Students Interested in the BMCR/SBC21 Recruitment Internship

The purpose of this initiative is to create a special recruitment program for youth and young adults of African descent to help them discern and clarify their call to ministry. If you are interested in this program, you will need a recommendation from your pastor and written approval from the SPRC. The completed application and recommendation form should be emailed to Rosa Williams at rosamw@optonline.net by the application deadline. **Two applicants will be selected to participate for the year, from July 2024 to July 2025. Each participant will be assigned to work in a Black church for 20 hours per week, which includes Sunday. A weekly stipend will be provided. The application deadline is May 30, 2024.** All prospective candidates will be given an interview.

There will be an orientation for students and pastors of the participating churches.
