

Guidelines for Continuing Education Fund

The Board of Ordained Ministry of the Greater New Jersey Annual Conference

“Throughout their careers, clergy shall engage in continuing education for ministry, professional development and spiritual formation and growth in order to lead the church in fulfilling the mission of making disciples for Jesus Christ. This shall include carefully developed personal programs of study augmented periodically by involvement in organized educational and spiritual growth activities. These practices embody the Wesleyan emphasis on lifelong growth in faith, fostered by personal spiritual practices and participation in covenant communities. Each Annual Conference, through the chairs of the clergy Orders and Fellowship or other leaders designated by the bishop, shall provide spiritual enrichment opportunities and covenant groups for deacons, elders and local pastors.” (§1350.1)

The Board of Ordained Ministry of the Greater New Jersey Annual Conference (GNJAC) supports the ministers in their career development and enhancement through an annual continuing education fund and advanced degree/certification programs. Here are the key elements:
