“With God, all things are possible.”
Jesus, Matthew 19:26

Friends in Christ,

In 2023, the United Methodists of Greater New Jersey stood at the intersection of challenges and opportunities, demonstrating resilience and hope in the face of adversity. As we reflect on all God has made possible this year, we celebrate the collective achievements and reaffirm our commitment to advancing the mission of Christ in our communities. God has blessed us as we live into our mission to make disciples and grow vital congregations for the transformation of the world. Thank you for being a part of God’s good work and good news in GNJ and beyond.

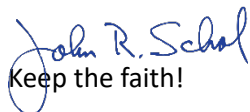

In 2023, together we accomplished the following.

- **Collaborative Partnerships:** GNJ strengthened its collaboration with the Eastern PA Annual Conference to maximize mission and ministry impact. By pooling our resources and expertise, we expanded our reach and effectiveness in addressing the needs of our communities.
- **Expanding Ida Recovery Efforts:** We leveraged an additional \$400,000 from partners to aid in our Ida Recovery, working closely with over 50 families to support their journey towards recovery, even years after the disaster.
- **IGNITE Conference:** We welcomed three additional Annual Conferences to attend the IGNITE Conference, which saw nearly 1,000 young people come together to connect with God, grow in their faith, and continue their leadership journey. This vibrant gathering underscores our commitment to nurturing the next generation of disciples and leaders within our midst.
- **Prayerfully completed the process of disaffiliation,** supporting congregation with guides and a discernment process, and blessed those congregations leaving as they transition into their next missional opportunities. Over 95% of GNJ congregations continue with the United Methodist Church.

We do more together than we can do alone.

As we compile the stories of discipleship and service within these pages, we honor your faithfulness and call, recognizing your contributions to the life of our Church. Looking ahead, we remain steadfast in our commitment to God’s mission, united to continue God’s work among us.

Let us continue to embrace bold action and unwavering faith, knowing that God’s presence guides us. Together, we embark on this journey with strength and courage, fueled by the boundless possibilities that lie ahead.

Keep the faith!

2023-2025 Strategic Ministry Plan

God has plans for your future, a future with hope.

*Christ gave to the church leaders their responsibility, to equip God's people
for the work and ministry of building up the church, the body of Christ.*

- Ephesians 4:11-12 (paraphrased)

Jesus said when you serve others through mercy and justice ministries, you serve me.

Matthew 25:35 (paraphrased)

EPA&GNJ Strategic Direction

Recruit and Develop Transformational Leaders

Purpose/Mission of EPA/GNJ Elected Leadership and Staff

Recruit and develop transformational leaders to make disciples of Jesus Christ and grow vital mission congregations for the transformation of the world.

(Based on the mission of The United Methodist Church)

The elected leadership and staff of EPA/GNJ serve the congregations by developing transformational leadership.

*Christ gave to the church leaders and their responsibility is to equip God's people
for the work and ministry of building up the church, the body of Christ.*

Ephesians 4:11-12

Purpose/Mission of A United Methodist Congregation

Make new and deepen the faith of all disciples to be loyal to Christ through their prayers, presence and participation in the church, and to engage in ministries of witness, mercy and justice in the world.

(Based on the membership vows of The United Methodist Church)

A congregation builds up the body of Christ to serve in the world.

Goals

1. Create a culture of call to pastoral ministry.
Outcome – 40 new potential full-time appointees¹ by 2026.
2. 1,500 leaders per year participate in the Leadership Academy.
Outcome – 60% of our congregations will meet the vitality markers² by 2026.
3. Train 150 facilitators to assist congregations to end the sin of racism.
Outcome - 250 congregations engaging to end the sin of racism (Journey of Hope³) by 2026.
4. Equip 100 leaders to lead their congregations into the community.
Outcome – 35 Hope Centers⁴ by 2026.
5. Equip 300 leaders to lead their congregations to financial health.
Outcome – financially healthier congregations and connectional shared ministry giving to 91% and billings to 95% by 2026⁵.

Strategies to meet our goals.

1. Comprehensive Leadership Development that deepens faith, increases understanding, equips for the

practice of ministry and nurtures healthy leaders.

- a. Pathways - planning that assists a congregation to develop a plan in one or more of the following – vitality, sustainability, ending the sin of racism, community engagement.
- b. Engage – a staff person assigned to every lead pastor and every congregation for planning, coaching, consultation and cohort groups
- c. Leadership Academy - develop the core competencies and skills of congregational leaders and clergy for leading congregations and ministries to make disciples and grow vital mission congregations for the transformation of the world.

2. Developing young leaders

- a. Grow the faith and number of youth in our congregations through camping, retreats, IGNITE and youth leader training.
- b. Provide opportunities for young leaders to develop their gifts.

3. Regional approach that creates superintending teams to relate, support and coach clergy and congregational leaders to health and vitality and reach our goals.

4. Grow congregational giving through stewardship campaigns and communication.

5. Affiliate ministries and administration that will help EPA&GNJ to recruit and develop more transformational leaders.

Values that guide our leadership and ministry

- *Christ-Centered*: the unbreakable and unifying source of our faith and hope.
- *Compassionate and Just Servanthood*: a shared expression of our Wesleyan heritage.
- *Diversity, Equity and Inclusion*: a true reflection of the all-welcoming reign of God.
- *Innovative and Risk-Taking*: a bridge to what is next.
- *Excellence*: a gospel imperative for greater impact in the world.
- *Collaborative*: Wesleyan connectionalism that recognizes we are stronger together.

Cultural Shifts that create a healthier EPA&GNJ

- FROM a church that focuses inward on its members and clergy
TO a relevant mission that connects with the people in the community, particularly younger and more diverse generations of new disciples of Jesus Christ.
- FROM maintaining congregations and their buildings
TO working with congregations to strategically utilize buildings for regenerative mission.
- FROM depending exclusively on Shared Ministries (apportionments) for mission and ministry
TO cultivating new sources of income to grow mission and ministry.

Defining Who and What of The Mission

- *Transformational leader*: Whole, resilient disciple leading from our values to greater outcomes.
- *Disciple*: Committed follower of Jesus living in personal and social holiness
- *Vital Mission Congregation*: Builds up the body of Christ to serve the world.
- *Transformed World*: Just, inclusive communities reflecting the reign of God on earth.

3 Journey of Hope is a plan and process to assist the EPA&GNJ and congregations to ACT (Aspire, Comprehend, Transform) to end the sin of racism. Presently 100 facilitators are trained in EPA&GNJ. Congregations are just beginning to develop plans.

4 A Hope Center is a robust community outreach ministry in partnership with community organizations and the people of the community to develop the community and meet human need.

Presently EPA&GNJ have 27 Hope Centers. Hope Center models include the following,

- Camp Y.D.P., a licensed childcare, after-school enrichment program, and summer day camp, serves low-income families.
- The Crisis Room provides food, clothing, emotional support, and rent and utility assistance to marginalized families.

Conference Advanced Specials

Be It Resolved that the 2023 Session of the Greater New Jersey Conference designates the following ministries and institutions as Conference Advance Specials for the 2024 conference year (without restricting in anyway a local church's ability to support other mission work):

Be It Further Resolved that the Executive Committee of the Connectional Table be authorized to make any additions and deletions to the Conference Advance Specials list based upon recommendations of the Conference Board of Global Ministries.

C.A.M.P. YDP (Community Association with a Ministry to People Youth Development Program) CAMP YDP offers various youth programs along with recreational and enrichment-based curriculum to foster appropriate relationship building, engage the youth through fun and safe team building projects, and provide a space where students feel safe and have a sense of belonging. Provides pre-school, after-school and summer programs for children aged 5 - 14 and their families, mainly on the north side of Paterson. The program runs throughout the year. As an organization, we are committed to work as a "partner" within the community. A stimulating and nurturing environment is provided. Total care is available as well when schools are not in session with transportation available to pick up children from certain schools.

Centenary Fund/Preachers Aid Fund The Centenary Fund and Preachers Aid Society was established in 1857. The purpose of the fund is to provide maximum assistance in times of need for the support of retired clergy, surviving spouses and dependent children of deceased clergy who have served in GNJ. Supporting retired clergy and spouses.

Christian Outreach Project provides no-cost home repairs to persons in need in the northwest area of our Conference. Participants are made up of high school youth and adult volunteers. In addition to home repairs, participants engage in morning devotionals, singing, worship services and recreational activities.

CUMAC/ECHO works to alleviate hunger and its root causes for those in need in Paterson, Passaic County and northern NJ. CUMAC has a Pantry feeding 3,000+ monthly. Our Depot warehouses over 2 million pounds of food annually for a network of about 40 partner feeding programs. This Community Food Coalition (CFC) distributes food while also screening clients for member pantries. We advocate at the local and state level on behalf of CFC clients. CUMAC also has a Community Closet that offers clothing & household items; Pathways to Work imparts job skills and hands-on experience; Place of Promise is a supportive housing program for chronically homeless individuals; and our seasonal projects for school supplies, holiday gifts and other items for area children in need. All our programs rely heavily on volunteer and financial support from the community.

C.U.M.I. Camden Urban Ministry Initiative, The United Methodist Church officials are working together with the community to focus the churches' efforts into reversing the trends of failure commonly found in Camden youth development. They want to ensure implementation of effective and comprehensive programs that will provide long-lasting changes in Camden. This organization is determined to reach Camden City youth through outreach with structured activities, youth forums, leadership development and positive peer and adult relationships. This program offers a cooperative After-School Program which is a shared ministry amongst Camden churches. This partnering reaches families to ensure positive development of children. We provide a safe environment for youth activities, such as an after-school program, summer day camps, youth Bible study, choir and a career training program. There are arts and cultural activities for all ages. The exchange of stories, wisdom, advice, and experience builds a shared understanding of family and community. This church-based intergenerational community surrounds our youth with caring Christian adults who encourage, support, and pray for our youth while also holding them accountable. We are dedicated to the spiritual, emotional, and social growth of Camden Youth.

First Friends of New Jersey and New York Upholds the inherent dignity and humanity of immigrants who are impacted by the immigration enforcement system. This program provide compassion and hope through connections with volunteers dedicated to helping them survive detention, gain freedom and rebuild their lives. With the expansion of detention centers in New Jersey, the need to provide advocacy, research and social services to detained and released detainees has increasingly grown. This program provides a link to the outside world by providing toll free lines (English & Spanish) in five different detention facilities where thousands of individuals are detained, and through visiting individuals in detention. Our Pen-pal Program allows volunteers who cannot visit to write to detainees.

Justice for Our Neighbors (JFON) provides immigrants with free legal services, education, and advocacy for a variety of immigration issues. It is a ministry that works with people God calls us to work with: the immigrant or what the Bible referred to as the stranger in both the Old Testament and Gospels. New Jersey is a state of immigrants. Unique to this ministry is that three conferences, Peninsula Delaware, Eastern Pennsylvania, and Greater New Jersey, will pool resources to serve together to support immigrants in the Southern New Jersey, Philadelphia and Delaware Region. It will provide volunteer compassion ministry and professional legal services. Greater New Jersey has long provided such services to clergy and laity, particularly in Northern New Jersey. This ministry will provide services in Southern New Jersey, particularly to persons with the lowest incomes.

The Neighborhood Center is breaking the cycle of poverty by offering Academic, Athletic, and Arts programs for children and teenagers. This program provides a safe and fun space for children and teens to engage in activities that challenge them. This program has served the Camden community since 1913. This community center provides a healthy and nutritious lunch six days a week, day care, an after-school program, and an evening teen program. We focus on a two-generation approach to lift families out of poverty. Our commitment is to provide a safe space for Academic achievement, Athletic accomplishment, and a flourishing Arts program. Our hope and vision for the next century of service is to create a “community living room.”

Ranch Hope/Victory House is a leader in fostering environments that transform lives empowered through Christ-centered love and compassion. Ranch Hope provides ministry to troubled boys ages 9 to 16 ½ and Victory House provides services to troubled girls between the ages of 14–18 years. We are faith-based and provide learning environments for youths and teenagers whose need can best be met through experiences outside their homes. They can obtain or regain their long-term academic, behavioral, and spiritual focus in our residential setting. Counseling, housing and recreation is offered, as well as spiritual guidance, time to attend chapel services and Bible study. We are licensed by the New Jersey State Department of Children and Families.

The Maker’s Place is an initiative of the United Methodist Church of Greater New Jersey. The Maker’s Place is a diaper bank and resource center in Trenton, New Jersey. This program distributes free disposable diapers for families with children at our “Diaper Depot,” and work with families and institutional partners to promote the strengths found in diverse and inclusive community. The goal is to connect neighbors in Trenton with neighbors in central New Jersey and beyond, by opening a neighborhood resource center that empowers underrepresented populations in our capital city. The Maker’s Place is a site for local mission and ministry. Starting with initiatives centered around food and families, The Maker’s Place will cultivate transformative relationships that help people build bridges out of poverty and create a multiethnic and economically diverse community hub where all people can experience the wide welcome of God.

He recognized the achievements of thirteen churches and individuals. David asked the body to turn to a neighbor and discuss "What is one thing going well in your local church?"

He then spoke about the Strategic Direction, providing detailed goals for the next three years. They include.

1. Create a culture of call.
2. Have fifteen-hundred leaders per year participate in the Leadership Academy so that sixty percent of our congregations are vital.
3. Train one hundred-fifty facilitators to assist congregations end the sin of racism so that two hundred-fifty congregations are working to end racism.
4. Equip one hundred leaders to lead their congregations into the community so that we have thirty-five Hope Centers.
5. Equip three hundred leaders to lead their congregations to financial health so that congregations and GNJ are financially healthy and sustainable.

He invited the body to explore these strategies and goals.

Terry Pagani, coordinator of Conference Lay Servant Ministries, reported on the Leadership Academy. There have been eleven hundred participants, and now forty Lay Servants.

David Yamoah spoke about the development of professional sexual ethics training for clergy and church leaders. Clergy and leaders would be required to complete this training by the end of 2024.

SERVICE OF COMMISSIONING AND ORDINATION

The praise band led a time of praise and worship. The clergy processed to the hymn "All Hail the Power of Jesus' Name." A video, "Native American Land Acknowledgement", celebrated the history of the Leni Lenape people, acknowledged the harm done to them by the sin of racism, and affirmed the hope of Lenape chief that there be harmony. Bishop Schol introduced Bishop Cynthia Moore-Koikoi. They opened the service with greetings and prayer.

The sacrament of Baptism for Ana Sophia Pillot, daughter of Rev. Jacqueline and Rev. Pedro Pillot, was celebrated by Bishop Schol, Bishop Moore-Koikoi and Rev. Dr. Eunice Vega-Perez. Following Ana's baptism, Bishop's Schol and Koikoi led a Reaffirmation of Baptism for all in attendance.

The Service moved to a time of Commissioning Deaconesses. After the laying on of hands and prayer, each received a stole. Those commissioned as Deaconesses were Noemi Vitug-de Armas, Flora G. Pablo, and Loi A. Salazar.

Rev. Michelle Ryoo presented the candidates for ordination and commissioning. Rev. Cyndi Stouffer read the names of those being presented. Rev. Drew Dyson read the names of those being commissioned for provisional members. Bishop Schol asked the candidates the historic questions of General Examination.

Priscilla Montero read the scripture Luke 18:18-26 in Spanish, Andrew Somyung Cho read the same scripture in Korean, and Moselle Jules read in English.

After welcoming everyone, Bishop John Schol asked if they had ever read a part of scripture and had no clue as to what it meant. The scriptures were put together to tell a profound truth. The writers wrote about the best of Jesus' life to tell a truth. Chapter eighteen begins by debating who is on the inside and who is outside the kingdom of God. God finally gives the persistent widow what she is looking for. As widows are a part of the people of God, so are those who badger us.

Bishop reflected on the next story in Luke about a tax collector and how tax collectors often over-collected from the people, so they were despised. Jesus reminds them that even the tax collectors are children of God. He makes the point that the children were being kept away from Jesus, but Jesus says let them come to me: they belong to the kingdom.

OPENING

The Conference praise band opened the session with songs of praise.

EPISCOPAL ADDRESS

Bishop Schol welcomed everyone and gave thanks for the opportunity to be back in person and for how churches persevered during the pandemic with compassion, enthusiasm, and creativity.

Bishop Schol discussed how GNJ has addressed our spending practices to better finance health, our response to Hurricane Ida. In the scandals of child sexual abuse in scouting, we have stood with the survivors. In the chaos of churches disaffiliating, GNJ committed to releasing congregations peacefully and faithfully. Bishop admitted that we did not get through without hurt feelings, and even with challenges, we have emerged with possibility. Bishop expressed that he is proud of how we have moved forward because all things are possible in Jesus Christ.

Vital mission congregations offer inspiring worship, small groups, hands on mercy, justice, and witness. Additionally, Bishop Schol called congregations the outposts for our missions and ministry, working together, doing ministry and missions more effectively in their communities.

Three primary resources continue to be developed to support congregational growth and vitality. Pathways offers ways to explore and help congregations develop and expand ministries within their communities. The Leadership Academy provides and supports all leadership training opportunities. Engage connects the local congregation with the Superintendency team who will help lead and support the local congregation.

Bishop Schol addressed the challenges and opportunities facing the Annual Conference. They include a decline in resources as churches close or disaffiliate, ending the sin of racism. And unity. He applauded the work of GCFA, and the efficiency experienced through the shared resource collaboration with the Eastern Pennsylvania Conference. The opportunity we have for this is Journey of Hope plan and gave thanks that more than fifty percent of this year's pastoral appointments and leadership positions be filled by people of color, and that ninety-eight percent of our congregations have chosen to continue as United Methodist congregations. He affirmed that we would continue as a diverse Conference.

Bishop Schol called GNJ to seek what God has planned for us. Through the Strategic Plan, congregations are able to connect with their community and develop leadership. Bishop Schol closed by reminding the body that all things are possible with God. He closed with prayer.

might make something better.’ She encouraged the body to connect with their inner child as a video was presented with children singing “I am a promise, I am a possibility.” She reminded us that we are a promise and have possibility within us from God.

Bishop Koikoi recalled Ellen J. Langer’s psychology of mindfulness and how it opens us up to possibilities. The contrast between mindlessness and mindfulness was expressed through illustrations. Bishop Koikoi described mindfulness as being situated in the present; sensitive to context and perspective; being rule and routine guided; practicing the phenomenological experience of engagement; recognizing and embracing uncertainty. This definition connects well with Matthew 17:19-20. She continued with a reflection from Isaiah 43:19 and encouraged the body to believe that God is making a way for us even now in the midst of all that we are going through.

She quoted Thomas Merton to remind the body that ‘you do not need to know precisely what is happening, or exactly where it is all going. What you need is to recognize the possibilities and challenges offered by the present moment, and to embrace them with courage, faith, and hope.’ She ended by reminding us that all things are possible through Christ who strengthens us.

- 33) Tabling Related Motions** – No motion that adheres to another motion or has another motion adhering to it can be laid on the table by itself. If they are laid on the table, such motions carry with them the motions to which they respectively adhere, or which adhere to them.
- 34) Motions After Speaking on a Pending Question**
- A member may make a motion after a speech, although strict parliamentary practice requires motion to be made and seconded before a speech is made so the Conference may determine if it wishes to hear the matter.
 - No member who has spoken on a pending question shall at the close of the speech have the right to call for the previous question, to move for indefinite postponement, or to lay the motion on the table.
- 35) Previous Question** – To move the previous question is to move that the vote now be taken on the motion or motions pending.
- When moving a previous question, a member shall indicate to what such action applies if any secondary motion or motions are pending. If the member does not so indicate, the chair may regard it as applying only to the immediate pending question. This vote shall be taken without debate and if, in the judgment of the chair, two thirds (2/3) of those present vote for its adoption, the vote shall be taken on the motion or motion to which it applies.
 - It shall not be in order to move the previous question in cases involving character or Conference relations, or where the Rules otherwise expressly limit when it is in order to move the previous question.
- 36) Reconsideration of a Question** – A motion to reconsider an action of the Conference shall be in order at any time during the prevailing session if offered by a member who voted with the majority. If the motion it is proposed to reconsider is not debatable, the motion to reconsider may not be debated.

- 39) When a Motion is in Possession of the Conference** – When a motion is made and seconded, or a resolution introduced and seconded, or a report presented and/or read before the Conference or stated by the Chair it shall be deemed in possession of the Conference. But any motion may be withdrawn or altered by the mover with the consent of the Conference at any time before voting has commenced.
- 40) Amendments and Substitutions** –
- Only one amendment to an amendment shall be in order.
 - It is in order to move a substitute for the main motion. In such case, the Chair shall proceed to perfect the original motion. When the main motion has been perfected, the Chair shall state the question on the substitute. If the substitute is adopted, it shall replace the original main motion and become the main motion. The Chair will then state the question on the (new) main motion. The new main motion can be amended only by addition. If the substitute does not carry, the Chair shall state the question on the original main motion as it has been perfected.
- 41) Order of Amendments** – When a main motion, report or resolution is under consideration, only one amendment and one amendment to that amendment are permissible. While there can be only one amendment of each degree pending at the same time, any number of amendments can be offered in succession. A substitute and one amendment to the substitute may be offered while amendments of the first and second degree are pending. The permissive order then is: 1) main motion, 2) amendment, 3) amendment to the amendment, 4) substitute, and 5) amendment to the substitute. The voting in this order is 3, 2, 5, 4, 1. If the substitute becomes the main motion, it shall be treated as such.
- 42) Appeal** – An appeal from the decision of the Chair shall be taken without debate, provided that after the Chair shall have stated the reason for the decision, the appellant may give the grounds for the appeal. (¶ 51)

- 43) The Question of Consideration** – The question of consideration may be raised by any member upon the presentation of any matter that shall be deemed irrelevant, unprofitable, or contentious, and shall be decided without debate by majority vote. This applies only to the main motion.
- 44) Method of Voting** – Voting shall be by voice vote and/or show of hands, or by standing count (provided that in such a count those who cannot stand may vote by raising hands), or by ballot, at the discretion of the Presiding Officer, unless otherwise ordered by the Conference. It shall be in order for any member to call for a vote by count on any question before the Conference, and, if the call be sustained by one-third (1/3) of the members present and voting, a vote shall be taken as called for.
- 45) Robert’s Rules of Order, Supplemental Authority** – In any parliamentary situation not covered in these Rules of Order, the Conference shall be governed in its action by the appropriate provisions of the latest revision of Robert’s Rules of Order.

V SPEAKING ON THE FLOOR

- 46) Securing the Floor** – Before speaking in debate or delivering any matter to the Conference, a member shall approach and wait at a microphone provided for addressing the Conference from the floor or shall raise a card provided for the purpose of gaining recognition. When the member has been recognized by the bishop, the member shall proceed to speak at a designated microphone. Before addressing the purpose of speaking, members shall state their names and local church or affiliation.
- 47) Limitations on Debate** –
- a) The chairperson of the agency that originated the report or recommendation(s) shall present them as the main motion before the plenary session and shall have five (5) minutes for comment, except as provided under h) below.
 - b) If there is a (are) minority report(s) or recommendation(s) from members of the agency, a representative shall be allowed five (5) minutes for a presentation.
 - c) All debate on the floor of the Conference shall follow the principle of alternate debate, that is, a speaker for, then a speaker against. When no speaker on the side opposed to the last speaker is ready, the President may recognize one who desires to speak on the same side as the prior speaker.
 - d) No person shall speak more than once on the same question without permission of the Conference, except as provided under g) below.
 - e) No person shall speak more than three (3) minutes at one time without permission of the Conference, except as provided under a) or h).
 - f) The initiator of the main motion shall in all cases be entitled to three (3) minutes to either
 - i. oppose the motion to lay the report or recommendation(s) on the table.
 - ii. close the debate before the report or recommendation is voted upon.
 - g) An agency presenting Special Reports at the direction of the Conference shall have sufficient time as determined by the Sessions Committee to present such reports and recommendations.
 - h) Except for non-debatable motions, no report or motion shall be put to the question without the opportunity having been given for at least two (2) speeches for and two (2) speeches against the pending question. After two (2) speeches pro and two (2) speeches con and provided no secondary (subsidiary, privileged--other than “previous question”-- or incidental) motions come to the floor and no other member seeks the floor to speak on the pending question, the question shall automatically be put to the question.
 - i) The motion for the previous question shall not be in order on the pending question until opportunity has been given for at least two (2) members to speak on each side of the pending question. If, after reasonable opportunity has been offered by the chair, no member has requested to speak against a resolution, motion or amendment, any member may move the previous question, to close debate. Likewise, if one member has spoken against a resolution, motion or amendment, but, after reasonable opportunity has been offered by the chair, no second member has requested to speak against the measure, any member may move the previous question, to close debate.
- 48) Representation of Committees** – When the chairperson of a Conference agency is not in harmony with a report or recommendation adopted by the agency, it shall be the chairperson’s duty to state the fact to the agency. The agency may then elect one of its members to represent

RULES OF ORDER

it in the presentation of the report or recommendation in Conference. If the committee fails to elect such a representative, the chairperson may designate a member to represent the committee.

- 49) To Limit or Extend Debate** – To move to limit or extend the limits of debate is in order at any time, except when a member has the floor, except as otherwise specifically provided elsewhere in the Rules.
- 50) Interrupting the Speaker** – No one shall interrupt a member who has the floor except for a breach of order, a misrepresentation, a departure from the question, to direct the attention of the Conference that the time has arrived for a special order of the day, or to raise a very urgent question of high privilege.
- 51) Questions of Privilege** – All requests from the floor to be recognized for matters of privilege must be made in writing to the Conference Secretary. They shall state the reason for the request to address the conference and the purpose of the request. The requests will be reviewed by a committee composed of the Conference Lay Leader, Conference Secretary, and the Chair of Conference Sessions. The committee shall recommend to the Presiding Bishop whether or not to recognize the requestor for the purpose of presenting the matter of privilege. The Presiding Bishop shall have sole authority in receiving and acting upon the recommendation of the committee.
- 52) Announcements, Courtesy Presentations and Distribution of Papers** –
- a) Announcements of matters of information to the Conference shall be submitted on the Announcement Authorization Form to the Conference Secretary before the conclusion of the plenary session prior to the plenary session when the announcement will be made unless it is an emergency matter which may be submitted as soon as possible after the matter is known.
 - b) Requests to make Courtesy Presentation speeches during a plenary session by a person not a member of Annual Conference or by a member are subject to the discretion of the bishop. As a general rule, no presentations or speeches will be made to the Conference outside the agenda.
 - c) Papers or other materials may not be distributed to the members during the Conference sessions, except with express prior permission by the bishop.
- 53) Privilege of the Floor for Lay Members of Conference Agencies** – Laypersons not members of the Conference but currently serving on Conference agencies shall have the privilege of the floor without vote.
- 54) Lay Officers of a Conference Agency** – Any Lay Officer of any Conference agency, who is not a lay member of the Conference, shall have the privilege to move and defend the report of the group such Lay Officer represents, without vote.

VI **NOMINATIONS**

- 55) The Committee on Nominations and its Ministry** – The Committee on Nominations will consist of the District Lay Leaders, the Conference Lay Leader, the Director of Connectional Ministries, and the District Superintendents. The Committee shall nominate the appropriate number of people each year to the Annual Conference Session for election.
- a) The Committee on Nominations will develop and use a system to identify nominees based on their gifts, experience, and skills that will help the Conference achieve its vision, mission, and goals as adopted by the Annual Conference, particularly leadership evidenced in making and maturing disciples, growing vital congregations and transforming lives and communities. Additionally, the Committee shall ensure the nominations reflect the diversity of the Conference.
 - b) Agency members shall be elected and placed into four staggered classes and each class will serve for a term of two years. An agency member may serve for four terms for a maximum of eight years. Nominations and elections will follow the rotation schedule unless otherwise mandated by the Book of Discipline.
 - c) In order to aid the Committee on Nominations in its work, it is requested that any member of the Conference who has a personal preference to serve on any particular

agency communicate such personal preference to the chairperson of the Committee on Nominations on the appropriate form prior to January 1.

- d) Nothing herein shall exclude additional nominations from the floor of the Conference. All nominations from the floor must be submitted on forms supplied in the pre-conference mailing or secured from the Chairperson of Nominations prior to placing the name in nomination. The signatures of the nominator and nominee must be on the form, or it will be declared invalid.

56) Chairpersons and Officers –

- a) For the sake of empowering diverse leadership, the Committee on Nominations shall nominate, and the Annual Conference elect, all chairpersons and officers for agencies, boards, commissions, committees, councils, and teams except where the Book of Discipline instructs differently. All terms shall be for the quadrennial, or such other period as specified by the action of the Conference.
- b) The Committee on Nominations shall nominate all chairpersons and officers for agencies, boards, commissions, committees, council, and teams [hereinafter Agency/Agencies] that the Book of Discipline requires to select its own chair and officers. These nominations shall not come before Annual Conference but shall be presented directly to the respective Agencies for vote at their first meeting after Annual Conference. In the absence of a duly elected Chair, whose term has not yet expired, the District Superintendent assigned to the agency either permanently, or for the election process, shall chair the meeting until the new chair is elected.¹
- c) In all nominations, special attention shall be given to seeking diversity of inclusion by gender, age, racial and ethnic background, and to inclusion of people with disabilities and from all size churches. (See Discipline paragraph 610.5)

57) To Fill Vacancies –

- a) The Committee on Nominations is to recommend to the Connectional Table Executive Committee any persons to fulfill an unexpired term of any agency vacancy between Annual Conference Sessions except where the Discipline instructs differently.
- b) Preference will be given to members of the Annual Conference to serve on conference agencies when they have the skills, experience and qualities being sought for an agency.
- c) The Connectional Table Executive Committee shall approve the appointments or request additional nominations, in which case the Committee on Nominations is to submit new nominations. These individuals serve until they or someone else is elected at the next Annual Conference Session.
- d) When a person duly nominated and elected to any Conference agency does not attend three (3) consecutive meetings of the agency, it shall be the responsibility of the chairperson to attempt to contact that person by mail or telephone with a view to activation or resignation. The chairpersons shall report in writing annually to the Chairperson of the Committee on Nominations regarding contact with all non-participants and the results of such contacts. This information shall be provided by January 31 of each year.

58) Elections –

- a) The report of the Committee on Nominations shall be distributed in the Pre-Conference mailing and/or the packet received at the seat of the Annual Conference. The report shall be presented without reading. Upon adoption of a motion to close nominations, the Chairperson of the Committee on Nominations shall move the election of all nominees whose elections are uncontested.
- b) When the number of persons nominated exceeds the vacancies on an agency or when more than one person is nominated for a specific office, there shall be a secret ballot listing only those persons where a contest exists. The ballot will be taken at a time subsequent to the election in a) above. The ballot shall be distributed, collected and tallied by tellers selected by the Conference Secretary, who shall report the results listing only those elected. Election shall be by a majority of those voting. Lacking a majority, there shall be another ballot listing only those receiving 25% or more of the votes.

