ways of thinking and doing local church ministry, mission and leadership with young clergy.

Rev. Sang Won Doh discussed new resources that are being developed within our conference. Resources such as Breakthrough, which is designed to provide easy to implement practices and worship series; A Discipleship Pathway, helping to make and implement an intentional pathway to discipleship within congregations; The Congregational Leadership Academy, which is a year-round coordinated program that develops the skills needed to grow vital ministries in the local church; and The Way We Gather Makes a Difference, a resource designed to help congregations be authentic to who they are today while preparing for growth and moving into the next level of impact in their ministries.

The Leadership 100 Video was shown to describe the resources that have been developed to help churches and their pastors best lead the congregations they currently have.

TEACHING SESSION
Bishop Schol introduced Kristina Gonzalez, Director of Innovative Leadership for an Inclusive Church for the Greater North West Episcopal Area, as our guest teacher. Ms. Gonzalez spoke about the similarities the North West and GNJ have in our diversity. She spoke about going to a calendar and agenda meeting, and how the Unity Resolution came to be at the 2004 General Conference.

She stated that we must be humble and realize our minimal understanding of scripture. She went on to describe a posture of humbleness, by using a cupped hand, imagining all people in that cup. She asked us to remember that all those people are fearfully and wonderfully made.

Ms. Gonzalez spoke to the body on the topic of Emotional Intelligence (EI) and the importance of understanding it in our context. She raised the three important questions she asks to keep herself in a humble space when considering cultural differences.

She began by asking the body, what they think about EI, who comes to mind? She then encouraged people to speak with their neighbors. Ms. Gonzalez described people with EI as usually calm, reliable and unflappable. She then reflected on Jesus' ministry and his EI, of how he spoke of the "board" in our own eye and the "splinter" in another's, and the question he asked before he healed the woman caught in adultery: through it all, she stated, Jesus expressed patience. She went on to state it's not just about patience, it's also about ending with justice. EI is a skill that we can learn and develop. Through it we can learn cultural self-awareness, self-governance, intercultural literacy and systems of equity.

Ms. Gonzalez challenged the body with the question: How do I know that I am included? She explained how this leads to System of Equity and understanding the various cultures involved.

Ms. Gonzalez concluded her teaching by summarizing the four phases of EI. She brought up the passage of Jesus in the Temple when he turned over tables. She believes that Jesus waited for the right moment in the right place to disrupt the norm. She stated that we should be aiming for systems that are inclusive and equitable. She encouraged the conference delegates to share the EI recipe cards with our congregations to help them understand their EI and grow towards openness and inclusion.

GNJAC 2020 DELEGATION:
Bishop Schol introduced the General and Jurisdictional Conference delegates as well the reserve delegates.

Bishop Schol reflected on the diversity within the delegation and our conference, noticing that the delegation does not fully reflect the ethnic diversity in our conference. He also challenged to body to consider the diversity of theological views and how, he believes, the delegation does not fully reflect our conference diversity. He spoke about how the diversity within our midst is so important to who we are as a conference and how he appreciates each one. He went on to give thanks, naming the variety of local churches within our conference.

The praise band led in singing 'Draw the Circle Wide'. During the song, those who were able stood and formed a circle around the entire room.

Rev. Bechtold offered the charge for all new appointments.

Bishop Schol closed with prayer.

ANNOUNCEMENTS
Rev. Wiley gave the necessary announcements.

HOLY CONFERENCING
Bishop Schol introduced the Way Forward Team and asked them to share a bit about the work they have done. He began by explaining the differences between Conservative and Liberal ways of thinking and actions. In his explanation, a continual loop was easily noticed. He called this a collusion loop. He explained how, by continuing the same behavior without changing, no progress is made, and an inward mindset is developed. Bishop then invited Ashley Wilson forward to continue the discussion.

Ms. Wilson discussed four different inward mindset styles: better than others, I deserve more, less than others, and the need to be seen. She explained that when we have an outward mindset, we are focusing on the needs of others.

Using a Mindset Pyramid displayed on the screen, Bishop Schol explained how we dehumanize someone when we objectify that person. He continued by explaining that when we work at building relationships, we begin to see people as people, and this leads to listening and learning. He stated that this is an outward mindset and only when we begin to work with an outward mindset, can we get out of the collusion loop. Bishop talked about how Jesus spent most of his time in relationships, getting to know people. Bishop did a demonstration with chairs which visually explained the importance of trying to see people as people and realizing that the only chair we can move is our own.

Bishop Schol explained how people are wired differently, stating that, for some, beliefs are based on facts and, for others, beliefs are based on principles. He explained that when our starting points are not the same, we need to be at different tables. Bishop invited Rev. Sang Won Doh forward to explain to the body some of the things the Way Forward Team has already begun to begin turning the church outward.

Rev. Doh first stated the Way Forward Team's purpose and reflected on some of the questions people may have. He realized some people are asking 'why is there a way forward team in GNJ?' and how others believe that General Conference has already spoken for us," while others are stating how General Conference does not represent them. Rev. Doh informed the body that the Way Forward Team's goals were to renew the church, to bless one another, to allow congregations to thrive, to model congregational groupings and to identify connections

Rev. Doh defined The Way Forward Team role as one that will create sacred space and process to assist local churches and the conference to live out the goals as well as find new expressions of ministry. He went on to state their hopeful timeline.

Rev. Doh asked for prayers for the Way Forward Team, stating they are brothers and sisters in Christ but that without prayer, they could easily separate in hatred; only with prayer can they continue together.

Bishop Schol explained that, right now, we are focusing on the 'why and what,' not on the 'how.' He noted that until we define our why and what, the how will be difficult. He stated that soon each local church will be allowed to live out their expression of ministry. Bishop Schol stated that we will find what we have in common and find ways to move the church forward in our differences, noting that how we are going to do this is the work of the Way Forward Team. He concluded that instead of continuing the collusion loop, GNJ will find a new way to be the church.

Bishop invited both Rev. Dave Wehrle, vice-chair of the Greater New Jersey Wesleyan Covenant Association, and Rev. Amanda Hemenetz, chair of the Greater NJ Reconciling ministry, to come forward and speak.

Rev. Wehrle spoke about the core belief that unites us: Christ is risen, he is risen indeed. He gave a brief testimony of Christ in his life and how grateful he is to be on the Way Forward Team. He also spoke about how he believes that the Holy Spirit will lead the Team. He asked for help from the body for their input and prayers so they may discern what Jesus has for us.

Rev. Hemenetz began by noting the scripture that states how a seed must die in order to bear much fruit. She said this has been her theme scripture since coming onto the Way Forward Team. She spoke about her belief that death is happening in our denomination and, being in Easter season, we are looking for resurrection into something new. She spoke about of how she sees new life for the church, of the hope she now has for a new church, having a vision where people will be doing ministry in different ways and doing it well. She also asked for prayers for the team.

Bishop Schol said he would not speak about disaffiliation but about affiliation and blessing. He used the example of when children leave home it is not disaffiliation but a moment of growth.

Bishop Schol had people speak at different microphones on the various levels on the outward mindset pyramid.

Rev. Bennett did explain that these three bodies did endorsed an open letter to the Bishop and requested that the open letter, along with the over twelve hundred names on it, be read to the Bishop. Bishop Schol felt that reading this letter would put us back into a collusion loop. He stated he has read the letter and seen the names on the letter.

Motion
Bishop Schol asked for a motion to refer Jessica's motion to the fall. The motion was made. It passed.

If no member objects, the division shall be made; but if there is objection, the Chair, not waiting for a second, shall put the division to a vote.

32) **Tabling Related Motions** – No motion that adheres to another motion or has another motion adhering to it can be laid on the table by itself. If they are laid on the table, such motions carry with them the motions to which they respectively adhere or which adhere to them.

33) **Motions After Speaking on a Pending Question –**

a. A member may make a motion after a speech, although strict parliamentary practice requires motion to be made and seconded before a speech is made so the Conference may determine if it wishes to hear the matter.
b. No member who has spoken on a pending question shall at the close of the speech have the right to call for the previous question, to move for indefinite postponement, or to lay the motion on the table.

34) **Previous Question** – To move the previous question is to move that the vote now be taken on the motion or motions pending.

a. When moving a previous question, a member shall indicate to what such action applies if any secondary motion or motions are pending. If the member does not so indicate, the chair may regard it as applying only to the immediate pending question. This vote shall be taken without debate and if, in the judgment of the chair, two thirds (2/3) of those present vote for its adoption, the vote shall be taken on the motion or motion to which it applies.

b. It shall not be in order to move the previous question in cases involving character or Conference relations, or where the Rules otherwise expressly limit when it is in order to move the previous question.

35) **Reconsideration of a Question** – A motion to reconsider an action of the Conference shall be in order at any time during the prevailing session if offered by a member who voted with the majority. If the motion it is proposed to reconsider is not debatable, the motion to reconsider may not be debated.

36) **Suspension of Rules** – The application of any of the provisions of these Rules of Order may be suspended at any time by a two-thirds (2/3) vote of the Conference.

37) **Motions and Resolutions are to be Written –**

38) **When a Motion is in Possession of the Conference** – When a motion is made and seconded, or a resolution introduced and seconded, or a report presented and/or read before the Conference, or stated by the Chair it shall be deemed in possession of the Conference. But any motion may be withdrawn or altered by the mover with the consent of the Conference at any time before voting has commenced.

39) **Amendments and Substitutions –**

a. Only one amendment to an amendment shall be in order.
b. It is in order to move a substitute for the main motion. In such case, the Chair shall proceed to perfect the original motion. When the main motion has been perfected, the Chair shall state the question on the substitute. If the substitute is adopted, it shall replace the original main motion and become the main motion. The Chair will then state the question on the (new) main motion. The new main motion can be amended only by addition. If the substitute does not carry, the Chair shall state the question on the original main motion as it has been perfected.

40) **Order of Amendments** – When a main motion, report or resolution is under consideration, only one amendment and one amendment to that amendment are permissible. While there can be only one amendment of each degree pending at the same time, any number of amendments can be offered in succession. A substitute and one amendment to the substitute may be offered while amendments of the first and second degree are pending. The permissive order then is: 1) main motion, 2) amendment, 3) amendment to the amendment, 4) substitute, and 5) amendment to the substitute. The voting in this order is 3, 2, 5, 4, 1. If the substitute becomes the main motion, it shall be treated as such.

42) **The Question of Consideration** – The question of consideration may be raised by any member upon the presentation of any matter that shall be deemed irrelevant, unprofitable or contentious, and shall be decided without debate by majority vote. This applies only to the main motion.

43) **Method of Voting** – Voting shall be by voice vote and/or show of hands, or by standing count (provided that in such a count those who cannot stand may vote by raising hands), or by ballot, at the discretion of the Presiding Officer, unless otherwise ordered by the Conference. It shall be in order for any member to call for a vote by count on any question before the Conference, and, if the call be sustained by one-third (1/3) of the members present and voting, a vote shall be taken as called for.

44) **Robert's Rules of Order, Supplemental Authority –** In any parliamentary situation not covered in these Rules of Order, the Conference shall be governed in its action by the appropriate provisions of the latest revision of Robert's Rules of Order.

d. No person shall speak more than once on the same question without permission of the Conference, except as provided under g) below.

h. Except for non-debatable motions, no report or motion shall be put to the question without the opportunity having been given for at least two (2) speeches for and two (2) speeches against the pending question. After two (2) speeches pro and two (2) speeches con and provided no secondary (subsidiary, privileged--other than "previous question"-- or incidental) motions come to the floor and no other member seeks the floor to speak on the pending question, the question shall automatically be put to the question.

i. The motion for the previous question shall not be in order on the pending question until opportunity has been given for at least two (2) members to speak on each side of the pending question. If, after reasonable opportunity has been offered by the chair, no member has requested to speak against a resolution, motion or

amendment, any member may move the previous question, to close debate. Likewise, if one member has spoken against a resolution, motion or amendment, but, after reasonable opportunity has been offered by the chair, no second member has requested to speak against the measure, any member may move the previous question, to close debate.

47) **Representation of Committees –** When the chairperson of a Conference agency is not in harmony with a report or recommendation adopted by the agency, it shall be the chairperson's duty to state the fact to the agency. The agency may then elect one of its members to represent it in the presentation of the report or recommendation in Conference. If the committee fails to elect such a representative, the chairperson may designate a member to represent the committee.

48) **To Limit or Extend Debate –** To move to limit or extend the limits of debate is in order at any time, except when a member has the floor, except as otherwise specifically provided elsewhere in the Rules.

49) **Interrupting the Speaker –** No one shall interrupt a member who has the floor except for a breach of order, a misrepresentation, a departure from the question, to direct the attention of the Conference that the time has arrived for a special order of the day, or to raise a very urgent question of high privilege.

50) **Questions of Privilege –** All requests from the floor to be recognized for matters of privilege must be made in writing to the Conference Secretary. They shall state the reason for the request to address the conference and the purpose of the request. The requests will be reviewed by a committee composed of the Conference Lay Leader, Conference Secretary, and the Chair of Conference Sessions. The committee shall recommend to the Presiding Bishop whether or not to recognize the requestor for the purpose of presenting the matter of privilege. The Presiding Bishop shall have sole authority in receiving and acting upon the recommendation of the committee.

51) **Announcements, Courtesy Presentations and Distribution of papers –**

a. Announcements of matters of information to the Conference shall be submitted on the Announcement Authorization Form to the Conference Secretary before the conclusion of the plenary session prior to the plenary session when the announcement will be made unless it is an emergency matter which may be submitted as soon as possible after the matter is known.

b. Requests to make Courtesy Presentation speeches during a plenary session by a person not a member of Annual Conference or by a member are subject to the discretion of the bishop. As a general rule, no presentations or speeches will be made to the Conference outside the agenda.

c. Papers or other materials may not be distributed to the members during the Conference sessions, except with express prior permission by the bishop.

52) **Privilege of the Floor for Lay Members of Conference Agencies –** Laypersons not members of the Conference but currently serving on Conference agencies shall have the privilege of the floor without vote.

53) **Lay Officers of a Conference Agency –** Any Lay Officer of any Conference agency, who is not a lay member of the Conference, shall have the privilege to move and defend the report of the group such Lay Officer represents, without vote.

VI. NOMINATIONS

54) **The Committee on Nominations and its Ministry –** The Committee on Nominations will consist of the District Lay Leaders, the Conference Lay Leader, the Director of Connectional Ministries and the District Superintendents. The Committee shall nominate the appropriate number of people each year to the Annual Conference Session for election.

a. The Committee on Nominations will develop and use a system to identify nominees based on their gifts, experience, and skills that will help the Conference achieve its vision, mission and goals as adopted by the Annual Conference, particularly leadership evidenced in making and maturing disciples, growing vital congregations and transforming lives and communities. Additionally, the Committee shall ensure the nominations reflect the diversity of the Conference.

b. Agency members shall be elected and placed into four staggered classes and each class will serve for a term of two years. An agency member may serve for four terms for a maximum of eight years. Nominations and elections will follow the rotation schedule unless otherwise mandated by the Book of Discipline.

c. In order to aid the Committee on Nominations in its work, it is requested that any member of the Conference who has a personal preference to serve on any particular agency communicate such personal preference to the chairperson of the Committee on Nominations on the appropriate form prior to January 1.

d. Nothing herein shall exclude additional nominations from the floor of the Conference. All nominations from the floor must be submitted on forms supplied in the pre-conference mailing or secured from the Chairperson of Nominations prior to placing the name in nomination. The signatures of the nominator and nominee must be on the form or it will be declared invalid.

55) **Chairpersons and Officers –**

a. For the sake of empowering diverse leadership, the Committee on Nominations shall nominate, and the Annual Conference elect, all chairpersons and officers for agencies, boards, commissions, committees, councils and teams except where the Book of Discipline instructs differently. All terms shall be for the quadrennial, or such other period as specified by the action of the Conference.

b. The Committee on Nominations shall nominate all chairpersons and officers for agencies, boards, commissions, committees, council and teams [hereinafter Agency/Agencies] that the Book of Discipline requires to select its own chair and officers. These nominations shall not come before Annual Conference, but shall be presented directly to the respective Agencies for vote at their first meeting after Annual Conference. In the absence of a duly elected Chair, whose term has not yet expired, the District Superintendent assigned to the agency either permanently, or for the election process, shall chair the meeting until the new chair is elected.

c. In all nominations, special attention shall be given to seeking diversity of inclusion by gender, age, racial and ethnic background, and to inclusion of people with disabilities and from all size churches. (See Discipline paragraph 610.5)

56) **To Fill Vacancies –**

a. The Committee on Nominations is to recommend to the Connectional Table Executive Committee any persons to fulfill an unexpired term of any agency vacancy between Annual Conference Sessions except where the Discipline instructs differently.

b. Preference will be given to members of the Annual Conference to serve on conference agencies when they have the skills, experience and qualities being sought for an agency.

c. The Connectional Table Executive Committee shall approve the appointments or request additional nominations, in which case the Committee on Nominations is to submit new nominations. These individuals serve until they or someone else is elected at the next Annual Conference Session.

d. When a person duly nominated and elected to any Conference agency does not attend three (3) consecutive meetings of the agency, it shall be the responsibility of the chairperson to attempt to contact that person by mail or telephone with a view to activation or resignation. The chairpersons shall report in writing annually to the Chairperson of the Committee on Nominations regarding contact with all non-participants and the results of such contacts. This information shall be provided by January 31 of each year.

57) **Elections –**

a. The report of the Committee on Nominations shall be distributed in the Pre-Conference mailing and/or the packet received at the seat of the Annual Conference. The report shall be presented without reading. Upon adoption of a motion to close nominations, the Chairperson of the Committee on Nominations shall move the election of all nominees whose elections are uncontested.

b. When the number of persons nominated exceeds the vacancies on an agency or when more than one person is nominated for a specific office, there shall be a secret ballot listing only those persons where a contest exists. The ballot will be taken at a time subsequent to the election in a) above. The ballot shall be distributed, collected and tallied by tellers selected by the Conference Secretary, who shall report the results listing only those elected. Election shall be by a majority of those voting. Lacking a majority, there shall be another ballot listing only those receiving 25% or more of the votes.

58) **Quadrennial Agencies -**

a. An elected member of a conference or district committee, board or agency shall be eligible for not more than two consecutive four year terms unless specified otherwise in the Book of Discipline. Service of two years or more in filling an unexpired or vacated position shall be counted as a full four-year term. For this purpose, annual conference to annual conference shall be considered one year, regardless of the actual dates of the conferences.

b. Persons elected by the Annual Conference to serve in an affiliated organization* may serve in accord with the by-laws of the organization in which they are elected to serve, except that no term of office may exceed five years. All persons elected or reelected to serve in an affiliated organization shall be elected in accord with the Annual Conference rules on nomination and election.

*An affiliated organization is one that wishes to maintain a connectional relationship with the United Methodist Church through the Greater New Jersey Annual Conference.

c. Members of the Annual Conference who are voting members of a general agency shall serve as ex-officio (with vote) members of the corresponding annual conference agency or its equivalent structure (¶¶610.6, 710.4 and 710.6).

59) **Quorum –** The members present and voting at any duly announced meeting of a Conference agency, board, commission, committee, council or team shall constitute a quorum.

60) **Limitations of Service** – No person shall be elected to more than two conference agencies, boards, commissions, committees, councils or teams, except for persons who are ex-officio members by virtue of an office or as a member of a general agency.

61) **District Superintendent Voting** – A District Superintendent regularly assigned to any Conference agency by the Cabinet shall have a vote in that agency, and shall be the only District Superintendent who shall have the right to vote in such agency, except where the Discipline provides otherwise.

VII. PETITIONS AND ELECTIONS TO GENERAL AND JURISDICTIONAL CONFERENCE

62) **Petitions to General Conference** – All petitions to General Conference shall be presented as prescribed in ¶ 507 of the Discipline. Petitions for endorsement by the Annual Conference to General Conference will only be considered in the year in which General Conference delegates will be elected.

63) **Nominations** – In a year in which elections to the General and Jurisdictional Conferences are to be held, the Conference Secretary shall open nominations for lay and clergy delegates on December 15 and nominations will be closed on February 15. On the bottom of nominations for Lay Delegates shall be the names of two Lay Members of the Annual Conference who endorse the nomination of the candidate. On the bottom of nominations for Clergy Delegates shall be the names of two Clergy Members who are eligible to vote for such delegates, and who endorse the nomination of the candidate.

a. Nominees may address their respective sessions for no more than one minute each, provided that no more than forty five minutes shall be allotted for speeches. No speeches regarding nominees will be in order after the original time allotted for such speeches.

65) **Voting** – All members, lay and clergy, must be within the bar of the Conference to be eligible to vote.

a. Before each ballot, the President shall announce the number of delegates each ballot shall elect. To be effective, a ballot must list the exact number of names of lay or clergy delegates to be elected.

b. The intent of the voter shall be allowed regardless of mistakes in spelling.

c. Where there is more than one member with the same family name, the Christian name or identifying initials shall precede the family name.

d. A majority of valid votes cast shall be necessary for election, except on the ballot to elect reserve delegates pursuant to Rule 68.

e. Only those nominated are eligible for election. If a ballot lists someone who has not been nominated, the ballot will be disqualified.

66) **Counting and Reporting** –

a. After a ballot has been counted, the chief teller, either clergy or lay, shall furnish a written report to the bishop, which shall contain (a) the number of ballots cast; (b) the number of ballots not valid; (c) the number of valid ballots counted; (d) the number of ballots necessary to elect; and (e) the list of names of persons voted for, including the number of votes received by each. The results will be disclosed or displayed before the next ballot is taken.

b. Minimum Votes. On the first ballot for both General Conference and the jurisdictional conference, the presiding officer shall read or distribute all names receiving 5 or more votes, together with the number of votes cast

for each. Thereafter, the minimum number of votes received to be included in the next ballot shall be increased by five for each delegate elected (that is, on the first ballot a minimum of 5 votes to be included in the next ballot; after the election of the first delegate, a minimum of 10 votes to be included in the next ballot; after the election of the second delegate, a minimum of 15 votes, etc.). After the ballot in which the last delegate is elected to the General Conference, all the names that were originally nominated are available for election to Jurisdictional conference. Those elected to General Conference will not be listed.

c. If necessary, another ballot shall be taken in like manner, and so on, until the proper number of delegates has been chosen.

67) **Qualifications** –

a. Clergy Delegates – The Discipline, ¶ 35 (Article IV), permits any active or retired member of the Annual Conference in full connection to be eligible for election to the General or Jurisdictional Conferences.

b. Lay Delegates - The Discipline, ¶ 36 (Article V), asserts that lay delegates shall be elected "without regard to age, provided that such delegates shall have been professing members of the United Methodist Church for at least two years next preceding their election, and shall have been active participants in the United Methodist church for at least four years next preceding their election, and are members thereof within the Annual Conference electing them at the time of holding the General and Jurisdictional Conferences."

68) **Reserve Delegates** – After the authorized numbers of delegates have been elected, 3 clergy and 3 lay reserve delegates shall be elected on a single ballot, with the 3 persons receiving the greatest number of votes in each category being elected in the order of the number of votes received.

VIII. CONCERNING FINANCIAL OPERATIONS

69) **Budget** – The Annual Conference shall adopt at each Annual Session a budget for each of the following: Clergy Support, Administrative Costs of the Annual Conference, World Service, Conference Benevolences, and other Apportioned Funds. These budgets become effective for the fiscal year beginning on January 1st following the session. Apportionments of these budgets shall be sent to the several churches as soon after the session as is feasible.

70) **Apportionments** – The Conference Shared Ministry Budget shall be apportioned annually among the churches of the Conference according to a formula recommended by the Conference Council on Finance and Administration and adopted by the Annual Conference. Following adoption, the formula will remain in effect until such time as changes are recommended by the CF&A and adopted by the Annual Conference. The formula shall be outlined on a Shared Ministry data sheet, which shall be distributed to the churches as soon as practical after the end of each year's annual conference, but in no event later than the end of the fiscal year.

71) **Prior Action by Council on Finance and Administration** – Every motion, recommendation, resolution or other legislative act having to do with budgeting, apportionments, allotments or expenditure of funds shall first be submitted to the Council on Finance and Administration. After adequate time is allowed for investigation and study, the council shall report its recommendation to the Conference. This report shall be received before such legislation may be acted upon by the Annual Conference.

a. No agency or member of the Conference shall commit the Conference financially for the support of programs within or beyond the Greater New Jersey Annual Conference without first obtaining the approval of the Annual Conference after study and recommendation of the Council on Finance and Administration, and not until funds are available or have been allocated to meet such commitments.

b. Any person or agency requesting an emergency offering should contact one of the Team Coordinators, who will present the matter to the Cabinet and the Council on Finance and Administration. Any funds received as a result of such an offering will be held by the treasurer and administered by a task force established by the Cabinet for that particular appeal.

72) **Time Limit on Submitting Budget Requests** –

a. Requests for inclusion of an item in the Clergy Support Budget and/or the Administrative Costs of the Annual Conference Budget to be acted on by an Annual Conference shall be submitted to the Treasurer's office by the third Monday of January preceding the date of the Annual Conference, except in cases of unavoidable emergency.

b. Requests for inclusion of an item in the World Service Budget and/or the Conference Benevolences Budget to be acted on by an Annual Conference shall be submitted to the Connectional Table by January 15 preceding the date of the Annual Conference, except in cases of unavoidable emergency.

73) **Amending Allotments** – An agency shall not attempt to amend its allotment in a proposed budget submitted to an Annual Conference unless it has previously presented an appeal to the Council on Finance and Administration at a meeting held preceding the date of the Conference.

74) **Increased Asking by Amendment** – In amending a proposed budget on the floor of the Annual Conference, no item shall be increased above the amount originally requested by the responsible agency in its asking to the Council on Finance and Administration, except when the consent of both the agency and the Council on Finance and Administration has been obtained.

75) **Proper Use of Budgeted Funds** – No agency of the Conference shall spend budgeted funds for any purpose other than the general purpose for which the funds were originally requested, unless the consent of the Council on Finance and Administration and the Ministries Team has been obtained for such a reallocation. An expenditure item shall be budgeted for the year when it is expected to be spent, and it shall be spent only in the year for which it is budgeted. When uncontrollable circumstances warrant, an emergency request may be directed through the Ministries Team to the Council on Finance and Administration for a budget adjustment.

76) **Financial Appeals to the Churches** – Any agency planning to send a communication or appeal to the churches requesting contributions to any agency or fund shall first submit its proposed communication or appeal to the Council on Finance and Administration. The Council shall ascertain if the procedure is in accord with existing legislation, and shall make certain that remitting instructions are correct. Any contribution received by the Conference Treasurer in response to a communication which has not been cleared as herein provided shall be credited automatically to World Service and Conference Benevolences through the remitting church.

77) **Customary Draft** – When presented and endorsed, the customary draft from the United Methodist Publishing House shall be turned over to the Conference Treasurer for pensions for clergy of the central conferences.

78) **Bonding** – All persons who hold or disburse conference funds shall be bonded in such amounts as may be deemed wise by the Council on Finance and Administration.

79) **Fiscal Year** – The fiscal year shall coincide with the calendar year, unless another fiscal year is designated by the Conference Treasurer after approval by the Conference. All payments to be credited to a given fiscal year shall be in the hands of the Conference Treasurer not later than the following January 10th 20th. All local church financial reports shall be forwarded to the Conference Treasurer by a deadline to be announced annually.

80) **Audit** – The Council on Finance and Administration shall be responsible for arranging that a Certified Public Accountant shall audit the accounts of the Annual Conference. The Council on Finance and Administration shall publish a statement of Certification of each audit in the Journal.

IX. CONSENT CALENDAR

81) **Consent Calendar** –

a. The Conference Agenda Committee may present to the Annual Conference a proposed consent calendar, including those items which the Annual Conference may approve with one vote of approval by the Conference membership.

b. A written list of items on the consent calendar, including the name of the motion, name of the author, and page number in the Pre-Conference Workbook will be presented to all members of the Conference upon check-in at the Conference session.

c. The consent calendar list will include a space where Conference members may check any item(s) which they would like to see removed from the consent calendar.

d. To vote to remove an item from the consent calendar, Conference members must:

i. Check the item(s) they wish to see removed from the list, or

ii. Write in an item which has been added subsequently by Conference action.

iii. Print his or her name and church on the list, and sign the list.

iv. Bring the list to the Conference Secretary's table and give the list to the Conference Secretary or one of the Assistant Secretaries.

f. All requests for items to be removed from the consent calendar shall be delivered to the Conference Secretary as early as possible, but no requests will be received within the last twenty-four (24) hours before the stated time of adjournment of the Conference session. During this last twenty-four (24) hour period, items may only be removed from the consent calendar by a ¾ vote of the Conference.

X. NOMINATION OF EPISCOPAL CANDIDATES

82) **Nomination of Episcopal Candidates** - The procedure for nomination of Episcopal Candidates to the Jurisdictional Conference as permitted by ¶405 of the Book of Discipline shall be as follows:

a. In a year in which one or more Episcopal Candidates are to be nominated by the Annual Conference, the Conference Secretary shall provide for the receiving of nominations until the deadline for submission of proposed legislation for that year's annual conference. Each proposed nomination shall be submitted on one side of an 81/2 by 11 inch sheet of paper or by electronic means designated by the Conference Secretary. Only eligible persons may be nominated. The Bishop shall, before the ballot is taken, remind the Annual Conference of the eligibility requirements for election to the office of the episcopacy.

b. The Jurisdictional Conference delegates (acting as a group) shall have the privilege to speak to the Annual Conference on behalf of the person(s) they have endorsed for nomination to the episcopacy (provided they have submitted such nomination in the manner described in Rule 82(a) above). If no other nominations have been submitted as indicated in Rule 82(a) above, the Bishop shall call for a vote of the body. A majority vote will be sufficient for this person (these persons) to be recognized as the episcopal nominee(s) of the Annual Conference.

c. If there are additional nominations submitted in accordance with Rule 82(a) above, the Bishop shall call for a written or electronic ballot following this procedure:

i. Nominees may each give a three minute speech. There shall be no seconding speeches.

ii. If any ballot contains the name of an ineligible person, that name shall not be tallied, but other names on the ballot shall be tallied.

iii. Conference members may vote for one such nominated individual. An individual must receive 60% of those voting to be nominated by the Annual Conference. If an individual does not receive 60% of the vote by the fifth ballot there will be no nominee. If someone is nominated, the conference will take up to three ballots to see if a second person is nominated. If no one receives 60% of the vote by the third ballot there will not be a second nominee. Those who do not wish to see anyone nominated may so indicate that desire on their ballots (in the manner prescribed by the Conference Secretary) and the ballot shall be counted as cast.

d. Only the persons selected in the foregoing manner shall be deemed Nominees of the Greater New Jersey Annual Conference.

e. This procedure shall not foreclose efforts by individuals or groups in the Annual Conference to promote the candidacy for the episcopacy of other persons.

XI. RULES OF ORDER RESOLUTIONS

83) **Resolutions to change the Rules of Order –**

a. Any resolution or proposed change, by addition or deletion to the Rules of Order, with the exception of VIII. Concerning Financial Operations, shall first be referred to the Committee on Rules of Order for its recommendation. The Committee shall submit its recommendation to the body prior to any action by the body. The initiator of any proposed change to be included in the Pre-conference mailing shall at the same time submit a copy of said proposed change to the chairperson of the Committee on Rules of Order. The Rules Committee may request a meeting with the initiator prior to the convening of the Annual Conference.

b. If the change is proposed at the site of the Annual Conference, it shall be referred to the Committee on Rules of Order and a report to the body will be made no later than the next plenary session.

XII. HOLY CONFERENCING PROCEDURE FOR CERTAIN GENERAL CONFERENCE PETITIONS

84) **A procedure to facilitate holy conferencing shall be used, at the Bishop's discretion, to discuss petitions to General Conference regarding issues related to human sexuality or such other issues that would benefit from the same procedure.**

A special order of the day will be established to provide for holy conferencing. The special order of the day shall proceed as follows:

1. Representatives of the two primary positions selected by the Bishop will each make a twenty-minute presentation.

2. Upon conclusion of the opening presentations, the Bishop shall bring the Conference into silent prayer for two minutes.

3. Then ten minutes will be provided for delegates to share what they heard with their fellow Christians seated to their immediate left and right. This is not a time for debate, but rather to listen to what their neighbors heard.

4. The Bishop will then call the Conference to order. Delegates will then have the opportunity to share their thoughts with the Conference. The Bishop shall establish a total amount of time for discussion, not to exceed sixty minutes. No member may speak longer than two minutes. All speakers will be notified when ten seconds remain of their time. The speaker will be allowed to finish a sentence at the expiration of allotted time. Then, that microphone will be cut off and the next speaker will be recognized. This will continue until the total allotted minutes have elapsed or everyone who wished to be recognized had an opportunity to speak, whichever comes first. No subsidiary, privileged or incidental motions will be in order during this time of discussion.

5. The regular business of the Conference will then resume.

At a previously noted time during plenary session on the following session day, the petitions will be voted upon by secret written ballot. Thirty minutes will be allotted for this vote. No debate or motions will be in order at this time.

XIII. HOLY CONFERENCING PROCEDURE FOR PROPOSED CONSTITUTIONAL AMENDMENTS

85) A procedure to facilitate holy conferencing shall be used at the Bishop's discretion to discuss proposed Constitutional amendments coming from the General Conference.
A special order of the day may be established to provide for holy conferencing. The special order of the day shall proceed as follows:

1. The co-chairs of the delegation to General Conference will present the proposed amendments to the Conference in a fifteen-minute presentation. Upon conclusion of the opening presentation, the Bishop shall bring the Conference into silent prayer for two minutes.

2. Then up to ten minutes will be provided for members to share what they heard with their fellow Christians seated to their immediate left and right. This is not a time for debate, but rather to listen to what their neighbors heard.

3. The Bishop will then call the Conference to order. Members will then have the opportunity to share their thoughts with the Conference. Sixty minutes will be allotted for this. No member may speak longer than two minutes. Each speaker will be notified when ten seconds remains of their time. The speaker will be allowed to finish a sentence at the expiration of their time. Then, that microphone will be cut off and the next speaker will be recognized. This will continue until sixty minutes have elapsed or everyone who wishes to speak has been recognized whichever comes first. No changes are permitted to be made to Constitutional amendments.

4. The regular business of the Conference will then resume.

At a previously noted time during a subsequent plenary session, the amendments will be voted upon by secret ballot. Members will be able to vote in favor of or against each individual amendment. If a member wishes to abstain, the member will leave the ballot blank for that particular amendment.

Should any of the foregoing Rules of the Greater New Jersey Annual Conference be in conflict with the provisions of the current Book of Discipline, then the provisions of the Discipline shall take precedence.

[i] As amended by the Eighteenth Session of the Annual Conference, May 2018.

Reopen General and Jurisdictional Delegate Nomination Process

Whereas every four years the GNJ Annual Conference elects General and Jurisdictional Conference Delegates to represent GNJ to develop policies for the church and elect new bishops; and

Whereas we will be electing new delegates at the May 2019 Annual Conference Session for the 2020 General and Jurisdictional Conferences; and

Whereas we invite nominations ahead of annual conference so that biographical materials and statements may be distributed by GNJ prior to annual conference so that those voting may make informed choices; and

Whereas the Book of Discipline Paragraph 502(a) says "Annual conferences are urged to seek inclusiveness in the election of delegates" and GNJ has a tradition of sending delegations that reflect the racial/ethnic, gender, and age diversity of our conference; and

Whereas we did not receive sufficient nominations to elect a full delegation and there was one ethnic group that did not have any nominees, another that had only one nominee, and women were under represented; and

Whereas this is the first time this has occurred in memory;

Therefore be it resolved, to suspend the rules and extend the nomination period until March 31, 2019 so that we allow for additional nominations and the members of the annual conference can receive information about each nominee prior to voting for our 2020 delegation.

GNJ Way Forward Team

Whereas, the 2019 Special General Conference of the United Methodist Church passed an amended version of the Traditional Plan, and

Whereas, there was strong support for the One Church Plan in the United States and GNJ,

Be it resolved, that the GNJ Connectional Table creates a GNJ Way Forward Team to identify and propose a plan to the Annual Conference Session by or before the May 2020 Annual Conference Session, and that $10,000 from the strategic planning reserve is allocated for the process.

The proposal shall include, but not be limited to, how GNJ will:

1. support congregations in different contexts to be in ministry with the LGBTQI+ community respect and honor one another based on our theological and cultural differences,
2. share our hopes and concerns with United Methodists around the world.

Be it further resolved, that the GNJ Way Forward Team shall be comprised of a diverse group of clergy and congregational leaders that represent the rich theological, cultural, and generational diversity of GNJ. The team members include GNJ leaders of the Board of Laity, Board of Global Ministries, Board of Trustees, Board of Ordained Ministries, Connectional Table, Council for Finance and Administration, Local Ethnic Concerns Committee, Reconciling Ministries, United Methodist Men, United Methodist Women, Wesleyan Covenant Association and Youth Council. The team members will be as follows:

Rachel Callender Robert	Rev. Kay Dubuisson
Dietz Zach Holder Diana	Rev. Sang Won Doh
Pearce Kathleen Schulz	Rev. Amanda Hemenetz Rev.
Lewis Weil Rosa Williams	Thomas Korkuch Rev. Isabel
Michael Hoon Yang	Quezada Rev. Cliff Still
	Rev. David Wehrle
	Rev. Jessica Winderweedle

Shared Ministry Apportionment Formula 2019

Whereas the United Methodist Church continues our focus to grow Vital Congregations; and

Whereas in GNJ we remain focused on developing vital congregations and prayerfully do so through our financial stewardship; and therefore

Be it resolved that the Shared Ministry percentage be set at a revised 15.6% from the original 16.1% of a congregation's Shared Ministry base for the 2019 budget and that each year the Annual Conference approve the Shared Ministry percentage. The Shared Ministry base be set at a congregation's total expenses as follows:

1. Lines 41a-47 of Table II of The Local Church Statistical Report
41a – Pastor Wages
41b – Associate Pastor Wages
41c – Deacon Wages
42 – Parsonage Expenses
43 – Accountable Reimbursements
44 – Other Cash Allowances
45 – Staff Compensation
46 – Church Program Expenses
47 – Church Operating Expenses

2. Billed amounts for prior year Comprehensive Protection Plan (CPP), Clergy Retirement Security Program (CRSP), Health Insurance, Property Insurance and Workers Comp.

3. Rationale: This existing formula uses the present Shared Ministry base calculation but prevents automatic percentage increases and requires GNJ to set budgets that are within a fixed percentage of the Shared Ministry base. In effect, this will reduce each congregation's shared ministry percentage for 2019.

BE IT RESOLVED that the Greater New Jersey Annual Conference approves the adoption of the amended Shared Ministries Plan for 2019, the details of which are provided on the following page.

Conference Advance Specials

Be it resolved, that the 2019 Session of the Greater New Jersey Conference designate the following ministries and institutions as Conference Advance Specials for the 2020 conference year (without restricting in anyway a local church's ability to support other mission work):

Be it further resolved that the Executive Committee of the Connectional Table be authorized to make any additions and deletions to the Conference Advance Specials list based upon recommendations of the Conference Board of Global Ministries.

Amistad - An ecumenical ministry in the greater Freehold area seeking to assist Hispanic children and their families through educational, nutritional and spiritual programs. We assist children from The Learning Center and Park Avenue schools. These are Spanish-origin students mostly from Mexican families. We work with volunteers from the high school's area and adults to help the children with their homework, reading and educational games. They also use the computers. Our students are mostly kindergarten, first and second graders with a few from third and fourth grades. Before they start their homework they have a snack. There are also reading prizes. A Christmas party is held for the kids and their families with gifts for children. We have 52 kids registered with 35 volunteers.

C.A.M.P. YDP - Provides pre-school, after-school and summer programs for children aged 5 - 14 and their families, mainly on the north side of Paterson. The program runs throughout the year. As an organization, we are committed to work as a "partner" within the community. A stimulating and nurturing environment is provided. Total care is available as well when schools are not in session with transportation available to pick up children from certain schools.

Centenary Fund and Preachers Aid Society - Supporting retired clergy and spouses.

Christian Outreach Project - Provides no-cost home repairs to persons in need in the northwest area of our Conference. Participants are made up of high school youth and adult volunteers. In addition to home repairs, participants engage in morning devotionals, singing, worship services and recreational activities.

CUMAC/ECHO - Works to alleviate hunger and its root causes for those in need in Paterson, Passaic County and northern NJ. CUMAC has a Pantry feeding 3,000+ monthly. Our Depot warehouses over two million pounds of food annually for a network of

about 40 partner feeding programs. This Community Food Coalition (CFC) distributes food while also screening clients for member pantries. We advocate at the local and state level on behalf of CFC clients. CUMAC also has a Community Closet that offers clothing & household items; Pathways to Work imparts job skills and hands-on experience; Place of Promise is a supportive housing program for chronically homeless individuals; and our seasonal projects for school supplies, holiday gifts and other items for area children in need. All our programs rely heavily on volunteer and financial support from the community.

C.U.M.I. - Camden Urban Ministry Initiative, a cooperative After-School Program is a shared ministry amongst Camden churches. This partnering reaches families to ensure positive development of children. We provide a safe environment for youth activities, such as an after-school program, summer day camps, youth Bible study, choir and a career training program. There are arts and cultural activities for all ages. The exchange of stories, wisdom, advice and experience build a shared understanding of family and community. This church-based intergenerational community surrounds our youth with caring Christian adults who encourage, support and pray for our youth while also holding them accountable. We are dedicated to the spiritual, emotional and social growth of Camden Youth.

First Friends of New Jersey and New York - With the expansion of detention centers in New Jersey, the need to provide advocacy, research and social services to detained and released detainees has increasingly grown. We provide a link to the outside world by providing toll free lines (English & Spanish) in five different detention facilities where more than 2000 individuals are detained and through visiting individuals in detention. Our Pen-pal Program allows volunteers who cannot visit to write to detainees.

The Neighborhood Center – An urban outreach has served the Camden community since 1913. Today, they are a community center that provides a healthy and nutritious lunch six days a week, day care, an after-school program and an evening teen program. We focus on a two-generation approach to lift families out of poverty. Our commitment is to provide a safe space for Academic achievement, Athletic accomplishment and a flourishing Arts program. Our hope and vision for the next century of service is to create a community living room.

Pennington School - A college preparatory institution affiliated with the Methodist Church, reflecting the principles espoused by John Wesley and core values of Honor, Virtue and Humility. Students experience an environment where talents and values are forged for making a positive difference in the world. We provide half scholarships for students in grade 6 to 12.

Ranch Hope/Victory House- Provides ministry to troubled boys ages 9 to 16 ½ and Victory House provides services to troubled girls between the ages of 14–18 years. We are faith-based and provide learning environments for those whose needs can best be met through experiences outside their homes. They can obtain or regain their long-term academic, behavioral and spiritual focus in our residential setting. Counseling, housing and recreation is offered, as well as spiritual guidance, time to attend chapel services and Bible study. We are licensed by the New Jersey State Department of Children and Families.

The Maker's Place - A new initiative of the United Methodists of Greater New Jersey. The goal is to connect neighbors in Trenton with neighbors in central New Jersey and beyond, by opening a neighborhood resource center that empowers poor and marginalized people in our capital city. The Maker's Place is a site for local mission and ministry. Starting with initiatives centered on food and families, The Maker's Place will cultivate transformative relationships that help people build bridges out of poverty and create a multiethnic and economically diverse community hub where all people can experience the wide welcome of God.

