“The Spirit of the Lord is on me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to set the oppressed free, to proclaim the year of the Lord’s favor.”  
Luke 4:17-18 (NRSV)

Friends in Christ,

In 2022 the United Methodists of Greater New Jersey advanced the mission during the pandemic, financial challenges and disaffiliation. The United Methodists of GNJ are courageous, resilient and hopeful. Together we deepened faith, expanded our work to end the sin of racism, increased resources to support leaders and congregations, cultivated creative solutions to new realities of hybrid and in-person ministry and continued to make progress on growing vital mission congregations, Ida relief and recovery and Hope Centers. God has blessed us as we live into our mission to make disciples and grow vital congregations for the transformation of the world. Thank you for being a part of God’s good work and good news in GNJ and beyond.

In 2022, together we accomplished the following.

- Continued our progress implementing the Journey of Hope to end the sin of racism through all facets of GNJ by completing the implicit bias review of all policies and procedures, training staff and facilitators with Fearless Dialogues, and including questions to begin local church Journey of Hope plans on all grant and funding applications.
- Relaunched the IGNITE Conference with over 700 young people, 25 young adult leaders, and including three nearby Annual Conferences. Our churches are experimenting with new models of ministry with young people.
- Began the work of affiliation with the Eastern Pennsylvania Annual Conference to optimize our resources and capacity to move forward our mission of recruiting and equipping transformational leaders.
- Worked through the process of disaffiliation with discernment and prayer. Blessed by guides and spiritual leaders, over 95% of GNJ congregations will continue with the United Methodist Church. We keep those transitioning into their next missional opportunities in our prayers.

We do more together than we can do alone.

The pages of this journal contain the stories of those disciples. We celebrate their service, and we lift up those who will lead us in taking the next steps in our ministry together. It also details our commitments to God, our ministry together and the mission field as we live out our goal to make disciples of Christ for the transformation of the world.

In 2022, we acted boldly to move forward in the face of what seemed impossible. I am blessed to be on this journey with you, knowing that you are strong and courageous. God is with you.

Keep the faith!

## **2019-2023 Strategic Ministry Plan**

### **Why does GNJ exist?**

**GNJ exists to recruit and develop transformational leaders** so that people and communities experience healing, renewal and wholeness from God. Transformational leaders grow vital congregations who shape passionate disciples of Jesus Christ and share faith, hope and justice in the community.

### **GNJ Adaptive Challenge**

Increase the *motivation, urgency* and *ability* of disciples, leaders and congregations to *connect* and *engage* with a diverse group of people in the community so that the people in the pews look more like all the people in the community.

### **Holy and Audacious Goal - Leadership 100**

Cultivate and equip 100 clergy and 100 laity leaders *who make disciples who make disciples*.

**Leadership 100** will change GNJ into a disciple-making and disciple-engaging force to transform the world.

Leadership 100 will;

- develop more transformational and apostolic leaders for our congregations and the community, and
- grow a pool of talented leaders who can be deployed to increase disciple-making by:
  - *changing* the culture to nurture leaders who *multiply* passionate disciples
  - *growing* vibrant missional congregations and
  - *transforming* lives and communities

**We will know we have achieved this God-sized goal when we have 100 congregations whose worship attendance has moved from one category to the next.**

In GNJ we presently have four categories of average worship attendance:

- 299 congregations with average worship attendance of less than 50
- 149 congregations with average worship attendance of 50 – 99
- 28 congregations with average worship attendance of 100 – 124
- 76 congregations with average worship attendance of 125 or more, with:
  - 21 congregations with average worship attendance of 125-149
  - 23 congregations with average worship attendance of 150-199
  - 14 congregations with average worship attendance of 200-299
  - 9 congregations with average worship attendance of 300-499
  - 6 congregations with average worship attendance of 500-699
  - 1 congregation with average worship attendance of 700-999
  - 1 congregation with average worship attendance of 1,000-1,499
  - 1 congregation with average worship attendance of 1,500-1,749
  - 0 congregations with average worship attendance of 1,750+

### **GNJ Cultural Shifts by 2023**

GNJ will shift;

1. FROM a church that mostly serves its members and clergy TO a mission that connects with the people in the community through relevant ministries
2. FROM congregations with a single cultural expression and privilege TO congregations with multicultural expression and intercultural competence
3. FROM concentrating ministry and thinking with current church members TO further extend ministry and thinking to make and engage younger and more diverse generations of disciples.
4. FROM sharing information through workshops to train leaders TO using workshops that interact with and experience the content to form leaders

5. FROM maintaining congregations and their buildings TO working with congregations to repurpose buildings for regenerative mission
6. FROM depending exclusively on Shared Ministries (apportionments) for mission and ministry TO cultivating new sources of income to grow mission and ministry

### **GNJ Strategies for the Next Five Years**

1. *New Faith Communities* – new expressions of congregations that gather diverse people in ways that are relevant to them.
2. *Intercultural Competency* - Develop leadership capacity for intercultural competence in GNJ so we can love across boundaries and differences and work towards inclusion of all people.
3. *NextGen Ministries* - Cultivate and mobilize new generations of enthusiastic disciples of Jesus Christ that connect, engage and lead in their congregations and communities to transform the world through:
  - a. *IGNITE* - life-changing worship, relevant teachings and authentic community for 6<sup>th</sup> through 12<sup>th</sup> grade
  - b. Youth Groups – local, community focused places for young people to be introduced to Christ and shaped as disciples generally for 3<sup>rd</sup> through 12<sup>th</sup> grade
  - c. Camping – outdoors experiences that connect with God, purpose and promote meaningful relationships for elementary through high school students.
  - d. Campus Ministries - places for college students to be introduced to Christ, shaped as disciples and developed as transformational leaders
4. *Community Development* – Leverage existing human, relational and capital resources to create opportunities for healing, renewal and transformation to communities and sustainable financial support streams for congregations
  - a. Repurpose church property into vibrant worship and mission centers
  - b. Repurpose church property into affordable housing, senior living, community space and mission centers
  - c. Create cooperative ministries within the community
5. *Hope Centers* – Develop church-based community ministry that meets the needs of the community and serves children and youth, families, seniors and vulnerable populations

We will develop and resource these strategies partnering with the GNJ family of vital mission partners – A Future With Hope, Next Generation Ministries, Centenary Fund and Preacher’s Aid Society and the United Methodist Stewardship Foundation of Greater New Jersey.

### **GNJ 2023 Objectives**

1. Develop resources to equip congregations to assess and improve their pathways for disciples to know, grow in, live and share the life of Jesus every day, *so that* we increase the number of new disciples and vital congregations.
2. Develop laity leadership resources to equip the local church with the knowledge and ability to effectively lead congregations and address challenges in their ministry, *so that* we grow more vital congregations.
3. Incorporate appropriate training, language and practices into resources, events, agency work, and conference life, *so that* we grow cultural competency within the life and ministry of GNJ.
4. Create methods to recruit, resource and support congregational youth leaders, *so that* they are equipped to lead and grow a youth program equal to 20% of their worshipping congregation and we grow youth engagement.
5. Clarify the process, resources and support for Hope Centers, *so that* we develop 30 Hope Centers focused on community mission with students, the poor and the elderly, and increase missional impact in the community

### **GNJ Core Resourcing to Carry Out Our Mission and Achieve Our Goal**

GNJ will resource congregations and leaders that are ready and desire to become vital and more like Christ primarily through:

## **STRATEGIC MINISTRY PLAN**

- *Laity Leadership Academy* – coordinated teaching and skill development with application and funding opportunities for laity to grow vital ministries.
- *Coaching* – a resource to help clergy achieve ministry goals and action plans.
- *PaCE* - facilitated peer learning groups that help shape pastoral identity, imagination and excellence.
- *Mosaic Ministries* – a new way of thinking about and doing local church ministry, mission and leadership with promising young clergy and seminarians discerning their vocational calling.
- *Clergy Leadership Development Initiative* – tools and applications for clergy to lead congregations to sustainable fruitful ministry
- *Team Vital* – congregational community and ministry assessment and strategic planning process for vital ministry.
- *Communities of Hope* –strategic planning and implementation for asset-based community development.
- *Lay Servant Ministries* - Certified Lay Servants, Lay Speakers and Lay Ministers, expand the ministry of the laity for training for pulpit supply as well as caring, leading, and communicating across the connection for transformational growth.

### **What Will Be Different?**

As GNJ shifts the culture, accomplishes its goals and objectives, implements its strategies and resources leaders and congregations, it will see more disciples and congregations with:

- *Passionate Faith* – Mature and fearless disciples that others want to emulate
- *Boundless Hope* – Positive vision of current and future ministry
- *Courageous Spirit* –Risk-taking relevant mercy and justice ministries
- *Transformational Leadership* – Difference-makers who transform people’s lives, the congregation and the community
- *Congregational Vitality* – Vibrant and life changing congregations
- *Regenerative Resources* – Extravagant generosity that inspires new giving and resources

### **GNJ Vision**

We see leaders cultivating disciples of Jesus Christ in vital congregations and faith communities with:

- *Passionate Faith* – Shape mature and fearless disciples that others want to emulate
- *Boundless Hope* – Inspire a positive vision of current and future ministry
- *Courageous Spirit* – Connect with the community through risk-taking relevant mercy and justice ministries
- *Transformational Leadership* – Change people’s lives, the congregation and the community
- *Congregational Vitality* – Worship God, make and grow passionate disciples, serve the community and give generously to mission
- *Regenerative Resources* – Develop innovative ways of supporting ministry

### **GNJ Mission**

Transform the world by recruiting and developing transformational leaders who make passionate disciples of Jesus Christ and grow vital congregations. (Matthew 28:19)

### **GNJ Core Values**

Our ministry will be shaped and guided by *being*:

- *Christ-Centered* – the *unbreakable and unifying source* of our faith and hope
- *Compassionate and Just* – a *shared expression* of our Wesleyan heritage
- *Diverse* – a *true reflection* of the all-welcoming nature of the reign of God
- *Innovative and Risk-Taking* – a *bridge* to what is next
- *Excellent* – a *gospel imperative* for greater impact in the world

### **A GNJ Disciple**

A Holy Spirit-led *follower of Christ* whose passion every day is to *know, grow in, live and share* the life of Jesus. (John 15:5)

### **A GNJ Vital Congregation**

A Holy Spirit-led *community of passionate disciples who are working together* to grow new disciples, inspiring worship, active small groups, risk taking community mission, and generous giving to mission. (Acts 2:42-47)

### **GNJ World Transformation**

A community where lives are changed, hope abounds, diversity is embraced, and all have the opportunity, knowledge and skills to live to their full God-given potential. (Micah 6:8, Luke 10:27)

### **A GNJ Leader**

A Holy Spirit-led *servant-leader* that forges a path forward where others do not see the way. A GNJ leader reaches out beyond the walls of the church into the community to transform lives by spreading God's love, hope and justice and bearing witness to Jesus Christ. (Matthew 23:11, Philippians 4:13)

GNJ leaders are fruitful by growing new disciples, worship, small groups, mission engagement and giving. GNJ will work with and grow leaders to be:

- *Fruitful* –grow new passionate disciples, inspiring worship, active small groups, risk taking community mission, and generous giving to mission.
- *Transformational* –lead congregations through missional, cultural and identity change.
- *Apostolic* –are on a clear mission to create something more than what is. Paul was an apostolic leader who went to places with few or no believers and his leadership transformed the community by generating congregations of passionate disciples.

Because of GNJ leadership, disciples will be even more *passionate*, congregations will be even more *vibrant and fruitful* and people and communities will *experience healing, renewal and wholeness from God*.

### **How We Will Make Decisions?**

We will invest our financial and human resources in decisions that:

1. Develop transformational leaders
2. Maximize new disciples, vital congregations and world transformation
3. Reflect our core values
4. Encourage innovative, risk-taking regenerative ministry that effectively connects with and engage people in the community

### **Theological Grounding for GNJ 2019-23 Strategic Plan – *Miracles Everywhere***

*"You are the God who performs miracles; you display your powers among the peoples."* Psalm 77:14

God is creating signs and wonders in GNJ and there is even more God wants to do. God wants to continue working through the United Methodists of Greater New Jersey so that miracles of healing and transformation occur across GNJ and around the world (Isaiah 43:19).

The Gospels tell of Jesus' miracle ministry using two Greek words *dunamis* and *simaios*. In the synoptic Gospels, Matthew, Mark and Luke, the Greek word *dunamis* is used which means power - God's power to transform life. The Gospel of John primarily uses the word *simaios*, which means sign – a miracle that points to God's activity in the world. Miracles evoke wonder by demonstrating God's power and pointing to God's work in the world. In every age, God has been at work in the world healing and transforming lives.

Miracles happen everywhere. Through the power of the Holy Spirit, the congregation, the body of Christ, is the primary actor to release the power of God to transform lives and the community (1 Corinthians 12:27). The congregation is the mission outpost where passionate disciples are formed, shaped and sent to love God and neighbors completely (Mathew 28:16-20).

## **STRATEGIC MINISTRY PLAN**

Transformational leadership within congregations is crucial to fulfilling this mission (Ephesians 4:11-12) to release the Holy Spirit for miracles everywhere. Leaders who move the mission and turnaround forward are grounded theologically and biblically, possess competence and emotional intelligence, engage missionally and passionately, and are led spiritually.

As the church navigates through liminal times (a transitional time on the edge of what God has next for the church), the Spirit is calling GNJ to address our adaptive challenge and engage in new possibilities with courage (II Timothy 1:7). We are called to continue to imagine and discern innovative ways to effectively be in ministry in and with the community (Romans 12:2) so that we cultivate transformational leaders who make disciples and grow vital congregations to transform the world.

God is already working wonders in GNJ and is ready to perform miracles everywhere through passionate disciples, vital congregations and transformational leaders!

## Conference Advanced Specials

**Be It Resolved** that the 2022 Session of the Greater New Jersey Conference designates the following ministries and institutions as Conference Advance Specials for the 2023 conference year (without restricting in anyway a local church's ability to support other mission work):

**Be It Further Resolved** that the Executive Committee of the Connectional Table be authorized to make any additions and deletions to the Conference Advance Specials list based upon recommendations of the Conference Board of Global Ministries.

**C.A.M.P. YDP** (Community Association with a Ministry to People Youth Development Program) Provides pre school, after-school and summer programs for children aged 5 - 14 and their families, mainly on the north side of Paterson. The program runs throughout the year. As an organization, we are committed to work as a "partner" within the community. A stimulating and nurturing environment is provided. Total care is available as well when schools are not in session with transportation available to pick up children from certain schools.

**Centenary Fund/Preachers Aid Fund** Supporting retired clergy and spouses.

**Christian Outreach Project** provides no-cost home repairs to persons in need in the northwest area of our Conference. Participants are made up of high school youth and adult volunteers. In addition to home repairs, participants engage in morning devotionals, singing, worship services and recreational activities.

**CUMAC/ECHO** works to alleviate hunger and its root causes for those in need in Paterson, Passaic County and northern NJ. CUMAC has a Pantry feeding 3,000+ monthly. Our Depot warehouses over 2 million pounds of food annually for a network of about 40 partner feeding programs. This Community Food Coalition (CFC) distributes food while also screening clients for member pantries. We advocate at the local and state level on behalf of CFC clients. CUMAC also has a Community Closet that offers clothing & household items; Pathways to Work imparts job skills and hands-on experience; Place of Promise is a supportive housing program for chronically homeless individuals; and our seasonal projects for school supplies, holiday gifts and other items for area children in need. All our programs rely heavily on volunteer and financial support from the community.

**C.U.M.I. Camden Urban Ministry Initiative**, a cooperative After-School Program is a shared ministry amongst Camden churches. This partnering reaches families to ensure positive development of children. We provide a safe environment for youth activities, such as an after-school program, summer day camps, youth Bible study, choir and a career training program. There are arts and cultural activities for all ages. The exchange of stories, wisdom, advice, and experience builds a shared understanding of family and community. This church-based intergenerational community surrounds our youth with caring Christian adults who encourage, support, and pray for our youth while also holding them accountable. We are dedicated to the spiritual, emotional, and social growth of Camden Youth.

**First Friends of New Jersey and New York** With the expansion of detention centers in New Jersey, the need to provide advocacy, research and social services to detained and released detainees has increasingly grown. We provide a link to the outside world by providing toll free lines (English & Spanish) in five different detention facilities where more than 2000 individuals are detained, and through visiting individuals in detention. Our Pen-pal Program allows volunteers who cannot visit to write to detainees.

**Justice for Our Neighbors (JFON)** is a ministry that works with people God 1 calls us to work with: the immigrant or what the Bible referred to as the stranger in both the Old Testament and Gospels. New Jersey is a state of immigrants. Unique to this ministry is that three conferences, Peninsula Delaware, Eastern

Pennsylvania, and Greater New Jersey, will pool resources to serve together to support immigrants in the Southern New Jersey, Philadelphia and Delaware Region. It will provide volunteer compassion ministry and professional legal services. Greater New Jersey has long provided such services to clergy and laity, particularly in Northern New Jersey. This ministry will provide services in Southern New Jersey, particularly to persons with the lowest incomes.

**The Neighborhood Center** has served the Camden community since 1913. Today, they are a community center that provides a healthy and nutritious lunch six days a week, day care, an after-school program, and an evening teen program. We focus on a two-generation approach to lift families out of poverty. Our commitment is to provide a safe space for Academic achievement, Athletic accomplishment, and a flourishing Arts program. Our hope and vision for the next century of service is to create a “community living room.”

**Pennington School** A college preparatory institution affiliated with the Methodist Church, reflecting the principles espoused by John Wesley and core values of Honor, Virtue, and Humility. Students experience an environment where talents and values are forged for making a positive difference in the world. We provide half scholarships for diversity of students in grade 6 to 12.

**Ranch Hope/Victory House** Ranch Hope provides ministry to troubled boys ages 9 to 16 ½ and Victory House provides services to troubled girls between the ages of 14–18 years. We are faith-based and provide learning environments for youths and teenagers whose need can best be met through experiences outside their homes. They can obtain or regain their long-term academic, behavioral, and spiritual focus in our residential setting. Counseling, housing and recreation is offered, as well as spiritual guidance, time to attend chapel services and Bible study. We are licensed by the New Jersey State Department of Children and Families.

**The Maker’s Place** is an initiative of the United Methodist Church of Greater New Jersey. The goal is to connect neighbors in Trenton with neighbors in central New Jersey and beyond, by opening a neighborhood resource center that empowers underrepresented populations in our capital city. The Maker’s Place is a site for local mission and ministry. Starting with initiatives centered around food and families, The Maker’s Place will cultivate transformative relationships that help people build bridges out of poverty and create a multiethnic and economically diverse community hub where all people can experience the wide welcome of God.

## **Annual Conference Minutes**

**MAY 23, 2022, 8:30AM**

### **GATHERING**

Praise bands from GNJ offered praise music as people gathered virtually for the session.

### **WELCOME**

The Conference opened with a video highlighting the various skills of several clergy members.

### **EPISCOPAL ADDRESS**

Bishop Schol opened the Conference with a story about how Erica was urged by her doctor to get to the hospital to deliver her baby weeks before it was due. He reminded everyone how God has delivered his people throughout scripture, history and even today. That Jesus, in Luke 4:18, set the purpose of his ministry: 'to proclaim the Good News to the poor, release to the captives, recovery of sight to the blind'. And we are delivered to do the same. He asked, 'where is this urgent calling meant to be lived out?' Just look around your local church. Bishop Schol celebrated each congregation that kept missions going during the pandemic and how some churches continued to change and grow, even during the pandemic.

Bishop Schol celebrated the churches missional engagement as 93% of congregations reached 100% of their Shared Giving and 98% of congregations reached 100% of their billings in 2021. These are two goals set that have been met a year in advance. To support our efforts from the damage of Hurricane Ida, UMCOR is providing a 2-million-dollar grant to help with our Future with Hope recovery efforts. The Bishop also acknowledged how 150 laity and pastors stepped up to lead 'A Journey of Hope' training to end the sin of racism in our Conference.

Bishop Schol also raised four challenges identified from responses to a 2021 survey that we are facing and gave ways the Conference is available to help with each:

1. Connecting with local communities to become more vital. and growing their missional vitality and sustainability.
2. Emerging from the pandemic. Some people are still fearful to come out in public. Yet, the pandemic has help churches get on social media which is reaching more people.
3. Ending the sin of racism. The 'Journey of Hope' plan is helping congregations. Churches were challenged to develop Journey of Hope plans.
4. Navigating Differences. Assist congregations to navigate differences in our denomination about ministry with and by LGBTQ communities. This includes assisting churches interested from disaffiliation from the United Methodist Church and GNJ. He stated that it his hope that all congregations would remain and be engaged in the common mission of the UMC.

The common thread through these challenges is leadership and encouraged all church leadership to face these challenges for transformation. Bishop Schol invited everyone into a season of discernment to hear what the Holy Spirit is calling us to be and do, looking for continued transformation. He called for 'Holy Boldness' to continue the transformation of the world. He challenged the conference to be bearers of hope and angels of justice. Bishop Schol reflected on Romans 8:37-39, calling congregations to be determined to let nothing separate us from the love of God, and to pray, work, serve and live into God's future for us – together.

Be it further resolved that a copy of this resolution shall be communicated to the GNJ Trustees within three days of the close of the current GNJ Annual Conference session."

### **Suggestion**

Bishop Schol asked if Mr. Pyo was amenable to split the amendment into parts since it was so long. Mr. Pyo agreed to this.

### **Amendment**

Daniel Pyo made a motion for acceptance of an amendment:

"Whereas it is expected that there will be congregations that will consider disaffiliation with GNJ pursuant to paragraph 2553:

Be it resolved to amend item known as "A call for Discernment..." on line 18 of page 139 of the 2022 Addendum to the Pre-Conference Workbook to replace "6-month" with "4-month". The motion did not pass.

### **Amendment**

### **Out of Order**

Chancellor Lynn Caterson, via text, explained that according to the Book of Discipline an Annual Conference cannot tell Trustees what to do, making this amendment out of order. Bishop Schol ruled this amendment out of order.

### **Amendment**

Mr. Henry Cho, from KCCUMC in Englewood, made a motion for an amendment and went on to explain his amendment was the same as Mr. Pyo. Mr. Cho’s amendment wanted to take each item separately. Since it was the same, Bishop Schol ruled this amendment out of order.

### **Challenge**

At Mr. Cho’s request, Bishop Schol affirmed his ruling that Mr. Pyo and Mr. Cho’s amendments are out of order. Mr. Cho challenged the parliamentary ruling made by Bishop Schol that the amendments by Pyo and himself are out of order. His assertion was that Trustees work for the Annual Conference.

Bishop Schol requested Rev. Bob Costello’s input as to the ruling about the amendments by Pyo and Cho as out of order. Due to technical issues, we were not able to hear Rev. Costello.

Bishop Schol reminded the conference that paragraphs 2553 of the Book of Discipline gives the responsibility of the Terms sheet to the Board of Trustees and the Judicial Council, paragraph 1420, further clarifies this, that the Board of Trustees are the one to put the Term sheet together.

She reminded us that our loved ones are still with us in kairos time and are encouraging us to continue the race. She told a story about her son's hair that has a stubborn way of sticking up. Likewise, how nature is stubborn and how some folks in church who are just as stubborn. She told the story of John who took Baptism vows so seriously he wrote to every child who had been baptized in his church. When the child reached thirteen years old, he reminded them it was time to make their Confirmation.

Rev. Taylor-Storm reflected on how members of GNJ were just as persistent, seen after hurricane Sandy and Ida by getting back up and helping their neighbors. We persisted during the pandemic we took worship to Zoom, we got out of our buildings and went to the streets. We got back up. She admitted that this is challenging but reminds us that the saints around us are encouraging us to continue to get back up and continue to be the church. She reminded us that this is what Jesus did for us, turning stubborn faith to stubborn love.

#### **Integrity of the Conference Journal**

Bishop Schol spoke on this resolution, ruling it out of order. He then read from the Robert's Rules of Order, rule number 48.2, and rule number 48.4 which explained that minutes are to contain what happened at a meeting not everything that was said at a meeting. Bishop explained the events that led to the minutes.

Bishop then asked Mr. Sim if he wanted to appeal this decision.

#### **Appeal**

Mr. Sim did appeal this ruling. He appealed the decision because he felt that his first Declaratory Decision, which he calls a 'Question of Law', listed in the minutes of the GNJAC of 2020 was intentionally switched with his second Declaratory Decision, which he also called a 'Question of Law' in this legislation.

Judy Colorado and Rev. Michelle presented all the members to be commissioned, ordained and recognized. Bishop asked all the candidates the traditional questions.

The scripture Luke 4:17-19 was read in Spanish. The same scripture was then read in English and Korean.

Bishop Schol celebrated the large class of candidates we have this year and that there is a Sunday school teacher and one of her students being commissioned today. He then offered a prayer.

Bishop reminded the candidates that the gospel of Matthew is the only gospel that talks about the Kingdom of Heaven. He talked about a man, Jonathan, who would go into the South Bronx and speak to children. When he asked them what the most beautiful place was, all the children said heaven. It was the thing that gave the children hope. Bishop acknowledged that both Matthew and Luke realized that the Kingdom of Heaven is here and now and that we need a wake-up call to remember this. In this remembering, we need to bring God's Kingdom to this world by ending racism. The church needs to develop a sense of urgency for this time and the importance of ending issues that divide or are destructive. The candidates, and all of us, were encouraged to keep a heart of peace and a space for God in the midst of that urgency. In this way, bring a bit of heaven here.

Nicole Hamilton shared her journey of faith and how she came to realize how God was there with her through her 'why-have-you-forsaken-me' moments' in life. Through these she was able to find peace again.

Bishop Schol offered a prayer for all those being commissioned. Each one came forward to be commissioned.

- 33) Tabling Related Motions** – No motion that adheres to another motion or has another motion adhering to it can be laid on the table by itself. If they are laid on the table, such motions carry with them the motions to which they respectively adhere, or which adhere to them.
- 34) Motions After Speaking on a Pending Question**

But any motion may be withdrawn or altered by the mover with the consent of the Conference at any time before voting has commenced.
- 40) Amendments and Substitutions** –
- a) Only one amendment to an amendment shall be in order.
  - b) It is in order to move a substitute for the main motion. In such case, the Chair shall proceed to perfect the original motion. When the main motion has been perfected, the Chair shall state the question on the substitute. If the substitute is adopted, it shall replace the original main motion and become the main motion. The Chair will then state the question on the (new) main motion. The new main motion can be amended only by addition. If the substitute does not carry, the Chair shall state the question on the original main motion as it has been perfected.
- 41) Order of Amendments** – When a main motion, report or resolution is under consideration, only one amendment and one amendment to that amendment are permissible. While there can be only one amendment of each degree pending at the same time, any number of amendments can be offered in succession. A substitute and one amendment to the substitute may be offered while amendments of the first and second degree are pending. The permissive order then is: 1) main motion, 2) amendment, 3) amendment to the amendment, 4) substitute, and 5) amendment to the substitute. The voting in this order is 3, 2, 5, 4, 1. If the substitute becomes the main motion, it shall be treated as such.

- 43) The Question of Consideration** – The question of consideration may be raised by any member upon the presentation of any matter that shall be deemed irrelevant, unprofitable, or contentious, and shall be decided without debate by majority vote. This applies only to the main motion.
- 44) Method of Voting** – Voting shall be by voice vote and/or show of hands, or by standing count (provided that in such a count those who cannot stand may vote by raising hands), or by ballot, at the discretion of the Presiding Officer, unless otherwise ordered by the Conference. It shall be in order for any member to call for a vote by count on any question before the Conference, and, if the call be sustained by one-third (1/3) of the members present and voting, a vote shall be taken as called for.

The results will be disclosed or displayed before the next ballot is taken.

After the ballot in which the last delegate is elected to the General Conference, all the names that were originally nominated are available for election to Jurisdictional conference. **69) Reserve Delegates** – After the authorized numbers of delegates have been elected, 3 clergy and 3 lay reserve delegates shall be elected on a single ballot, with the 3 persons receiving the greatest number of votes in each category being elected in the order of the number of votes received.

**70) Budget** – The Annual Conference shall adopt at each Annual Session a budget for each of the following: Clergy Support, Administrative Costs of the Annual Conference, World Service, Conference Benevolences, and other Apportioned Funds. These budgets become effective for the fiscal year beginning on January 1st following the session. Apportionments of these budgets shall be sent to the several churches as soon after the session as is feasible.

**71) Apportionments** – The Conference Shared Ministry Budget shall be apportioned annually among the churches of the Conference according to a formula recommended by the Conference Council on Finance and Administration and adopted by the Annual Conference. Following adoption, the formula will remain in effect until such time as changes are recommended by the CF&A and adopted by the Annual Conference. The formula shall be outlined on a Shared Ministry data sheet, which shall be distributed to the churches as soon as practical after the end of each year’s annual conference, but in no event later than the end of the fiscal year.

**72) Prior Action by Council on Finance and Administration** – Every motion, recommendation, resolution, or other legislative act having to do with budgeting, apportionments, allotments or expenditure of funds shall first be submitted to the Council on Finance and Administration. After adequate time is allowed for investigation and study, the council shall report its recommendation to the Conference. This report shall be received before such legislation may be acted upon by the Annual Conference.

- a) No agency or member of the Conference shall commit the Conference financially for the support of programs within or beyond the Greater New Jersey Annual Conference without first obtaining the approval of the Annual Conference after study and recommendation of the Council on Finance and Administration, and not until funds are available or have been allocated to meet such commitments.
- b) Any person or agency requesting an emergency offering should contact one of the Team Coordinators, who will present the matter to the Cabinet and the Council on Finance and Administration. Any funds received as a result of such an offering will be held by the treasurer and administered by a task force established by the Cabinet for that particular appeal.

### **73) Time Limit on Submitting Budget Requests –**

**74) Amending Allotments** – An agency shall not attempt to amend its allotment in a proposed budget submitted to an Annual Conference unless it has previously presented an appeal to the Council on Finance and Administration at a meeting held preceding the date of the Conference.

- 75) Increased Asking by Amendment** – In amending a proposed budget on the floor of the Annual Conference, no item shall be increased above the amount originally requested by the responsible agency in its asking to the Council on Finance and Administration, except when the consent of both the agency and the Council on Finance and Administration has been obtained.
- 76) Proper Use of Budgeted Funds** – No agency of the Conference shall spend budgeted funds for any purpose other than the general purpose for which the funds were originally requested unless the consent of the Council on Finance and Administration and the Ministries Team has been obtained for such a reallocation. An expenditure item shall be budgeted for the year when it is expected to be spent, and it shall be spent only in the year for which it is budgeted. When uncontrollable circumstances warrant, an emergency request may be directed through the Ministries Team to the Council on Finance and Administration for a budget adjustment.
- 77) Financial Appeals to the Churches** – Any agency planning to send a communication or appeal to the churches requesting contributions to any agency or fund shall first submit its proposed communication or appeal to the Council on Finance and Administration. The Council shall ascertain if the procedure is in accord with existing legislation and shall make certain that remitting instructions are correct. Any contribution received by the Conference Treasurer in response to a communication which has not been cleared as herein provided shall be credited automatically to World Service and Conference Benevolences through the remitting church.
- 78) Customary Draft** – When presented and endorsed, the customary draft from the United Methodist Publishing House shall be turned over to the Conference Treasurer for pensions for clergy of the central conferences.
- 79) Bonding** – All persons who hold or disburse conference funds shall be bonded in such amounts as may be deemed wise by the Council on Finance and Administration.
- 80) Fiscal Year** – The fiscal year shall coincide with the calendar year unless another fiscal year is designated by the Conference Treasurer after approval by the Conference. ## RULES OF ORDER

### IX NOMINATION OF EPISCOPAL CANDIDATES

- 83) Nomination of Episcopal Candidates** - The procedure for nomination of Episcopal Candidates to the Jurisdictional Conference as permitted by ¶1405 of the Book of Discipline shall be as follows:
- a) In a year in which one or more Episcopal Candidates are to be nominated by the Annual Conference, the Conference Secretary shall provide for the receiving of nominations until the deadline for submission of proposed legislation for that year's annual conference. Each proposed nomination shall be submitted on one side of an 8 ½ x 11-inch sheet of paper or by electronic means designated by the Conference Secretary. Only eligible persons may be nominated. The bishop shall, before the ballot is taken, remind the Annual Conference of the eligibility requirements for election to the office of the episcopacy.
  - b) The Jurisdictional Conference delegates (acting as a group) shall have the privilege to speak to the Annual Conference on behalf of the person(s) they have endorsed for nomination to the episcopacy (provided they have submitted such nomination in the manner described in Rule 82(a) above). If no other nominations have been submitted as indicated in Rule 82(a) above, the bishop shall call for a vote of the body. A majority vote will be sufficient for this person (these persons) to be recognized as the episcopal nominee(s) of the Annual Conference.
  - c) If there are additional nominations submitted in accordance with Rule 82(a) above, the Bishop shall call for a written or electronic ballot following this procedure.
    - i. Nominees may each give a three-minute speech. There shall be no seconding speeches.
    - ii. If any ballot contains the name of an ineligible person, that name shall not be tallied, but other names on the ballot shall be tallied.
    - iii. Conference members may vote for one such nominated individual. An individual must receive 60% of those voting to be nominated by the Annual Conference. If an individual does not receive 60% of the vote by the fifth ballot there will be no nominee. If someone is nominated, the conference will take up to three ballots to see if a second person is nominated. If no one receives 60% of the vote by the third ballot there will not be a second nominee. Those who do not wish to see anyone nominated may so indicate that desire on their ballots (in the manner prescribed by the Conference Secretary) and the ballot shall be counted as cast.
  - d) Only the persons selected in the foregoing manner shall be deemed Nominees of the Greater New Jersey Annual Conference.
  - e) This procedure shall not foreclose efforts by individuals or groups in the Annual Conference to promote the candidacy for the episcopacy of other persons.

