3. Supply pastors are eligible for UMPIP if the church has a lay employee UMPIP Adoption Agreement in place with Wespah Benefits and Investments.
4. Clergy in 1/4 time status are eligible to enroll in UMPIP. A waiver form is required if not enrolling in the plan.
5. Churches may decide to become a plan sponsor into UM LifeOptions for pastors in these categories: 1/4 time Ordained Clergy or 3/4 time Part-time Local Pastors.
6. Must have been in an eligible appointment immediately prior to appointment to Sabbatical to be eligible for 12 months.
7. Defined Contribution component of CRSP for clergy while receiving disability benefits through CPP is funded via the Comprehensive Protection Plan (CPP).
8. Defined Benefit (DB) component of CRSP for clergy while receiving disability benefits through CPP is funded by the Conference.