Centenary University, Warren County, Historic Site

Whereas, in the year 1866, the Newark Conference of the Methodist Episcopal Church established a Board of Trustees to create Centenary Collegiate Institute to mark the one hundredth (centenary) anniversary of American Methodism.

Whereas, the legislature of the State of New Jersey granted a charter to the Newark Conference the following year for the establishment of any kind of institution for the promotion of learning.

Whereas, developing Centenary Collegiate Institute, as a four-year, degree-granting, college for women, later known as Centenary College for Women, was a groundbreaking initiative for women's higher education within the bounds of the Newark Conference, the State of New Jersey and one of the first such institutions in the country.

Whereas, Puera Robison, one of the first ordained women in the Methodist Episcopal Church, was a teacher at Centenary in the 1920s.

Whereas, Centenary College served the educational needs for women from diverse ecumenical backgrounds and drew students from across the nation and globe.

Whereas, Centenary College, now known as Centenary University, has served the educational needs of students in rural Northwestern New Jersey for over 150 years and remains a dynamic institution for higher and learning for both men and women from Sussex, Morris and Warren Counties and beyond. Centenary serves students from all of New Jersey and the tri-state area.

Whereas, The Historical and Archival Trustees of the Newark Conference conferred the status of Conference Historic Site on Centenary College in 1966.

Whereas, Centenary College hosted five sessions of the Northern New Jersey Annual Conference, including its final session in the year 2000.

Therefore, be it resolved, that Centenary University, Hackettstown, Warren County, New Jersey be recognized for its significant service to the cause of Christ within the bounds of the Greater New Jersey Conference of The United Methodist Church and its predecessors by honoring it as an Annual Conference Historic Site.

Rationale: Centenary University in Hackettstown, NJ, formerly known as Centenary College, Centenary College for Women and Centenary Collegiate Institute, was born as a significant ministry of the Newark Annual Conference that championed women's higher education within the bounds of our conference, Methodism as a whole and our nation. Through the influence of Methodism's global mission network, Centenary also had international impact in women's higher education. Over 150 years since its founding, Centenary, now an independent coeducational institution, serves students from all areas of New Jersey and the tri-state region. Therefore, Centenary University deserves recognition as a Greater New Jersey Annual Conference Historic Site for its significant contribution to women's higher education within our conference, state and nation and for its ongoing ministry of providing higher education within our conference and tri-state region.

A Future With Hope, Inc., Statement of Relationship

Be it resolved that The Greater New Jersey Annual Conference of the United Methodist Church adopts the Statement of Relationship with A Future With Hope, Inc.

The Greater New Jersey Annual Conference of The United Methodist Church ("GNJ") recruits and develops transformational leaders to make disciples and grow vital congregations to transform the world. This mission is primarily carried out through the congregations that make up GNJ. GNJ's primary commitment is to increasing the vitality of all of our congregations.

GNJ also works with and through Vital Mission Partners. These partners compliment and extend the mission by supporting and/or engaging with GNJ with any of the following:

- Recruit and develop leaders
- Make new and grow existing disciples
- Assist congregations to grow vitality
- Engage disciples in hands on mission
- Develop and manage Hope Centers to serve communities
- Lead community development and service ministries
- Raise funds to support the mission of GNJ

A Future With Hope, Inc. ("AFWH") is a Vital Mission Partner of United Methodists of Greater New Jersey and serve as the mission arm of the organization. Formed in the aftermath of Superstorm Sandy in 2012, AFWH has the following vision: Hope emerges where residents, business, organizations, government and institutions work together to heal communities.

During the relief phase in the aftermath of Superstorm Sandy, AFWH:

- Provided more than 50,000 meals
- Provided day and night shelter for more than 5,000 people
- Distributed more than 11,000 cleaning buckets, more than 3,000 health kits, tons of clothing and other material supplies such as non-perishable food, heaters, blankets, etc.
- Assessed community needs and "mucked" out nearly 2,000 homes

During the recovery phase of Superstorm Sandy, AFWH:

- Rebuilt or repaired 273 homes
- Provided case management for 461 families
- Hosted 12,173 volunteers from 46 states and two countries for a labor value of $8,095,413
- Received more than $17 million in funding

Today, AFWH is focused on community renewal with an asset based community development ministry that creates Hope Centers.

AFWH's community development ministry focuses in three areas:

1. Engaging congregations and communities in Communities of Hope training. Communities of Hope trains congregations and communities in strategic planning, community organizing, systemic change, and working inter culturally. At the end of the training, each Community of Hope team has a community strategic plan to guide its work.
2. Developing, overseeing and resourcing Hope Centers. Hope Centers are congregations and community centers affiliated with GNJ that identify and provide needed services within a community.
3. Leading community economic development projects that include housing development and repurposing church buildings.

Although GNJ and AFWH share missional purposes and goals and although both of them support conformity with the high standards of service, each recognizes the other as an independent entity, making independent governing decisions.

AFWH offers members of local churches of GNJ, opportunities to serve in mission in various ways including as members of its Board of Trustees ("Board"). The persons elected as Trustees do not represent, nor are they amenable to GNJ. The Trustees of AFWH operate autonomously from GNJ

The Bishop or the Bishop's designate will serve on the Board of AFWH with voice and vote. The Treasurer of the Annual Conference will serve on the Board of AFWH as an ex officio member of the Board with voice but without vote.

The President of AFWH shall provide a written report through the preconference journal to GNJ at its Annual Conference session. The roster of the Board of AFWH will be included in GNJ's Journal.

The Board of AFWH will recommend nominees to the GNJ nominations committee who will move the nominations before the Annual Conference session who will elect Trustees of the AFWH Board. Nominees will have the skills necessary to serve the Board and ensure a diverse Board.

GNJ encourages and recommends that local churches and individuals contribute to the financial support of AFWH. This support is voluntary and without guarantee of amount or continuation. GNJ does not guarantee nor assume any responsibility for the obligations of AFWH.

The legal and financial relationships between GNJ and AFWH shall also be governed and controlled through a shared services agreement ("Services Agreement") with GNJ's rights and obligations being represented through its Council on Finance and Administration. The services agreement may be amended when deemed proper by GNJ and AFWH. All provisions of the services agreement are to be construed based on the principle that each party is independent of each other and separately responsible for its own actions.

A Future with Hope, Inc. will follow the Human Resources Policies of GNJ.

This Statement of Relationship shall be reviewed and amended as necessary by AFWH and GNJ upon recommendation of their appropriate committees and Board. The date of approval by each of the parties shall be stated on the agreement.

Note: This Relationship Statement is in conformance with the Book of Discipline of the United Methodist Church (2012).

¶633.4.b. (27) which calls on Annual Conferences "[t]o strive to ensure mutual representation between the annual conference unit responsible for health and welfare ministries and each health and welfare institution related to the annual conference where such representation is called for by mutual agreement of the institution and the annual conference."

The charter was amended on July 19, 2000, renaming said corporation The Centenary Fund and Preachers' Aid Society of the Greater New Jersey Annual Conference of the United Methodist Church.

The purposes of the Fund are to acquire and receive by purchase, gift, devise or otherwise, real and personal property; or administer, invest, reinvest, lease and convey the same as an Endowed Fund; and to provide maximum income, consistent with the preservation of principal, for the support of the retired clergy who have served appointments with annuity claim in GNJ, and for the support of the surviving spouses and dependent children of deceased clergy who have served in GNJ and for no other purpose; provided, however, that the Board of the Fund may establish and maintain an Annual Fund, supplemental to the Endowed Fund, the principal and income of which may be distributed currently to the Fund's beneficiaries. Allocation of funds received by the Board shall be in accordance with the direction of the donor or, in the absence of specific directions received from the donor, as the Board in its sole discretion, may determine.

Shared Ministry Apportionment Formula 2020

Whereas the United Methodist Church continues our focus to grow Vital Congregations; and

Whereas in GNJ we remain focused on developing vital congregations and prayerfully do so through our financial stewardship; and therefore

Be it resolved that the Shared Ministry percentage be set at 15.2% of a congregation's Shared Ministry base for the 2020 budget and that each year the Annual Conference approve the Shared Ministry percentage. The Shared Ministry base be set at a congregation's total expenses as follows:

1. Lines 41a-47 of Table II of The Local Church Statistical Report
   41a – Pastor Wages
   41b – Associate Pastor Wages
   41c – Deacon Wages
   42 – Parsonage Expenses

43 – Accountable Reimbursements
44 – Other Cash Allowances
45 – Staff Compensation
46 – Church Program Expenses
47 – Church Operating Expenses

2. Billed amounts for prior year Comprehensive Protection Plan (CPP), Clergy Retirement Security Program (CRSP), Health Insurance, Property Insurance and Workers Comp

Rationale: This existing formula uses the present Shared Ministry base calculation but prevents automatic percentage increases and requires GNJ to set budgets that are within a fixed percentage of the Shared Ministry base. In effect, will reduce each congregation's shared ministry percentage for 2020.

7. That the following clergy be grand-parented to five years "under appointment through the Conference immediately prior to retirement" to meet eligibility requirements for health benefits in retirement, rather than the seven years as approved at the 2011 Annual Conference meeting (Paragraph 3 under Eligibility, p. 365 of the 2011 Conference Journal). That the pension, severance, or disability payments to which this rental/housing allowance designation applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from Wespath and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the *Discipline*, that result from any service a clergyperson rendered to this Conference or that an active, a retired, a terminated, or a disabled clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a terminated, or a disabled clergyperson's pension, severance, or disability plan benefit as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a clergyperson's gross income in any year for federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section 107(2), and regulations there under, to the least of: (a) the amount of the rental/housing allowance designated by the clergyperson's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (b) the amount actually expended by the clergyperson to rent or provide a home in such year; or (c) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. 2. That the Conference Board of Pension and Health Benefits be authorized to make modifications to the current Insurance Plan as the health care market demands. In addition, modifications to the Plan that could reduce premium costs to local churches and Annual Conference are to be studied and enacted as the Board determines appropriate. These changes might include increased participant deductibles, co-payments, greater use of generic medications, and other avenues of cost saving and sharing. Such changes will be subject to prior review of CFA and the Cabinet.
3. That the Guidelines for Health Insurance Participation, below, be approved and upon approval printed in the 2019 Conference Journal and Yearbook.

Clergy Equitable Compensation for 2020

Be it resolved that the Annual Conference adopt the following recommendation for minimum salary for persons under full-time appointment in the local church effective January 1, 2020:

a)	a) Elder and Deacon in Full Connection	$ 46,887	
b)	b) Provisional & Associate Members		$ 43,605
c)	c) Full time Local Pastor	$ 41,261	

Any changes in clergy minimum salaries related to a change of clergy status through ordination, commissioning or licensing in 2019 will become effective as of January 1, 2020.

These salaries apply to clergy (elder, provisional elder, provisional deacon, deacon in full connection, associate members and local pastor) serving in full-time appointments. The years of service record for each clergy can be found on the Clergy Service Record at the General Board of Pension and Health Benefits and it does not include part time appointments or a time of leave of absence. The salaries of Provisional and Associate Members and Full Time Local Pastors are determined as a percentage of the salary of the Elder and Deacon in Full Connection.

The minimum equitable salary for ¾ time pastoral appointments shall be ¾ of the required minimum in the pastor's salary. The minimum equitable salary for ½ time pastoral appointments shall be ½ of the required minimum. All appointments less than ½ shall be considered ¼ time appointments for pension purposes and the salaries shall be determined by the District Superintendent in consultation with the pastor and the local church.

Each pastor's salary is determined by the local church or by the charge in consultation with the district superintendent, as long as minimum salary is met. Each Pastor (Staff) Parish Relations Committee takes into consideration the pastor's experience, education, leadership, health and dental insurance coverage, social security and family needs, when determining the pastor's salary.

All full-time pastors shall be provided with a parsonage or a housing/rental allowance as part of their compensation package.

All full-time pastors shall have an accountable reimbursement expense line item in the church budget to cover mileage for pastoral work, continuing education and other professional ministerial expenses as allowed by the IRS. This reimbursable

amount shall be at least $2,500. For the churches that are receiving Equitable Compensation support, their accountable reimbursement expense line should not exceed $2,500.

All full-time pastors shall be entitled to receive the following vacation per appointment year:

Minimum 4 weeks (including four Sundays) of vacation for the first 10 years of full-time service, after that it is five weeks (including five Sundays).

Vacation time shall not be cumulative from year to year. Local churches may not consider time spent in leadership responsibilities in conference activities as vacation time. This includes Course of Study, Local Pastors Licensing School, Camps, Annual Conference-related Ministries and other education and renewal as required by The Book of Discipline (¶350.2).

Each pastor's salary is determined by the local church or by the charge in consultation with the district superintendent, as long as minimum salary is met. Each Pastor (Staff) Parish Relations Committee takes into consideration the pastor's experience, education, leadership, health and dental insurance coverage, social security and family needs, when determining the pastor's salary.

The years of service record for each clergy can be found on the Clergy Service Record at the General Board of Pension and Health Benefits, and it does not include part time appointments or a time of leave of absence.

2019 Health Insurance Guidelines, Conference Board of Pension and Health Benefits

The mission of the Conference Health Insurance Plan (the Plan) is to provide primary health insurance coverage to full-time full, provisional and associate ministerial members and full-time local pastors of the Annual Conference and to eligible full-time lay employees.

The Plan provides secondary health insurance coverage for retirees who are receiving Medicare which requires both Medicare Parts A & B for coverage. For those who have retired early and are not yet eligible for Medicare, primary health insurance coverage is through the same plan as those in active ministry. The Plan is a non-vested current benefit for active and retired pastors and lay employees.

ELIGIBILITY

1. Clergy Eligibility:

(a) Active clergy under full-time Episcopal appointment to serve a local church including Elders, Deacons, Local Pastors, Associate Members, and Provisional Members

(b) Those under full-time appointment as district superintendents, clergy staff members of Conference councils and boards, treasurers, bishop's assistants, or directors of parish development, general evangelists and campus ministers for whom the Conference provides pension contribution to the Clergy Retirement Security Program (CRSP) who are:

- a full elder or associate member (other than a missionary) (Book of Discipline ¶344.1a(1)
- or an ordained clergyperson from another annual conference or another Methodist denomination (Book of Discipline ¶344.1a(1), ¶346.1)
- an ordained clergyperson from another denomination if not covered by the group health plan of the denomination to which he/she belongs. (Book of Discipline ¶344.1a(1), ¶346.2)

(c) Enrollment in the Active health insurance plan must be completed within 31 days of appointment

(d) Waiving coverage in the Plan - Contact the Benefits Specialist for required documents. Documents must be completed and returned within enrollment deadline periods

- within 31 days of initial eligibility; or
- once per year during the Conference open enrollment period for the following January 1; or
- within 31 days of an open enrollment period for a spouse's plan; beginning January 1, 2016.
- see PREMIUM PAYMENT RESPONSIBILITY – ACTIVE for Waived Coverage Fees.

a. Participant must certify that:
   - The plan is through a former employment or a spouse's current or former employment. Proof of such coverage is required.
   - The plan is not a marketplace plan. Under these guidelines and marketplace rules, Full-time clergy are ineligible for any Premium Tax Credit.

b. Re-admittance to the plan is during any open enrollment period, or within 31 days of a Special Enrollment event (loss of other coverage, employment status change, divorce, death of a spouse, or gain a dependent).

(e) Clergy in any category under Episcopal appointment to full-time service in an Extension Ministry [¶344.1a (3)(4); 344.1b; 344.1d; 331.1a,b; 326.1; 331.8; 346.1; 346.2], may enroll in the Plan within 31 days of initial appointment. Late enrollments are permitted only during the Annual Election Period or in the case of a Special Enrollment event - loss of other coverage, employment status change, divorce, death of a spouse, or gain a dependent.

(f) Part-time clergy in any category are not eligible for coverage through the Plan.

2. Ministerial members who are placed on Medical Leave status by the Conference shall continue enrollment in the Plan regardless of whether they are eligible for Medicare disability benefits. The Conference Plan remains primary until the participant becomes eligible for Medicare due to disability, at which time the Conference Plan becomes secondary to

Medicare. Beginning January 1, 2016, participants obtaining Medicare due to disability, may choose to remain in the Active Health Plan as their secondary insurance, or to enroll in the United HealthCare Retiree Plan (Medicare Advantage Plan). The premiums for ministerial members on Conference Medical Leave (and their enrolled family) will be paid by the Conference with Conference Board of Pension and Health Benefits funds.

3. **Clergy in Retired Status** may be in the Plan if they were under appointment through the Conference for the seven years immediately prior to retirement. Retired participants and spouses age 65 and over are required to carry Medicare Part A and Part B in order to be eligible for Conference insurance in retirement. Monthly premium for Part A if any, and for Part B is a personal expense. A Retiree (and eligible dependents) not enrolling (waiving coverage) in the Plan at the time of retirement, or who left the plan as a retiree, may enroll during any open enrollment period, or within 31 days of a Special Enrollment event (including but not limited to voluntary or involuntary loss of coverage) (refer to Clergy Eligibility #1, subparagraph 1d). For dependent eligibility, see #5 under "Eligibility."
4. Any of the following **lay persons** are eligible to enroll in the Plan upon application within 31 days of hire. Late enrollments are permitted only during the Annual Election Period as allowed by the Plan, or in the case of a Special Enrollment Event **-** loss of other coverage, employment status change, divorce, death of a spouse, or gain a dependent.
   (a) Lay employees of the Conference or any of its subsidiary agencies working a minimum of 1,560 hours annually (30 hrs. per week)

   (b) Full-time (minimum of 1,560 hours annually) lay employees of any church in the Conference that adopts the program, completes a Salary Paying Unit Sub-Adoption Agreement and whose church enrolls a minimum of 75% of its full-time lay employees

   (c) Retired lay employees of the Conference, local churches, Conference-affiliated UM institutions, the Episcopal office, units of the Conference whose lay employees are not on the Conference payroll and the surviving spouse of such employees, may participate in the Plan provided they have received or will receive a UMPIP benefit from Wespath Benefits and Investments through their salary-paying unit.

5. **Dependents eligible for coverage** in the Conference Plan are limited to the spouse, children who are qualified adult dependents, and children who are under age 26. Dependents may be added only during the Annual Election Period as allowed by the Plan, or in the case of a Special Enrollment event - loss of other coverage, employment status change, divorce, death of a spouse, or gain a dependent. If an annuitant marries (remarries), coverage of spouse and/or children may be available and premium for dependents is at the retiree's expense.

PREMIUM PAYMENT RESPONSIBILITY – ANNUITANTS

The Conference Board of Pension and Health Benefits shall establish rates of premiums for the participants, based upon the premiums charged by the insurance carrier(s).

Unless it has already been stated above under Eligibility, the Conference shall pay the premiums for all enrolled annuitants of the Conference, lay or ministerial, from appropriate funds, except that:

A. **A clergy person age 65 or older,** becoming an annuitant on or after July 1, 2002, who has less than 20 approved years with annuity credit in (CRSP), the Clergy Retirement Security Program (includes prior plans), with Wespath Benefits and Investments, shall, in order to receive health insurance coverage under the Plan, be responsible for the payment of a pro-rated share of his/her Plan premium. Such share shall be 5% times the number of full years by which such years are short of 20. Monthly premium for Part A if any, and for Part B (both required) is a personal expense.

B. **A lay person age 65 or older,** who has received or will receive a UMPIP benefit on or after July 1, 2002, who has less than 20 approved years with pension credit in UMPIP, the United Methodist Personal Investment Plan (includes prior plan), of Wespath Benefits and Investments, shall, in order to receive health insurance coverage under the Plan, be responsible for the payment of a pro-rated share of his/her premium. Such share shall be 5% times the number of full years by which such years are short of 20. Monthly premium for Part A if any, and for Part B (both required) is a personal expense.

C. The Active premium for an **annuitant under the age of 65 commencing benefits**

   1. **on or before July 1, 2003** shall be paid by the Conference subject to paragraphs A and B above until the annuitant reaches age 65.

   2. **after July 1, 2003,** the Conference shall contribute an amount equal to the coverage cost of a Medicare-eligible annuitant, subject to paragraphs A and B above, and the annuitant shall be responsible for the remainder of the Active premium until the annuitant reaches age 65. Premium responsibility will be frozen at the calendar year 2014 level for annuitants retiring prior to July 1, 2014.

   3. **on or after July 1, 2014**, the Conference shall contribute an amount equal to the coverage cost of a Medicare-eligible annuitant, subject to paragraphs A and B above, and the annuitant shall be responsible for an annual fixed amount determined in the year of retirement until the annuitant reaches age 65.

D. **Extension Clergy serving approved Conference Advance Specials** in the geographic bounds of the Annual Conference who are not eligible to enroll in the Clergy Retirement Security Program (CRSP) will be credited, solely for the years appointed to that Advance Special, with actual years of appointment and service to the Conference, for the purpose of calculation of service year credits to determine allocation of pro-rated premium payment responsibility upon retirement.

PREMIUM PAYMENT RESPONSIBILITY – PRE-ANNUITY RETIREES

The Conference Board of Pension and Health Benefits shall establish rates of premiums for the participants, based upon the premiums charged by the carrier.

For those who have retired early and are not collecting an annuity, the retired enrollee is responsible for the full Active premium payment until they reach annuity age.

PREMIUM PAYMENT RESPONSIBILITY – ACTIVE

The Conference Board of Pension and Health Benefits shall establish rates of premiums for the participants based upon the premiums charged by the carrier.

Unless it has already been stated above under Eligibility, the Conference shall pay the premiums for all enrolled active participants, lay or ministerial, from appropriate funds, except that:

A. Each church shall pay the premium(s) or Waived Participation Fee(s) (which is equal to the blended premium) of each of its full-time appointed clergy (including clergy spouse and dependent children if enrolled) who are either a full, provisional, or associate member of the Conference or a local pastor.

   1. The salary paying unit shall also be responsible for remitting premium for its lay employees who are enrolled in the Plan.

   2. Plan participants are to pay 2% of their cash salary to their own salary paying unit as their share of the premium the employer (church) pays on their behalf.

3. In the case of clergy couples the following will apply:
   a) Each spouse shall contribute 1% of their salary to every salary paying unit that is paying health premium, regardless of percentage of health premium paid

B. Each eligible enrollee, whose fees are not paid as provided above, shall pay his or her own premiums either directly or with employer participation. In every case, the individual enrollee is responsible for seeing that payment of his or her own premium is made if the party with PRIME responsibility fails to make the payment.

CONTINUATION OF COVERAGE AFTER CERTAIN EVENTS

A. Voluntary and Involuntary Termination - If a person's participation in the Plan ceases due to voluntary or involuntary termination of Conference membership or employment or discharge or removal from the Annual Conference, Continuation Coverage for health insurance may be available through application to HealthFlex.

B. **Loss of Dependent Status -** If a dependent's participation in the Plan ceases due to divorce or to attaining the limiting age, Continuation Coverage may be available through application to HealthFlex.

C. **Medical Leave** - See #2 under Eligibility.

D. **Leave of Absence** (¶353 and ¶354) - Clergy placed on voluntary leave of absence (personal, family, or transitional) or involuntary leave of absence may continue in the Plan for a period of twelve months**,** provided they pay the premiums. Continuation Coverage for up to an additional 12 months may be available through application to HealthFlex. Leave of absence is not an appointment, causes a break in appointment years, and does not accrue annuity credit towards health benefits in retirement.

E. **Sabbatical Leave** (¶351) Clergy placed on sabbatical leave may continue in the Plan for a period of twelve months**,** provided they pay the premiums. Continuation coverage may be available through application to HealthFlex. Sabbatical leave is not a break in appointment years for the purposes of health benefits in retirement.

F. **Death** - Surviving spouses of clergy members are subject to the same rules (see Eligibility Guidelines #1 and 3) as the clergy member. Surviving spouses of lay employees of the Conference and District offices are subject to the same rules (see Eligibility Guideline #4 c) as the lay employee.

ADMINISTRATION

All concerns, issues, requests, etc., relating to premiums, benefits, coverage (including voluntary termination of coverage, additions or deletions to policies) and benefits at retirement must be "in writing" from the Plan participant to be considered official. Such correspondence, concerns, or requests for changes in coverage must be sent to the Plan Administrator or his/her designated coordinator. Commitments or resolutions of issues must come in writing directly from the Plan Administrator or his/her designated coordinator.

The Benefits Officer and Administrator for the Conference Plan is the Conference Treasurer/Director of Administrative Services. The Benefits Officer shall be a member of the Conference Board of Pension and Health Benefits without a vote. He/she shall be responsible for promptly enrolling all eligible persons, for collecting all amounts due from churches, agencies or individuals for participation in the Plan, for arranging for their prompt deposit in a Conference account, for checking all billings from the Insurance Carrier to certify their completeness and accuracy and for making proper remittances on schedule for the Plan; and such Officer shall delete from the Plan any enrollee whose premium is not paid by the end of the month for which the premium is due. Termination is effective the first day of the month for which no payment has been received.

2019 Standards for Parsonages

Be it resolved that the following recommendation be adopted on the standards for parsonages for GNJ effective, July 1, 2019:

Responsible Group in the Local Church

The United Methodist Book of Disciple does not mandate a parsonage committee however, it strongly recommends that each local church Charge Conference form a parsonage committee.

The committee will follow-up to assure timely resolution of parsonage problems affecting the health of the pastor or pastor's family. The chairperson of the committee on pastor-parish relations, the chairperson of the board of trustees and the pastor shall make an annual review of the church-owned parsonage to assure proper maintenance. (¶ 258.2 g (16) and ¶ 2532.4)

Standards for Parsonage (Existing Parsonages)

All parsonages shall meet local requirements for a Certificate of Occupancy.

For existing parsonages, each local charge shall provide and maintain the following furnishings:

1. Living room and family room furniture.
2. Dining room furniture.
3. Kitchen, including stove, refrigerator with separate freezer compartment, exhaust fan and dishwasher.
4. Laundry equipment – automatic washer and dryer.
5. Standard television connection (providing at least 30 channels), high speed internet service and one telephone line (cell or land line). Where possible consider bundling the services.
6. Floor coverings, solid surfaces are preferred.
7. Window shades and blinds, or curtains and drapes, functioning.
8. One fire extinguisher in kitchen and one extinguisher outside of the furnace room. There shall be at least one extinguisher per floor level. All fire extinguishers, smoke detectors and Carbon monoxide detectors are to be in compliance with local code requirements for rental properties or certificate of occupancy.
9. Closets or free standing storage units in each bedroom.
10. Drives and walks should be hard surfaced.
11. Minimally acceptable outside lighting, for safety and to illuminate walkways and driveways.
12. Trash cans. In municipalities where garbage pickup is not part of the tax base and is billed to the parsonage, that local churches pay for this service.
13. Suitable equipment for lawn care and snow removal, and/or appropriate service shall be provided.
14. A study for the pastor in either the parsonage or church building. Office furnishing shall include a desk, desk chair, minimally acceptable shelving for the pastor's library, additional chairs and a locking filing cabinet.
15. Furnishings for special rooms such as sun porch, den, etc., that may be different from one charge to another.
16. Parsonage electrical service shall conform to the current National Electrical Code.
17. Parking space for a minimum of one (1) car shall be provided.
18. Each charge shall decide if it will provide a security/alarm system.
19. The septic or sewer system shall be fully functional and meet the needs of the parsonage family.

Additional Suggestions

1. Electrical service to be inspected every five (5) years by a licensed electrician.
2. Roof inspection every five (5) years.
3. Energy Audit every five (5) years.

Standards for Parsonages (Purchasing or Building a New Parsonage)

All parsonages shall meet local requirements for a Certificate of Occupancy.
All newly constructed or newly purchased parsonages shall be in full compliance with the dictates of the Book of Discipline.
Consideration shall be made for those with handicapping conditions -

Provide on the ground-floor of a newly constructed parsonage: (1) one room that can be used as a bedroom by a person with a disability; (2) a fully accessible bathroom; and (3) fully accessible laundry facilities (¶ 2544.4*d*)

1) **Option One**

a) The use of maintenance-free materials in building and in finishing and furnishing, these contribute to keeping maintenance costs lower.
b) The following room requirements:

(a) Living Room/Family Room
(b) Dining Room

(c) Kitchen
(d) Study
(e) Baths (2)
(f) Bedrooms (3)

c) A minimum electrical service of 200 amperes.
d) A garage of a size to accommodate 2 cars, plus room for storage of lawn mowers, bicycles, tools, garden equipment, ladders, paint supplies, etc.
e) Space to store large articles of furniture and equipment.
f) The use of materials meeting the most energy efficient standards for insulation and windows.
g) Careful consideration should be given in choosing the location of the parsonage. This consideration might include the distance from the church, accessibility from main streets of the community and the church, the neighborhood and its future and the community itself and its future growth.

2) **Option Two**

a) The standards of Option One would apply with consideration by the church of purchasing, leasing, renting a townhouse or condominium. This option would be negotiated by the District Superintendent, the local charge and the pastor following consultation with the District Committee on Church Location and Building.

b) The purpose of this option is to provide an alternative to the "traditional" church parsonage for ministry in special situations. Allowing for the wide variety of townhouse/condo choices, it is difficult to recommend a standard for such a setting.

Responsibility

1) ***Each pastor is responsible for:***

a) Furnishings for as many bedrooms as the family needs.
b) Personal items such as television, vacuum cleaner, small appliances, dishes, glassware, flatware, cleaning tools, wastebaskets and decorative accessories.
c) The following regular maintenance:
Floor maintenance
Trash disposal and recycling
d) It is expected that the pastor shall provide tenant (renters) insurance to cover property loss and personal liability.
e) Restitution for any damage beyond normal wear and tear.
f) Exiting pastor shall remove all personal items and furniture from the parsonage and property and leave in a broom clean state.

2) ***Each charge shall provide:***

a) Utilities – heat, electricity, gas/oil, water, sewage and basic non-personal telephone services.
b) Maintenance for all parsonage equipment.
c) Basic furniture for all rooms except the bedrooms.
d) Funds for the repair of the parsonage and its maintenance should be allocated and allowed to accumulate so that continuing care and major repairs can be made when needed.

Multiple Charge Appointments and Clergy Couples

1. In appointments where clergy is appointed to more than one church and a parsonage is provided by one of the churches the utility expenses (heat, water and electric) will be divided equally between the churches. Any capital improvements and maintenance on the parsonage are the responsibility of the church that owns the parsonage.
2. In cases of clergy couples (when the couple resides in the parsonage of one of the appointments), the utility expenses (heat, water and electric) for the parsonage will be divided equally between the appointments.

Miscellaneous

1. We recommend that, in addition to the required written reports filed annually with the Annual Church Conference paperwork, there be a complete video/photo inventory of all church-owned furnishings in the parsonage. The inventory and all videos and photos shall be maintained annually.
2. It should be the responsibility of the Parsonage Committee to become acquainted with the parsonage and after a new pastoral appointment, meet with the parsonage family to discuss the minimum acceptability of housing and furnishings and to meet annually thereafter with the parsonage family.
3. During the transition of pastoral appointment – the Pastor-Parish Relations Committee Chair, the exiting pastor, the new pastor and the Board of Trustee Chair will walk through the parsonage together for inspection and planning. It is recommended to utilize the Church Conference Parsonage inspection report for this walk through.
4. The right of the pastor to own furniture and equipment cannot be challenged. However, if s/he does own furniture and goods that s/he wishes to use in the parsonage and parsonage furniture has to be stored, s/he should make every effort to store it properly so it is in good condition and does not suffer damage from being stored. The site or method of storage for any church owned furniture shall be determined by mutual agreement between the pastor and the Board of Trustees. The pastor assumes financial responsibility for the storage of any unused furniture.
5. The parsonage is the pastor's for his/her tenure in that church or charge. S/he has therefore the responsibility to care for the furniture to protect it from damage by pets or children and if it is damaged, to return it to a condition equal to that when s/he received it to use. If an item of furniture is damaged beyond repair, s/he is obligated to replace it.
6. In order to respect the privacy of clergy and his/her family, the church has responsibility to make an appointment and secure the approval of the pastor or an adult member of the household, prior to visiting the parsonage at any time.

Appeals

Appeals by the churches or pastors should be made to the District Superintendent as the final authority to interpret and implement the foregoing standards.

Breaking the School to Prison Pipeline

Whereas segregation in public schools have a disproportionate negative effect on the high school graduation rate of Black and Latino students and resources available to them, and

Whereas, United Methodists of Greater New Jersey joined a coalition that sued the State of New Jersey on behalf of all of our children in order to end segregation in the public schools, and

Whereas, students that do not graduate from high school are statistically at higher risk to enter the "school to prison pipeline."

Be it resolved that the GNJ Annual Conference encourage its churches to establish, wherever possible, summer educational programs similar to "Freedom Schools" or a targeted reading enrichment and mentoring program for children who are under-performing in reading as assessed by testing in the public schools, giving special attention to Black and Hispanic/Latino children

Be it further resolved that the members, lay and clergy, of the GNJ Annual Conference encourage "restorative justice" rather than "zero tolerance policies" in all public schools, to encourage the continuity of a positive educational experience where the end goal is high school graduation for all students.

Rationale:

One of the objectives of breaking the "School to Prison Pipeline" is to make sure that Black and Latino children have educational opportunities in all schools and encourage the practice of "restorative justice" in dealing with their students. Proficiency in Reading is essential to keeping students in school and motivating them to learn.

We can support this initiative, as a conference and as individual churches, with our hearts, our minds, our resources and our Biblical mandate, as given by Jesus in Matthew 22: 37, 39: "'You must love the Lord your God with all your heart, and with all your soul, and with all your mind'.....And the second is like it: 'You must love your neighbor as you love yourself.'" CEB

John Wesley gave us the Wesley Quadrilateral, but if the tradition and experience sides of the Quadrilateral go against the scriptures and reason sides, then we are called to administer "restorative justice" to change the situation. In promoting reading fluency throughout the GNJ, we will be encouraging students to learn to read, to love to read, and to stay in school as respected members of a supportive school community!

A Future With Hope

A Future With Hope, ("AFWH") is a Vital Mission Partner of United Methodists of Greater New Jersey and serves as the mission arm of the organization. Formed in the aftermath of Superstorm Sandy in 2012, AFWH has the following vision: Hope emerges where residents, business, organizations, government and institutions work together to heal communities.

During the relief phase in the aftermath of Superstorm Sandy, AFWH:
- Provided more than 50,000 meals
- Provided day and night shelter for more than 5,000 people
- Distributed more than 11,000 cleaning buckets, more than 3,000 health kits, tons of clothing and other material supplies such as non-perishable food, heaters, blankets, etc.
- Assessed community needs and "mucked" out nearly 2,000 homes

During the recovery phase of Superstorm Sandy, AFWH:
- Rebuilt or repaired 273 homes
- Provided case management for 461 families
- Hosted more than 12,000 volunteers from 48 states and two countries for a labor value of $8,095,413
- Received an estimated $17 million in funding

Today, AFWH is focused on community renewal with an asset-based community development ministry that creates Hope Centers.

AFWH's community development ministry focuses in three areas:
1. Engaging congregations and communities in Communities of Hope training. Communities of Hope trains congregations and communities in strategic planning, community organizing, systemic change, and working inter culturally. At the end of the training, each Community of Hope team has a community strategic plan to guide its work.
2. Developing, overseeing and resourcing Hope Centers. Hope Centers are congregations and community centers affiliated with GNJ that identify and provide needed services within a community.
3. Leading community economic development projects that include housing development and repurposing church buildings.

AFWH has 17 Hope Centers. Hope Centers connect United Methodists with community residents, school, nonprofit organizations, businesses, town governments, and other faith groups to feed the hungry, provide high quality childcare and educational enrichment for students, build affordable housing, assist the homeless and offer job training.

In 2019, AFWH hired a new Executive Director, Richard Reinhard and elected new board leadership to include Chris Heckert as Chair and Niurca Louis as Vice Chair.

Submitted by,
Rick Reinhard, Executive Director

Africa University

Africa University thrives in ministry because of the steadfast support of the local congregations of The United Methodist Church. Thank you to the members of the Greater New Jersey Conference for prioritizing Africa University and its ministry with an investment of 100 percent of your asking to the Africa University Fund (AUF) apportionment in 2018.

In sowing so consistently into the Africa University Fund, the Greater New Jersey Conference continues to affirm the university's core mission of nurturing leaders who help communities to know Christ and to experience peace, sustainable livelihoods, food security and abundant health.

Institutional Update:
- In 2018, Africa University enrolled more than 700 new students and maintained an overall enrollment of around 2,000 students. There were 25 African countries represented in the student body. Women made up 53 percent of the student population, which is almost twice the average for African higher education institutions.
- Throughout 2018, Africa University weathered the challenges of Zimbabwe's depressed and uncertain socio-economic environment with creativity and prudence. The university delivered teaching, learning and community service activities of high-quality without interruption, while also renewing and expanding its infrastructure. Key enhancements in 2018 included the

refurbishment of three residence halls for women students and the full implementation of an ERP software system to integrate and manage all facets of the university's operations.

- With conflict, poverty, and the impact of climate change persisting as the key drivers of food insecurity and the rise in internal displacement, migration, and refugee hood in Africa, the university consolidated its position as a trailblazer by offering new graduate training and research opportunities. Africa University has also continued to provide scholarships for refugee women so that their experiences, talents and ideas are integrated into the search for solutions.
- Africa University delivered critical data for reducing malaria deaths in southern Africa and controlling the spread of insect-borne diseases world-wide. AU's insectary—a laboratory for rearing and studying live insects, such as mosquitos—shares its findings through the Southern Africa Centers of Excellence for Malaria Research. This data informs regional policies, practices and malaria control efforts.

The students, faculty, administrators and trustees of Africa University thank the members of the Greater New Jersey Conference for their prayers and support, which continue to grow and sustain its ministry. Thank you, Greater New Jersey United Methodists, for all that you have invested in mission and ministry through Africa University over the past 27 years. Our shared story is one of transformation, hope and realized dreams, ensuring for the congregations of the Greater New Jersey Conference a witness that is real and far-reaching (John 13:34-35). As Africa University and the Greater New Jersey Conference move forward together in missional engagement, we trust in God's unending grace for the increase.

Archives and History, Commission on

2018 has been a productive year of engaging in the ministry of memory for the GNJC Commission on Archives and History (CAH), as we supported vital congregations by encouraging clergy, lay leaders and church historians to strengthen their Wesleyan identity and fulfilled our Disciplinary mandate to identify, preserve and make available the historic record of ministry within GNJ. We encourage the celebration of our Wesleyan heritage and the preservation of local church history through the annual Robert B. Steelman Church History award, the Morris L. Smith Ethnic Church History award and the John C. Goodwin Multi-Media History Award, as well as through the recognition of significant church anniversaries.

We recognize congregations which were transformational in the life of our annual conference by identifying and recommending churches or locations as Conference Historic Sites and nominating them for recognition by GCAH as UM Historic Sites.

Further, we post guidelines for Church Historians, suggestions for writing church histories, records retention schedules and other valuable historical resources online and available through the CAH webpage on the GNJC website. Likewise, we provide links to access digital copies of The Historical Trail and The Circuit Writer, the respective historical journals of the former SNJ & NNJ Annual Conferences, which are available on Internet Archive.

Additionally, we collaborate with local churches and the GNJC Historical Society to provide regional venues for congregations to honor their unique faith stories and share those stories within GNJC and the NE Jurisdiction. Foremost, we maintain our GNJ Archival collection in the GCAH vault at the Archives and History Center at Drew University in Madison. Our materials are available to local churches through the services of the Archival librarian. Our extensive physical archival and digital collections serve as resources within which local churches can research their "Methodist DNA" and function as repositories where they can safely and securely store, process and maintain their historical records and artifacts.

We also stand ready to provide consultation on historical issues and assistance in planning and celebrating significant anniversaries and events, including providing speakers to lift up the historical significance of the church or explore other topics related to our Wesleyan tradition, American Methodism and GNJ history.

2018 CAH highlights include:

1. Archival Space: We preserve the historical records of closed churches within the bounds of GNJC and its antecedents and provide for the retention of the corporate records of GNJC boards, agencies and committees. We manage a 1,113 cubic foot archival collection, which is located in the fire-safe and climate controlled archival depository in the vault of the General Commission on Archives and History (GCAH), UMC, in Madison, NJ. Our archival space is secured through a unique and cost-effective rental agreement with GCAH, which is preserves our closed church and conference agency records and demonstrates effective stewardship by limiting the impact of archival costs on our shared ministry budget.

2. Ancestry.com: Our GNJCAH page on Ancestry.com received a total of 499,410 page-views, 286,115 image views and 213,295 text views for 2018. As a result, our closed church vital statistics (births, baptisms, deaths and marriage records) are easily accessible, highly utilized and extend our CAH influence far beyond GNJ!

3. Internet Archive: We support an extensive digital library of historical journals and resources on Internet Archive (IA) and maintain a link to this resource from the GNJC website. IA is a free portal that allows us to post an unlimited amount of historical material on the internet. Utilizing IA has increased the number of historical resources we make available online and reduced our impact on GNJC data rates. In 2018, 83 items on IA were accessed, which generated 3,420 page-views.

4. Consultation and Speaking: One of our members attended a historic site dedication in 2018. Other members remain available to assist local churches in reflecting upon their Wesleyan identity and role within the mission of GNJC.

5. Advertising and Displays: We ran advertisements to promote our annual church history contests in GNJ Digest and UM Relay, updated our commission information and resources on the GNJC Website, and hosted a display table at annual conference which highlighted our awards, conference historic sites and the work of the commission.

6. Conference Historic Sites: We presented three nominations for Conference Historic Site status that were approved by vote of the 2018 Session of GNJAC. These three new sites are the Kingwood UMC in Hunterdon County, Clarksboro: Evangelical UMC in Gloucester County and Union City: Emmanuel UMC in Hudson County. All are now listed on the GCAH denominational Historic Site list and either have already or will receive UMC Historic Site Markers. Nominating these sites created excitement about our historic heritage at annual conference and has proven to be a way that CAH can inspire our congregations to celebrate their place in the mission and ministry of GNJC. We are nominating Centenary University in Hackettstown, NJ to be considered as a Conference Historic Site by the 2019 GNJ Annual Conference Session.

7. The Robert B. Steelman Methodist History Award: The Steelman Award is given annually to the local church that submits a history which best exemplifies an inclusive narrative on the life and ministry of the congregation from its beginnings to the present day. We awarded the 2018 Steelman Award to Centenary UMC in Metuchen, NJ. We are recognizing First UMC in Dover, NJ as the 2019 Steelman Award winner.

8. Evangelical UMC & GNJC Historical Society: CAH collaborated with Evangelical UMC in Clarksboro, NJ and the GNJC Historical Society by supporting the Historical Society's 2018 Annual Meeting and historical program on Saturday, October 29, 2018 celebrating The 50th Anniversary of The United Methodist Church. Rev. Fred Day, General Secretary of the General Commission on Archives and History, was the keynote speaker. While there, we presented Evangelical UMC with their Conference Historic Site plaque. Through this collaboration we encouraged the telling of the stories of our faith tradition and recognized the contributions of one of our historic congregations.

9. NEJCAH: We continue to have a representative, Donald DeGroat, on the Northeast Jurisdiction Commission on Archives and History Executive Board, which gives GNJ CAH a presence, leadership role and influence on the jurisdictional commission. Additionally, our chairperson and Don attended the NEJCAH meeting in Lancaster, PA in May 2018 and actively supported the ministry of the jurisdictional commission.

10. Recognition of Significant Local Church Anniversaries: We presented recognition certificates to those churches celebrating major anniversaries and received positive feedback that congregations were excited to receive the acknowledgement.

11. Work of the Archivist: Our commission assisted local churches efforts to document their past ministry with the help of our volunteer archivist, Walt Jones. Walt responded to 42 specific information requests in 2018. Walt and Mark Shenise received a number of requests for information from Eryn Boyce and Beverly Schol. Eryn is the historian with the Hunter Research, Inc. and conducts some research on the Windsor UMC, and Springfield Emanuel UMC. We provided them with a listing of the materials contained in the Windsor UMC church collection, which pertain to the churches' cemetery. In this way, we assisted the Conference Trustees with clarification of issues of boundaries and deeds, etc.

12. Cost Effectiveness: A metric that is harder to quantify, but no less valuable, is the combined total of resources accessed by individuals annually. The combined metrics of Ancestry.com, Internet Archive, the Work of the Archivist above, along with page views of our GNJ webpage, demonstrate that we were good stewards of conference resources, because we supported and resourced a significant amount of inquiry at no or limited expense to the 2018 GNJC Shared Ministry budget.

Church and Society, Board of

The GNJAC Board of Church and Society has partnered with the conference immigration task force to approach a variety of actions and public demonstrations on behalf of immigrant rights and fair treatment. In July, this partnership organized an ecumenical rally outside the ICE detention center in Elizabeth, New Jersey, where immigrant families were being retained. Participating in the rally were Bishop Schol, several conference staff members, board members and Dean Javier Viera of Drew Theological School. Following this rally, several C&S board members were trained as advocates by the First Friends non-profit organization; this training is ongoing. Board members also rallied in Trenton, supporting legislation allowing immigrants to get drivers' licenses. The Board has also worked on Fair Wage legislation support and signed onto the lawsuit against school segregation. The Board has been thankful for the support of the conference staff as we've engaged these programs and plans and anticipate ongoing collaboration.

Ordained Ministry Report, Board of

As I complete my third year as chair of the Greater New Jersey Board of Ordained Ministry, I rejoice in the way that God is working through the members of the Board in ordering the life of the clergy and serving the annual conference. In addition, as we shepherd, serve and journey with candidates in their season with us, it is a privilege to walk with them, offer them support and guidance and assist them in discerning where God is calling them – all while doing the necessary work of evaluation as a Board.

For the 2018-2019 conference year, the Board has continued to develop its process of discernment for both provisional and full member candidates. Through the examination of written materials, recommendations, sermons, interviews, site visits and other tools of assessment, the Board will assess thirty-two candidates in total – nineteen for provisional membership and thirteen who are seeking full membership.

We will also be hosting once again a Celebration of Ministry worship service and dinner on April 28 where we will recognize and give thanks for the years of service of our current class of retirees, as well as the promise of future ministry for those to be commissioned and ordained. I would especially like to thank once again the Reverend Erica Muñoz and the wonderful laity of Aldersgate UMC in East Brunswick for agreeing to host this event.

For the remainder of 2019, the Board will continue to find ways to incorporate the intercultural competency initiative into our process. We will also follow through on the future pastoral leadership training event that was held jointly with the cabinet, DCOM chairs and other conference leadership on January 16, 2019. The Board also voted to form a subcommittee of the executive committee to explore the process for evaluating candidates in a holistic way. Finally, for 2018-2019, we have instituted a covenant document for board members to sign that addresses the need for accountability and confidentiality in the process.

Allow me to conclude my report by once again thanking the entire Board team. It starts with the vice-chair, the Reverend Jessica Brendler Naulty, without whom I could not function effectively as Board chair. I am also thankful for those who so willingly take on various additional responsibilities by serving on the executive committee of the Board. Specifically, this year, I give thanks for the many years of service offered by the Reverend Eunice Vega-Perez and the Reverend Hector Burgos as they transition off the Board as members in their new role as District Superintendents. In a similar category is the Reverend Drew Dyson, who will no longer be the DS representative to the Board but will remain on the Board as a member.

There are the members of the full board who so willingly read pages of candidates' paperwork, make site visits that are often far away from their local church setting and attend retreats and other necessary meetings. As I comment every year, however, what I am most impressed with is how the Board cares for and nurtures the candidates who we see. They work very hard to ensure that the process, while evaluative, is also spirit-filled. Last, but not least, I am grateful for the administrative assistance that we so graciously receive from Beverly Karlovich in the Mission and Resource Center. Beverly is always there to support the work of the Board!

I give thanks to God to be able to serve with all my colleagues, both lay and clergy!

Cabinet

In the midst of constant cultural shift around and within the church, raised anxieties that can result in responses and actions that are not always helpful, the Psalmist asks us to dig deeper to connect with the One who is our refuge and strength, and then to be still in the midst of the storms of shifting expectations and understandings to rest in God who will lead us through.

United Methodists in Greater New Jersey are not immune from the challenges of changing times. We are not immune from the influences of a culture that divides rather than unites, that tears down rather than builds up. As of this writing, we do not know the results of the Special Session of the General Conference, nor what the next steps will be.

In spite of the uncertainty, the cabinet of GNJ celebrates that God gives us the hope, the vision and the strength to continue to be the body of Christ in the world, firm in our commitment to continue to equip and empower clergy and laity, staying focused on the mission of making disciples for the transformation of the world.

One of the great privileges we have as a cabinet is that, in spite of the challenges, we continue to see congregations and their pastors doing Spirit-filled, creative and life-giving work in their communities and beyond. There are small congregations who do mission work that far exceeds what anyone would expect with limited numbers, middle sized and larger congregations that are engaged in ministries of justice and mercy that are transforming their communities, individual lay persons who are so inspired by the ministry of their local church that they are taking this into the workplace, young people who have heard the call of Christ and are committing themselves to full-time Christian service and clergy taking risks to engage new persons. We celebrate that in so many ways, persons across GNJ are growing in their discipleship, responding to the call to be Christ for the world firmly rooted in their faith. The faithfulness of persons of all ages, from all size churches, from all walks of life affirms the beautiful kaleidoscope that is the body of Christ that is so evident and abundant within GNJ.

With the adoption of a new strategic plan at last year's Annual Conference, the work of the cabinet is shifting to focus on meeting the goal of identifying and equipping 100 lay and clergy leaders who make disciples who make disciples. Along with this is the goal to resource 100 congregations who are ready and willing to make the cultural shifts, structural changes and mission focus to grow their churches to the next size in worship attendance. As superintendents, we often hear congregations request pastors who can do what was successful 20 or more years ago. We know that this is an ineffective strategy because a new time calls for new leadership and ministry approaches and we, partnering with the Connectional Ministry Team, are committed to providing appropriate resources to pastors and laity such as coaching, PaCE, Breakthrough, Team Vital, the Leadership Development program, the practices of 4DX (Four Disciplines of Execution) and other resources so that GNJ can move forward to meet our goal.

Our strategic plan also commits GNJ to grow in intercultural competency. The racial/ethnic, cultural and theological diversity of GNJ is an amazing blessing, but this comes with challenges in appointing strategic pastoral leadership, as well as recruiting and raising up effective, transformational leaders for future years who can effectively serve the diverse population of our region and grow the church. Working with the bishop in making appointments is a significant role of the cabinet, but it is only a part of the work of equipping congregations to more closely resemble the community in which the church is located. We continue in our disciplinary role as missional strategists to work with clergy and congregations to be outward focused and invitational to reach new people for Jesus Christ.

As superintendents, we are charged by the church to work with the bishop for supervision and oversight. This often means that we are engaged in circumstances where there are differing expectations and understandings and conflict can arise. The cabinet enters into these situations together with deep prayer and reflection, discerning the necessary steps to move forward to fulfill the mission that God has called us to fulfill.

Finally, the cabinet itself is in a time of transition as three new persons, Hector Burgos, Sang Won Doh, and Eunice Vega-Perez will transition in as new superintendents. Each brings a passion for ministry, proven experience and a deep commitment to grow the church to be more vital and relevant in our area. We also will see two of us transition off the cabinet. Drew Dyson, after five years as Raritan Valley superintendent, is starting a new phase of his journey in an extension ministry. Steve Bechtold, having completed eight years on the cabinet, will be returning to serve in the local church. Though transitions come with uncertainty, this is a time for the cabinet team to be thankful that through it all, God is with us, our refuge and strength.

Centenary Fund and Preachers' Aid Society (CPAS)

The Centenary Fund and Preachers' Aid Society was established by charter granted in 1857. In 2000 the charter was amended to rename the corporation The Centenary Fund and Preachers' Aid Society of the Greater New Jersey Annual Conference of the United Methodist Church. The purpose of the Fund is to provide maximum income, consistent with the preservation of principal, for the support of retired clergy and surviving spouses and dependent children of deceased clergy who have served in the GNJ Annual Conference.

A primary way the Fund meets that purpose today is by contributing towards the cost of providing retiree healthcare. In 2018 the amount contributed was $610,000 and since 2004 the Fund has contributed approximately $7 million for this purpose. The Fund also provides grants to pastors and their families with special needs who have requested aid, including help with extraordinary medical expenses, transportation needs and loans to assist retired pastors obtain housing in Methodist (and other) Homes, among other ways. Several such grants totaling just over $16,000 in all were made in 2018.

The Fund has only been able to do this through the generous support of clergy, laity and churches, by means of annual contributions and periodic donations as well as bequests. Since inception the Fund has received more than $6.3 million in donations and in 2018 over $40,000 was donated. A generous bequest totaling almost $90,000 was also received. The Fund Balance as of the end of 2018 was $10,541,735 .

To continue support for retired clergy and their families in the future, increased donations will be needed. Reverend Douglas Miller is the Centenary Fund's Outreach Director and is working to increase our Donation Base. We have also partnered with the Stewardship Foundation and the Communications Committee to raise our profile and increase our support.
We hope you will help us build up the Centenary Fund with your tax-free donations so that The Centenary Fund and Preachers Aid Society will be able to continue the substantial contributions needed in the future to fund retiree healthcare and to provide aid to retired clergy and their dependents.

Thank you so much for your support to date.

Christian Outreach Project

The Christian Outreach Project is a New Jersey non-profit corporation, recognized by the IRS as a 501(c)(3) corporation, a GNJ Advance Special, as well as A Future with Hope – Hope Center. COP provides free home repairs and renovations for people in northwestern New Jersey to people in need and has been in operation since 1983.
High school aged youth and adult volunteers donate their caring and skills while learning and growing in the process. In addition to home repairs, participants engage in morning devotionals, singing, worship and recreational activities. Our volunteer Board of Directors meets throughout the year to evaluate, plan and prepare for our program. COP is funded solely by donations, grants and participant fees.

Poverty in northwestern New Jersey is often hidden. Our clients live in communities that do not recognize their needs. Our clients range from the elderly on fixed incomes, to those with disabled family members and include single parents working hard to make ends meet. In addition to the much-needed repairs, we regularly see our clients refreshed with a new sense of hope. Many interact with youth, sharing their stories of their families and their faith.

COP puts faith into action. Living in Christian community is the basis of our program and we model the teachings of Christ by helping others. We strive for an inclusive community through intergenerational interaction, a broad mix of economic means and people of various ethnicities. We encourage and support our youth volunteers in becoming leaders in their churches and expanding their skill sets.

COP had a successful program in 2018. We had 38 participants from 8 area churches that were able to repair and renovate homes for 11 families in need in Morris, Sussex and Warren Counties during the last week of June. We are looking forward to and planning for, our 2019 program that runs from June 30 – July 6.

Christian Unity and Inter-Religious Concerns, Commission on

United Methodists of Greater New Jersey have been functioning to recognize and sensitize the United Methodists to the Christian unity that its members received from their Savior Jesus Christ and continues to support the ecumenical unity and inter-faith relations. We as the members of this conference prayerfully support all the ecumenical bodies such as World Council of Churches, World Methodist Conference and attend the ecumenical meetings in the State of New Jersey as well as in United States of America.

We helped the New Jersey Council of Churches through our funds and sharing our concerns on ecumenical activities of the church as a whole.

We have also recognized the presence of people of other faiths in our midst in gratitude and have enabled United Methodists to see our ecumenical vision through the participation in the ecumenical conferences and meetings. We believe that our ecumenical vision will receive new vitality and energy and grow into meeting the challenges today.

We provided funds for persons to attend the National Workshop on Christian Unity held in early 2018 in Washington D.C. During this event, Eucharistic sharing of different denominations was celebrated.
We are happy with the joint effort of Young Adult Council and Commission of Christian Unity and Inter-religious Concern could secure a scholarship to Ms. Rachel Callender to attend the Ecumenical Institute at Bossey in fall 2019.

We are planning to co-sponsor a lunch-on during conference with the Board of Church and Society and trying to invite a guest speaker.

New Jersey is larger than our church and we believe that the people of other faiths and denominations have a common search for wholeness and perfection. We are called to be a part of an emerging task of mutual trust through conversations and common struggles for justice and peace. New Jersey provides us the greatest opportunity to enter dialogue with people of other faiths in order to build community together and share with them our rich heritage as well as learn from their rich stories.

We continue to support of both the National Council of Churches and the New Jersey Council of Churches.

We continue to work with the Interfaith Dialogue with and in sponsoring smaller, regional lunch-on meetings on specific topics.

We continue to recognize persons and congregations who are active in ecumenical relations through the Bishop's Award for Christian Unity.

CUMAC (Center of United Methodist Aid to the Community)

Thank you to our wonderful friends and partners within the GNJ Annual Conference for your unwavering commitment to CUMAC's mission. Through your support, CUMAC served more people than ever last year and provided thousands of our neighbors with the resources they need to live healthy and hunger-free.

Here are some of last year's highlights:

- Our Food Pantry provided nearly 30,000 people, including over 7,500 children, with monthly groceries to stave off hunger, while an additional 19,000 people received produce and fresh food items
- Our Mobile Pantry ensured that these same foods were available to those living in underserved areas of our community
- Our Depot provided storage space, refrigeration, trucking and resources for over 70 local agencies, schools, soup kitchens, offices and shelters. Over 1.9 million pounds of food were processed for those in need

- Our Community Closet supported more than 230 people with disaster relief after experiencing fire, flood, domestic abuse relocation and other hardships
- Through Place of Promise, 10 people had a place to call home and a support system to assist them as they work to overcome years of homelessness and instability
- 35 men and women had the opportunity to learn critical job skills needed to move toward gainful employment through our Pathways to Work program
- 20 local pantries and agencies were supported in their efforts to feed the hungry by the Community Food Coalition

At CUMAC, we are always challenging ourselves to dream big and find better ways to serve our community. With the needs of our neighbors in mind, CUMAC's ministry continues to evolve and grow. This past year has been a whirlwind of activity and our staff is thrilled to be reaching our clients in new and powerful ways.
With 1 in 8 seniors facing hunger in New Jersey, CUMAC revved up its efforts to stop senior hunger in 2018. CUMAC is now partnering with several local adult medical day care centers to provide grocery bags and other essentials to food insecure seniors around our community. Thousands of pounds of resources are being shared monthly, which has allowed hundreds of additional residents to access our services without needing to worry about finding transportation to our pantry.

Along with reaching new, underserved populations, CUMAC took steps to improve services for existing clients in 2018. For the first time in its history, CUMAC conducted formal focus group sessions, helping our staff to better understand the needs of our clients and the challenges they face. The most critical discovery from CUMAC's research was identifying a serious gap in access to healthy food and resources among our clients. To help address these issues, CUMAC recently launched it's Beyond Hunger Initiative, which includes 3 major objectives:

- Have a healthy food pantry
- Have an effective job readiness program
- Be a vibrant place to work & receive clients

As part of Beyond Hunger, CUMAC's flagship food pantry is transitioning to a health-focused, choice marketplace. Planning is underway and by later this year, CUMAC's marketplace will resemble a grocery store, where a full array of goods will be displayed and clients will be able to shop for what they need. We anticipate that transitioning to a choice pantry will better equip clients to meet their unique food and nutrition needs.

Additionally, CUMAC is working with the Community Food Bank of New Jersey and the New Jersey Academy of Nutrition and Dietetics to upgrade the contents of our grocery bags to promote optimal health among our clients. Going forward, monthly food allocations shared in our pantry will prioritize fresh fruits and vegetables, lean meats, quality proteins, whole grains, low-fat dairy, legumes and other healthy foods. For those living on a tight budget or struggling with food related health issues, these bags will provide them with the items they need to stay healthy and hunger-free. On average, 19,000 people are already receiving surplus produce annually from CUMAC's pantry. Fresh items are procured through a combination of food rescue, purchasing and donations. With a larger, more efficient space, CUMAC will be able to expand healthy food access and assist even more of our neighbors in the months ahead.

Along with making healthy foods more readily available, CUMAC's new marketplace will address health disparities in our area by providing clients access to nutrition education, live food demonstrations, health screenings, resource information and other supportive services. Feeding over 4,000 people every month provides our pantry with the unique opportunity to improve the long-term health and wellbeing of our community. By teaming up with our community partners to offer these clients wraparound services, we will be able to provide our neighbors with the resources they need to build a healthier future.

To further support our community, CUMAC recently relaunched its Pathways to Work program with additional services for those struggling to find gainful employment. Along with job experience and professional development opportunities, Pathways to Work now offers assistance with resume writing, onsite tutoring for GED prep and college readiness, mock interviews, networking options, forklift training and certification and resources to aid participants with their job search. The revamped program has been a tremendous help for community members that are working to jumpstart their careers. We are proud to share that nine of our Pathways participants found full-time positions in 2018 and we are hoping to support even more of our neighbors in the coming year.

These program changes are just a few of the ways CUMAC is becoming a more vibrant place to work and receive clients. To reach our goals of going beyond hunger, we will continue to invest in our team, those we serve and our infrastructure.

In 2018, our staff made efforts to address major facility and equipment needs. The renovation of our warehouse floors, as well as the installation of energy-efficient LED lights, heating units and an industrial-sized humidifier have all made our building a

brighter, cleaner, more comfortable place to work. CUMAC also hired two new staff members to fill critical roles in our warehouse operations last year. Both of our new hires are from the local community and bring with them a deep knowledge and understanding of the challenges faced by CUMAC's clientele. Their perspective and influence have been an asset to our team. These improvements to our warehouse assisted in what was our most productive year yet. In 2018, nearly 2 million pounds of food were processed in our Depot, or the equivalent of over 1.5 million meals. Food and other resources were shared with over 70 different community agencies, schools, shelters and soup kitchens.

As our staff works toward our big, crazy dreams and strives to create lasting change in our community, your support remains vital. Throughout 2018, churches of the GNJ Annual Conference showed time and again how committed they are to CUMAC's ministry. 32 Methodist churches sent volunteers, while 98 churches held food drives and other collections, or made financial contributions to support our mission. Bible studies, UMWs, UMMs, youth groups, young adult groups, pastors, lay leaders and congregants alike shared their time, talent and resources to support our shared vision of a future without hunger. They joined hands with local civic groups, corporations, schools and other houses of worship to help make our world a kinder, more loving place for all of God's children. On behalf of our staff and all of our clients, thank you for your incredible dedication and support.

For our friends, old and new, there are many ways to ensure that none among us go hungry this year. Food collections and financial donations are instrumental to ensuring that we are able to provide the best possible care for all of our struggling brothers and sisters. Volunteers are necessary throughout the year to sort food, provide tutoring and to prepare household items. With 1 in 10 people facing hunger, 1 in 7 children, your efforts to organize speaking events and educational opportunities are imperative to keeping hunger awareness alive. Most importantly, your support, in any capacity, helps brings hope and relief to our neighbors who need it most. We simply couldn't help so many without your generosity and care, truly we are blessed to have you as a partner in our mission. Thank you for feeding people and changing lives with us.

Drew Theological School, Drew University

Drew University Theological School continued its multi-year self-transformation by launching its new curriculum for the Master of Divinity in the fall of 2018. This entirely reconceived degree seeks to form graduates that are rooted in the Christian story and traditions, capable of effective, adaptive, and creative leadership, and spiritually and socially resourceful for cultivating the transformative gospel of Jesus Christ in, with and for the church and world. A new two-year degree, the Master of Arts in

Theology and Ministry also launched and offers students the opportunity to prepare for public leadership or a specialized vocation through deep theological and ethical reflection informed by biblical, historical, theological and practical sources. New pathways in the Master of Arts, the Master of Sacred Theology and the Doctor of Ministry were also created as part of the curriculum transformation process which seeks to more intentionally focus the school's service to the Church, as well as to the academy and civil society.

Drew welcomed 145 entering students this academic year, its largest entering class in over a decade, with an overall enrollment of 350 for the current academic year.
In the coming year a new 5-year strategic plan will be developed, new degree delivery options that increase accessibility and affordability for prospective students, as well as new partnerships with annual conferences, other church bodies and values-based organizations that share and strengthen Drew's mission to advance peace, justice, love of God, neighbor, and the earth.

Episcopacy Committee

The Episcopacy Committee met quarterly with Bishop Schol during the past year for the purpose of support, encouragement, communication of Conference priorities and to provide feedback when solicited. We have participated in an evaluation of the Bishop, discussed matters related to the Jurisdictional Committee on Episcopacy and assured that the Episcopal residence is in excellent condition.

At each meeting the Bishop provided a report of his work and goals for the Conference and kept us updated on proposals related to The Way Forward. The Committee has had lively as well as serious discussions of the reports and items brought

before the Committee. The Bishop responded candidly to our questions and listened receptively to our expressed opinions. We appreciate his openness and positive example throughout the year.

Finance and Administration, Council on

During 2018, in connection with God, our denomination, our conference and our local churches, we were again able to further our work in the name of our Savior Jesus Christ. In partnership with the leadership of Conference, our Bishop and Cabinet, the Council on Finance and Administration has remained focused on insuring financial discipline and effective administration of our conference. Our local churches and congregations have likewise led the support for these efforts by achieving the Shared Ministry collection rate of 88%, which was consistent with the prior year. We were blessed that 389 of our local churches paid 100% of their shared ministry allocation, while 421 paid 100% of their billables. We are grateful to the churches of the Conference for their stewardship and support, together we are accomplishing the work of Christ throughout our conference.

During 2018 we were able to maintain our funding commitments, for our staff and our programs, as well as for our clergy benefit programs. In doing so, we remain committed and focused to continue to achieve our planned long term goals. We have also worked closely with other committees in support of our Strategic Plan, Hope Center developments, as well as further outreach efforts to the communities we serve. In doing so, expenses were well controlled throughout the Conference, allowing our Conference to finish the year achieving all of our financial goals and paying 100% of our General Church apportionments, for the 12th consecutive year.

The year also was marked by continued prudent investment returns, managed in partnership with Wespath Inc., as well as an enviable audit report of 2017, with no significant deficiencies or audit findings. All of the Council's sub committees were efficient and timely in their respective areas, finalizing revisions to our employee manual, developing local programs and insuring prudent management of all of our given resources.

As we begin 2019, we remain empowered by where Christ is leading us, as we consider the challenges post the Special General Conference. During our Special GNJ Conference we were able to propose a revised budget, with reduced spending and apportionments for our local churches. We are working to address key areas of focus, including financial guidelines for clergy, shared resources, as well as relationships with our churches and our staff. Additionally, we recognize the need to remain focused on attaining our current Shared Ministry formula goals and are committed to achieving the goal for the 2019 budget.

As in past years, the efforts of our Treasurer, John Cardillo and his staff have been exemplary, with continued excellence as they have performed their roles. All of our staff remains dedicated to continuing to achieve outstanding results and their work does not go unnoticed. We are blessed by them and are grateful and thankful for the blessings of them in our conference and lives! In closing, on behalf of the Conference Council on Finance and Administration, we offer our thanks to Bishop John Schol and the Cabinet for their leadership and support, as together we continue to spread the good news of Our Savior Jesus Christ.

First Friends of New Jersey and New York

The mission of First Friends of New Jersey and New York ("First Friends") is to uphold the inherent dignity and humanity of detained immigrants and asylum seekers by providing compassion and hope through volunteer visitation, resettlement assistance and advocacy. In New Jersey, there are approximately 2,200 immigrants and asylum seekers detained by U.S. Immigration and Customs Enforcement ("ICE") in three county jails (Bergen, Essex, Hudson Counties) and one private facility (Union County). First Friends is the only organization in the

New York metropolitan area that systematically provides services to immigrants incarcerated by ICE.

First Friends provides an array of services for immigrants and asylum seekers who are detained and for those who are released but have no support. Within our Visitation Program, the core of our work, we manage a free hotline for detained immigrants and asylum seekers who are held in immigration custody in New Jersey to provide support and services and connect them with volunteer visitors and pen pals. Through our semiannual Stamp Out Despair Campaign, we provide each of the 2,200 detained immigrants in northern New Jersey with a folder containing a note of welcome and encouragement, First Friends contact information, stationery, greeting cards, plain paper, postage stamps, envelopes and a pen to keep in touch with family and

friends. In our Community Supported Post Release Program, we promote the self-sufficiency of immigrants and asylum seekers who are released from detention through services such as transitional housing, transportation, food, clothing, medical care, education, employment services and interpretation/translation services.

As the number of detainees held in New Jersey has grown over the years, including a large number of asylum seekers, so has the demand for our services. In 2018 First Friends supported 295 volunteers who undertook 1,137 hours of visitation at the four detention centers in New Jersey. We could not do this work without the generous support of local Methodist churches throughout our conference and the United Methodist Women.

First Friends, along with Bishop Schol and other Faith Leaders from across New Jersey participated in the prayer rally at the Elizabeth detention center in July 2018 hosted by GNJ's Board of Church and Society and Hispanic/Latino Committee in support of immigrant children who have been separated from their parents.

In January 2019, First Friends welcomed Victor Salama as our new Executive Director. Victor has prioritized strengthening our strategic planning and under his guidance, the First Friends team has created SMART Goals for 2019 that are focused on program, finances, community partnerships and outreach.

To learn more about the mission of First Friends and how you can be a part of this important mission, please visit firstfriendsnjny.org or contact us at info@firstfirendsnjny.org.

Gateway South Poverty Task Force

The Gateway South Poverty Task Force is a collaborative effort of clergy and lay of the churches of the Gateway South district. Currently we have representation from Magnolia UMC, Memorial UMC (Pine Hill), St. Andrews UMC, 1st UMC (Collingswood), Williamstown UMC, Mt Zion UMC (Lawnside).

In 2017 we decided to focus our efforts on a root cause of poverty and chose literacy. We had a massive book drive where we collected over 2500 books which were sorted and tagged to go out to places where libraries do not exist. The idea of a pop-up library was simple. Take books into areas where people do not have easy access to libraries and allow them to have the books.

We set up in soup kitchens, shelters, on the streets, food pantries and The Neighborhood Center. Currently we have over 2 dozen pop-up library sites and we most recently opened a library in Pine Hill that is stationary. It will serve the community by offering books, computer access and eventually classes on things like resume writing, job searching and tutoring.

Through a collaborative effort with Computer Smiles we have been given 2 computers to assist the community. In the summer of 2018 we launched a pilot program at The Neighborhood Center focusing on literacy. During summer camp we came one day a week for 90 minutes to expose students to reading and related activities. We hope to launch in the afterschool program in Spring 2019 and continue with the summer program and launch one at the Pine Hill site as well in Summer 2019. We continue to find ways to address the challenge of illiteracy that many faces in creative ways.

Global Ministries, Board of

The Conference Board of Global Ministries works with Missionaries, our Advance Specials, Agencies, Conference staff and it also aligns with the strategic goals of GNJC.
Advance Specials: Each Advance Special is assigned to a CBGM member who acts as the liaison with the Board to assure that their ministries continue. Visits with the agency have been planned for Spring 2020. Advance Specials are required to submit a reapplication each year and provide supporting documentation. The list of Advance Specials may be found in the Board's resolution.

Global missions, Conference Secretary (CSGM): In the Greater New Jersey Annual Conference the position of CSGM is held by the Chair of the Board of Global Ministries as well. The CSGM works with the General Board of Global Ministries in accommodating missionaries who will be itinerating in our Conference. In 2018 Princess Jusu, Elizabeth Tapia and Ricardo Ramos itinerated in GNJ.

Isabel Quezada attended the UMC Day of Health in Georgia. This was a three-day event which showcased the innovative projects and programs that many United Methodist churches, organizations, and partners are engaged in. This event also equipped conference health coordinators with tools and resources to aid churches in the establishment and enhancement of health ministries.

We also had the pleasure of Becky Parsons NEJ Mission Advocate, Northeastern Jurisdiction visiting us. Becky met with the Conference Board of Global Ministries and shared good insights to assist us with the work of this committee.

The Conference Board of Global Ministries has met several times during this period to discuss activities for 2020. The committee continues to work towards being more involved in connecting youths and young adults with mission opportunities in our Conference. The committee will also continue to motivate more churches to support Advance Specials.

Higher Education and Ministries, Board of

The Board of Higher Education and Ministries (BHEM) has mandates and responsibilities listed under ¶634 in The Book of Discipline of The United Methodist Church and is the leadership development agency of The United Methodist Church. Its mission is preparing global leaders for a global church and the world. Every elder, deacon and licensed local pastor benefits from our training and candidacy programs. Many young adults find help in clarifying their vocation and God's call on their lives through our leadership and discernment programs. (gbhem.org)
UM Collegiate Ministries are the missional presence of The United Methodist Church on college and university campuses around the world. Through a network of chaplaincies, Wesley Foundations, ecumenical ministries and church-based ministries, The United Methodist Church reaches more than 1,300 campuses around the world!

We are called to share with our campuses the transformational nature of Christ in a way that raises up a new generation of thoughtful, articulate Christians who care about making the world a better place. While this calling looks and feels very different across our campuses, it is central to our identity and it compels us to provide intentional, student-led ministries that reach this emerging generation of leaders. (gbhem.org)

The Board of Higher Education and Ministries of GNJ has been experiencing positive structural changes within our Annual Conference and along with coaching provided by Ministry Architects, Inc. we can say that this year has been an innovative, creative and transformational one as we become one of the components of Next Gen Ministries under the new strategic plan and under the leadership of the Executive Director of Next Gen Ministries, Eric Drew. This year we are journeying alongside Young Adults Ministries, Camping Ministries and Ignite discerning ways in which we can reach the younger generation to continue to make disciples that make disciples across GNJ and beyond.

We are so grateful for the support provided by the GNJ Conference leadership and staff and GNJ congregations for the many opportunities we have to develop leaders through financial and human resources, trainings and leadership development. In return, BHEM provides GNJ with skilled, talented and gifted leaders that serve our young people acknowledging them as leaders today while preparing them for tomorrow's generation and missional opportunities.

Every year BHEM encourages the participation of clergy and laity in the search for a recipient of the Francis Asbury Award (non-monetary award). This award recognizes those who encourage and support higher education and campus ministries within the United Methodist Church. It is for all clergy or lay, employed or volunteer, who are active in supporting, strengthening and promoting higher education ministries.

In 2018 our agency received 71 scholarship applications from high school and college students pursuing undergrad studies, of which forty were submitted with all the required documentation and signatures on or before the deadline. We met as a board to review the application, the process and the list of requirements for the scholarships and improve the wording to clarify the application instructions. In the review process we were presented with the opportunity by the GNJ Communications Department to provide students with an online scholarship application that would be submitted electronically. We are pleased to inform that as of the date of this report we have not had any inquiries regarding the process. Out of the forty applications, 28 scholarships were awarded; all over $500 each.

As always, students inspire us with their letters in which they share their academic, spiritual, and community outreach goals. Pastors, mentors and church leaders share in their recommendation letters the many ways that the applicants are active in the life of the church and the community, making disciples and serving one another in the exemplary love of Jesus.

The Board of Higher Ed and Ministry of GNJ provides campus ministers and chaplains with grants that assist in promoting their campus ministries, outreach opportunities for and to students, mission, service and staffing. This year we will be providing coaching opportunities for chaplains and campus ministers, workshops and retreats to bridge relationships and enhance creativity amongst each other. We currently have identified three campuses with the potential to become our newest campus ministries in the next two years!

An Agency Grant Fund Application is completed every year and submitted for approval. The approved 2018 grant funded the following campuses:

- Rockland County Community College, John Kwon
- Centenary University, Timothy Nicinski
- Wesley Foundation/Princeton University, Erik "Skitch" Matson
- Kingston University/Feed Truck, Jessica Winderweedle,
- Rutgers University, Joseph Jueng (This is GNJ's newest campus ministry! Have you seen the video the Communications Department has put together? Check it out at GNJ website.)

Once a year members of our board meet with our campus ministers and chaplains to listen to their stories, bright spots, challenges and the impact they are experiencing in their campuses. From conversations we learned that they are engaging with the college and university communities in worship, Bible studies volunteering in the community food banks and community projects. They are launching ministries and mission initiatives, providing meals to the community and to students on campus, sharing meals in fellowship, connecting with the community in relationships and bridging opportunities, partnering with other organizations, holding ecumenical events and providing and creating safe spaces for students where powerful questions are asked and every student is heard. Our campuses are led by leaders that dream, envision, promote connection and deepen relationships.

Your continued prayers and support for our campuses, ministers and chaplains; our board members, and our conference youth and leaders will be greatly appreciated!

Laity, Board of

The gifts he gave were that some would be apostles, some prophets, some evangelists, some pastors and teachers, to equip the saints for the work of ministry, for building up the body of Christ, until all of us come to the unity of the faith and of the knowledge of the Son of God, to maturity, to the measure of the full stature of Christ. Ephesians 4.11-13

The mission of the Conference Board of Laity is to enable laity to have full and equal partnerships with clergy and within the Conference, work with the Conference to grow lay leadership and provide lay opportunities for growth. The Board helps develop principled spiritual leaders for the Church and works as the Catalyst for Laity Leadership Education, Lay Servant Ministries, Laity Session at Annual Conference, Laity Leadership Academy, Lay Ministry Recognition, United Methodist Women, United Methodist Men and the work of the District Lay Leaders. As a board we continually look at ways to grow the laity of GNJAC in the understanding and interpretation of God's word to be equipped as effective leaders in sharing the gospel with other people.

The Laity Board is in partnership with our local churches and all of our activities are directed towards improving the ministry together. Encouraging the lay leadership to grow and make time for education so that we become more equipped to do the work of ministry in a complementary role with our clergy leaders. We are seeing a major move of the Holy Spirit within the Church right now as we identify, equip, encourage and fulfill God's purposes and call for each of us in the local church. We have witness in our yearly Lay Ministry Recognition Program each April, as numbers of applications and attendance increases. Lay recognition program provides an opportunity for our laity to witness how God is embracing and working in the ministry of the local church.

Re-structuring of the Laity Education Umbrella is only in the infant stage of our five-year plan as the Laity Board works with Rev. Juel Nelson to improve and align Laity Education. The goal: To launch a congregational leadership development ministry in September 2019 that is seamless, builds on applied learning, shapes and supports congregational leaders to lead with excellence and achieves growth in the five markers of vitality.

Provide educational opportunities for Five Competencies of Congregational Leadership:

1. Spiritual Servant Leadership

2. Cultural Competency

3. Leadership through Change and Conflict

4. Emotional Intelligence

5. Narrative Leadership through Storytelling

Providing a Biblical foundation for raising up disciples who serve as leaders, managers, lay ministers, prayer warriors and storytellers is the base of the processes of aligning Laity Education with the 2019 Strategic plan. All persons in the conference will have equal opportunity to be equipped, whether for lifelong learning or certification, resources will be available to the laity. The Laity Board continue the mission of advocacy, equipping and effectively deploying and supporting the local church leaders for ministry.

Native American Ministry, Committee on

We continue to work on getting our Native youth and children involved in the church and community. This year, we had seven Native young people attend the IGNITE event and four youth attend the Peg Leg Flamingo event, a UM Native American Leadership Program. We also are happy to announce the third year of operation for the Native American Youth Club at the Bridgeton High School. Since our youth are becoming more aware of the Church, we are now training them to be involved. Five young adults were trained to be teacher aides for the St. John UMC After School program in September.

We were informed that the Nanticoke-Lenni Lenape Tribe had lost their state recognition status. The Conference became a Friend of the Court and with this and other support, the Tribe received back their state recognition. This support enabled the Tribe to apply for funds and for their members to use that status for employment opportunities.

Some of our Native people were put in boarding schools and it still has affected them and their following generations. We therefore were a part of the Boarding School Healing Coalition event in Carlisle, PA in October. We have also been involved in the work of the NEJ Native American Ministries Committee. Through such connections, we are able to share resources through our webpage on the conference website.

We will continue to work on ways to share information about Native American Ministries Sunday; to work with the Nanticoke-Lenni Lenape, Ramapough and Powhatan Tribal communities and look at ways to keep the conference informed about Native American issues and concerns through the Digest and Relay.

Pension and Health Benefits, Board of

The Greater New Jersey Conference Board of Pension and Health Benefits (the Board) is authorized by The Book of Discipline of the United Methodist Church to contribute to the support, relief, assistance and pensioning of clergy and their families, as well as other church workers and lay employees of the United Methodist Church.

Working with the Wespath Benefits and Investments, the Board endeavors to implement and interpret national and conference policy.

Pension

Pre-1982 Pension Plan

The 2019 Past Service Annuity Rate for pre-1982 annuitant payment is $685 per year of pre-1982 service. The 2020 Past Service Annuity Rate for pre-1982 annuitant payment will be $699. The pre-1982 pension program continues to be fully funded and in a strong position.

CRSP/MPP and CPP

The General Conference's pension plan, Clergy Retirement Security Program (CRSP) is a hybrid of defined benefit and defined contribution approaches which took effect in 2007. For 2019 churches pay CRSP at 12.5% of clergy plan compensation and for the Comprehensive Protection Plan (CPP) at 3% of clergy's plan compensation, and UMLife Options at 2% of plan compensation for ½ time clergy.

The 2012 General Conference enacted changes to the Clergy Retirement Security Program. Effective 1/1/2014 for all contributions going forward, the CRSP Defined Benefit component was reduced from 1.25% of DAC to 1.0% of DAC. Under the CRSP Defined Contribution component, contributions were reduced from 3% to 2% of clergy plan compensation and, in addition, match up to 1% of compensation if clergy contributes 1% to UMPIP. Contributions previously made will not be affected by this change and benefits paid upon retirement will be based on the previous formula for all benefits accrued prior to 1/1/2014. Any benefits accrued from that date forward is based on the new formula.

Additionally, the General Conference changed the participation requirements from all clergy under appointment to only clergy under full time appointment. Clergy appointed to less-than-full-time (3/4 and 1/2-time) are eligible based on the decision of the Annual Conference after approval of the Conference Board of Pension and Health Benefits. The Board has voted to include those clergy appointed to less-than-full-time (3/4 and 1/2 time) appointments in CRSP. For clergy appointed to 1/4-time appointments, a vote of the Board has made UMPIP available as a pension option for those clergy. Please contact Alexa Taylor,

Insurance and Benefits Services Manager, for more information on this option. These changes require Annual Conference approval.

The rates of remittance for the Clergy Retirement Security Program/Ministerial Pension Plan (CRSP/MPP) and Comprehensive Protection Plan (CPP) increased from last year's rates to 91.91% and 99.82% respectively. Eighteen percent of churches were unable to pay these bills on time. Below is a summary of 2018 remittances:

Type Remittances

Rate 2018 Shortfall # of Churches Paying

< 100% % of Churches Paying

< 100%

CRSP 91.91% $208,465 101 18.36

CPP 99.82% $16,965

To maintain clergypersons' participation in CRSP/UMPIP and CPP/UMLife Options, the Greater New Jersey Conference fully pays delinquent church accounts using funds from the Reserve Account at Wespath Benefits and Investments. We are concerned that some churches are not fully meeting their obligations with the resulting decrease in the Reserve Account.

By 2018 year-end the cumulative delinquent amount for years prior to 2018 was $2,317,000 for CRSP/MPP and $444,000 for CPP - a total of $2,761,000, an increase of $313,000.

We thank those churches that maintained faithful stewardship, paying 100% of their obligation. We also appreciate the continuing efforts of our district superintendents, Alexa Taylor, Insurance and Benefits Services Manager, to collect the past due balances. More than $174,000 of the 2002-2017 shortfalls was collected in 2018.

Pre-Retirement Seminars

As in years past, the Board sponsored a retirement education session held at the Mission and Resource Center of Greater NJ on February 28, 2019. The pre-retirement seminar focuses on those anticipating retirement within five years. Sixty persons were scheduled to attend. Presentations by Robert Christophel of Wespath Benefits and Investments and a Social Security representative provided valuable guidance to assist retirement planning. Special thanks go to Jennifer Cho for organizing this event. Thanks also to Alexa Taylor, Insurance and Benefits Services Manager, for assisting and providing support.

Health Insurance

For 2019, the Board continued Active health insurance under HealthFlex, the health insurance plan sponsored by the Wespath Benefits and Investments. The medical provider network is Blue Cross/Blue Shield PPO; the pharmacy benefits are provided through OptumRx. Beginning in 2015, Wespath no longer offers retiree health insurance. The Board implemented United HealthCare's National Medicare Advantage PPO Plan which combines the participants' Medicare A & B, supplemental coverage and Part D prescription plan.

The Board has again provided a contribution to participants' Health Reimbursement Accounts for 2019 of $1,250 for single and $2,500 for all other plan types which can be used for qualifying medical expenses (such as co-pays and deductibles). These funds do not expire and are accessed through a MasterCard branded debit card, or via a reimbursement form.

Premiums and Remittances

The following chart shows church premium rates in effect for 2019. These rates reflect a Cabinet- requested blended rate for all categories, which the Board has been moving toward for several years, so that health insurance premiums are not a factor in determining clergy appointments.

Health Insurance Premiums for 2019

Employee	$15,000
Employee & Child(ren)	$15,000
Employee & Spouse	$15,000

Employee & Family $15,000

The Board thanks all churches that fully paid their health insurance premiums in 2018. Overall, churches paid 98% of the total $3,953,256 health insurance billings, an increase from the 2017 remittance rate of 96%. The 2018 shortfall was approximately $41,000. By 2018-year end, the amount owed from years prior to 2018 had been reduced by $237,038 and the cumulative unpaid health insurance bills had increased to $3,321,754 owed for years prior to 2018.

Churches failing to fully pay their premiums burden all churches and result in higher health insurance premiums for all. Thanks go to the Conference/BOPHB Treasurer John Cardillo, Benefits Assistant Veronika Varga and the Cabinet for their continued efforts to collect health insurance arrearages.

The Board and the Conference staff have continued their efforts to ease the continued transitions in healthcare. The Health Insurance Guidelines included in these 2019 Conference Reports and Recommendations have been updated.

Annuitant Health Care Liability

As of the end of 2017, the Financial Accounting Standards Board FAS 158 liability for annuitant healthcare costs in the amount of $65 million was posted to the Conference balance sheet. This liability is the estimated present value of the future costs of annuitant healthcare. The Annuitant Health Insurance Contingency Fund described below has been set up to address this large liability over time.

