

Lewis Online Learning Guide to Enrolling

The enrollment pages were updated on June 1, 2023. This guide is for people who have never enrolled in a Lewis Online Learning course or enrolled before the June 1 update. The course information page describes the course and it will be helpful to read this information before enrolling. Near the bottom of the page is a continue button to begin enrolling.

If you are ready to enroll, click continue. [▶ Continue](#)

Almost everyone enrolling has been given a group code because they have been asked to take the course, and all or part of the cost will be paid for them by their group. They will use this form:

Group Member Enrollees

Begin with your email address and group code. Using the code will include you in your group. Some groups provide full or partial payment of the cost of the course. If the group has requested a copy of your CEU, it will be sent upon completion. If you are a group member and you do not have your group code, please notify the person who directed you to enroll or contact the Lewis Center.