59) Quadrennial Agencies -

For this purpose, annual conference to annual conference shall be considered one year, regardless of the actual dates of the conferences.
- b) Persons elected by the Annual Conference to serve in an affiliated organization* may serve in accord with the by-laws of the organization in which they are elected to serve, except that no term of office may exceed five years. All persons elected or reelected to serve in an affiliated organization shall be elected in accord with the Annual Conference rules on nomination and election.

62) District Superintendent Voting – A District Superintendent regularly assigned to any Conference agency by the Cabinet shall have a vote in that agency, and shall be the only District Superintendent who shall have the right to vote in such agency, except where the Discipline provides otherwise.

VI PETITIONS AND ELECTIONS TO GENERAL AND JURISDICTIONAL CONFERENCE

63) Petitions to General Conference – All petitions to General Conference shall be presented as prescribed in ¶ 507 of the Discipline. Petitions for endorsement by the Annual Conference to General Conference will only be considered in the year in which General Conference delegates will be elected.

Nominations –

64) In a year in which elections to the General and Jurisdictional Conferences are to be held, the Conference Secretary shall open nominations for lay and clergy delegates on December 15 of the year preceding the Conference Session. By Feb. 28th the Conference Secretary will published those nominations which are received by Feb. 15th. The conference secretary will publish these nominations on the conference website and by any additional methods of her/his choosing, there shall be a continued opportunity to place names in nomination up until March 31st, particularly in order to assist the conference members in fulfilling our desire to nominate a diverse and inclusive pool of candidates. An individual who desires to be a delegate shall download and complete a candidacy nominations form from the web page. On the bottom of nominations for Lay Delegates shall be the names of two Lay Members of the Annual Conference who endorse the nomination of the candidate. On the bottom of nominations for Clergy Delegates shall be the names of two Clergy Members who are eligible to vote for such delegates, and who endorse the nomination of the candidate. Approved at the 2022 Annual Conference.

- a) Nominees may address their respective sessions for no more than one minute each, provided that no more than forty-five minutes shall be allotted for speeches. If more than 45 lay persons or clergy persons are nominated, the allowed times for individual speeches will be adjusted accordingly. No speeches regarding nominees will be in order after the original time allotted for such speeches.

65) Balloting – The Conference Secretary shall announce the number of clergy delegates to be elected. A like number of lay delegates will be elected.

- a) The time of initial balloting shall be set by the agenda committee.
- b) Balloting shall be by electronic or mechanical means.
- c) The Secretary shall announce a Chief Clergy Teller and a Chief Lay Teller, and two lists each of clergy and lay assistants.

- 66) Voting** – All members, lay and clergy, must be within the bar of the Conference to be eligible to vote.
- a) Before each ballot, the President shall announce the number of delegates each ballot shall elect. To be effective, a ballot must list the exact number of names of lay or clergy delegates to be elected.
 - b) The intent of the voter shall be allowed regardless of mistakes in spelling.
 - c) Where there is more than one member with the same family name, the Christian name or identifying initials shall precede the family name.
 - d) A majority of valid votes cast shall be necessary for election, except on the ballot to elect reserve delegates pursuant to Rule 68.
 - e) Only those nominated are eligible for election. If a ballot lists someone who has not been nominated, the ballot will be disqualified.
- 67) Counting and Reporting** –
- a) After a ballot has been counted, the chief teller, either clergy or lay, shall furnish a written report to the bishop, which shall contain (a) the number of ballots cast; (b) the number of ballots not valid; (c) the number of valid ballots counted; (d) the number of ballots necessary to elect; and (e) the list of names of persons voted for, including the number of votes received by each. The results will be disclosed or displayed before the next ballot is taken.
 - b) Minimum Votes. On the first ballot for both General Conference and the jurisdictional conference, the presiding officer shall read or distribute all names receiving 5 or more votes, together with the number of votes cast for each. Thereafter, the minimum number of votes received to be included in the next ballot shall be increased by five for each delegate elected (that is, on the first ballot a minimum of 5 votes to be included in the next ballot; after the election of the first delegate, a minimum of 10 votes to be included in the next ballot; after the election of the second delegate, a minimum of 15 votes, etc.). After the ballot in which the last delegate is elected to the General Conference, all the names that were originally nominated are available for election to Jurisdictional conference. Those elected to General Conference will not be listed.
 - c) If necessary, another ballot shall be taken in like manner, and so on, until the proper number of delegates has been chosen.
- 68) Qualifications** –
- a) Clergy Delegates – The Discipline, ¶ 35 (Article IV), permits any active or retired member of the Annual Conference in full connection to be eligible for election to the General or Jurisdictional Conferences.
 - b) Lay Delegates - The Discipline, ¶ 36 (Article V), asserts that lay delegates shall be elected “without regard to age, provided that such delegates shall have been professing members of the United Methodist Church for at least two years next preceding their election, and shall have been active participants in the United Methodist church for at least four years next preceding their election, and are members thereof within the Annual Conference electing them at the time of holding the General and Jurisdictional Conferences.”
- 69) Reserve Delegates** – After the authorized numbers of delegates have been elected, 3 clergy and 3 lay reserve delegates shall be elected on a single ballot, with the 3 persons receiving the greatest number of votes in each category being elected in the order of the number of votes received.

VII CONCERNING FINANCIAL OPERATIONS

- 70) Budget** – The Annual Conference shall adopt at each Annual Session a budget for each of the following: Clergy Support, Administrative Costs of the Annual Conference, World Service, Conference Benevolences, and other Apportioned Funds. These budgets become effective for the fiscal year beginning on January 1st following the session. Apportionments of these budgets shall be sent to the several churches as soon after the session as is feasible.
- 71) Apportionments** – The Conference Shared Ministry Budget shall be apportioned annually among the churches of the Conference according to a formula recommended by the Conference Council on Finance and Administration and adopted by the Annual Conference. Following adoption, the formula will remain in effect until such time as changes are recommended by the CF&A and

RULES OF ORDER

adopted by the Annual Conference. The formula shall be outlined on a Shared Ministry data sheet, which shall be distributed to the churches as soon as practical after the end of each year's annual conference, but in no event later than the end of the fiscal year.

- 72) Prior Action by Council on Finance and Administration** – Every motion, recommendation, resolution, or other legislative act having to do with budgeting, apportionments, allotments or expenditure of funds shall first be submitted to the Council on Finance and Administration. After adequate time is allowed for investigation and study, the council shall report its recommendation to the Conference. This report shall be received before such legislation may be acted upon by the Annual Conference.
- a) No agency or member of the Conference shall commit the Conference financially for the support of programs within or beyond the Greater New Jersey Annual Conference without first obtaining the approval of the Annual Conference after study and recommendation of the Council on Finance and Administration, and not until funds are available or have been allocated to meet such commitments.
 - b) Any person or agency requesting an emergency offering should contact one of the Team Coordinators, who will present the matter to the Cabinet and the Council on Finance and Administration. Any funds received as a result of such an offering will be held by the treasurer and administered by a task force established by the Cabinet for that particular appeal.
- 73) Time Limit on Submitting Budget Requests** –
- a) Requests for inclusion of an item in the Clergy Support Budget and/or the Administrative Costs of the Annual Conference Budget to be acted on by an Annual Conference shall be submitted to the Treasurer's office by the third Monday of January preceding the date of the Annual Conference, except in cases of unavoidable emergency.
 - b) Requests for inclusion of an item in the World Service Budget and/or the Conference Benevolences Budget to be acted on by an Annual Conference shall be submitted to the Connectional Table by January 15 preceding the date of the Annual Conference, except in cases of unavoidable emergency.
- 74) Amending Allotments** – An agency shall not attempt to amend its allotment in a proposed budget submitted to an Annual Conference unless it has previously presented an appeal to the Council on Finance and Administration at a meeting held preceding the date of the Conference.
- 75) Increased Asking by Amendment** – In amending a proposed budget on the floor of the Annual Conference, no item shall be increased above the amount originally requested by the responsible agency in its asking to the Council on Finance and Administration, except when the consent of both the agency and the Council on Finance and Administration has been obtained.
- 76) Proper Use of Budgeted Funds** – No agency of the Conference shall spend budgeted funds for any purpose other than the general purpose for which the funds were originally requested unless the consent of the Council on Finance and Administration and the Ministries Team has been obtained for such a reallocation. An expenditure item shall be budgeted for the year when it is expected to be spent, and it shall be spent only in the year for which it is budgeted. When uncontrollable circumstances warrant, an emergency request may be directed through the Ministries Team to the Council on Finance and Administration for a budget adjustment.
- 77) Financial Appeals to the Churches** – Any agency planning to send a communication or appeal to the churches requesting contributions to any agency or fund shall first submit its proposed communication or appeal to the Council on Finance and Administration. The Council shall ascertain if the procedure is in accord with existing legislation and shall make certain that remitting instructions are correct. Any contribution received by the Conference Treasurer in response to a communication which has not been cleared as herein provided shall be credited automatically to World Service and Conference Benevolences through the remitting church.
- 78) Customary Draft** – When presented and endorsed, the customary draft from the United Methodist Publishing House shall be turned over to the Conference Treasurer for pensions for clergy of the central conferences.
- 79) Bonding** – All persons who hold or disburse conference funds shall be bonded in such amounts as may be deemed wise by the Council on Finance and Administration.
- 80) Fiscal Year** – The fiscal year shall coincide with the calendar year unless another fiscal year is designated by the Conference Treasurer after approval by the Conference. All payments to be

credited to a given fiscal year shall be in the hands of the Conference Treasurer not later than the following January 20th. All local church financial reports shall be forwarded to the Conference Treasurer by a deadline to be announced annually.

- 81) Audit** – The Council on Finance and Administration shall be responsible for arranging that a Certified Public Accountant shall audit the accounts of the Annual Conference. The Council on Finance and Administration shall publish a statement of Certification of each audit in the Journal.

VIII CONSENT CALENDAR

82) Consent Calendar –

- a) The Conference Agenda Committee may present to the Annual Conference a proposed consent calendar, including those items which the Annual Conference may approve with one vote of approval by the Conference membership.
- b) A written list of items on the consent calendar, including the name of the motion, name of the author, and page number in the Pre-Conference Workbook will be presented to all members of the Conference upon check-in at the Conference session.
- c) The consent calendar list will include a space where Conference members may check any item(s) which they would like to see removed from the consent calendar.
- d) To vote to remove an item from the consent calendar, Conference members must:

- f) All requests for items to be removed from the consent calendar shall be delivered to the Conference Secretary as early as possible, but no requests will be received within the last twenty-four (24) hours before the stated time of adjournment of the Conference session. During this last twenty-four (24) hour period, items may only be removed from the consent calendar by a $\frac{3}{4}$ vote of the Conference.

IX NOMINATION OF EPISCOPAL CANDIDATES

83) Nomination of Episcopal Candidates - The procedure for nomination of Episcopal Candidates to the Jurisdictional Conference as permitted by ¶1405 of the Book of Discipline shall be as follows:

- a) In a year in which one or more Episcopal Candidates are to be nominated by the Annual Conference, the Conference Secretary shall provide for the receiving of nominations until the deadline for submission of proposed legislation for that year's annual conference. Each proposed nomination shall be submitted on one side of an 8 ½ x 11-inch sheet of paper or by electronic means designated by the Conference Secretary. Only eligible persons may be nominated. The bishop shall, before the ballot is taken, remind the Annual Conference of the eligibility requirements for election to the office of the episcopacy.
- b) The Jurisdictional Conference delegates (acting as a group) shall have the privilege to speak to the Annual Conference on behalf of the person(s) they have endorsed for nomination to the episcopacy (provided they have submitted such nomination in the manner described in Rule 82(a) above). If no other nominations have been submitted as indicated in Rule 82(a) above, the bishop shall call for a vote of the body. A majority vote will be sufficient for this person (these persons) to be recognized as the episcopal nominee(s) of the Annual Conference.
- c) If there are additional nominations submitted in accordance with Rule 82(a) above, the Bishop shall call for a written or electronic ballot following this procedure.
 - i. Nominees may each give a three-minute speech. There shall be no seconding speeches.
 - ii. If any ballot contains the name of an ineligible person, that name shall not be tallied, but other names on the ballot shall be tallied.

RULES OF ORDER

- iii. Conference members may vote for one such nominated individual. An individual must receive 60% of those voting to be nominated by the Annual Conference. If an individual does not receive 60% of the vote by the fifth ballot there will be no nominee. If someone is nominated, the conference will take up to three ballots to see if a second person is nominated. If no one receives 60% of the vote by the third ballot there will not be a second nominee. Those who do not wish to see anyone nominated may so indicate that desire on their ballots (in the manner prescribed by the Conference Secretary) and the ballot shall be counted as cast.
- d) Only the persons selected in the foregoing manner shall be deemed Nominees of the Greater New Jersey Annual Conference.
- e) This procedure shall not foreclose efforts by individuals or groups in the Annual Conference to promote the candidacy for the episcopacy of other persons.

X **RULES OF ORDER RESOLUTIONS**

84) **Resolutions to Change the Rules of Order –**

- a) Any resolution or proposed change, by addition or deletion to the Rules of Order, with the exception of ***Concerning Financial Operations***, shall first be referred to the Committee on Rules of Order for its recommendation. The Committee shall submit its recommendation to the body prior to any action by the body. The initiator of any proposed change to be included in the Pre-conference mailing shall at the same time submit a copy of said proposed change to the chairperson of the Committee on Rules of Order. The Rules Committee may request a meeting with the initiator prior to the convening of the Annual Conference.
- b) If the change is proposed at the site of the Annual Conference, it shall be referred to the Committee on Rules of Order and a report to the body will be made no later than the next plenary session.

XI **HOLY CONFERENCING PROCEDURE FOR CERTAIN GENERAL CONFERENCE PETITIONS**

85) A procedure to facilitate holy conferencing shall be used, at the Bishop's discretion, to discuss petitions to General Conference regarding issues related to human sexuality or such other issues that would benefit from the same procedure.

A special order of the day will be established to provide for holy conferencing. The special order of the day shall proceed as follows:

- i. Representatives of the two primary positions selected by the bishop will each make a twenty-minute presentation.
- ii. Upon conclusion of the opening presentations, the bishop shall bring the Conference into silent prayer for two minutes.
- iii. Then ten minutes will be provided for delegates to share what they heard with their fellow Christians seated to their immediate left and right. This is not a time for debate, but rather to listen to what their neighbors heard.
- iv. The bishop will then call the Conference to order. Delegates will then have the opportunity to share their thoughts with the Conference. The bishop shall establish a total amount of time for discussion, not to exceed sixty minutes. No member may speak longer than two minutes. All speakers will be notified when ten seconds remain of their time. The speaker will be allowed to finish a sentence at the expiration of allotted time. Then, that microphone will be cut off and the next speaker will be recognized. This will continue until the total allotted minutes have elapsed or everyone who wished to be recognized had an opportunity to speak, whichever comes first. No subsidiary privileged or incidental motions will be in order during this time of discussion.
- v. The regular business of the Conference will then resume.

At a previously noted time during plenary session on the following session day, the petitions will be voted upon by secret written ballot. Thirty minutes will be allotted for this vote. No debate or motions will be in order at this time.

XIII HOLY CONFERENCING PROCEDURE FOR PROPOSED CONSTITUTIONAL AMENDMENTS

- 86)** A procedure to facilitate holy conferencing shall be used at the bishop's discretion to discuss proposed Constitutional amendments coming from the General Conference. A special order of the day may be established to provide for holy conferencing. The special order of the day shall proceed as follows:
- i. The co-chairs of the delegation to General Conference will present the proposed amendments to the Conference in a fifteen-minute presentation.
 - ii. Upon conclusion of the opening presentation, the bishop shall bring the Conference into silent prayer for two minutes.
 - iii. Then up to ten minutes will be provided for members to share what they heard with their fellow Christians seated to their immediate left and right. This is not a time for debate, but rather to listen to what their neighbors heard.
 - iv. The bishop will then call the Conference to order. Members will then have the opportunity to share their thoughts with the Conference. Sixty minutes will be allotted for this. No member may speak longer than two minutes. Each speaker will be notified when ten seconds remains of their time. The speaker will be allowed to finish a sentence at the expiration of their time. Then, that microphone will be cut off and the next speaker will be recognized. This will continue until sixty minutes have elapsed or everyone who wishes to speak has been recognized whichever comes first. No changes are permitted to be made to Constitutional amendments.
 - v. The regular business of the Conference will then resume.

At a previously noted time during a subsequent plenary session, the amendments will be voted upon by secret ballot. Members will be able to vote in favor of or against each individual amendment. If a member wishes to abstain, the member will leave the ballot blank for that particular amendment.

Should any of the foregoing Rules of the Greater New Jersey Annual Conference be in conflict with the provisions of the current Book of Discipline, then the provisions of the Discipline shall take precedence.

2024 BUDGET LEGISLATION

2024 Budget Legislation

Whereas the Greater New Jersey Annual Conference's mission is to *recruit and develop transformational leaders to make disciples of Jesus Christ and grow vital congregations for the transformation of the world by:*

- Creating a culture of a call to pastoral ministry with 40 new candidates for full-time appointees by 2026.
- Enabling 1,500 leaders per year to participate in the Leadership Academy so 60% of our congregations will meet the vitality markers by 2026.
- Training 150 facilitators to assist 250 congregations participate in ending the sin of racism by 2026.
- Equipping 100 leaders to lead their congregations into their communities with the plan to create 35 Hope Centers by 2026.
- Equipping 300 leaders to lead their congregations to financial health so that shared ministry giving will increase to above 91% and billings collection will increase above 95% by 2026.

Therefore, be it resolved that GNJ adopts the 2024 budget in order to achieve our mission; the 2024 budget will:

1. Consolidate all billings to congregations, GNJ ministry and mission, administration and property, and general church apportionment budgets.
2. Apportion congregations on their total spending as inputted by the congregation in its statistical reports excluding capital expenditures, mission giving, paid apportionments, and interest and principal payments on debt and mortgages.
3. Apportion all congregations except for the Journey of Hope Congregations at 15.3%, of which 12.5% is for GNJ Shared Ministry and 2.8% for general church apportionment.
4. Apportion Journey of Hope congregations at the rate set through the Journey of Hope Plan.
5. Support six district superintendents.
6. Allocate \$711,000 from property sales to the budget. The remaining property sales will be invested according to GNJ policy.
7. Draw 5% from designated funds according to policy to support the budget.
8. Provide monthly statements to congregations include the following.
 - a. The total apportionment to the congregation for GNJ Shared Ministry.
 - b. The total apportionment to the congregation on behalf of the general church.
 - c. Direct billings to the congregation from GNJ, which include but is not limited to, blended rate for active healthcare and incremental contributions for self-elected benefits (health, dental, vision, and health reimbursement accounts) for active pastors/lay employees, workers compensation, property insurance, Boys Scouts of America settlement contribution (as approved at the May 2022 Annual Conference) and back payments for past billings.

Be it further resolved that GNJ as a commitment to its Journey of Hope will give from end of the year budget surplus, if it exists, up to 100% to two General Apportionment funds: Black College and Africa University.

CONFERENCE ADVANCED SPECIALS

Be It Resolved that the 2023 Session of the Greater New Jersey Conference designates the following ministries and institutions as Conference Advance Specials for the 2024 conference year (without restricting in anyway a local church's ability to support other mission work):

Be It Further Resolved that the Executive Committee of the Connectional Table be authorized to make any additions and deletions to the Conference Advance Specials list based upon recommendations of the Conference Board of Global Ministries.

C.A.M.P. YDP (Community Association with a Ministry to People Youth Development Program) CAMP YDP offers various youth programs along with recreational and enrichment-based curriculum to foster appropriate relationship building, engage the youth through fun and safe team building projects, and provide a space where students feel safe and have a sense of belonging. Provides pre-school, after-school and summer programs for children aged 5 - 14 and their families, mainly on the north side of Paterson. The program runs throughout the year. As an organization, we are committed to work as a "partner" within the community. A stimulating and nurturing environment is provided. Total care is available as well when schools are not in session with transportation available to pick up children from certain schools.

Centenary Fund/Preachers Aid Fund **The Centenary Fund and Preachers Aid Society was established in 1857. The purpose of the fund is to provide maximum assistance in times of need for the support of retired clergy, surviving spouses and dependent children of deceased clergy who have served in GNJ.** Supporting retired clergy and spouses.

Christian Outreach Project provides no-cost home repairs to persons in need in the northwest area of our Conference. Participants are made up of high school youth and adult volunteers. In addition to home repairs, participants engage in morning devotionals, singing, worship services and recreational activities.

CUMAC/ECHO works to alleviate hunger and its root causes for those in need in Paterson, Passaic County and northern NJ. CUMAC has a Pantry feeding 3,000+ monthly. Our Depot warehouses over 2 million pounds of food annually for a network of about 40 partner feeding programs. This Community Food Coalition (CFC) distributes food while also screening clients for member pantries. We advocate at the local and state level on behalf of CFC clients. CUMAC also has a Community Closet that offers clothing & household items; Pathways to Work imparts job skills and hands-on experience; Place of Promise is a supportive housing program for chronically homeless individuals; and our seasonal projects for school supplies, holiday gifts and other items for area children in need. All our programs rely heavily on volunteer and financial support from the community.

C.U.M.I. Camden Urban Ministry Initiative, The United Methodist Church officials are working together with the community to focus the churches' efforts into reversing the trends of failure commonly found in Camden youth development. They want to ensure implementation of effective and comprehensive programs that will provide long-lasting changes in Camden. This organization is determined to reach Camden City youth through outreach with structured activities, youth forums, leadership development and positive peer and adult relationships. This program offers a cooperative After-School Program which is a shared ministry amongst Camden churches. This partnering reaches families to ensure positive development of children. We provide a safe environment

for youth activities, such as an after-school program, summer day camps, youth Bible study, choir and a career training program. There are arts and cultural activities for all ages. The exchange of stories, wisdom, advice, and experience builds a shared understanding of family and community. This church-based intergenerational community surrounds our youth with caring Christian adults who encourage, support, and pray for our youth while also holding them accountable. We are dedicated to the spiritual, emotional, and social growth of Camden Youth.

First Friends of New Jersey and New York Upholds the inherent dignity and humanity of immigrants who are impacted by the immigration enforcement system. This program provide compassion and hope through connections with volunteers dedicated to helping them survive detention, gain freedom and rebuild their lives. With the expansion of detention centers in New Jersey, the need to provide advocacy, research and social services to detained and released detainees has increasingly grown.

This program provides a link to the outside world by providing toll free lines (English & Spanish) in five different detention facilities where thousands of individuals are detained, and through visiting individuals in detention. Our Pen-pal Program allows volunteers who cannot visit to write to detainees.

Justice for Our Neighbors (JFON) provides immigrants with free legal services, education, and advocacy for a variety of immigration issues. It is a ministry that works with people God calls us to work with: the immigrant or what the Bible referred to as the stranger in both the Old Testament and Gospels. New Jersey is a state of immigrants. Unique to this ministry is that three conferences, Peninsula Delaware, Eastern Pennsylvania, and Greater New Jersey, will pool resources to serve together to support immigrants in the Southern New Jersey, Philadelphia and Delaware Region. It will provide volunteer compassion ministry and professional legal services. Greater New Jersey has long provided such services to clergy and laity, particularly in Northern New Jersey. This ministry will provide services in Southern New Jersey, particularly to persons with the lowest incomes.

The Neighborhood Center is breaking the cycle of poverty by offering Academic, Athletic, and Arts programs for children and teenagers. This program provides a safe and fun space for children and teens to engage in activities that challenge them. This program has served the Camden community since 1913. This community center provides a healthy and nutritious lunch six days a week, day care, an after-school program, and an evening teen program. We focus on a two-generation approach to lift families out of poverty. Our commitment is to provide a safe space for Academic achievement, Athletic accomplishment, and a flourishing Arts program. Our hope and vision for the next century of service is to create a “community living room.”

Pennington School A college preparatory institution affiliated with the Methodist Church, reflecting the principles espoused by John Wesley and core values of Honor, Virtue, and Humility. Students experience an environment where talents and values are forged for making a positive difference in the world. We provide half scholarships for diversity of students in grade 6 to 12.

Ranch Hope/Victory House is a leader in fostering environments that transform lives empowered through Christ-centered love and compassion. Ranch Hope provides ministry to troubled boys ages 9 to 16 ½ and Victory House provides services to troubled girls between the ages of 14–18 years. We are faith-based and provide learning environments for youths and teenagers whose need can best be met through experiences

outside their homes. They can obtain or regain their long-term academic, behavioral, and spiritual focus in our residential setting. Counseling, housing and recreation is offered, as well as spiritual guidance, time to attend chapel services and Bible study. We are licensed by the New Jersey State Department of Children and Families.

The Maker's Place is an initiative of the United Methodist Church of Greater New Jersey. The Maker's Place is a diaper bank and resource center in Trenton, New Jersey. This program distributes free disposable diapers for families with children at our "Diaper Depot," and work with families and institutional partners to promote the strengths found in diverse and inclusive community. The goal is to connect neighbors in Trenton with neighbors in central New Jersey and beyond, by opening a neighborhood resource center that empowers underrepresented populations in our capital city. The Maker's Place is a site for local mission and ministry. Starting with initiatives centered around food and families, The Maker's Place will cultivate transformative relationships that help people build bridges out of poverty and create a multiethnic and economically diverse community hub where all people can experience the wide welcome of God.

A SAFER GNJ

WHEREAS the Greater New Jersey Annual Conference (GNJ) has spent the last year working with the Boy Scouts of America towards a settlement for the survivors of sexual abuse. While the terms of the settlement included efforts to both provide care for survivors and prevention of future abuse by evaluating safe sanctuary policies, there are standards and practices that GNJ should take to address the trauma of all survivors as well as training to prevent future abuse;

AND WHEREAS, trauma-informed care practices for survivors of sexual abuse have become standardized in organizations across all categories, bringing healing and restoring trust;

AND WHEREAS, sexual ethics training and complaint-handling training and resources have become widely available for clergy and laity;

AND WHEREAS, trainings for churches that focus on the threat of grooming of youth by sexual predators have been recognized as a critical requirement for child safety, and specifically MinistrySafe trainings are recommended by the denomination and are already available to GNJ churches;

AND WHEREAS, there is an implementation deficit in GNJ: for developing and implementing trauma-informed care practices for the complaint process and for care of churches and others effected by sexual abuse; for mandating a sexual ethics training for clergy; for mandating the use of standardized safe sanctuary training that includes information about grooming children and youth;

THEREFORE, BE IT RESOLVED THAT: GNJ shall develop and implement trauma-informed practices to support survivors and others effected during and after the complaint process that supplement the requirements of the Book of *Discipline*, utilizing trauma-informed best practices, and resources that have been used by many other conferences including the “Do No More Harm” resource from COSROW and input from survivors; GNJ shall implement, within six months, mandated sexual ethics training for all clergy, church staff and lay leaders in GNJ; GNJ shall implement mandated sexual misconduct prevention training for all clergy, youth workers and church leaders that includes training on the threat of grooming such as the MinistrySafe training; GNJ shall dedicate a page on the GNJ website to sexual ethics to include the policy, training requirements, and any relevant resources to be updated annually; GNJ shall offer trauma-informed care to survivors of previous complaints, including, but not limited to reimbursement for posttraumatic stress treatment as recommended by COSROW.

Rationale: 2023 opened with the January 5 announcement that GNJ, a local church, and its former pastor would pay \$1.83 million to a child who was sexually abused by a church staff member. This news came on the heels of GNJ reporting in 2022 that the conference would pay \$910,420 towards the settlement to boy scouts who were survivors of sexual abuse. These settlements, while costly — and yet inadequate — can’t compare to the physical, social, emotional and spiritual costs to survivors and those who love them. And even while bearing all this, survivors have shared their stories so that we can prevent future abuse and meet the needs of survivors. We have a sacred obligation to right the wrongs, prevent the harms and respond with the best of our knowledge, skill and care and continued learning. This resolution will bring GNJ up to date with the standards for care of survivors and abuse prevention.

ENDORSE THE CHRISTMAS COVENANT

WHEREAS the seven Central Conferences and five U.S. Jurisdictions of The United Methodist Church engage in mission together in 136 countries; and

WHEREAS the connectional ties between the church in the United States and the Central Conferences are of sacred worth and vital to the ministry of the global United Methodist Church; however,

WHEREAS the existing global structure of The United Methodist Church has historically prohibited each region from effectively tailoring its ministry to its specific local context; and

WHEREAS because the existing structure of the United Methodist Church diminishes our ability to be a vital and effective church, that structure should be re-envisioned; and

WHEREAS the creation of a U.S. Regional Conference and the conversion of the Central Conferences to Regional Conferences, as outlined in the Christmas Covenant, would establish structural equity throughout the global church; and

WHEREAS the creation of a U.S. Regional Conference, as outlined in the Christmas Covenant from the Philippines, will establish the governance necessary to allow the Northeastern Jurisdiction to design ministry for its particular context, and thus more effectively make disciples of Jesus Christ for the transformation of the world; and

WHEREAS the Greater New Jersey Annual Conference and the Northeastern Jurisdiction of the United Methodist Church continue to work toward inclusion and justice for all God's people; and

WHEREAS the Greater New Jersey Annual Conference and the Northeastern Jurisdiction contain vital, thriving, multicultural, and diverse ministries that are open to all people and can be a beacon of hope for the worldwide United Methodist Church;

THEREFORE, BE IT RESOLVED that the Greater New Jersey Annual Conference endorses the Christmas Covenant legislation, including the creation of a U.S. Regional Conference, and urges all Greater New Jersey delegates to General and Jurisdictional Conference, including alternates, to support the Christmas Covenant and to make such legislation a priority for the delegation; and

BE IT FURTHER RESOLVED that the Greater New Jersey Annual Conference recognizes and supports the leadership of our Central Conferences in the creation and furtherance of the Christmas Covenant legislation; and

BE IT FURTHER RESOLVED that the Greater New Jersey Annual Conference requests the General Conference to urge expedited approval of Christmas Covenant constitutional amendments by the annual conferences during regular or special sessions in the summer, fall or winter of 2024 in the hope that their ratification may be completed by Christmas, 2024.