Annuitant Health Insurance Contingency Fund

In 2002-2003 the Board, recognizing the growing magnitude of annuitant healthcare costs, together with the Centenary Fund, representatives of CFA, the Cabinet and the Association of Retired Ministers and Spouses (ARMS), developed a plan for a long-term Annuitant Health Insurance Contingency Fund that begins to offset the liability and ensure that retirees continue to enjoy conference-paid health insurance. The Fund was initiated by the 2003 GNJ Annual Conference and earmarked exclusively for healthcare costs for annuitants to cover higher premium costs expected in future years. The plan for the Fund involves a multi-year period during which excess pre-1982 retirement funds would be used to pay CRSP defined-benefit requirements and comparable funds from churches would be used to create a permanent retiree health fund. This is a critical initiative since it is clear that the Conference cannot continue to fund retiree health insurance on a cash basis out of the Conference Budget.

As of December 31, 2018, the Annuitant Health Insurance Contingency Fund held a balance of $5,531,132 after transferring $1,160,726 to the Annuitant Health Insurance Account to avoid a negative balance in that account at year-end. In 2018 approximately $1,076,000 came into the Contingency Fund (representing the 2% clergy and staff salary contributions toward the cost of health insurance) plus the Centenary Fund's annual contribution (in excess of $300,000, separate from their $100,000 contribution directly to the Annuitant Health Insurance Account).

The Board Itself

The Conference Board of Pension and Health Benefits endeavors to serve the Conference and the needs of those in ministry. There continues to be much to accomplish, especially in the challenging field of health insurance. Christ strengthens us to meet these challenges and we pray for the Holy Spirit to guide and inspire our actions.

Religion and Race, Commission on (CORR)

The GNJ Commission on Religion and Race (GNJ CORR) advances the mandate of the General Commission on Religion and Race (GCORR). GCORR is the core agency within the United Methodist Church tasked with empowering the Church to pursue racial equity and cultural competency to build a stronger, more vibrant UMC." GNJ CORR is charged with this same task in the Greater New Jersey Conference (GNJ) by promoting full and equal participation of the racial and ethnic constituency in the total life and

mission of the church, GNJ CORR seeks to empower clergy and laity to develop transformational leaders and vital congregations.
Appreciation is extended to the members and volunteers of GNJ CORR for their diligent work. Bonnie Harley, Laura Lin and Rev. Brian Joyce often work behind the scenes, editing, organizing and making space. Thank you.

GNJ CORR 2018 activities included:

• Co-hosted the 2018 Annual Focus Group Dinner 50 Years after the Abolishment of the Central Jurisdiction: Looking at Race in the United Methodist Church. Dr. Morris Davis, professor of Methodist History at Drew University, racial justice advocate, critical researcher in the politics of the UMC in the Jim Crow era and author of The Methodist Unification: Christianity and the Politics of Race in the Jim Crow Era, was the key note speaker. The event was very well attended and received positive feedback. Special thanks to Rev. Kathleen Stone for her leadership with this event and the diligent work of the Co-hosts: Church and Society, Ethnic Local Church Concern and Black Methodists for Church Renewal.

• Supported and co-sponsored legislation, as a member of the Connectional Table, participation in the law suit with Bishop Schol signing as our Bishop and representative of United Methodist congregations in GNJ, which seeks to advocate for a more just education system in NJ that provides equitable educational opportunities to all students. 2018 marked 64 years after the holding in Brown vs. the Board of Education. It is time to address all segregation that results in lack of access, equity and justice for Black and Latino students.

• Attended Facing the Future 2018: In the Midst of the Storm a conference hosted by the General Commission on Religion and Race for pastors in Cross Racial Cross/Cross Cultural [CR/CR] appointments. To be celebrated and commended is Rev. Teresita Matos-Post who rendered deeply moving reflections, of being appointed to a CR/CC site, from the vantage point of a Puerto Rican woman pastor. Her reflections touched all who serve in CR/CC sites as well as, highlighted the complex intersectionality of race, ethnicity, gender and religious expression. In the follow-up event to the conference, I hosted an Online Open Space Addressing Stress and Mental Health for Clergy in CR/CC Appointments.

• Completed curriculum Christianity, Race and US Law which reviews the intersection, influence and practice of the Christian religion, race and the development of US law as it is related to race, racism and marginalization and/or liberation of racial/ethnic groups. The goal is to understand how past actions have influenced the modern church and to think about methods of effective ministry to heal and make whole a church that has been divided along racial ethnic lines. We will pay particular attention to the influence and activism of Methodism. This curriculum is available online or in print. It was designed to be used with PaCE groups but can be used for small group or individual study.

• Completed design of the DNA Discussion Project. GNJ CORR will host a DNA Discussion Group in 2019.

GNJ CORR looks forward to continuing to serve GNJ through training, consultation, research and advocacy to empower clergy and laity to be able to be an effective witness for Christ in a diverse world. As we move forward in 2019-2020, we will focus our efforts on supporting CR/CC sites, providing educational resources and making accessible the work that GNJ CORR has completed during the last quadrennial.

Status and Role of Women, Commission On (COSROW)

The Commission on the Status and Role of Women (COSROW) serves to bring about the full inclusion of women in the life of The United Methodist Church. Our charge is to challenge the church to "continuing commitment to the full and equal responsibility and participation of women in the total life and mission of the church." With this commitment, The United Methodist Church affirms itself as "part of the universal church, rooted in the liberating message of Jesus Christ, that recognizes every person, woman or man, as a full and equal part of God's human family (The 2016 Book of Discipline, ¶ 2102)

It is a great joy that I have been able to serve continually with dedicated team members throughout the past year. GNJ COSROW carried out its purpose through the following projects: (1) COSROW Award: The person selected to receive Helenor Alter Davisson Award for 2019 from GNJ Commission on the Status and Role of Women is Rev. Dr. Eunice Vegas-Perez. (2) Leadership Development: 7 women leaders in GNJ attended Do No Harm Conference 2018. (3) Display Table at The Annual Conference to promote the ministry of COSROW and provide resources for its mission goals. (4) Women's History Month in March: We provide worship resources to celebrate Women's History Month.
Furthermore, we are planning to offer Sexual Ethics Training/Workshop for all of the pastors entering into pastoral ministry in GNJ. We are working on a written proposal to require a mandatory sexual ethics training/workshop for all pastors who are newly entering and actively serving in GNJ.

As you are aware, the two Amendments that sought to claim language that both women and men are created in the image of God, that committed our church to work for the elimination of discrimination against women and girls, and that sought to assure an equal place in the life, worship, and governance of the local church for women, did not receive the two-thirds necessary vote from each annual conference, which was needed for ratification of the decision of General Conference.

These two unpassed Amendments motivate us to continue to seek to raise awareness of ways in which women are not fully included in the life of the church and to spark new recognition and ways of being women in the church. We recommit ourselves to inspire new women leaders to find their places in not just our church, but in the large community as well.

Lastly, I would like to give thanks to our members for their faithful work: Sarah Borgstrom Lee, Esther Canty-Barnes, Lakesha Groover, Judy Hopkins, Marilyn Hughes, Iraida Ruiz De Porras, Eunice Vega-Perez, Yoomi Yi, and Regina Yeske (Conference liaison).

United Methodist Women

The life of GNJUMW continues to be busy with details and depth of work in the areas of social justice. The four foci for the quadrennial 2016-2020, as established by the National Office of United Methodist Women, include the following: Criminalization of Communities of Color with an emphasis on breaking the School to Prison Pipeline, Economic Inequality, Climate Justice, and Maternal and Child Health. Each Conference of UMW has been asked to focus on one of these areas for the rest of the quadrennial. We have chosen to have programs around the issue of Maternal and Child Health, as impacted by other factors such as the School to Prison Pipeline and Immigration.

Following up on these themes, our GNJUMW Spring Meeting was entitled Maternal and Child Health and Wellbeing, held on April 7, 2018 at St. Andrews UMC, Cherry Hill. The sermon, Amazing Jesus was delivered by Rosa Williams. Moselle Jules, a participant in Mission of Peace trip to Cuba that we helped sponsor, gave an overview of the daily life and culture of Cuba. One of the program speakers was Tricia Yeo, Program Manager of Health and Wellness for the Food Bank of Southern Jersey. Her talk focused on Maternal and Child Health Challenges to Better Outcomes. Esther Canty-Barnes, Esq., Director of the Education and Health Law Clinic and Clinical Professor of Law, Rutgers School of Law, followed and gave a presentation entitled “Maternal and Child Challenges to Better Outcomes.”

We worked on several resolutions this year for the GNJUM Conference, including the following: Resolution to Facilitate A Way Forward, sponsored by Susan Zahorbenski, Diaconal Minister and RV District UMW President; Resolution to Oppose Human Trafficking and Help End Suicide and Homelessness Among Lesbian, Gay, Bisexual, Transgender, and Questioning (LGBTQ) Youth, submitted by the GNJUMW Leadership Team; and Resolution to Help End Youth Suicide, submitted by the GNJUMW Leadership Team.

We also endorsed the resolution on Segregation in New Jersey Schools submitted by the Connectional Table, whose goal was to join in a complaint against the State of New Jersey in order to end segregation in the public school system. (New Jersey ranks 6th for black students and 7th for Latinos as far as being one of the most segregated school system in the nation.)

We continued, as a Leadership Team, to work throughout the GNJUM Conference to educate all 9 districts of UMW on The Way Forward. Through the work of Kathy Schulz, Yvonne Bouknight, Pat Schutz and Marilyn Powell, we were able to visit our districts and provide an educational background surrounding the issue of homosexual marriage and the ordination of LBGTQ persons as part of the UM Church, along with a discussion of the proposals for consideration by the Council of Bishops.

We also partnered with Tom Lank, head of the GNJUMC to the special General Conference to be held in February 2019, to discuss the recommendations of the Council of Bishops and other recommendations from various UM bodies and churches that have been made to bring some type of closure to this issue.

In May, over 60 women from the GNJUMW attended the UMW Assembly 2018 held in Columbus, Ohio, May 17-May 20th with some 6000 other UM Women from all over the country and the world! The theme of this Assembly was The Power of Bold. I was thrilled to be joined at Assembly by Dorothy Scott, Assistant Director of the Neighborhood Center in Camden, NJ.

I personally was able to participate in an Ubuntu Day of Service at the Lincoln Park Elementary School where I was charged to help plant a summer vegetable garden with the students who were in their Freedom School program, directed by Darlene Scheid of the UMC and Community Development for All People.

35 student scholars and 35 United Methodist Women participated in this event. Assembly was more than the Ubuntu Day of Service! We demonstrated at the State Capital building to support A Living Wage 4 All. We went on to have inspiring sessions that dealt with the full array of issues from Maternal and Child Health, the School to Prison Pipeline, Climate Justice and A Living Wage 4 All.

One of the sessions that I attended was on the Palestinian Issue in Israel, with an emphasis on a peaceful co-existence rather than the current stand-off and subjugation of the Palestinians. Featured speakers in the plenary worship services included Leymah Gbowee, who was awarded a Nobel Peace Prize for helping end the Second Liberian Civil War in 2003 and Marian Wright Edelman, founder of the Children's Defense Fund and author of The Sea is So Wide and my Boat is So Small.

During July, the GNJUMW joined forces with GNJUMC to present the annual Mission u program held July 13-15 at Georgian Court University, Lakewood and July 21 at Calvary Korean UMC, East Brunswick. In addition to offering What About Our Money, as the featured UMW new course, the GNJUMC sponsored When Helping Hurts: How to Alleviate Poverty without Hurting the Poor.

July 28th we participated in the We Care Prayer Vigi to advocate for immigrants' family reunification co-sponsored by the GNJUMW, MARCHA GNJ-National Plan, GNJ Board of Church and Society and the GNJ Immigration Task Force. Over 100 persons, including all races and all ages, gathered at 10:00 a.m. at the ICE Elizabeth Detention Center to protest in a non-violent way the separation of immigrant children and their parents at the border with Mexico. We were lead in song and prayer by Bishop John Schol of GNJUMC, Javier Viera, Dean of the Drew Theological School, Grace Pugh Hubbard, the music leader for GNJUMW and Harriet Jane Olson, CEO of United Methodist Women.

The Neighborhood Center, Camden, NJ had a fundraising event at the Travistock Country Club on October 13, 2019. Millie Grey and I attended the Evening in Paris dinner party and silent auction event to raise money for the teen program sponsored by the Neighborhood Center. It was inspiring to see many of the staff and participants in the Neighborhood Center's programs give personal witness to the positive difference that the Neighborhood Center is making in their lives!

The fall GNJUMW meeting held October 20, 2018 at the GNJ MRC focused on Mass Incarceration of People of Color with a panel discussion on Breaking the School to Prison Pipeline. Rev. Heidi Schulz Kugler, ordained elder in the GNJUMC and currently serving as the National Chaplaincy Administrator for the Federal Bureau of Prisons, Washington, DC was our guest preacher and panel discussion leader. She has had 22 years of chaplaincy experience on the county, state and federal levels. The other panelists included Sharon Allen, a retired teacher and a field representative in the Camden City Schools for the NJ Education Association; Madelaine Garcia, a vocational rehabilitation counselor; Rev. Rupert Hall, Jr. JD, head of the GNJ Black Caucus of Black Methodists for Church Renewal and pastor of the Turning Point UMC, Trenton, NJ; and Michael Landis, Executive Director of the Neighborhood Center, Camden, NJ.

This program was followed by our annual business meeting and installation of new officers, as nominated by the GNJUMW Nominating Committee. We welcomed Choong-Hee Lee as Vice-President, Patricia Grant as Recording Secretary, Marcia Roebuck as the Chair of Nominations and Carolyn Pendleton and Millie Grey as part of the Nominating Committee. Pat Bodden was appointed as a member to the Charter or Racial Justice Task Force.

I have had the honor to serve with a wonderful Leadership Team throughout this past year and I thank God for the privilege and the opportunity to be the President of GNJUMW.

Young Adult Council

The Council on Young Adult Ministries champions the young adult ministry in the local churches and districts of the annual conference. We are excited to report that we are strengthening our strategic partnerships with other conference agencies and Next Gen Ministries to help our work to benefit the young adults of Greater New Jersey Conference.

In 2018 the YA Council remained connected with the IGNITE Movement and partnering with the GNJ Youth Council, assembled a team of over 30 Young Adults from GNJ to form the IGNITE Squad for the annual event in Wildwood, NJ. This continues to be an opportunity for emerging young adult leaders to take on roles of responsibility as well as form new relationships and spiritual fellowship. Additionally, young adults from across the Conference participated in the IGNITE Leaders Day Training in both 2018 and early 2019.

We partnered with the Youth Council to host a Pre-Conference Retreat at the Pinelands Center for the Youth and Young Adult delegation to 2018 Annual Conference. This new retreat provides a setting to learn about the mechanics of legislation and to discuss current issues in the church and our denomination. We plan to host the retreat again in 2019.

Coordinating with GNJ Committee on Christian Unity and Interreligious Concerns, we nominated GNJ YA clergy candidate Rachel Callender for a Bossey Scholarship. Our congratulations to Ms. Callender who was awarded a $10,000 scholarship for participation in the fall 2019 Graduate Session at the Ecumenical Institute at Bossey.

The YA Council, together with the Youth Council and the Board of Higher Education and Campus Ministry, has forged a new strategic alliance with Next Gen Ministries. This will increase opportunities for young adults across the Conference to engage, grow and develop leadership skills in youth, campus and camping ministries.

The YA Council now moves forward with the Conference into the new five-year strategic plan and will continue to find ways to identify, engage, and equip young adult leaders.

Youth Ministries, Council on

We continue to work with GNJ Next Gen ministry to explore several areas of potential ways to serve and grow. We recognize the sustainability of meaningful youth ministry programs are on the decline and realize the need to connect smaller youth groups. In working together, we can create networks and share resources with one another. Collaborative ministry locally and regionally seems to be a need and we as the Council will explore ways which we can help support events.

We promote and encourage IGNITE and IGNITE Youth Leaders Day. IGNITE continues to provide high quality programing: deepening faith, growing relationships, mission opportunities and positive mentoring. We also work with the youth delegates of GNJ to Annual Conference.

The Council on Youth are grateful through the support of GNJ and in partnership with the Council on Young Adults we were able to send one youth to the Global Convocation held in South Africa, who had voice and vote. The youth represented GNJ and NEJ. We would like to thank GNJ for their ongoing support of the Council on Youth Ministry.

CLERGY/LAITY SEXUAL MISCONDUCT, ABUSE AND HARASSMENT POLICY FOR THE GREATER NEW JERSEY ANNUAL CONFERENCE (Approved at the 2009 Annual Conference)

All references to the *Book of Discipline* are in the 2008 edition. Paragraph numbers are for easy reference and may change with future editions of *The Book of Discipline*. Unless there are substantive changes to the content of the *Book of Discipline*, the Policy will be updated to reflect the current *Book of Discipline* as editorial changes without the need to re-approve the Policy. Future name changes of Greater NJ Annual Conference will also be updated as editorial changes.

I. Context

For the purpose of this policy, we will use "clergy" or "clergyperson" to refer to all ordained, commissioned, consecrated, licensed local pastor, supply pastor and Certified Lay Minister.

II. Purpose

Clergy are in a position of great trust, power and responsibility. This provides the opportunity for unique relationships of grace and caring. While most clergy remain faithful to their vows and their covenant with God and the church, there are clergy who sometimes violate the trust given them. Sexual misconduct is one grave violation of this trust. We also acknowledge that laypersons can engage in acts of sexual misconduct, abuse and /or harassment. This policy seeks to address the abuse of power by all clergy and laity who engage in sexual misconduct, abuse, and/or sexual harassment. (See Section IV for definitions)

Incidents of sexual misconduct, abuse, and/or harassment have been reported in United Methodist Churches, agencies, and institutions. It is both the ethical and legal responsibility of the Annual Conference to ensure that there are mechanisms for addressing grievances in these matters. The intent of this document is to provide guidance to both laity and clergy of the Annual Conference, and to the local churches contained therein regarding clergy/lay sexual misconduct, abuse, and/or harassment.

It is our hope, as the people of Christ that this policy will help serve to guard against inappropriate behavior and be a guide for our community of faith as we seek to handle grievances should sexual misconduct, abuse, and/or harassment occur.

III. Theological Foundation

All persons are created by God. In the Genesis stories, as in the life, death, and resurrection of Jesus, it is affirmed that we are created in the image and likeness of God. God values human life, intending all women, men, and children to have worth and dignity in all relationships with God and others. God calls us into covenant with each other as children of God and as the body of Christ. The scriptures remind us that Jesus was sent into this world that we might experience whole relationships with each other and God. "There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female, for you are all one in Christ Jesus." (Galatians 3: 28 RSV)

We affirm that our human bodies are good gifts from God and our sexuality is an integral part of our humanity. Healthy sexuality, and appropriate expressions of it, are derived from the goodness of the gift. As children of God, we are holy in Christ and created equal. Where one is injured, physically, emotionally or spiritually, all are rendered less than God's intended wholeness. Sexual misconduct, abuse, and/or harassment is an exploitation of power and abuse of position that uses sexuality as an excuse and distorts the relationships and blessedness of relationships and the up building which God desires for humanity. It is sinful behavior.

One who repents for sinful behavior is promised forgiveness. However, discipline should be distinguished from forgiveness. A clergyperson guilty of sexual misconduct needs and may receive forgiveness and be offered avenues for redemption and change. Forgiveness, however, does not excuse one from responsibility to the community and accountability for the brokenness caused by one's behavior. The church must still take steps to protect the people of God.

IV. Definitions

Sexual Misconduct

It is sexual misconduct when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client,

employee, student, staff member, co-worker, or volunteer within the ministerial relationship. (1996 *Book of Resolutions*, pp. 128-132, 2008 *Book of Resolutions* p.134)

Examples of ministerial relationships:

- Pastor/member of church
- Supervisor/church employee
- Youth pastor/youth
- Sunday School teacher/student
- Pastor/student intern
- Pastoral counselor/counseled

Examples of sexualized behavior or sexual contact:

- Displaying sexually suggestive visuals
- Making sexual comments or innuendos about one's own or another person's body
- Touching another person's body, hair, or clothing
- Touching or rubbing oneself sexually in the presence of another person
- Kissing; fondling; sexual intercourse

This understanding is equally applicable in the context of ministries in which there are no "parishioners" but there is a community which acknowledges the authority of the clergyperson or lay worker as a spiritual leader or other ministries in which the ministering person serves a community much wider than the membership of the local congregation.

At the core of this definition of sexual misconduct is the abuse of power and trust that occurs when a ministering person initiates or allows sexual behavior with someone who is in a relationship of trust and/or dependence. Sexual misconduct breaks a sacred trust. Any such sexual misconduct is a violation by the ministering person who then bears the responsibility for his/her behavior.

Sexual Harassment

Sexual harassment is any unwanted sexual advance or demand, either verbal or physical that is reasonably perceived by the recipient as demeaning, intimidating, or coercive. Sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender. (1996 *Book of Discipline* ¶161.1, p.101*,* 2008 *Book of Discipline* ¶161.1, p.104)

Suggested guidelines for determining hostile environment:

- Is the behavior sexual in nature or gender specific?
- Is the behavior unwelcome?
- Is the behavior severe or pervasive enough so that it creates an environment which interferes with one's ability to work, get an education, or participate in ministry?

Sexual harassment also includes the development or attempted development of a sexual or romantic relationship between a clergyperson or lay worker and a person with whom he/she has a ministerial relationship, when that is an unwanted or inappropriate relationship.

Sexual Abuse

Sexual abuse is a sexual invasion of the body by force. Sexual abuse may be: rape, sexual assault, incest, indecent exposure, statutory rape, indecent assault, and aggravated indecent assault. Sexual abuse is also an internal assault, a deliberate violation of emotional integrity, and a hostile and degrading act of violence.

