

BMCRGNJUMC

Dear Pastor,

Greetings in Christ:

The purpose of this program is to create a special recruitment program for youth and young adults of African Descent in order to help them discern and clarify their call to ministry. The goal is to cultivate within each person pastoral skills to grow into an exceptional future leader in GNJ churches and to create within these persons a strong sense of ministry excellence.

We are seeking recommendation for GNJUMC *Internship Program*. We are asking pastors of local churches to identify and recommend youth and/or young adults (between the ages of 16-25) that they believe possessed the gifts for ministry, as demonstrated by their current work in the church, to be considered for this program.

The *Internship Program* will begin July 1, 2023 and end June 30, 2024. The applicant will go through a selection process before acceptance to the program. If accepted, the students/interns will be expected to work 20 hours a week including Sundays.

Please complete the attached application if you have a youth and/or young adult of African Descent for Order of Elder who has been identified as having a call to ministry.

***Submit the application no later than May 30, 2023***

Note: Applicants must be affirmed by the SPRC.

Intern that you recommend may not be assigned to your church.

Thank you for your willingness to participate in the effort to identify youth that will be a great asset to GNJUMC Ministry

Blessings In Christ,

Internship Program Committee