Rationale: The Christmas Covenant is a set of constitutional amendments and legislative proposals that seeks to decolonize current United Methodist polity by establishing regional equity in the structures of the church for

missional effectiveness while maintaining connectional unity. The Christmas Covenant was conceived, crafted, and offered by United Methodists outside the United States and was endorsed by all 5 U.S. Jurisdictional Conferences in November 2022. Read more about it at christmascovenant.com.

EQUITABLE COMPENSATION RECOMMENDATION FOR 2024

WHEREAS The Commission on Equitable Compensation in seeking to support quality pastoral leadership to help United Methodists of Greater New Jersey to grow in all areas of vitality recommends the following:

BE IT RESOLVED THAT the Greater New Jersey Annual Conference adopt the following recommendation for required minimum salary for persons under full-time appointment in the local church effective January 1, 2024.

a. Elder and Deacon in Full Connection:	\$53,400
b. Provisional and Associate Members:	\$49,635
c. Full Time Local Pastor:	\$46,970

Any changes in clergy ministry salaries related to a change in clergy status through ordination, commissioning or licensing in 2023 will become effective as of January 1, 2024.

Though not mandatory for 2024, local church Staff/Pastor Parish Relations Committees are strongly encouraged to consider a minimum of \$300 per year of service increment above the basic minimum compensation up to a maximum 15 years. Years of service are determined by the number of full-time years (or equivalent) fully completed prior to January 1, 2024.

These salaries apply to clergy (elder and deacon in full connection, provisional elder and deacon, associate members and local pastors) serving in full-time appointments in the local church. The years of service for each clergy can be found on the Clergy Service Record at Wespeth (General Board of Pension and Health Benefits). In calculating years of service, time on leave of absence is not counted in accumulated years of service. Part time equivalencies are to be included.

For purposes of pension credit and years of service calculations, the minimum equitable salary for $\frac{3}{4}$ time pastoral appointments shall be $\frac{3}{4}$ of the required minimum in the pastor's cash salary. The minimum equitable salary for $\frac{1}{2}$ time pastoral appointments shall be $\frac{1}{2}$ of the required minimum. All appointments less than $\frac{1}{2}$ shall be considered $\frac{1}{4}$ time appointments, and salaries shall be determined by the District Superintendent in consultation with the pastor and the local church S/PPRC.

Each pastor's salary is determined by the local church or charge in consultation with the District Superintendent provided that the required minimum salary is met. In determining a recommendation for salary, each Staff/Pastor Parish Relations Committee shall take into consideration the pastor's years of experience, education, leadership ability, health and dental coverage, social security, family needs, and comparable salaries of other professionals in the community.

All full-time pastors shall be provided with a parsonage that meets parsonage standards adopted by GNJ or a housing/rental allowance as part of their total compensation package.

All full-time pastors shall have an accountable reimbursement expense line item in the church budget to cover mileage for pastoral work, continuing education, and other professional ministerial expenses as allowed by the IRS. The reimbursable amount shall be at least \$2,500. For churches receiving Equitable Compensation support, their accountable reimbursement should not exceed \$2,500.

Vacation Policy:

All pastors regardless of full or part time status shall be entitled to receive the following vacation per appointment year:

4 weeks (including 4 Sundays) of vacation consistent with the average work week; with 5 weeks (including 5 Sundays) after 10 years of full-time or equivalent part time service consistent with the Clergy Service Record.

Vacation time shall not be cumulative from year to year. Time spent in leadership responsibility in conference/district activities shall not be considered vacation time. This includes Course of Study, Local Pastors Licensing School, Camps, Annual Conference related Ministries, and other education and renewal as required by the Book of *Discipline* (§1350.2).

GNJ ARREARAGE POLICY

WHEREAS the Book of *Discipline* (2016) mandates that the Commission on Equitable Salary submits an Arrearage Policy for the Annual Conference

BE IT RESOLVED that the Greater New Jersey Conference adopt the following arrearage policy for Clergy Salaries:

1. In the event that the local church treasurer becomes aware that the church will be unable to provide to the pastor full payment of a regularly scheduled salary, or housing allowance installment, or pension payment, or health insurance payment, the church treasurer shall immediately notify both verbally (within 24 hours) and in writing (within 3 days) the Pastor, the Lay Leader, and the Chairs of S/PPRC, Finance, Trustees, and the Church Council or equivalent of the impending arrearage. Upon receipt of such notice, the Chair of S/PPRC and/or the Pastor shall immediately notify the District Superintendent and congregation of the impending arrearage. It is the pastor's responsibility to keep copies of all such written notifications, and to provide additional written confirmation to the District Superintendent when an arrearage has taken place. Failure to document salary or benefit arrearages may result in a loss of compensation.
2. Upon receipt of notice of a pending arrearage, the Chair of S/PPRC shall meet with the Pastor, Lay Leader, and Chairs of Finance, Trustees, and the Church Council to discuss the financial situation and seek remedies to prevent an arrearage from occurring. Consistent with *The Book of Discipline* ¶624, such remedies cannot include a reduction in the Pastor's compensation until the beginning of the next Conference year.
3. If after consultation among these leaders it becomes apparent that the church may be facing a long-term financial crisis, the Chair of S/PPRC shall notify in writing the Pastor, congregation and District Superintendent to consider potential solutions including but not limited to developing a payment plan so that the pastor receives full payment of compensation, full benefit payments are made by the end of the fiscal and/or appointment year. The District Superintendent may refer this to another appropriate resource person to work with the church towards resolution of the situation.
4. If the local church is already receiving a subsidy grant, the District Superintendent or designee will determine if all subsidy grant funds allocated to the church were used to pay the pastor's salary.
5. It is the responsibility of the pastor to provide evidence of an arrearage by providing documentation such as: Treasurer's Reports, Charge Conference reports, check stubs, etc.
6. The statute of limitations for any salary arrearage is one year from the date of the initial arrearage. However, once an appointment ends the Pastor no longer has claim on the local church for compensation funds (¶342.4).

Rationale:

This Disciplinary requirement assures clergy are receiving the compensation approved at the Annual Charge Conference and provides for a process for remediation of the situation as soon as possible.

RECOMMENDATIONS FOR DISAFFILIATION

RECOMMENDATIONS FOR DISAFFILIATION FROM THE GREATER NEW JERSEY CONFERENCE UNDER PARAGRAPH 2553 OF THE BOOK OF DISCIPLINE

WHEREAS, the General Conference of The United Methodist Church sitting in official session as a body in 2019 promulgated legislation recorded as ¶2553 of *the Book of Discipline of The United Methodist Church*, allowing a local church to disaffiliate from The United Methodist Church for reasons of conscience regarding the actions or inactions of The United Methodist Church around human sexuality;

WHEREAS there are congregations across GNJ who have been in a season of prayerfully discerning if they are being called to leave The United Methodist Church to live out their call.

WHEREAS, ¶2553 indicates Annual Conferences can develop a process for churches to discern disaffiliation; and each church has met with the support of a conference guide to study, pray, engage in holy conversation, discern and vote in line with this process.

WHEREAS United Methodist connectionism is one of our core values, we grieve the loss of these congregations, and all the ways that they have mattered to our fellowship and mission. This has been a long and painful process, both for those who wish to leave as well as those who chose to continue the United Methodist mission. These congregations represent hundreds of years of ministry and countless lives have been changed by God's grace through Jesus Christ in the time that they served as a United Methodist congregation.

WHEREAS, the churches named in the attached **Exhibit "A"** have met the timelines, and explored and discerned disaffiliation through this process outlined in the Greater New Jersey Conference, and have voted by a two-thirds majority to disaffiliate from The United Methodist Church as outlined in ¶2553 of *the Book of Discipline of The United Methodist Church*; and

WHEREAS, real and personal property held by the churches named herein have always been explicitly for the mission and activities of The United Methodist Church. Pursuant to the terms of *The Book of Discipline* of The United Methodist Church (the "*Discipline*"), the Property is subject to a trust clause (the "Trust Clause"), which may be found in previous deeds affecting the real and personal property, providing as follows:

"This conveyance is made in trust, that said premises shall be used, kept, and maintained as a place of divine worship of the United Methodist ministry and members of The United Methodist Church, subject to the *Discipline*, usage and ministerial appointments of said church as from time to time authorized and declared by the General Conference and the Annual Conference within whose bounds the said premises are situated, this provision being solely for the benefit of the Grantee, and the Grantors reserve no right or interest in said premises."

WHEREAS today we recognize this loss. At the same time, we honor their decisions and direction that the members of these churches have made.

NOW THEREFORE BE IT RESOLVED, that churches named herein be considered no longer part of or affiliated with The United Methodist Church effective the earlier of 11:59 p.m. December 31, 2023 or 11:59pm of the date full payment is made in accordance with the Disaffiliation. Churches that do not meet these requirements may not disaffiliate.

PARSONAGE STANDARDS

WHEREAS the Book of *Discipline* charges the Commission on Equitable Compensation with the responsibility of recommending Parsonage Standards for the Annual Conference.

Be it Resolved (Text to be brought to vote):

BE IT RESOLVED that the following recommendation be adopted as the standards for parsonages for GNJUMC effective July 1, 2023.

Rationale:

Responsible Group in the Church

The Book of Discipline does not mandate a parsonage committee; however, it is strongly recommended that each local church which has responsibility for a parsonage form a parsonage committee. The committee will follow-up to assure timely resolution of parsonage problems affecting the health and safety of the pastor and/or pastor's family (much like a landlord). The chairpersons of the S/PPRC, Board of Trustees and the pastor shall make an annual review of the church-owned parsonage to assure proper maintenance and up-keep. (§258.2 g(16) and ¶2532.4).

Standards for Existing Parsonages

All parsonages shall meet local requirements for a Certificate of Occupancy. It is the responsibility of the Board of Trustees of the Local Church to be familiar with these requirements. If a church is unable to meet these requirements, they should be in contact with the District Superintendent as soon as possible.

Health and Safety Standards

1. Parsonages shall be supplied with effective HVAC systems. With the increased health issues due to climate change and related increased health issues, adequate cooling is an essential consideration. Specific health concerns shall be addressed with local congregations.
2. The septic or sewer system shall be fully functional and meet the needs of the parsonage family. Maintenance of septic systems is the responsibility of the church.

3. In parsonages where there is a well, the local church is responsible for testing of water on a periodic basis consistent with local health codes for rental properties.
4. The local church shall perform radon testing periodically, consistent with E.P.A. standards and local requirements.
5. Parsonages shall be tested periodically for lead paint and asbestos. Abatement of these is the responsibility of the local church.
6. Drive and walkways shall be hard surfaced.
7. Minimally acceptable outside light for safety to illuminate walkways and driveways
8. One fire extinguisher in the kitchen and one extinguisher outside of the furnace room. There shall be at least one extinguisher per floor level. All fire extinguishers, smoke detectors and Carbon Monoxide detectors are to be in compliance with local code requirements for rental properties and certificate of occupancy.
9. Parsonage electrical service shall conform to the current National Electrical Code.

Furnishings, Equipment and Services:

1. Living room and family room furniture.
2. Dining room furniture.
3. Kitchen appliances including stove, refrigerator with separate freezer compartment, exhaust fan, and dishwasher.
4. Furnishings for special rooms such as sun porch, den, etc. that may be different from one charge to another.
5. Laundry equipment – automatic washer and dryer.
6. Standard television connection (providing at least 30 channels/basic cable package), high speed internet service fast enough to support streaming where available, and one telephone line (cell or land line). As churches/ parsonages are located in a variety of geographical areas, we encourage discussion at the local church level to provide comparable communication services and cost saving measures such as bundling of services.
7. Floor coverings (solid surfaces are preferred).
8. Functioning window shades and blinds, or curtains/drapes.
9. Closets or free-standing storage units in each bedroom.
10. Trash cans. In municipalities where garbage pickup is not part of the tax base and is billed to the parsonage, that local church is responsible to pay for this service.
11. Suitable equipment for lawn care and snow removal corresponding to the size and condition of lawns/ driveways/walkways and/or appropriate lawn/plowing services.
12. A study for the pastor in either the parsonage or church building. Office furnishings shall include a desk, desk chair, minimally acceptable shelving for the pastor's library, additional chairs, and a locking filing cabinet.
13. Parking space for a minimum of one (1) car shall be provided.

Additional Suggestions

1. Electrical service to be inspected every five (5) years by a licensed electrician
2. Roof inspection every five (5) years
3. Energy audits every five (5) years

Responsibility

1. Each pastor is responsible for:
 - a. Furnishings for as many bedrooms as the family needs
 - b. Personal items such as television, vacuum cleaner, small appliances, dishes, glassware, flatware, cleaning tools, wastebaskets, and decorative accessories

- c. The following regular maintenance
 - i. Routine cleaning
 - ii. Floor maintenance
 - iii. Trash disposal and recycling
- d. It is expected that the pastor shall provide tenant (renters) insurance to cover property loss and personal liability.
- e. Restitution for any damage beyond normal wear and tear.
- f. At the time of a move, the current pastor shall remove all personal items and furniture from the parsonage and property and shall leave the parsonage in a “broom clean” state. The cost for removal of furnishings and personal property not previously agreed upon with the church will be met by the pastor. Pastors are responsible for cleaning and disinfecting all surfaces such as kitchen counters, appliances and cabinets, bathroom fixtures, and church owned furniture that has been used by the parsonage family during their time in the parsonage.

2. Each charge shall provide:

- a. Utilities – heat, electric, gas/oil, sewage, cable, internet and basic telephone, as well as any property taxes or HOA fees that are assessed to the parsonage.
- b. Maintenance for all parsonage equipment
- c. Basic furniture for all rooms except the bedrooms (see above)
- d. Funds for the repair of the parsonage and its maintenance should be allocated and allowed to accumulate so that continuing care and major repairs can be made when needed.
- e. At the time of a move, the church is responsible for cleaning and preparing the parsonage for the new pastor and family. This includes washing or dry-cleaning curtains and drapes, cleaning window blinds, shampooing carpets and/or washing floor coverings, washing windows, cleaning disinfecting garbage cans, doorknobs, etc.
- f. Congregations and pastors are expected to follow the guidelines of the state and the CDC with regard to effective and proper cleaning procedures of parsonages at the time of a pastoral change. The most updated information for cleaning and disinfection is available on the CDC website at <https://www.cdc.gov/>.

3. Miscellaneous

- a. The parsonage is the pastor’s home for their tenure in that church or charge. The pastor has, therefore, the responsibility to care for the home and its furnishings from damage by pets or people and, if it is damaged, to return the home to a condition equal to that when they received it to use. If an item of furniture is damaged beyond repair, the pastor is obligated to replace it.
- b. The right of the pastor to own furniture and equipment cannot be challenged. However, if pastors own furniture and goods that they wishes to use in the parsonage, and parsonage furnishings have to be stored, every effort should be made to store it properly so it is in good condition and does not suffer damage from being in storage. The site or method of storage for any church owned furniture shall be determined by mutual agreement between the pastor and the Board of Trustees. The pastor assumes financial responsibility for the storage of any unused furniture.
- c. The pastor’s family shall be permitted to purchase an all-electronic vehicle (EV) or a plugin hybrid and charge it at the parsonage. The expense of the charger and any electrical improvements to the parsonage are the sole responsibility of the pastor’s family. All improvements to the parsonage must be approved by the local church board of Trustees and must meet all applicable local codes. Before

purchasing the said vehicle, the pastor's family and the appropriate committees in the church must negotiate how the increased electrical expenses will be handled.

- d. We recommend that in addition to the required written reports filed annually with the Church Conference paperwork, there be a complete video/photo inventory of all church-owned furnishings in the parsonage. The inventory and all videos and photos should be updated annually as needed.
- e. It is the responsibility of the Parsonage Committee to be acquainted with the parsonage and, after a new pastoral appointment is made, meet with the incoming parsonage family to discuss the minimum acceptability of housing and furnishings, and to meet annually thereafter with the parsonage family.
- f. At the time of a new pastoral appointment, the chairs of the S/PPRC and the Board of Trustees, the current pastor and the incoming pastor will walk through the parsonage together for inspection and planning. It is recommended to utilize the Church Conference parsonage inspection report as a guide.
- g. In order to respect the privacy of clergy and families, the church has a responsibility to make an appointment and secure the approval of the pastor or an adult member of the household prior to visiting the parsonage at any time.
- h. Given the great differences in housing costs throughout GNJ, a church and/or pastor who wishes to provide for a housing allowance rather than providing a parsonage must take into consideration comparable housing costs for that community to set an appropriate allowance that provides for the pastor and family needs. Churches and pastors exploring this option should be in conversation with the District Superintendent at the very beginning of these considerations to understand the implications for future appointments, and the Disciplinary requirements for potential sale of an existing parsonage if applicable.
- i. Cost of housing, whether in the form of a parsonage or in the form of a housing allowance, shall not be determined on the basis of race, color, gender identity, sexual orientation, national origin, marital status, age or disability.

4. Multiple Church Appointments and Clergy Couples

- a. In appointments where a clergy person is appointed to more than one church and a parsonage is provided by one of the churches, the utility expenses (heat, water, and electric) will be divided equally between the churches. Any capital improvements and maintenance on the parsonage are the responsibility of the church that owns the parsonage.
- b. In cases of clergy couples when the couple resides in the parsonage of one of the appointments, the utility expenses will be divided equally between the appointments provided that housing is considered as a part of the compensation package for each of the clergy. In situations where both persons in a clergy couple are utilizing their respective parsonages, each church will provide utilities for their own pastor.

Standards for Parsonages (Purchasing or Building a New Parsonage)

1. All parsonages shall meet local requirements for a Certificate of Occupancy.
2. The District Committee on Church Location and Building must be consulted in developing plans for all purchases or construction of a new parsonage.
3. All newly constructed or newly purchased parsonages shall be in full compliance with the Book of *Discipline*. Consideration shall be made for those with handicapping conditions.

Provide on the ground-floor of a newly constructed parsonage: (1) one room that can be used as a bedroom by a person with a disability; (2) a fully accessible bathroom; and (3) fully accessible laundry facilities (§2544.4d)

4. Churches considering selling their current parsonage and purchasing a new one need to explore property tax implications as well as liens on the property that may need to be considered in potential financing.

Option 1

1. The use of maintenance-free materials in building and in finishing and furnishing, thus contributing towards keeping maintenance costs lower.
2. The following room requirements:
 - a. Living Room/Family Room
 - b. Dining Room
 - c. Kitchen
 - d. Study
 - e. Baths (2)
 - f. Bedrooms (3)
3. A minimal electrical service of 200 amperes
4. A garage of a size to accommodate 2 cars, plus room for storage of lawn mowers, bicycles, tools, garden equipment, ladders, paint supplies, etc.
5. Space to store large articles of furniture/equipment
6. The use of materials meeting the most energy efficient standards for insulation and windows
7. Careful consideration should be given in choosing the location of the parsonage. This consideration might include the distance from the church, accessibility from main streets of the community and the church, the neighborhood and its future, and the community itself and its future growth.

Option 2

1. The standards of Option One would apply with consideration by the church of purchasing, leasing, renting a townhouse or condominium. This option would be negotiated by the District Superintendent, the local charge and the pastor following consultation with the District Committee on Church Location and Building
2. The purpose of this option is to provide an alternative to the “traditional” church parsonage for ministry in special situations. Allowing for the wide variety of townhouse/condo choices, it is difficult to recommend a single standard for such settings.

Appeals

Appeals by the churches or pastors on any of the above provisions should be made to the District Superintendent who has the final authority to interpret and implement the foregoing standards.

BE IT RESOLVED that the GNJAC will form a Conference Moving Committee no later than December 31, 2023, comprised of lay and clergy members, to research best practices for clergy moves, including exploring the feasibility of hiring a conference move coordinator. **BE IT FURTHER RESOLVED** that said committee will present a report to the 2024 Annual Conference.

PENSION AND HEALTH BENEFITS

BE IT RESOLVED that the Past Service Annuity Rate for January 1, 2024, to December 31, 2024, be set at \$753 per approved service year prior to January 1, 1982.

BE IT FURTHER RESOLVED

1. That effective January 1, 2024, the Greater New Jersey Annual Conference will continue to sponsor CRSP for full-time, three-quarter time and one-half time clergy and continue to sponsor UMPIP for those clergy in one-quarter time appointments.
2. That contributions for January 1, 2024, to December 31, 2024, for the Clergy Retirement Security Program for full-time and less-than-full-time (¾-time & ½-time) clergy and for Conference sponsored UMPIP Plan for ¼-time clergy, be set at 14% of plan compensation. The percentage includes 5% for administrative costs and 7% uncollectable fees.
3. That contributions for January 1, 2024, to December 31, 2024, for the Comprehensive Protection Plan be set at 3.4% of plan compensation for full-time and ¾-time ordained clergy, and for Conference Sponsored UMLife Options for ½-time ordained clergy to be set 2.2% of plan compensation. That local churches may sponsor ¼-time ordained clergy and ¾-time part-time local pastors in UMLife Options. The percentages for CPP and UMLifeOptions includes 5% for administrative costs and 7% uncollectable fees.
4. That the starting date for retirement payments for new retirees commences July 1, 2023, unless otherwise stated.
5. That clergy participants in the Conference Health Insurance Plan who have expenses associated with the adoption of a child will be reimbursed up to \$10,000 per child upon the presentation of the necessary documentation.
6. The Greater NJ Annual Conference (the "Conference") adopts the following resolutions relating to rental/housing allowances for active, retired, terminated, or disabled clergypersons of the Conference:

BE IT RESOLVED that an amount equal to 100% of the pension, severance, or disability payments received from plans authorized under *The Book of Discipline* of The United Methodist Church (the "*Discipline*"), which includes all such payments from the Wespath Benefits and Investments, during the period July 1, 2023 through June 30, 2024, by each active, retired, terminated, or disabled clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such clergyperson; and

That the pension, severance, or disability payments to which this rental/housing allowance designation applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from Wespath and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the *Discipline*, that result from any service a clergyperson rendered to this Conference or that an active, a retired, a terminated, or a disabled clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a terminated, or a disabled clergyperson's pension, severance, or disability plan benefit as part of their gross compensation.

NOTE: The rental/housing allowance that may be excluded from a clergy person's gross income in any year for federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section 107(2), and regulations there under, to the least of: (a) the amount of the rental/housing allowance designated by the clergy person's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (b) the amount actually expended by the clergy person to rent or provide a home in such year; or (c) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. Each clergy person or former clergy person is urged to consult with their own tax advisor to determine what deferred compensation is eligible to be claimed as a housing allowance exclusion.

1. That clergy retiring before July 1, 2023, be reimbursed for one-time moving expenses up to \$5,000.00 incurred while moving from church-owned housing to personal housing. This reimbursement is limited to actual moving expenses, not to include moving company packing costs. Clergy are required to make every effort to obtain three bids to the Board of Pension & Health Benefits prior to final approval and provide supporting documentation of proof of payments when submitting the reimbursement request. The same benefits and restrictions shall also apply to a surviving spouse moving out of the parsonage upon the death of a pastor while in active service in the Annual Conference, and to those entering disabled relationships.
2. That the Conference Board of Pension and Health Benefits be authorized to make modifications to the current Insurance Plan as the health care market demands. In addition, modifications to the Plan that could reduce premium costs to local churches and Annual Conference are to be studied and enacted as the Board determines appropriate. These changes might include increased participant deductibles, co-payments, greater use of generic medications, and other avenues of cost saving and sharing. Such changes will be subject to prior review of CFA and the Cabinet.
3. That the Guidelines for Health Insurance Participation be approved and upon approval printed in the 2023 Conference Journal and Yearbook.

For information only:

1. That Rev. Robert Wecht and family be granted Conference paid health benefits upon becoming Medicare eligible.
2. That the following members of the former Southern Conference be included in terms of eligibility for conference-paid health benefits. Evans Dodds, Nicholas Connolly, Daniel Gueh, William R. Hess, and Charles D. Mitchell.
3. That Robert L. Webster and family be eligible for Conference-paid health benefits upon retirement and receiving an annuity.
4. That Rev. Patricia Bruger's actual years of appointment and service at CUMAC/ECHO, INC. from June 16, 1995, through retirement be fully credited for the purpose of calculation of service year credits to determine allocation of pro-rated health insurance premium payment responsibility upon retirement.
5. That the following clergy be subject to five years "under appointment through the Conference immediately prior to retirement" to meet eligibility requirements for health benefits in retirement, rather than the seven years as approved at the 2011 Annual Conference meeting (Paragraph 3 under Eligibility, p. 365 of the 2011 Conference Journal). Specifically, the following persons, if, at the time of retirement, meet all other eligibility requirements for health insurance in retirement, shall be granted under this provision: Rev. Vena Murphy, Rev. William Jacobsen, Rev. Christina Zito.

RECLAIMING THE NARRATIVE

WHEREAS I was groomed as a minor and sexually abused by a clergy person of the Greater New Jersey Annual Conference and filed a formal complaint in the summer of 2013;

AND WHEREAS, Bishop John Schol received and responded to the complaint without a Just Resolution Process;

AND WHEREAS, I was not provided with a support person before I was interviewed and my interview was not held until I provided corroborative proof of my abuse;

AND WHEREAS, the clergy person surrendered their clergy credentials while under this complaint;

AND WHEREAS, Bishop John Schol was aware of my sexual abuse at the J.U.N.E. Project, and also knew that other GNJ youth participated in the camp led by my abuser. Bishop John Schol was asked to notify the entire annual conference body in order to protect our youth. Bishop John Schol said he could not and would not notify the entire clergy of GNJ. As a result, GNJ church youth attended and they were not protected by adequate warning and notification to their families, potentially adding to unknown victims;

AND WHEREAS, Only when a clergy person who had sent youth to J.U.N.E. Project learned of my abuse and confronted Bishop John Schol about his lack of notification and the General Commission on the Status and Role of Women agreed to mediate a conversation, was notification made;

AND WHEREAS, Bishop John Schol held a private meeting with the clergy who continued to bring their youth to J.U.N.E. Project. Only when they refused was there a full mandatory meeting of all GNJ clergy to notify them of the complaint. That meeting took place after 3.5 years of my consistent requests to Bishop John Schol;

AND WHEREAS, Bishop John Schol did not share the full truth with the annual conference about his handling of the case in that required meeting, and further continued to tell untruthful information in the FAQ he published for the required clergy meeting. He stated “the survivor did not want to file a police report” and “the desires of the survivor and the fact that it passed the statute of limitations constrained legal action.”;

AND WHEREAS, I was told by Bishop John Schol there was no legal option and that the statute of limitations had passed, but I later learned that that was inaccurate information, and I could have filed a police report. I was misled and not able to obtain justice through the criminal justice system;

AND WHEREAS, Bishop John Schol failed to provide response teams to the church that the former pastor had served at during the years of his abuse, which has led to prolonged, continued challenges within that church community or to any of the churches that routinely brought their youth to the J.U.N.E. Project despite Bishop John Schol knowing these communities were significantly impacted;

AND WHEREAS, Bishop John Schol was provided all evidence of both the abusive former clergy person, and the actions and words of the clergy person to whom I trusted with my initial disclosure. That clergy person did not follow policy and help me understand my options, but rather sought to create an alternate process in order to protect my abuser. That clergy person holds a leadership position on the GNJ Committee on Investigation and did not face disciplinary or corrective action for his attempt to cover up the sexual abuse of a clergy colleague;

AND WHEREAS, Bishop John Schol has refused an apology on multiple occasions for the mistakes associated with his handling of this case;

AND WHEREAS, Bishop John Schol promised in 2016 to develop a robust ethics policy for laity and church leaders and a training program to prevent abuse and support survivors. No such policy or program to prevent abuse and support survivors has been developed or implemented in the Greater New Jersey Annual Conference. Seven years have passed since I received that email without any action, which further illustrates the lack of priority that Bishop John Schol has placed on preventing sexual abuse in GNJ and supporting survivors of abuse.

THEREFORE, BE IT RESOLVED THAT: The Greater New Jersey Annual Conference publicly censure Bishop John Schol for his handling of this clergy sexual abuse complaint.

Rationale: A public censure is a formal statement of disapproval by a legislative body, in this case, the Greater New Jersey Annual Conference. It is a symbolic measure that would provide closure. Public censure is different from a vote of no confidence. I believe Bishop John Schol to be effective at leading GNJ in several capacities, however, I feel Bishop John Schol failed to lead in this particular instance. I have repeatedly asked Bishop John Schol for real tangible actions to safeguard the annual conference from the abuse I endured. After almost 10 years, there is yet to be comprehensive sexual ethics or boundary trainings for clergy and lay leadership despite promises year after year that those were forthcoming. I have repeatedly asked Bishop John Schol for an apology for the way he handled my case which led to significantly more trauma. I've consistently been denied all requests. So now I am asking the Greater New Jersey Annual Conference for that apology in the form of a public censure of Bishop John Schol. While I believe the church should have responded better from the beginning and not caused additional harm to me, I also believe this one small action can provide the closure I need to be able to move on from that chapter of my life. Lastly, this legislation seeks to correct the narrative that has been shared about this complaint by Bishop John Schol, and others.

Respectfully submitted by Krystal L. Woolston

GNJ SAFE SANCTUARIES POLICY

WHEREAS, God has called us to make our ministries safe and to protect our children, youth, and vulnerable people from abuse and exploitation. God has also called us to create communities of faith where children, youth, and vulnerable people can be safe and grow strong. Jesus taught that “Whoever welcomes one such child in my name welcomes me” (Mark 9:37 NRSV) and “If any of you put a stumbling block before one of these little ones... it would be better for you if a great millstone were fastened around your neck and you were drowned in the depth of the sea” (Matthew 18:6 NRSV).

WHEREAS, The Social Principles of The United Methodist Church state, “...children must be protected from economic, physical, and sexual exploitation and abuse” and “we affirm that all persons are individuals of sacred worth, created in the image of God” (§161, “Social Principles”).

WHEREAS, at each child’s baptism, we affirm our responsibility to their safety by our congregational response, pledging: “With God’s help, we will so order our lives after the example of Christ, that this child, surrounded by steadfast love, may be established in the faith, and confirmed and strengthened in the way that leads to life eternal” (From Baptismal Covenant, Congregational Pledge II, The Book of Worship).

THEREFORE, BE IT RESOLVED THAT United Methodists of Greater New Jersey adopt the following Safe Sanctuaries policy; this policy shall be reviewed and re-approved annual by the GNJAC Session:

United Methodists of Greater New Jersey Safe Sanctuaries Policy
Safe Sanctuaries Policy:
Reducing the Risk of Abuse in Ministry with Children, Youth or Vulnerable Adults;

Approved 6.2005; Updated 3.2019. Updated November 2022

The following policies shall apply to all programs dealing with children, youth (under 18), and vulnerable adults:

1. Personnel policies for all programs, both church, and non-church, shall require:
 - a. The GNJAC Safe Sanctuaries approved children/youth/vulnerable adult application form (found as an appendix to the sample policy), an incident report form, and screening procedure for all staff and volunteers both long-term and occasional.
 - b. a background check is required for all ministry workers, lay, and clergy. Laity and local church background checks will be done through Ministry Safe. Every local church will be required to use Ministry Safe for background checks and prevention training.
 - c. volunteer workers, regular or occasional, shall be regular attendees of a local congregation for at least six months before being allowed to supervise such programs or serve as a leader within a program (i.e., Sunday School, etc.)
 - d. The Board of Ordained Ministry will ensure that all clergy serving under appointment have a background check completed and on file with the Conference Office, and that there is an additional background check completed every three years.
 - e. The Cabinet shall also require Clergy to participate in the Professional Ethics Development Program.
 - f. All laity participating in the ministry and programs with youth, children and vulnerable adults shall complete an approved background check every three years.

- g. If at any point a ministry worker (clergy or laity) has an incident that would change their background check they are to immediately report it to the pastor of the local church if they are laity, and the pastor would then immediately report to their DS. If a clergy person has an incident, they are to immediately report to their DS. Failure to do so would subject the person to an investigation.
 - h. The cost of all background checks is to be paid by the church, board or agency requesting them.
2. Screening forms and background checks:
- a. shall be reviewed by the Chairperson of the Staff/Pastor Parish Relations Committee, the supervisor (Ministry Lead) of the prospective employee(s) or volunteer(s) and the pastor.
 - b. screening forms and background checks shall be maintained in the confidential personnel files of the church after the termination of any employee or volunteer for a minimum of 20 years.
 - c. these screening and background checks shall be required of all persons unless a more stringent check is required to satisfy the standards of a licensing agency.
 - d. All Local churches are required to have a certified Safe Sanctuaries policy in compliance with the Conference Legislation, Policy Template, and Standards set by the Annual Conference. Safe Sanctuaries policies shall be reviewed/updated every year by the Local Church Administrative Council and certified by the Safe Sanctuaries Coordinator every other year. Additionally, the compliance and adoption of the Safe Sanctuaries Policy by a local church shall be reported through a written question to be answered as a part of the Church Conference Report.
 - e. All programs at the local church shall be clearly differentiated between those which are church operated and those which are non-church-operated. All entities that use the church facilities must comply with an equivalent child safety policy of the church and have the agreement to do so within their Building Use Agreements.

Basic Standards Assumed: The following are basic assumptions made as they relate to local church programs for children, youth, and vulnerable adults:

- 1. All buildings in which such programs are housed shall have any necessary “certificates of occupancy”.
- 2. All groups conducting such programs shall have the necessary certificates of insurance for both liability and workers’ compensation. They shall be displayed as required by law.
- 3. All such programs shall conform to Federal and State wage and tax laws for employees.
- 4. All churches, if they have programming for youth, children, or vulnerable adults that require an overnight will have a policy in place for safeguarding and caring for folks in those situations.
- 5. If churches are to be in a relationship with youth, children, or vulnerable adults who self-identify in the LGBTQIA+ community, they will have policies and procedures outlining how to keep youth/children/vulnerable adults safe, cared for, and protected.

The United Methodists of Greater New Jersey, through the Conference Children, Youth and Young Adult Coordinator and the Conference Media Center shall resource local churches with materials, persons, training opportunities, and guidelines for establishing effective measures that will reduce the risk of emotional, physical or sexual abuse of children and youth in the local church. Each district within GNJ shall designate persons who will, in partnership with GNJ, develop and implement measures that will reduce the risk of child/youth abuses in the local church. The resource Safer Sanctuaries: Nurturing Trust within Faith Communities (published April 2023) shall be the model by which churches shall develop their policy and each policy while unique to each local church setting, shall contain at least the following six measures (additional measures may be necessary depending on ministry context):

1. Screening, selection, and annual training of all paid and volunteer workers with children, youth, and vulnerable adults. Ministry Safe will be the program used by GNJAC Churches to run background checks and training.
2. Supervision procedures, including Sunday School, youth group, overnight programming, etc. including the Two-Adult Rule, Five-Years Older Rule, and safeguards for ministry contexts.
3. Reporting allegations of abuse.
4. Responding to abuse.
5. Education of the entire congregation about the policy.
6. Annual review of the policy by a designated group within the local church.
7. Volunteer Application, and an Incident Reporting form to be used within ministry settings.

The United Methodists of Greater New Jersey shall set the last Sunday in September as SAFE SANCTUARIES SUNDAY and GNJ shall supply resources for worship for this Sunday.

Definition of Terms:

- Child: In the United States, this term is commonly used to identify anyone age eleven or younger.
- Youth: Anyone not a “child” and under eighteen (age of legal majority).
- Adult: Anyone who has reached the age of legal majority and/or no longer attending high school.
- Vulnerable person: A person whose ability to protect themselves from violence, abuse, or neglect is significantly impaired through social, physical, or mental disability or illness, or undocumented people.
- Paid staff person: Someone paid by the church, overseen by the staff/pastor parish relations committee, and screened according to the church’s Safe Sanctuary policy and any additional required personnel screening.
- Unscreened adult: Someone who has not been screened. The individual may work in a room with a two screened adults or screened-paid staff persons. They should never be alone with children, youth, or vulnerable people. Unscreened adults may or may not be church members. The use of unscreened adults should be an exception rather than normal practice. Rare exceptions may be made in consultation with the pastor in charge in special situations.
- Screened adult: A volunteer who has gone through the screening process involving a criminal background check, reference check, interview, and risk reduction training. These people may or may not be members, but they must be regular attendees and active in the church for at least six months.
- Youth helpers: People under the age of eighteen who are assisting with child or youth activities. They can assist with activities but should not be considered adult volunteers and should always be supervised. Youth helpers should be at least three years older than the children or youth they are helping. A youth helper will normally be considered “unscreened.” It is recommended that before Youth Helpers participate in an activity as a helper, they are given some training in regards to bathroom usage, not being alone.
- Roamer: A Safe Sanctuaries trained/screened adult leader who meets the minimum age requirements as defined in this policy and moves throughout the facility to provide additional oversight and supervision during activities.
- Ministry supervisor: A screened individual, staff, or volunteer, responsible for a particular ministry with oversight of the leaders in that ministry.
- Physical abuse: Violent, non-accidental contact that results in injury. This includes, but is not limited to, striking, biting, or shaking. Injuries include bruises, fractures, cuts, and burns.
- Sexual abuse: Any form of sexual activity with a child/youth/any vulnerable person, whether at the church, at home, or in any other setting. The abuser may be an adult or another minor.

- Emotional abuse: A pattern of intentional conduct that crushes a child's/youth's/vulnerable person's spirit and attacks his/her self-worth through rejection, threats, terrorizing, isolating, or belittling.
- Neglect: When a person with responsibility for a child, youth, or vulnerable person fails to care for that individual's physical and/or emotional needs.

CHURCH PROGRAMS/NON-CHURCH PROGRAMS AS RELATED TO INSURANCE: Programs relating to children, youth and vulnerable adults are covered under the GNJ Property and Casualty Insurance Program so long as they are church-operated. That is, the church must have control over starting and stopping the operation, hiring or firing the employees and the management of the day-to-day operations. The decision to operate a program, as described above, should be a matter of record in the meeting minutes of the Administrative Board or Board of Trustees of the local church. This will lay to rest the question of whether it is a church-operated or a non-church program that is using the church premises. The non-church program is not covered by the GNJ insurance and the church should be sure that these non-church programs carry a minimum of \$1,000,000 General Liability Insurance and are covered by Workers' Compensation insurance. Certificates of these insurance coverages should be requested and received by the church annually. GNJ and the local church should be named as additional insureds on these policies. The employees of the church-operated childcare centers are covered under the Workers' Compensation Program and as such should be reported on the annual Workers' Compensation salary audit of the local church.

SCREENING FORMS: Screening forms for use with volunteers are designed to assist the local church in gaining information on persons who are applicants for working in church programs with children, youth and vulnerable adults. Their use is designed to enhance the protection of those who participate in the programs. The use of the screening process should be required in both "church" and "non-church" programs.

BACKGROUND CHECKS: As with the screening forms, background checks are designed to protect those individuals involved in the programs offered by the church to children, youth and vulnerable adults.

This policy shall be reviewed and re-approved annually by the GNJAC session.

Respectfully Submitted,

Sam Perez, Chairperson, Next Generation Ministries

Sang Won Doh, Dean, Greater NJ Cabinet

Marissa Van Der Valk, Committee on the Status and Role of Women

GNJ SHARED MINISTRY			
Apportionment Base	62,262,477	63,963,783	63,952,970

Net GNJ Shared Ministry	<u>6,490,011</u>	<u>6,852,258</u>	<u>6,670,159</u>

Apportionment Base – the total spending of all congregations minus a congregation’s mission spending, shared ministry giving, and capital expenditures. For the 2024 budget, the 2022 statistics were used to calculate the Shared Ministry Apportionment base

GNJ Shared Ministry Percent - on October 5, 2020, GNJ courageously passed a historic legislation, A Journey of Hope (JOH), based on its commitment to end the sin of racism and create a more racially just, inclusive, and equitable church. As part of the JOH, GNJ set a new *Shared Ministry Percentage* for local churches based on the income level of the community where the church is located. In 2024, the Shared Ministry percentage for local churches will be between 6.2% and 12.3%, depending on the average income level of the community.

Anticipated Giving rate – on average the percentage of Shared Ministry given by congregations. In 2013 the average giving was 78% and in 2022 it was 90%. Over the years GNJ congregations have made great progress in their stewardship and giving to Shared Ministry. For 2024 budget, 87% is used because of the volatility created by the pandemic, economic challenges and the impact of disaffiliating churches.

A FUTURE WITH HOPE

Hurricane Ida Road to Recovery

On September 1, 2021, Hurricane Ida brought devastating floods, wind, and tornadoes to communities in the Greater New Jersey area. The scope of the damage was far reaching with the loss of life of thirty people, disaster declarations in twelve counties and over 85,000 FEMA registrations from impacted residents.

In 2022 as a partner with NJ Volunteer Organizations Active in Disaster (NJ VOAD), AFWH met regularly with the state of NJ leaders, FEMA representatives, and other non-profits and determined how we could best serve those impacted.

We set our disaster recovery goals:

- Recover 200 households
- Repair 50 damaged homes
- Engage 500 volunteers in our recovery efforts

In March we submitted a grant application to UMCOR to meet those goals over the next two years. Our grant was approved in June to work 2022-2024 on Ida Recovery efforts with households that are economically disadvantaged, veterans, persons over the age of 65, persons with access and functional needs, and in communities that have been historically marginalized.

We are starting to work in three counties- Union, Middlesex, and Somerset- and we have been busy hiring disaster recovery staff, doing outreach and participating in community events, training disaster case managers, and screening homeowners.

We are grateful to everyone who has graciously donated to GNJ for Ida Recovery and UMCOR who generously supports disaster recovery.

Hope Centers

A Future With Hope counts twenty-six Hope Centers across GNJ and is in the process of onboarding four additional ones. This year twelve Hope Centers received GNJ Community Outreach grants with four Hope Centers applying for and receiving their first CO grant. Hope Centers requested funding to start new initiatives, expand on existing missions, and support ongoing work.

- Hope Centers engage communities in many ways:
- Legal and emotional support for immigrants
- Food insecurity
- Home repair for those without resources
- Programming to end generational poverty
- Support for the unhoused
- Early childhood education, childcare, and support for new parents
- Youth mentoring programs

The Journey of Hope work to dismantle racism has been shared with Hope Centers, and they will begin to develop plans in context with their communities next year.

We are excited about Hope Centers work toward sustainable change and anticipate new Hope Centers starting next year.

HIGHER EDUCATION AND MINISTRIES, BOARD OF

The Board of Higher Education and Ministries (BHEM) has mandates and responsibilities listed under ¶1634 in *The Book of Discipline* of The United Methodist Church and is the leadership development agency of The United Methodist Church. “Its mission is preparing global leaders for a global church and the world. Every elder, deacon and licensed local pastor benefits from our training and candidacy programs. Many young adults find help in clarifying their vocation and God’s call on their lives through our leadership and discernment programs.” (gbhem.org)

“UM Collegiate Ministries are the missional presence of The United Methodist Church on college and university campuses around the world. Through a network of chaplaincies, Wesley Foundations, ecumenical ministries and church-based ministries, The United Methodist Church reaches more than 1,300 campuses around the world!

“We are called to share with our campuses the transformational nature of Christ in a way that raises up a new generation of thoughtful, articulate Christians who care about making the world a better place. While this calling looks and feels very different across our campuses, it is central to our identity, and it compels us to provide intentional, student-led ministries that reach this emerging generation of leaders.” (gbhem.org)

The Board of Higher Ed will continue to promote and award scholarships to GNJ students aspiring to attend Methodist colleges and universities to fulfill their call to mission and ministry in youth ministry, outreach, mission, service, and a call to pastoral leadership.

At the 2021 Annual Conference, the Educational Society (ES) and GNJ Board of Higher Education (GNJBHEM) merged, with ES being a sub-board of GNJBHEM. Both boards have given out scholarships for Higher Education students at the college and graduate levels in Greater New Jersey. The new combined agency continues to discern how this relationship looks moving forward. Both groups have found that the number of applicants has decreased.

This year, Catherine Jordan-Latham led the scholarship award process as I was completing a doctoral program in ministry when the review process began. I am grateful for her leadership and dedication to GNJ students and campus ministries. The scholarship application is an online process. The GNJ Connectional Ministries’ administrator submits the completed applications electronically to our agency. Board members meet via Zoom to complete the process and award the scholarships. This past year, BHEM received eight electronic scholarship applications; only four were completed applications submitted by the deadline. Five areas considered by the agency team are financial need (FASFA), grade point average (official school transcript), letters of reference, an essay from the student, and a mission and ministry statement describing the student’s service in ministry and outreach for a possible total of 25 points.

For 2022, the Educational Society awarded two scholarships to support seminary students, totaling \$6500. GNJBHEM awarded four scholarships to support new and continuing college students, totaling \$8500. The number of Higher Education scholarship funds available for students has dwindled in the past three years, with two of the endowment-based scholarships depleted of their funds, impacting the amount awarded to students. Our agency goal continues to support all active students, full members of the United Methodist Church in Greater New Jersey, to serve as the next generation of leaders for the church and the world.

REPORTS TO THE ANNUAL CONFERENCE

Greater New Jersey BHEM encourages clergy and laity to nominate a person for the Francis Asbury Award yearly. The Francis Asbury Award is a non-monetary award recognizing those who encourage and support higher education and campus ministries within the United Methodist Church. All active clergy, layperson, employed or volunteer active in supporting, strengthening, and promoting higher education ministries may be nominated. Greater New Jersey BHEM's commitment is to continue encouraging new relationships with congregations and college campuses, especially with students who are active members of communities pursuing careers inspired by mission and ministries and those who have a personal call to ministry.

Your continued prayers and support for our campuses, ministers, chaplains, faithful and dedicated board members, and our conference youth and leaders will be greatly appreciated!

Respectfully submitted,

Rev. Iraida Ruiz de Porras, Chair Rev. Catherine Jordan-Latham, Secretary

2023 CABINET REPORT

“For mortals it is impossible, but for God all things are possible.”

~ Matthew 19:26

We serve an omnipotent God who desires nothing more but for humanity to know and accept the salvific love of Jesus Christ. The work in our local churches and throughout our United Methodist connectional system is geared towards this reality. Even when our work seems daunting, and we wonder if our efforts are making a difference; let us be reminded that in the work of salvation, all things are possible.

The Greater New Jersey cabinet believes this fact.

All churches in Greater New Jersey can attest to the difficulties experienced within our communities in the past three years. Our newest superintendent, the Rev. Ronell Howard of the Central District summed up these difficulties in her installation sermon,

There is even chaos and dimness within the church--declining membership, disaffiliation, and clergy burnout levels at an all-time high. Questions still hang in the air. God, what will become of the denomination? How can we do ministry with minuscule budgets and small memberships? God, what do we do about deep denominational and cultural divisions?

As those made in the image and likeness of, and with the light of God, the grace of God gives us the power to depend fully on a God whose work of salvation will not fail despite the challenges.

United Methodists in Greater New Jersey are not immune from the challenges of changing times. We are not immune from the influences of a culture that divides rather than unites, that tears down rather than builds up. Yet, in spite of the uncertainty, the Cabinet of GNJ celebrates that God gives us the hope, the vision and the strength to continue to be the body of Christ in the world, firm in our commitment to continue to equip and empower clergy and laity, staying rooted in the salvific work of proclaiming the good news of Jesus Christ.

Because of our rootedness, GNJ has made strong progress toward growing vital congregations and exceeding goals or meeting goals ahead of schedule. This past year, we fully lived into new districts, moved resources, objectives and tactics, and decision making closer to our leaders and congregations through regional work, and have gained clarity, competency and better communicated direction of the mission, goals, and what it means to be a vital congregation. We are grateful to conference staff and district committees that worked hard to ensure a successful redistricting process.

Additionally, we are making progress in our goals because GNJ continues to commit to recruiting and developing transformational leaders who lead congregations to be vital sustainable mission congregations. The challenges in our churches and communities require our work to move us closer to the mission field to continue to grow vitality, and to turn around worship attendance and finances and to help clergy and congregations proclaim the love of Jesus Christ.

For this reason, a regional staffing and resourcing model will help us succeed amid the challenges.

Regional resourcing has and will continue to focus on *Pathways* that help lead clergy and churches towards

transformational leadership and vitality, through conflict resolution, in bold ways that end the sin of racism, or in community engagement. Regional teams that include superintendents, regional directors, and circuit leaders will continue to focus on coaching, consultation, and leading cohort groups to better help clergy lead in their context. There is not one size or method that fits all. The leadership academy had a strong impact in 2022; in 2023 we see this impact growing stronger through the offering of more learning opportunities that help both clergy and laity grow deeper in their faith. With God's help, our regional resourcing efforts will continue to give strategic focus to sharing the love of Christ in ways that impacts our communities because of transformational leadership, vital and financially strong churches, and clergy and laity who work together to end the sin of racism.

We continue to work with GNJ boards and agencies, congregations and clergy, and our mission partners to implement GNJ's Journey of Hope plan that seeks to end the sin of racism. These actions include, creating equitable connectional ministry apportionments and billables, developing stronger cross-cultural and cross-racial appointment resources, and working with Fearless Dialogue Inc. to train GNJ leaders in the work of ending the sin of racism. GNJ continues to lead in the Northeastern Jurisdiction in our collective work in ending the sin of racism throughout the United Methodist connection.

District Superintendents have witnessed congregations and pastors continue in Spirit-filled, creative, and life-giving work in and out of their community. In addition, many congregations, small and large, participate in feeding ministries and other missional opportunities far beyond the expectation, especially when considering the number of volunteers and resources. Live streaming worship, hybrid worship, and zoom meetings are continuing in our churches. We hear that in-person worship is down because, in part, worshippers enjoy these alternative forms of the worshipping community. Our churches work to discern ways to minister to the needs of the digital and in-person worshipping communities.

Last December, United Methodist leaders reached a settlement in the matter of the Boy Scouts of America's (BSA) pending bankruptcy proceedings. This past year, the bankruptcy Judge approved this settlement as proposed. Upon final court approval, the settlement would resolve any claims of sexual abuse that may have occurred in congregation-sponsored Scouting programs. In addition, under the terms of the settlement, United Methodists would raise and give \$30 million over three years into a fund utilized to compensate survivors for their healing. We are grateful for Bishop John Schol's leadership in leading this denominational challenge. Let us continue to pray for all sexual abuse survivors, and work in ethical and meaningful ways to stop, prevent, and end abuse.

In this year's pre-conference journal, you'll read legislation regarding disaffiliation. This process has been long and painful. We continue to ask that you pray for our communities and churches, knowing that any vote during this annual conference season is only a step towards a broader healing that is needed.

We have a deep concern for all our clergy and congregations, and recognize the immense challenges, difficulties, and burnout many are experiencing. It seems as if once we exit one challenging season, another one is right behind it. Like a ship that sails through a terrible storm, we are a little battered.

Friends, this is why our shared work of preaching and teaching salvation through Christ also leads us to love one another; to serve one another; to unite with one another; to build up one another. This work, the cabinet has done this past year, and we continue to commit to do with greater humility, but in urgency because these challenges are great. With God's help and with yours, we will continue to move forward together.

We bid our friends and colleagues, Rev. Brian Roberts and Bishop Héctor Burgos-Nuñez Godspeed and grace upon grace as Rev. Roberts transition to serving as the Executive Director of the United Methodist Stewardship Foundation of GNJ and Bishop Burgos- Nuñez begins to serve the church as resident Bishop of the Upper New York conference. Their collegiality, wisdom, laughter, and humble spirit were a blessing and will be missed. Their love and work shaped a better GNJ.

We say welcome to Revs. Jana Purkis-Brash and Ronell Howard, District Superintendents of the Cape Atlantic & Central Districts, respectively. They both bring wisdom from rich ministerial experience, strategic vision, pastoral care, and a myriad of other great gifts. We are excited to serve alongside them in their ministry.

We have been tested through a series of challenges, but we have renewed, reimagined, and refined ourselves. With God's mercy, we will come out as gold- because we keep our faith in a God whose plan of salvation will not fail. GNJ, we love you and are grateful to serve alongside you. Thank you for your prayers and for the support you give through conversations, feedback, and encouragement. Let us all continue to depend on a God who calls us to remain faithful in this salvific work that leads all of us to better know and accept the love of God in and through Christ Jesus.

CENTENARY FUND AND PREACHERS' AID SOCIETY

The Centenary Fund and Preachers' Aid Society was established by charter granted in 1857. In 2000 the charter was amended to rename the corporation The Centenary Fund and Preachers' Aid Society of the Greater New Jersey Annual Conference of the United Methodist Church. The purpose of the Fund is to provide maximum income, consistent with the preservation of principal, for the support of retired clergy and surviving spouses and dependent children of deceased clergy who have served in the GNJ Annual Conference.

A primary way the Fund meets that purpose today is by contributing towards the cost of providing retiree healthcare. In 2022 the amount contributed was \$592,000 and since 2004 the Fund has contributed approximately \$8.5 million for this purpose. The \$592,000 represents 5% of the market value of the fund as of November 30, 2022.

The Fund also provides grants to pastors and their families with special needs who have requested aid, including help with extraordinary medical expenses, transportation needs and loans to assist retired pastors obtain housing in Methodist (and other) Homes, among other ways. Several such grants were made totaling just over \$35,000 since 2016.

The Fund has allocated a total of \$60,000 for clergy emergency grants for 2023. Grant information and application forms can be found on the Conference's website. The Fund has only been able to do this through the generous support of clergy, laity, and churches, by means of annual contributions and periodic donations as well as bequests. Since inception the Fund has received more than \$6.3 million in donations.

We have also partnered with the Stewardship Foundation and the Communications Committee to raise our profile and increase our support. We hope you will help us build up the Centenary Fund with your tax-free donations so that The Centenary Fund and Preachers Aid Society will be there to continue the substantial contributions needed in the future to fund retiree healthcare and to provide aid to retired clergy and their dependents. Thank you so much for your past support and consideration for the future.

FINANCE AND ADMINISTRATION, COUNCIL ON

As we come out of the pandemic, The Council of Finance and Administration recognizes that our congregations continued to face challenges in 2022 as they returned to in-person worship while retaining some form of hybrid worship suitable for their specific situation. Often there are financial stresses associated with this; our prayers are with you as you face these stresses.

We also keep in our prayers those who are choosing to leave our denomination.

Here are the financial highlights for 2022:

Financial Report:

We are thankful for the leadership of pastors and laity and also the generosity of our congregations. Below are the giving statistics for 2022 as compared to the same group of churches in 2021. You will note that some of them reflect the challenges described above.

- A total of \$8.7M was given through Shared Ministry by our congregations. We had projected that we would receive \$8.9M; so we received 2% (-\$0.2M) less than what we projected.
- A total of \$12.0M was received for billings from our congregations. We had projected that we would receive \$12.5M; so we received 4% (-\$0.5M) less than what we projected.
- 378 of our congregations gave 100% of Shared Ministry in 2022 as compared to 406 in 2021.
- 408 of our congregations gave 100% of their billings in 2022 as compared to 447 in 2021.
- 50 of our congregations contributed a higher percentage of their Shared Ministry and 31 congregations gave a higher percentage of their billings in 2022 than they did in 2021.

We also continue to celebrate our Journey of Hope Plan actions to address inequities in Shared Ministry and billings for churches in lower income communities. While the overall collection rate for these churches declined, 2 of the 67 were able to contribute a higher percentage of Shared Ministry and 6 contributed a higher percentage of billings.

With respect to General Church Apportionment payments, the Annual Conference voted that GNJ would passthrough whatever the churches paid toward GCFA apportionments. In 2022, GNJ paid 81% of the amounts apportioned for the seven GCFA funds. As previously decided, each of the funds received the same percentage of what was apportioned for the fund.

Property sales in 2022 were also below budget, with gross proceeds of \$3.8M and net proceeds totaling \$3.1M (vs. \$3.7M budgeted), noting that one property valued at over \$1M was held up in a legal action related to a "reverter clause" issue which is expected to be settled with the heirs in 2023. This property will likely be sold in 2023.

Property sale details:

- \$3.80M in property sales in 2022.
- \$0.34M toward closing costs (legal fees, property transfer fees, etc.)
- \$0.33M toward maintenance costs prior to selling, past billables and initial investment in the case of conference owned property

- \$1.73M of net proceeds from property sales was allocated toward the 2022 budget as approved by Annual Conference
- \$1.4M of net proceeds from property sales was allocated toward designated funds as directed by Annual Conference which was \$0.6M million less than projected.

In respect to the annuitant (also referred to as retiree) health care liability, the model and policies and procedures set in 2021 remain in practice. While market losses, reduced Centenary Fund contributions in 2022 (\$592.2K vs. \$700K budgeted) and less than expected property proceeds in 2022 had a one-year negative impact, we believe our long-term strategy will keep us on target to achieve funding.

Lastly, as we look forward, CFA and the leadership of GNJ are partnering with all boards and agencies to work through the headwinds we face, including disaffiliation, declining church financials and market losses. Our expenditures will continue to be prioritized on those items that drive the GNJ mission and strategy to develop and recruit transformational leaders, which with God's blessing will lead towards improved church vitality.

COMMISSION ON ARCHIVES AND HISTORY

MISSION: The Greater New Jersey Commission on Archives and History (GNJCAH) engages in the ministry of memory. We advance our Wesleyan heritage by providing resources for the Greater New Jersey Conference (GNJC) with minimal impact on the shared ministry budget. As the keepers of our missional memory, we fulfill our Disciplinary mandate to identify, preserve and make available the historical record of ministry within GNJC and support vital congregations by resourcing clergy, lay leaders and church historians with the tools to strengthen our Wesleyan identity. We are the legal repository for all GNJC entities and closed church records. Our extensive physical archival and digital collections serve as resources within which local churches can research their “Methodist DNA,” and function as repositories where churches can securely maintain their historical records and artifacts. Additionally, we post guidelines for Church Historians, suggestions for writing church histories, records retention schedules, and provide other valuable resources online through the GNJCAH webpage on the GNJC website.

LEGAL REPOSITORY FOR GNJC AND CLOSED CHURCH RECORDS: GNJCAH is the legal repository for all conference entities including offices, officers, boards, agencies, commissions and committees, as well as for all closed church records. We encourage and request that all GNJ officers and entities ensure the timely transfer of records to GNJCAH for preservation. As a note of clarification, in the case of churches that merge, records remain with the successor congregation. Therefore, we encourage all churches to consider preserving the older original documents from their historical records by depositing them in our GNJCAH archival collection.

ARCHIVAL COLLECTION: GNJCAH provides for the retention of the corporate records of GNJC entities and for the preservation of the historical records of closed churches within the bounds of GNJC and its antecedents. We manage a 1,100+ cubic foot archival collection located in the fire-safe, climate controlled, archival depository in the vault in the Archives and History Center at Drew University in Madison, NJ. Our archival space is secured through a unique and cost-effective rental agreement with the General Commission on Archives and History (GCAH).

ANCESTRY.COM: Our GNJCAH page on Ancestry.com received a total of 367,091 page views, 196,826 image views, and 170,265 text views during the 12 months from December 2021 to November 2022. As a result, our closed church vital statistics (births, baptisms, deaths, and marriage records) are easily accessible, highly utilized, and extend our CAH impact far beyond GNJC. On Ancestry.com, our GNJC records are identified as: New Jersey, United Methodist Church Records, 1800-1970.

INTERNET ARCHIVE: We support a digital library of historical journals and resources on Internet Archive (IA) and maintain a link to this resource from the GNJC website. IA is a free portal that allows us to post material without impacting GNJC shared ministry resources. Digital copies of The Historical Trail and The Circuit Writer, the respective historical journals of the former SNJ & NNJ Annual Conferences, are available on Internet Archive. Since 2016, the GNJC materials on IA have generated 7,193 page-views, 2,098 of which were in 2022. GNJCAH collections on Internet Archive may be reached directly at <https://archive.org/details/gnjcaphublications> and <https://archive.org/details/hunt-clark> (Rev. Clark Hunt sermon manuscripts).

WORK OF THE ARCHIVIST: Archival reference questions are now being temporarily handled by Frances Lyons, Reference Archivist for GCAH; her email is flyons@gcah.org.

CHURCH HISTORY AWARDS: We support the celebration of our Wesleyan heritage and the preservation of local church history by hosting three annual church history awards:

- The Robert B. Steelman Church History Award recognizes the best, overall, church history submitted each year. It is named after Rev. Robert (Bob) Steelman, the long-time SNJ/GNJ Historian and the original GNJ Archivist.
- The Morris L. Smith Ethnic Church History Award encourages the collection and preservation of the unique stories of our diverse ethnic congregations within GNJ. The award is named after Mr. Morris L. Smith, the deeply revered former historian of Mt. Zion UMC in Lawnside, NJ. Mr. Smith was gifted at mentoring others, dedicated to improving the lives of underprivileged children, and deeply committed to bridging racial divides by creating strong, collaborative relationships.
- The John C. Goodwin Multi-Media History Award recognizes the preservation of our church histories and faith stories using multi-media platforms. It is named after John Goodwin, a former staff member of the General Board of Global Ministries and conference photographer for NNJ and GNJ.

These awards are advertised on the CAH webpage on the conference website ([gnjc.org/ministry/resources/agencies and committees/commission on archives and history/archives and history resources/local history awards](http://gnjc.org/ministry/resources/agencies-and-committees/commission-on-archives-and-history/archives-and-history-resources/local-history-awards)), as well as through the GNJC awards promotions in the GNJ Digest. Each award is dependent upon qualified submissions being received. In 2022, we did not receive submissions nor make any awards.

CONFERENCE HISTORIC SITES: Recognizing churches as conference historic sites inspires congregations to celebrate their place in the mission of GNJC. We are available to consult with congregations on the historic site nomination process (see NOMINATE YOUR CHURCH below).

NOMINATE YOUR CHURCH: We encourage congregations to request nomination as a Conference Historic Site. To be considered, a church must demonstrate that the site played a significant role in the historic development of our conference or denomination. We believe that there are other candidates for this honor in GNJ, especially within our growing diversity of ethnic churches, and invite pastors or congregations to reach out to the commission chairperson to explore this opportunity.

NEJCAH: We actively support the Northeast Jurisdiction Commission on Archives and History (NEJCAH) by participating in NEJCAH's regional initiatives to promote, preserve and share the history of the United Methodist Church and its antecedents. GNJCAH Consultant Donald DeGroat, serves as a member of the NEJCAH Executive Board.

CONSULTATION AND SPEAKING: We also stand ready to provide consultation on historical issues and assistance in planning and celebrating significant anniversaries and events, including providing speakers to lift-up the historical significance of the church or explore other topics related to our Wesleyan tradition, American Methodism and GNJ history. For questions regarding consultation or speaking engagements please contact the GNJCAH chairperson.

RESOURCES: The commission maintains a robust list of links to historical resources, which include: The Challenges of Being a Church Historian, Greater New Jersey Archival Holdings, Celebrating Our Methodist Heritage, Church Record Retention Schedule, Conservation Tips, Greater New Jersey Historic Sites, How to Write a Local Church History, United Methodist Church Timeline, Heritage Sunday information, Greater New Jersey CAH Historical Library and the United Methodist African American Timeline. IN MEMORIUM—Remembering Walter Howard (Walt) Jones 1937-2022:

The Commission gives thanks to God and celebrates the life of faith and service of Walter Howard (Walt) Jones, GNJCAH's longtime volunteer Archivist and emeritus member of the Commission, who died Saturday December 17, 2022 surrounded by his family. Funeral services were held on Wednesday, December 21, 2022 at the Morganville United Methodist Church, Morganville, NJ. Burial followed at Green Grove Cemetery in Keyport, NJ. In lieu of flowers, the family requests donations to the Morganville United Methodist Church, 215 Conover Rd, Morganville, NJ 07751-4425.

Walt was born on November 5, 1937 in South Amboy, NJ. A lifelong resident of Matawan, he was a loving husband to his wife of 60 years, Rev. Mary Jones, a caring father to his children, Douglas and Kendra, and a loving grandfather to his grandchildren, TJ, Taylor, Caitlin, Zachary, Logan, and Brooke. He lived a life of service and was tremendously selfless, dedicating his time to his family, the Matawan Historical Society, the United Methodist Church, and the Commission on Archives and History. He was a proud active-duty Veteran of the United States Navy and served a career in the United States Postal Service.

Walt was passionate about the ministry of memory, always eager to help people find information, and dedicated to advancing the work of the Commission. He helped merge the archival collections of the Southern New Jersey (SNJ) and Northern New Jersey Conferences after the formation of the Greater New Jersey Conference, led the organization of records to be digitized by Ancestry.com, and served for nearly two decades as a dedicated volunteer and archivist for the commission. Walt especially loved helping people find baptismal records or genealogical information, where he thrived on the thrill of the hunt, the satisfaction of a successful find, and the joy of a happy client. He was a leader in the ministry of memory in GNJ and SNJ for the past three decades. His consistent presence and caring generosity will be greatly missed. Our hearts go out to his wife Mary and his extended family and friends even as we celebrate "Well done good and faithful servant!"

PERSONAL PRIVILEGE:

I wish to thank all of the current and former members of the commission for their dedicated and faithful efforts to advance our ministry of memory within GNJC. I feel privileged to serve as chairperson of such a great team!

EQUITABLE COMPENSATION COMMISSION

The Commission on Equitable Compensation as outlined in ¶1625.2 of the 2016 Book of *Discipline* are four-fold: 1) To recommend conference standards for pastoral support; 2) To administer funds used in base compensation supplementation; 3) To provide counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations; and 4) submit an arrearage policy to be adopted by the annual conference.

Through this past year, the Commission has wrestled with keeping the balance between a pastor's financial needs and the ability of the congregation to meet those needs especially with the increased cost of health insurance that is required for all full-time local church appointments. While we are trying to make at least some headway in raising the basic minimum salary that is a mandate given the commission by the *Discipline*, we are also concerned that the Conference Average Compensation for 2023 only increased 0.1% over 2022, while across the denomination the average compensation increased by .9%, with GNJ falling 3.8% behind the DAC (Denominational Average Compensation) in one of the most expensive areas for living in the US. While it has been strongly recommended that congregations use a \$300 per service year on top of the basic minimum, it seems that fewer congregations are applying that voluntarily and the commission is looking at returning to a mandatory scale in the future.

With that, we are acutely aware that increased financial requirements at the local church puts additional stress on the pastor who is often in the place of having to guide a congregation facing financial uncertainties. Coupled with post-pandemic realities, we are concerned about the health and full support of our clergy. While this is not specifically the responsibility of the Commission to resolve, we lift this up as a concern that needs ongoing conversation within local church Staff Parish Relations Committees and church leadership.

The Commission, through its chair, works with the Connectional Table and the cabinet in approving Equitable Compensation Grants. In seeking equity, we advocate for the use of grants particularly among our ethnic and language specific churches where the economic circumstances of the community cannot support full time ministry. We are working to ensure equity for these churches who can only afford part time salaries yet are significantly larger than other congregations who are in more affluent communities. The Commission has been requesting more up to date data on this so that we can present a more complete assessment of the entire conference rather than just in specific situations where grants are applied for so that we can advocate for a more proactive approach.

The Commission is aware that the recommendations adopted by the Annual Conference often do not find their way to the proper committees within the church. Though the information is fully available on the website, we see the need for a better strategy for communicating with pastors, SPRCs, Trustees and Finance Committees so that they are aware of the guidelines and policies surrounding adopted by the Annual Conference. Lay members of the Annual Conference can greatly assist in this process, and the commission continues to look for better strategies of communication.

The Parsonage Standards have been updated to lift up the importance of health and safety concerns. The standards specifically address the need for local churches to test and abate issues for lead paint and asbestos. As the parsonage is the property of the local church, and not the pastor, trustees and/or parsonage committees need to be proactive in keeping the home safe for pastors and their families. In addition to this, environmental

changes and the increase of health issues requires churches to seriously look at both heating and cooling systems in their parsonages.

My thanks to the members of the Commission on Equitable Salary for their time and energy in our work together on behalf of United Methodists of Greater New Jersey. The realities of COVID-19 for both pastors and local churches along with a significant increase in the cost of living for 2023 has made our discernment challenging year and I am grateful for the commitment that each Commission member has made to do our work thoughtfully and with excellence.

KOREAN MINISTRY, COMMISSION ON

The Korean Caucus of the Greater New Jersey Annual Conference is an active commission of both pastors with Korean-heritage and the churches they serve. These churches are not limited to Korean United Methodist Churches, as many Korean pastors are appointed to cross-racial/cross-cultural congregations. To equip and support pastors in effective and relevant areas of needs and places, the Commission on Korean Ministry conducts large group meetings and events all year round and operates also in smaller committees: Korean Women Clergy, Korean Pastors Serving Cross-Culturally. We also work hand-in-hand with the Korean Churches Association, Drew Theological School's Korean Students Association and the jurisdictional and national Korean Clergy Association of the UMC.

We have a membership of over 150 active members serving churches and the conference to this day. And our main foundation as a commission is for the following:

1. Organize and host workshops and trainings for pastors and lay leaders serving Korean congregations
2. Raise cultural competency
3. Establish resource development and annual training of laity in Korean UM churches and the conference

On a large-group scale and in smaller committees, our clergy members worked with laity and churches to pave the way through the pandemic years to persist and organize trainings for pastors preparing for effective ministry, empowering congregations, and educating clergy, laity and churches through online workshops and meetings. One of the most important conversations pastors host with fellow pastors is cultural competency as this sets a groundwork of mutuality, accountability and effectiveness in all involved in services and ministry. Cultural competency is a necessary awareness to nurture healthy churches and both the clergy and congregation must work together to make it happen. Therefore, we organize and host opportunities to raise this bar as much as possible.

Although the pandemic certainly challenged us to host physical meetings and interactions and some annual events were diverted to virtual meetings, our members did not slow down in developing resources for churches or on the personal level. Churches with Korean Caucus members and our subcommittees delivered messages of hope, versatility, and mission to raise multi-generational disciples of Jesus Christ.

List of Korean Caucus of GNJAC Officers:

Vice President-Hyoik Kim	kimhyoik@hotmail.com
General Secretary-Minho Cho	minho1293@gmail.com
Treasurer-Hankil Kim	ephesians0420@gmail.com
Recording Secretary-Eun Young Rosie Pang	mamapang13@gmail.com

In addition, the GNJ Korean Caucus is committed to support vision and goals of GNJ UMC. We offer several events throughout the year to meet the needs of clergy, seminarians, and their congregations in the following ways:

- To empower effective leadership
- To equip dedicated lay leaders
- To cultivate vital congregations
- To create innovative intergenerational ministries

- To develop cultural competence and diversity
- To work with the Conference in close communication to nurture discipleship

To carry out above objectives, the Korean Caucus of GNJ hosts meetings and events with two subgroups, Korean Women Clergy and Cross Cultural Ministry Clergy, to work alongside (with give and take) active and retired members throughout these year-round events:

A. Laity Leadership Training Workshop for Korean Ministry: Korean Caucus used to hold Laity Leadership Trainings every year. This year, however, we could not get together due to the global pandemic. To continue to equip lay leadership in local churches and to make vital congregations, we published Korean Lay Training Manuals and distributed to each local church

B. Thanksgiving Korean Clergy Worship and Fellowship - We plan Thanksgiving Service with the whole Korean clergy members and their families. Also, we invite Drew Seminary students to give thanks to God together and to recruit young leaders to expand/strengthen our diversity. We have worship Service, prayer, and fellowship time.

C. Korean Thanksgiving Day (Chuseok) - We plan Korean Thanksgiving gatherings with all Korean clergy to have worship and fellowship time. We also share ministry experiences and evangelism ideas.

D. Christmas Covenant and the Future of the United Methodist Church Day with the DS Sangwon Doh and Rev. Dr. Jeffrey Kuan.

E. Gifts for those who read through and transcribe the whole Bible - To encourage all Korean congregations to read and transcribe the Bible.

F. Cross Cultural Ministry Clergy Family Day - For a time of reflection of Cross-Racial/Cross-Cultural Ministry Clergy role as church leaders and how they are able to reshape their leadership role for their local church ministry.

G. Cross Racial Cross Cultural (CRCC) Appointment Korean Clergy Seminar - This Seminar is for Korean Clergy who have been appointed to CRCC ministry to give them advice and support their ministry

H. Korean Women Clergy Day - Leadership Training to equip Korean Women clergies with effective/ spiritual leadership.

K. Recruitment of Young Leaders and Seminary students - Korean Caucus has close connections with Korean seminary students in Drew Theological School so that we could lead young leaders to become meaningful parts of GNJUMC Conference. We visited them to support their Opening Worship Service and strengthened Korean young leadership to continue to join in UMC

- Supporting Korean Caucus of Drew Theological School Opening
- Worship Service (Fall 2022) with Korean bags of Rice.

CORR AND COSROW REPORT: BIAS REVIEW OF GNJ POLICIES AND PROCEDURES

In 2020, GNJ made a bold commitment to ending the sin of racism when it approved the Journey of Hope Plan. This plan included the important, systemic step of an implicit bias review of all the Policies and Procedures of United Methodists of Greater New Jersey. This review has been complete, led by the GNJ Commission on Religion and Race and Committee of the Status and Role of Women.

GNJ's Policies and Procedures have been fully reviewed, revised, and at this time have been found to be free of implicit bias.

- The policies and procedures reviewed included:
- The policies and procedures of the work of GNJ staff
- The policies and procedures of GNJ's boards and agencies
- The GNJ Human Resources Manual
- The GNJ Cabinet Manual
- The GNJ Financial Policies and Procedures

The policies and procedures and GNJ's Vital Mission Partners: Next Generation Ministries, A Future With Hope and the GNJ Stewardship Foundation

We are grateful for the significant investment of time to compile and review over 300 pages of policies and procedures. Thank you to members of the Implicit Bias Review Committee, which was led by CORR and COSROW, and included members of Ethnic Local Church Concerns, the Board of Church and Society, and others.

DREW UNIVERSITY THEOLOGICAL SCHOOL

Edwin David Aponte, Dean

Drew educates and mentors pastors, preachers, deacons, activists, teachers, thought leaders, and change agents.

In Fall 2022 Drew welcomed 77 new students, and as of February 2023 Drew has a total enrollment of 408 students. Many Drew students are just beginning their ministry, while others come to graduate theological education with substantial ministry experience. The latter reflects a growing trend among all theological schools in the United States and Canada. During 2022, Drew classes met on campus in Madison, New Jersey, but also some classes met exclusively online, while others met in hybrid fashion, i.e., partially online, partially in-person. This was also the case with chapel worship. This reflects both our ongoing emergence from the Covid-19 pandemic lockdown, but also Drew leaning into what it means to be a global school with a global student population. With 35% of students coming from 28 different countries Drew Theological School is truly global and diverse in theology, vocations, age, as well as racial, ethnic, national, and international identities.

Drew's interdisciplinary degree programs foster out-of-the-box thinking, provide real-world apprenticeships, promote adaptive leadership skills, and encourage innovation through team-taught core courses reflecting integration of the theological disciplines and practices characteristic of the life of faith. The faculty articulated shared values are infused across the teaching and learning at Drew: a commitment to anti-racism; gender and sexual-identity equality; eco-sustainability and environmental justice; and interfaith understanding and cooperation.

The Theological School has seen an increase in United Methodist students. Moreover, Drew has many United Methodist Global Fellows who chose to pursue education for ministry at Drew. UMC graduates are serving in conferences across the United States as well as in our regional conferences in Greater New Jersey, Eastern Pennsylvania, and New York.

DUKE DIVINITY SCHOOL

Duke Divinity School has been blessed to be part of the fresh work of the Holy Spirit this year and to participate in “little Pentecosts”—signs and foretastes of the hope we profess and the calling we follow. In his Opening Convocations sermon, Dean Edgardo Colón-Emeric said: “If Duke Divinity School is to keep on its Pentecost journey, it needs to devote itself to being guided by the marker of mercy. Our motto of *Eruditio et Religio* only makes sense when we add mercy. ... How we care for the needy is the measure for the apostolicity of our studies, the holiness of our communion, and the power of our prayers.”

The school has continued in its commitment to form ministers of the gospel who will seek God's justice and mercy. Our faculty have been leaders in the Duke Climate Initiative, with three faculty—Norbert Wilson, professor of food, economics, and community and director of the World Food Policy Center at Sanford School for Public Policy at Duke; Wylín Wilson, assistant professor of theological ethics; and Jerusha Neal, assistant professor of homiletics—participating with colleagues from the Nicholas School for the Environment at Duke in the event “Pastoral Care for Climate Change: Weaving Together Science and Theology for Justice,” at the Duke University Marine Lab in Beaufort, N.C., which was organized by alumnus Avery Davis Lamb. Norman Wirzba,

REPORTS TO THE ANNUAL CONFERENCE

Gilbert T. Rowe Distinguished Professor of Christian Theology and senior fellow at the Kenan Institute for Ethics, co-taught a university course on “Let’s Talk about Climate Change.”

The Office of Black Church Studies, which has launched its 50th anniversary year, hosted “Justice Ministry Reimagined: Reentry Simulation” for pastors, students, and lay leaders to learn more about how to support people reentering the community after incarceration. Douglas Campbell, professor of New Testament, and Sarah Jobe, Th.D. student and prison chaplain, have launched the Prison Engagement Initiative with the Kenan Institute for Ethics. Warren Kinghorn, Esther Colliflower Associate Research Professor of Pastoral and Moral Theology and associate professor of psychiatry at Duke School of Medicine, and Jan Holton, associate professor of the practice of pastoral theology and care, taught the “Trauma Engaged Duke” seminar and led the project team Developing Best Practices for Trauma-Informed Teaching and Learning. These programs and events complement the ongoing work of field education and ministerial formation that puts Duke Divinity students in contexts ranging from rural churches to hospital chaplaincy to farm ministry, and many more.

This fall, we welcomed 226 entering students from 35 different states and eight other countries, including Canada, Colombia, Indonesia, Japan, Mexico, Nicaragua, Nigeria, and South Korea. The Master of Divinity program gained 130 new students, with 88 residential students and 42 in the hybrid program. The Master of Arts in Christian Practice enrolled 13 new students; the Doctor of Ministry, 28; Master of Theology, six; Master of Theological Studies, 22; the Doctor of Theology welcomed six new students to campus, and one special student has enrolled. The Certificate in Theology and Health Care welcomed four residential students to campus and 16 in the hybrid program. Across all degree programs at the Divinity School, 30 percent of the incoming class identified as a race or ethnicity other than white. Black students made up 18 percent of all students; Latinx students, six percent; Asian students, five percent; and American Indian students, one percent. Fifty-seven percent of students in the incoming class are female.

There were 33 denominations represented in the M.Div. entering class, with 30 percent affiliated with the United Methodist Church. Baptists made up 17 percent of the incoming students; Anglican-Episcopal students, 12 percent; and nondenominational students, 12 percent. Dean Colón-Emeric said: “It is with the guidance of the acts of the apostles, their communal praxis, that the Divinity School continues to build that most delicate and often discredited of structures: an ecumenical community, a community that boldly professes the Apostles’ creed, a community where Christians from estranged churches study together, a community of generous, joyful Pentecost orthodoxy.”

The school continued to build on its rich tradition of ecumenical engagement, with Dean Colón-Emeric joined by Jung Choi, a consulting professor and senior director of Wesleyan Formation Initiatives, in the Methodist-Roman Catholic International Commission Dialogue to meet with Pope Francis at the Vatican. Peter Casarella, professor of theology, gave the closing address at Continental Ecumenical Congress 2022, held in Bogotá, Colombia, which Duke Divinity School co-sponsored. Student Eliza Love, M.Div.’23, was awarded the \$10,000 Bossey Institute scholarship from the United Methodist Church Council of Bishops to attend the World Council of Church Ecumenical Institute. The Houses of Study at Duke Divinity School—Methodist House, Anglican Episcopal House, Presbyterian/Reformed House, Baptist House, Office of Black Church Studies, Asian House, and Hispanic House—all enrich the Duke Divinity community through theological formation, student support, dynamic lectures, and robust programming.

The school has also welcomed new leaders who bring their gifts to the work of advancing the mission to serve Christ and the church. Three new associate deans have accepted appointments: Daniel Castelo, William Kellon Quick Professor of Theology and Methodist Studies, as associate dean for Academic Formation; Jung Choi, a consulting professor and director of the Asian House of Studies, as associate dean for Global and Intercultural Formation; and Sangwoo Kim, a consulting professor and senior director of the Methodist House of Studies and the Wesleyan Formation Initiatives, as associate dean for Vocational Formation. Linda Coley, who earned an M.Div. from Duke Divinity along with M.S., M.B.A., and Ph.D. degrees, has also joined as the executive director for the Ormond Center.

Several new programs demonstrate Duke's sustained commitment to connecting with churches and ministers. The Ormond Center launched the Community Craft Collaborative to create resources for equipping lay and congregational leaders. The Certificate in Conflict Transformation and Reconciliation (CCTR), facilitated by leading scholars and practitioners in the fields of conflict transformation and reconciliation from Duke University and other institutions, provides a timely learning opportunity for pastors and other church leaders seeking theological and practical skills to foster reconciliation in their congregations and surrounding communities. The Clergy Health Initiative supports healthy practices for vibrant ministry. The research and programming from other Duke Divinity initiatives, including Theology, Medicine, and Culture; Duke Initiatives in Theology and the Arts; Leadership Education at Duke Divinity; and Thriving Rural Communities, continue to provide numerous opportunities to bear witness to God's creativity, compassion, and care for communities and congregations.

Duke Divinity School continues to be grateful for our ongoing participation in The United Methodist Church and partnership with this annual conference. We celebrate the expansion of our connection to UMC colleges through a partnership with Wesleyan College in Macon, Ga., to enable qualified undergraduates to take master's level course through the Duke Accelerated Pastoral Formation Program. We look forward to our ongoing work with you as we join the leading of God's Spirit in the task of preparing men and women for Christian ministry. REPORT: IMPLICIT BIAS REVIEW OF GNJ POLICIES AND PROCEDURES, 2023 REPORTS AND RECOMMENDATIONS

With the Journey of Hope Plan passed in 2020, GNJ committed to systemic changes with the goal of ending the sin of racism in our work together, the church and our communities. Reviewing GNJ's Policies and Procedures, as well as the reports and legislation to the Annual Conference each year, is one important piece of our work together to end the sin of racism.

In January, the Implicit Bias Review Team, led by GNJ's Commission on Religion and Race and the Committee on the Status and Role of Women, completed the review of all GNJ Policies and Procedures. Any instance of bias was addressed, and these have been found to be free of bias.

In March, this review team completed review of all reports and legislation for the 2023 GNJ Annual Conference Session. Again, all instances of bias were addressed by authors; the reports and recommendations have been found free of bias.

GNJ chairs of each committee and board are aware of implicit bias and the team can see huge progress since we started the Implicit Bias Review. The team did not find seriously problematic language this year but continue to encourage people to use more inclusive language. The review team notes that its review is for bias and does not verify the accuracy of information; although, a review of GNJ Rules regarding the printing of reports and/or recommendations when bias or inaccuracy is identified would be helpful.

Finally, our in-person gathering in May is the first time we'll do the business of the Annual Conference in person since the passing of the Journey of Hope. In preparation, here are five things we can all do to reduce bias in our holy conferencing:

1. Be Aware. Each of us is shaped by our culture, family of origin, experiences and more; implicit bias exists in each of us. Ask: What biases do you bring to the topic?
2. Listen deeply. Seek to understand the perspectives and experiences of others compassionately and ask for more information when necessary. Ask: What is this individual's concern, why, and might it be because of a different perspective?
3. Agreement. Find places of agreement or similarity, seeking consensus, unity, and the good of the full Annual Conference. Ask: How can I use our agreement or alignment to build a stronger relationship and further our collective goals?
4. Disagreement. Disagree about facts, concepts and understanding without making it personal. Attack the problem, not the person. Ask: What emotions am I feeling in response to this disagreement, and how are they influencing my thinking?
5. Language. Use inclusive and respectful language, avoiding words or phrases that may be hurtful or offensive to others. Ask: Am I using language that acknowledges the other person's humanity and dignity?

We are sure with this process, we are learning and growing together to make GNJ a healthier community of God.

Sincerely,

Rev. Miso Park, Chair of CORR/Implicit Bias Review Team

Rev. Marissa van der Valk, Chair of COSROW

JUSTICE FOR OUR NEIGHBORS OF THE DELAWARE VALLEY

“The strangers who reside with you shall be to you as your own citizens; you shall love the stranger as yourself, for you were strangers in the land of Egypt.” (Lev. 19:33-34)

Justice For Our Neighbors of the Delaware Valley (JFON-DV) is a proud GNJ Hope Center and United Methodist immigration ministry supported by three annual conferences – GNJ, Eastern PA, and Peninsula-Delaware. With a team of paid and volunteer lawyers, paralegals, and interpreters, JFON-DV holds free immigration legal consultations at United Methodist churches and community partners around the tri-state area each week. In Greater New Jersey, we were able to hold clinics at five different sites in Bridgeton (First and Trinity UMCs), Pleasantville (Oasis UMC), Hammonton (Con-Vivir Wellness Hub), and Millville (Trinity First Hope Center).

According to the American Immigration Council, “Nearly one in four New Jersey residents is an immigrant.” That equates to more than 2,000,000 people who have had to deal with the labyrinthine and capricious legal system regulating immigrants in this country. Shockingly, more than 90% of immigrants who end up in immigration court come without legal representation, since they have no right to a public defender. The outcomes are predictably poor.

With the help of the GNJAC and the Community Outreach Grant program, we have been able to consult with more than 600 immigrants and their families since opening our doors in 2021. We have been able to offer pro-bono legal representation to more than 170 of them. Thanks to your support and generosity through the connectional system, we can make high-quality immigration legal services available free of charge to some of the most vulnerable people in our communities. Before they come to us, many have paid thousands of dollars to unscrupulous persons who claim to be able to get them a green card and then abscond with the money.

With the continued help of GNJ and its churches, pastors, and parishioners, we expect to serve another 400 in the coming year. JFON-DV handles asylum claims, green card applications, petitions to reunify families, visas for immigrant victims of crime, status for unaccompanied minors and many other kinds of immigration relief. We firmly believe that when issues of legal status are solved, families become more stable, educational outcomes improve, and communities are strengthened.

GNJ pastors can always refer cases to us, and many have done so already, using our main office phone number 814-343-3260 or by helping constituents fill in the online intake form on our website – jfondv.org. JFON-DV is always seeking to partner with new churches to host clinics and is always recruiting volunteer lawyers, interpreters, hospitality volunteers, grant writers, event planners, web developers, and office support. There are also opportunities to volunteer on our New Jersey Regional Council, which acts as a steering committee for the ministry. If any of these opportunities interest you, please contact Executive Director Rev. Tom Lank at director@jfondv.org.

NEXT GENERATION MINISTRIES

The past year has been a time of prayer, relaunching and new possibilities for Next Generation Ministries. In 2022, the Next Gen nonprofit was dormant. Although all activities and finances are running within GNJ, the board of trustees continues to meet quarterly to provide oversight, strategic direction and make key decisions. Working in this way has alleviated organizational costs and activities so that staff, programs, and funds focus on supporting youth programming and local churches.

We were excited to be back in Wildwood, NJ for IGNITE 2022. More than 700 people from over 60 congregations were back for IGNITE. In addition, groups from Eastern PA, New York Annual Conference and the Upper New York Annual Conference attended. 2022 was an excellent beginning and the team has been working hard for 2023 to be the best IGNITE yet.

In addition to work on IGNITE, Next Gen is supporting GNJ's Safe Sanctuaries work. In the past year we brought on an hourly staff person to review local church policies and work on updates in GNJ policy and available resources. These can be found in the Safe Sanctuaries legislation and related reports. GNJ and Next Gen are committed to keeping children, young people, and all adults safe in our activities and local churches. Last year we reported that The Pinelands Center was closed due to decreased program engagement, staff reductions, multiple critical maintenance projects, and the loss of significant revenue from rentals to area schools. Further investigation found over \$2M in deferred maintenance costs and as much as an additional \$2-4M investment necessary for the property to become a sustainable camp and retreat center. Due to these realities, we have decided to sell the camp.

One reason we were able to make the decision about The Pinelands Center is the opportunity to partner in camping ministry with Eastern PA. EPA has 4 strong camp and retreat centers. Early opportunities for affiliation included IGNITE 2022; Eastern PA sent congregations and key conference leaders to attend. In 2023, GNJ will send students to camps in Eastern PA. With GNJ's strong IGNITE program and EPA's strong camps, we are confident that affiliation, collaboration and turn-around in young people's ministries is just beginning. As we do look forward to the future of Next Generation Ministries, we recommit ourselves to the work outlined and goals set in GNJ's 10 Year Next Generation Ministries Plan passed in 2017. Since then, we have made pivots and implemented learnings, but we continue to believe that the next generation of disciples are the leaders that the church needs today. Since the passing of the 10-year plan, we have regularly reported 3-year goals and progress. A report on our progress and goals for 2022-2025 are:

Goals and accomplishments from 2020 to 2022:

Youth Ministry

- 2,500 participants attend IGNITE 2022
 - We had 700 IGNITE 2022 participants.
- 200 youth and youth leaders in leadership and faith development opportunities
 - Approximately 120 leaders receive a weekly resourcing newsletter
- 100 youth and youth leaders are serving in leadership through IGNITE Communities, internships and more.
 - IGNITE Communities have not been meeting since the pandemic.

- Move the IGNITE Conference to financial sustainability by aligning revenue and expenses so that Next Gen has the financial capacity to grow its mission beyond IGNITE.
- IGNITE has partnered with the New York AC and is working with Eastern PA. Registration numbers have not moved us toward sustainability.

Camping and Retreat Ministry

- Minister to 400 campers through Next Gen Summer Camps with excellent programming, passionate summer staff, and opportunities for campers to connect, grow, and lead so that campers go home with a heart on fire for Jesus and growing in faith and leadership.
- We were not able to run sustainable camping programs
- Minister to 200 campers through Next Gen Retreats during the school year with excellent programming that challenges campers to go deeper in their faith so that campers grow a mature faith and are prepared for leadership in ministry
- We were not able to run sustainable retreat programs
- 60 Students serving on Camping & Retreat Leadership Teams by 2023
- We were not able to run sustainable camp and retreat programs
- Move the camping ministry to financial sustainability so that Next Generation Ministries retains the capacity to make disciples and ministry leaders through camps and retreats for years to come
- We were not able to run sustainable camp and retreat programs

Campus Ministry

- Network of 10 Campus ministries receiving resources and participating in retreats and coaching so that they are regularly gathering 50 students on campus.
- Current Campus Ministries: 4
- 50 college students practice their faith through mission work, community service, or volunteering for Next Gen outside of their regular campus ministry.
- There are 5 IGNITE Squad members who are in college
- 40 participants graduate from Mosaic Ministries
- Since 2016: 40 participants

Goals for 2023 to 2025:

- 1,400 attendees at IGNITE 2025
- Increase number of youth reported in GNJ from 3,600 to 4,500
- Send 300 students to summer camps in Eastern PA
- Review and approve all GNJ local church Safe Sanctuaries policies to align with the new GNJ policy and resources
- Work with 6 Campus Ministries

REPORTS TO THE ANNUAL CONFERENCE

III. PREMIUM PAYMENT RESPONSIBILITY – PRE-ANNUITY RETIREES

The Conference Board of Pension and Health Benefits shall establish rates of premiums for the participants, based upon the premiums charged by the carrier.

For those who have retired early and are not collecting an annuity, the retired enrollee is responsible for the full Active premium payment until they reach annuity age.

IV. PREMIUM PAYMENT RESPONSIBILITY – ACTIVE

The Conference Board of Pension and Health Benefits shall establish rates of premiums for the participants based upon the premiums charged by the carrier.

Unless it has already been stated above under Eligibility, the Conference shall pay the premiums for all enrolled active participants, lay or ministerial, from appropriate funds, except that:

- A. Each church shall pay the premium(s) or Waived Participation Fee(s) (which is equal to the blended premium) of each of its full-time appointed clergy (including clergy spouse and dependent children if enrolled) who are either a full, provisional, or associate member of the Conference or a local pastor.
 1. The salary paying unit shall also be responsible for remitting premium for its lay employees who are enrolled in the Plan.
 2. Plan participants are to pay the amount of their share of the premium in excess of the premium credit provided by the HealthFlex Exchange default plan selected by the BOPHB. The local church will deduct the funds from the participant's compensation and remit the participants' share to the Annual Conference on a monthly basis.
- B. Each eligible enrollee, whose fees are not paid as provided above, shall pay his or her own premiums either directly or with employer participation. In every case, the individual enrollee is responsible for seeing that payment of his or her own premium is made if the party with PRIME responsibility fails to make the payment.

V. CONTINUATION OF COVERAGE AFTER CERTAIN EVENTS

- A. **Voluntary and Involuntary Termination** - If a person's participation in the Plan ceases due to voluntary or involuntary termination of Conference membership or employment or discharge or removal from the Annual Conference, Continuation Coverage for health insurance may be available through application to HealthFlex.
- B. **Loss of Dependent Status** - If a dependent's participation in the Plan ceases due to divorce or to attaining the limiting age, Continuation Coverage may be available through application to HealthFlex.
- C. **Medical Leave** - See #2 under Eligibility.
- D. **Leave of Absence** (§353 and §354) - Clergy placed on voluntary leave of absence (personal, family, or transitional) or involuntary leave of absence may continue in the Plan for a period of twelve months, provided they pay the premiums. Continuation Coverage for up to an additional 12 months may be available through application to HealthFlex. Leave of absence is not an appointment, causes a break in appointment years, and does not accrue annuity credit towards health benefits in retirement.
- E. **Sabbatical Leave** (§351) Clergy placed on sabbatical leave may continue in the Plan for a period of twelve months, provided they pay the premiums. Continuation coverage may be available through application to HealthFlex. Sabbatical leave is not a break in appointment years for the purposes of health benefits in retirement.

- F. Death** - Surviving spouses of clergy members are subject to the same rules (see Eligibility Guidelines #1 and 3) as the clergy member. Surviving spouses of lay employees of the Conference and District offices are subject to the same rules (see Eligibility Guideline #4 c) as the lay employee.

VI. ADMINISTRATION

All concerns, issues, requests, etc., relating to premiums, benefits, coverage (including voluntary termination of coverage, additions, or deletions to policies) and benefits at retirement must be “in writing” from the Plan participant to be considered official. Such correspondence, concerns, or requests for changes in coverage must be sent to the Plan Administrator or his/her designated coordinator. Commitments or resolutions of issues must come in writing directly from the Plan Administrator or his/her designated coordinator.

The Benefits Officer and Administrator for the Conference Plan is the Chief Financial Officer/Conference Treasurer. The Benefits Officer shall be a member of the Conference Board of Pension and Health Benefits without a vote. He/she shall be responsible for promptly enrolling all eligible persons, for collecting all amounts due from churches, agencies or individuals for participation in the Plan, for arranging for their prompt deposit in a Conference account, for checking all billings from the Insurance Carrier to certify their completeness and accuracy and for making proper remittances on schedule for the Plan; and such Officer shall delete from the Plan any enrollee whose premium is not paid by the end of the month for which the premium is due. Termination is effective the first day of the month for which no payment has been received.

2023 SAFE SANCTUARIES: RESOURCES FOR CHURCHES AND SAMPLE POLICY

The following is the development guide for local churches to create and uphold a Safe Sanctuaries Policy within their communities.

The below template is a guide for each local community to use to develop their own Safe Sanctuaries policy that is unique to their own ministry contexts. In addition to the below template, we also offer these resources to help local communities formulate their Safe Sanctuaries policies. For assistance in creating a Safe Sanctuaries policy, and to have your policy certified, please reach out to GNJ's Safe Sanctuary Coordinator.

1. Standards for All Safe Sanctuaries Policies in GNJ (link here the checklist for approval)
2. If your community has programming that includes Online Ministry for children, youth or vulnerable adults, please refer to this resource from UM Discipleship Ministries.
3. For Small Churches, please visit this resource for assistance from UM Discipleship Ministries.
4. For Large Churches, please visit this resource for assistance from UM Discipleship Ministries.
5. For Local Churches engaging in hospitality and inclusion of LGBTQIA+ children, youth or vulnerable adults, please visit this resource from UM Discipleship Ministries.
6. For even more resourcing on Safe Sanctuaries, please check out the Safe Sanctuaries Library from UM Discipleship Ministries.
7. Each local church will develop its own Volunteer Application and Incident Reporting Form for internal use. There are examples of these on the Safe Sanctuaries website and must be approved by the Safe Sanctuaries Coordinator.

It is important to work with a team in the local church to contextualize each congregation's Safe Sanctuaries Policy- while there are standards required for each church (as noted above in link 1), every local church has their own set of ministry needs and programming. It is important to be intentional about the work that Safe Sanctuaries require as we live into our mission to protect and build the kingdom of God.

United Methodists of Greater New Jersey Safe Sanctuary Policy Development Guide

Safe Sanctuary Policy Development Guide Note: This sample is for general guideline use only; some sections may or may not apply to your local church setting. Your church policy should be written to address your local church and community safety issues. You are to use this document as a foundation for writing the policy for your local church and the ministry contexts you have.

Importance of Policy & Mandate for the Church: God has called us to make our ministries safe and to protect our children, youth, and other vulnerable people from abuse and exploitation. God has also called us to create communities of faith where children, youth, and other vulnerable people can be safe and grow strong. Jesus taught that "Whoever welcomes one such child in my name welcomes me" (Mark 9:37 NRSV) and "If any of you put a stumbling block before one of these little ones...it would be better for you if a great millstone were fastened around your neck and you were drowned in the depth of the sea" (Matthew 18:6 NRSV).

The Social Principles of The United Methodist Church state, "...children must be protected from economic, physical, and sexual exploitation and abuse" and "we affirm that all persons are individuals of sacred worth, created in the image of God" (§161, "Social Principles"). At each child's baptism, we affirm our responsibility

to their safety by our congregational response, pledging: “With God’s help, we will so order our lives after the example of Christ, that this child, surrounded by steadfast love, may be established in the faith, and confirmed and strengthened in the way that leads to life eternal” (From Baptismal Covenant, Congregational Pledge II, The Book of Worship). Building on these foundations, we recognize that our faith calls us to offer hospitality and protection to all children, youth, and other vulnerable people, as well as volunteers and employees who are committed to ministering to them. Worldwide, child abuse and neglect affect children, youth, and other vulnerable people of every age, ethnicity, and economic group. Often, abuse occurs in places where children, youth, and other vulnerable people feel safe—homes, schools, camps, and even churches. According to the U.S. Health and Human Services’ recent report, the victim was related to or acquainted with the abuser in more than 90 percent of cases. In light of this, The United Methodist Church and each local United Methodist Church establish policies and procedures that: 1. lessen the possibility that abuse will happen to children, youth, and other vulnerable people in the church; 2. create a place where victims can feel safe in disclosing abuse; 3. protect volunteers and employees who minister with children, youth, and other vulnerable people; and 4. allow known sexual offenders to safely join in a Christian community in the church while protecting the children, youth, and other vulnerable people who are a part of our congregations.

Summary of Issues & Scope of the Problem:

This guide identifies Safe Sanctuaries policy recommendations to protect children, youth, and other vulnerable people; those who share in ministry with them; and known sexual offenders participating as part of our congregations. It is recommended that you use the best practices included in each area to update your local church’s Safe Sanctuary policy. Annually updating and adopting a policy reflective of current expertise is essential to create safe environments where ministry happens. Effective implementation is vital to protect our ministry participants and reduce our risk. Effective policy AND implementation create a respectful, loving setting for ministry. Your policy should reflect the unique nature of your congregation, ministry, and setting.

The General Conference of The United Methodist Church, in April 1996, adopted a resolution aimed at reducing the risk of child sexual abuse in the church. The following is a reflection on the adopted resolution Book of Resolutions, 2016 #3084). A central tenet of the Christian faith is the inherent value and worth of all children, youth, and adults. Children, youth, and other vulnerable people are least able to protect themselves in our society and are particularly vulnerable to abuse and neglect. The United Methodist Church is eager to do all it can to protect the youth, children, and other vulnerable people who participate in the life of this congregation. We believe implementing a policy and adopting procedures to protect our children, youth, and other vulnerable people recognizes that: Our Christian faith calls us to offer both hospitality and protection to our children, youth, and other vulnerable persons. The Social Principles of the United Methodist Church state, “. . . children must be protected from economic, physical and sexual exploitation and abuse.” The social principles also state, “. . . all persons are individuals of sacred worth, created in the image of God.” Tragically, churches have not always been safe places for children, youth, and other vulnerable people. Neglect, sexual abuse, and exploitation occur in churches, both large and small, urban and rural. The problem cuts across all economic, cultural, racial, and ethnic lines. God calls us to make our churches safe places and to protect children, youth, and other vulnerable people from abuse. Abuse prevention and ministry protection policies and procedures are essential for congregations, not only for the protection and safety of our children, youth, and other vulnerable persons but also for our volunteers and staff working with them. The Gospel calls us to be engaged in ministry with children, youth, and other vulnerable persons (Safe Sanctuaries: Reducing the Risk of Abuse in the Church for Children and Youth, page 10).

REPORTS TO THE ANNUAL CONFERENCE

Jesus taught, “Whoever welcomes one such child in my name welcomes me” (Mark 9:37 NRSV) and “If any of you put a stumbling block before one of these little ones...it would be better for you if a great millstone were fastened around your neck and you were drowned in the depth of the sea” (Matthew 18:6 NRSV).

We should not allow possible risks to undermine or stop our ministry. Rather, we must:

- Acknowledge the risks and develop a practical plan to address these issues
- Take steps to prevent harm to our children, youth, and other vulnerable persons; and
- Continue to answer the Gospel’s imperative to be in ministry with children, youth, and other vulnerable persons, thus making a difference in their lives
- Safe Sanctuaries policies and the implementation of practices that reflect those policies seek to fulfill this call for our church

Safe Sanctuaries Policy Template for The Greater New Jersey Annual Conference

This is the Safe Sanctuaries Policy for (NAME OF CHURCH). As a United Methodist community of faith, we are committed to Wesley’s three simple rules- to do no harm, to do good and to stay in love with God. We recognize that our responsibility to the people in our community, especially the most vulnerable among us, is a sacred gift, and we endeavor to treat the safety and upkeep of children, youth and vulnerable peoples as such. The below policy has been developed by our community of faith in conjunction with the standards set by the Greater New Jersey Annual Conference. All entities in this community of faith will be educated about this policy, and will be held to its standards.

Definitions related to Safe Sanctuaries Policies & Procedures: A common set of definitions provides a useful frame of reference for policy development. Churches may have terms specific to their ministry situation indicating the need to modify those listed here or create their own set of definitions.

Child: In the United States, this term is commonly used to identify anyone age eleven or younger.

Youth: Anyone not a “child” and under eighteen (age of legal majority).

Adult: Anyone who has reached the age of legal majority and has finished high school.

Vulnerable person: A person whose ability to protect themselves from violence, abuse, or neglect is significantly impaired through social, physical, or mental disability or illness.

Paid staff person: Someone paid by the church, overseen by the staff/pastor parish relations committee, and screened according to the church’s Safe Sanctuary policy and any additional required personnel screening.

Unscreened adult: Someone who has not been screened.

Screened adult: A volunteer who has gone through the screening process involving a criminal background check, reference check, interview, and risk reduction training. These people may or may not be members, but they must be regular attendees and active in the church for at least six months.

Roamer: A Safe Sanctuaries trained/screened adult leader who meets the minimum age requirements as defined in this policy and moves throughout the facility to provide additional oversight and supervision during activities.

Ministry supervisor: A screened individual, staff, or volunteer, responsible for a particular ministry with oversight of the leaders in that ministry.

Physical abuse: Violent, non-accidental contact that results in injury. This includes, but is not limited to, striking, biting, or shaking. Injuries include bruises, fractures, cuts, and burns.

Sexual abuse: Any form of sexual activity with a child/youth/any other vulnerable person, whether at the church, at home, or in any other setting. The abuser may be an adult or another minor.

Emotional abuse: A pattern of intentional conduct that crushes a child's/youth's/other vulnerable person's spirit and attacks his/her self-worth through rejection, threats, terrorizing, isolating, or belittling.

Neglect: When a person with responsibility for a child, youth, or other vulnerable person fails to care for that individual's physical and/or emotional needs.

Facts about Abuse:

- It Can Happen Anywhere: The child victim is never responsible for causing the abuse and is never to be blamed. The child victim is never capable of consenting to abusive behavior. Child sexual abuse is ALWAYS wrong and is solely the responsibility of the abuser.
- Knowing the Statistics: Studies have estimated that 1 out of 3 girls are sexually abused before the age of 18. Estimates state that 1 out of 7 boys are sexually abused, but the number may be higher because of a reluctance to report occurrences.
- The Church at Risk: The risk for churches is especially high because we're seen as "trusting organizations" and we've been "notoriously INACTIVE when it comes to screening volunteers and/or employees who work with kids." Churches routinely provide opportunities for close contact with children.
- Indicators of Child Abuse: Children showing anxiety about coming to church or being left in a class or program, or reluctance to participate when he/she had previously been enthusiastic may be an indicator of abusive behaviors. Abused children may have fears of specific individuals experiencing nightmares or showing hostility.
- Abusers: Who Are They: Less than 20% are strangers - 93% of victims know their abuser. People who abuse children look and act just like everyone else. Those who sexually abuse children are drawn to settings where they can gain easy access to children, such as sports leagues, faith centers, clubs, and schools.
- How Does Abuse Happen? Children are vulnerable, and the abuser is powerful; without a comprehensive strategy against abuse, we are taking a needless risk that harm may be done to our children or our workers with children. Strategies must be supported by the entire congregation and, applied to each worker involved in children's ministries. We need to think carefully about the safety of any- adult/one--child situation. Look for group situations where possible. Set an example by personally avoiding one-adult/one-child situations with children other than your own. There should never be a situation in ministry where one adult is left alone with one child.
- Consequences of Child Sexual Abuse: Of foremost importance is the child/ youth or vulnerable adult who has been harmed; he or she must be cared for. The harm that is done to the child/youth/vulnerable adult is entirely life-altering, and every step should be taken to care

REPORTS TO THE ANNUAL CONFERENCE

for the victim- including but not limited to providing support and resources for the continued care and wellbeing of the child/youth/vulnerable adult.

- Many victims are created, including the person harmed, that person's family, the congregation, and often the family of the abuser. The congregation's wounds may continue well beyond litigation - that doesn't provide healing among the members. Litigation can go on for two or more years. Financial consequences are somewhere around \$750,000 if innocent/at least \$1-2 million if proven guilty. No congregation can afford, financially, ethically, or morally, to fail to implement strategies for the reduction and prevention of child sexual abuse.

- GNJ Insurance: All churches are covered because the Conference has a policy, and there is an expectation that every church and its programs, is implementing some type of policies and procedures. As is true with most situations, the extent of coverage varies, depending on what the local church has done to proactively prevent abuse from happening.

- Minimizing Opportunity for Abuse: If you eliminate one-adult/one-child situations, you'll dramatically lower the risk of sexual abuse for your children/youth/vulnerable adults. Expect programs to perform careful screening and background checks on all persons working with children/youth/vulnerable adults. Youth-serving organizations outside of the local church should have policies in place for dealing with suspicious situations and reports of abuse. Furthermore, these organizations should regularly train their staff to prevent, recognize and react responsibly to child sexual abuse.

Selection and Screening of Church Staff and Adult Volunteers: We should not allow possible risks to undermine or stop our ministry. Rather, we must:

- Acknowledge the risks and develop a practical plan to address these issues
- Take steps to prevent harm to our children, youth, and other vulnerable persons; and
- Continue to answer the Gospel's imperative to be in ministry with children, youth, and other vulnerable persons, thus making a difference in their lives
- Safe Sanctuaries policies and the implementation of practices that reflect those policies seek to fulfill this call for our church

A. The pastor in charge or his/her designee and the staff parish relations committee are charged with the responsibility of developing, implementing, and evaluating the process for recruiting, screening, selecting, training, and supervising non-appointive church staff (¶ 258.12 Book of *Discipline*, 2016).

The pastor will utilize Ministry Safe for background checks and screenings as well as training for staff and volunteers.

B. All adults who volunteer with/come into contact with the church's children, youth, and other vulnerable people, and each church-paid staff person, including clergy, will be screened and trained using Ministry Safe.

C. Screening Procedures:

1. Each person being considered to volunteer with/come into contact with children, youth, and/or other vulnerable people, whether as a volunteer or paid staff person, shall fill out a volunteer application (for an appropriate guide to what this application should look like, please refer to the appendix section). Anyone

interested in volunteering with youth, children, or vulnerable persons must be a regular attending member for at least six months.

2. Before placing the applicant in a position of responsibility with children, youth, or other vulnerable people, a designated paid staff member or person charged with specific responsibility will interview the applicant and review the written volunteer application.

'3. Child Abuse Survivor Applicants Adult survivors of childhood physical or sexual abuse need the love and acceptance of this church family. A person's experience with abuse and the recovery process may be pertinent to the individual's suitability as a youth, children's or other vulnerable people's ministry worker. Applicants who are survivors of abuse should discuss this in confidence with the person who conducts the confidential interview. If an applicant is uncomfortable doing so, he/she may have the interview conducted by a pastor. When evaluating candidates, the following factors will be considered if an applicant is a survivor of child abuse: A. whether the applicant has previously committed an act of child abuse or molestation (anyone who has maltreated children may not serve in ministry with children, youth, or other vulnerable people); B. the extent of professional counseling the applicant has received; C. the opinion of references, especially professional counselors who have served the applicant; D. the opinion of leaders in other churches or youth organizations in which the applicant has been involved; how closely the church is able to supervise and monitor the position for which the applicant is applying

4. The person conducting this interview will contact the references provided on the screening form and any additional people as the circumstances dictate. A written record of such contacts will be retained with the screening form.

5. The reference forms, volunteer application, and any notes from the interview will be retained in a designated confidential place even after termination or completion of services. Background checks are not to be deleted from Ministry Safe.

6. Each person applying to work with children, youth, and/or other vulnerable people shall authorize the church to conduct a criminal background check through Ministry Safe.

D. After the interview and background check have been accomplished, the decision will be made to approve or not approve the applicant as a paid staff member/screened adult volunteer who will work with youth, children, and/or other vulnerable people.

E. Where it has been determined that an applicant should not be approved, those people involved with the decision should handle it in a sensitive manner. The pastor in charge or her/his designee should inform the applicant in person. The specific reasons for the decision should be given, whenever possible.

F. It is important that all records (except for the background checks and training reports which are to be kept online in Ministry Safe) be kept in a locked cabinet in the pastor in charge's office. There should be a system in place that offers those who need these records appropriate access and a safe place to be stored to assure confidentiality. These documents should be kept for 20 years.

REPORTS TO THE ANNUAL CONFERENCE

Note about Selection and Screening of Church Staff and Adult Volunteers: If a known offender wants to participate in ministries within the church, please contact your District Superintendent for resources.

Training: The pastor in charge or designee and staff parish relations committee shall ensure that regularly scheduled annual training focused on foundational and current issues of child protection is available to and received by those working with children, youth, and other vulnerable people. Attendance at this training shall be required prior to involvement in affected areas of ministry by all paid staff members, screened and unscreened adults, and youth helpers who work consistently with children, youth, and/or other vulnerable people. (At a minimum, the basic training with Ministry Safe is the Sexual Abuse Awareness Training. Based on each individual church's ministry context, other training may be necessary. Please reach out to the Safe Sanctuaries Coordinator for help.) The entire congregation should be educated on the church's Safe Sanctuary Policy.

General Supervision

1. All activities involving children, youth, and other vulnerable people will be supervised by two screened adults. A designated roamer shall monitor the room when it is impossible to have two leaders present (this should be an exception and not the ideal situation; please refer to UMC Disciple "Roamer Rules" article.)
2. When reasonably feasible, each room set aside for children/youth should have a door with a window. (Windows in doors tend to remove the opportunities for secrecy and isolation, conditions every child abuser seeks.) Half doors should be considered for toddlers to second-grade children to keep them from wandering outside the classroom. Windows should remain free from obstruction; avoid covering them. If there are no windows in the door, the door should remain open.
3. The "two-person rule" is defined as having at least two unrelated people in any classroom or setting, who are screened, adult volunteers or staff persons. When this is not possible, a designated roamer should visit the room regularly. If using a roamer, keep the doors open.

Classroom Activities:

1. Crib/Toddler to Second Grade: Two unrelated screened adults will be present for all classroom activities involving infants, toddlers, and children in grades K-2. In addition, a designated roamer should check each classroom on a regular basis. Two adult leaders in the classroom are the expectation; more can be added.
2. Grades 3–5 Two Screened adults will be present for all classroom activities. In addition, a designated roamer should check each classroom on a regular basis. Children should be escorted to and from bathroom facilities or when otherwise leaving the room by either one of the adults or by a designated roamer who checks on all classrooms. Where two adults are not available, the classroom doors are to remain open, and a designated roamer should visit the classroom regularly.
3. Grades 6–12 Classroom activities will be led by at least two screened adults. A designated floater shall monitor the room when it is not possible to have two leaders present. Open Door Policy Parents, volunteers, or staff of the church will be permitted, as reasonableness dictates, to visit and observe all programs and classrooms at any time.

Sign-in/Sign-out Procedure: Adults responsible for children who are infants through toddlers should sign their children in and indicate the names of authorized person(s) to whom the child may be signed out. Adults

responsible for children aged 2 through second grade should sign their child in and out of Sunday school and other children's activities. Non-authorized adults should not be allowed to pick up children. Older siblings, parents, and other adults may be authorized to pick up children when they are identified on a child's care and information records. This record of authorized adults with pick-up privileges should be updated annually.

Supervision of Non-Classroom Activities: At least two screened adults will be present for all non-classroom activities involving children, youth, and/or other vulnerable people. Any meetings held in an individual's home will be supervised by at least two screened adults, with two adults present who are not members of the same family. Meetings held in an individual's home must be pre-approved by the child's/youth's/vulnerable person's parent or guardian.

Counseling of Youth, Children, and Other Vulnerable People: In instances where circumstances dictate that counseling would be most effective on a one-on-one basis, an appropriate paid church staff person may meet individually for a one-on-one conversation with the knowledge of at least one other paid staff member and with permission of a parent or guardian. During any one-on-one conversation with children, youth, or other vulnerable people, the door of the room used should remain open for the entire session, unless there is glass in the door or wall that gives a clear view into the room. If another adult is not in the building when the counseling occurs, the session should be moved to a public place, such as a restaurant or outside where other people are present

Notes about General Supervision:

NOTE 1: At the initial meeting, the adult should first determine if he/she is qualified to address the child's/youth's/other vulnerable person's needs effectively. Counseling should be limited to no more than three sessions. Referral to another more qualified counselor should always be considered.

NOTE 2: This section is not meant to govern a licensed professional counselor in a paid counseling relationship with a child, youth, or other vulnerable people. Time Following Group Events Following group events, it is inevitable that occasionally a child's/youth's/or other vulnerable person's transportation arrives after all other participants have departed. Two screened leaders should be scheduled to be present until all participants have been picked up. In some circumstances, a child/youth/other vulnerable people may unavoidably be supervised by one screened adult. When this occurs, the screened adult is responsible for exercising his/her best judgment for the participant's well-being as well as his/her own. Example—Have the parents on the phone with you until they arrive.

Building Compliance Requirements: Safe Sanctuaries policy applies to all church-operated programs for children, youth, or vulnerable adults. These programs must be clearly differentiated from those that are non-church operated. The following are basic assumptions made as they relate to both church and non-church-operated children, youth, and vulnerable adult programs:

1. All buildings in which such programs are housed shall have any necessary "certificates of occupancy."
2. All groups conducting such programs shall have the necessary certificates of insurance for both liability and workers' compensation. They shall be displayed as required by law.
3. All such programs shall conform to Federal and State wage and tax laws for employees.
4. Any group using the church building should have its own protection policy for children, youth, and young adults.

REPORTS TO THE ANNUAL CONFERENCE

Transportation General Rules: Transporting children, youth, and other vulnerable people is an important concern. Their safety can be at risk in a variety of ways. Therefore, certain discretion must be used depending upon the event attended, the locale of the event, and the age group participating. This policy includes both requirements and guidelines. When feasible, there should be adherence to the recommendations and the guidelines. It is expected that the requirements will always be followed.

Requirements for Transportation:

1. Drivers must be screened adults with a Motor Vehicle background-specific check in addition to their background check and Ministry Safe Training.
2. When a child/youth/other vulnerable person is transported in any vehicle, the driver must be either the child's/youth's/other vulnerable person's parent/guardian, a screened adult or a paid staff person who is at least 25 years old.
3. When a child/youth/other vulnerable person is transported in a church-owned vehicle, the driver must be at least 25 years of age; an exception is made when the driver is a paid staff member who is at least 18 years of age and for whom a motor vehicle record search has been made and the record has been found to be satisfactory by the pastor in charge or his/her designee. (This is subject to other church policies, state law, and insurance regulations.)
4. Drivers must have a valid driver's license for the vehicle being operated. For example, if driving a church bus, a commercial driver's license is required. A copy of the driver's license should be on file in the church office.
5. Drivers must require that passengers wear seat belts; the number of passengers must not exceed the number of seat belts.
6. Drivers should be advised of a designated route and should not deviate from it except in cases of emergency or road detours.
7. Drivers should not use cell phones unless required for communication with other drivers. Any use should be hands-free and in accordance with state law. Drivers should not text/message while driving.
8. When a trip is planned and the destination is expected to be 100 miles or more from the point of departure, drivers are to be listed on an "approved driver list" maintained in the church office.
9. People who regularly drive church-owned vehicles are to be listed on an "approved driver list" maintained in the church office.
10. To be listed on the "approved driver list," a motor vehicle record search must have been conducted, and the pastor in charge or his/her designee must determine if the record is satisfactory.
11. Drivers will read and sign an acknowledgment form indicating that the Child, Youth, and Other Vulnerable People Protection Policy has been read and will be followed (See Appendix Section).

Guidelines for Transportation:

1. Drivers should be accompanied by at least one other adult and more than one youth.
2. Drivers should receive training for any church-owned vehicle being operated.
3. Youth who drive their own vehicles should be reminded regularly of the importance of vehicle safety.

Overnights, Trips, Retreats: Trip and retreat settings can call for different child/youth/other vulnerable people protection requirements, depending on the circumstances. What follows are the requirements and guidelines of this policy. The requirements should always be implemented. Depending on the circumstances of the setting, who is in attendance, etc., some or all of the guidelines should be implemented as needed. Those in charge of

the trip or retreat should be mindful of both requirements and guidelines, in addition to applying their own wisdom to the needs of a given occasion.

Requirements for Overnights, Trips, Retreats

1. There will be at least two screened adults present for all trips, retreats, and other events where the children, youth, and /or other vulnerable people gather overnight at, or away from, the church campus.
2. There will be at least one screened adult for each gender present at coed overnight events. At single-gender overnight events, at least one of the two screened adults present shall be of the same gender as the children/youth/other vulnerable people who are present. In settings where folks are in ministry with LGBTQIA+ or folks who are not within the gender binary, please refer to our appendix section for help on how to create safe spaces for all people.
3. The person in charge of youth/children/other vulnerable people for each overnight trip and/or retreat shall carry parental permission forms, including permission for emergency medical care. (See our appendix section)

Guidelines in a Hotel Type Setting: rooms should be assigned as follows:

1. Separate rooms for adults and child/youth/other vulnerable people (where applicable) should be assigned with at least two participants per room except where specific situations dictate a different arrangement.
2. Assignments should be made so that an adult room is between two children's/youth's/other vulnerable person's rooms.
3. Adults should make random monitoring hall trips and room checks at night. This should be done by two adults of the same gender as those being checked. Again, please refer to our appendix section for guidelines in inclusive settings.
4. A hotel should be selected where the rooms are open to the interior of the building (i.e., do not open to the outside).

Online Safety Use of Electronics or Media Communications Guidelines: these may be useful tools in supporting child and youth ministries. However, in such circumstances, the following requirements shall be met:

1. The volunteer or staff person shall never initiate a connection (friending, following, etc.) on social media.
2. If a child, youth, or other vulnerable person initiates a connection, that individual's parent or guardian as well as the volunteer or staff member's supervisor shall be notified.
3. If an adult leader receives a private text from a child, youth, or other vulnerable people that seems questionable, the leader should immediately end the conversation in the virtual space and offer opportunities to have the conversation in person and in compliance with the earlier guidelines for one-on-one conversations. The ministry supervisor and/or parent/guardian should be made aware of the incident immediately.

3a. Note: If an in-person meeting is not possible, those involved will determine the most reasonable alternative in compliance with the earlier guidelines for one-on-one conversations.

4. Adult leaders should post photos on social network sites only with prior written permission granted by a parent/guardian. When posted, PHOTOS MUST NOT BE TAGGED with names or location indicators. All photos must be appropriate and in keeping with the spirit of the ministry event.
5. All in-person protection policies apply to online platform meetings like Zoom, Skype, Messenger, Facetime, Discord, Instagram and so on. (For example, two unrelated adults should be present in the virtual room just as they would be in a physical room.) We recommend using caution and understanding platforms before using them, and we do not recommend apps like Snapchat or anything that deletes messages.
6. All online activities should use the official church account, not a personal account.

REPORTS TO THE ANNUAL CONFERENCE

7. Communication about online meetings should be shared with parents/guardians as well as with children, youth, and other vulnerable people.
8. Adult leaders and participants should use their real names as usernames.
9. Attendance of online meetings should be documented.
10. All electronic communications shall be documented and retained.

Responding to Allegations of Child Abuse: Some form of mandatory reporting is present in every state in the U.S. Voluntary reporting is available in every state. While legal requirements may vary from state to state, the moral mandate to report child abuse or neglect is a requirement for all who care for and lead ministry with children, youth, and other vulnerable people. The pastor in charge or her/his designee should identify applicable laws for the church/ministry based on state and local statutes and include both the substance of the law and the pertinent reporting procedures in their local Safe Sanctuary policy.

The procedure of Responding to Allegations of Child Abuse:

A. Immediately, yet with dignity and respect for the sacred worth of the accused, remove the accused from further involvement with children, youth, and/or other vulnerable people. Once the proper authorities have been contacted and the alleged victim's safety is secured, the pastor in charge or other designated people should inform the accused that abuse has been reported.

B. If abuse is observed by, disclosed to, or suspected by a volunteer and/or paid staff member of the church, the observer shall report the incident immediately to the ministry supervisor and the pastor in charge. Suppose the pastor in charge is not available or is implicated in the abuse. In that case, the matter should be immediately reported to the district superintendent and the proper authorities, as required by state and local law. The district superintendent will take responsibility, acting in accordance with the established rules of *The Book of Discipline* with respect to claims against a pastor. If the district superintendent is not available, the incident should be reported to the bishop's office immediately.

Reporting in PA: 1-800-932-0313 (Child Line) for more information or to report online, [click here](#). For information about who is a mandated reporter in PA, [click here](#).

Reporting in NY: 1-800-342-3720 (New York State Child Protective Services) for more information on reporting and to understand who is a mandated reporter, and a voluntary reporter, please [click here](#).

Reporting in NJ: 1-877-652-2873 (Department of Children and Families) for more information on reporting, please [click here](#).

C. Notify the parents/guardian(s) of the victim and take whatever steps are necessary to assure the safety and wellbeing of the child, youth, or other vulnerable people until the parent(s) or guardian(s) arrive. **NOTE:** If one or both of the parents is the alleged abuser, follow the advice of local authorities concerning notification of others.

D. Take all allegations seriously and reach out to the victim and the victim's family. Show care and support to help prevent further hurt. Remember that the care and safety of the victim is the first priority. Respond in a positive and supportive manner to the victim and the victim's family.

E. The church should provide a supportive atmosphere to all those who are affected, offering both objectivity and empathy as it seeks to create a climate in which healing can take place.

F. After having reported the suspected abuse to the proper authorities, the pastor in charge is to report the incident immediately to the district superintendent if he/she has not already done so. If the district superintendent is unavailable, the incident should be reported to the bishop's office.

G. Keep a written report of the steps taken by the church in response to the reported abuse. (See Child/Youth/Other Vulnerable Person Protection Incident Report Form in our appendix section). The report should be brief and contain only factual information relevant to the situation. It should be kept in a secure place. The report should be written in ink or typed to prevent it from being changed.

H. Any contact with the media should be handled by the pastor in charge.

Notes on Procedure of Responding to Allegations of Child Abuse:

NOTE 1: The conference communications department is a good source of help when media questions arise. The church spokesperson should generally convey a spirit of concern for the spiritual, physical, and emotional well-being of all who are affected and assure that the matter is being diligently and appropriately handled.

NOTE 2: The question that sometimes arises is: "What about confidential communication with a clergyperson?" Many states have laws addressing "clergy confidentiality." Thus, a clergyperson may be confronted with the dilemma of discovering or suspecting abuse in the setting of a privileged conversation. While the church has historically placed a high value on clergy keeping such confidences, the 2016 United Methodist Book of *Discipline*, par. 341.5, provides an exception in cases of suspected child abuse or neglect. Again, the moral imperative is to do what will best protect children.

Implementation of Safe Sanctuaries Policies: The Pastor, SPRC and Church Council will ensure that the church has a Ministry Safe Administrator and a yearly refresher for the entire congregation on the importance of Safe Sanctuaries and any updates to the Safe Sanctuary Policy.

Churches will utilize Ministry Safe for their background checks and their training. The Ministry Safe Administrator is in charge of sending background checks and training to volunteers and staff.

Congregational Covenant and Adoption:

Congregational Covenant and Adoption (CHURCH NAME) United Methodist Church's purpose for establishing this Child, Youth, and Vulnerable People Protection Policy and accompanying procedures is to demonstrate our total and unwavering commitment to the physical wellbeing, emotional safety, and spiritual growth of all our children, youth, and vulnerable people. We adopt this policy in accordance with the statement we as a congregation make at each baptism that we will "nurture children and youth in the Christian faith and life and include them in our care." With this policy, we renew our baptismal pledge to "live according to the example of Christ" and surround children, youth, and other vulnerable people with a "community of love and forgiveness, that they may grow in their trust of God, and be thus confirmed and strengthened in the way that leads to life eternal" (Baptismal Covenant II, United Methodist Book of Worship, p.96). This policy coordinates and supersedes the previous policies used by (CHURCH NAME) UMC. As a Christian community of faith and a United Methodist congregation, we are committed to conduct the ministry of the gospel in ways that assure the safety and spiritual growth all

our children, youth, and vulnerable people, as well as all the workers with the children, youth, and vulnerable people.

By this policy and its accompanying procedures, we implement prudent operational procedures in all programs and events:

- a. Training: We will conduct training on this policy and its procedures to assure that adults involved in children's, youth's, and vulnerable people's activities are aware of these standards and will abide by them.
- b. Screening: All adults and minors above the age of fourteen who have direct involvement with activities covered by this policy and its procedures will be screened in accordance with Greater New Jersey Annual Conference policy. All people who are subject to this policy will be rescreened every three (3) years. Any person who was screened but, for whatever reason, has been absent from the (CHURCH NAME) UMC community for more than one (1) year and thereafter returns, will be rescreened.
- c. Supervision: All activities covered by this policy and its procedures will be supervised by the appropriate number of screened adults.

Conclusion: In all our ministries with children, youth, and vulnerable people, (CHURCH NAME) United Methodist Church is committed to demonstrating the love of Jesus Christ so that each of God's children here will be "surrounded by steadfast love, established in the faith, and confirmed and strengthened in the way that leads to life eternal." SAINT PAUL SCHOOL OF THEOLOGY

Educating tomorrow's leaders by offering on-campus, online, and hybrid learning courses at a FLEXible schedule, Saint Paul School of Theology is a seminary serving a diverse community committed to the formation of people for innovative, creative ministry through rigorous academic life. Grounded in the academic study of faith and ministry, theology is practiced in a traditional classroom and in remote spaces. Our contextual curriculum features Ministry Collaboration Groups, Practicums, Spiritual Formation Retreats, and Seminars. Students learn from dedicated faculty, experienced pastors, and community leaders about best ministry practices leaving our graduates with the tools and first-hand experience necessary to meet the needs of a changing world.

We continue to implement the changes the last few years have integrated into our daily lives. Our weekly chapel service utilizes a hybrid format, where participants may join in-person or online, allowing staff and students to come together as one institution where all are invited to create a sacred atmosphere from wherever they are. In addition, Saint Paul offers weekly Spiritual Formation allowing students to engage in spiritual practices led by Rev. Jen Logsdon-Kellogg. Some practices will take us outdoors or to other sacred spaces, and others will have us connect with community leaders.

Saint Paul welcomed over 30 new students for the 2022-2023 academic year. Enrollment remained solid for the Master of Divinity (MDiv) degree program with promising growth on our Oklahoma campus. With COVID-19 restrictions lifted yet monitored, prospective students returned to in-person visits on both campuses, experiencing community meals, worship, and the newly implemented "Hammock ministry" on the Oklahoma campus. The Admissions team continues to expand travel to meet new students, including the Carolinas, Washington, D.C., and various parts of Texas.

This year we have focused on strengthening the Master of Arts in Christian Ministry by creating two specializations: Women, Society, and Church; and Social Justice and Advocacy. In each case, the student takes 22 hours of MACM required courses, and then the remaining 12 hours of the degree are comprised of courses focusing upon the specialization. The two existing specializations, Prophetic Witness and Service; and Deacon Ministries, will continue to be offered as well. The Women, Society, and Church Studies specialization is also available in the MDiv program, as is a specialization in Wesleyan Studies.

Saint Paul staff and faculty continue contributing to the academy, church, and society. This year, we welcomed Rev. Dr. Sharon Betsworth as our new Vice President for Academic Affairs and Dean and Professor of New Testament. The faculty of Saint Paul School of Theology maintains high standards of scholarship, research, publication, and engagement. Over the past year, their many activities and publications have been so numerous that space permits only sharing selected highlights.

Rev. Dr. Sharon Betsworth co-authored a journal article with Julie Faith Parker, "'Where Have All the Young Girls Gone?' Discovering the Girls of the Bible through Childist Analysis of Exodus 2 and Mark 5-7," in *Journal of Feminist Studies in Religion* 38, no. 2 (Fall 2022).

Dr. Casey Sigmon, Assistant Professor of Preaching and Worship and Director of Contextual Education, was the keynote speaker for the United Methodist Church Missouri Preaching Academy "Offering the Word to a Digital World." She published "Failure to Discern the Online/Hybrid Body: A Captivity of the Eucharist" for the special issue of *Currents in Theology and Mission: Eucharist and Online Worship: Toward Extended Theological*

REPORTS TO THE ANNUAL CONFERENCE

Reflection, vol. 50, no. 1 (2023) and published the chapter “Liturgical Authority and the Table in the Christian Church (Disciples of Christ)” in *Liturgical Authority in Free Church Traditions*, edited by Sarah Johnson and Andrew Wymer, Calvin Worship and Witness Series.

Dr. Joshua Bartholomew, Assistant Professor of Ethics, Church, and Society, led a “Race, Liberation, and Political Economics” series at Second Presbyterian. He also spoke at The Open Table KC on “Race, Liberation, and Economics.”

Dr. Amy Oden, Adjunct Professor of Early Church History and Spirituality, was a guest speaker at numerous events around the country this year, including at a Five Day Academy for Spiritual Formation in Oklahoma, the Beyond Conference in St. Louis, and the Academy for Spiritual Formation in Alabama.

In October, Saint Paul hosted a forum on “Innovative, Creative Ministry” featuring alumni Matt Austin ‘18, Fabian Gonzalez ‘20, Bo Ireland ‘18, Matt Patrick ‘18, & Abby Peper ‘22, with each sharing their personal stories of innovation in ministry. In November, Saint Paul Evangelical Society, led by Dr. Israel Kamudzandu, hosted a forum given by Rev. Mike Slaughter, former lead pastor at Ginghamburg Church, on “Spiritual Awakening: the here and the not yet.” Later in the year, the Evangelical Society hosted a lecture featuring Dr. Cheryl Bridges Johns, Visiting Professor of Pentecostal Studies and Director of the Global Pentecostal House of Study at United Theological Seminary. And on May 12, Saint Paul again held a hybrid commencement celebration via Zoom, allowing graduates to come together from both campuses with attendees viewing from around the country. During the ceremony, we honored the 2023 Distinguished Graduate Award Winner and Commencement Speaker Bishop Delores J. “Dee” Williamston.

Saint Paul Board of Trustees changed leadership this year as long-time faculty and board member Rev. Dr. Tex Sample concluded his term as chair of the Board. Dr. Amy Hogan, Professor of Education and Dean of the School of Education at Ottawa University, has succeeded him as chair. Dr. Hogan possesses a deep reservoir of experience in teaching, research, and accreditation. In response to President Neil Blair’s announcement that he will retire on December 31, 2023, Dr. Hogan appointed a search committee composed of faculty, staff, students, and trustees charged with identifying Saint Paul’s next president. The search committee is currently conferring with Saint Paul’s constituent groups to prepare the position prospectus that will describe Saint Paul’s needs and aspirations to candidates.

In September 2022, Saint Paul School of Theology hosted a review team from the Higher Learning Commission (HLC), one of Saint Paul’s primary accreditation agencies, as part of the Seminary’s regular reaffirmation cycle. On November 18, 2022, the Higher Learning Commission notified Saint Paul that the Commission “continued the accreditation of Saint Paul School of Theology with the next Reaffirmation of Accreditation in 2028-2029.” The Seminary’s Board of Trustees also devoted considerable time to improving its governance capacity. For example, in April 2022, trustees invested a significant portion of their meeting in a facilitated Emotional Intelligence and Trust-Building workshop. The workshop was led by Gail Parker, a noted management consultant who has worked with clients such as KPMG, Goldman Sachs, and Disney, among many others. In October 2022, former executive director of the Association of Theological Schools, Dan Aleshire, offered an overview of demographic and enrollment trends in the nation’s seminaries, focusing on how those trends affect institutions’ diversity, equity, and inclusion initiatives. As these activities suggest, the Board remains deeply committed to enhancing its capabilities to guide Saint Paul effectively and knowledgeably.

We are happy to report that Saint Paul School of Theology is financially sound. We operate with a balanced budget, no debt, and an endowment 9-10 times the size of our annual expenses. As always, we continue to be grateful for donations from the community that provide technology, scholarships, and evolving academic programs to students. As of the close of 2022, over one hundred alumni and friends of Saint Paul contributed more than \$60,000 to create the Tex and Peggy Sample Endowed Scholarship Fund honoring the life and work of Tex and Peggy Sample. Sustainability has been our focus over the past five years, and we have achieved our goal. Investments in our future bring exciting new opportunities for our students, staff, and faculty. Our significant technological investments have allowed us to maintain a hybrid educational delivery model providing a flexible working arrangement for our students.

We are continuing to enhance our partnership with Zoom and Neat. Late last Spring, in conjunction with our Neat Board electronic whiteboards and Neat Bars, we implemented Neat's newest product, their Neat Bar Pros, in our large classrooms. These new bars are designed to offer a superior video and audio experience in large spaces and the ability to output to multiple large screens to enhance the overall classroom experience significantly. We have rolled out additional Zoom Room Neat Boards in numerous common areas to encourage ad-hoc use of the technology for breakout groups and other miscellaneous meetings between our two campuses and remote students. One of the best features of this technology is its ability to receive automatic real-time over-the-air features upgrades. Several significant enhancements have rolled out this past year, including improved voice cancellation, Zoom Room Breakout Groups, real-time Closed Captions with transcripts, and updated use of AI to split each in-classroom student into their individual zoomed-in Zoom window. In addition, our Neat equipment continuously monitors several environmental factors within our classrooms; air quality, temperature, humidity, VOC, and CO2, as well as being able to tell if the classrooms are occupied and how many individuals are in the room. We can also monitor the audio/video quality and network connectivity in each of our classrooms, as well as the connection quality for all remote students attending the class. We are excited about the additional enhancements that will come to our classrooms from Neat and Zoom over this next year and look forward to our continued partnership with Neat and Zoom on this groundbreaking technology.

Saint Paul School of Theology is blessed to be your partner in ministry and help those seeking to discover more and answer the call. We are grateful for your support of our students and our seminary. May we continue to live into the call of Jesus Christ to be faithful witnesses for generations to come.

President Neil Blair, Saint Paul trustees, faculty, staff, alumni, and students thank you for your prayers and support.

NEW JERSEY COALITION OF RELIGIOUS LEADERS

The New Jersey Coalition of Religious Leaders seeks to build informed relationships and collaborate around sacred values uniting us in action for the common good. The Coalition membership reflects the religious diversity of our State including religious leaders from the Christian Orthodox, Hindu, Jewish, Muslim, Protestant, Roman Catholic and Sikh Faith traditions. United Methodist membership includes Bishop John Schol, Rev. Dr. Tanya Bennett, Chair of GNJC Board of Church and Society, Mr Eric Drew, Director of GNJC Connectional Ministries and Rev. Jack Johnson who serves as Coordinator of the Coalition.

The work and programs of the Coalition over the past year-and-a-half addressed issues of our community life together and advocated for issues of social justice that impact the common good. Coalition meetings with elected state political leadership included meeting with Governor Phil Murphy, New Jersey State Senate President Nicholas Scutari, Republican Leader, Senator Jon Bramick, Assembly Speaker Craig Coughlin, and Assembly Woman Nancy Munoz. Issues that we have addressed in these meetings include advocating for a reparations study task force, criminal justice reform including the issue of expungement of certain criminal records, as well as addressing the Issues of affordable housing, school desegregation, and environmental justice.

The Coalition has established a Faith Based Advocacy Roundtable that collaborates together on issues of public policy. Coalition member groups include: Religious Action Center of Reformed Judaism of N. J.; Salvation and Social Justice; N.J. Fair Share Housing; N.J. Coalition of Latino Pastors and Ministers; UUA Faith Action of N.J.; Sikh American Legal Defense and Educational Fund; N.J. Catholic Conference; and Faith in N.J.

Our fall 2022 program addressed the issue of “Food Insecurity”. A panel moderated by Dr. Tanya Bennett included Tara Colton, Administrator of the NJEDA Food Desert Relief Act; Mark Dinglasan, Director of the N.J. Office of Food Security; Lisa Pitz, Director for Food Action/Hunger Free N.J.; Carlos Rodriguez, President and CEO of the Community Food Bank of N.J.

One program that highlighted the building of collegial relationships between faith leaders included a virtual gathering addressing “Pandemic Fatigue Blessings and What Our Time Post-Covid Might Look Like.” Our guest facilitator Was Dr. Betsy Stone, clinical psychologist, teacher, writer and adjunct faculty member of Hebrew Union college.

Our most highlighted program of the year was the gathering to “ All Our Prayers to Ukraine.” Our honored guest was Archbishop Daniel of the Ukrainian Orthodox Church USA. The prayer service included Coalition leadership from the Christian, Jewish, Muslim, Hindu and Sikh faith communities surrounding Archbishop Daniel and sharing prayers from their faith traditions. The Archbishop addressed the crisis of war in Ukraine and extended an invitation for our fall gathering to meet at the Ukrainian Cultural Center in Somerset N.J.

Perhaps the most important action of the Coalition this year was the launching in the fall a strategic planning initiative, “Planning Our Future Together 2022-2026.” Primary funding for this initiative came from the Russell Berrie Foundation as well as member organizations of the Coalition including GNJC.

We have engaged Common Cause Consultants to work with our Strategic Planing Team that recommended the way forward for our Coalition at our Fall 2022 Gathering. We look forward to expanding our membership and strengthening our moral witness grounded in our faith traditions for the common good.

UNITED METHODIST MEN

THROUGH CHRIST, WITH CHRIST, IN CHRIST, IN THE UNITY OF GOD THE HOLY SPIRIT, ALL GLORY AND HONOR ARE YOURS ALMIGHTY GOD FOREVER AND EVER.

IN THE NAME OF GOD THE FATHER GOD SON AND GOD THE HOLY SPIRIT, AMEN.

The purpose of U M Men is to make disciples for Lord Jesus Christ. The main office is in Nashville TN. It is the General Commission on United Methodist Men (GCUMM).

The Book of Discipline of UMC states that each local Church, District, Annual, and Jurisdiction Conference must have UM Men.

In our GNJAC, few churches have UM Men active and chartered with GCUMM. Few local churches have active UM Men units, but they have not been chartered with GCUMM. A lot of churches do not have active UM Men in their local churches. At present, we have six districts and an annual conference with **no** UM Men agency. No constitution and By-laws.

Each Methodist man is a member of UM Men. The good news is in our GNJAC we have a lot of men, the sad news is they are not active and connected with this agency. Firstly, forming UMM in our GNJAC is not an easy task. Besides the UM Men president, there needs to be an executive committee, including all the officers. In the same way, we have six districts, six executive committees, and altogether seven executive committees. It is not the time to call for a general election and fill up all the positions. It takes time. In O. T. Moses' father-in-law gave him advice and he obeyed. Exodus 18: 19, 20a, 21 and 25.

Next year, March 23, 2024, Saturday before Palm Sunday I am planning to have a UM Men big gathering and a general election. All men will gather in one place and we will work with the Communications team, District Superintendents, and even invite Bishop Schol. We hope that the following month there will be a UMM training retreat for elected officers and others.

To communicate with each man, in our GNJAC I started a ZOOM meeting, on the **last Tuesday** of each month at **7 PM**. There was a poor response, but it will continue for 2023. **ZOOM ID is 898 6246 3197 and the passcode is 3Q2HzB.**

Goal: To start, dollar day annual campaign for 145 days. At the end of the 145th day, each person will save \$ 145.00. From that, he pays \$ 45.00 for his E M S annual due to GCUMM. (EMS) **Every Man Shares** through **E**vangelism, **M**ission, and **S**piritual Life). AND \$100.00 will go to the conference office for use in Conference and district activities and to offer scholarships to our youth.

This is not an easy task to restart U M Men our GNJAC. We need a lot of manpower and help from other agencies of our connectional team.

Please support and pray,

Glory be only to You Lord, All Praise, Honor, Glory, and Majesty belong to You Glorious Almighty Heavenly Father God, through our Lord and Savior Jesus Christ.

May Lord, our God Jesus Christ, bless and prosper the ministry of UMM abundantly at home and all around the world so more men will come and follow God. Amen.

UNITED THEOLOGICAL SEMINARY

Dayton, OH

United Theological Seminary celebrated rising enrollment in the 2022-2023 academic year. In the previous year, 464 students were enrolled at United; in 2022-2023, the seminary is serving 541 students, a 17% increase. A diverse community of many denominations, races, and nationalities, United welcomed students from 36 states, 21 countries, and 43 denominations, with 42% of students identifying as United Methodist.* The Seminary prepared 103 Course of Study students** and served 10 students through the Hispanic Christian Academy, a 3-year online course of ministry program for Hispanic/Latino lay pastors and leaders serving United Methodist congregations.

Houses of Study

In large part, this enrollment growth is a result of the seminary's House of Study initiative, which is supported by a \$1 million grant from Lilly Endowment Inc.'s Pathways for Tomorrow Initiative. As of 2022-2023, the Seminary has established five Houses of Study that are equipping master's students for the unique ministry needs of the communities, movements, and denominations in which they serve:

- Fresh Expressions, directed by Dr. Michael Beck;
- Full Gospel Baptist Fellowship, directed by Bishop Lisa Weah;
- Global Methodist, directed by Rev. Gregory Stover;
- Global Pentecostal, directed by Dr. Cheryl Bridges Johns;
- and Hispanic, directed by Dr. Jorge Ochoa.

The largest of these communities is the Hispanic House of Study (Casa de Estudios Hispana), which is meeting a need for Hispanic/Latino pastors and church leaders ready to pursue a Master of Divinity in their native language. Nearly 50 students from across the United States and Latin America, including students from Mexico, Cuba, Columbia, and Peru, started in the online program in the 2022-2023 academic year.

As United continues to expand its offerings to support church leaders, it is preparing to launch three new Houses of Study in the 2023-2024 academic year: a Korean House of Study, taught 100% in Korean for Korean-speaking students, led by Dr. Seok Jae Jeon; an African Methodist Episcopal Zion House of Study led by Bishop Eric Leake; and a Global Lutheran House of Study led by Dr. Richard Blue, Dr. Tom Thorstad and Dr. Dan Landin.

Doctor of Ministry

The Seminary is also seeing growth in its Doctor of Ministry program. In 2022-2023, the Doctor of Ministry program has grown to 250 students, an increase of 32% over the past five years.* Doctoral students at United are actively engaged in ministry and seeking to become more effective leaders for the Church through a Doctor of Ministry degree. Students identify a need within their congregations or communities and, with the support of a peer group, mentor, and United faculty, they develop a model of ministry to address the challenge.

Bishop Bruce Ough Innovation Center

Launched in Fall 2021, the Bishop Bruce Ough Innovation Center, directed by Rev. Sue Nilson Kibbey, is connecting with pastors, ministry leaders, and congregational members hungry to bring God's renewal to their faith communities. In the past year alone, the Innovation Center has engaged more than 1,000 participants through more than 40 live webinars, training events, and courses. The Innovation Center has also partnered

with The Center for Spiritual Formation, a connectional ministry of the Susquehanna Conference of The United Methodist Church, to offer a two-year online training course for those called to the ministry of spiritual direction. In addition, the Center is partnering with two United Methodist conferences to provide its Breakthrough Prayer Initiative training for all clergy in these conferences. Through these and other new opportunities, the Innovation Center seeks to set the stage for the increased vitality of leaders and congregations everywhere.

UNITED WOMEN IN FAITH

President, Sue Zahorbenski

On March 3, 2022, our organization launched a new brand, a new name and a new mission statement: “United Women in Faith seeks to connect and nurture women through Christian spiritual formation, leadership development, creative fellowship, and education so they can inspire, influence and impact local and global communities.” This newly-invigorated sisterhood continues to work to improve the lives of women, children and youth. We are enjoying the diversity and new opportunities to work together that redistricting has created in our United Women in Faith districts.

In the spirit of inclusiveness, our Greater New Jersey United Women in Faith has adopted a Welcome Statement that declares that “God’s grace is extended to all God’s children without exception.” We continue our focus on climate justice and the criminalization of communities of color. These emphases may be seen in our spring and fall meeting topics, Mission u classes, and our Charter for Racial Justice conversations. We held two leadership development events, one in January, entitled “Lead Like MLK,” and “Recipes for Success” in June.

The spring meeting in April 9 was held virtually. After our opening worship and keynote speaker, we went into breakout rooms by district, a format that was successful the previous year. The theme was “With Hearts and Healing Let Us Sit Together,” a panel with Shirley Hager, gkisedtanamoogk, and Shirley Bowen, based on the book, *The Gatherings: Reimagining Indigenous-Settler Relations* by Shirley Hager and the Mawopiyane. The offering was divided between the UWF Pledge to Mission and Wabanaki Public Health and Wellness.

Mission u in July was our first time as a hybrid event with live and virtual attendees. “Who Can We Be Together?”, a study of Luke 13, was offered in both the 3-day (hybrid, 25 attendees) and 1-day (virtual, 34 attendees) schools.

REPORTS TO THE ANNUAL CONFERENCE

Thank you to our team of teachers: Don Kirschner, Wilhelmina Jackson, Jay Brown, Kathy Schulz, and Rev. Dr. Sueng Lin Baik, who led 84 people at the one-day Korean school.

The fall annual meeting on October 15 was entitled “Intersectionality: Where Love and Justice Meet.” Our speaker, Dr. Mark Miller, addressed the “overlapping and interdependent systems of discrimination,” called intersectionality. The offering was divided between The Trevor Project and the Peyton Heart Project, which also received the ingathering of yarn.

The Charter for Racial Justice series continued in the fall with three sessions. On September 30, Cynthia Mosley, Chair of GNJ’s CoNAM and Ragghi Rain, Chair of Native American International Caucus, were speakers for “Justice for Indigenous Children.” This coincided with the Week of Prayer and Action and the National Day of Remembrance for U.S. Indian Boarding Schools. In November, we had a panel of Rev. Junehee Yoon, Obed Perez & Rev. Jessica Campbell, followed two weeks later by Meg Isbitski, Diversity Specialist, Somerset Co Dept of Human Services. The sharing of their stories helped to “Know Your Neighbor in the LGBTQIA Community.”

Our Spiritual Enrichment Advisor Barbara Miller, led four virtual micro-retreats. There was guided meditation with coloring, yoga, and Taize, in a series of “Let’s Play, Let’s Pray, Let’s Be Still.” United Women in Faith is very intentional about offering these spiritual opportunities and accepted our conference proposal for a pilot program of the “Soul Care Retreat.” A diverse “Design Team” from throughout the Conference is working together to ensure that this first NEJ Soul Care Retreat provides all who attend with an atmosphere of relaxation, rejuvenation and spiritual nourishment.

We are pleased to report that we met our Pledge to Mission, despite the pandemic, virtual meetings and redistricting. Please go to our gnjumw.org website for more information and events. The new national website is uwfaith.org and includes videos, podcasts and an online membership option.

Rev. Dr. David Ward Beach, of Palm Harbor, FL died 6/28/2022 at the age of 82. David was born and spent his young years in Auburn New York. He left Auburn to do a degree in history at the University of Wisconsin, Madison. His M.Div. degree is from St. Paul School of Theology in Kansas City, Mo. While in Kansas City he met his wife of 55 years, Maxine Clarke Beach. He later earned a Doctor of Ministry at United Seminary in Dayton, Ohio.

For over 40 years he served United Methodist congregations as an elder in the church, including three years in Kenya. He loved being with people on their spiritual journey and mentored and cared for many.

During those years, his three children grew up, married and created their families; Chris Beach (wife Mylinh Tran Beach, children Jonathan Tran, Brandon Beach, Isabelle Beach and Michael Beach), Elissa Montoya (husband Adam Montoya and daughter Madeleine Montoya) & Sarah Beach Cooper (husband Lyle Cooper, children David Cooper, Maxwell Cooper and Sadie Cooper). He is also survived by his sister Margery Owens and his wife Maxine.

After retirement he taught religion at Arthur Kill Prison with New York Theological School and was part of the Supervised Ministry program at Drew Theological School in Madison NJ. Retirement also allowed for more travel and time with family.

He was an avid reader and through the years moved from Bible commentaries to Eastern and Western spirituality to quantum theory and the interface of science and religion. He never lost his love for good fountain pens or good dark chocolate.

David was a daily runner until Alzheimer's began to claim his mind and his body. He did not live into the disease but continued to travel and do the things he loved until nearly the end. We are grateful to Arden Courts and Suncoast Hospice for care these last months.

On Sunday October 9, 2022 God called his servant Elwood G. Davis to his heavenly home, where he is reunited with the love of his life Georgeanna S. Davis and his loving son Raymond G. Davis. Elwood was a lifelong member of Asbury United Methodist Church where he was very actively involved across the board. He was a certified Lay Speaker, Business Administrator for the Methodist Men, and Finance Committee member. He was very hands-on with many of the church's ministries. He served honorably as a Sgt. in the US Army until 1946 during WWII where he earned the American Campaign, Asiatic Pacific Campaign and World War II Victory medals. everything about everything and if you knew him all you had to was ask and sit back. He was employed by the Atlantic County Welfare board, Atlantic Human Resources, Atlantic National Bank and Deputy Executive Director of the Atlantic City Municipal Utility Authority where he retired in 1992. Elwood is survived by his son Elwood G. III (Sharon), Yvette (daughter-in-law), five grandchildren, Elwood IV, Galen, Arrik, Kiara and Ajaræ. Alma Omega Young Dobson 3/16/1938 - 9/8/2022

On September 8, 2022, God spoke and said, "Greetings Alma and welcome to my kingdom. Well done my good and faithful servant."

Alma Omega Young Dobson, the 7th child of a large, loving family, was the last of the immediate line. Alma was predeceased by: her parents, Lester and Maxi; siblings, Maxine, Harry, Charles, Jean Joe, and her closest, dearest brother Byron (survived by wife, Peggy). Rest assured they are waiting to receive her.

She met the love of her life, Teddy Dobson, on the first day of college. Teddy knew at first sight she would be his wife. Alma was welcomed with open arms by Mother-In Law, Helen, Father-in Law, "Duke", sister-in-law, Arline, and brother-in-law, Arthur (survived by wife, Mary). She could always count on help from Aunt Gertie. From that union three children were born, Andrea, Sherryl, and Byron.

Her story at Asbury United Methodist Church is the same as many members: some were baptized as children, some by marriage and some by choice. Alma came to the church by marriage. Her new family were lifelong members of Asbury and naturally she joined. She found love and acceptance among the congregation. She became a Sunday school teacher, Vacation Bible school teacher, part of the Wesleyan Service Guild, Young Adult Fellowship, Auxiliary to the Trustees, an active Stewart and a certified Lay Speaker. These groups helped build relationships among the people of Asbury, but more importantly it helped her learn more about Methodism and the structure of the church.

Upon graduation from Glassboro State Teachers College, she worked for the Atlantic City Public School system, as a teacher, reading specialist and administrator, eventually retiring in 1993. After retirement, she served on the Atlantic City School Board.

Alma heard God's call and began her journey in ministry, attending John Wesley Seminary. Upon completion, she was assigned to several churches in Atlantic County. Her last assignment was at Asbury United Methodist Church.

The love continued to grow with the addition of grandchildren: Amber, Sanatoria, Isaiah, Anthony, Karrington, and Chance and great-grandchildren: Jazlynn, Isaiah, Abigail, Natalie, Josiah, and Kenneth.

The Dobson household was the central point for holidays, summer gatherings and just a place of love. Nieces and nephews, Archie (deceased), Karen, Bonita (deceased), David, Leslie, Jeremy, Jessica, Arthur, Adrienne, and Shanika found love and a place of safety with their Aunt Alma. Spouses, Michael, Cornelia, Laurie, Russell, Nancy, and David, all held a special place in Alma's Heart.

There were special friends in Alma's life who were just like family, including: Vonnie and Ronald Jordan, Betty Lloyd and Mary Bew, Claudette and Ernest Yancy, Devolia and Marven F. Hill, Carolyn Pendelton, Gloria and Cliff McWhorter and Juanita Johnson.

With each interaction with Alma, all of our lives have been enriched. We will always remember her sweet desserts, patience, and loving counsel.

Nancy Lyn Geyer 5/13/1933 - 7/8/2022

Nancy L. Geyer passed away on July 8, 2022 at Haywood Regional Medical Center.

Nancy was born in East Orange, New Jersey. She lived all of her early years in Keansburg, NJ and was a member of the United Methodist Church. She and her husband Roger lived in the same town and at the age of 14, she invited him to her church's youth group. They soon became very close friends, fell in love, and were married in that church on June 6, 1953. A year later while Roger was in college at Rutgers, she had their first child, Kathy. While Nancy was the organist at Belle Vista Church in Clifton, Kathy slept in her carriage next to the organ bench. A year later their second child, Bonnie was born. By then they were serving the Anderson, Changewater and Port Colden circuit. Nancy was faithful in bringing two babies to three services every Sunday for three years. Both there and at their next appointment in Barryville and Eldred, NY, she was not only

active in the WSCS, but also prepared refreshments for the many other church meetings held in the parsonages.

In the 23-year appointment at Rockaway, she continued the "hostess" activities, sang in the choir, played her violin, directed the handbell choir, and was a faithful member of the UMW. She also filled in as organist and secretary of the church when there was illness or other reasons for their absences. For many years, she served as the Coordinator for each Sunday and other special music programs and scheduled vocal and instrumental soloists for

all services. By the time they were appointed to Bergen Highlands Church in Upper Saddle River, N.J. where they served for 12 years to retirement, she had a very responsible position working for General Public Utilities (the owners of Three Mile Island). She continued singing with the choir, playing her violin and enjoying having church members come to her home.

From 1994 (until her death), she lived at Lake Junaluska, NC Methodist Assembly. For many years, she and her husband coordinated all the exterior Christmas decorating (which she continued after his death in 2010), served on many committees, and was always at hand to volunteer wherever needed. Both she and Roger received the coveted Chief Junaluska award in 2000. She often played the violin in her church in Waynesville.

Karen McMartin, age 78 of Readington Twp., NJ, died Saturday, July 30, 2022 at the Morristown Memorial Hospital in Morristown, NJ.

Born in Doran, Minnesota, she was the daughter of the late Irving and Esme Springer. She grew up on her familys farm and had wonderful memories of her childhood.

Karen met and started dating her future husband, Donald in high school. They were two of the three co-valedictorians of their senior class. Both went on to attend and graduate from the University of Minnesota. During their fourth year in college they decided to get married during Christmas break in 1964. Karen graduated with a Bachelor of Chemistry and a Master of Education in Secondary Education. She then taught school chemistry at a nearby high school.

Upon Dons completion of his D.V.M. Degree they moved to Worthington, Ohio so he could attend Ohio State University to obtain his PhD. Karen started school at Ohio State University also, working toward an advanced degree in inorganic chemistry. While she enjoyed most of her classes, she decided it was time to stay home, and perhaps start a family. Both her daughters, Beth and Tara were born in Ohio. Dons completion of his PhD had the family moving to near Albany, NY and the birth of Douglas would complete their family. While the children were growing up many camping trips and adventures were had. The family attended Voorheesville United Methodist Church and it was there Karen met the Pastor, Dick and his wife, Mary Beth whom she considered her best friends.

In 1983 the family moved to Readington Twp. NJ. Karen had become very involved in her last church. That prompted her to attend Drew Theological Seminary to learn how to be better at teaching in church. She took a job at the North Branch Reformed Church as their director of religious education. Halfway through seminary she decided to seek ordination rather than continue the plan of Christian education. All this of course was done with the advice and blessing of Pastor Dick. In 1989 she was ordained a full Elder in the Church. Her first full-time appointment was at Green Village in 1988. She then served as Pastor at the Rutherford United Methodist Church, before being appointed with a 2-point charge of Port Morris U.M.C. and Teabo U.M.C. After retirement she and Don continued camping and visiting with friends and family all throughout the United States.

Nancy S. Moore 1930 - 12/13/2022

Pastor Nancy S. Moore, 92, of Marlboro passed away unexpectedly at home on Tuesday, December 13, 2022. Pastor Nancy was born in Pottsville, PA and was raised in Schuylkill Haven, PA. She had lived in a number of towns in New Jersey including Oakland, Yardville and Vineland. She and her husband then moved to Randolph and lived there for over 40 years. Before finally moving to Marlboro in 2013, Pastor Nancy lived in North Bergen while her husband ministered there.

She met her husband at the Philadelphia Conservatory of Music, which is where their love blossomed to what it is today. Pastor Nancy was particularly adept as an accompanist and was sought after for that skill. She was a grounding partner to each soloist and performer with whom she worked and fully supported them, covering for lost notes, missed measures, or flawed conducting. Pastor Nancy performed with numerous choirs, many of which she co-founded with her husband Bill. One such chorus, the Chorus of Communities, continues to perform in the Belleville, NJ area today. Pastor Nancy had also worked with many fine musicians including two gentlemen who later became Metropolitan Opera singers.

She received her Bachelor of Arts degree in Music from Beaver College and her Master of Arts in Theology and Ministry (MDiv degree) from Drew University and became, in 1984, among the first women Lutheran Ministers in New Jersey. In that way, she was an inspiration to many, including her children and husband. A woman of faith, she was the Pastor of Bethany Lutheran Church, Belleville for 31 years before retiring in 2015. She was well loved there.

Along with her husband, Pastor Nancy enjoyed camping. In 1968, she traveled with her family from one coast to another and back again. They all enjoyed spending summers at the shore in New Jersey as well, particularly at Long Beach Island. Having a competitive and fun spirit, she had a passion for Ping-Pong and Tennis and played until her 84th year. Pastor Nancy also served as a former member and past president of the Rotary Club in Belleville, #5507.

She was a loving wife of seventy-one years and four months. She was predeceased by her sister, Mary Eleanor Croneberger and her brother, Russell Schaeffer. Sandra Moore of Marlboro, Jacquelyn Moore and her husband, Paul Simmons of Lotus, CA, Susan Moore-Magee of Glen Gardner, Rev. Maryellen Moore of Middleburgh, NY and David Moore of Milford, PA as well as eight grandchildren, and eleven great grandchildren.

Elmo Pascale 4/26/1923 - 9/21/2022

Reverend Elmo Pascale passed away on September 21st, 2022 at 99 years and 5 months. He was predeceased by his wife, Ella, his son, Jeff, and his sister, Alba Pascale Brunetto.

Elmo was born in 1923 in the parsonage of Silver Lake Italian Baptist Church in Belleville, New Jersey. His father, Rev Benedetto Pascale was the founding minister at the church and his mother, Rachel Corbo Pascale, was the organist and choir director. Throughout his first eighteen years, Elmo's life centered on the church, music, school, and sports — his mother ensured he had a broad music education, studying piano, then cello, and always singing in the choir. And church sports teams were important, especially baseball, bowling, and bocce.

Elmo attended Bucknell University and then moved on to seminary at what was then Colgate Rochester Divinity School (CRDS, but now affiliated with several other seminaries), where much of the original social gospel work occurred. Rev. Howard Thurman, the prominent theologian and scholar, was a 1926 CRDS graduate, and he often returned to speak at the seminary both when Elmo studied there and after graduation. Much later Elmo took Marti to several of these, but it wasn't until she was an adult that she realized the true significance of Rev Thurman and his lectures.

In the summer of 1948 Elmo, then an assistant minister at a church in Summit, New Jersey, was sent for two weeks of conferences and professional education to the Green Lake American Baptist Conference Center. There he met Ella Massey a rising senior at William Jewell College. It was love at first sight for both of them and they were married in August 1949. Thus began the Elmo and Ella partnership that their children, Jeff and Marti, referred to as E-Squared.

Ordained in the American Baptist denomination, Elmo next served at a small Baptist parish in Union City, NJ. where he also enjoyed the easy drive into New York City to attend events at Union Theological Seminary and Riverside

Church. He also earned another master's degree from New York University. However, in 1952, disillusioned with the Baptist racial equality activities, he, along with several seminary classmates, joined the Congregational denomination, soon to become the United Church of Christ. He then served at a Congregational church in Staten Island, NY.

Elmo next became the chaplain at the campus Student Religious Foundation at the State College (SUNY) in Fredonia, NY. The family lived on the second floor of a nine bedroom house with students on the third floor. The first floor was devoted to eating and student activities of all kinds including Quaker Meetings, Buddhist ceremonies, Friday night Seders with visiting Rabbis, Zen meditation, lectures, service projects, hymn sings, and other musical events, and much more. Elmo also acquired a huge station wagon so he could take students to larger religious activities in Jamestown, Buffalo, and at the Chautauqua Institution. Each summer while in Fredonia he preached for several Sundays at a church on the Chautauqua grounds. Of course civil rights activities and speakers visited throughout his tenure at the Campus Religious Foundation.

Beginning in 1963 Elmo along with Ella, served as a professor at Lincoln College, a small private school that worked with students who had learning challenges (but at that time we did not understand these learning problems), Elmo was also the de facto chaplain. He was devoted to his students, and at least several times a week he would arrive home with students in tow for dinner. The dinner table conversation was always lively and ensured later bedtimes for his children, Jeff and Marti. Civil rights continued to be a significant focus and he invited many speakers speak on campus. Later he and Ella marched with Dr. King and comedian Dick Gregory at the open housing demonstrations in Cicero on the west side of Chicago — to the Taken one week before Elmo, pictures with Marti, died. consternation of college administrators. On the campus, activities to understand more about the war in Vietnam were also front and center in the late 1960s and early 1970s, also to the consternation of administrators.

During his time in Lincoln, Elmo held regular interim minister positions and became active in Central Illinois United Church of Christ conference. At every church, whether it was for a few months or much longer, he and Ella built communities and developed lifelong friendships, evidenced by the 750-plus addresses on their Christmas card list right up until 2018, two years before Ella passed away.

In 1976 Elmo took his sabbatical at Princeton Theological Seminary and Ella also studied there.

In 1985, Lincoln College offered them early retirement including several extra years of TIAA retirement contributions, so off they went on other adventures. Elmo had an acquaintance who was a Methodist Superintendent, and he had a church in Bernardsville, NJ that was really rough on youngish ministers. Would Elmo be interested in becoming a Methodist for a while at the church? He was, and thus began about 10 years of retiring then going back to work, and retiring and going back to work at churches and colleges.

It was also during this time when Jeff's bi-polar illness intensified He was in and out of hospitals and on and off jobs, but he did earn his undergraduate degree. Unfortunately mental health services were terrible and he did not thrive. Elmo did everything he could to help Jeff heal.

In 1998 they moved to Harrisonburg, VA first to Massanetta Springs Conference Center, among a fair number of retired Presbyterian, UCC, and even a few Methodist ministers. They found church homes at Asbury United Methodist Church and St. Stephen United Church of Christ, not infrequently worshiping at Asbury and then walking down the street to worship in a second service at St. Stephens.

Finally, they settled at Virginia Mennonite Retirement Community (VMRC) where they rarely missed an activity. To Elmo's, the delight Eastern Mennonite University (EMU) was right next door, and he loved the students, the EMU library, and the Center for Justice and Peacebuilding where where he and Ella were enthusiastic supporters. He was especially pleased with Mennonite commitment to peace and justice. Other activities (beside church doings) included participating in Democratic campaigns and attending lectures and musical events, including Harrisonburg's amazing Bach Festival.

There was, however, a long period of sadness when son Jeff took his own life.

Throughout his life Elmo maintained his commitment to peace, justice, and racial equality, and when appropriate or otherwise, he took, along with Ella, public stands for his convictions. As his memory began to weaken and right up until a few days before he died, Elmo never lost his ministerial skills, always expressing concern for others, asking people if they needed help, offering a prayer or a psalm, being kind, singing hymns, and generally bringing light to darkness.

CLERGY/LAITY SEXUAL MISCONDUCT, ABUSE AND HARASSMENT POLICY FOR THE GREATER NEW JERSEY ANNUAL CONFERENCE (Approved at the 2009 Annual Conference)

All references to the Book of Discipline are in the 2008 edition. Paragraph numbers are for easy reference and may change with future editions of The Book of Discipline. Unless there are substantive changes to the content of the Book of Discipline, the Policy will be updated to reflect the current Book of Discipline as editorial changes without the need to re-approve the Policy. Future name changes of Greater NJ Annual Conference will also be updated as editorial changes.

I. CONTEXT

For the purpose of this policy, we will use “clergy” or “clergyperson” to refer to all ordained, commissioned, consecrated, licensed local pastor, supply pastor and Certified Lay Minister.

II. PURPOSE

Clergy are in a position of great trust, power and responsibility. This provides the opportunity for unique relationships of grace and caring. While most clergy remain faithful to their vows and their covenant with God and the church, there are clergy who sometimes violate the trust given them. Sexual misconduct is one grave violation of this trust. We also acknowledge that laypersons can engage in acts of sexual misconduct, abuse and /or harassment. This policy seeks to address the abuse of power by all clergy and laity who engage in sexual misconduct, abuse, and/or sexual harassment. (See Section IV for definitions)

Incidents of sexual misconduct, abuse, and/or harassment have been reported in United Methodist Churches, agencies, and institutions. It is both the ethical and legal responsibility of the Annual Conference to ensure that there are mechanisms for addressing grievances in these matters. The intent of this document is to provide guidance to both laity and clergy of the Annual Conference, and to the local churches contained therein regarding clergy/lay sexual misconduct, abuse, and/or harassment.

It is our hope, as the people of Christ that this policy will help serve to guard against inappropriate behavior and be a guide for our community of faith as we seek to handle grievances should sexual misconduct, abuse, and/or harassment occur.

III. THEOLOGICAL FOUNDATION

All persons are created by God. In the Genesis stories, as in the life, death, and resurrection of Jesus, it is affirmed that we are created in the image and likeness of God. God values human life, intending all women, men, and children to have worth and dignity in all relationships with God and others. God calls us into covenant with each other as children of God and as the body of Christ. The scriptures remind us that Jesus was sent into this world that we might experience whole relationships with each other and God. “There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female, for you are all one in Christ Jesus.” (Galatians 3: 28 RSV)

We affirm that our human bodies are good gifts from God and our sexuality is an integral part of our humanity. Healthy sexuality, and appropriate expressions of it, are derived from the goodness of the gift. As children of God, we are holy in Christ and created equal. Where one is injured, physically, emotionally or spiritually, all are rendered less than God’s intended wholeness. Sexual misconduct, abuse, and/or harassment is an exploitation of power and abuse of position that uses sexuality as an excuse and distorts the relationships and blessedness of relationships and the up building which God desires for humanity. It is sinful behavior.

One who repents for sinful behavior is promised forgiveness. However, discipline should be distinguished from forgiveness. A clergyperson guilty of sexual misconduct needs and may receive forgiveness and be offered avenues for redemption and change. Forgiveness, however, does not excuse one from responsibility to the community and accountability for the brokenness caused by one’s behavior. The church must still take steps to protect the people of God.

IV. DEFINITIONS

Sexual Misconduct

It is sexual misconduct when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, co-worker, or volunteer within the ministerial relationship. (1996 Book of Resolutions, pp. 128-132, 2008 Book of Resolutions p.134)

Examples of ministerial relationships:

- Pastor/member of church
- Supervisor/church employee
- Youth pastor/youth
- Sunday School teacher/student
- Pastor/student intern
- Pastoral counselor/counseled

Examples of sexualized behavior or sexual contact:

- Displaying sexually suggestive visuals
- Making sexual comments or innuendos about one's own or another person's body
- Touching another person's body, hair, or clothing
- Touching or rubbing oneself sexually in the presence of another person
- Kissing; fondling; sexual intercourse

This understanding is equally applicable in the context of ministries in which there are no "parishioners" but there is a community which acknowledges the authority of the clergy person or lay worker as a spiritual leader or other ministries in which the ministering person serves a community much wider than the membership of the local congregation.

At the core of this definition of sexual misconduct is the abuse of power and trust that occurs when a ministering person initiates or allows sexual behavior with someone who is in a relationship of trust and/or dependence. Sexual misconduct breaks a sacred trust. Any such sexual misconduct is a violation by the ministering person who then bears the responsibility for his/her behavior.

Sexual Harassment

Sexual harassment is any unwanted sexual advance or demand, either verbal or physical that is reasonably perceived by the recipient as demeaning, intimidating, or coercive. Sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender. (1996 Book of Discipline ¶161.1, p.101, 2008 Book of Discipline ¶161.1, p.104)

Suggested guidelines for determining hostile environment:

- Is the behavior sexual in nature or gender specific?
- Is the behavior unwelcome?
- Is the behavior severe or pervasive enough so that it creates an environment which interferes with one's ability to work, get an education, or participate in ministry?

Sexual harassment also includes the development or attempted development of a sexual or romantic relationship between a clergy person or lay worker and a person with whom he/she has a ministerial relationship, when that is an unwanted or inappropriate relationship.

Sexual Abuse

Sexual abuse is a sexual invasion of the body by force. Sexual abuse may be: rape, sexual assault, incest, indecent exposure, statutory rape, indecent assault, and aggravated indecent assault. Sexual abuse is also an internal assault, a deliberate violation of emotional integrity, and a hostile and degrading act of violence.

SAFE SANCTUARIES POLICY

Domestic Violence

Domestic Violence Policy

It is not enemies who taunt me—I could bear that: It is not adversaries who deal insolently with me—I could hide from them. But it is you, my equal, my companion, my familiar friend, with whom I keep pleasant company. Psalm 55: 12-14a NRSV.

The Psalmist captures the feeling of many victims of domestic violence: the pain of being betrayed and injured by a loved one.

What is Domestic Violence?

Any abusive, violent, coercive, forceful, or threatening act or word inflicted by one member of a family or household on another can constitute domestic violence.

The United Methodist Church affirms the sacredness of all persons and their right to safety, nurture and care. It names domestic violence and sexual abuse as sin and pledges to work for their eradication. 2008 Book of Resolution, p.59. Thus, we recognize domestic violence as an immoral act and a chargeable offense for both clergy and laity. 2008 Book of Discipline, ¶ 2702.1 and ¶ 2702.3

We celebrate God's gift of intimacy, the image of God in each person, the inherent right of each person to health, wholeness, and safety, and we commit ourselves to working toward the elimination of domestic violence.

V. STANDARDS FOR CLERGY CONDUCT

- A. Clergy related to the Annual Conference are always accountable for the ways they respond to persons who ask their ministerial assistance and over whom they have authority. Any breach of this ministerial relationship, ministerial responsibility, and ministerial authority is abusive and unethical.
- B. Clergy often relate to persons who are fragile and vulnerable, and therefore must exercise special care:
 1. That clergy are psychologically, emotionally, and spiritually healthy.
 2. That there has been proper and adequate preparation and education as well as adequate continuing education for providing appropriate help for those under their care.
 3. That they seek counsel, advice, and supervision.
- C. Clergy sexual misconduct, abuse, and/or harassment places an unfair and unavoidable burden on the victim of such conduct. It is in the best interest of the entire church to inform the laity concerning appropriate standards of ministerial conduct.
- D. Clergy self-discipline requires self-awareness and takes for a standard of ethics those implied and described in the vows of ordination and consecration. (1996, Book of Discipline, ¶301-¶365) Personal integrity and mature professional conduct are a part of every ministerial relationship. This prohibits any sexual behavior with a parishioner, colleague, staff, or client entrusted to his or her sacred care.
- E. All clergy have the responsibility for developing healthy and ethical relationships with other persons. Married clergy have covenanted to nurture and maintain a faithful marital relationship. The covenant also reminds single clergy that dating relationships must maintain full attention to sexual conduct as understood in Christian teaching and the Book of Discipline of the United Methodist Church. (1996 Book of Discipline, ¶65)
- F. When clergy are providing professional pastoral counseling to persons in their church or community, it is understood that they shall keep appropriate standards of professional behavior and boundaries in that relationship. It is also recommended that clergy seek supervision for their counseling by a certified counselor supervisor to ensure that proper counseling relationships are maintained.

VI. STANDARDS FOR THE CONDUCT OF LAITY

Within the United Methodist connection, lay persons are also called to a standard of conduct which stands against sexual misconduct, abuse and/or harassment as outlined in 2008 Book of Discipline ¶2702.3. Laity have the responsibility for not creating hostile environments as a result of sexual harassment, abuse and/or sexual misconduct against clergypersons or other laity. (Book of Discipline ¶ 605.8)

VII. HONORING PERCEPTIONS OF REALITY

We understand that intentions and perceptions are not always the same. It is our policy to treat seriously a person's perception of the truth of their experience if/when sexual harassment, abuse, and/or misconduct are reported.

VIII. CONFIDENTIALITY

The primary purpose of this policy is to encourage and support victims of sexual harassment, abuse, and/or misconduct to report such incidents, by providing a process that protects them from intimidation and preserves their dignity. We recognize that there also may be occasions when persons are falsely charged with sexual harassment, abuse and/or misconduct. In either case, it is of the utmost importance that confidentiality be assured for both the victim and the accused, and that advocates, church officials and others who may be involved in the process take every reasonable and legal precaution to honor the issue of confidentiality.

Some instances of sexual harassment can be resolved easily and informally between parties. In all other instances, misconduct of a sexual nature or abuse within the local church should be reported to a Contact Person for sexual harassment and abuse. If the conduct involves a clergy person, the complainant may consider filing a written complaint and/or speaking with a District Superintendent.

IX. COMPASSIONATE ADVOCATES

The Greater New Jersey Annual Conference of the United Methodist Church provides the following support system to assist any individual who has a concern about an issue of sexual misconduct, harassment, or abuse with the church.

Listed at the end of this document are Compassionate Advocates trained by the Annual Conference and who will provide immediate support and direction for persons who feel that they have been sexually abused or harassed. Compassionate Advocates will explain policy and procedure and will provide confidential guidance throughout the process and respect confidentiality. Compassionate Advocates will be available for the complainant, the accused and the church.

We urge all related institutions/agencies in the Greater New Jersey Annual Conference to identify and train Compassionate Advocates to serve within their organization.

X. PROCESS

The Greater New Jersey Annual Conference will adhere to the following steps when an accusation of sexual misconduct, harassment or abuse is brought to the attention of a District Superintendent:

1. A letter shall be provided to both the complainant and the accused at the time they first contact or are contacted by the District Superintendent. These letters are included in this policy as Appendix A.
2. Limit all media responses on behalf of the Church/Conference to the Bishop or the Bishop's designate.
3. If the complainant chooses to file a written complaint, the process will proceed as indicated in the 1996 Book of Discipline, section XIV ¶1358, 2008 Book of Discipline section XV ¶ 361.
4. A complainant has the option of following church policy and discipline when bringing a complaint of sexual misconduct against a pastor. They also have the option of seeking legal advice and filing charges.
5. Any incidence of sexual abuse in which the victim is a minor is a crime and must be handled appropriately. Anyone within the church who becomes aware of a child abuse issue is morally—for clergy, legally required—obligated to take steps necessary in the attempt to prevent further harm to the child. If an incident of child abuse occurs involving a church employee or volunteer within the church building or at any church activity, or if a minor brings forth a complaint of sexual abuse it must be reported to the local authorities.

The Greater New Jersey Annual Conference recognizes that accusations of misconduct of a sexual nature can be harmful to the whole congregation. The Greater New Jersey Annual Conference will provide support to the church affected by these accusations by providing guidance from the Leadership Advocacy Team and counsel in the form of a response team.

Greater New Jersey Conference (336) 2024 Comprehensive Benefit Funding Plan Summary

INTRODUCTION

The 2012 *Book of Discipline* ¶1506.6 requires that each annual conference develop, adopt and implement a formal comprehensive funding plan for funding all of its benefit obligations. The funding plan shall be submitted annually to Wespath Benefits and Investments (Wespath) for review and be approved annually by the annual conference, following the receipt and inclusion of a favorable written opinion from Wespath. This document is only a summary of the information contained in the actual signed funding plan and does not contain all the information required for a comprehensive view of the conference's benefit obligations. You may request the full contents of the 2024 comprehensive benefit funding plan from your conference benefit office.

CLERGY RETIREMENT SECURITY PROGRAM (CRSP)

Defined Benefit (DB) and Defined Contribution (DC)

Program overview:

The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility designed for those who serve as clergy of The United Methodist Church. The program is designed to provide participants with one portion of their overall retirement benefits. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007, which had previously replaced the Pre-82 Plan for service rendered prior to January 1, 1982.

CRSP consists of both a defined benefit (DB) plan, which provides a monthly benefit at retirement based upon years of credited service to The United Methodist Church, and a defined contribution (DC) plan, which provides a retirement account balance established and funded by the annual conferences.

Current funding plan information:

The Clergy Retirement Security Program (CRSP DB) annuities total liability as of January 1, 2022, is \$(2,285,443,615), while total plan assets are \$2,829,122,591, resulting in a current plan funded ratio of 124%. The Greater New Jersey Conference portion of the liability is 1.9194% and the 2024 contribution is \$1,582,809. The conference anticipates that the amount will be funded by Deposit Account, Direct Billing. Additionally, General Conference 2012 approved a change to CRSP that provides each annual conference the discretion to determine whether to cover three-quarter and/or half-time clergy. The Greater New Jersey Conference has elected to cover clergy serving 50%+ under CRSP effective January 1, 2024.

Effective January 1, 2014, the CRSP DC plan was reduced from a 3% to a 2% of plan compensation non-matching contribution. Clergy can earn up to an additional 1% CRSP DC contribution by contributing at least 1% of their plan compensation to UMPIP; therefore, if a participant contributes at least 1% of plan compensation to UMPIP, the individual will receive a contribution of 3% to CRSP DC. The 2024 CRSP DC contribution is anticipated to be \$600,000 and will be funded by Direct Billing.

Greater New Jersey Conference (336) 2024 Comprehensive Benefit Funding Plan Summary

MINISTERIAL PENSION PLAN (MPP)

Plan overview:

Supplement Three to the Clergy Retirement Security Program (CRSP), also known as the Ministerial Pension Plan (MPP), provides clergy with a pension benefit for their years of ministry with The United Methodist Church from 1982 through 2006. MPP is an Internal Revenue Code section 403(b) retirement plan. MPP requires that exactly 65% of the account balance must be annuitized when the funds are to be distributed. The remainder may be rolled over to UMPIP, another qualified plan or an IRA, or it may be paid in a lump sum.

Current funding plan information:

The Ministerial Pension Plan (MPP) annuities' total liability as of January 1, 2022 is \$(3,665,135,772), while total plan assets are \$4,758,759,842, resulting in a current plan funded ratio of 130%. The required contribution for 2024 is \$0. The Greater New Jersey Conference's percentage of the total liability is 1.8687%. Future MPP annuitants have a total account balance of \$3,172,631,225 and the Greater New Jersey Conference's portion of that balance is \$61,327,945 or 1.93% of the total.

PRE-82 PLAN (PRE-82)

Plan overview:

Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension benefit for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982. If a clergyperson retires within the Conference (and does not terminate), the minimum benefit payable is based on two factors:

- 1) Years of service with pension credit-approved by each conference on the recommendation of the Conference Board of Pensions (CBOP) in accordance with plan provisions and *The book of Discipline*.
- 2) The conference pension rate (past service rate)-the dollar amount chosen by the conference as the amount payable for each approved year of service with pension credit (may change from year to year).

The number of years of service with pension credit is multiplied by the pension rate, and the product is the minimum annual benefit payable to those clergy eligible for Pre-82 Plan benefits. In certain situations, the benefit received from the Pre-82 plan may vary based on the applicability of what is referred to as Defined Benefit Service Money (DBSM), which is the defined contribution feature of the Pre-82 Plan. At the time that a participant retires, the DBSM account is converted to a life based benefit and, at that point, the clergy's benefit is the greater of the PSR or DBSM benefit. If the conference increases the PSR, the clergy's benefit is recalculated; but the DBSM-based benefit does not change.

Current funding plan information:

The 2024 PSR recommended to the Greater New Jersey Conference will be \$753, representing a 1% increase from the 2023 rate. The conference expects future annual increases to be approximately 2.00%.

The contingent annuitant percentage is recommended to remain at the 75% level.

Greater New Jersey Conference (336) 2024 Comprehensive Benefit Funding Plan Summary

The rationale for these changes is: Board of Pension & Health Benefits approved an increase of 1.5% for 2024. Re-direct surplus to CRSP-DB
