

## 2020 GNJ Pastoral Leadership Formation *A review to grow and further shape pastoral leaders*

*Each year at this time every congregation's leadership engages in a conversation about what is going well in a pastor's leadership, areas for further development, and expectations for the next 12 months. Due to the unique challenges that COVID-19 brings, ongoing feedback was deemed essential for all leaders. The cabinet and GNJ staff are also in the midst of completing quarterly reviews. The cabinet has decided to offer SPRC and pastors an opportunity to discuss what will be most helpful for the mission and ministry of the church, to complete the full review as is the practice or to move to an abbreviated evaluation. The abbreviated evaluation asks three questions to be answered in no more than one page.*

1. What is your pastor doing well over the last year and particularly during COVID-19?
2. What have been two important learnings of the pastor in the last six months?
3. What are two areas for growth and development of the pastor at this time?

SPRC is to select one of the following:

- Affirms the pastor's leadership and encourages the pastor to continue to lead the congregation forward
- Affirms the pastor's leadership and will work with the pastor to grow in the areas listed above
- Has concerns about the pastor's leadership and feels confident that the SPRC can work with the pastor to address the issues through goals and benchmarks
- Has concerns about the pastor's leadership and requests assistance through the bishop's office to further identify issues, and/or set goals and benchmarks, and/or start a quarterly review to assist the pastor to grow and lead well

The SPRC chairperson or the designated person is to submit the review online by going [here](#).

The following is the regular review. The SPRC should make a decision between the abbreviated or the following.

Growth, formation and development of all church leaders are key to healthy vital mission congregations. This year the review should be completed in May and June of each year. The deadline for completing the review is July 1. If you need assistance in completing the review, contact the Bishop's Assistant, Nicola Mulligan at [NMulligan@gnjumc.org](mailto:NMulligan@gnjumc.org).

Many SPRCs complete the review by emailing it to each member of the SPRC, asking them to complete the 16 questions assessing the pastor's ability impact. The steps below will assist the SPRC in the appraisal process.

Steps:

1. Share copies of the pdf version of the appraisal for all members of SPRC.
2. Each member of the SPRC completes the appraisal independently.
3. SPRC gathers by Zoom or technology to review the appraisals and develop a composite appraisal.
4. Two to three members of the SPRC meet with the pastor via Zoom to share the completed appraisal.
5. SPRC chair inputs the appraisal into the online web form [here](#).

If the pastor is not in agreement with the SPRC's assessment of their leadership, the pastor should email those concerns to Nicola Mulligan at [nmulligan@gnjumc.org](mailto:nmulligan@gnjumc.org) within 24 hours of the meeting.

The appraisal will shape the future vitality and ministry of the congregation and assist your pastor's development as a leader. Engaging in the survey and conversation prayerfully and honestly allows for the best results for your pastor, the congregation and the mission.

If your church is on a charge with one or more other congregations, the pastor and staff parish chair (s) together are to determine if the congregations should work together to complete one appraisal or if it is more appropriate for individual appraisals.

Associate pastors are to be appraised using this form. This is conducted by the lead pastor in consultation with the SPRC.

Pastor's development plan with input from the SPRC

What will the pastor do to further grow and form his/her faith and leadership?

- 1.
- 2.
- 3.

On rare occasions an SPRC may seek a pastoral change because of the effectiveness in the current appointment. This may become apparent during the appraisal. When concerns arise during the yearly appraisal, benchmarks and an improvement plan are to be developed by the SPRC and pastor and reviewed monthly. The clergy development plan outlines benchmarks in areas of pastoral leadership growth. A minimum of three reviews without sufficient progress is required before any pastoral change will be considered. More information about the clergy development plan can be found [here](#) or contact Nicola Mulligan at [nmulligan@gnjumc.org](mailto:nmulligan@gnjumc.org).
