DATE/TIME:

Thursday, September 10th
6 PM Dinner
7 PM Meeting

In the face of growing challenges affecting immigrant communities, ***We Walk by Faith*** is a call to stand together. This gathering of United Methodists and the broader community will create space for learning, honest conversation, and faithful action. We will share a meal together at 6:00 PM, followed by a brief reflection to ground us in faith and justice. From there, we will hear from local leaders, advocates, and those working alongside immigrants and families impacted by detention, engage in table conversations, and connect with community organizations making a difference across New Jersey.

Whether you are looking to deepen your understanding, ask honest questions, or discover meaningful ways to get involved, this evening is an opportunity to listen, learn, and discern how we can faithfully respond together.

Join us along with Bishop Moore-Koikoi at Haddonfield UMC as we walk by faith in pursuit of justice, compassion, and hope.
