

The GNJ Stewardship Foundation is finishing strong and gearing up for an even stronger start in 2021! **See tips from the Foundation here.** The Foundation has now reached \$50 million of United Methodist assets under management... and Wespath, a leader in responsible investing, is working toward ending the sin of racism through its growing partnerships with diverse banks and its commitment to building diverse boards. Wespath, founded in 1908, is a member of the **Thirty Percent Coalition**, a group dedicated to increasing diversity in boardrooms across the U.S.