### X RULES OF ORDER RESOLUTIONS

- 84) Resolutions to Change the Rules of Order –**
- a) Any resolution or proposed change, by addition or deletion to the Rules of Order, with the exception of ***Concerning Financial Operations***, shall first be referred to the Committee on Rules of Order for its recommendation. The Committee shall submit its recommendation to the body prior to any action by the body. The initiator of any proposed change to be included in the Pre-conference mailing shall at the same time submit a copy of said proposed change to the chairperson of the Committee on Rules of Order. The Rules Committee may request a meeting with the initiator prior to the convening of the Annual Conference.
  - b) If the change is proposed at the site of the Annual Conference, it shall be referred to the Committee on Rules of Order and a report to the body will be made no later than the next plenary session.

### XI HOLY CONFERENCING PROCEDURE FOR CERTAIN GENERAL CONFERENCE PETITIONS

- 85)** A procedure to facilitate holy conferencing shall be used, at the Bishop's discretion, to discuss petitions to General Conference regarding issues related to human sexuality or such other issues that would benefit from the same procedure.  
A special order of the day will be established to provide for holy conferencing. The special order of the day shall proceed as follows:

- i. Representatives of the two primary positions selected by the bishop will each make a twenty-minute presentation.
- ii. Upon conclusion of the opening presentations, the bishop shall bring the Conference into silent prayer for two minutes.
- iii. Then ten minutes will be provided for delegates to share what they heard with their fellow Christians seated to their immediate left and right. This is not a time for debate, but rather to listen to what their neighbors heard.
- iv. The bishop will then call the Conference to order. Delegates will then have the opportunity to share their thoughts with the Conference. The bishop shall establish a total amount of time for discussion, not to exceed sixty minutes. No member may speak longer than two minutes. All speakers will be notified when ten seconds remain of their time. The speaker will be allowed to finish a sentence at the expiration of allotted time. Then, that microphone will be cut off and the next speaker will be recognized. This will continue until the total allotted minutes have elapsed or everyone who wished to be recognized had an opportunity to speak, whichever comes first. No subsidiary privileged or incidental motions will be in order during this time of discussion.
- v. The regular business of the Conference will then resume.

At a previously noted time during plenary session on the following session day, the petitions will be voted upon by secret written ballot. Thirty minutes will be allotted for this vote. No debate or motions will be in order at this time.

### **XIII HOLY CONFERCING PROCEDURE FOR PROPOSED CONSTITUTIONAL AMENDMENTS**

- 86)** A procedure to facilitate holy conferencing shall be used at the bishop's discretion to discuss proposed Constitutional amendments coming from the General Conference. A special order of the day may be established to provide for holy conferencing. The special order of the day shall proceed as follows:
- i. The co-chairs of the delegation to General Conference will present the proposed amendments to the Conference in a fifteen-minute presentation.
  - ii. Upon conclusion of the opening presentation, the bishop shall bring the Conference into silent prayer for two minutes.
  - iii. Then up to ten minutes will be provided for members to share what they heard with their fellow Christians seated to their immediate left and right. This is not a time for debate, but rather to listen to what their neighbors heard.
  - iv. The bishop will then call the Conference to order. Members will then have the opportunity to share their thoughts with the Conference. Sixty minutes will be allotted for this. No member may speak longer than two minutes. Each speaker will be notified when ten seconds remains of their time. The speaker will be allowed to finish a sentence at the expiration of their time. Then, that microphone will be cut off and the next speaker will be recognized. This will continue until sixty minutes have elapsed or everyone who wishes to speak has been recognized whichever comes first. No changes are permitted to be made to Constitutional amendments.
  - v. The regular business of the Conference will then resume.

At a previously noted time during a subsequent plenary session, the amendments will be voted upon by secret ballot. Members will be able to vote in favor of or against each individual amendment. If a member wishes to abstain, the member will leave the ballot blank for that particular amendment.

Should any of the foregoing Rules of the Greater New Jersey Annual Conference be in conflict with the provisions of the current Book of Discipline, then the provisions of the Discipline shall take precedence.

\* Revised May 2021.

## RECOMMENDATIONS

### 1 **CONFERENCE ADVANCED SPECIALS**

2  
3 **Be It Resolved** that the 2022 Session of the Greater New Jersey Conference designates the following  
4 ministries and institutions as Conference Advance Specials for the 2023 conference year (without restricting  
5 in anyway a local church's ability to support other mission work):  
6

7 **Be It Further Resolved** that the Executive Committee of the Connectional Table be authorized to make any  
8 additions and deletions to the Conference Advance Specials list based upon recommendations of the  
9 Conference Board of Global Ministries.  
10

11 **C.A.M.P. YDP** (Community Association with a Ministry to People Youth Development Program) Provides pre-  
12 school, after-school and summer programs for children aged 5 - 14 and their families, mainly on the north  
13 side of Paterson. The program runs throughout the year. As an organization, we are committed to work as a  
14 "partner" within the community. A stimulating and nurturing environment is provided. Total care is available  
15 as well when schools are not in session with transportation available to pick up children from certain schools.  
16

17 **Centenary Fund/Preachers Aid Fund** Supporting retired clergy and spouses.  
18

19 **Christian Outreach Project** provides no-cost home repairs to persons in need in the northwest area of our  
20 Conference. Participants are made up of high school youth and adult volunteers. In addition to home repairs,  
21 participants engage in morning devotionals, singing, worship services and recreational activities.  
22

23 **CUMAC/ECHO** works to alleviate hunger and its root causes for those in need in Paterson, Passaic County  
24 and northern NJ. CUMAC has a Pantry feeding 3,000+ monthly. Our Depot warehouses over 2 million pounds  
25 of food annually for a network of about 40 partner feeding programs. This Community Food Coalition (CFC)  
26 distributes food while also screening clients for member pantries. We advocate at the local and state level on  
27 behalf of CFC clients. CUMAC also has a Community Closet that offers clothing & household items; Pathways  
28 to Work imparts job skills and hands-on experience; Place of Promise is a supportive housing program for  
29 chronically homeless individuals; and our seasonal projects for school supplies, holiday gifts and other items  
30 for area children in need. All our programs rely heavily on volunteer and financial support from the  
31 community.  
32

33 **C.U.M.I. Camden Urban Ministry Initiative**, a cooperative After-School Program is a shared ministry amongst  
34 Camden churches. This partnering reaches families to ensure positive development of children. We provide a  
35 safe environment for youth activities, such as an after-school program, summer day camps, youth Bible  
36 study, choir and a career training program. There are arts and cultural activities for all ages. The exchange of  
37 stories, wisdom, advice, and experience builds a shared understanding of family and community. This  
38 church-based intergenerational community surrounds our youth with caring Christian adults who encourage,  
39 support, and pray for our youth while also holding them accountable. We are dedicated to the spiritual,  
40 emotional, and social growth of Camden Youth.  
41

42 **First Friends of New Jersey and New York** With the expansion of detention centers in New Jersey, the need  
43 to provide advocacy, research and social services to detained and released detainees has increasingly grown.  
44 We provide a link to the outside world by providing toll free lines (English & Spanish) in five different  
45 detention facilities where more than 2000 individuals are detained, and through visiting individuals in  
46 detention. Our Pen-pal Program allows volunteers who cannot visit to write to detainees.  
47

1 **Justice for Our Neighbors (JFON)** is a ministry that works with people God calls us to work with: the  
2 immigrant or what the Bible referred to as the stranger in both the Old Testament and Gospels. New Jersey  
3 is a state of immigrants. Unique to this ministry is that three conferences, Peninsula Delaware, Eastern  
4 Pennsylvania, and Greater New Jersey, will pool resources to serve together to support immigrants in the  
5 Southern New Jersey, Philadelphia and Delaware Region. It will provide volunteer compassion ministry and  
6 professional legal services. Greater New Jersey has long provided such services to clergy and laity,  
7 particularly in Northern New Jersey. This ministry will provide services in Southern New Jersey, particularly  
8 to persons with the lowest incomes.

9  
10 **The Neighborhood Center** has served the Camden community since 1913. Today, they are a community  
11 center that provides a healthy and nutritious lunch six days a week, day care, an after-school program, and  
12 an evening teen program. We focus on a two-generation approach to lift families out of poverty. Our  
13 commitment is to provide a safe space for Academic achievement, Athletic accomplishment, and a  
14 flourishing Arts program. Our hope and vision for the next century of service is to create a "community living  
15 room."

16  
17 **Pennington School** A college preparatory institution affiliated with the Methodist Church, reflecting the  
18 principles espoused by John Wesley and core values of Honor, Virtue, and Humility. Students experience an  
19 environment where talents and values are forged for making a positive difference in the world. We provide  
20 half scholarships for diversity of students in grade 6 to 12.

21  
22 **Ranch Hope/Victory House** Ranch Hope provides ministry to troubled boys ages 9 to 16 ½ and Victory House  
23 provides services to troubled girls between the ages of 14–18 years. We are faith-based and provide learning  
24 environments for youths and teenagers whose need can best be met through experiences outside their  
25 homes. They can obtain or regain their long-term academic, behavioral, and spiritual focus in our residential  
26 setting. Counseling, housing and recreation is offered, as well as spiritual guidance, time to attend chapel  
27 services and Bible study. We are licensed by the New Jersey State Department of Children and Families.

28  
29 **The Maker's Place** is an initiative of the United Methodist Church of Greater New Jersey. The goal is to  
30 connect neighbors in Trenton with neighbors in central New Jersey and beyond, by opening a neighborhood  
31 resource center that empowers underrepresented populations in our capital city. The Maker's Place is a site  
32 for local mission and ministry. Starting with initiatives centered around food and families, The Maker's Place  
33 will cultivate transformative relationships that help people build bridges out of poverty and create a  
34 multiethnic and economically diverse community hub where all people can experience the wide welcome of  
35 God.

## **A CALL TO DISCERNMENT AND RENEWAL**

31  
32 Whereas the church and the world are emerging from a very challenging season because of the COVID-  
33 19 pandemic that calls us to renew our commitment to the mission; and  
34  
35 Whereas the mission of The United Methodist Church (UMC) is to make disciples of Jesus Christ for the  
36 transformation of the world, and the purpose of the Greater New Jersey Conference (GNJ) is recruiting  
37 and equipping transformational leaders that make disciples of Jesus Christ and grow vital missional  
38 congregations to transform lives, communities, and the world; and  
39  
40 Whereas GNJ, based in its commitment to the mission, is resourcing all GNJ congregations willing and  
41 ready to deepen faith, develop leadership, grow congregational vitality, and end the sins of racism,  
42 sexism, and exclusion; and  
43  
44

1 Whereas some of these key initiatives and resources include:

- 29 *political, or human sexuality understandings and differences within the congregation.*
- 30 • *Conflict Resolution – a facilitated process for congregations experiencing conflict about*
- 31 *direction, mission, leadership, or programing.*

32  
33 Whereas our denomination has gone through several challenging years related to concerns of  
34 congregations and/or pastors disaffiliating from the UMC related to differencing views, understanding  
35 and attitudes regarding human sexuality; and

36  
37 Whereas, through *A Way Forward*, United Methodists of Greater New Jersey recognize there will be  
38 different beliefs, traditions, understandings, and attitudes relating to Christian faith and our  
39 understanding of human sexuality and will work with congregations recognizing their different beliefs  
40 and understandings, and remain united in our common mission; and

41  
42 Whereas some congregations and/or pastors may choose to disaffiliate from the denomination; and  
43 Whereas discernment and renewal are spiritual practices calling us to seek God’s wisdom for our future  
44 knowing *all things work together for good for those who love God and who are called for the purposes of*  
45 *God (Romans 8:28)*; and

## RECOMMENDATIONS

1 Whereas GNJ proclaims as one of its core values that Christ is the source of our faith, hope and unity.

2

3 Therefore, be it resolved that GNJ recommits to its mission and strategic priorities, goals, and resourcing  
4 strategies to recruit and equip transformational leaders that make disciples and grow vital  
5 congregations for the transformation of the world.

6

7 Be it further resolved that GNJ set as a priority for the next year as a time of *discernment* and *renewal* to  
8 assist congregations in discerning God's missional calling and move forward with their ministry emerging from  
9 the pandemic; and

10

11 Be it further resolved that GNJ will in addition to its missional priority, inform and assist any  
12 congregation seeking to disaffiliate utilizing the principles, and process set forth in paragraph 2553 of  
13 the Book of Discipline of The United Methodist Church (BOD), related to congregations considering a  
14 change in relationship to the UMC and GNJ, and the several Judicial Council rulings including but not  
15 limited to 1379, 1420, 1421, 1422, 1423, 1424 and 1425 concerning separation from the UMC, as  
16 follows:

17

18 1. Discernment Process – the cabinet will develop and carry out an up to 6-month discernment  
19 process with any church considering disaffiliating from the UMC (Judicial Council Ruling  
20 1425).

21 2. Vote to Disaffiliate - following the discernment process, a Church Conference will be held to  
22 vote on disaffiliation. A 2/3's approval vote is required to disaffiliate (paragraph 2553 and  
23 Judicial Council Ruling 1379).

24 3. Connectional Covenant – if the congregation votes to disaffiliate by a 2/3's vote or more,  
25 the cabinet will develop a connectional covenant for disaffiliation. A connectional covenant  
26 is not a legal agreement, but a promise between GNJ and the disaffiliating congregation, and  
27 if disaffiliating to a denomination, with the receiving denomination that outlines how all  
28 parties will respect, honor, and treat one another during the disaffiliation and for five years  
29 following the disaffiliation (Judicial Council Ruling 1424).

30 4. Congregation Due Diligence – the disaffiliating congregation will perform all the necessary  
31 research and submit all the necessary documents and information required by the GNJ  
32 Board of Trustees to draft the Disaffiliation Agreement.

33 5. Disaffiliation Agreement - the GNJ Board of Trustees, with the advice of the GNJ cabinet,  
34 treasurer, benefits coordinator, the chairperson of CFA, DCM and chancellor, will draw up  
35 an agreement detailing the terms and conditions of the disaffiliation, including the effective  
36 date of disaffiliation and local church's obligations (payments/liabilities due, etc.), that will  
37 be memorialized in a binding Disaffiliation Agreement between the annual conference and  
38 the trustees of the local church, in consultation with the local church Administrative Council,  
39 acting on behalf of the congregation's members. (Paragraph 2553 and Judicial Council ruling  
40 1379).

41 6. Annual Conference Approval – the annual conference at its regular annual session votes to  
42 ratify the disaffiliation agreement. A simple majority approval vote is required to approve  
43 the terms and disaffiliation (paragraph 2553 and Judicial Council ruling 1379).

44

1 Be it further resolved that GNJ communicate to any congregation seeking to disaffiliate that it has until  
2 December 31, 2023, to pay for and complete all the items in the term sheet to disaffiliate. (Paragraph  
3 2553, BOD).

39 **2023 BUDGET RECOMMENDATION**

40  
41 Whereas in 2021, the world and GNJ continued to go through an unprecedented COVID-19 pandemic that  
42 negatively impacted the ministry of our churches and their spending; and

1 Whereas normally the 2023 Shared Ministry Apportionment for each GNJ congregation is determined by  
2 multiplying the congregation’s spending in 2021 (inputted by each congregation in the GCFA Ezra database)  
3 by a percentage set by the annual conference; and

4 Whereas the 2021-year spending was dramatically impacted by the pandemic and the spending is  
5 significantly different than normal trends; and

6 Whereas the strength of giving expected of a congregation for 2023 is not reflected in the 2021 Statistical  
7 Report numbers;

8 Therefore, be it resolved that the 2023 Shared Ministry Apportionment for each congregation be calculated  
9 using the average of the 2019 and 2021 Statistical Report data; and

10 Be it resolved that the Greater New Jersey Annual Conference adopt the 2023 Budget that includes the  
11 following:

- 12 1. A consolidated budget that includes all billings to congregations, GNJ ministry and mission,  
13 administration and property, and general church apportionments.
- 14 2. 15.3% shared ministry apportionment, 12.3% for GNJ shared ministry and 3.0% for general church  
15 apportionment.
- 16 3. Salary and support for six district superintendents.
- 17 4. \$1.185 million from property sales and \$200,000 from 2021 surplus to support congregations with  
18 their billings.
  - 19 a. Additional property sale proceeds beyond the \$1.185 million budgeted to support  
20 congregations with their billings (“investable proceeds”), will be deposited into the approved  
21 designated funds according to the plan developed by CFA so that all funds except the four  
22 listed below reach their targets by 2026, or sooner; after which, funds will be deposited in  
23 accordance with the annual conference policy to allocate property sale proceeds to the  
24 Harvest Mission Fund (50%), Strategic Disciple Making Fund (20%), Retiree Health Care Fund  
25 (15%) and Property Redevelopment Fund (15%).
  - 26 b. For 2023, the investable proceeds will be deposited as follows: 92% to Retiree Health Care  
27 Fund and 8% as directed by CFA to funds as needed to achieve the goal amount.
- 28 5. \$449,394 from GNJ designated funds.

## RECOMMENDATIONS

- 29           6. Qualifying congregations identified according to the Journey of Hope Equity Shared Ministry  
30           legislation will be apportioned as approved by previous annual conference legislation according to  
31           the formula outlined in the A Journey of Hope report and legislation  
32
- 33           7. The monthly statements provided to congregations include the following.
- 34               a. The total apportionment to the congregation for GNJ shared ministry.
- 35               b. The total apportionment to the congregation on behalf of the general church.
- 36               c. Direct billings to the congregation from GNJ, which include but is not limited to, blended rate  
37               for active healthcare and incremental contributions for self-elected benefits (health, dental,  
38               vision, and health reimbursement accounts) for active pastors/lay employees, workers  
39               compensation, property insurance and back payments for past billings

**RECOMMENDATIONS**

**2022 BUDGET ADDENDUM LEGISLATION**

A vibrant and vital young people’s ministry is essential for the health and vitality of GNJ.

In 1996 the camping and retreat ministry was incorporated to reduce liability for the annual conference related to camping ministry. The new nonprofit organization, Conference Committee on Camps and Retreats (CCCR) owned and operated the camps and their ministry. In 2017, United Methodists of Greater New Jersey voted to expand the oversight of CCCR and changed the name of CCCR to be Next Generation Ministries (Next Gen). Next Gen was tasked to provide direction and oversight to youth and campus ministries, in addition to camping.

Since 2017, the Next Generation Ministries' Board of Trustees and staff made progress on the implementation of the Next Generation Ministries 10-Year Strategic Plan for GNJ growing Ignite to more than 1,500 participants, expanding campus ministries from 3 to 8, and developing the leadership of young people’s ministries. While there was significant progress, two challenges have been hard to overcome.

1. Camping and retreat ministries at the Pinelands Center and Camp Aldersgate is not sustainable because over many years there has been a shift in the value ascribed to camping by families, a decrease in the number of young people in our congregations, the failure to modernize camping and retreat centers and the lack of resources to address deferred maintenance.
2. The COVID-19 Pandemic which hit and cancelled many programs and events.

Operating as a separate nonprofit has added costs to Next Gen for auditing, accounting and operations at a time when camping and retreat ministry was declining, and the pandemic inhibited other programs that were growing, like IGNITE for example.

**Next Gen as a separate corporation is no longer sustainable - yet a vibrant and vital young people’s ministry is essential for the health and vitality of GNJ.**

Next Gen has a comprehensive 10-year strategic plan that remains viable once the pandemic is over. To bridge to that time and reactivate conference-wide young people ministry, the board of Next Gen with the support of the GNJ Council of Finance and Administration has voted to fold back the Next Gen program and ministry back into GNJ programing and accounting. This would simplify accounting and operations and save money. The ministry will operate with a balanced budget and not require additional funding through shared ministry. The Next Gen entity would not be closed but be made dormant for now.

**Whereas** Next Gen as a separate corporation is no longer sustainable - yet a vibrant and vital young people’s ministry is essential for the health and vitality of GNJ.

**Whereas** Next Generation Ministries (Next Gen) and GNJ remain committed to the very important youth ministry programs and developing the next generation of disciples.

**Whereas** GNJ’s Council on Finance and Administration supports the decision to have the separate legal entity associated with Next Gen go dormant and to consolidate the operations of these ministries back into GNJ’s operating budget.

**Whereas** this is a budget neutral change and will have no impact on Next Gen’s progress towards its goals while providing GNJ’s Annual Conference greater transparency on where money is being spent and significantly simplify the accounting process.

1 **Be it resolved** that the Next Gen board will continue in an advisory capacity to the ministry of Next Gen; and

2

3 **Be it further resolved** that the Next Gen budget as identified in the following table be merged with the GNJ  
4 budget and going forward the Next Gen finances be reported in GNJ financial reporting.

**THE ST. JOHN UMC FUND**

14

15 Whereas the 2020 Annual Conference Session by more than 90% approved A Journey of Hope Plan and  
16 legislation (Plan); and

17

18 Whereas a part of the legislation created a \$1 million St. John UMC Fund (Fund) for the preservation of  
19 the St. John UMC Native American property including the burial ground; and

20

21 Whereas the Plan also included deeding discontinued or abandoned United Methodist Church property  
22 to Lenni Lenape Tribe (Tribe) that once belonged to the Tribe before they were relocated to a  
23 reservation in the Pinelands; and

24

25 Whereas the Board of Trustees are seeking further guidance and funding to transfer the land to the  
26 Tribe; and

27

28 Whereas CFA approved adding \$300,000 to the St. John UMC Fund (bringing the total to \$1.3M) using a  
29 portion of the 2021 operating budget surplus to facilitate the costs associated with the transfer of land,  
30 addressing the funding concern from the Board of Trustees;

31

32 Therefore, be it resolved that the Fund may be used to:

- 33 1. Preserve the St. John UMC building and burial ground located at 680 Fordville Rd, Bridgeton, NJ,  
34 08302, as a historic United Methodist Church site and cultural center,
- 35 2. If and when the St. John UMC closes, pay for the utilities, operations and upgrade of the  
36 buildings and grounds,
- 37 3. Transfer buildings, grounds and cemetery together of discontinued or abandoned United  
38 Methodist Church within the boundaries outlined in the Plan as is and so that the Tribe has the  
39 right of first refusal (UMC Church Transfer);

40 Be it further resolved that the Fund shall be administered by five Stewards (Stewards) with the following  
41 stipulations:

- 42 1. The Annual Conference Session upon nomination of one member each by the St. John UMC  
43 Charge Conference, GNJ Committee on Native American Ministry (CONAM), Conference Board  
44 of Trustees (with property maintenance and preservation skills), Council on Finance and  
45 Administration (with budgeting and fund management skills), and Cabinet. If St. John UMC  
46 should ever be discontinued, CONAM shall then nominate two Stewards,

- 1        2. The Stewards shall have an interest and commitment to Native American culture and history,  
2        completed A Journey of Hope training, and demonstrate a willingness to be a steward of the  
3        Fund and steward the St. John UMC property if the congregation discontinues,
- 4        3. The nominations of Stewards shall be overseen by the GNJ nominations committee who shall  
5        arrange the nominees in classes and present the nominees to the Annual Conference Session for  
6        election,
- 7        4. Interim vacancies may be appointed by the Connectional Table until the next Annual Conference  
8        session elects to fill the vacancies. The Connectional Table shall receive a new nominee for  
9        appointment from the group which has an opening; and

10 Be it further resolved that the Stewards administer the Fund so that it perpetually:

- 11        1. Preserves the St. John UMC and grounds as a historic and cultural site,
- 12        2. Transfers discontinued or abandoned UMC property in the designated area; and

13 Be it further resolved that the Stewards allocate funds using the following parameters:

- 14        1. Up to a maximum of \$65,000 per UMC Church Transfer when such a transfer is deemed will  
15        occur only when the Tribe agrees in writing to the term sheet approved by the GNJ Board of  
16        Trustees. The maximum of allocated funds will increase at 2% per year for inflation, and may be  
17        used to transfer property to the Tribe to provide for transfer fees, mitigation of environmental  
18        concerns, address municipality, county and state requirements, debt to non GNJ entities, and  
19        perpetual care funds when a cemetery is being transferred,
- 20        2. Up to \$5,000 per year through 2029 may be used for St. John UMC property for signage, United  
21        Methodist historic land markings, and other items for historic preservation. After 2029, the  
22        Trustees may allocate up to a 5% of the Fund’s amount on January 1 of that year for UMC  
23        Church transfer costs and the preservation, care, operation, and maintenance of the St. John  
24        UMC property as a historic United Methodist Church site and cultural center (St. John UMC  
25        Expenditures) during that year,
- 26        3. If more that 5% is needed in any given year after 2024 for UMC Church Transfer costs and/or St.  
27        John UMC Expenditures, the Stewards may appeal to the GNJ Council on Finance and  
28        Administration (CFA) to request additional money from the Fund, concurrently submitting  
29        evidence of how after incorporating the requested draw the fund model shows sufficient  
30        resources to ensure the perpetual preservation of St. John UMC building and property, as well  
31        as the ability to continue to transfer property to the Tribe. CFA shall review the proposal and  
32        model for perpetual care and approve or deny the request.

33 Be it further resolved that the Fund description be rewritten as follows.

34  
35 St. John UMC Fund (Fund), funds the following:

- 36        1) the preservation of the St. John UMC building and burial ground located at 680 Fordville Rd,  
37        Bridgeton, NJ, 08302, as a historic United Methodist Church site and cultural center,
- 38        2) the maintenance of the St. John UMC Native American burial ground, and
- 39        3) provides funding to support the return of UMC church property in Cumberland County and the  
40        Eastern portion of Salem County including church property along the Delaware River to the  
41        Lenni Lenape Tribe (Tribe). St. John is the fifth oldest Native American United Methodist Church

## **LOCAL CHURCH CONTRIBUTIONS TO THE BSA BANKRUPTCY SETTLEMENT**

### **3 BACKGROUND**

4

5 The BSA filed bankruptcy in February of 2020 to address sexual abuse claims against the BSA dating from  
6 1939 to 2020. An Ad Hoc Committee – comprised of eight annual conference chancellors, two lawyers from  
7 the General Council on Finance and Administration, two staff members of the General Commission on  
8 United Methodist Men, and two bishops – has been providing oversight to legal counsel retained by the Ad  
9 Hoc Committee to look out for the interests of the alleged survivors and all United Methodist congregations  
10 that have chartered BSA troops. More than 9,000 United Methodist congregations, including 202 in GNJ,  
11 filed proofs of claim in the BSA bankruptcy case.

12

13 United Methodists participated in the bankruptcy mediation process with five goals.

- 14 1. Healing and support for survivors
- 15 2. Releases from claims related to sexual abuse for United Methodist congregations that chartered Boy  
16 Scout troops and Cub packs
- 17 3. Releases for all charter organizations
- 18 4. Preservation of congregations' and annual conferences' insurance
- 19 5. A fair and just financial settlement

20

21 Pending court approval of the settlement agreement in the Boy Scouts of America (BSA) bankruptcy case,  
22 United Methodists have agreed to contribute \$30 million to a \$3 billion Survivor Trust Fund that will receive  
23 contributions from the Boy Scouts of America (BSA), insurance companies and charter organizations.

24

25 In addition to a financial contribution to the Survivors Trust Fund, United Methodists are committing to the  
26 following:

- 27 1. Provide an opportunity for survivors to share their experiences and hopes for the church
- 28 2. Publish a series of articles about the Boy Scout bankruptcy case and the sexual abuse of young  
29 people in denominational publications and U.S. annual conference communication resources.
- 30 3. Review all Safe Sanctuary/Ministry Safe policies and procedures for congregations in the U.S. to  
31 ensure they are up to date and are being followed.
- 32 4. Ensure that all BSA chartered organizations receive a release for Boy Scout-related claims. While  
33 United Methodists have the capacity to organize and have legal representation, most chartering  
34 organizations do not. Small community nonprofits, small denominations (including sister  
35 denominations of the Pan-Methodist Commission), parent-teacher associations, grange halls and  
36 many other chartered organizations were not represented in the mediation process, leaving them  
37 vulnerable to future lawsuits. Our United Methodist mediators advocated for their release from BSA

38 claims, not only to assist them but also to help ensure that scouting will be able to continue. As part  
39 of securing the release for all charter organizations, United Methodists committed to work toward  
40 raising an additional \$100 million from chartering organizations for whom we helped to obtain a  
41 release. This is to be a good faith effort and the \$100 million is a goal, not a guarantee.

- 42 5. The Methodist Church will provide a representative to the survivor working group that will work to  
43 make Scouting and youth programs safer for young people.  
44  
45

1 **Whereas** GNJ has been allocated the amount of \$910,420 as our contribution to the \$30M settlement in the  
2 BSA bankruptcy case,  
3

4 **Whereas** GNJ Council on Finance and Administration and Board of Trustees unanimously approved, using the  
5 emergency fund distribution provision of the Designated Fund Policy, to contribute to GNJ’s \$910,420 share  
6 of the \$30M settlement, which is to be paid following the court settlement so that survivors can receive  
7 compensation quickly and fairly,  
8

9 **And whereas,** United Methodists of Greater New Jersey do not tolerate sexual abuse of any kind and have  
10 consistently worked to keep young people safe, and are committed to the financial restitution, healing,  
11 educational and preventative commitments of the BSA bankruptcy settlement,  
12

13 **Be it resolved** that the Greater New Jersey Annual Conference affirms GNJ participating in the BSA  
14 Bankruptcy settlement, including the contribution to the Survivor Trust Fund.  
15

16 **Be it further resolved** that every GNJ congregation participate in the commitments of the BSA Settlement,  
17 including:  
18

- 19 ● To review, update and implement their Safe Sanctuaries policy.
- 20 ● Share articles about the BSA bankruptcy case and settlement.
- 21 ● Participate in the opportunity for survivors to share their experience and hopes for the church.  
22

23 **Be it further resolved** that CFA and the Board of Trustees contribute 25% of the \$910,420 settlement  
24 contribution to assist with the settlement cost.  
25

26 **Be it further resolved** that the remaining balance of GNJ’s financial contribution to the settlement be billed  
27 to each congregation proportionately to their 2021 shared ministry percentage over a three-year period of  
28 time to ensure equitable distribution.  
29

- 30 ● \$910,420 total GNJ Survivor Trust Fund Contribution
- 31 ● Share of CFA and Board of Trustees is \$227,605 contribution
- 32 ● Share of GNJ congregations in aggregate is \$682,815 contribution Illustrative calculation for a  
33 church with a \$15,000 yearly shared ministry apportionment:
  - 34 ● 0.15% is the proportional allocation for this congregation with a \$15,000 shared ministry  
35 apportionment relative to the total shared ministry allocation to all GNJ churches.
  - 36 ● \$1,024 is the congregation’s allocation
  - 37 ● \$340 per year over 3 years is the church’s contribution to the Survivor Trust

22 retirement.

23 8. That the following clergy be subject to five years "under appointment through the Conference

33 rental/housing allowances for active, retired, terminated, or disabled clergypersons of the  
34 Conference:

35

36 **Be it resolved** that an amount equal to 100% of the pension, severance, or disability payments received from  
37 plans authorized under *The Book of Discipline of The United Methodist Church* (the “*Discipline*”), which  
38 includes all such payments from the Wespeth Benefits and Investments, during the period July 1, 2022  
39 through June 30, 2023, by each active, retired, terminated, or disabled clergyperson who is or was a member  
40 of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each  
41 such clergyperson; and

42  
43 That the pension, severance, or disability payments to which this rental/housing allowance designation  
44 applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized  
45 under the *Discipline*, including such payments from Wespeth and from a commercial annuity company that  
1 provides an annuity arising from benefits accrued under a Wespeth plan, annuity, or fund authorized under  
2 the *Discipline*, that result from any service a clergyperson rendered to this Conference or that an active, a  
3 retired, a terminated, or a disabled clergyperson of this Conference rendered to any local church, annual  
4 conference of the Church, general agency of the Church, other institution of the Church, former  
5 denomination that is now a part of the Church, or any other employer that employed the clergyperson to  
6 perform services related to the ministry of the Church, or its predecessors, and that elected to make  
7 contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a  
8 terminated, or a disabled clergyperson’s pension, severance, or disability plan benefit as part of his or her  
9 gross compensation.

10  
11 NOTE: The rental/housing allowance that may be excluded from a clergyperson’s gross income in any year  
12 for federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section  
13 107(2), and regulations there under, to the least of: (a) the amount of the rental/housing allowance  
14 designated by the clergyperson’s employer or other appropriate body of the Church (such as this Conference  
15 in the foregoing resolutions) for such year; (b) the amount actually expended by the clergyperson to rent or  
16 provide a home in such year; or (c) the fair rental value of the home, including furnishings and  
17 appurtenances (such as a garage), plus the cost of utilities in such year. Each clergyperson or former  
18 clergyperson is urged to consult with his or her own tax advisor to determine what deferred compensation is  
19 eligible to be claimed as a housing allowance exclusion.

- 20
- 21 1. That clergy retiring before July 1, 2023, be reimbursed for one-time moving expenses up to  
22 \$5,000.00 incurred while moving from church-owned housing to personal housing. This  
23 reimbursement is limited to actual moving expenses, not to include moving company packing costs.  
24 Clergy are required to make every effort to obtain three bids to the Board of Pension & Health  
25 Benefits prior to final approval. The same benefits and restrictions shall also apply to a surviving  
26 spouse moving out of the parsonage upon the death of a pastor while in active service in the Annual  
27 Conference, and to those entering disabled relationships.
  - 28 2. That the Conference Board of Pension and Health Benefits be authorized to make modifications to  
29 the current Insurance Plan as the health care market demands. In addition, modifications to the Plan  
30 that could reduce premium costs to local churches and Annual Conference are to be studied and  
31 enacted as the Board determines appropriate. These changes might include increased participant  
32 deductibles, co-payments, greater use of generic medications, and other avenues of cost saving and  
33 sharing. Such changes will be subject to prior review of CFA and the Cabinet.
  - 34 3. That the Guidelines for Health Insurance Participation, below, be approved and upon approval  
35 printed in the 2022 Conference Journal and Yearbook.

38

40

41 **ARREARAGE POLICY FO CLERGY SALARIES**

42

43 **Be it resolved that the Greater New Jersey Conference adopt the following arrearage policy for Clergy**  
44 **Salaries:**

45

46 1. In the event that the local church treasurer becomes aware that the church will be unable to provide  
47 to the pastor full payment of a regularly scheduled salary, or housing allowance installment, or  
1 pension payment, or health insurance payment, the church treasurer shall immediately notify both  
2 verbally (within 24 hours) and in writing (within 3 days) the Pastor, the Lay Leader, and the Chairs of  
3 S/PPRC, Finance, Trustees, and the Church Council or equivalent of the impending arrearage. Upon  
4 receipt of such notice, the Chair of S/PPRC and/or the Pastor shall immediately notify the District  
5 Superintendent and congregation of the impending arrearage. It is the pastor's responsibility to keep  
6 copies of all such written notifications, and to provide additional written confirmation to the District  
7 Superintendent when an arrearage has taken place. Failure to document salary or benefit arrearages  
8 may result in a loss of compensation.

9

10 2. Upon receipt of notice of a pending arrearage, the Chair of S/PPRC shall meet with the Pastor, Lay  
11 Leader, and Chairs of Finance, Trustees, and the Church Council to discuss the financial situation and  
12 seek remedies to prevent an arrearage from occurring. Consistent with The Book of Discipline ¶624,  
13 such remedies cannot include a reduction in the Pastor's compensation until the beginning of the  
14 next Conference year.

15

16 3. If after consultation among these leaders it becomes apparent that the church may be facing a long-  
17 term financial crisis, the Chair of S/PPRC shall notify in writing the Pastor, congregation, and District  
18 Superintendent to consider potential solutions including but not limited to developing a payment  
19 plan so that the pastor receives full payment of compensation, full benefit payments are made by  
20 the end of the fiscal and/or appointment year. The District Superintendent may refer this to another  
21 appropriate resource person to work with the church towards resolution of the situation.

22

23 4. If the local church is already receiving a subsidy grant, the District Superintendent or designee will  
24 determine if all subsidy grant funds allocated to the church were used to pay the pastor's salary.

25

26 5. It is the responsibility of the pastor to provide evidence of an arrearage by providing documentation  
27 such as: Treasurer's Reports, Charge Conference reports, check stubs, etc.

28

29 6. The statute of limitations for any salary arrearage is one year from the date of the initial  
30 arrearage. However, once an appointment ends the Pastor no longer has claim on the local church  
31 for compensation funds (¶342.4).

35 Standards for Parsonages (Revised January 2022)

36

37 Be It Resolved that the following recommendation be adopted as the standards for parsonages for GNJUMC  
38 effective July 1, 2022.

39

40 **Responsible Group in the Church**

41 The Book of Discipline does not mandate a parsonage committee; however, it is strongly recommended that  
42 each local church which has responsibility for a parsonage form a parsonage committee. The committee will  
43 follow-up to assure timely resolution of parsonage problems affecting the health and safety of the pastor  
44 and/or pastor’s family (much like a landlord). The chairpersons of the S/PPRC, Board of Trustees and the  
45 pastor shall make an annual review of the church-owned parsonage to assure proper maintenance and up-  
46 keep. (¶258.2 g(16) and ¶2532.4).

47

48

1 **Standards for Existing Parsonages**

2 All parsonages shall meet local requirements for a Certificate of Occupancy. It is the responsibility of the  
3 Board of Trustees to be familiar with these requirements.

4

5 For existing parsonages, each local charge shall provide and maintain the following furnishings, equipment,  
6 and services:

- 7 1. Living room and family room furniture.
- 8 2. Dining room furniture.
- 9 3. Kitchen appliances including stove, refrigerator with separate freezer compartment, exhaust fan, and  
10 dishwasher.
- 11 4. Furnishings for special rooms such as sun porch, den, etc. that may be different from one charge to  
12 another.
- 13 5. Laundry equipment – automatic washer and dryer.
- 14 6. Standard television connection (providing at least 30 channels/basic cable package), high speed  
15 internet service fast enough to support streaming where available, and one telephone line (cell or  
16 land line). As churches/parsonages are located in a variety of geographical areas, we encourage  
17 discussion at the local church level to provide comparable communication services and cost saving  
18 measures such as bundling of services.
- 19 7. Floor coverings (solid surfaces are preferred).
- 20 8. Functioning window shades and blinds, or curtains/drapes.
- 21 9. One fire extinguisher in kitchen and one extinguisher outside of the furnace room. There shall be at  
22 least one extinguisher per floor level. All fire extinguishers, smoke detectors and Carbon Monoxide  
23 detectors are to be in compliance with local code requirements for rental properties and certificate  
24 of occupancy.
- 25 10. Closets or free-standing storage units in each bedroom.
- 26 11. Drive and walkways should be hard surfaced.
- 27 12. Minimally acceptable outside light for safety to illuminate walkways and driveways.
- 28 13. Trash cans. In municipalities where garbage pickup is not part of the tax base and is billed to the  
29 parsonage, that local church is responsible to pay for this service.
- 30 14. Suitable equipment for lawn care and snow removal corresponding to the size and condition of  
31 lawns/driveways/walkways and/or appropriate lawn/plowing services.
- 32 15. A study for the pastor in either the parsonage or church building. Office furnishings shall include a  
33 desk, desk chair, minimally acceptable shelving for the pastor’s library, additional chairs, and a  
34 locking filing cabinet.
- 35 16. Parsonage electrical service shall conform to the current National Electrical Code.
- 36 17. Parsonages shall be supplied with adequate HVAC systems commensurate with local conditions.
- 37 18. Parking space for a minimum of one (1) car shall be provided.
- 38 19. The septic or sewer system shall be fully functional and meet the needs of the parsonage family.

## RECOMMENDATIONS

- 39 Maintenance of septic systems is the responsibility of the church.  
40 20. In parsonages where there is a well, testing of water on a periodic basis should be done consistent  
41 with local health codes for rental properties.  
42 21. Radon testing is to be done periodically consistent with EPA standards and local requirements.  
43

### **Additional Suggestions**

- 44  
45 1. Electrical service to be inspected every five (5) years by a licensed electrician  
46 2. Roof inspection every five (5) years  
47 3. Energy audits every five (5) years  
48

### **Responsibility**

#### **1. Each pastor is responsible for:**

- 3 a. Furnishings for as many bedrooms as the family needs  
4 b. Personal items such as television, vacuum cleaner, small appliances, dishes, glassware,  
5 flatware, cleaning tools, wastebaskets, and decorative accessories  
6 c. The following regular maintenance  
7 i. Routine cleaning  
8 ii. Floor maintenance  
9 iii. Trash disposal and recycling  
10 d. It is expected that the pastor shall provide tenant (renters) insurance to cover property loss  
11 and personal liability.  
12 e. Restitution for any damage beyond normal wear and tear.  
13 f. At the time of a move, the current pastor shall remove all personal items and furniture from  
14 the parsonage and property and shall leave the parsonage in a “broom clean” state. Pastors  
15 are responsible for cleaning and disinfecting all surfaces such as kitchen counters, appliances  
16 and cabinets, bathroom fixtures, and church owned furniture that has been used by the  
17 parsonage family during their time in the parsonage.  
18

#### **2. Each charge shall provide:**

- 20 a. Utilities – heat, electric, gas/oil, sewage, cable, internet, and basic telephone, as well as any  
21 property taxes or HOA fees that are assessed to the parsonage.  
22 b. Maintenance for all parsonage equipment  
23 c. Basic furniture for all rooms except the bedrooms (see above)  
24 d. Funds for the repair of the parsonage and its maintenance should be allocated and allowed  
25 to accumulate so that continuing care and major repairs can be made when needed.  
26 e. At the time of a move, the church is responsible for cleaning and preparing the parsonage  
27 for the new pastor and her/his family. This includes washing or dry-cleaning curtains and  
28 drapes, cleaning window blinds, shampooing carpets and/or washing floor coverings,  
29 washing windows, cleaning disinfecting garbage cans, doorknobs, etc.  
30 f. Congregations and pastors are expected to follow the guidelines of the state and the CDC  
31 with regard to effective and proper cleaning procedures of parsonages at the time of a  
32 pastoral change. The most updated information for cleaning and disinfection is available on  
33 the CDC website at <https://www.cdc.gov/>.  
34

#### **3. Miscellaneous**

- 35  
36 a. The parsonage is the pastor’s home for his/her tenure in that church or charge. S/he has,  
37 therefore, the responsibility to care for the home and its furnishings from damage by pets or  
38 people and, if it is damaged, to return the home to a condition equal to that when s/he  
39 received it to use. If an item of furniture is damaged beyond repair, s/he is obligated to  
40 replace it.

- b. The right of the pastor to own furniture and equipment cannot be challenged. However, if s/he does own furniture and goods that s/he wishes to use in the parsonage, and parsonage furnishings have to be stored, s/he should make every effort to store it properly, so it is in good condition and does not suffer damage from being in storage. The site or method of storage for any church owned furniture shall be determined by mutual agreement between the pastor and the Board of Trustees. The pastor assumes financial responsibility for the storage of any unused furniture.
- c. The pastor's family shall be permitted to purchase an all-electronic vehicle (EV) or a plugin hybrid and charge it at the parsonage. The expense of the charger and any electrical improvements to the parsonage are the sole responsibility of the pastor's family. All improvements to the parsonage must be approved by the local church board of Trustees and must meet all applicable local codes. Before purchasing the said vehicle, the pastor's family and the appropriate committees in the church must negotiate how the increased electrical expenses will be handled.
- d. We recommend that in addition to the required written reports filed annually with the Church Conference paperwork, there be a complete video/photo inventory of all church-owned furnishings in the parsonage. The inventory and all videos and photos should be updated annually as needed.
- e. It is the responsibility of the Parsonage Committee to be acquainted with the parsonage and, after a new pastoral appointment is made, meet with the incoming parsonage family to discuss the minimum acceptability of housing and furnishings, and to meet annually thereafter with the parsonage family.
- f. At the time of a new pastoral appointment, the chairs of the S/PPRC and the Board of Trustees, the current pastor and the incoming pastor will walk through the parsonage together for inspection and planning. It is recommended to utilize the Church Conference parsonage inspection report as a guide.
- g. In order to respect the privacy of clergy and families, the church has a responsibility to make an appointment and secure the approval of the pastor or an adult member of the household prior to visiting the parsonage at any time.
- h. Given the great differences in housing costs throughout GNJ, a church and/or pastor who wishes to provide for a housing allowance rather than providing a parsonage must take into consideration comparable housing costs for that community to set an appropriate allowance that provides for the pastor and his/her family needs. Churches and pastors exploring this option should be in conversation with the District Superintendent at the very beginning of these considerations to understand the implications for future appointments, and the Disciplinary requirements for potential sale of an existing parsonage if applicable.

**4. Multiple Church Appointments and Clergy Couples**

- a. In appointments where a clergy person is appointed to more than one church and a parsonage is provided by one of the churches, the utility expenses (heat, water, and electric) will be divided equally between the churches. Any capital improvements and maintenance on the parsonage are the responsibility of the church that owns the parsonage.
- b. In cases of clergy couples when the couple resides in the parsonage of one of the appointments, the utility expenses will be divided equally between the appointments provided that housing is considered as a part of the compensation package for each of the clergy. In situations where both persons in a clergy couple are utilizing their respective parsonages, each church will provide utilities for their own pastor.

**Standards for Parsonages (Purchasing or Building a New Parsonage)**

- 1. All parsonages shall meet local requirements for a Certificate of Occupancy.

## **RECOMMENDATIONS**

- 44           2. The District Committee on Church Location and Building must be consulted in developing plans for  
45 all purchases or construction of a new parsonage.
- 46           3. All newly constructed or newly purchased parsonages shall be in full compliance with the Book of  
47 Discipline. Consideration shall be made for those with handicapping conditions.

1 *Provide on the ground-floor of a newly constructed parsonage: (1) one room that can be used as a*  
2 *bedroom by a person with a disability; (2) a fully accessible bathroom; and (3) fully accessible laundry*  
3 *facilities (§2544.4d)*

- 4 4. Churches considering selling their current parsonage and purchasing a new one need to explore  
5 property tax implications as well as leans on the property that may need to be considered in  
6 potential financing.  
7

8 **Option 1**

- 9 1. The use of maintenance-free materials in building and in finishing and furnishing, thus contributing  
10 towards keeping maintenance costs lower.  
11 2. The following room requirements:  
12 a. Living Room/Family Room  
13 b. Dining Room  
14 c. Kitchen  
15 d. Study  
16 e. Baths (2)  
17 f. Bedrooms (3)  
18 3. A minimal electrical service of 200 amperes  
19 4. A garage of a size to accommodate 2 cars, plus room for storage of lawn mowers, bicycles, tools,  
20 garden equipment, ladders, paint supplies, etc.  
21 5. Space to store large articles of furniture/equipment  
22 6. The use of materials meeting the most energy efficient standards for insulation and windows  
23 7. Careful consideration should be given in choosing the location of the parsonage. This consideration  
24 might include the distance from the church, accessibility from main streets of the community and  
25 the church, the neighborhood and its future, and the community itself and its future growth.  
26

27 **Option 2**

- 28 1. The standards of Option One would apply with consideration by the church of purchasing, leasing,  
29 renting a townhouse or condominium. This option would be negotiated by the District  
30 Superintendent, the local charge and the pastor following consultation with the District Committee  
31 on Church Location and Building  
32 2. The purpose of this option is to provide an alternative to the “traditional” church parsonage for  
33 ministry in special situations. Allowing for the wide variety of townhouse/condo choices, it is difficult  
34 to recommend a single standard for such settings.  
35

36 **Appeals**

37 Appeals by the churches or pastors on any of the above provisions should be made to the District  
38 Superintendent who has the final authority to interpret and implement the foregoing standards.

**RECOMMENDATIONS**

**EQUITABLE COMPENSATION RECOMMENDATION FOR 2023**

**Whereas** The Commission on Equitable Compensation in seeking to support quality pastoral leadership to help United Methodists of Greater New Jersey to grow in all areas of vitality recommends the following:

**Be It Resolved That** the Greater New Jersey Annual Conference adopt the following recommendation for required minimum salary for persons under full-time appointment in the local church effective January 1, 2023.

- a. Elder and Deacon in Full Connection: \$50,735
- b. Provisional and Associate Members: \$47,160
- c. Full Time Local Pastor: \$44,625

Any changes in clergy ministry salaries related to a change in clergy status through ordination, commissioning, or licensing in 2022 will become effective as of January 1, 2023.

These salaries apply to clergy (elder and deacon in full connection, provisional elder and deacon, associate members, and local pastors) serving in full-time appointments in the local church. The years of service for each clergy can be found on the Clergy Service Record at Wespath (General Board of Pension and Health Benefits). In calculating years of service, time on leave of absence is not counted in accumulated years of service.

For purposes of pension credit and years of service calculations, the minimum equitable salary for ¾ time pastoral appointments shall be ¾ of the required minimum in the pastor’s cash salary. The minimum equitable salary for ½ time pastoral appointments shall be ½ of the required minimum. All appointments less than ½ shall be considered ¼ time appointments, and salaries shall be determined by the District Superintendent in consultation with the pastor and the local church S/PPRC.

Each pastor’s salary is determined by the local church or charge in consultation with the District Superintendent provided that the required minimum salary is met. In determining a recommendation for salary, each Staff/Pastor Parish Relations Committee shall take into consideration the pastor’s years of experience, education, leadership ability, health and dental coverage, social security, family needs, and comparable salaries of other professionals in the community.

All full-time pastors shall be provided with a parsonage that meets parsonage standards adopted by GNJ or a housing/rental allowance as part of their total compensation package.

All full-time pastors shall have an accountable reimbursement expense line item in the church budget to cover mileage for pastoral work, continuing education, and other professional ministerial expenses as allowed by the IRS. The reimbursable amount shall be at least \$2,500. For churches receiving Equitable Compensation support, their accountable reimbursement should not exceed \$2,500.

**Vacation Policy:**

All pastors regardless of full or part time status shall be entitled to receive the following vacation per appointment year:

4 weeks (including 4 Sundays) of vacation consistent with the average work week; with 5 weeks (including 5 Sundays) after 10 years of full-time or equivalent part time service consistent with the Clergy Service Record.

1 Vacation time shall not be cumulative from year to year. Time spent in leadership responsibility in  
2 conference/district activities shall not be considered vacation time. This includes Course of Study, Local  
3 Pastors Licensing School, Camps, Annual Conference related Ministries, and other education and renewal as  
4 required by the Book of Discipline (§350.2).

5  
6 In setting clergy compensation, local church Staff/Pastor Parish Relations Committees are encouraged to  
7 consider a minimum of \$300 per year of service increment above the basic minimum compensation up to a  
8 maximum 15 years. Years of service are determined by the number of full-time years (or equivalent) fully  
9 completed prior to January 1, 2023.

13 **PROPOSED AMENDMENT TO RULE 64,**  
14 **CONCERNING NOMINATIONS FOR DELEGATES TO THE GENERAL AND**  
15 **JURISDICTIONAL CONFERENCES**

16 **(Substitute for Prior Proposals By Gyuchang Sim, The Rules Committee, and Creed Pogue)**

17 **Whereas,** At the last Annual Conference session, there was pending legislation on Rule 64 regarding  
18 nominations for delegates to the General and Jurisdictional Conferences;

19  
20 **And whereas,** the Rules Committee had recommended in favor of a proposal by Gyuchang Sim (as modified),  
21 and recommended against a substitute proposal by Creed Pogue;

22  
23 **And whereas,** near the end of that Annual Conference such pending proposals were referred back to the  
24 Rules Committee for clarification;

25  
26 **And whereas,** the Rules Committee has reviewed such referred proposals again, and has sought to clarify  
27 and improve the process, with the goal of broadening the diversity in the nominations for delegates;

28  
29 **Be It Resolved That** in Rule 64 (Nominations), in the first line of the rule, delete the phrase “In a year in  
30 which elections to the General and Jurisdictional Conferences” and insert “In a year in which elections to the  
31 General or Jurisdictional Conferences”.

32  
33 After “nominations will be closed on February 15”, insert:

34  
35 “or such other date as the Conference Secretary shall establish. Not less than ten  
36 days before such initial date for closing pre-Conference nominations, the Conference  
37 Secretary shall refer information concerning nominations submitted to date to the  
38 Commission on Religion and Race (CORR) and the Committee on the Status and Role  
39 of Women (COSROW), for their review and response within seven days.

40  
41 “If by the end of the seven days, either COSROW or CORR reports to the Conference  
42 Secretary that they have concerns regarding the gender, racial and/or ethnic  
43 diversity of the nominations submitted to date, or if not enough nominations have  
44 been submitted to fill all open positions in the Conference’s delegation(s), the  
45 Conference Secretary shall promptly (a) report such concerns to the membership of  
46 the Annual Conference, and (b) extend the deadline for submitting nominations by

## RECOMMENDATIONS

1                   30 days. In so doing, the Conference Secretary shall remind the members of the  
2                   Annual Conference of the importance of diversity in the delegations for GNJ.”  
3

4     **Rationale:** At the last meeting of the Annual Conference, all pending legislation regarding Rule 64 was  
5 referred back to the Rules Committee, because the then-pending proposals were viewed as too vague to be  
6 easily administered by the Conference Secretary. This new proposal from the Rules Committee seeks to  
7 respond to that concern, by adding greater specificity and operational clarity, in connection with the goal of  
8 broadening the diversity of nominees for GNJ’s delegations to the General and Jurisdictional Conferences. It  
9 provides for review by the Commission on Religion and Race (CORR) and the Committee on the Status and  
10 Role of Women (COSROW), the bodies responsible for helping the Annual Conference avoid tacit or  
11 unintentional biases and creates the opportunity to maximize diversity in the nominating process. **Nothing in**  
12 **this proposal would prevent CORR or COSROW from working together in their reviews, or from engaging**  
13 **or consulting with other committees or individuals in the course of their reviews.**

1 **PROPOSED AMENDMENT TO RULE 19(B),**  
2 **REGARDING PRE-CONFERENCE REVIEW OF LEGISLATION**

3  
4 **Whereas,** the Rules have included various provisions for review of proposals to the Annual Conference, prior  
5 to action by the Annual Conference on them;

6  
7 **And whereas,** the Rules currently provide for no specific process for such referral and review;

8  
9 **And whereas,** effective review would be facilitated by clear time periods and process for such review, this  
10 proposal clarifies procedures for such review, and sets reasonable time periods to allow for the completion  
11 of such review.

12  
13 **Be It Resolved That:** In Rule 19(b)(i) after “received by the Annual Conference offices by”, delete “the first  
14 business day in March” and insert “January 31”.

15  
16 At the end of Rule 19(b)(i), insert: “Such submissions shall be made through the Conference website or by  
17 such other means as the Conference Secretary may establish. The Conference Secretary shall promptly refer  
18 all such submissions to CORR and COSROW for review for explicit or implicit bias. The Conference Secretary  
19 shall also promptly refer proposals and recommendations that affect the Conference Rules to the Rules  
20 Committee, and proposals and recommendations that affect the budget or finances of the Conference to the  
21 Committee on Finance and Administration, for their review.

22  
23 CORR and COSROW, the Rules Committee, and CF&A shall have two weeks after such referral to conduct a  
24 review and submit any recommendations and/or proposed changes. Any such recommendations and/or  
25 proposed changes shall be submitted to the Conference Secretary and copied to the person(s) or  
26 organization originally submitting the proposals or recommendations.

27  
28 Such persons or organizations shall then have ten days to submit any revisions to be included in the Pre-  
29 Conference Workbook.”

30  
31 In Rule 19(b)(ii), delete “March 1” and insert “January 31 (or such other deadline as the Conference  
32 Secretary may establish)”.

33  
34 **Rationale:** The Rules have included various provisions for review of proposals to the Annual Conference,  
35 prior to action by the Annual Conference on them. This proposal clarifies procedures for such review, and  
36 sets reasonable time periods to allow for the completion of such review. **Nothing in this proposal would**  
37 **prevent CORR or COSROW from working together in their reviews, or from engaging or consulting with**  
38 **other committees or individuals in the course of their reviews.**

## Reports to the Annual Conference

### COMMISSION ON ARCHIVES AND HISTORY

**MISSION:** The Commission on Archives and History (CAH) engages in the ministry of memory. We advance our Wesleyan heritage by providing resources for GNJC at a minimal impact on the shared ministry budget. As the keepers of our missional memory, we support vital congregations by resourcing clergy, lay leaders, and church historians with the tools to strengthen our Wesleyan identity. We fulfill our Disciplinary mandate to identify, preserve and make available the historic record of ministry within GNJC. Our extensive physical archival and digital collections serve as resources within which local churches can research their “Methodist DNA,” and function as repositories where churches can securely maintain their historical records and artifacts. Additionally, we post guidelines for Church Historians, suggestions for writing church histories, records retention schedules, and provide other valuable resources online through the CAH webpage on the GNJC website.

**ARCHIVAL COLLECTION:** We preserve the historical records of closed churches within the bounds of GNJC and its antecedents and provide for the retention of the corporate records of GNJC boards, agencies, and committees. We manage a 1,100+ cubic foot archival collection located in the fire-safe, climate controlled, archival depository in the vault of the General Commission on Archives and History (GCAH) of the UMC, in the Archives and History Center at Drew University in Madison, NJ. Our archival space is secured through a unique and cost-effective rental agreement with GCAH.

**ANCESTRY.COM:** Our GNJCAH page on Ancestry.com received a total of **370,554 page-views**, during 2021. As a result, our closed church vital statistics (births, baptisms, deaths, and marriage records) are easily accessible, highly utilized, and extend our CAH impact far beyond GNJC. On Ancestry.com, our GNJC records are identified as: **New Jersey, United Methodist Church Records, 1800-1970.**

**FRANCIS ASBURY CELEBRATION:** This year marked the 250<sup>th</sup> anniversary of Francis Asbury’s arrival in America. He was not the first of John Wesley’s Methodist Missionaries to come to America, but he became our first, and foremost, Bishop. Special celebrations were held on either side of the Atlantic Ocean, with the American ceremonies held at Old Historic St. George’s church in Philadelphia on the weekend of October 30<sup>th</sup>. Bishop Schol preached at the anniversary service on Sunday, October 31<sup>st</sup>. Several of our current and former commission members were privileged to participate in the celebrations.

**INTERNET ARCHIVE:** We support a digital library of historical journals and resources on Internet Archive (IA) and maintain a link to this resource from the GNJC website. IA is a free portal that allows us to post material without impacting GNJC shared ministry resources. Digital copies of The Historical Trail and The Circuit Writer, the respective historical journals of the former SNJ & NNJ Annual Conferences, are available on Internet Archive. Since 2016, the GNJC materials on IA have generated 5,895 page-views, 1,505 of which were in 2021. Newly posted in 2021 is a finding aid for our collection of Clark Hunt’s Sermons, which already has had 11 views.

**WORK OF THE ARCHIVIST:** Our sad news during 2021 was the retirement of our long-time volunteer archivist, Walter Jones. Walt brought a passion for genealogy and the joy of the hunt to responding to the many inquiries that we regularly receive for information. He often went above and beyond to assist people with finding the information for which they were searching. We are grateful to Walt for the many years and countless hours he devoted to the ministry of memory here in GNJ. We wish him many blessings. He will be greatly missed!

**CHURCH HISTORY AWARDS:** We support the celebration of our Wesleyan heritage and the preservation of local church history by hosting three annual church history awards:

1. **The Robert B. Steelman Church History Award**, which recognizes the best, overall, church history submitted each year. It is named after Rev. Robert (Bob) Steelman, the long-time SNJ/GNJ Historian and the original GNJ Archivist.
2. **The Morris L. Smith Ethnic Church History Award**, which encourages the collection and preservation of the unique stories of our diverse ethnic congregations within GNJ. The award is named after Mr. Morris L. Smith, the deeply revered former historian of Mt. Zion UMC in Lawnside, NJ. Mr. Smith was gifted at mentoring others, dedicated to improving the lives of underprivileged children, and deeply committed to bridging racial divides by creating strong, collaborative relationships.
3. **The John C. Goodwin Multi-Media History Award**, which recognizes the preservation of our church histories and faith stories using multi-media platforms. It is named after John Goodwin, a former staff member of the General Board of Global Ministries and conference photographer for NNJ and GNJ.

These awards are advertised on the CAH webpage on the conference website ([gnjc.org/ministry/resources/agencies](http://gnjc.org/ministry/resources/agencies) and [committees/commission](http://gnjc.org/ministry/committees/commission) on [archives](http://gnjc.org/ministry/archives) and [history/archives](http://gnjc.org/ministry/history) and [history/resources](http://gnjc.org/ministry/history/resources)/local history awards), as well as through the GNJC awards promotions in the GNJ Digest. Each award is dependent upon qualified submissions being received. In 2021, we did not receive submissions nor make any awards.

**CONFERENCE HISTORIC SITES:** Recognizing churches as conference historic sites inspires congregations to celebrate their place in the mission of GNJC. We are available to consult with congregations on the historic site nomination process.

**NOMINATE YOUR CHURCH:** We welcome congregations to request nomination as a Conference Historic Site. A church must demonstrate that a site played a significant role in the historic development of our conference or denomination to be considered. We believe that there are other candidates for this honor in GNJ, especially within our growing diversity of ethnic churches, and invite congregations to reach out to the commission to explore this opportunity.

24 **NEJCAH:** We continue to have a representative, Donald DeGroat, on the Northeast Jurisdiction Commission  
25 on Archives and History Executive Board. Don's role gives GNJ CAH a leadership role on the jurisdictional  
26 commission. We actively support the ministry of NEJCAH.

27  
28 **CONSULTATION AND SPEAKING:** We also stand ready to provide consultation on historical issues and  
29 assistance in planning and celebrating significant anniversaries and events, including providing speakers to  
30 lift-up the historical significance of the church or explore other topics related to our Wesleyan tradition,  
31 American Methodism and GNJ history. For questions regarding consultation or speaking engagements please  
32 contact the chairperson.

33  
34 **RESOURCES:** The commission maintains a robust list of links to historical resources, which include: The  
35 Challenges of Being a Church Historian, Greater New Jersey Archival Holdings, Celebrating Our Methodist  
36 Heritage, Church Record Retention Schedule, Conservation Tips, Greater New Jersey Historic Sites, How to  
37 Write a Local Church History, United Methodist Church Timeline, Heritage Sunday information, Greater New  
38 Jersey CAH Historical Library and the United Methodist African American Timeline. Downloads are also  
39 available on topics such as GNJ Historic Sites, Local Church Vital Records Online, How Do We Date Our  
40 Church's Beginning? And African American Central Jurisdiction Churches. These resources may be found on  
41 the CAH webpage ([gnjc.org/ministry/resources/agencies and committees/commission on archives and  
42 history/archives and history resources](http://gnjc.org/ministry/resources/agencies_and_committees/commission_on_archives_and_history/archives_and_history_resources)).

43  
44 **SUMMARY:** 2021 was a period of transition for our commission. Due to Covid-19 restrictions at Drew  
45 University, we had limited access to our physical archival collection for much of the year. However, in the fall  
46 we regained some access to our materials through the return of the staff from the General Commission on  
47 Archives and History to the Archives Center. As a result, work was again able to resume on organizing and  
48 digitally scanning the Clark Hunt Sermon manuscripts and a finding aid was created for that collection.  
49 Additionally, our online platforms, like Ancestry.com and Internet Archive (see above), continued to make

1 our digitized materials readily available. Further, in spite of the budgetary limitations imposed by conference  
 2 in response to financial concerns, we were able to make important investments in our core mission. With the  
 3 support of our Conference Treasurer Rob Zuckerman, the Director of Connectional Ministries Eric Drew, and  
 4 the members of CF&A, we were able to meet our obligations for our archives space rental and purchase a  
 5 new laptop computer and software that will allow us both to maintain our core functionality and to,  
 6 ultimately, move toward archiving and preserving digital materials. We are grateful for this support.

7  
 8 **PERSONAL PRIVILEGE:**

9 I wish to thank all of the current and former members of the commission for their dedicated and faithful  
 10 efforts to advance our ministry of memory within GNJC. I feel privileged to serve as chairperson of such a  
 11 great team!

## 2023 BUDGET SCHEDULES

### Income Details

	<b>2023</b>	<b>2022</b>
	<b><u>Budget</u></b>	<b><u>Budget</u></b>
<b>GNJ SHARED MINISTRY</b>		
Apportionment Base	63,963,783	66,264,500
GNJ Shared Ministry Percent	6.2% to 12.3% (wt. avg. 11.8%)	6.2% to 12.3% (wt. avg. 11.8%)
Total Apportioned Shared Ministry	7,529,954	7,921,294
Anticipated Giving rate	91%	90.0%
Net GNJ Shared Ministry	6,852,258	7,129,164

Apportionment Base - the total spending of all congregations minus a congregation's mission spending, shared ministry giving, and capital expenditures. For the 2022 budget, the 2019 statistics were used to calculate the Shared Ministry Apportionment base because the 2020 statistics were impacted by Covid. For 2023 budget, because the 2021 statistics were impacted by Covid, the average of 2019 & 2021 were used. In the 2024 budget, the 2022 statistical Shared Ministry Base will be used regardless of Covid's impact as GNJ and its congregations emerge from the pandemic.

GNJ Shared Ministry Percent - on October 5, 2020, GNJ courageously passed a historic legislation, A Journey of Hope (JOH), based on its commitment to end the sin of racism and create a more racially just, inclusive, and equitable church. As part of the JOH, GNJ set a new *Shared Ministry Percentage* for local churches based on the income level of the community where the church is located. In 2023, the Shared Ministry percentage for local churches will be between 6.2% and 12.3%, depending on the average income level of the community.

Anticipated Giving rate - on average the percentage of Shared Ministry given by congregations. In 2013 the average giving was 78% and in 2021 it was 93%. Over the years GNJ congregations have made great progress in their stewardship and giving to Shared Ministry. For 2023 budget, 91% is used because of the volatility created by the pandemic, economic challenges and any denominational matters.

**CABINET REPORT**

**“But he knows the way that I take; when he has tested me, I shall come out like gold.” (Job 23:10)**

It has been a full two years since we have been under the influence of the COVID 19. We can all attest to the difficulties experienced within our church communities. In fact, an analysis by the ABC data group showed that churches in the northeastern U.S. suffered the most considerable church attendance loss with 27% fewer people going to in-person services in October of 2021 compared to January of 2020. Additionally, in Greater New Jersey, we have experienced by a series of additional challenges in 2021; loss of beloved church members, financial challenges in GNJ, impact by the pending bankruptcy of the Boy Scouts America, Hurricane Ida, and so on.

Ironically, we have noticed that the most impressive innovation of church communities happened during one of the most difficult times in modern Christian history. Churches resiliently rose above all the challenges and thrived with renewed strength. As written in Job, the cabinet believes that churches in Greater New Jersey Annual Conference will come out like gold after the tests.

District Superintendents have witnessed congregations and pastors continue in Spirit-filled, creative, and life-giving work in and out of their community. In addition, many congregations, small and large, participate in feeding ministries and other missional opportunities far beyond the expectation, especially when considering the number of volunteers and resources.

United Methodists in Greater New Jersey reinvented the way to be the church. Live streaming worship, hybrid worship, and zoom meetings will stay even after the pandemic. In addition, new technologies have shaped worship services and how we do ministry with global communities.

As the GNJ community, we have continued to implement the Journey of Hope plan. Forty-six African Diaspora and Native American churches have been a part of the Journey of Hope forbearance program. Sixty-six qualifying congregations began receiving their decreased shared ministry apportionment and billables. The cabinet worked carefully in identifying churches to bring equity and justice. More than half of the Board and Agency chairs in GNJ are ethnic clergy and laity. Fearless Dialogue Inc. has been leading the training programs for many GNJ leaders as we strive toward engaging in the work of ending the sin of racism with 150 congregations. GNJ’s comprehensive and unwavering response to uproot deeply rooted racial injustice is a testament to the character of the Christian community of believers.

The cabinet developed the redistricting plan last summer to strategically support clergy and congregations and adapt to the changing situation in the ministry setting. The redistricting plan was approved in the previous adjourned session of the annual conference. We have moved from nine districts and three regions to six districts and two regions. Metro Highlands Region has Skylands, Meadowlands, and Raritan Shore Districts. Coastal Plain Region has Central, Delaware Bay, and Cape Atlantic Districts. Two regional directors, circuit elders/leaders, and one regional administrator per region will make a regional team with three District Superintendents. Each District Superintendents will have an average of about 83 churches. Regional teams have been developing regional resources, strategic plans, and contextual approaches for revitalization.

In 2021-2022, GNJ excelled in providing resources for clergy and congregational leaders. Leadership Academy was launched and virtually trained about 700 leaders in GNJ. Back to Basic training in the Coastal Plain region has reached 200 congregational leaders in 2021. Foundation training in Metro Highlands has trained 320 congregational leaders in 2022. The central and southern regions had a seminar supporting large church pastoral leaders in 2021. As a part of regional resourcing, GNJ has invited 150 leaders to participate in the Leadership Institute provided by the Church of the Resurrection. The Coastal Plain region has a retreat

1 for 40 clergy persons. This retreat focused on renewal, preaching, and fellowship. The Metro Highlands  
 2 region offered six coaching sessions to 15 clergy members, provided by Rev. Olu Brown. Ongoing outward  
 3 mindset training and coaching trainings have been offered to GNJ staff and circuit elders/leaders. The  
 4 Pathway Resource for congregational development has started to support congregations as they navigate  
 5 through the new normal circumstances and leading after the pandemic. Overall, during the pandemic, GNJ  
 6 has offered a myriad of worship, programming, trainings, seminar, and missional resources to clergy and laity  
 7 leaders in order to help congregations make disciples for Jesus Christ amidst our challenges.

8  
 9 In September 2021, 23 churches were severely affected by Hurricane Ida. GNJ churches supported them with  
 10 the labor of love as well as the grant of half a million dollars. Through connectionalism, we could support and  
 11 build up each other in times of difficulty. When people hurt, United Methodist help. Thank you for stepping  
 12 up with your prayers, presence, and gifts.

13  
 14 Last December, United Methodist leaders reached a settlement in the matter of the Boy Scouts of America’s  
 15 (BSA) pending bankruptcy proceedings. Upon final court approval, the settlement would resolve any claims  
 16 of sexual abuse that may have occurred in congregation-sponsored Scouting programs. In addition, under  
 17 the terms of the settlement, United Methodists would raise and give \$30 million over three years into a fund  
 18 utilized to compensate survivors for their healing. We are grateful for Bishop John Schol’s leadership in  
 19 leading this denominational challenge. GNJ District Superintendents also played a leading role nationally as  
 20 we planned a model of holding special charge conferences that helped other annual conferences effectively,  
 21 efficiently, and swiftly act on matters relating to the BSA.

22  
 23 Finally, we celebrated Rev. Dr. Gina Hendrickson’s seven-year term as District Superintendent of Northern  
 24 Shore District and Rev. Gina Kim’s five-year term as District Superintendent of Palisades District in May of  
 25 2021. Farewell services for two strong and faithful pastors were joyful, life-giving, and inspirational. After  
 26 eight years of caring and uplifting ministries, Rev. Brian Roberts from Cape Atlantic District will move on to  
 27 the next phase of ministry. Also, we will welcome Rev. Jana Purkis-Brash as Superintendent of Cape Atlantic  
 28 District. Her wisdom from rich ministerial experience and non-anxious presence will be great gifts to many,  
 29 including the cabinet.

30  
 31 We have been tested through a series of challenges, but we have renewed, reimagined, and refined  
 32 ourselves. With God’s mercy, we will come out as gold.

36 **CENTENARY FUND AND PREACHERS AID SOCIETY**  
 37

38 The Centenary Fund and Preachers’ Aid Society was established by charter granted in 1857. In 2000 the  
 39 charter was amended to rename the corporation The Centenary Fund and Preachers’ Aid Society of the  
 40 Greater New Jersey Annual Conference of the United Methodist Church. The purpose of the Fund is to  
 41 provide maximum income, consistent with the preservation of principal, for the support of retired clergy and  
 42 surviving spouses and dependent children of deceased clergy who have served in the GNJ Annual  
 43 Conference.

44  
 45 A primary way the Fund meets that purpose today is by contributing towards the cost of providing retiree  
 46 healthcare. In 2021 the amount contributed was \$770,000 and since 2004 the Fund has contributed  
 47 approximately \$8 million for this purpose.  
 48

## REPORTS

1 The Fund also provides grants to pastors and their families with special needs who have requested aid,  
2 including help with extraordinary medical expenses, transportation needs and loans to assist retired pastors  
3 obtain housing in Methodist (and other) Homes, among other ways. Several such grants were made totaling  
4 just over \$35,000 since 2016. The Fund has only been able to do this through the generous support of clergy,  
5 laity, and churches, by means of annual contributions and periodic donations as well as bequests. Since  
6 inception the Fund has received more than \$6.3 million in donations. The Fund has set an annual goal of  
7 raising \$50,000 annually specifically to support retiree health care. The Fund's balance as of the end of 2021  
8 was \$13,444,000.

9

10 We have also partnered with the Stewardship Foundation and the Communications Committee to raise our  
11 profile and increase our support. We hope you will help us build up the Centenary Fund with your tax-free  
12 donations so that The Centenary Fund and Preachers Aid Society will be able to continue the substantial  
13 contributions needed in the future to fund retiree healthcare and to provide aid to retired clergy and their  
14 dependents. Thank you so much for your support to date.

## 18 **CHRISTIAN OUTREACH PROJECT: A NEW JERSEY NON-PROFIT CORPORATION**

19

20 The Christian Outreach Project seeks to provide free home repairs and renovations for individuals in  
21 northwest New Jersey who do not have the means to pay. COP is celebrating our 40th year anniversary in  
22 the summer of 2022. Youth and adult supervisors donate their caring and skills while learning and growing in  
23 the process. For one week in June/July, teams from churches around the Greater New Jersey Annual  
24 Conference gather at the Camp Hoover Girl Scout Facility in Swartswood, NJ for a week spent in Christian  
25 fellowship providing home repairs during the day and participating in camp activities in the evening.  
26 Participants start each day with a time for reflection and prayer. After breakfast, they pack bag lunches and  
27 set out in work crews for job sites. While working on homes, many youth have the opportunity to interact  
28 and learn from their homeowners. After work, participants enjoy dinner provided by local churches and  
29 return to camp for evening activities, singing, and worship. During this time of COVID we are also offering the  
30 opportunity to participate as a day camp.

31

32 In 2021, COP had a successful summer program. We had 41 participants from 8 area churches that were able  
33 to repair and renovate homes for 7 families in need in Morris & Sussex Counties during the last week of June.  
34 We are looking forward to, and planning for, our 2022 program.

35 COP is funded by cash and in-kind donations, fees paid by volunteer participants, and support from the  
36 United Methodist Church. COP is a Greater New Jersey Annual Conference Advance Special as well as A  
37 Future with Hope - Hope Center. The Christian Outreach Project is recognized by the IRS as a 501(c)(3)  
38 corporation. Donations are tax deductible as allowable by law. Federal Tax ID 26-1832341.

## 42 **DISCIPLESHIP, BOARD OF**

43

44 The goal of the Board of Discipleship of the Greater New Jersey Annual Conference is to help resource,  
45 support and affirm clergy, laity, and congregations in making disciples for Jesus Christ for the transformation  
46 of the world.

47

1 This past year, as the pandemic continued, seemed even more challenging than the year before. With  
 2 people feeling weary of restrictions and isolation it was difficult for us all on many different levels. However,  
 3 the Church will persevere. Churches continued to find new and innovative ways to meet for worship, small  
 4 groups, training, and fellowship. In a recent foundational training, we were told that if our churches ever  
 5 fully open only 80% of those who were there before would return making our base for ministry still different  
 6 and less than it was. The Rev. Dr. Jevon Caldwell-Gross shared with us that while “Sunday used to be “the”  
 7 day for church, now it is “a” day.” We have to be creative and expand our thinking beyond the traditional  
 8 Sunday morning.

9  
 10 The Board of Discipleship met this year with GNJ’s new Director of Connectional Ministries, Eric Drew, to  
 11 discuss ways the board can truly help churches in resourcing their congregations to make disciples of Jesus  
 12 Christ for the transformation of the world. It is important that we share our successes and learn from one  
 13 another. That is the beauty of the connectional church. Now more than ever we must seek out our  
 14 colleagues, our sisters, and brothers to affirm and support all of the work we are doing throughout GNJ. If  
 15 you have a great discipleship success story please share it with us. We want to celebrate you.

16  
 17 Also keep in mind that the Board of Discipleship for GNJ honors people every year who are living,  
 18 breathing sermons who by virtue of the way they live their lives and minister and evangelize to the world  
 19 around them. Stay tuned for this year’s recipients of the Harry Denman Award for Evangelism in the  
 20 categories of clergy, laity, and youth.

21  
 22 I would like to take this opportunity to share my gratitude for the seven years I have served on the Board of  
 23 Discipleship, with the last three as its Chair. It has been a blessing and an honor to serve the people of GNJ  
 24 in this way. As I step away from the Board of Discipleship to serve in other capacities, I pray for each  
 25 member so that they continue to think creatively to serve our churches and promote discipleship across  
 26 Greater New Jersey in new and fun ways.

 30 **DREW UNIVERSITY THEOLOGICAL SCHOOL**

31  
 32 In spring and fall of 2021, Drew Theological School began returning to its Madison, New Jersey, campus for  
 33 some classes, meetings, and worship. As with many churches, in person events were held in spaces equipped  
 34 for live-streaming or Zoom participation. The shift to remote learning during COVID-19 pandemic thus  
 35 significantly expanded our online course offerings and accessible community events. Now, a number of  
 36 students in Drew’s masters’ programs will progress through their programs in U.S. and global locations far  
 37 from New Jersey. This year, we welcomed 150 new students, again the largest class in a decade, and have a  
 38 current enrollment of 376 students.

39  
 40 Drew cultivates pastors, preachers, deacons, activists, teachers, and thought leaders who are taking their  
 41 place as the next generation of faith leaders and change agents. Diversity is a hallmark of our student body,  
 42 including theological, vocational, age, and especially racial and national diversity both international--Asian,  
 43 African, and South American and U.S.--black, white, Latinx, and Asian American--students. Our student body  
 44 is truly global, with 35% of students from 21 different countries. For the first time in its history, Drew has an  
 45 African student association, initiated by Drew Theological School students from 14 African countries, that is  
 46 already contributing richly to the Drew community both on campus and online. We have welcomed new  
 47 faculty in Latinx ministries and world Christianity. We have also seen an increase in United Methodist  
 48 students particularly interested in the school’s Gospel-inspired traditions of social justice advocacy and

1 widely inclusive ministry. We are proud that many United Methodist Global Fellows have recently chosen to  
2 continue their journey in ministry at Drew. Our UMC graduates are serving in Greater New Jersey, Eastern  
3 Pennsylvania, and New York conferences as well as conferences across the country.

4  
5 The faculty is committed to continuing to develop the curriculum in ways that take seriously the wide range  
6 of lived experience and calls to ministry of the students that gather in our global classrooms. All degree  
7 programs at the Theological School include interdisciplinary courses that demand out-of-the-box thinking,  
8 apprenticeship training that addresses real-world issues, and modes of learning that promote adaptability  
9 and innovation. Our MDiv and MATM degrees include a required gateway year, vocational pathways, and  
10 experiential learning that develops and deepens adaptive leadership skills. The curriculum features a team-  
11 designed and taught interdisciplinary sequence of core courses reflecting the integration of the theological  
12 disciplines and practices characteristic of the life of faith. The faculty have also articulated shared values that  
13 are infused across the teaching and learning at Drew: a commitment to anti-racism; gender and sexual-  
14 identity equality; eco-sustainability and environmental justice; and interfaith understanding and  
15 cooperation.

## **EQUITABLE COMPENSATION**

19  
20  
21 The responsibilities for the Commission on Equitable Compensation as outlined in ¶625.2 of the 2016 Book  
22 of Discipline are four-fold: 1) To recommend conference standards for pastoral support; 2) To administer  
23 funds used in base compensation supplementation; 3) To provide counsel and advisory material on pastoral  
24 support to district superintendents and committees on pastor-parish relations; and 4) submit an arrearage  
25 policy to be adopted by the annual conference.

26  
27 The Commission is developing guidelines and advisory material on pastoral support that will specifically  
28 address the commitments that have been made with the Journey of Hope legislation that was adopted by  
29 the annual conference. In that the Discipline charges the commission to make these grants and distribute  
30 them, we believe that this is the most effective means to address salary inequities across GNJ as quickly as  
31 possible while other issues of long-term sustainability can be addressed and put in place. The commission  
32 continues to work on resources that will guide the conversations of all SPRCs on salary setting at appropriate  
33 compensation levels that is not only commensurate with other pastors, but also with other professional  
34 persons within the community.

35  
36 The Parsonage Standards have been edited, and a couple of paragraphs added to address concerns that have  
37 arisen through the year. The first deals with electric cars, and the second around housing allowances. While  
38 the first is applicable to a very small number of pastors and congregations right now, we see that as  
39 environmental issues and creation care of addressed in our churches that this will come up more and more  
40 in the future. We are also working on a guide to help churches ascertain what would be a fair housing  
41 allowance amount. The wide range of housing costs and the various needs of clergy makes it difficult to  
42 develop a single piece of legislation that will be applicable across GNJ. These guidelines will be available  
43 along with the other resources for the SPRC with other Church Conference paperwork information.

44  
45 We want to lift up the importance for local churches to pay attention to their parsonages. Copies of the  
46 parsonage standards should be in the hands of the SPRC, the Board of Trustees, and, if applicable, the  
47 Parsonage Committee. They are posted with the Church Conference paperwork and are available for  
48 download at any time. The upkeep for the parsonage is not just for the benefit of the pastor. It is also a  
49 protection of the investment that the church has in one of its properties.

1 My thanks to the members of the Commission on Equitable Salary for their time and energy in our work  
2 together on behalf of United Methodists of Greater New Jersey. The realities of COVID-19 for both pastors  
3 and local churches along with a significant increase in the cost of living for 2022 has made our discernment  
4 challenging this year as we seek to balance the realities of both congregations and clergy, and I am grateful  
5 for the commitment that each Commission member has made to do our work thoughtfully and with  
6 excellence.

10 **FINANCE AND ADMINISTRATION, COUNCIL ON**

11  
12 We started 2021 facing continued challenges with respect to COVID and concern with respect to how  
13 smoothly our churches would return to normalcy. While we understand many of our congregations continue  
14 to face challenging and uncertain times, I am happy to report that the Conference's financial situation has  
15 improved in 2021.

16  
17 This was possible because of the faithfulness of our Churches, the commitment and diligence of our staff and  
18 the thoughtfulness of our leadership.

19  
20 **Financial Report:**

21 We had an exceptional year in giving by our congregations because of the leadership of pastors and the  
22 generosity of our congregations. This is helping GNJ to fulfill its mission and strengthen its future finances.  
23 The following are the giving statistics for 2021 as compared to 2019 since 2020 data was skewed by COVID.

24  
25 A total of \$7.44M was given through shared ministries by our congregations. We had projected that we  
26 would receive \$7.06M; so we received 5.4% more than what we projected.

27 A total of \$11.35M was received for billings from our congregations. We had projected that we would  
28 receive \$10.99M; so we received 3.3% more than what we projected.

29 409 of our congregations gave 100% of shared ministry as compared to 364 in 2019.

30 431 of our congregations gave 100% of their billings as compared to 394 in 2019.

31 164 of our congregations contributed a higher percentage of their shared ministry and 97 congregations  
32 gave a higher percentage of their billings in 2021 than they did in 2019.

33  
34 All very encouraging and we are very grateful to our congregations.

35  
36 We also celebrate that our A Journey of Hope Plan actions to address inequities in shared ministry and  
37 billings in lower income communities was successful and was received well across the conference. We  
38 realized a higher percentage of shared ministry and billings with 13 (of 66) Journey of Hope congregations  
39 increasing the amount of Shared Ministry dollars given and 22 paying more in billings.

40  
41 With respect to General Church Apportionment payments, the Annual Conference voted that GNJ would  
42 passthrough whatever the churches paid toward GCFA apportionments. In 2021, GNJ paid 86.5% of the  
43 amounts apportioned for the seven GCFA funds. As previously decided, all funds received the same  
44 percentage of what was apportioned for the fund.

## REPORTS

1 Property sales in 2021 were above budget, with gross proceeds of \$7.1M and net proceeds totaling \$4.8M.  
2 Details:  
3 \$7.1M in property sales in 2021. (Budgeted at \$3.7 million).  
4 \$0.5M toward closing costs (legal fees, property transfer fees, etc.)  
5 \$1.8M toward maintenance prior to selling, past billables & initial investment in the case of conference  
6 owned property  
7 \$3.2M toward the 2021 budget as approved by Annual Conference  
8 \$1.6M toward designated funds as directed by Annual Conference which was \$ \$1.1 million more than  
9 projected.

10  
11 Hurricane Ida was a major catastrophe that hit New Jersey in early September. Many of our churches were  
12 dramatically hurt by this hurricane. Council of Finance and Administration (CFA) and Board of Trustees (BOT)  
13 felt that “connectionalism” means that we must help these churches at times when they face genuine need.  
14 It was also felt that it was very important to make sure that the proper steps were taken to ensure we are  
15 not in the same position when the next hurricane strikes. Where applicable, these churches are being  
16 encouraged to get flood insurance from FEMA and to also make their repairs in such a way as to be better  
17 protected from damage the next time around. In partnership with the BOT, as required by the GNJ  
18 Designated Fund Policy & Procedure, CFA approved an emergency use of funds of nearly \$440K to provide  
19 repair grants to our local congregations impacted by Hurricane Ida. These were funded by unused COVID  
20 grants from the 2021 operating budget; no designated funds were used.

21  
22 The first round of PPP loans, received in 2020, were forgiven for GNJ (\$980K) and our Mission Partners. In  
23 2021, GNJ and many of our churches benefited from the second round of PPP loans; GNJ received another  
24 \$955K. We recognize that without this funding in 2022, we might face additional challenges as we transition  
25 to a post COVID world.

26  
27 During 2021, members of the Board of Pension, CFA, BOT, Centenary Fund, the Cabinet, and Wespath  
28 reviewed and updated the financial model being used to manage funding the annuitant health care liability;  
29 they all agreed that GNJ has a realistic plan to fund the liability. The model was shared with the Annual  
30 Conference at the October 2021 Adjourned session.

31  
32 Lastly, as discussed at the January 26, 2022, information session, there has been a tentative settlement with  
33 respect to the BSA bankruptcy case. If the court approves the settlement plan, GNJ will make a \$910,420  
34 contribution to the Survivor Trust Fund - this being our share of UMC’s total \$30M contribution. It was a  
35 unanimous decision amongst various leaders in GNJ such as members of the BOT, the CFA, the  
36 Communications/Connectional Table, and our Superintendents to support the proposed commitment. The  
37 commitment is not just a financial commitment but also a healing, education and prevention commitment  
38 that seeks to remediate past wrongs and prevent future recurrences of the same. Following the “Emergency  
39 Use of Funds” protocol in the Designated Funds Policy & Procedures, both the BOT and CFA approved the  
40 use of funds on an emergency basis.

48 A GNJ Audit Committee has been formed with representation from the CFO, CFA, BOT and CBOPH as well as  
49 three non-CFA experts has been put in place. This committee interviewed and selected a new Audit Firm

(Tait Weller) to do our 2020 and 2021 Audits. As our previous auditor faced challenges completing the 2020 audit, that work is unfortunately not completed. With the help of our new audit firm, we expect to get 2020 completed and back on track to our normal cycle to complete 2021 by June 2022.

A GNJ Investment Committee has also been formed with three members from CFA and two non-CFA experts who have started the dialogue with Wespath on how best to fine tune our asset allocation.

**GNJ Financial Administration:**

Improved financial reports being provided to CFA and GNJ staff budget owners.

Consolidated budgets with all income and expenses of GNJ, not just shared ministry, are being provided.

Improved management reports showing budget vs. actual during the year.

Developing a cash flow report that will capture all sources/uses of cash.

Danielle Andrews has been promoted to Controller and a new accountant has been hired. With these changes, we implemented improved internal controls and documentation.

GNJ Financial Policies and Procedures have been fully re-drafted and will be finalized/implemented in 2022.

**GLOBAL MINISTRIES, BOARD OF**

The Conference Board of Global Ministries works with Missionaries, our Advance Specials, Agencies, Conference staff and it also aligns with the strategic goals of GNJAC.

Advance Specials are required to submit a reapplication each year and provide supporting documentation.

The list of Advance specials may be found in the Board’s resolution.

The conference Board of Global Ministries shares responsibility on finding ways to encourage churches to support the Advance and Advance Specials. One of the goals of this committee for 2021 was to dedicate time to visit Advances Specials and help share their stories in the conference. This was hindered by the restrictions imposed by the COVID-19 pandemic. In addition, we did not host any missionaries during last year.

During last year we participated in the monthly meeting of the NEJ Conference Secretary of Global Ministry (CSGM) and the Abundant Health Network meeting. In the Greater New Jersey Annual Conference, the position of CSGM is held by the Chair of the Board of Global Ministries as well.

There is a unanimous interest from committee members to be more involved in communicating mission opportunities to youths and young adults in our Conference.

**Goals of the Committee**

Have GNJ churches know about Board of Global Ministries and the ways the Board can be of support.

- Leverage and maximize what we already have in place
- Support and host GNJ Missionaries
- Committee members visit GNJ churches to share the work and stories of transformation and encourage churches to support via the advance.
- Encourage churches to support the Advance and Advance Specials
- Visit Advances Specials and help share their stories in the conference

## REPORTS

1 Isabel and the committee would like to visit churches to thank them for their support of UMC  
2 missionaries, share stories of transformation and impact, share why hosting missionaries is  
3 important, and give updates in other mission areas (including ways the church can increase their  
4 involvement in mission)

5 • A 1-pager of talking points needs to be developed so there is consistency across church  
6 visits, including what is involved with a church hosting a missionary.

7 Conference Advance Specials

8 • The Committee is responsible for reviewing Advance Special applications and recommending them  
9 for approval to the Annual Conference Session.

10 • The Committee would like to increase GNJ's support of The Advance

11 • The Committee would like to visit the Advance Specials

12 • The Committee is responsible for coordinating missionary visits to GNJ Churches and provision  
13 hospitality, including:

14 • Picking the missionary up from the airport

15 • Securing housing (cannot be at a hotel)

16 • Inviting churches to host the missionary

17

18 Isabel is typically given a months' notice, which has been challenging in securing churches to  
19 host the missionary. Some missionary visits to GNJ have been canceled due to the inability of  
20 churches to host.

21 • Isabel is going to ask for a list of the missionaries visiting GNJ and when they plan to visit  
22 so the committee can begin planning sooner and increase the number of church hosts.

23 • The committee is going to work on ways to increase the audience for missionaries who are  
24 sharing (district wide opportunities, etc.)

28 • The Committee can promote Global Mission Fellows (as well as other mission

29 • opportunities) via NextGen, Search, Campus Ministries

30 • Youth and Young Adult mission opportunities can be promoted at Ignite and AC (tabling)

31 • Clarity is needed regarding how missionaries or a program can become an Advance Special with

32 • Global Ministries

33 • Ashley will work with communications to but the process on the Board of Global

34 • Ministries webpage

35 • Isabel is going to provide the following to the committee

36 • Number of GNJ Missionaries and what churches are supporting them

37 • The Committee is interested in creating a video on the impact of hosting a missionary (sharing  
38 stories of transformation in both the missionaries work and in the lives of those who hear about it)

39 • Ashley will work with communications to highlight missionaries in the Relay

40 • The Committee is interested in sponsoring a Day of Mission across GNJ (perhaps could be done with  
41 district poverty task forces as well). There could be a variety of mission sites across GNJ for persons  
42 of all ages to engage on the same day. Potential sites include:

43 • Hope Centers

44 • Church Sites

45 • Environmental Sites

46 • Advocacy/Justice Sites

1 **FIRST FRIENDS OF NEW JERSEY AND NEW YORK**

2  
 3 Since its founding in 1997, First Friends of New Jersey and New York has upheld the inherent dignity and  
 4 humanity of immigrants whose lives have been impacted by the immigration and enforcement system. We  
 5 provide compassion and hope to immigrants through connections with volunteers dedicated to helping them  
 6 survive detention, gain freedom, and rebuild their lives. Our vision is to have a society where immigrants are  
 7 welcomed, valued, and empowered.

8  
 9 **Helping Immigrants Survive Detention**

10 For those being detained, First Friends provides a free telephone hotline; volunteer visitors (in-person and  
 11 remote; pen-pals; commissary funds and kits of stationery they can use to communicate with their families,  
 12 attorneys, and pen pals.

13  
 14 **Helping Immigrants Gain Freedom through Advocacy**

15 To help detainees obtain their freedom, First Friends advocates for releases, not transfers; the just closures  
 16 of detention centers and community-based alternatives to detention. We also meet with legislators and  
 17 educate the community about issues facing immigrants through the media, events (rallies, protests, vigils)  
 18 and campaigns (petitions, letters, phone calls).

19  
 20 **Helping Immigrants Rebuild Their Lives**

21 To help released detainees and other immigrants rebuild their lives, First Friends can provide financial  
 22 support for bond payments; transportation; temporary housing; rent and utility assistance; cash assistance  
 23 for food and clothing; legal referrals and accompaniment to court hearings.

24  
 25 **First Friends Accomplishments in 2021**

26 In 2021, First Friends made 263 deposits in friends’ commissary accounts, allowing them to purchase masks,  
 27 soap, and hand sanitizer to protect them from COVID-19. Over 250 “Stamp Out Despair” stationery kits to  
 28 the detention centers so that friends were able to write to their attorneys, families, and First Friends pen-  
 29 pals. First Friends posted bonds for 16 friends so they could be free while awaiting their immigration  
 30 hearings. Upon their release, we provided 48 friends with transportation from the detention centers back to  
 31 their families, and 11 friends with temporary housing. We also provided 39 friends with financial assistance  
 32 for rent and utilities, and cash assistance to 45 families for food and other essentials.

33  
 34 **GNJUMC and First Friends**

35 First Friends NJ/NY is an Advanced Special in GNJ, and as a Hope Center has strong partnerships with many  
 36 United Methodist churches across the state. Morrow UMC in Maplewood began visiting immigrants held in  
 37 detention nearly ten years ago and has assisted in training volunteer visitors, coordinating visits to detention  
 38 centers, provided release support, collected donations, and has fundraised for the organization.

39  
 40 Chatham UMC participates in our Stamp Out Despair program that provides writing materials and postage to  
 41 detainees to stay in touch with friends and families which is especially important during this pandemic. The  
 42 UMW in Palisades have donated funds and signed up for volunteer visitations. Sparta UMC, Sparta UMW,  
 43 New Dover UMC have all contributed to First Friends either through donations or direct service to  
 44 immigrants. First Friends NJ/NY has a strong presence throughout GNJ and is supported by many  
 45 congregants in our conference. We are honored to be a recipient of 2021 and 2022 Community Outreach  
 46 grants from the United Methodists of Greater New Jersey.

**HIGHER EDUCATION AND MINISTRIES, BOARD OF**

*The Board of Higher Education and Ministries (BHEM) has mandates and responsibilities listed under ¶1634 in The Book of Discipline of The United Methodist Church and is the leadership development agency of The United Methodist Church. “Its mission is preparing global leaders for a global church and the world. Every elder, deacon and licensed local pastor benefits from our training and candidacy programs. Many young adults find help in clarifying their vocation and God’s call on their lives through our leadership and discernment programs.” (gbhem.org)*

*“UM Collegiate Ministries are the missional presence of The United Methodist Church on college and university campuses around the world. Through a network of chaplaincies, Wesley Foundations, ecumenical ministries and church-based ministries, The United Methodist Church reaches more than 1,300 campuses around the world!*

*“We are called to share with our campuses the transformational nature of Christ in a way that raises up a new generation of thoughtful, articulate Christians who care about making the world a better place. While this calling looks and feels very different across our campuses, it is central to our identity, and it compels us to provide intentional, student-led ministries that reach this emerging generation of leaders.” (gbhem.org)*

The Board of Higher Ed will continue to promote and award scholarships to GNJ students aspiring to attend Methodist colleges and universities to fulfill their call to mission and ministry in the areas of youth ministry, outreach, mission, service, and a call to pastoral leadership.

At the 2021 Greater New Jersey Annual Conference, conference members passed legislation that would make the Educational Society of Greater New Jersey a subcommittee of the Board of Higher Education and Ministry. We look forward to working together to assist GNJ students in achieving their academic goals to serve their communities better.

This past year scholarship applications were processed online. The GNJ Connectional Ministries’ administrator submitted the completed applications electronically to our agency. Because we are still working remotely following CDC guidelines due to COVID-19, board members met via Zoom to complete the process and award the scholarships. BHEM received 21 electronic scholarship applications. Eleven (11) GNJ students received between \$1,500 and \$2,500 for a total of \$24,200 in scholarships. The students who received scholarships submitted complete applications by the deadline. Five areas considered by the agency team are financial need (FASFA), grade point average (official school transcript), letters of reference, an essay from the student, and a mission and ministry statement describing the student’s service in ministry and outreach for a possible total of 25 points.

BHEM encourages clergy and laity to nominate a person for the Francis Asbury Award every year. The Francis Asbury Award is a non-monetary award that recognizes those who encourage and support higher education and campus ministries within the United Methodist Church. All active clergy, layperson, employed or volunteer active in supporting, strengthening, and promoting higher education ministries may be nominated. This past year, the Francis Asbury Award recipient was Erik (Skitch) Matson.

GNJ BHEM’s commitment is to continue to encourage new relationships with congregations and college campuses, especially with students who are active members of congregations pursuing careers inspired by mission and ministries and to those who have a personal call to ministry.

1 Your continued prayers and support for our campuses, ministers, and chaplains, our faithful and dedicated  
 2 board members, and our conference youth and leaders will be greatly appreciated!

 6 **JOURNEY OF HOPE**

7  
 8 In October 2020, GNJ adopted a bold Journey of Hope Plan to commit to dismantling the sin of racism. This  
 9 plan is pledging our commitment to work for a just, equitable and inclusive Church so that we can fully honor  
 10 the humanity, racial identity, uniqueness, and sacred worth of every person – as we live out our baptismal  
 11 vows. Despite the continuing COVID pandemic, and general challenges that arise with reviewing existing  
 12 policy and procedures and creating new resources to combat system racism, GNJ has pushed forward and  
 13 continues to make progress on this important work. In this report, please find our progress on the 5  
 14 Keystone Measures and 10 Reporting Commitments of GNJ.

15  
 16 **5 Keystone Measures**

- 17
- 18 • **50 trained GNJ trainers and facilitators who are actively engaged with 150 congregations that are**  
 19 **developing and engaging in A Journey of Hope Plan by September 2022.** 122 conference leaders in  
 20 GNJ, both clergy and laity, have attended the first foundational training offered by Fearless  
 21 Dialogues. We are preparing for the 5-week immersive anti-racism training offered by Fearless  
 22 Dialogues in Spring 2022 – only for those interested in serving as a JOH facilitator. We expect as  
 23 many as 150 facilitators to be working with congregations by January 2023 as we are currently  
 24 working on a JOH plan template and process to engage this work.
- 25
- 26 • **At least 50% of GNJ agency chairpersons are People of Color by June 2023 and the number of**  
 27 **African American/Black and Hispanic/Latino clergy elders are doubled, and the number of all**  
 28 **Clergy of Color is increased by June 2025.** More than 50% of GNJ agency chairpersons are People of  
 29 Color. Recruiting work continues with conference Nominations Committee and the Cabinet to  
 30 remain equitable and just in the process of filling vacant conference committee positions.
- 31
- 32 • **25 new ethnic congregations (at least 10 African American) by using new technologies and**  
 33 **innovative strategies, and strengthening the worship, ministry, and finances of 10 existing**  
 34 **congregations of color by December 2025.** Intentional conversations with project leaders are  
 35 already underway during monthly meetings. Project leaders for this keystone measure are Rev.  
 36 William Williams, Rev. Sang Won Doh and Rev. Glenn Conaway. Together with Rev. Enger Muteteke,  
 37 Journey of Hope project champion, and Rev. Veronica Palmer, chair of conference committee on  
 38 Ethnic Local Church concerns, project leaders met in February 2022 to begin planning a process to  
 39 both identify current needs of congregations and ministry gaps to partner with existing  
 40 congregations of color to strengthen their ministry.
- 41
- 42 • **A handbook of all existing GNJ policies and procedures that have been reviewed and updated to**  
 43 **ensure GNJ’s policies and procedures create a culture of racial justice, inclusion, and equity by**  
 44 **February of 2022.** The goal date for the handbook of GNJ policies and procedures has been delayed  
 45 but is in process. The new goal date for completion is May 2022.

## REPORTS

- 1 • **\$4.1 million investment in the health and vitality of GNJ through debt forgiveness, equitable**  
2 **salary, and shared ministry apportionment and billables in low-income communities by December**  
3 **2023.** 66 qualifying congregations began receiving their decreased shared ministry apportionment  
4 and billables in July 2021. 46 congregations have entered the debt forbearance program.  
5

6 In addition to the Keystone Metrics, GNJ identified 10 items which the Staff Executive Team would report on  
7 each year. They are as follows:  
8

- 9 • **The number of congregations with A Journey of Hope Plan and highlight three exemplary plans.**  
10 The Journey of Hope Plan Guide will be completed after GNJ staff and leaders begin working with the  
11 consultant, Fearless Dialogues. They have been contracted and began work with GNJ staff in  
12 September 2021. We expect the guide to be complete in January 2023. After that time, we will begin  
13 to share the number of congregations with a plan and highlight exemplary plans.  
14
- 15 • **The number of African American clergy recruited and in process to be elders in GNJ.** Presently  
16 there are 10 active African American/Black clergy elders in GNJ with only two under 58 years of age.  
17 An additional two are candidates for ordination and 5 African American candidates for provisional  
18 membership at this time. There are 8 retired African American clergy members.  
19
- 20 • **The number of African American churches that are part of a congregational development cohort**  
21 **and are being resourced to grow congregational vitality.** The first congregational development  
22 cohort begins in October 2021 and we will report on their progress next year.  
23
- 24 • **The percent of congregations that have A Journey of Hope Plan and the overall progress that is**  
25 **being made.** Because the Journey of Hope Plan Guide has not been completed, 0 congregations  
26 currently have a Journey of Hope Plan. We expect to launch a pilot group of 15 churches in January  
27 2023.  
28
- 29 • **The number and amount of grants given to African American and other ethnic congregations.** As of  
30 February 23, 2022, 39 grants have been awarded to local churches and the total amount is \$251,500.  
31 20 grants, or 51.2%, have been given to African American churches, multiethnic churches, and  
32 churches of color.  
33
- 34 • **Progress on equitable salary where there is income disparity in GNJ communities and what steps**  
35 **were taken to address income disparity.** This is an area which needs additional work.  
36
- 37 • **The number of churches that are receiving half billable and half shared ministry.**  
38 66 Churches began receiving reductions in billables and shared ministries in July 2021.  
39
- 40 • **The number of Hope Centers and the percentage in ethnic communities.** Presently, GNJ has 26  
41 Hope Centers with 10 in and serving ethnic communities. 38% of our Hope Centers are in and serving  
42 ethnic communities.  
43
- 44 • **Progress on the lawsuit to desegregate New Jersey public schools.** In January 2020, the Court  
45 denied the State's motion to dismiss the case, instead allowing the matter to proceed to discovery.  
46 We have a pending motion, asking the Court to rule that the schools are unconstitutionally  
47 segregated, and ordering the State to propose a remedial plan. Discovery on that motion is currently  
48 scheduled to conclude at the end of September, at which point we plan to ask the Court to rule on  
49 the motion.

- **A census of the percentage of African American/Black, Asian, Hispanic/Latino and Native American congregations' vitality, as compared to Anglo congregations.** GNJ is in the process of building the process and system to be able to obtain this information.

## **KOREAN MINISTRY, COMMISSION ON**

Korean Caucus of the Greater New Jersey Annual Conference is an active commission of both pastors with Korean-heritage and the churches they serve. These churches are not limited to Korean United Methodist Churches as many Korean pastors are appointed to cross-cultural congregations. To equip and support pastors in effective and relevant areas of needs and places, Commission on Korean Ministry conducts large group meetings and events all year round and operates also in smaller committees: Korean Women Clergy, Korean Pastors Serving Cross-Culturally, and work hand-in-hand with Korean Churches Association, Drew Theological Schools Korean Students Association and the jurisdictional and national Korean Clergy Association of UMC.

We have a membership of over 130 active individual members serving churches and the conference to this day. And our main foundation as a commission is for the following:

1. Organize and host workshops and trainings for pastors and lay leaders serving both Korean congregations and more
2. Raise cultural competency
3. Establish resource development and annual training of laity in Korean UM churches and the conference

On a large-group scale and in smaller committees, our clergy members worked with laity and churches to pave through the pandemic years to persist and organize trainings for pastors preparing effective ministry, empowering congregation, educating clergy, laity and churches through online workshops and meetings. One of the most important conversations pastors host with fellow pastors is cultural competency as this sets a groundwork of mutuality, accountability and effectiveness in all involved in services and ministry. Cultural competency is a necessary awareness to nurture healthy churches and both the clergy and congregation must work together to make it happen. Therefore, we organize and host opportunities to raise this bar as much as possible.

Although the pandemic certainly challenged to host physical meets and interactions and some annual events were diverted to virtual meetings, our members did not slow down developing resources for churches or on the personal level. Churches with members of Korean Caucus and our subcommittees deliver messages of hope, versatility, and mission to raise multi-generational disciples of Jesus Christ.

4 *Lord your God will be with you wherever you go.”- Joshua 1:9, NIV*

5  
6 Two years into the COVID 19 pandemic continues to challenge us, our churches, and our families. There were

8 been with us and will continue to be with us through all the challenging times.

9  
10 The Board of Laity adjusted its meeting monthly via zoom into a quarterly basis and continued the strategic  
11 conversation, planning, and in identifying ways to be an effective resource to all our lay leaders and laity in  
12 GNJ. We continue the visioning process together and finding different ways to enhance the participation  
13 and ministries of laity in GNJ.

15 The Board of Laity reaffirms its purpose, work, and goals for this quadrennium.

16  
17 **The Purpose of the Board of Laity shall be:**

20 develop and promote programs to cultivate an adequate understanding of the theological and  
21 biblical basis for lay life and work among the members of the churches of the annual conference.

36 commit to attend Annual Conference and report back to local congregation.  
37  
38 2. The Leadership Academy will continue to work to create a culture of learning in which laity  
39 throughout the Annual Conference will have an opportunity to become engaged, equipped

As the conference lay leader, I continue to participate in meeting sessions with the Association of Conference Lay Leaders (ACLL) of Northeastern Jurisdiction. I have participated in the annual lay leader national gathering via zoom.

## 10 **NATIVE AMERICAN MINISTRIES, COMMITTEE ON**

11

12 The Committee on Native American Ministries (CoNAM) continues to advocate on issues important to the  
13 Native American community. This year our focus has been on the tragedy of generational trauma which was  
14 created in the mid-1800s by the removal of Indian children from their homes and "educating" them by  
15 moving them hundreds of miles from their homes and families, silencing their language, cutting their hair,  
16 removing their traditional clothing, etc. in hopes of taking the Indianness from their lives. Methodist  
17 "schools", some 14-17 of them, participated in this process. We are asking for the Church to address this ugly  
18 part of the history of our Church. Materials and presenters are available to provide more information on this  
19 and other related topics. Advocacy for the Missing and Murdered Indigenous Women, started last year,  
20 continues to be supported and shared.

21

22 Please stay tuned for more information about the Northeast Jurisdictional CoNAM Conference which will be  
23 hosted in New Jersey in October 2022. Finally, we continue to define the role of CoNAM and the  
24 communities it serves in the implementation of the Journey of Hope.

## 28 **NEW JERSEY COUNCIL OF CHURCHES**

29

30 It is an honor to be able to report to you on this year's work of the New Jersey Council of Churches.

31

32 Of course, with the emergence of the pandemic, our priorities shifted somewhat to deal with that reality.

33

34 We made it a priority to educate our members regarding the facts surrounding vaccines. In that regard, we  
35 held a symposium entitled "The Covid Vaccine: Dispelling The Myths" with Dr. Anthony Fauci. Hundreds of  
36 people attended virtually.

37

1 We have been routinely disseminating information to our members regarding covid. The latest piece being  
2 "A Christian Response to the Covid Vaccine."  
3

4 We believe that we as the NJCC have a unique role in the pandemic to educate and inform.  
5 Another aspect of our ministry has been the situation at the Edna Mahan Correctional Facility. We formed a  
6 task force that was instrumental in the recommendation to close Edna Mahan and are now going to be  
7 involved in the next phase of choosing new options for incarcerated women.  
8

9 Finally, we continued with our broad-based social justice legislative ministry. We continue to speak to issues  
10 such as the Reparations Task Force, the NJ Green Amendment, the Fair Chance Housing Act and the  
11 expansion of assistance to low-income families.  
12

13 These are, indeed, challenging times. But with the help and support of our dedicated members and the grace  
14 of the Almighty we continue to make a difference.

## 18 **NEXT GENERATION MINISTRIES**

19

20 As many congregations have found, 2021 was a difficult year to grow ministry and programs. Next  
21 Generation Ministries continues to invest in its community of youth and young adults, youth leaders,  
22 pastors, campus ministers and more. It has been exciting to see how this budding community has connected  
23 regularly on Zoom to share, learn, and dream about what is next. There continues to be great passion across  
24 GNJ to raise up new generations of enthusiastic disciples of Jesus Christ who connect, grow, and lead in the  
25 church and community for the transformation of the world.  
26

27 While the community and relationships with local leaders continue to build and grow, programs were a  
28 challenge in 2021. Despite excellent planning work, with the rise in cases of the Delta variant, the IGNITE  
29 Conference was cancelled. There was limited engagement and involvement by volunteers, students, and  
30 families for summer camp programs at The Pinelands Center. In addition, the Cherry Hill school system  
31 cancelled their second year of programs at Pinelands, creating a budget shortfall and a "due-to" GNJ of  
32 \$80,000 for the year. With budget shortfalls, Next Gen downsized its staff, including its executive director  
33 and 2 full-time other staff members to begin 2022.  
34

35 Decreased program engagement, together with regrettable but necessary staff reductions, multiple critical  
36 maintenance projects, and the loss of significant revenue from rentals to area schools has led the Next Gen  
37 Board of Trustees to close the Pinelands Center for activities in 2022. During this time, we plan to look  
38 carefully at the facility, assess costs of needed upgrades, and evaluate future options for camping and retreat  
39 ministry in Greater New Jersey. Please contact us if you would like to learn more or get involved.  
40

41 Throughout these challenges, Next Gen has been in conversation with GNJ's Committee on Finance and  
42 Administration. CFA has been very supportive of Next Gen and often shared the importance of ministry with  
43 the next generation of disciples. Through our work together, we are presenting legislation which allows Next  
44 Gen to operate as a department of GNJ and continue with the Next Gen Board of Trustees oversight. This  
45 significantly simplifies the accounting and saves on organizational costs of running a nonprofit, including the  
46 audit, insurance, and other costs.  
47

48 While this has been a difficult time, many voices have emerged pointing to possibility and the great need to  
49 raise up young people as disciples of Jesus Christ. The business model for a sustainable nonprofit, as laid out

## REPORTS

1 in the 2017 Next Generation Ministry 10 Year Strategic Plan, has not come to fruition. However, with the  
2 provided legislation and our collaboration with CFA, a clearer, more transparent picture of the program costs  
3 of IGNITE and Pinelands is emerging. We are planning a great IGNITE Conference 2022. We will create a  
4 responsible, sustainable plan for camping and retreat ministry. God still needs the next generation of  
5 disciples and GNJ is still passionate about this important work. We pray and discern what is next together.  
6

7 One other exciting development for Next Gen has been a volunteer leadership team and excellent work at  
8 the Dietz Property. Dietz is a 20-acre, lakefront property just minutes from the Main Camp at Aldersgate. The  
9 sale of the Main Camp continues to progress slowly with the state but will close in 2022.

10 Down the road at Dietz, there has been significant groundwork and improvement. The Dietz Retreats Team  
11 has been meeting regularly to plan day programs and events, as well as hosting tent camping. Dietz is a  
12 beautiful property which is ready to host church groups and dreams of providing great retreat opportunities  
13 in northern NJ.  
14

15 We ask for your prayers and engagement as we continue ministry in 2022. With the relaunch of IGNITE, we  
16 expect that the creative, powerful Spirit of God will continue to flow, creating additional opportunities for  
17 young people and passionate leaders. Thank you for your support and involvement!

## **PENSION AND HEALTH BENEFITS, BOARD OF**

21  
22  
23 The Greater New Jersey Conference Board of Pension and Health Benefits (the Board) is authorized by The  
24 Book of Discipline of the United Methodist Church to contribute to the support, relief, assistance and  
25 pensioning of clergy and their families, as well as other church workers and lay employees of the United  
26 Methodist Church.  
27

28 Working with Wespath Benefits and Investments, the Board endeavors to implement and interpret national  
29 and conference policy.  
30

### **Pension**

#### **Pre-1982 Pension Plan**

34 The 2022 Past Service Annuity Rate for pre-1982 annuitant payment is \$727 per year of pre-1982 service.  
35 The 2023 Past Service Annuity Rate for pre-1982 annuitant payment will be \$742. The pre-1982 pension  
36 program continues to be fully funded and in a strong position.  
37 CRSP/MPP and CPP  
38

39 The General Conference's pension plan, Clergy Retirement Security Program (CRSP) is a hybrid of defined  
40 benefit and defined contribution approaches which took effect in 2007. For 2022 churches pay CRSP at 14%  
41 of clergy plan compensation and for the Comprehensive Protection Plan (CPP) at 3.4% of clergy's plan  
42 compensation, and UMLife Options at 2.2% of plan compensation for ½ time clergy.  
43

44 The 2012 General Conference enacted changes to the Clergy Retirement Security Program. Effective  
45 1/1/2014 for all contributions going forward, the CRSP Defined Benefit component was reduced from 1.25%  
46 of DAC to 1.0% of DAC. Under the CRSP Defined Contribution component, contributions were reduced from  
47 3% to 2% of clergy plan compensation and, in addition, match up to 1% of compensation if clergy contributes  
48 1% to UMPIP. Contributions previously made will not be affected by this change and benefits paid upon

1 retirement will be based on the previous formula for all benefits accrued prior to 1/1/2014. Any benefits  
 2 accrued from that date forward is based on the new formula.

3  
 4 Additionally, the General Conference changed the participation requirements from all clergy under  
 5 appointment to only clergy under full time appointment. Clergy appointed to less-than-full-time (3/4 and  
 6 1/2-time) are eligible based on the decision of the Annual Conference after approval of the Conference  
 7 Board of Pension and Health Benefits. The Board has voted to include those clergy appointed to less-than-  
 8 full-time (3/4 and 1/2 time) appointments in CRSP. For clergy appointed to 1/4-time appointments, a vote of  
 9 the Board has made UMPIP available as a pension option for those clergy. Please contact Alexa Taylor,  
 10 Insurance and Benefits Services Manager, for more information on this option. These changes require  
 11 Annual Conference approval.

12  
 13 The rates of remittance for the Clergy Retirement Security Program/Ministerial Pension Plan (CRSP/MPP)  
 14 and Comprehensive Protection Plan (CPP) increased from last year’s rates to 95% and 98% respectively. Ten  
 15 percent of churches were unable to pay these bills on time. Below is a summary of 2021 remittances:  
 16

Type	Remittances Rate	2021 Shortfall	# of Churches Paying < 100%	% of Churches Paying < 100%
CRSP/CPP	97.70%	\$76,847	44	10.21

17  
 18 To maintain clergypersons' participation in CRSP/UMPIP and CPP/UMLife Options, the Greater New Jersey  
 19 Conference fully pays delinquent church accounts using funds from the Reserve Account at Wespath Benefits  
 20 and Investments. We are concerned that some churches are not fully meeting their obligations with the  
 21 resulting decrease in the Reserve Account.

22  
 23 By 2021 year-end the cumulative delinquent amount for years prior to 2021 for CRSP/MPP and CPP was a  
 24 total of \$1,806,328, a decrease of \$1,113,672.

25  
 26 We thank those churches that maintained faithful stewardship, paying 100% of their obligation. We also  
 27 appreciate the continuing efforts of our district superintendents, Alexa Taylor, Insurance and Benefits  
 28 Services Manager, to collect the past due balances.

29  
 30 **Pre-Retirement Seminar**

31  
 32 The Board sponsored a retirement education session which was held virtually via Zoom on March 3, 2022.  
 33 The pre-retirement seminar focuses on those anticipating retirement within five years.

34  
 35 Presentations by Robert Christophel, Frank O’Brien of Wespath Benefits and Investments. Special thanks go  
 36 to Jennifer Cho for organizing this event. Thanks also to Alexa Taylor, Insurance and Benefits Services  
 37 Manager, for assisting and providing support.

38  
 39 **Health Insurance**

40  
 41 For 2021, the Board introduced the HealthFlex Exchange medical plan sponsored by Wespath Benefits and  
 42 Investments. The options consist of six medical plans, three dental and three vision plans. Also available  
 43 through the HealthFlex Exchange are Flexible Spending Accounts (FSA) and Health Savings Accounts (HSA).

**REPORTS**

1 The medical provider network is Blue Cross/Blue Shield PPO; the pharmacy benefits are provided through  
2 OptumRx. Beginning 2022, the 2% of salary was eliminated and participants will now pay a portion of the  
3 cost of their plan depending on the coverage selection (i.e., the amount that exceeds the premium credit  
4 approved by The Board each year).

5  
6 For 2022, The Board has set the default medical plan as the C2000 with HRA funding. Selection of another  
7 tiered plan potentially provides an opportunity for excess premium credit that may be used for qualifying  
8 medical expenses (such as co-pays and deductibles). The excess premium credit is accessed through a  
9 MasterCard branded debit card, or via a reimbursement form.

10  
11 Beginning in 2015, Wespeth no longer offers retiree health insurance. The Board implemented United  
12 HealthCare’s National Medicare Advantage PPO Plan which combines the participants’ Medicare A & B,  
13 supplemental coverage, and Part D prescription plan.

14  
15 **Premiums and Remittances**

16  
17 The following chart shows church premium rates in effect for 2022. These rates reflect a Cabinet- requested  
18 blended rate for all categories, which the Board has been moving toward for several years, so that health  
19 insurance premiums are not a factor in determining clergy appointments.

20

Health Insurance Premiums for 2022	
Employee	\$18,000
Employee & Child(ren)	\$18,000
Employee & Spouse	\$18,000
Employee & Family	\$18,000

21  
22 The Board thanks all churches that fully paid their health insurance premiums in 2021. Overall, churches paid  
23 98% of the total \$3,947,047 health insurance billings, an increase from the 2020 remittance rate of 95%. The  
24 2021 shortfall was approximately \$76,606 and the amount owed from years prior to 2021 is \$2,263,903.

25  
26 Churches failing to fully pay their premiums burden all churches and result in higher health insurance  
27 premiums for all. Thanks go to the Conference/BOPHB, CFO Robert Zuckerman, Benefits Assistant Veronika  
28 Varga, and the Cabinet for their continued efforts to collect health insurance arrearages.

29 The Board and the Conference staff have continued their efforts to ease the continued transitions in  
30 healthcare. The Health Insurance Guidelines included in these 2022 Conference Reports and  
31 Recommendations have been updated.

32  
33 **Annuitant Health Care Liability**

34  
35 As of the end of 2021, the Financial Accounting Standards Board FAS 158 liability for annuitant healthcare  
36 costs was \$56 million. However, with the 2022 changes made to the eligibility guidelines and health policy,  
37 the actuarial analysis indicates this liability will decline to \$37M. This liability is the estimated present value  
38 of the future costs of annuitant healthcare. The Annuitant Health Insurance Contingency Fund described  
39 below has been set up to address this large liability over time.

40

1 Annuitant Health Insurance Contingency Fund

2  
3 In 2002-2003 the Board, recognizing the growing magnitude of annuitant healthcare costs, together with the  
4 Centenary Fund, representatives of CFA, the Cabinet and the Association of Retired Ministers and Spouses  
5 (ARMS), developed a plan for a long-term Annuitant Health Insurance Contingency Fund that begins to offset  
6 the liability and ensure that retirees continue to enjoy conference-paid health insurance. The Fund was  
7 initiated by the 2003 GNJ Annual Conference and earmarked exclusively for healthcare costs for annuitants  
8 to cover higher premium costs expected in future years. The plan for the Fund involves a multi-year period  
9 during which excess pre-1982 retirement funds would be used to pay CRSP defined-benefit requirements  
10 and comparable funds from churches would be used to create a permanent retiree health fund. This is a  
11 critical initiative since it is clear that the Conference cannot continue to fund retiree health insurance on a  
12 cash basis out of the Conference Budget.

13  
14 As of December 31, 2021, the Annuitant Health Insurance Contingency Fund held a balance of \$3.4M after  
15 the re-balancing and net property proceeds (\$1.5M) deposited in accordance with the GNJ Designated Fund  
16 legislation passed at the October 2021 Adjourned Session of the Annual Conference. In 2021, \$770,000 of  
17 the premiums paid came from the Centenary Fund's annual contribution.

18  
19 During 2021, members of the Board of Pension and Health Benefits, Council of Finance & Administration,  
20 Board of Trustees, Centenary Fund, the Cabinet, and Wespeth reviewed and updated the financial model  
21 being used to manage funding the annuitant health care liability; they all agreed that GNJ has a realistic plan  
22 to fund the liability. The model was shared with the Annual Conference at the October 2021 Adjourned  
23 session.

24  
25 The Board Itself

26  
27 The Conference Board of Pension and Health Benefits endeavors to serve the Conference and the needs of  
28 those in ministry. There continues to be much to accomplish, especially in the challenging field of health  
29 insurance. Christ strengthens us to meet these challenges and we pray for the Holy Spirit to guide and  
30 inspire our actions.

36 **PENSION AND HEALTH BENEFITS, BOARD OF, 2022 HEALTH INSURANCE**  
37 **GUIDELINES**

38 The mission of the Conference Health Insurance Plan (the Plan) is to provide primary health insurance  
39 coverage to full-time full, provisional, and associate ministerial members and full-time local pastors of the  
40 Annual Conference and to eligible full-time lay employees.

41  
42 The Plan provides secondary health insurance coverage for retirees who are receiving Medicare which  
43 requires both Medicare Parts A & B for coverage. For those who have retired early and are not yet eligible  
44 for Medicare, primary health insurance coverage is through the same plan as those in active ministry. The  
45 Plan is a non-vested current benefit for active and retired pastors and lay employees.

37

38 **III. PREMIUM PAYMENT RESPONSIBILITY – PRE-ANNUITY RETIREES**

39  
40 The Conference Board of Pension and Health Benefits shall establish rates of premiums for the participants,

44

45 **IV. PREMIUM PAYMENT RESPONSIBILITY – ACTIVE**

46  
47 The Conference Board of Pension and Health Benefits shall establish rates of premiums for the participants  
48 based upon the premiums charged by the carrier.

## REPORTS

1 Unless it has already been stated above under Eligibility, the Conference shall pay the premiums for all  
2 enrolled active participants, lay or ministerial, from appropriate funds, except that:

3  
4 A. Each church shall pay the premium(s) or Waived Participation Fee(s) (which is equal to the  
5 blended premium) of each of its full-time appointed clergy (including clergy spouse and  
6 dependent children if enrolled) who are either a full, provisional, or associate member of the  
7 Conference or a local pastor.

8  
9 1. The salary paying unit shall also be responsible for remitting premium for its lay  
10 employees who are enrolled in the Plan.

11  
12 2. Plan participants are to pay the amount of their share of the premium in excess of the  
13 premium credit provided by the HealthFlex Exchange default plan selected by the  
14 BOPHB. The local church will deduct the funds from the participant's compensation and  
15 remit the participants' share to the Annual Conference on a monthly basis.

16  
17 B. Each eligible enrollee, whose fees are not paid as provided above, shall pay his or her own  
18 premiums either directly or with employer participation. In every case, the individual enrollee is  
19 responsible for seeing that payment of his or her own premium is made if the party with PRIME  
20 responsibility fails to make the payment.

### 21 22 **V. CONTINUATION OF COVERAGE AFTER CERTAIN EVENTS**

23  
24 A. **Voluntary and Involuntary Termination** - If a person's participation in the Plan ceases due to  
25 voluntary or involuntary termination of Conference membership or employment or discharge or  
26 removal from the Annual Conference, Continuation Coverage for health insurance may be available  
27 through application to HealthFlex.

28 B. **Loss of Dependent Status** - If a dependent's participation in the Plan ceases due to divorce or to  
29 attaining the limiting age, Continuation Coverage may be available through application to HealthFlex.

30  
31 C. **Medical Leave** - See #2 under Eligibility.

32  
33 D. **Leave of Absence** (§353 and §354) - Clergy placed on voluntary leave of absence (personal, family,  
34 or transitional) or involuntary leave of absence may continue in the Plan for a period of twelve  
35 months, provided they pay the premiums. Continuation Coverage for up to an additional 12 months  
36 may be available through application to HealthFlex. Leave of absence is not an appointment, causes  
37 a break in appointment years, and does not accrue annuity credit towards health benefits in  
38 retirement.

39  
40 E. **Sabbatical Leave** (§351) Clergy placed on sabbatical leave may continue in the Plan for a period of  
41 twelve months, provided they pay the premiums. Continuation coverage may be available through  
42 application to HealthFlex. Sabbatical leave is not a break in appointment years for the purposes of  
43 health benefits in retirement.

44  
45 F. **Death** - Surviving spouses of clergy members are subject to the same rules (see Eligibility Guidelines  
46 #1 and 3) as the clergy member. Surviving spouses of lay employees of the Conference and District

48  
49 G.

**VI. ADMINISTRATION**

All concerns, issues, requests, etc., relating to premiums, benefits, coverage (including voluntary termination of coverage, additions, or deletions to policies) and benefits at retirement must be “in writing” from the Plan participant to be considered official. Such correspondence, concerns, or requests for changes in coverage must be sent to the Plan Administrator or his/her designated coordinator. Commitments or resolutions of issues must come in writing directly from the Plan Administrator or his/her designated coordinator.

The Benefits Officer and Administrator for the Conference Plan is the Chief Financial Officer/Conference Treasurer. The Benefits Officer shall be a member of the Conference Board of Pension and Health Benefits without a vote. He/she shall be responsible for promptly enrolling all eligible persons, for collecting all amounts due from churches, agencies or individuals for participation in the Plan, for arranging for their prompt deposit in a Conference account, for checking all billings from the Insurance Carrier to certify their completeness and accuracy and for making proper remittances on schedule for the Plan; and such Officer shall delete from the Plan any enrollee whose premium is not paid by the end of the month for which the premium is due. Termination is effective the first day of the month for which no payment has been received.

**SAINT PAUL SCHOOL OF THEOLOGY**

Educating tomorrow's leaders by offering on-campus, online, and hybrid learning courses at a FLEXible schedule, Saint Paul School of Theology is a seminary of the United Methodist Church committed to the formation of people for innovative, creative ministry. Grounded in the academic study of faith and ministry, theology is practiced in a traditional classroom and a contextual curriculum.

As the global pandemic continues to bring challenges to our daily lives, Saint Paul School of Theology began the 2021-2022 academic year, again offering students an option to attend courses via Zoom or on-campus while maintaining safety protocols. Our weekly chapel service continues to be available online, allowing staff and students to come together as one institution where all are invited to create a sacred atmosphere from wherever they are. In addition to faculty and staff serving as chapel speakers, we were blessed to have alumni and special guest speakers Rev. Winter Hamilton of Manchester UMC, Rev. Delesslyn Kennebrew, Rev. Dr. Carol Cook Moore, and more. Chapel recordings are available on the Saint Paul YouTube channel for those who cannot join live.

Saint Paul staff and faculty continue to contribute to the academy, church, and society. This year, we have had many faculty and staff changes. After many years of tremendous service to students and the Seminary, Dr. James Brandt and Dr. Hal Knight announced retirement plans effective at the end of the 2021-2022 academic year. In addition, Dr. Jeanne Hoeft will step down from her role as Vice President of Academic Affairs and Dean at the end of the academic year but will continue as faculty. New additions to the Seminary family include Dr. Joshua Bartholomew, Assistant Professor of Ethics, Church, and Society; Dr. Tiffany Nagel Monroe, Executive Director of the Oklahoma Campus; and Rabbi Michael Zedek, Rabbi-in-Residence.

The faculty of Saint Paul School of Theology maintains high standards of scholarship, research, publication, and engagement. Over the past year, their many activities and publications have been so numerous that space permits only the sharing of selected highlights.

1. Dr. Nancy Howell, Professor of Theology and Philosophy of Religion and Oubri A. Poppele Professor of Health and Welfare Ministries, was re-elected to a second term on the Executive Committee of

15 Saint Paul welcomed 45 new students for the 2021-2022 academic year. New student enrollment for the Fall  
16 semester increased by 44% (34 new students), with an overall increase for the year of 73%. With the COVID-  
17 19 pandemic still in our midst, prospective students previewed the Saint Paul community and curriculum via  
18 online visits. Students joined in community worship, attended classes, and participated in online discussions  
19 with current students to discern if Saint Paul was indeed their choice for theological education. Enrollment  
20 remained strong for the Master of Divinity (MDiv) degree program with promising growth in our newly  
21 designed Master of Arts in Theological Studies (MATS) and Master of Arts in Christian Ministry (MACM)  
22 programs.  
23

24 In September, Saint Paul held the 2021 Harrington Lecture online featuring Dr. Eboo Patel. His lecture, "We  
25 Need to Build: Field Notes for Diverse Democracy," expanded knowledge and built skills, helping people  
26 become the kind of leaders our diverse democracy needs. In the Spring Semester, Saint Paul Evangelical  
27 Society, led by Dr. Hal Knight, hosted a forum given by Dr. Amos Yong, Professor of Theology and Mission,  
28 and Dean of the School of Mission and Theology at Fuller Theological Seminary, on "The Holy Spirit and  
29 People of other Faiths: Relational Christian Witness in the 2020s." Later in the semester, the Evangelical  
30 Society hosted a lecture featuring Dr. Joy Moore, Professor of Biblical Preaching and Vice-President for  
31 Academic Affairs and Academic Dean at Luther Seminary. And for the first time, on May 13, Saint Paul held a  
32 hybrid commencement celebration via Zoom, allowing graduates to come together from both the Kansas  
33 and Oklahoma Campuses with attendees viewing from around the country. We honored the 2022  
34 Distinguished Graduate Award Winner and Commencement Speaker Dr. Stan Copeland during the  
35 ceremony.  
36

37 For the 2021-2022 fiscal year, Saint Paul Course of Study (COS) School educated 228 individual students, 49  
38 of which were new students, with approximately 550 registrations and offering a total of 50 courses. Serving  
39 32 Conferences, including 94 Districts, 121 Full Time and 106 Part-Time Licensed Local Pastors comprised  
40 these registrations. Saint Paul Course of Study School welcomed new Regional Director Dr. Lucas Endicott.  
41 Dr. Endicott has been serving as Associate Director for the Office of Mission, Service, and Justice at the  
42 Missouri Annual Conference and lecturing at Central Methodist University. Due to the continuing pandemic,  
43 the school has continued its course offerings in both asynchronous and synchronous online formats. Utilizing  
44 this online format, we reached students in 24 states. Plans include an increase in the number of hybrid  
45 course offerings. This fiscal year has also ushered in the new ability of online registration completed by the  
46 student and access to their student account through Populi as used by Seminary students. All our students  
47 share the same benefits by integrating Course of Study School into Populi, making them a more integrated  
48 part of the Saint Paul experience.

1 Saint Paul Board of Trustees added two new members to their ranks: Ms. Debra "Debbie" Buzard, Director of  
2 Outreach Ministry at First United Methodist Church of Kearney; and Rev. Martin "Tino" Herrera,  
3 Congregational Care Pastor at UM Church of the Resurrection. Through a Board initiative related to diversity  
4 and inclusion, the Saint Paul Board of Trustees has devoted a significant portion of the last year's meetings to  
5 church leaders with experience and expertise in creating more diverse and inclusive communities and  
6 organizations. Aiding Saint Paul's trustees in better understanding these issues, the Board hosted the Rev.  
7 Dr. Benjamin Boswell in April 2021. Dr. Boswell, Senior Pastor of Myers Park Baptist Church in Charlotte,  
8 North Carolina, described the anti-racism work he has led in that community. The City of Charlotte awarded  
9 Dr. Boswell its Martin Luther King, Jr. Medallion for his work.

10  
11 In July 2021, Congressman Emanuel Cleaver II of Kansas City shared his perspective on the racial and social  
12 justice issues confronting our nation and the efforts he and his colleagues in the House of Representatives  
13 hope to undertake in response. With the Board's assistance, led by Board Chair Rev. Dr. Tex Sample, the  
14 seminary focuses on its mission. Our trustees continuously enhance and evaluate the strategic plans to guide  
15 us into the future.

16  
17 As we have happily reported in years past, Saint Paul is financially sound and operates with a balanced  
18 budget. These last years' changes have established a solid financial foundation for years of sustainability. As  
19 always, we continue to be grateful for donations from the community that provide technology, scholarships,  
20 and evolving academic programs to students. Our significant investments in technology have allowed us to  
21 maintain a hybrid educational delivery model providing a safe learning environment during the continuing  
22 pandemic.

23  
24 Our aim has always been to utilize technology as a conduit to bring faculty and students together regardless  
25 of whether they are on-campus or joining remotely through Zoom. We took a hard look at the distance  
26 learning landscape during the pandemic to see how we could substantially enhance the classroom  
27 experience. After significant testing, we opted to replace our distance-learning classroom technology with  
28 Neat's offerings, including technology still in development. All our classrooms began upgrades in Fall 2021  
29 with offerings from Neat. Each smaller classroom added a 65" neat.Board, a self-contained screen that  
30 functions as a full Zoom room, as well as an electronic whiteboard. Anything written or drawn on these  
31 boards is transmitted through Zoom to the screens in the classroom and remote Zoom participants. This  
32 content can also be saved and emailed to all participants. We implemented neat. Bars in other classrooms  
33 that connect to our classrooms' existing screens.

34  
35 We are currently implementing neat. Bar pros, just released at the end of 2021, in each of our large  
36 classrooms. At Saint Paul School of Theology, we have always tried to be pioneers with distance-learning  
37 technologies. We are very early in the lifecycle of this stimulating and groundbreaking technology. We are  
38 thrilled to partner with Neat and Zoom in revolutionizing the classroom experience.

39  
40 Saint Paul School of Theology is blessed to be your partner in ministry and help those seeking to discover  
41 more and answer the call. We are grateful for your support of our students and our seminary. May we  
42 continue to live into the call of Jesus Christ to be faithful witnesses for healing in these unsettled times and  
43 for generations to come.

4 **UNITED METHODIST MEN**

5

6 *Through Christ, with Christ, in Christ, in the unity of God the Holy Spirit, all glory and honor are yours*  
7 *Almighty Father God for ever and ever.*

8

9 *In the name of God; the Father, God the Son and God the Holy Spirit, Amen.*

10 The purpose of U M Men is to make the disciples for our Lord Jesus Christ. It is not a maintenance group or a  
11 breakfast club. It is the best tool clergy can use for evangelism. Each local Church must have a U M Men unit.

12 **WHY?**

- 13 1. The Book of Discipline says.
- 14 2. God wants it. God said, *“As iron sharpens iron, so a man sharpens the countenance of his friend.*  
15 *Proverb 27:17, (NKJV).*
- 16 3. Then the LORD God called to Adam and said to him, *“Where are you?”* Genesis 3:9.

17

18 **Goals for GNJ UMM:**

- 19 1. (Paragraph 647, page 429, Article 5.), Election for Conference UM Men under the supervision of

## **UNITED METHODIST WOMEN**

34

35  
36 The vision of United Methodist Women (UMW) is to turn faith, hope and love into action on behalf of  
37 women, children, and youth around the world. This quadrennium, United Methodist Women will continue  
38 our focus on climate justice and mass incarceration and the criminalization of communities of color. These  
39 emphases may be seen in our spring and fall meeting topics, Mission u classes, and our Charter for Racial  
40 Justice conversations.  
41

42 We started off 2021 with training for the new way of doing things in this pandemic environment. “Expand  
43 Your Spirit, Expand Your Role Knowledge, Expand Your Zoom-Ability” addressed these needs, especially for  
44 newly elected officers.  
45

46 The spring meeting on April 25th was held virtually with a brand-new format. Instead of separate district  
47 gatherings, many on the same day but all around the state, over 100 of us met together on Zoom. After our  
48 opening worship and keynote speaker, we went into breakout rooms by district. The Rev. Luana Cook Scott,  
49 Pastor at Morristown United Methodist Church, spoke on “Nevertheless, She Persisted: UMW Called to Be

1 Like the Persistent Widow in the Work of Environmental Justice,” based on Luke 18:1-8. The offering was  
2 divided between the Camden Neighborhood Center and GreenFaith.  
3 The fall meeting on October 16 was entitled “Equity in Voting.” Our speaker was The Rev. Liz Theoharis, co-  
4 chair with the Rev. William J. Barber II of the Poor People’s Campaign. She is also the director of the Kairos  
5 Center at Union Theological Seminary. We also heard from Toni Zimmer of the League of Women Voters and  
6 Joyce Pratt, president of an EEO/HR consulting firm, who raised three issues that could affect the ability to  
7 vote: school segregation, redistricting/redlining/gerrymandering, and our debt ceiling. The offering was  
8 divided between the Poor People’s Campaign and our Pledge to Mission.

9  
10 The popular Charter for Racial Justice conversation series continued in the fall with three sessions entitled  
11 “Know Your Neighbors:” Ruby Kish and two other Muslim women shared their varied backgrounds, with a  
12 “Focus on Muslim Experiences Post 9/11;” Susan Kim on “Focus on Asian American & Pacific Islander (AAPI)  
13 Experiences;” and Cynthia Mosley on “Focus on Indigenous Peoples Experiences,” with UMW Connectional  
14 Officer Sung-ok Lee urging us to action.

15  
16 The Intersectional Peace with Justice Legislation presented in May to the Annual Conference by the  
17 Leadership Team of United Methodist Women passed by a vote of 464-19. The resolution calls for  
18 commitments to education, respectful healing conversations and inclusive communities that respect the  
19 dignity and sacred worth of all God’s children.

20  
21 Mission u and its Regional School training sessions were again held on Zoom. In this second virtual year, we  
22 expanded the offerings to two courses: “Bearing Witness in the Kin-dom” and “Pushout: The Criminalization  
23 of Black Girls in Schools.” These classes were offered in both the 3-day and 1-day schools. There was a one-  
24 day Korean school as well.

25  
26 Our Spiritual Enrichment Advisor Barbara Miller, assisted by Membership Chair Holly Cyrus, led three virtual  
27 micro-retreats last year, each less than an hour in length. There was a guided meditation, a song and prayer,  
28 and an embodied prayer, in a series called “Take a Break with Jesus.” This corresponds with studies finding  
29 that “soul care” is needed by many women, especially during these trying times.

30 We are pleased to report that we met our Pledge to Mission, despite the pandemic and virtual meetings.  
31 However, due to redistricting, we have not yet been able to budget accurately for 2022. We held several  
32 meetings to reorganize in our new districts. We have requested help from our District Superintendents in  
33 obtaining lists and spreadsheets for this immense task. Using this information, we will be contacting the  
34 churches for which we currently have no UMW representative. This is time for a “new thing” and a  
35 wonderful opportunity to reach out to all women in all churches. Isaiah 43:19 encourages us that God is  
36 moving among us and through us to deliver this new thing.

37  
38 A “new thing” is also being birthed by the National organization of United Methodist Women. An article in  
39 *Response Magazine*, Jan/Feb 2022, reports making changes to our bylaws to ensure women can continue to  
40 be a part of United Methodist Women even if their local church leaves the denomination. providing a  
41 national membership option and creating new initiatives like Soul Care. “We are united in faith, stepping  
42 forward and daring to transform ourselves and the world.”

**1 UNITED THEOLOGICAL SEMINARY (DAYTON, OH)**

2  
3 For the past 150 years, United Theological Seminary has educated men and women for Christian ministry  
4 within the historic traditions of the United Brethren, Evangelical United Brethren and United Methodist  
5 churches. On October 11, 1871, United Theological Seminary, then Union Biblical Seminary, held its first  
6 classes in Dayton, Ohio. From a starting class of 11 students, the seminary has grown to 488 students in its  
7 most recent academic year,\* representing 39 denominations, 11 countries, and 39 states. Today’s seminary  
8 serves a diverse student body that is 53% African American.\*\*

9  
10 On October 10, 2021, the seminary celebrated its 150th anniversary and burned the mortgage on its current  
11 campus facilities, freeing up \$400,000 annually to support student scholarships.

12  
13 In 2021, United received a grant of \$1 million from Lilly Endowment Inc.’s Pathways for Tomorrow Initiative  
14 to expand the seminary’s Houses of Study, which offer specialized master’s tracks to equip students for the  
15 unique ministry needs of the communities, movements and denominations they serve. The seminary has  
16 introduced six Houses of Study, currently enrolling for 2022-23:

- 17  
18 • Fresh Expressions, directed by Dr. Michael Beck;  
19 • Mosaix, in partnership with Mosaix Global Network and directed by Rev. Chip Freed;  
20 • Black United Methodist, directed by Dr. Vance Ross;  
21 • Hispanic, 100% in Spanish for Spanish-speaking leaders, directed by Dr. Jorge Ochoa;  
22 • Global Pentecostal, directed by Dr. Mark Chironna;  
23 • and Global Wesleyan, directed by Rev. Gregory Stover.

24  
25 Because United believes so passionately in this initiative, the seminary has dedicated additional resources to  
26 offer half-tuition scholarships for inaugural students in its Houses of Study programs.

27  
28 United also introduced the Academic Dean’s Scholarship, which provides 50% tuition for the duration of a  
29 master’s degree program, and the Presidential Scholarship, awarding up to \$5,000 per year to new students.

30  
31 In honor of United’s 150th anniversary year, a generous donor gifted \$2 million to help graduating students  
32 reduce their educational debt. Each graduate in the 2021-22 academic year will receive up to \$20,000  
33 toward student debt from theological and previous academic studies.

34  
35 As United looks forward to the next 150 years with gratitude and anticipation, the seminary remains  
36 committed to the preparation of faithful and fruitful Christian leaders to make disciples of Jesus Christ.

43 **YOUNG ADULT MINISTRY, COUNCIL ON**

44  
45 The Council on Young Adult Ministry champions young adult ministries at the local church, district, and  
46 annual conference levels. We strategically partner with other conference agencies and NextGen Ministries to  
47 benefit the young adults of the Greater New Jersey Conference by encouraging their spiritual development  
48 and developing their leadership skills. And as per the Discipline, we also advocate for the free expression of  
49 the convictions of young adults on issues vital to them (Para. 650, 3b).

He lived in Antigua until 1959 when, answering the call to ministry, he entered Caenwood Seminary in Jamaica. His early ministry included parishes in Grenada and St. Vincent.

In 1967, he was married to Miss Shirley Delores Lewin. Following their marriage, he served as the first Caribbean-born pastor of Hawthorne Methodist Church in Barbados. Having been awarded a World Council of Churches Fellowship, in 1969-70, he spent an academic year studying at Lancaster Theological Seminary in Lancaster, Pennsylvania (USA), working closely with Dr. Paul Achtemeier, and graduating from there with the Masters of Divinity. In 1970, Rev. Aymer was appointed to a circuit on the island of Tobago, which included serving as superintendent of the Methodist schools. In 1972, he was appointed to a three-point charge in Jamaica, serving as the chaplain of the University of the West Indies, and the pastor of Providence Methodist Church and Constitution Hill Methodist Church.

In 1978, Rev. Aymer was accepted to pursue his Masters and Ph. D. in New Testament at Drew University in Madison, New Jersey. During the dissertation phase of his doctorate, the United Methodist Church invited him to an executive position in their General Board of Global Ministries. Two years later, he was called by the Theological School of Drew University to be first Assistant and later Associate Dean. After twelve years at Drew University, he accepted an appointment as the Senior Pastor of First United Methodist Church in Morristown, New Jersey.

However, his days in the academy were not behind him. Only one year into his pastorate in Morristown, he accepted the invitation to serve as Dean of a small historically Black seminary in Salisbury, North Carolina—Hood Theological Seminary sponsored by the African Methodist Episcopal Zion Church. Over the course of twenty years, from 1994 - 2013, Dr. Aymer served as the Academic Dean of the seminary; interim president of Livingstone College of which the seminary was a department, and later as the first President of the seminary when it became an independent seminary in 2001.

When he assumed leadership of the seminary, Hood had fewer than thirty students. **Dr. William F. Edsall 3/22/1939 - 4/12/2022**

Rev. Dr. William F. Edsall passed away suddenly on April 12, 2022, at his beloved home in Pittsburgh. His children survive him: Kristen Edsall Bell of Pittsburgh, PA, and her two beagles, Pumpkin and Mocha, who loved their grandfather, who always provided treats from his pockets when visiting, and Jeremy Edsall and wife Karen of Virginia Beach, VA—also survived by granddaughter Amber Edsall of Round Rock TX and grandson Hunter Edsall of Chesapeake, VA., one sister, Audrey Taylor of Sussex, NJ, and sister in law Sharon (Tom) Moore of Gallatin TN. Additionally, many nieces and nephews and other extended family

members.

Bill was preceded in death by his dear wife of sixty-two years, Audrey, who he began dating at age 16. They were true soul mates who spent their life together, and he talked daily about his desire to be reunited with his long-time love. We believe that he indeed died of a broken heart. He was also preceded in death by his parents, William and Lillian Edsall, sister Grace (Ford) Robbins, sister-in-law Joyce (Roy) Pollison, niece Deborah Mohan, and more than 17 aunts and uncles.

Bill had initially planned on attending the Newark college of engineering to pursue a career as a draftsman. His decision, however, was swayed by his cousin, a minister, who felt this was a vocation he should pursue. Upon consideration, he agreed and followed the call to ministry. After graduation from high school, he married his sweetheart Audrey, and together they set off for Kansas.

Upon graduation from Kansas Wesleyan University, the family of three (Kristen was born in Kansas) moved back to New Jersey for Bill to begin his student ministry. As an ordained Deacon, His first church pastorship was St John's Methodist in Hope. The next move was to Teabo and Mt. Hope in Wharton, where his son Jeremy was born. The next move was to Lebanon and Allerton, where he became an Elder. In 1972 he was transferred to Branchville, NJ, where he began work on his Doctor of Ministry program at Drew University. In Branchville, Bill led the Four H photography club and coached the Augusta Angels Little League baseball team. 1979 brought the next move to Stanhope, NJ, where he pastored the church in the Glen. The beautiful church was a place many couples wanted to marry, and Bill had many weddings over the years and grew the congregation considerably. The church also began a bell choir during his time using memorial gifts, and Audrey and Bill started the Bethel Bible Series. Additional accomplishments were his appointment to Chair of the Mission Program for Annual Conference, a Holy Land Tour, and being part of the Minister to Ministers Program. He called the program "the most significant thing that happened to me in my years of ministry." Bill also attended the Walk to Emmaus during this period. In addition, he established a clown ministry while in Stanhope, which expanded to involve the church youth as well.

In 1991 Bill was asked to take the Blirstown church, and he spent the remainder of his ministry here, retiring in 2001 after 40 years of ministry. Upon retirement, Bill and Audrey moved to Pittsburgh to a new home where they were very comfortable and happy. Having resided in New Jersey for most of his life, he was a New York Giants and New York Yankees fan and often took spur-of-the-moment trips into the Bronx to see a baseball game with his son. Of course, once established in Pittsburgh, he and his wife became part of Steelers Nation.

Bill was an avid traveler who enjoyed many trips with his wife and children throughout the United States and abroad. Many of their early trips were to historical landmarks, and they especially enjoyed visiting Colonial Williamsburg. They visited all fifty states and 27 foreign countries in all their years of travel. His last trip was a father-daughter trip to Sedona, Arizona.

Bill enjoyed golfing, gardening, photography, baking, reading, and occasionally dabbled in painting in his spare time. Other hobbies were model railroading, building model ship and airplanes, various collections, and old-time radio. His favorite characters were Superman, The Lone Ranger, and The Shadow. In addition, he assembled an extensive collection of old radio programs and, on occasion, would provide an evening of listening for churches and retirement communities.

He volunteered with a support group for the blind and had just been asked to take over leading the program as the founder was in failing health.

Bill spent many hours in meditation and prayer daily. He was especially concerned for recent widowers and prayed daily for those in that situation and those who would soon learn that their spouse had died. He enjoyed serving as a substitute preacher in various Pittsburgh churches and was honored to fill in at the church his daughter attends - West View United Methodist Church. He was asked to preach on Easter Sunday at Greenstone UMC and had prepared his sermon for this day; however, God called him home earlier in the week.

In his pastoral career, he touched the lives of many different people, both young and old. Many expressed gratitude for his leading them back to church, helping them get through various complexities of life, providing friendship, comforting in times of sorrow, and helping them celebrate new births and marriages. At one time, he was credited with positively intervening in the health of a woman's dog. After the vet determined the dog didn't have liver disease, she commented that he must have a direct line to the man upstairs. He and Audrey enjoyed working with youth and led many camp sessions at Camp Aldersgate and mission trips to Mexico and Belize.

He embodied his favorite childhood characters, a man of steely determination, concerned with truth and justice, a political debater, sometimes going it alone or with his faithful companion, able to get to the heart of people's darkest moments and bring them back into the light. His license plate read WILLPOWER; his informal business card "Sometime Professional Good Guy". If you knew Bill, be assured that his spirit will remain and that he does indeed now have a direct connection to a power greater than us all.

Sandra grew up in Erie PA and graduated from Houghton College. Sandy met and married the love of her life, Howard Gifford, in 1956. God called them to serve Methodist congregations in the South Jersey area, including Camden, Millville, Turnersville, and Brick. Additionally, Howard and Sandy served the Union Chapel by the Sea congregation in Ocean City. Sandy directed Vacation Bible School in the 1950s through 1980s for 34 of

39 years. Sandy's commitment to Jesus Christ, whom she served for 80 years, was evident throughout her life. She quietly served in the background as a Pastor's wife, allowing Howard to serve his churches, and served her family well. She was Director of Christian Education at St. Paul's Methodist Church in Brick. At Wiley Church, Sandra prepared church service and announcements for plasma screens into her eighties. Special interests included a large collection of manger scenes, various crafts (counted cross-stitch, knitting, crocheting, sewing and quilting), participating in the "Crafty Gals" club at Wiley. Sandy was known for her many delicious dishes and desserts and created multiple family and church cookbooks.

**Elizabeth B. Jefferson 1/27/1936 - 3/30/2022**

Elizabeth B. "Liz" Jefferson (nee Baker), a 50-year resident of Montclair and a longtime librarian who, as a 5-year-old, survived the Pearl Harbor attack on Dec. 7, 1941, died at home of mesothelioma, a form of lung cancer, on March 30, 2022, surrounded by her family. She was 86.

Mrs. Jefferson was born in 1936 in Vallejo, California, to Helena May (nee Johnston) and Richard Baker. With her father an NCO in the U. S. Navy, she sailed the Pacific and was baptized on the USS Henderson.

Her family lived in such places as Guam, the Philippines and Japan, eventually arriving in Hawaii, where Chief Petty Officer Baker supervised the electrical systems of the USS San Francisco.

In naval housing in Pearl Harbor, she witnessed the Japanese bombing on Sunday, Dec. 7, 1941. Her family survived, although her younger brother, David, was hit by shrapnel.

Her mother and the children evacuated to Long Beach, California, on Christmas Eve, while Richard Baker spent the following years fighting in the Pacific Theater.

Mrs. Jefferson attended the public schools of Long Beach and earned a degree in theater from Long Beach State College. On a European trip she met an American serviceman on the steps of a church in Germany, declaring to a friend that very day: "I just met the man I'm going to marry." That man was Kinmoth "Kim" Jefferson. They did marry, and they moved from California to Delaware, his home state.

Eventually her husband was ordained in the United Methodist Church, took jobs in Newark and New York City, and settled with his wife and their three daughters in Montclair.

Over the years Mrs. Jefferson was highly active locally. She was president of the Montclair chapter of UN/USA, served on the Adult School curriculum committee and was president of The Friends of [sister city] Barnet, England, among many other activities.

She received an M.A. in library science from Montclair State College, then spent 38 years as a middle school librarian in the Newark public schools.

Mrs. Jefferson was interested in everything; her massive library displayed that interest, covering the entire Dewey Decimal System. Not only was she interested in the life of the intellect, but equally in the life of action. She did sacred dance; she played in the Long Beach Philharmonic; she gave readings — especially of poetry; she loved museums and plays and recitals and old black-and-white movies.

She traveled to every continent but Antarctica, and she desperately hoped to experience India. Then came COVID.

Most important of all, Mrs. Jefferson loved people, devouring the stories of their lives, their passions, their joys and their sorrows. She was a fine listener, her trademark smile lighting up an entire room.

She is survived by her husband, Robert "Bob" Petrus; her brother, David (Melinda O'Brien); her daughters, Nancy Gilletti (Carl), Judith Jonsson (Earl) and Susan Murphy (John); seven grandchildren and one great-granddaughter. Mrs. Jefferson was predeceased by her husband of 43 years, the Rev. Kinmoth Jefferson, and their granddaughter, Kristina Elizabeth Jonsson.

Mrs. Jefferson supported numerous organizations, notably ones committed to social justice, the environment, the arts and education.

**Leona P. Quigg 5/22/1927 – 10/23/2021**

A farm girl from the coal fields of East Ohio, Leona Quigg died on Saturday October 23, 2021 “with her boots on” from post-surgical complications. Even at age 94, many would say that she was taken in her prime, for she was as full of energy, drive and spunk at the end of her life as she was when she was born to Floyd and Marie Poole on the family farm on May 22, 1927. In her early years, she would regale friends with tales of life on the farm and adventures on Tony, her beloved horse. This fall, she was telling whomever was interested in listening, about exploits on the jetski or accomplishments on the golf course.

But anyone who really knew Leona knew that her faith, her husband, and her family were the cornerstones of her life, in pretty much that order. Walter was the minister of the family, but Leona was the life and spark of every conversation, gathering, and casual encounter. The people living on her block in Ocean Grove came to love her every bit as much as the parishioners at St. Pauls Church.

From her humble beginnings in Ohio, Leona moved on to graduate from Asbury College in Wilmore, KY, where she met and married Walter who was studying for the ministry. She followed him to New Jersey where she faithfully served by his side in the churches of Bridgeboro, Pemberton, Rancocas/Masonville, Willingboro, Elmer, and finally Ocean Grove. Regardless of whether you found her cooking dinners, organizing outings, leading Bible studies, headlining talent shows, encouraging musicians, joining a mission team, praying for parishioners, or delivering cookies to shut-ins, she was always loving on people and caring for their needs. Once her children were off to college, Leona expanded her vision to become a cherished and acclaimed first grade teacher. Hundreds of her students went on to accomplished careers, inspired, encouraged, and loved on from the very beginning of their educational journey.

Leona is survived by her children Mary Pat (Jim) Fuller and Stephen (Gail) Quigg, four grandchildren, and nine great grandchildren.

**Walter A. Quigg 9/28/1926 – 6/12/2021**

Rev. Walter Quigg, aged 94, made the transition to Glory from his home in Ocean Grove on June 12, 2021. The only child of William and Marguerite Quigg, Walter was born on September 28, 1926 in Delanco, NJ. He is survived by Leona Quigg, his wife of 72 years, his children Mary Pat (Jim) Fuller and Stephen (Gail) Quigg, four grandchildren and nine great grandchildren.

Walter was a World War II navy veteran, the patron of his extended family, a lover of ice cream, and the author of numerous witticisms and gentle jibes. But his legacy is, and will always be, the multitude of saints and sinners he loved on and ministered to. He did so as a pastor, as the neighbor everyone wished they had next door, and as a committed community servant. His passion for people and for his Lord were evident in all he did and said.

It was while serving as a Pharmacist’s Mate in the navy that Walter received his calling into ministry. After graduating from Asbury Theological Seminary in 1951, he returned to his native New Jersey with a young family in tow to be ordained as an elder in the United Methodist Church. He went on to pastor churches in Bridgeboro, Pemberton, Rancocas/Masonville, Levittown (now Willingboro), Elmer and finally Ocean Grove. Even after retirement in 1991, he often preached and fulfilled short-term ministerial assignments across the state. He continued as Pastor Emeritus for the Ocean Grove St. Paul’s United Methodist Church, a Trustee Emeritus for the Ocean Grove Camp Meeting Association, and honorary chaplain for the E. H. Stokes Fire Company until his death. Mission work was an integral part of Walter’s life and he chaired numerous mission

Mrs. Stevenson was born August 2, 1932, in Paulsboro, New Jersey, to Benjamin and Louisa Nelson Drummond. When Anna was just 14-years-old, she experienced the heartbreaking loss of her mother. As the oldest girl in her large family, Anna took on the heavy responsibilities of providing care in her home. She especially gave herself to loving and raising her sister, Bonnie, who was seven when their mother passed. Anna attended Paulsboro High School where she served in the Color Guard and was

voted “most popular” in her senior class. After high school, Anna was hired as an executive administrative assistant at Socony-Mobil of Southern New Jersey. She loved this job and the freedom it gave her to travel into the city of Philadelphia for dress shopping. Anna met Harry Richard Stevenson, they fell in love and were married in June of 1954. They soon added to the family Cynthia Ann and Laura Anne. With the help of Harry’s father, they built their dream home on Cohawkin Road in Clarksboro, NJ. In 1961, the Stevenson’s life would change. Both Harry and Anna attended the Billy Graham Crusade at Connie Mack Stadium in Philadelphia in August of that year. As George Beverly Shea led the massive crowd in singing “Just As I Am,” both Harry and Anna rose from their seats and went to the center of the Stadium to make Jesus Christ the center of their lives. After Richard Mark was born in 1963, Harry and Anna said “yes” to Christ’s call on their lives to serve Jesus as a pastor. They sold their dream home, left their jobs and traveled to Asbury College in Wilmore, KY. They moved into a cinderblock duplex to begin their training to be a pastor. Anna soon got a job as a secretary to the college registrar, Dr. Louis Caster. Those years in Wilmore would mark them and instill a deep love for what is now Asbury University. Harry would later serve the university on their Board of Trustees. After college and seminary, Anna faithfully supported Harry’s pastoral ministry in South Jersey United Methodist Churches in Gloucester City, Pennsville, and Turnersville. After Harry retired from full-time ministry, their pastoral service continued. They served faithfully in The Great Commission Fellowship, Avalon Beach Church, The Wilmore Free Methodist Church and even while they lived at Wesley Village. **Harvey E. VanSciver 10/4/1935 – 12/18/2021**

Harvey E. VanSciver, beloved father, grandfather, and great-grandfather, passed away after a short illness on Dec 18th, 2021 at the age of 86. Born Oct 4, 1935 in Riverside, NJ, he was the sixth child of Robert Hubbs VanSciver and Margaret (nee-Miller) VanSciver and the only of his siblings who was able to attend college. Education was important to him throughout his life. He graduated from Merchantville High School in 1953, earned a BA in Sociology at Drew University 1957, and a Masters of Theology from Crozer Theological Seminar in 1961. In the early 70’s, he completed additional graduate work at Princeton

Theological Seminar.

While a student at Drew, he met and married the love of his life, Grace Edith Longley and together raised a family of 4. He was especially proud that on a minister’s and teacher’s salaries they were able to send all of their children to college where they earned advanced degrees.

Over the 40 years of his ministry in the United Methodist Church (UMC), Pastor Harvey considered it a privilege to have served 8 different congregations in the cities of Fairton, Millville, Atlantic City, Bridgeton, Atlantic Highlands, Red Bank, Asbury Park, and Linwood in New Jersey. Mission outreach was a hallmark of his career in the churches and communities in which he served as well as in UMC conference and internationally. He actively supported mission work in Uganda and Russia, continuing as the coordinator of the Southern UMC conference’s Russia outreach, even after his retirement in 1997. This included leading over a dozen mission teams to Smolensk, Russia between 1993 and 2001. Also during his retirement, he served as the chaplain at Wesley Manor Ocean City, NJ where he used his unique brand of humor to enrich the lives of the residents.

Family and friends would all agree that he never failed to leverage his corny jokes and self-deprecating sense of humor to charm and brighten the day of everyone he met. Even during his final illness he never failed to bring light and humor to the doctors and hospital staff that cared for him. He was truly beloved by all that met him. His legacy of love extends to many friends in England, Russia, and his second home in southwestern Maine. His greatest joy was spending time with his 4 children, 7 grand-children and his 4 great grand-children. He was eagerly awaiting the birth of 2 more great grand-children. What family and friends most remember him for was his ability to make them feel accepted, seen, and appreciated no matter who they were or what they believed in.

Among his many talents was his creativity which he expressed through a variety of mediums including choral singing, writing of poetry, riddles, lyrics to 3 hymns, bible interpretations, sermons, bible studies, and daily devotionals. He was also a huge fan of listening to classical music.

Pastor Harvey was predeceased by his wife Grace in 1997 and his parents and siblings, Roberta, Frances, Anna, Louise, and Robert W. He is survived by 4 children Dorothy Weller and her husband Steve of NJ, Beverly Baird and her husband Glen of NJ, Timothy Van Sciver and his wife Laurence of CA, and Catherine Hotkewicz and her husband Joe of KY; 7 grandchildren (Ben, Erin, David, Michael, Gregory, Grace and Lily); 4 great grandchildren (Piper, Brody, Leo, and Theodore).

## MEMORIALS

### **Travis G. Waid 3/21/1975 – 2/25/2022**

On February 25 Travis Waid left the earth to be home with Jesus. For years he struggled to find peace but could no longer face the pain of depression. Today he is in the arms of the God he served so well. Travis was an amazing person! He was oddly multi-gifted. He was a fantastic musician who played the guitar and sang with a voice that had beauty and power. He was forever funny. He truly spent his life going out of his way doing things to help other people. He was always the first to step forward to offer help to anyone who needed assistance. He did more than anyone ever truly realized to support Melissa

in ministry, he was a true partner! Travis was close to completing his Associates degree as a sUAS Field Technician at Atlantic Cape Community College which was a great source of pride for him. There was nothing Travis could not create, repair or build. His brain was magnificent in that he could always find a solution to a problem with ideas that were inevitably out of the box. He absolutely loved fishing, particularly with Fred and friends in Maine. Travis never met a stranger and would be as comfortable with the rich and powerful as with the humble and meek; able to make both feel comfortable with him. He was a complete goofball, funny and irreverent, always food for a laugh. There will never again be another like Travis. Travis loved God first, but loved Melissa, Abby, Gabrielle and Micah with devotion. Life always had its peaks and valleys, because life is not easy, but in the end, the love he had always shone through. He was a great friend and if you were a related or chosen part of his family, you were blessed with loyalty, devotion and love. Travis would want to be remembered first for his love of God and his family, his music ministry and his ministry to others. Travis was predeceased by his mom Donna Doyle. He is survived by his beloved wife Melissa, his precious children Abby (Will Costello), Gabrielle and Micah, his dad Frank Doyle, his brother Adam and sister-in-law Jennifer of Smyrna, TN, his parents Jeany and Sammy Waid of Bluff City, TN, his brother-in-law Frank Doyle and Nicole, nieces Mackenzie and Grace, His sister-in-law Rachel Monastra, nephew Dante Romeo, niece Valentina Romeo, His brothers Lucas Crawford and John Grandizio, his best friends Bill Herovouis and Fred Setser. Starting in 1959, he served the United Methodist Church as a minister throughout northern New Jersey, with his longest tenures in Caldwell and Westwood, and as the first Council Director of the Northern New Jersey UMC's Annual Conference.

His service did not end with his retirement in 1997 and his move to Damariscotta, Maine. He routinely served as interim pastor for a variety of local denominations, conducted countless funerals and weddings, volunteered as a chaplain at Miles Hospital, sang in a hospice choir, and taught courses for the Coastal Senior College. He was elected to Drew University's Board of Trustees for four consecutive terms beginning in 1986, retiring as Trustee Emeritus in 2002 and receiving the Distinguished Alumni/ae Service Award in 2008.

On June 23, 1956, Ed married Bonnie Rae Beukelman, his loyal companion, true partner, and wife of over 65 years. They raised three children and welcomed four granddaughters.

Ed loved spending time with family, especially reading to his beloved granddaughters and relaxing in Maine every summer as he and Bonnie raised their children. He delighted in landing bad puns, beating (sometimes) family in Scrabble, and a good lemon meringue pie. He never turned his back on science—he taught classes on science and religion, repaired old clocks, and was an accomplished ham radio operator.

Ed is survived by: his wife Bonnie Wynne; children Janet Owen and husband Hugh of Silver Spring, Maryland, Edward ("Ted") J. Wynne III and wife Elizabeth Hendler of Harvard, Massachusetts, and Roger Wynne and wife Esther Bartfeld of Seattle, Washington; granddaughters Amey Owen of Gainesville, Florida, Kathryn Owen of Laurel, Maryland, Leigh Wynne of Watertown, Massachusetts, and Avigail Wynne of Harvard, Massachusetts; sister Janet Wynne of Newcastle, Maine; and brother Douglas Wynne and wife Judy of Plainville, Massachusetts.

### **CLERGY/LAITY SEXUAL MISCONDUCT, ABUSE AND HARASSMENT POLICY FOR THE GREATER NEW JERSEY ANNUAL CONFERENCE (Approved at the 2009 Annual Conference)**

All references to the *Book of Discipline* are in the 2008 edition. Paragraph numbers are for easy reference and may change with future editions of *The Book of Discipline*. Unless there are substantive changes to the content of the *Book of Discipline*, the Policy will be updated to reflect the current *Book of Discipline* as editorial changes without the need to re-approve the Policy. Future name changes of Greater NJ Annual Conference will also be updated as editorial changes.

#### **I. Context**

For the purpose of this policy, we will use “clergy” or “clergyperson” to refer to all ordained, commissioned, consecrated, licensed local pastor, supply pastor and Certified Lay Minister.

#### **II. Purpose**

Clergy are in a position of great trust, power and responsibility. This provides the opportunity for unique relationships of grace and caring. While most clergy remain faithful to their vows and their covenant with God and the church, there are clergy who sometimes violate the trust given them. Sexual misconduct is one grave violation of this trust. We also acknowledge that laypersons can engage in acts of sexual misconduct, abuse and/or harassment. This policy seeks to address the abuse of power by all clergy and laity who engage in sexual misconduct, abuse, and/or sexual harassment. (See Section IV for definitions)

Incidents of sexual misconduct, abuse, and/or harassment have been reported in United Methodist Churches, agencies, and institutions. It is both the ethical and legal responsibility of the Annual Conference to ensure that there are mechanisms for addressing grievances in these matters. The intent of this document is to provide guidance to both laity and clergy of the Annual Conference, and to the local churches contained therein regarding clergy/lay sexual misconduct, abuse, and/or harassment.

It is our hope, as the people of Christ that this policy will help serve to guard against inappropriate behavior and be a guide for our community of faith as we seek to handle grievances should sexual misconduct, abuse, and/or harassment occur.

#### **III. Theological Foundation**

All persons are created by God. In the Genesis stories, as in the life, death, and resurrection of Jesus, it is affirmed that we are created in the image and likeness of God. God values human life, intending all women, men, and children to have worth and dignity in all relationships with God and others. God calls us into covenant with each other as children of God and as the body of Christ. The scriptures remind us that Jesus was sent into this world that we might experience whole relationships with each other and God. “There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female, for you are all one in Christ Jesus.” (Galatians 3: 28 RSV)

**We affirm that our human bodies are good gifts from God and our sexuality is an integral part of our humanity. Healthy sexuality, and appropriate expressions of it, are derived from the goodness of the gift. As children of God, we are holy in Christ and created equal. Where one is injured, physically, emotionally or spiritually, all are rendered less than God’s intended wholeness. Sexual misconduct, abuse, and/or harassment is an exploitation of power and abuse of position that uses sexuality as an excuse and distorts the relationships and blessedness of relationships and the up building which God desires for humanity. It is sinful behavior.**

One who repents for sinful behavior is promised forgiveness. However, discipline should be distinguished from forgiveness. A clergyperson guilty of sexual misconduct needs and may receive forgiveness and be offered avenues for redemption and change. Forgiveness, however, does not excuse one from responsibility to the community and accountability for the brokenness caused by one’s behavior. The church must

## **SAFE SANCTUARIES POLICY**

still take steps to protect the people of God.

### **IV. Definitions**

#### *Sexual Misconduct*

It is sexual misconduct when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, co-worker, or volunteer within the ministerial relationship. (1996 *Book of Resolutions*, pp. 128-132, 2008 *Book of Resolutions* p.134)

Examples of ministerial relationships:

- Pastor/member of church
- Supervisor/church employee
- Youth pastor/youth
- Sunday School teacher/student
- Pastor/student intern
- Pastoral counselor/counseled

Examples of sexualized behavior or sexual contact:

- Displaying sexually suggestive visuals
- Making sexual comments or innuendos about one's own or another person's body
- Touching another person's body, hair, or clothing
- Touching or rubbing oneself sexually in the presence of another person
- Kissing; fondling; sexual intercourse

This understanding is equally applicable in the context of ministries in which there are no "parishioners" but there is a community which acknowledges the authority of the clergyperson or lay worker as a spiritual leader or other ministries in which the ministering person serves a community much wider than the membership of the local congregation.

At the core of this definition of sexual misconduct is the abuse of power and trust that occurs when a ministering person initiates or allows sexual behavior with someone who is in a relationship of trust and/or dependence. Sexual misconduct breaks a sacred trust. Any such sexual misconduct is a violation by the ministering person who then bears the responsibility for his/her behavior.

#### *Sexual Harassment*

Sexual harassment is any unwanted sexual advance or demand, either verbal or physical that is reasonably perceived by the recipient as demeaning, intimidating, or coercive. Sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender. (1996 *Book of Discipline* ¶161.1, p.101, 2008 *Book of Discipline* ¶161.1, p.104)

Suggested guidelines for determining hostile environment:

- Is the behavior sexual in nature or gender specific?
- Is the behavior unwelcome?
- Is the behavior severe or pervasive enough so that it creates an environment which interferes with one's ability to work, get an education, or participate in ministry?

Sexual harassment also includes the development or attempted development of a sexual or romantic relationship between a clergyperson or lay worker and a person with whom he/she has a ministerial relationship, when that is an unwanted or inappropriate relationship.

*Sexual Abuse*

Sexual abuse is a sexual invasion of the body by force. Sexual abuse may be: rape, sexual assault, incest, indecent exposure, statutory rape, indecent assault, and aggravated indecent assault. Sexual abuse is also an internal assault, a deliberate violation of emotional integrity, and a hostile and degrading act of violence.

*Domestic Violence*

Domestic Violence Policy

It is not enemies who taunt me—I could bear that: It is not adversaries who deal insolently with me—I could hide from them. But it is you, my equal, my companion, my familiar friend, with whom I keep pleasant company. Psalm 55: 12-14a NRSV.

The Psalmist captures the feeling of many victims of domestic violence: the pain of being betrayed and injured by a loved one.

**What is Domestic Violence?**

Any abusive, violent, coercive, forceful, or threatening act or word inflicted by one member of a family or household on another can constitute domestic violence.

The United Methodist Church affirms the sacredness of all persons and their right to safety, nurture and care. It names domestic violence and sexual abuse as sin and pledges to work for their eradication. *2008 Book of Resolution*, p.59. Thus, we recognize domestic violence as an immoral act and a chargeable offense for both clergy and laity. *2008 Book of Discipline*, ¶ 2702.1 and ¶ 2702.3

We celebrate God's gift of intimacy, the image of God in each person, the inherent right of each person to health, wholeness, and safety, and we commit ourselves to working toward the elimination of domestic violence.

**V. Standards for Clergy Conduct**

- A. Clergy related to the Annual Conference are always accountable for the ways they respond to persons who ask their ministerial assistance and over whom they have authority. Any breach of this ministerial relationship, ministerial responsibility, and ministerial authority is abusive and unethical.
- B. Clergy often relate to persons who are fragile and vulnerable, and therefore must exercise special care:
  - 1. That clergy are psychologically, emotionally, and spiritually healthy.
  - 2. That there has been proper and adequate preparation and education as well as adequate continuing education for providing appropriate help for those under their care.
  - 3. That they seek counsel, advice, and supervision.
- C. Clergy sexual misconduct, abuse, and/or harassment places an unfair and unavoidable burden on the victim of such conduct. It is in the best interest of the entire church to inform the laity concerning appropriate standards of ministerial conduct.
- D. Clergy self-discipline requires self-awareness and takes for a standard of ethics those implied and described in the vows of ordination and consecration. (1996, *Book of Discipline*, ¶301-¶365) Personal integrity and mature professional conduct are a part of every ministerial relationship. This prohibits any sexual behavior with a parishioner, colleague, staff, or client entrusted to his or her sacred care.
- E. All clergy have the responsibility for developing healthy and ethical relationships with other persons. Married clergy have covenanted to nurture and maintain a faithful marital relationship. The covenant also reminds single clergy that dating relationships must maintain full attention to sexual conduct as understood in Christian teaching and the Book of Discipline of the United Methodist Church. (1996 *Book of Discipline*, ¶165)

## **SAFE SANCTUARIES POLICY**

- F. When clergy are providing professional pastoral counseling to persons in their church or community, it is understood that they shall keep appropriate standards of professional behavior and boundaries in that relationship. It is also recommended that clergy seek supervision for their counseling by a certified counselor supervisor to ensure that proper counseling relationships are maintained.

### **VI. Standards for the Conduct of Laity**

Within the United Methodist connection, lay persons are also called to a standard of conduct which stands against sexual misconduct, abuse and/or harassment as outlined in 2008 *Book of Discipline* ¶1702.3. Laity have the responsibility for not creating hostile environments as a result of sexual harassment, abuse and/or sexual misconduct against clergypersons or other laity. (*Book of Discipline* ¶ 605.8)

### **VII. Honoring Perceptions of Reality**

We understand that intentions and perceptions are not always the same. It is our policy to treat seriously a person's perception of the truth of their experience if/when sexual harassment, abuse, and/or misconduct are reported.

### **VIII. Confidentiality**

The primary purpose of this policy is to encourage and support victims of sexual harassment, abuse, and/or misconduct to report such incidents, by providing a process that protects them from intimidation and preserves their dignity. We recognize that there also may be occasions when persons are falsely charged with sexual harassment, abuse and/or misconduct. In either case, it is of the utmost importance that confidentiality be assured for both the victim and the accused, and that advocates, church officials and others who may be involved in the process take every reasonable and legal precaution to honor the issue of confidentiality.

Some instances of sexual harassment can be resolved easily and informally between parties. In all other instances, misconduct of a sexual nature or abuse within the local church should be reported to a Contact Person for sexual harassment and abuse. If the conduct involves a clergy person, the complainant may consider filing a written complaint and/or speaking with a District Superintendent.

### **IX. Compassionate Advocates**

The Greater New Jersey Annual Conference of the United Methodist Church provides the following support system to assist any individual who has a concern about an issue of sexual misconduct, harassment, or abuse with the church.

Listed at the end of this document are Compassionate Advocates trained by the Annual Conference and who will provide immediate support and direction for persons who feel that they have been sexually abused or harassed. Compassionate Advocates will explain policy and procedure and will provide confidential guidance throughout the process and respect confidentiality. Compassionate Advocates will be available for the complainant, the accused and the church.

We urge all related institutions/agencies in the Greater New Jersey Annual Conference to identify and train Compassionate Advocates to serve within their organization.

### **X. Process**

The Greater New Jersey Annual Conference will adhere to the following steps when an accusation of sexual misconduct, harassment or abuse is brought to the attention of a District Superintendent:

1. A letter shall be provided to both the complainant and the accused at the time they first contact or are contacted by the District Superintendent. These letters are included in this policy as *Appendix A*.
2. Limit all media responses on behalf of the Church/Conference to the Bishop or the Bishop's designate.
3. If the complainant chooses to file a written complaint, the process will proceed as indicated in the 1996 *Book of Discipline*, section XIV ¶1358, 2008 *Book of Discipline* section XV ¶ 361.

4. A complainant has the option of following church policy and discipline when bringing a complaint of sexual misconduct against a pastor. They also have the option of seeking legal advice and filing charges.
5. Any incidence of sexual abuse in which the victim is a minor is a crime and must be handled appropriately. Anyone within the church who becomes aware of a child abuse issue is morally—for clergy, legally required—obligated to take steps necessary in the attempt to prevent further harm to the child. If an incident of child abuse occurs involving a church employee or volunteer within the church building or at any church activity, or if a minor brings forth a complaint of sexual abuse it must be reported to the local authorities.

The Greater New Jersey Annual Conference recognizes that accusations of misconduct of a sexual nature can be harmful to the whole congregation. The Greater New Jersey Annual Conference will provide support to the church affected by these accusations by providing guidance from the Leadership Advocacy Team and counsel in the form of a response team.

**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

**To the Council on Finance and Administration  
Greater New Jersey Annual Conference  
of the United Methodist Church  
Neptune, New Jersey**

We have audited the accompanying financial statements of Greater New Jersey Annual Conference of the United Methodist Church (the “*Conference*”), a nonprofit organization, which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

**Management’s Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor’s Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit includes performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Greater New Jersey Annual Conference of the United Methodist Church as of December 31, 2020, and the changes in its net assets, and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

# GREATER NEW JERSEY ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

## *NOTES TO THE FINANCIAL STATEMENTS*

December 31, 2020

---

### (1) ORGANIZATION

Greater New Jersey Annual Conference of the United Methodist Church (the “*Conference*”) is an integral part of the General Conference of the United Methodist Church. Each member church in the Greater New Jersey Annual Conference supports the operating budget and, in addition, makes contributions or grants to the Conference’s and General Conference’s missions and programs. Investment revenue and program revenue also support the activities of the Conference.

### (2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### *BASIS OF ACCOUNTING*

The financial statements of the Conference have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

#### *INCOME TAXES*

The Conference is a religious organization and is exempt from federal income taxes as a result of its affiliation with the United Methodist Church, under the provisions of Section 501(c)(3) of the Internal Revenue Code.

The Conference has reviewed their tax positions and has concluded that there are no significant uncertain tax positions that would require recognition in the financial statements.

#### *CASH AND CASH EQUIVALENTS*

For purposes of the Statement of Cash Flows, the Conference considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

#### *INVESTMENTS AND INVESTMENT INCOME*

Investments are reported at fair value, while donated securities are recorded at fair value on the date of donation. Net investment return is reported in the statements of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less investment expenses.

#### *ACCOUNTS RECEIVABLE*

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable.

#### *PLEDGES RECEIVABLE*

Pledges receivable are recognized as income in the year the pledge is made. Pledges that are expected to be received within one year are recorded at net realizable value. Pledges that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the year in which the pledges are received. Amortization of the discount is included in contribution revenue. The Conference uses the allowance method to determine uncollectible receivables. An allowance for uncollectible pledges is estimated based upon management’s judgement and includes factors such as prior collection history.

### ***LAND, BUILDINGS AND EQUIPMENT***

Depreciable assets over \$5,000 are recorded at cost at date of acquisition or fair value at date of donation in the case of gifts. Depreciation is recorded on a straight-line basis over the estimated useful lives as follows:

Buildings	25 – 40 years
Equipment, furniture and fixtures	4 – 10 years

Property and equipment are reviewed each year for impairment or whenever events or changes in business circumstances indicate carrying value of the assets may not be recoverable. Impairment losses are recognized if expected future cash flows from the assets are less than their carrying values. No impairment losses were recognized during the year ended December 31, 2020.

### ***POST-RETIREMENT BENEFITS***

The Conference has adopted FASB ASC 715, Compensation – Retirement Benefits which requires that the funded status of defined benefit pensions and other postretirement benefit plans be fully recognized in the statement of financial position.

### ***NET ASSETS***

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets of the Conference and changes therein are classified and reported as follows:

***Net Assets Without Donor Restrictions*** – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

***Net Assets With Donor Restrictions*** – We report contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

### ***REVENUE RECOGNITION***

The Conference recognizes contributions when cash, securities or other assets or an unconditional promise to give. Conditional promises to give – that is, those with a measurable performance or other barrier and right of return – are not recognized until the conditions on which they depend have been met. The Conference reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as “net assets released from restriction”. Restricted contributions and grants, whose restrictions expire in the year received are recorded as revenue without donor restrictions.

The Conference recognizes revenue from seminars and events during the year in which the seminars and events occur. The performance obligation is at the point in time at which the customer attends the event or seminar.

### ***USE OF ESTIMATES***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities and reported amounts of revenues and expenses in the financial statements and accompanying notes. Actual results could differ from these estimates.

### ***FUNCTIONAL EXPENSES***

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies.

Management and general expenses include these expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Conference.

### ***RECENT ACCOUNTING PRONOUNCEMENTS - ADOPTED***

The Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* (Topic 606) (ASU 2014-09). The ASU establishes a comprehensive revenue recognition standard for virtually all industries under generally accepted accounting principles in the United States (U.S. GAAP) including those that previously followed industry-specific guidance. The guidance states that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. ASU 2014-09 was adopted by the Conference as of January 1, 2020 and such adoption did not have a material effect on the financial statements as revenue received by the Conference is recorded under the contribution principle.

### (3) INVESTMENTS

Investments at December 31, 2020 consisted of the following:

	<u>Cost</u>	<u>Fair Value</u>
Certificate of deposit	\$ 77,632	\$ 77,632
Wespath mutual fund (fund of funds) (a)	8,475,278	10,701,636
Wespath mutual fund (short term investments) (b)	<u>31,419</u>	<u>31,411</u>
Total	<u>\$ 8,584,329</u>	<u>\$ 10,810,679</u>

As of December 31, 2020, accumulated net unrealized gains were \$2,226,350.

(a) The Conference invests in the Multiple Asset Fund, a mutual fund managed by Wespath. The fund's objective is to attain current income and capital appreciation, while reducing short-term risk, by investing in a broad mix of investments. The mutual fund invests in four other Wespath mutual funds to maintain an investment allocation of approximately 35% U.S. equity, 30% international equity, 25% fixed income, and 10% inflation protection. The asset allocation will be rebalanced periodically when holding falls outside of a 3% tolerance.

(b) The Conference invests in the Short-Term Investment Fund, a mutual fund (short-term investments) managed by Wespath. The fund's objective is to preserve capital while earning current income higher than that of money market funds. The mutual fund seeks to achieve its investment objective by exclusively holding cash and cash equivalents in the form of units of the sweep account. The sweep account holds primarily short-term fixed income instruments including U.S. Government bonds, agency bonds, corporate bonds, securitized products, commercial paper, certificates of deposit, and other similar types of investments.

### (4) FAIR VALUE OF FINANCIAL INSTRUMENTS

The Conference utilized various methods to measure the fair value of its investments on a recurring basis. Generally accepted accounting principles establish a hierarchy that prioritizes inputs to valuation methods. The three levels of inputs are described below:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities that the Conference has the ability to access.

Level 2 – Observable inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, prepayment speeds, credit risk, yield curves, default rates and similar data.

Level 3 – Unobservable inputs for the asset or liability, to the extent relevant observable inputs are not available, representing the Conference's own assumptions about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available.

The inputs methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

# GREATER NEW JERSEY ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

## *NOTES TO THE FINANCIAL STATEMENTS – (Continued)*

**December 31, 2020**

---

The summary of inputs used to value the Conference's investments as of December 2020 is as follows:

	2020			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Certificates of deposit	\$ 77,632	\$ -	\$ 77,632	\$ -
	77,632	-	77,632	-
Wespath mutual funds reported at net asset value	10,733,047			
Total	\$ 10,810,679	\$ -	\$ 109,043	\$ -
Beneficial Interest in Perpetual Trusts	\$ 413,151	\$ -	\$ -	\$ 413,151

The beneficial interest in perpetual trust is measured at estimated future cash flows which involve unobservable inputs. As a result, the present value techniques would be Level 3 inputs.

The changes in the financial instruments as of December 31, 2020 are measured at fair value for which the Conference used Level 3 inputs to determine fair value are as follows:

Balance, January 1, 2020	\$ 375,227
Change in value	37,924
Balance, December 31, 2021	\$ 413,151

### (5) LOAN RECEIVABLE

Loans are stated at unpaid principal balances, less an allowance. The allowance for loan losses is maintained at a level that, in management's judgement, that is adequate to absorb credit losses inherent in the loan portfolio. The amount of the allowance is based on management's evaluation of the collectability of the loan portfolio, including the nature of the portfolio, credit concentrations trends in historical loss experience, specific impaired loans, economic conditions, and other risks inherent in the portfolio. Allowances for impaired loans are generally determined based on collateral values or the present value of estimated cash flows. The allowance is increased by a provision for loan losses, which is charged to expense, and reduced by charge-offs, net of recoveries.

A loan is considered impaired when, based on currently available information, it is probable that the Conference will not collect all of the principal and interest contractually required by the loan agreement. Impaired loans include loans that have been modified in a troubled debt restructuring and loans placed on nonaccrual status. All impaired loans are evaluated for an asset-specific allowance for credit losses. An allowance for credit losses on impaired loans is recognized when the recorded investment in the loan exceeds the estimated cash flows expected to be received from the borrower, discounted using the original effective interest rate of the loan.

# GREATER NEW JERSEY ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

## NOTES TO THE FINANCIAL STATEMENTS – (Continued)

December 31, 2020

---

Impaired loans are placed on nonaccrual status. When a loan is placed on nonaccrual status, accrued interest income is reversed. Interest income on impaired loans is only recognized when actually received from the borrower. Partial payments of contractual amounts due on impaired loans are treated as interest income on a cash basis until such time as the loan is restored to performing status.

The following table provides information on impaired loans at December 31, 2020:

	<u>Unpaid Principal Balance Of Impaired Loans</u>	<u>Allowance For Credit Losses On Impaired Loans</u>
Impaired loans for which an allowance for credit loss is recognized		
Loans receivable	<u>\$852,055</u>	<u>\$852,055</u>

The Conference's practice is to charge off any loan or portion of a loan when the loan is determined by management to be uncollectible due to the borrower's failure to meet repayment terms, the borrower's deteriorating or deteriorated financial condition, the depreciation of the underlying collateral, or for other reasons.

Activity in the allowance for loan loss for 2020 is as follows:

Opening balance	\$ 535,034
Written off	-
Recovered	-
Provision	<u>317,021</u>
Closing balance	<u>\$ 852,055</u>

### (6) PROPERTY AND EQUIPMENT

### ENDOWMENT FUNDS

### **INTERPRETATION OF RELEVANT LAW**

The Conference is incorporated in the state of New Jersey, which has enacted the Uniform Prudent Management of Institutional Funds Act (“*UPMIFA*”). UPMIFA governs donor restricted or permanently restricted endowment funds for not-for-profit corporations. The Conference has interpreted the applicable state standards and guidelines for the prudent management of an endowment fund as requiring the preservation of the fair value of the original gift as of the gift date of the endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Conference classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment; (b) the original value of subsequent gifts to the permanent endowment; and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund (i.e. the accumulated realized and unrealized gains/losses) that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Conference.

The Conference considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of this organization and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the organization
- (7) The investment policies of the organization

### **RETURN OBJECTIVES AND RISK PARAMETERS**

The Conference has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment asset. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity or for a donor-specified period as well as board-designated funds. Under this policy, as approved by the Council on Finance and Administration, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S&P 500 index while assuming a moderate level of investment risk. The Conference expects its endowment funds, over time, to provide an average rate of return of approximately 6.5 percent annually. Actual returns in any given year may vary from this amount.

To satisfy its long-term rate-of-return objectives, the Conference relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Conference targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

# GREATER NEW JERSEY ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

## NOTES TO THE FINANCIAL STATEMENTS – (Continued)

December 31, 2020

---

### SPENDING POLICY

The Conference has a policy of appropriating for expenditure 5% of the average fair value of each respective endowment. The Conference expects the current spending policy to allow its endowment funds to grow at a minimal average rate of 5% annually. This is consistent with the Conference's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

As of December 31, 2020, the Conference has the following endowment net asset composition by type of fund:

	<b><u>With Donor Restriction</u></b>
Donor-restricted endowment funds	
Original donor-restricted gift amount and amounts required to be maintained in perpetuity by donor	\$ 602,811
Accumulated investment gains	<u>183,913</u>
	<u>\$ 786,724</u>

Change in endowment net assets for the year ended December 31, 2020 are as follows:

	<b><u>With Donor Restriction</u></b>
Endowment net assets, beginning of year	\$ 814,102
Investment return, net	(67,302)
Contributions	2,000
Change in value of beneficial interest in trusts	<u>37,924</u>
Endowment net assets, end of year	<u>\$ 786,724</u>

### (8) CONFERENCE BOARD OF PENSIONS

Effective January 1, 2007, the Conference adopted the Clergy Retirement Security Program which had been established by the General Conference of the United Methodist Church. This plan supersedes and replaces the provisions of the prior plans. The church contribution rate under the Clergy Retirement Security Program is 12.50% of the active participant's plan compensation for a plan year. The church contribution rate under the Comprehensive Protection Plan is 3% for full-time clergy and three-quarter time clergy.

Under the provisions of the plans, the Conference is required to maintain an amount in its Deposit Account sufficient to provide for the monthly transfer of the church contributions on behalf of its active participants.

### (9) DEFINED CONTRIBUTION PLAN

The Conference has a contributory pension plan for lay employees, covering all full-time employees electing to participate. Under this plan the Conference will contribute 6% or 12% based upon the employees position within the Conference. Contributions were approximately \$171,000 for the year ended December 31, 2020.

## NOTES TO THE FINANCIAL STATEMENTS – (Continued)

### (10) MULTIEMPLOYER DEFINED BENEFIT PENSION PLANS

The Conference contributes to three multiemployer defined benefit pension plans – the Pre-82 Plan, the Clergy Retirement Security Program (“CRSP”), and the Ministerial Pension Plan (“MPP”). The Conference does not directly manage these multiemployer plans, which are managed by The General Board of Pensions and Health Benefits of The United Methodist Church. A majority of the Conference’s employees are participants in one of these multiemployer plans as of December 31, 2020, subject to eligibility requirements.

Each of these plans is organized as a nonelecting, noncontributory multiemployer church retirement plan, and therefore the plans are not subject to certain reporting requirements of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The plans’ certified zone statuses are not available since the plans are not subject to ERISA reporting requirements.

The risks of participating in a multiemployer plan are different from a single employer plan in the following aspects: (1) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers; (2) if a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers; (3) if an employer chooses to stop participating in a multiemployer plan, the company may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability. If a plan were to terminate, if participants voluntarily withdrew or if there was a mass withdrawal, the Conference may also be required to make additional payments to the plan for its proportionate share of underfunded liabilities.

The following table presents information on the plans and the Conference’s participation in the plans:

<u>Plan</u>	<u>Plan Employer Identification And Plan No.</u>	<u>Plan Funded Status As Of 12/31/20</u>		
		<u>Plan Assets 1/1/2020</u>	<u>Accumulated Benefit Obligation 1/1/2020</u>	<u>Annual Conference Contributions For The Year Ended 12/31/2020*</u>
CRSP	336/335176/81	\$ 2,237,383,068	\$ 2,075,403,337	\$ 1,544,144

		<u>\$ 8,364,652,065</u>	<u>\$ 7,677,116,244</u>	<u>\$ (277,714)</u>

\* Reflects a transfer of assets from the Pre-82 plan to the CRSP Plan in the amount of \$1,544,144 for 2020 and a prepayment for 2021 contributions. All required contributions were accrued and paid by the Conference for the year ended December 31, 2020. The table above reflects calculations based on a corridor funding methodology.

The plans’ accumulated benefit obligations are determined annually by the plans’ actuary. Significant actuarial assumptions utilized for the Pre-82 Plan include a discount rate of 6.625%, an expected rate of investment return of 6.625%, and an expected rate of salary increase of 1.68%. Significant actuarial assumptions utilized for the CRSP include a discount rate of 6.25%, an expected rate of investment return of 6.25%, and an annual cost of living benefit increase of 2.5%. Significant actuarial assumptions utilized for the MPP include a discount rate of 7.00%, an expected rate of investment return of 7.00%, and an annual cost of living benefit increase of 2.5%.

### (12) CONCENTRATION OF CREDIT RISK

The Conference maintains cash balance at TD Bank in excess of the \$250,000 FDIC insured limits. The Conference’s uninsured cash balances totaled \$1,646,180 as of December 31, 2020.

### (13) REIMBURSED EXPENDITURES

The Conference administers a comprehensive insurance plan, a health insurance plan and a pension and disability fund for all United Methodist churches affiliated with the Conference. The Conference invoices the churches to obtain reimbursement for the cost of insurance, pension, and disability plan payments made on behalf of the churches.

For the year ended December 31, 2020, the following amounts were collected and disbursed by the Conference for each respective benefit plan:

	<u>Pension And Disability Plan</u>	<u>Health Insurance</u>	<u>Comprehensive Insurance Plan</u>	<u>Total</u>
Collected	\$ 5,102,257	\$ 4,916,709	\$ 4,181,000	\$ 14,199,966

### (14) REFUNDABLE ADVANCE

On May 4, 2020, the Conference received a \$979,452 loan under the Small Business Administration’s (“SBA”) Payment Protection Program (the “PPP Loan”). The Conference considered this to be a conditional contribution as it expected to meet the criteria for loan forgiveness upon incurring eligible expenditures and when its application for forgiveness is accepted by the SBA. The Conference considered the incurrence of eligible expenses and the acceptance of its application for forgiveness to be barriers in the PPP Loan agreement and as such, would recognize contribution income when these conditions were substantially met. As of December 31, 2020, the Conference had recorded \$979,452 as a refundable advance. During the year ended December 31, 2021, the Conference had met all conditions of the program and the loan was forgiven on October 21, 2021. As such, the loan will be recognized in the Statement of Activities and Changes in Net Assets as PPP grant revenue in fiscal year 2021.

### (16) BENEFICIAL INTEREST IN TRUST

Under the terms of the perpetual trust, the Conference has the irrevocable right to receive the income earned on the trust asset in perpetuity, but never receive the asset held in trust. The Conference has recorded the asset at the estimated fair value of the Conference's share of the beneficial interest in trust assets. Distributions from the trust assets are recorded as unrestricted investment income in the accompanying statement of activities unless restricted by the donor. The Conference did not receive any distributions in 2020 from the trusts. Change in value of the beneficial interest in the trust assets are record as unrealized gains or losses in the permanently restricted net assets.

A summary of the beneficial interest in trusts is as follows:

Balance, beginning of year	\$ 375,227
Change in value	<u>37,924</u>
Balance, end of year	<u>\$ 413,151</u>

### (17) CONTINGENCIES

The United Methodist Church ("**UMC**") is a party to the settlement of lawsuits alleging sexual abuse including claims for compensatory and punitive damages in connection with the National Council, Boy Scout's of America ("**BSA**") and its local chapters and others. On September 8, 2022, the U.S. bankruptcy judge assigned to the case issued her ruling approving the BSA restructuring plan. In this, the judge indicated that the United Methodist settlement meets the tests of bankruptcy law. The settlement (which is still subject to higher court approval and potential appeals) includes the UMC (all US Conferences) making a \$30M contribution to an approximately \$2.5 billion Survivor Trust Fund, of which, the Conference has been allocated \$910,420. The Conference intends to cover their contribution as follows: 75% will be billed proportionately to each congregation over a three-year period; 25% will be covered by the Conference. In the interim, the UMC maintains their support of the Boy Scouts and leadership from both sides are working on revised agreements that provide more protection to the local churches; existing charters have been extended through December 2022 and include these additional protections.

At December 31, 2020, the Conference is a party to other lawsuits involving alleged clerical sexual abuse (six cases), and several other cases. The cases are primarily in the discovery stage. There is no insurance coverage in five of the alleged clerical sexual abuse claims. Insurance coverage in the other case is available. While any litigation has an element of uncertainty, after reviewing these actions with legal counsel, management is of the opinion that the liability, if any, resulting from these actions is unknown at this time as they continue through the legal process.

In early 2020, an outbreak of a novel strain of coronavirus ("**COVID-19**") emerge globally. As a result, there have been mandates from federal, state and local authorities resulting in an overall decline in economic activity. The ultimate impact of COVID – 19 on the Conference's operation is not reasonably estimable at this time.

### (19) SUBSEQUENT EVENTS

On April 9, 2021, the Conference received a \$954,747 loan under the Small Business Administration's ("**SBA**") Paycheck Protection Program Second Draw Loan ("**PPP Second Draw Loan**") under the Consolidated Appropriations Act 2021, Additional Coronavirus Response and Relief provisions. PPP Second Draw Loans are eligible for forgiveness if the Conference incurs qualifying expenses over a period of time not to exceed 24 weeks. The period of time in which qualifying expenses may be incurred commences upon receipt of the loan. Any portion of the loan not forgiven is payable over a 5-year period at an interest rate of 1%. The Conference considers the incurrence of eligible expenses and the acceptance of its application for forgiveness to be barriers in the PPP Second Draw Loan agreement and as such, will recognize contribution income when these conditions are substantially met. As of December 31, 2021, the Conference had recorded \$954,747 as a refundable advance. On August 2, 2022, the Conference was notified that the loan was forgiven by the SBA.

The United Methodist denomination (“**UMC**”) has gone through several challenging years related to concerns of congregations and/or pastors disaffiliating from the UMC related to differencing views, understanding and attitudes regarding human sexuality. The Conference recognizes there will be different beliefs, traditions, understandings, and attitudes relating to Christian faith and our understanding of human sexuality and will work with congregations recognizing their different beliefs and understandings and remain united in our common mission. While some congregations and/or pastors may choose to disaffiliate from UMC, the Conference is committed to its mission and strategic priorities, goals, and resourcing strategies to recruit and equip transformational leaders that make disciples and grow vital congregations for the transformation of the world. At the Conference May 2022 Annual Conference, legislation entitled “A Call to Discernment and Renewal” was passed. This legislation lays out the process by which congregations can disaffiliate. Also presented at the conference, for informational purposes, were the term sheet (required due diligence and payments) and Connectional Covenant. Depending on the number and size of congregations potentially disaffiliating, the loss of apportionment income could impact the operations of the Conference.

The Conference amended its post-retirement plan effective in 2021. Plan changes include the requirement for eligibility for post-retirement health for active employees is age 65 with 20 years of service. Retirees who are at least 62 years of age as of July 1, 2021 will be covered and the coverage level will depend on years of full-time appointment. Effective January 1, 2022, the plan design for medical plans was changed to reduce the burden of local church Shared Ministry collection (apportionment) to pay the premiums. The design changes were intended to minimize the impact on the participant while maximizing the premium savings for the Conference. As a result, some expenses shifted to the participants, including a higher deductible and some increases in co-pays. It is estimated that these plan amendments will reduce the unfunded liability of the post-retirement plan by approximately \$20 million as of December 31, 2021.

The Conference evaluated its December 31, 2020 financial statements for subsequent events through December 1, 2022, the date that the financial statements were available for issuance. The Conference is not aware of any subsequent events, other than the events described above, which would require recognition or disclosure in the financial statements.

## REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Council on Finance and Administration  
Greater New Jersey Annual Conference  
of the United Methodist Church  
Neptune, New Jersey

### *Opinion*

We have audited the accompanying financial statements of Greater New Jersey Annual Conference of the United Methodist Church (the “**Conference**”) (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021 and 2020, and the related statement of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Conference as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Conference and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Conference’s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### *Auditor’s Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**To the Council on Finance and Administration  
Greater New Jersey Annual Conference  
of the United Methodist Church  
Neptune, New Jersey**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Conference's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Conference's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

# GREATER NEW JERSEY ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

## *NOTES TO THE FINANCIAL STATEMENTS*

December 31, 2021 And 2020

---

### (1) ORGANIZATION

Greater New Jersey Annual Conference of the United Methodist Church (the “*Conference*”) is an integral part of the General Conference of the United Methodist Church. Each member church in the Greater New Jersey Annual Conference supports the operating budget and, in addition, makes contributions or grants to the Conference’s and General Conference’s missions and programs. Investment revenue and program revenue also support the activities of the Conference.

### (2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### *BASIS OF ACCOUNTING*

The financial statements of the Conference have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

#### *INCOME TAXES*

The Conference is a religious organization and is exempt from federal income taxes as a result of its affiliation with the United Methodist Church, under the provisions of Section 501(c)(3) of the Internal Revenue Code.

The Conference has reviewed their tax positions and has concluded that there are no significant uncertain tax positions that would require recognition in the financial statements.

#### *CASH AND CASH EQUIVALENTS*

For purposes of the Statement of Cash Flows, the Conference considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

#### *INVESTMENTS AND INVESTMENT INCOME*

Investments are reported at fair value, while donated securities are recorded at fair value on the date of donation. Net investment return is reported in the statements of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less investment expenses.

#### *ACCOUNTS RECEIVABLE*

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable.

#### *PLEDGES RECEIVABLE*

Pledges receivable are recognized as income in the year the pledge is made. Pledges that are expected to be received within one year are recorded at net realizable value. Pledges that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the year in which the pledges are received. Amortization of the discount is included in contribution revenue. The Conference uses the allowance method to determine uncollectible receivables. An allowance for uncollectible pledges is estimated based upon management’s judgement and includes factors such as prior collection history.

## *NOTES TO THE FINANCIAL STATEMENTS – (Continued)*

December 31, 2021 And 2020

---

### ***LAND, BUILDINGS AND EQUIPMENT***

Depreciable assets over \$5,000 are recorded at cost at date of acquisition or fair value at date of donation in the case of gifts. Depreciation is recorded on a straight-line basis over the estimated useful lives as follows:

Buildings	25 – 40 years
Equipment, furniture and fixtures	4 – 10 years

Property and equipment are reviewed each year for impairment or whenever events or changes in business circumstances indicate carrying value of the assets may not be recoverable. Impairment losses are recognized if expected future cash flows from the assets are less than their carrying values. No impairment losses were recognized during the year ended December 31, 2021.

### ***POST-RETIREMENT BENEFITS***

The Conference has adopted FASB ASC 715, Compensation – Retirement Benefits which requires that the funded status of defined benefit pensions and other postretirement benefit plans be fully recognized in the statement of financial position.

### ***NET ASSETS***

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets of the Conference and changes therein are classified and reported as follows:

***Net Assets Without Donor Restrictions*** – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

***Net Assets With Donor Restrictions*** – We report contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

### ***REVENUE RECOGNITION***

The Conference recognizes contributions when cash, securities or other assets or an unconditional promise to give. Conditional promises to give – that is, those with a measurable performance or other barrier and right of return – are not recognized until the conditions on which they depend have been met. The Conference reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as “net assets released from restriction”. Restricted contributions and grants, whose restrictions expire in the year received are recorded as revenue without donor restrictions.

The Conference recognizes revenue from seminars and events during the year in which the seminars and events occur. The performance obligation is at the point in time at which the customer attends the event or seminar.

## NOTES TO THE FINANCIAL STATEMENTS – (Continued)

December 31, 2021 And 2020

### **USE OF ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities and reported amounts of revenues and expenses in the financial statements and accompanying notes. Actual results could differ from these estimates.

### **FUNCTIONAL EXPENSES**

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies.

Management and general expenses include these expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Conference.

### **RECLASSIFICATIONS**

Certain reclassifications were made to the 2020 financial statements to conform to the 2021 presentation.

## **(3) INVESTMENTS**

Investments at December 31, 2021 consisted of the following:

	<u>Cost</u>	<u>Fair Value</u>

## NOTES TO THE FINANCIAL STATEMENTS – (Continued)

December 31, 2021 And 2020

---

Investments at December 31, 2020 consisted of the following:

	<u>Cost</u>	<u>Fair Value</u>
Certificate of deposit	\$ 77,632	\$ 77,632
Wespath mutual fund (fund of funds) (a)	8,475,278	10,701,636
Wespath mutual fund (short term investments) (b)	<u>31,419</u>	<u>31,411</u>
Total	<u>\$ 8,584,329</u>	<u>\$ 10,810,679</u>

As of December 31, 2020, accumulated net unrealized gains were \$2,226,350.

- (a) The Conference invests in the Multiple Asset Fund, a mutual fund managed by Wespath. The fund's objective is to attain current income and capital appreciation, by investing in a broad mix of investments. The mutual fund invests in four other Wespath mutual funds to maintain an investment allocation of approximately 35% U.S. equity, 30% international equity, 25% fixed income, and 10% inflation protection. The asset allocation will be rebalanced periodically when holding falls outside of a 3% tolerance.
- (b) The Conference invests in the Short-Term Investment Fund, a mutual fund (short-term investments) managed by Wespath. The fund's objective is to preserve capital while earning current income higher than that of money market funds. The mutual fund seeks to achieve its investment objective by exclusively holding cash and cash equivalents in the form of units of the sweep account. The sweep account holds primarily short-term fixed income instruments including U.S. Government bonds, agency bonds, corporate bonds, securitized products, commercial paper, certificates of deposit, and other similar types of investments.

#### (4) FAIR VALUE OF FINANCIAL INSTRUMENTS

The Conference utilized various methods to measure the fair value of its investments on a recurring basis. Generally accepted accounting principles establish a hierarchy that prioritizes inputs to valuation methods. The three levels of inputs are described below:

- Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities that the Conference has the ability to access.
- Level 2 – Observable inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, prepayment speeds, credit risk, yield curves, default rates and similar data.
- Level 3 – Unobservable inputs for the asset or liability, to the extent relevant observable inputs are not available, representing the Conference's own assumptions about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available.

The inputs methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

# GREATER NEW JERSEY ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

## *NOTES TO THE FINANCIAL STATEMENTS – (Continued)*

**December 31, 2021 And 2020**

---

The summary of inputs used to value the Conference's investments as of December 31 is as follows:

	2021			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Certificates of deposit	\$ 77,632	\$ -	\$ 77,632	\$ -

Total	<u>\$ 13,242,240</u>			
Beneficial Interest in Perpetual Trusts	<u>\$ 446,294</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 446,294</u>

	2020			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

Wespath mutual funds reported at net asset value	<u>10,733,047</u>			
Total	<u>\$ 10,810,679</u>			
Beneficial Interest in Perpetual Trusts	<u>\$ 413,151</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 413,151</u>

The beneficial interest in perpetual trust is measured at estimated future cash flows which involve unobservable inputs. As a result, the present value techniques would be Level 3 inputs.

The changes in the financial instruments as of December 31 are measured at fair value for which the Conference used Level 3 inputs to determine fair value are as follows:

	<u>2021</u>	<u>2020</u>
Balance, January 1	\$ 413,151	\$ 375,227
Change in value	<u>33,143</u>	<u>37,924</u>
Balance, December 31	<u>\$ 446,294</u>	<u>\$ 413,151</u>

### (5) LOAN RECEIVABLE

Loans are stated at unpaid principal balances, less an allowance. The allowance for loan losses is maintained at a level that, in management's judgement, that is adequate to absorb credit losses inherent in the loan portfolio. The amount of the allowance is based on management's evaluation of the collectability of the loan portfolio, including the nature of the portfolio, credit concentrations trends in historical loss experience, specific impaired loans, economic conditions, and other risks inherent in the portfolio. Allowances for impaired loans are generally determined based on collateral values or the present value of estimated cash flows. The allowance is increased by a provision for loan losses, which is charged to expense, and reduced by charge-offs, net of recoveries.

# GREATER NEW JERSEY ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

## NOTES TO THE FINANCIAL STATEMENTS – (Continued)

December 31, 2021 And 2020

---

A loan is considered impaired when, based on currently available information, it is probable that the Conference will not collect all of the principal and interest contractually required by the loan agreement. Impaired loans include loans that have been modified in a troubled debt restructuring and loans placed on nonaccrual status. All impaired loans are evaluated for an asset-specific allowance for credit losses. An allowance for credit losses on impaired loans is recognized when the recorded investment in the loan exceeds the estimated cash flows expected to be received from the borrower, discounted using the original effective interest rate of the loan.

Impaired loans are placed on nonaccrual status. When a loan is placed on nonaccrual status, accrued interest income is reversed. Interest income on impaired loans is only recognized when actually received from the borrower. Partial payments of contractual amounts due on impaired loans are treated as interest income on a cash basis until such time as the loan is restored to performing status.

The following table provides information on impaired loans at December 31, 2021 and 2020:

	<b>Unpaid Principal Balance Of <u>Impaired Loans</u></b>	<b>Allowance For Credit Losses On <u>Impaired Loans</u></b>
Impaired loans for which an allowance for credit loss is recognized		
Loans receivable	<u>\$852,055</u>	<u>\$852,055</u>

The Conference's practice is to charge off any loan or portion of a loan when the loan is determined by management to be uncollectible due to the borrower's failure to meet repayment terms, the borrower's deteriorating or deteriorated financial condition, the depreciation of the underlying collateral, or for other reasons.

Activity in the allowance for loan losses at December 31 are as follows:

### **ENDOWMENT FUNDS**

The Conference's endowment fund consists of donor-restricted endowment funds. As required by GAAP in the United States, net assets associated with endowment funds, including funds designated by the Conference to function as endowments, are classified and reported based upon the existence or absence of donor-imposed restrictions

### **INTERPRETATION OF RELEVANT LAW**

The Conference is incorporated in the state of New Jersey, which has enacted the Uniform Prudent Management of Institutional Funds Act ("**UPMIFA**"). UPMIFA governs donor restricted or permanently restricted endowment funds for not-for-profit corporations. The Conference has interpreted the applicable state standards and guidelines for the prudent management of an endowment fund as requiring the preservation of the fair value of the original gift as of the gift date of the endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Conference classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment; (b) the original value of subsequent gifts to the permanent endowment; and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund (i.e. the accumulated realized and unrealized gains/losses) that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Conference.

The Conference considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of this organization and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the organization
- (7) The investment policies of the organization

### **RETURN OBJECTIVES AND RISK PARAMETERS**

The Conference has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment asset. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity or for a donor-specified period as well as board-designated funds. Under this policy, as approved by the Council on Finance and Administration, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S&P 500 index while assuming a moderate level of investment risk. The Conference expects its endowment funds, over time, to provide an average rate of return of approximately 6.5 percent annually. Actual returns in any given year may vary from this amount.

To satisfy its long-term rate-of-return objectives, the Conference relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Conference targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

## NOTES TO THE FINANCIAL STATEMENTS – (Continued)

December 31, 2021 And 2020

---

### SPENDING POLICY

The Conference has a policy of appropriating for expenditure 5% of the average fair value of each respective endowment. The Conference expects the current spending policy to allow its endowment funds to grow at a minimal average rate of 5% annually. This is consistent with the Conference's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

As of December 31, 2021 and 2020, the Conference has the following endowment net asset composition by type of fund:

	<u>2021</u>	<u>2020</u>
	<b><u>With Donor Restriction</u></b>	<b><u>With Donor Restriction</u></b>

	<u>2021</u>	<u>2020</u>
	<b><u>With Donor Restriction</u></b>	<b><u>With Donor Restriction</u></b>

Endowment net assets, end of year	<u>\$ 828,546</u>	<u>\$ 786,724</u>

### (8) CONFERENCE BOARD OF PENSIONS

Effective January 1, 2007, the Conference adopted the Clergy Retirement Security Program which had been established by the General Conference of the United Methodist Church. This plan supersedes and replaces the provisions of the prior plans. The church contribution rate under the Clergy Retirement Security Program is 12.50% of the active participant's plan compensation for a plan year. The church contribution rate under the Comprehensive Protection Plan is 3% for full-time clergy and three-quarter time clergy.

Under the provisions of the plans, the Conference is required to maintain an amount in its Deposit Account sufficient to provide for the monthly transfer of the church contributions on behalf of its active participants.

# GREATER NEW JERSEY ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

## NOTES TO THE FINANCIAL STATEMENTS – (Continued)

December 31, 2021 And 2020

### (9) DEFINED CONTRIBUTION PLAN

The Conference has a contributory pension plan for lay employees, covering all full-time employees electing to participate. Under this plan the Conference will contribute 6% or 12% based upon the employees position within the Conference. Contributions were approximately \$150,000 and \$171,000 for the years ended December 31, 2021 and 2020, respectively.

### (10) MULTIEMPLOYER DEFINED BENEFIT PENSION PLANS

The Conference contributes to three multiemployer defined benefit pension plans – the Pre-82 Plan, the Clergy Retirement Security Program (“CRSP”), and the Ministerial Pension Plan (“MPP”). The Conference does not directly manage these multiemployer plans, which are managed by The General Board of Pensions and Health Benefits of The United Methodist Church. A majority of the Conference’s employees are participants in one of these multiemployer plans as of December 31, 2020, subject to eligibility requirements.

Each of these plans is organized as a nonelecting, noncontributory multiemployer church retirement plan, and therefore the plans are not subject to certain reporting requirements of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The plans’ certified zone statuses are not available since the plans are not subject to ERISA reporting requirements.

The risks of participating in a multiemployer plan are different from a single employer plan in the following aspects: (1) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers; (2) if a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers; (3) if an employer chooses to stop participating in a multiemployer plan, the company may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability. If a plan were to terminate, if participants voluntarily withdrew or if there was a mass withdrawal, the Conference may also be required to make additional payments to the plan for its proportionate share of underfunded liabilities.

The following table presents information on the plans and the Conference’s participation in the plans:

### (11) POST-RETIREMENT BENEFIT OBLIGATION

The Conference's post-retirement health care benefit plan provides health insurance coverage to employees with 20 years of service who retire directly from active service at or after the age of 62. Married employees eligible for the plan will also have coverage for their spouse. Upon an eligible retiree's death, spousal coverage continues for the spouse's lifetime.

Effective July 1, 2002 a person becoming an annuitant after July 1, 2002 with less than 20 years of annuity credit in the United Methodist Church at retirement shall share in the cost of the premium. The annuitant's share shall be 5% times the number of full years by which the annuity credit is less than 20.

Effective July 1, 2003 for an annuitant under the age of 65 commencing benefits after July 1, 2003, the Conference shall contribute an amount equal to the coverage cost of a Medicare-eligible annuitant, prorated for service years less than 20.

The Conference amended its post-retirement plan effective in 2021. Plan changes included the requirement for eligibility for post-retirement health for active employees is age 65 with 20 years of service. Retirees who are at least 62 years of age as of July 1, 2021 will be covered and the coverage level will depend on years of full-time appointment. Effective January 1, 2022, the plan design for medical plans was changed to reduce the burden of local church Shared Ministry collection (apportionment) to pay the premiums. The design changes were intended to minimize the impact on the participant while maximizing the premium savings for the Conference. As a result, some expenses shifted to the participants, including a higher deductible and some increases in co-pays. These plan amendments reduced the unfunded liability of the post-retirement plan by approximately \$20 million as of December 31, 2021.

### (14) REFUNDABLE ADVANCE

On May 4, 2020, the Conference received a \$979,452 loan under the Small Business Administration's ("**SBA**") Payment Protection Program (the "**PPP Loan**"). The Conference considered this to be a conditional contribution as it expected to meet the criteria for loan forgiveness upon incurring eligible expenditures and when its application for forgiveness was accepted by the SBA. The Conference considered the incurrence of eligible expenses and the acceptance of its application for forgiveness to be barriers in the PPP Loan agreement and as such, recognized contribution income when these conditions were substantially met. As of December 31, 2020, the Conference had recorded \$979,452 as a refundable advance. During the year ended December 31, 2021, the Conference met all conditions of the program and the loan was forgiven on October 21, 2021. As such, the loan is recognized in the Statement of Activities and Changes in Net Assets as other revenue in 2021.

### (16) BENEFICIAL INTEREST IN TRUST

Under the terms of the perpetual trust, the Conference has the irrevocable right to receive the income earned on the trust asset in perpetuity, but never receive the asset held in trust. The Conference has recorded the asset at the estimated fair value of the Conference's share of the beneficial interest in trust assets. Distributions from the trust assets are recorded as unrestricted investment income in the accompanying statement of activities unless restricted by the donor. The Conference did not receive any distributions in 2020 from the trusts. Change in value of the beneficial interest in the trust assets are record as unrealized gains or losses in the permanently restricted net assets.

A summary of the beneficial interest in trusts is as follows:

	<u>2021</u>	<u>2020</u>
Balance, beginning of year	\$ 413,151	\$ 375,227

### (17) CONTINGENCIES

The United Methodist Church ("**UMC**") is a party to the settlement of lawsuits alleging sexual abuse including claims for compensatory and punitive damages in connection with the National Council, Boy Scout's of America ("**BSA**") and its local chapters and others. On September 8, 2022, the U.S. bankruptcy judge assigned to the case issued her ruling approving the BSA restructuring plan. In this, the judge indicated that the United Methodist settlement meets the tests of bankruptcy law. The settlement (which is still subject to higher court approval and potential appeals) includes the UMC (all US Conferences) making a \$30M contribution to an approximately \$2.5 billion Survivor Trust Fund, of which, the Conference has been allocated \$910,420. The Conference intends to cover their contribution as follows: 75% (\$682,815) will be billed proportionately to each congregation over a three-year period; 25% (\$227,605) will be covered by the Conference. The Conference will make the full settlement payment in September 2023. In the interim, the UMC maintains their support of the Boy Scouts and leadership from both sides are working on revised agreements that provide more protection to the local churches; existing charters were extended through December 2022 and included these additional protections. Beginning in 2023, the UMC began offering two options to the Boy Scouts, an Affiliation Agreement, or a Facilities Use Agreement. Both options provide insurance, indemnification, and legal separation. The Affiliation Agreement enables local churches to keep all physical assets and insures all assets on the church's property insurance. The Affiliation Agreement also requires the BSA to perform background checks, to be renewed every two years. The Facilities Use Agreement legally separates the church from the Scout community, with no church or UMC obligation beyond sharing space.

At December 31, 2021, the Conference is a party to other lawsuits involving alleged clerical sexual abuse (six cases). Four of the cases are primarily in the discovery stage and two cases are inactive. There is no insurance coverage of the alleged clerical sexual abuse claims. While any litigation has an element of uncertainty, after reviewing these actions with legal counsel, management is of the opinion that the liability, if any, resulting from these actions is unknown at this time as they continue through the legal process.

### (20) SUBSEQUENT EVENTS

The United Methodist denomination (“**UMC**”) has gone through several challenging years related to concerns of congregations and/or pastors disaffiliating from the UMC related to differencing views, understanding and attitudes regarding human sexuality. The Conference recognizes there will be different beliefs, traditions, understandings, and attitudes relating to Christian faith and our understanding of human sexuality and will work with congregations recognizing their different beliefs and understandings and remain united in our common mission. While some congregations and/or pastors may choose to disaffiliate from UMC, the Conference is committed to its mission and strategic priorities, goals, and resourcing strategies to recruit and equip transformational leaders that make disciples and grow vital congregations for the transformation of the world. At the Conference May 2022 Annual Conference, legislation entitled “A Call to Discernment and Renewal” was passed. This legislation lays out the process by which congregations can disaffiliate. Also presented at the conference, for informational purposes, were the term sheet (required due diligence and payments) and Connectional Covenant. At the May 2023 Annual Conference, eight churches of the Conference were approved for disaffiliation. These disaffiliations will begin in June 2023 and must be completed by December 31, 2023. The estimated impact on the Conference's operating budget is approximately \$700,000 in reduced shared ministry collections and \$150,000 in General Church apportionments. The impact of this lost revenue will begin in 2023, with the full impact occurring in 2024.

The Conference evaluated its December 31, 2021 financial statements for subsequent events through August 8, 2023 the date that the financial statements were available for issuance. The Conference is not aware of any subsequent events, other than the events described above, which would require recognition or disclosure in the financial statements.

# 2023 CFBF Plan Summary

## Greater New Jersey Conference (336)

### 2023 Comprehensive Benefit Funding Plan Summary

#### **INTRODUCTION**

The 2012 *Book of Discipline* ¶1506.6 requires that each annual conference develop, adopt and implement a formal comprehensive funding plan for funding all of its benefit obligations. The funding plan shall be submitted annually to Wespath Benefits and Investments (Wespath) for review and be approved annually by the annual conference, following the receipt and inclusion of a favorable written opinion from Wespath. This document is only a summary of the information contained in the actual signed funding plan and does not contain all the information required for a comprehensive view of the conference's benefit obligations. You may request the full contents of the 2023 comprehensive benefit funding plan from your conference benefit office.

#### **CLERGY RETIREMENT SECURITY PROGRAM (CRSP)**

##### **Defined Benefit (DB) and Defined Contribution (DC)**

##### **Program overview:**

The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility designed for those who serve as clergy of The United Methodist Church. The program is designed to provide participants with one portion of their overall retirement benefits. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007, which had previously replaced the Pre-82 Plan for service rendered prior to January 1, 1982.

CRSP consists of both a defined benefit (DB) plan, which provides a monthly benefit at retirement based upon years of credited service to The United Methodist Church, and a defined contribution (DC) plan, which provides a retirement account balance established and funded by the annual conferences.

##### **Current funding plan information:**

The Clergy Retirement Security Program (CRSP DB) annuities total liability as of January 1, 2021, is \$(2,134,736,431), while total plan assets are \$2,520,654,197, resulting in a current plan funded ratio of 118%. The Greater New Jersey Conference portion of the liability is 1.9190% and the 2023 contribution is \$1,634,444. The conference anticipates that the amount will be funded by Deposit Account, Direct Billing. Additionally, General Conference 2012 approved a change to CRSP that provides each annual conference the discretion to determine whether to cover three-quarter and/or half-time clergy. The Greater New Jersey Conference has elected to cover clergy serving 50%+ under CRSP effective January 1, 2023.

Effective January 1, 2014, the CRSP DC plan was reduced from a 3% to a 2% of plan compensation non-matching contribution. Clergy can earn up to an additional 1% CRSP DC contribution by contributing at least 1% of their plan compensation to UMPIP; therefore, if a participant contributes at least 1% of plan compensation to UMPIP, the individual will receive a contribution of 3% to CRSP DC. The 2023 CRSP DC contribution is anticipated to be \$636,525 and will be funded by Direct Billing.

### **PRE-82 PLAN (PRE-82)**

#### **Plan overview:**

Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension benefit for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982. If a clergyperson retires within the Conference (and does not terminate), the minimum benefit payable is based on two factors:

- 1) Years of service with pension credit-approved by each conference on the recommendation of the Conference Board of Pensions (CBOP) in accordance with plan provisions and *The book of Discipline*.
- 2) The conference pension rate (past service rate)-the dollar amount chosen by the conference as the amount payable for each approved year of service with pension credit (may change from year to year).

The number of years of service with pension credit is multiplied by the pension rate, and the product is the minimum annual benefit payable to those clergy eligible for Pre-82 Plan benefits. In certain situations, the benefit received from the Pre-82 plan may vary based on the applicability of what is referred to as Defined Benefit Service Money (DBSM), which is the defined contribution feature of the Pre-82 Plan. At the time that a participant retires, the DBSM account is converted to a life based benefit and, at that point, the clergy's benefit is the greater of the PSR or DBSM benefit. If the conference increases the PSR, the clergy's benefit is recalculated; but the DBSM-based benefit does not change.

#### **Current funding plan information:**

The 2023 PSR recommended to the Greater New Jersey Conference will be \$742, representing a 2% increase from the 2022 rate. The conference expects future annual increases to be approximately 2.00%.

The contingent annuitant percentage is recommended to remain at the 75% level.