Domestic Violence

Domestic Violence Policy

It is not enemies who taunt me—I could bear that: It is not adversaries who deal insolently with me—I could hide from them. But it is you, my equal, my companion, my familiar friend, with whom I keep pleasant company. Psalm 55: 12-14a NRSV.

The Psalmist captures the feeling of many victims of domestic violence: the pain of being betrayed and injured by a loved one.

What is Domestic Violence?

Any abusive, violent, coercive, forceful, or threatening act or word inflicted by one member of a family or household on another can constitute domestic violence.

The United Methodist Church affirms the sacredness of all persons and their right to safety, nurture and care. It names domestic violence and sexual abuse as sin and pledges to work for their eradication. *2008 Book of Resolution*, p.59. Thus, we recognize domestic violence as an immoral act and a chargeable offense for both clergy and laity. 2008 *Book of Discipline*, ¶ 2702.1 and ¶ 2702.3

We celebrate God's gift of intimacy, the image of God in each person, the inherent right of each person to health, wholeness, and safety, and we commit ourselves to working toward the elimination of domestic violence.

V. Standards for Clergy Conduct

A. Clergy related to the Annual Conference are always accountable for the ways they respond to persons who ask their ministerial assistance and over whom they have authority. Any breach of this ministerial relationship, ministerial responsibility, and ministerial authority is abusive and unethical.

B. Clergy often relate to persons who are fragile and vulnerable, and therefore must exercise special care:
   1. That clergy are psychologically, emotionally, and spiritually healthy.
   2. That there has been proper and adequate preparation and education as well as adequate continuing education for providing appropriate help for those under their care.
   3. That they seek counsel, advice, and supervision.
   4.

C. Clergy sexual misconduct, abuse, and/or harassment places an unfair and unavoidable burden on the victim of such conduct. It is in the best interest of the entire church to inform the laity concerning appropriate standards of ministerial conduct.

D. Clergy self-discipline requires self-awareness and takes for a standard of ethics those implied and described in the vows of ordination and consecration. (1996, *Book of Discipline*, ¶301-¶365) Personal integrity and mature professional conduct are a part of every ministerial relationship. This prohibits any sexual behavior with a parishioner, colleague, staff, or client entrusted to his or her sacred care.

E. All clergy have the responsibility for developing healthy and ethical relationships with other persons. Married clergy have covenanted to nurture and maintain a faithful marital relationship. The covenant also reminds single clergy that dating relationships must maintain full attention to sexual conduct as understood in Christian teaching and the Book of Discipline of the United Methodist Church. (1996 *Book of Discipline*, ¶65)

F. When clergy are providing professional pastoral counseling to persons in their church or community, it is understood that they shall keep appropriate standards of professional behavior and boundaries in that relationship. It is also recommended that clergy seek supervision for their counseling by a certified counselor supervisor to ensure that proper counseling relationships are maintained.

VI. Standards for the Conduct of Laity

Within the United Methodist connection, lay persons are also called to a standard of conduct which stands against sexual misconduct, abuse and/or harassment as outlined in 2008 *Book of Discipline* ¶2702.3. Laity have the responsibility for not creating hostile environments as a result of sexual harassment, abuse and/or sexual misconduct against clergypersons or other laity. (*Book of Discipline* ¶ 605.8)

VII. Honoring Perceptions of Reality

We understand that intentions and perceptions are not always the same. It is our policy to treat seriously a person's perception of the truth of their experience if/when sexual harassment, abuse, and/or misconduct are reported.

VIII. Confidentiality

The primary purpose of this policy is to encourage and support victims of sexual harassment, abuse, and/or misconduct to report such incidents, by providing a process that protects them from intimidation and preserves their dignity. We recognize that there also may be occasions when persons are falsely charged with sexual harassment, abuse and/or misconduct. In either case, it is of the utmost importance that confidentiality be

assured for both the victim and the accused, and that advocates, church officials and others who may be involved in the process take every reasonable and legal precaution to honor the issue of confidentiality.

Some instances of sexual harassment can be resolved easily and informally between parties. In all other instances, misconduct of a sexual nature or abuse within the local church should be reported to a Contact Person for sexual harassment and abuse. If the conduct involves a clergy person, the complainant may consider filing a written complaint and/or speaking with a District Superintendent.

IX. Compassionate Advocates

The Greater New Jersey Annual Conference of the United Methodist Church provides the following support system to assist any individual who has a concern about an issue of sexual misconduct, harassment, or abuse with the church.

Listed at the end of this document are Compassionate Advocates trained by the Annual Conference and who will provide immediate support and direction for persons who feel that they have been sexually abused or harassed. Compassionate Advocates will explain policy and procedure and will provide confidential guidance throughout the process and respect confidentiality. Compassionate Advocates will be available for the complainant, the accused and the church.

We urge all related institutions/agencies in the Greater New Jersey Annual Conference to identify and train Compassionate Advocates to serve within their organization.

X. Process

The Greater New Jersey Annual Conference will adhere to the following steps when an accusation of sexual misconduct, harassment or abuse is brought to the attention of a District Superintendent:

1. A letter shall be provided to both the complainant and the accused at the time they first contact or are contacted by the District Superintendent. These letters are included in this policy as *Appendix A*.
2. Limit all media responses on behalf of the Church/Conference to the Bishop or the Bishop's designate.
3. If the complainant chooses to file a written complaint, the process will proceed as indicated in the 1996 *Book of Discipline*, section XIV ¶358, 2008 *Book of Discipline* section XV ¶ 361.
4. A complainant has the option of following church policy and discipline when bringing a complaint of sexual misconduct against a pastor. They also have the option of seeking legal advice and filing charges.
5. Any incidence of sexual abuse in which the victim is a minor is a crime and must be handled appropriately. Anyone within the church who becomes aware of a child abuse issue is morally—for clergy, legally required—obligated to take steps necessary in the attempt to prevent further harm to the child. If an incident of child abuse occurs involving a church employee or volunteer within the church building or at any church activity, or if a minor brings forth a complaint of sexual abuse it must be reported to the local authorities.

The Greater New Jersey Annual Conference recognizes that accusations of misconduct of a sexual nature can be harmful to the whole congregation. The Greater New Jersey Annual Conference will provide support to the church affected by these accusations by providing guidance from the Leadership Advocacy Team and counsel in the form of a response team.

LAMBRIDES
ARNOLD, MOULTHROP LLP
CERTIFIED PUBLIC ACCOUNTANTS

August 14, 2019

To the Centenary Fund and Preachers' Aid Society
of the Greater New Jersey Annual Conference
of the United Methodist Church

We have audited the financial statements of The Centenary Fund and Preachers' Aid Society of the Greater New Jersey Annual Conference of the United Methodist Church, (the Fund) for the year ended December 31, 2018, and have issued our report thereon dated August 12, 2019. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 6, 2019. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Fund are described in Note 2 to the financial statements. As described in Note 2(i), the Organization changed accounting policies related to the presentation of not-for-profit financial statements by adopting FASB Accounting Standard Update (ASU) No. 2016-14 *Not for Profit Entities(Topic 958) Presentation of Financial Statements by Not-for-Profit Entities.* We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period..

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

> The fair value of investments in marketable securities is based on quotations obtained from Wespath investment price history files.

We evaluated the key factors and assumptions used to develop these estimates in determining that they are reasonable in relation to the financial statements taken as a whole.

The disclosures in the financial statements are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. The following material misstatements detected as a result of audit procedures were corrected by management:

> Recording $74,530 of investment expense and offsetting amount of interest and dividends to record the fees charged by Wespath Investment during 2018.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated August 12, 2019.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Fund's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Fund's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Centenary Fund and Preachers' Aid Society of the Greater New Jersey Annual Conference of the United Methodist Church, and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Lambrides, Arnold, Moulthrop, LLP

INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying unconsolidated financial statements of the Greater New Jersey Annual Conference of the United Methodist Church (the Conference), a nonprofit organization, which comprise the unconsolidated statement of financial position as of December 31, 2018, and the related unconsolidated statements of activities, cash flows, and functional expense for the year then ended, and the related notes to the unconsolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these unconsolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these unconsolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the unconsolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the unconsolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the unconsolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the unconsolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the unconsolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the unconsolidated financial statements referred to above present fairly, in all material respects, the financial position of the Greater New Jersey Annual Conference of the United Methodist Church as of December 31, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

GREATER NEW JERSEY ANNUAL CONFERENCE
OF THE UNITED METHODIST CHURCH

NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2018

1. **Organization:**

Greater New Jersey Annual Conference of the United Methodist Church (the Conference) is an integral part of the General Conference of the United Methodist Church. Each member church in the Greater New Jersey Annual Conference supports the operating budget and, in addition, makes contributions or grants to the Conference's and General Conference's missions and programs. Investment revenue and program revenue also support the activities of the Conference.

The Conference is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code.

2. **Summary of Significant Accounting Policies:**

(a) *Basis of Accounting*

The financial statements of the Conference have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

(b) *Cash and Cash Equivalents*

For purposes of the Statement of Cash Flows, the Conference considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

(c) *Investments and Investment Income*

We record investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statements of financial position. Net investment return/(loss) is reported in the statements of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

(d) *Accounts Receivable*

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable.

(e) *Firm Pledges*

Firm pledges are recognized as income in the year for which the pledge is made. Pledges that are expected to be received within one year are recorded at net realizable value. Pledges that are expected to be collected in future years are recorded at the present value of their estimated future

cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the year in which the pledges are received. Amortization of the discount is included in contribution revenue. The Conference uses the allowance method to determine uncollectible receivables. An allowance for uncollectible pledges is estimated based upon management's judgment and includes factors such as prior collection history.

(f) *Land, Buildings and Equipment*

Depreciable assets over $5,000 are recorded at cost at date of acquisition or fair value at date of donation in the case of gifts. Depreciation is recorded on a straight-line basis over the estimated useful lives as follows:

Buildings	25 - 40 years
Equipment, furniture and fixtures	4 - 10 years

Property and equipment are reviewed each year for impairment or whenever events or changes in business circumstances indicate carrying value of the assets may not be recoverable. Impairment losses are recognized if expected future cash flows from the assets are less than their carrying values. No impairment losses were recognized during the year ended December 31, 2018.

(g) *Post-retirement Benefits*

The Conference has adopted FASB ASC 715, Compensation – Retirement Benefits which requires that the funded status of defined benefit pensions and other postretirement benefit plans be fully recognized in the statement of financial position.

(h) *Net Assets*

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

2. **Summary of Significant Accounting Policies:** (continued)

(h) *Net Assets* (continued)

Net Assets With Donor Restrictions - We report contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

(i) *Revenue Recognition*

Revenue is recognized when earned. Program service fees and payments under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed or expenditures are incurred, respectively. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

(j) *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities and reported amounts of revenues and expenses in the financial statements and accompanying notes. Actual results could differ from these estimates.

(k) *Change in Accounting Principal*

On August 18, 2016, FASB issued Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958) – *Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. We have implemented ASU 2016-14 and have adjusted the presentation in these consolidated financial statements accordingly.

(l) *Functional Expenses*

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies.

3. **Investments:**

Investments at December 31, 2018 and 2017 consisted of the following:

	Cost	Fair Value
Certificate of Deposit	$ 77,632	$ 77,632
Wespath mutual fund (fund of funds)*	13,060,690	13,846,341
Wespath mutual fund (short term investments)**	51,371	52,893
Total	$13,189,693	$13,976,866

*The Conference invests in the Multiple Asset Fund, a mutual fund managed by Wespath, that has as its objective to attain current income and capital appreciation by investing in a broad mix of different types of investments. The strategy of the mutual fund is to invest in four other Wespath mutual funds to maintain an investment allocation of approximately 40% U.S. equity, 25% international equity, 25% fixed income, and 10% inflation protection. The asset allocation will be rebalanced periodically when holding falls outside of a 3% tolerance

**The Conference invests in the Short-Term Investment Fund, a mutual fund (short-term investments) managed by Wespath. The fund's objective is to preserve capital while earning current income higher than that of money market funds. The mutual fund seeks to achieve its investment objective by exclusively holding cash and cash equivalents in the form of units of the sweep account. The sweep account holds primarily a broad range of investment grade securities, which include U.S. government bonds, agency bonds, corporate bonds, securitized products, commercial paper, certificates of deposit, and other similar types of investments.

3. **Investments:** (continued)

Investments as of December 31, 2018 are summarized below based on when they may be redeemed or sold:

	Fair Values
Daily	$ 13,976,866

4. **Fair Value Measurements:**

The Conference reports its fair value measurements using a fair value hierarchy defined by generally accepted accounting principles (GAAP) that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels as of the fair value hierarchy under GAAP are:

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 – Quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs that are observable, either directly or indirectly, for substantially the full term of the asset or liability;

Level 3 – Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (that is, inputs supported by little or no market activity

4. **Fair Value Measurements:** (continued)

Fair values of assets measured at December 31, 2018 are as follows:

	Totals	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Recurring fair value measurements:				
Mutual fund (fund of funds)	$ 13,846,341	$ -	$ -	$ 13,846,341
Wespath mutual fund (short-term investments)	52,893			52,893
Certificates of deposit	77,632		77,632	
Total investments	13,976,866	-	77,632	13,899,234
Beneficial interest in perpetual trust	262,732			$ 262,732
Total fair value measurements	$ 14,239,598	$ -	$ 77,632	$ 14,161,966

Mutual fund (fund of funds) and (short-term investments) value is based upon estimated fair value, per the net asset value, as reported by the third party fund manager. The fund manager utilizes the quoted prices for the underlying holdings as its basis for fair value measurement.

The certificate of deposit is measured with valuations obtained from real time quotes for transaction in active exchange markets involving identical assets.

Beneficial interest in perpetual trusts: the Conference considers the measurement of its beneficial interest in the trusts to be a Level 3 measurement within the fair value hierarchy because even though that measurement is based on the unadjusted fair values of the trust assets reported by the trustee, the Conference will never receive those assets or have the ability to direct the trustee to redeem them (Level 3).

Assets measured at fair value using significant unobservable inputs (Level 3 input) are as follows:

Balance of Level 3 investments as of January 1, 2018	$ 20,893,972
Purchases	10,209,035
Sales	(15,948,737)
Realized gain	1,604,769
Unrealized gain	(2,470,262)

8. **Conference Board of Pensions:**

Effective January 1, 2007, the Conference adopted the Clergy Retirement Security Program which had been established by the General Conference of the United Methodist Church. This plan supersedes and replaces the provisions of the prior plans. The church contribution rate under the Clergy Retirement Security Program is 12.50% of the active participant's plan compensation for a plan year. The 2018 church contribution rates under the Comprehensive Protection Plan are 3% for full-time clergy, 3.4% for less-than-full-time (3/4 and 1/2 time), and 4.4% for optional coverage (1/4 time or leave status.)

Under the provisions of the plans, the Conference is required to maintain an amount in its Deposit Account sufficient to provide for the monthly transfer of the church contributions on behalf of its active participants.

9. **Defined Contribution Plan:**

Effective January 1, 1975, the Conference adopted a contributory pension plan for lay employees, covering all full-time employees electing to participate. Under this plan the Conference will contribute 6% of each participant's annual salary, and the participants will contribute an additional 3% of all past earnings of eligible employees.

Continued

10. **Multiemployer Defined Pension Plan:**

The Conference contributes to three multiemployer defined benefit pension plans - the Pre-82 Plan, the Clergy Retirement Security Program (CRSP), and the Ministerial Pension Plan (MPP). The Conference does not directly manage these multiemployer plans, which are managed by The General Board of Pensions and Health Benefits of The United Methodist Church. A majority of the Conference's employees are participants in one of these multiemployer plans as of December 31, 2018, subject to eligibility requirements.

Each of these plans is organized as a nonelecting, noncontributory multiemployer church retirement plan, and therefore the plans are not subject to certain reporting requirements of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The plans' certified zone statuses are not available since the plans are not subject to ERISA reporting requirements.

The risks of participating in a multiemployer plan are different from a single employer plan in the following aspects: (1) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers; (2) if a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers; (3) if an employer chooses to stop participating in a multiemployer plan, the company may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability. If a plan were to terminate, if participants voluntarily withdrew or there was a mass withdrawal, the Conference may also be required to make additional payments to the plan for its proportionate share of underfunded liabilities.

The following table presents information on the plans and the Conference's participation in the plans:

		Plan Funded Status as of 12/31/18

10. **Multiemployer Defined Pension Plan:** (continued)

The plans' accumulated benefit obligations are determined annually by the plans' actuary. Significant actuarial assumptions utilized for the Pre-82 Plan include a discount rate of 6.625%, an expected rate of investment return of 6.625%, and an expected rate of salary increase of 1.68%. Significant actuarial assumptions utilized for the CRSP include a discount rate of 7%, an expected rate of investment return of 7%, and an annual cost of living benefit increase of 2.5%. Significant actuarial assumptions utilized for the MPP include a discount rate of 6.25%, an expected rate of investment return of 6.25%, and an annual cost of living benefit increase of 2.5%.

Plan assets for CRSP are invested in Multiple Asset Fund (MAF). The MAF is a mark-to-market fund with a target mix of asset classes of 10% Inflation Protection Fund, 25% Fixed Income Funds, 35% U.S. Equity Fund and 30% International Equity Fund. Actual allocation may vary slightly.

Assets supporting MPP Annuities are invested at Wespath with an overall target of 50% fixed income, 30% equities and 20% alternative investment. Actual allocation may vary slightly. The specific funds employed are the Fixed Income Fund, the Inflation Protection Funds, the Positive Social Purpose Lending Funds, the U.S. Equity Funds, the International Equity Funds, and the Special Opportunities Fund.

Plan assets for Pre-82 Plan were invested with a target mix of assets: 33% U.S. Equity Funds, 28% International Equity Funds, 28% Fixed Income Fund and 11% Inflation Projection Fund. Actual allocation may vary slightly.

At January 1, 2018, Pre-82 plan was funded 108%, MPP was funded 105% and CRSP was funded 103%.

11. **Post-Retirement Benefit Obligation:**

The Conference's post-retirement health care benefit plan provides health insurance coverage to employees with 20 years of service who retire directly from active service at or after the age of 62. Married employees eligible for the plan will also have coverage for their spouse. Upon an eligible retiree's death, spousal coverage continues for the spouse's lifetime.

Effective July 1, 2002 a person becoming an annuitant after July 1, 2002 with less than 20 years of annuity credit in the United Methodist Church at retirement shall share in the cost of the premium. The annuitant's share shall be 5% times the number of full years by which the annuity credit is less than 20.

Effective July 1, 2003 for an annuitant under the age of 65 commencing benefits after July 1, 2003, the Conference shall contribute an amount equal to the coverage cost of a Medicare-eligible annuitant, prorated for service years less than 20.

14. **Endowment:**

The Conference's endowment consists of approximately 14 individual funds established for a variety of purposes. Its endowment includes both donor-restricted endowment funds and funds designated by the Council on Finance and Administration to function as endowments. As required by GAAP, net assets associated with endowment funds, including funds designated by the Council on Finance and Administration to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Relevant Law

The Council on Finance and Administration of the Conference has interpreted the New Jersey State's Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Conference classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets are classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the organization in a manner consistent with the standard of prudence prescribed by UPMIFA

In accordance with UPMIFA, the Conference considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

(1) The duration and preservation of the fund
(2) The purposes of the organization and the donor-restricted endowment fund
(3) General economic conditions
(4) The possible effect of inflation and deflation
(5) The expected total return from income and the appreciation of investments
(6) Other resources of the organization
(7) The investment policies of the organization.

14. **Endowment:** (continued)

As of December 31, 2018, the Conference has the following endowment net asset composition by type of fund:

	With Donor Restriction
Donor-restricted endowment funds	
Original donor-restricted gift amount and amounts required to be maintained in perpetuity by donor	$ 600,811
Accumulated investment gains	213,291
	$ 814,102

Return Objectives and Risk Parameters

The Conference has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity or for a donor-specified period as well as board-designated funds. Under this policy, as approved by the Council on Finance and Administration, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S&P 500 index while assuming a moderate level of investment risk. The Conference expects its endowment funds, over time, to provide an average rate of return of approximately 6.5 percent annually. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Conference relies on a total return strategy in which investments returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Conference targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Conference has a policy of appropriating for expenditure 5% of the average fair value of each respective endowment. The Organization expects the current spending policy to allow its endowment funds to grow at a minimal average rate of 5% annually. This is consistent with the Organization's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

Change in endowment net assets for the year ended December 31, 2018 are as follows:

	With Donor Restriction

Investment return, net	27,851
Contributions	2,000
Net appreciation	$ (126,810)
Appropriation of endowment asset pursuant to spending-rate policy	(121,815)
Endowment net assets, end of year	$ 814,102

15. **Income Taxes:**

The Conference is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and application state law.

The accounting standards on accounting for uncertainty in income taxes address the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Conference may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Conference and various position related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from a tax position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for year 2018.

The Conference is not required to file a federal form 990 because it is an integrated auxiliary of a church. Therefore, the Conference has voluntarily elected not to file a federal form 990 since its inception and for that reason; the statute of limitations has not started to expire for IRS examination of income tax issues.

17. **Beneficial Interest in Trust:**

Under the terms of the perpetual trust, the Conference has the irrevocable right to receive the income earned on the trust asset in perpetuity, but never receive the asset held in trust. The Conference has recorded the asset at the estimated fair value of the Conference's share of the beneficial interest in trust assets. Distributions from the trust assets are recorded as unrestricted investment income in the accompanying statement of activities unless restricted by the donor. The Conference did not receive any distributions in 2018 from the trusts. Change in value of the beneficial interest in the trust assets are recorded as unrealized gains or losses in the permanently restricted net assets

A summary of the beneficial interest in trusts is as follows:
